Be it enacted by the Legislature of West Virginia:

ARTICLE 13A. SEVERANCE AND BUSINESS PRIVILEGE TAX ACT.

**§11-13A-3f. Imposition of user fee on privilege of severing natural gas or oil; Tax

1 (a) For the privilege of engaging or continuing within this state in the business of severing

 3 from every person exercising such privilege an annual user fee of \$1 million from each business
 4 for each county in which they use one or more secondary roads for their operations.

5 (b) The fee imposed by this section applies to all persons severing gas or oil in this state,
 6 and is in addition to all other fees or taxes imposed by law.

7 (c) Once the fee has been collected, and on an annual basis, the State Tax Commissioner
 8 shall transfer the fees to the Division of Highways for the sole use of maintaining and upkeeping
 9 the secondary roads in the state. The State Tax Commissioner shall also inform the Division of
 10 Highways the amount of oil and gas produced in each county. Each county shall receive its pro
