§30-32A-1. Purpose.

1 The purpose of this Compact is to facilitate interstate practice of audiology and speech-

3 pathology services. The practice of audiology and speech-language pathology occurs in the state

4 where the patient, client, or student is located at the time of the patient, client, or student
5 encounter. The Compact preserves the regulatory authority of states to protect public health and
6 safety through the current system of state licensure. This Compact is designed to achieve the
7 following objectives:

8 (1) Increase public access to audiology and speech-language pathology services by
9 providing for the mutual recognition of other member state licenses;

10 (2) Enhance the states' ability to protect the public's health and safety;

11 (3) Encourage the cooperation of member states in regulating multistate audiology and
12 speech-language pathology practice;

13 (4) Support spouses of relocating active duty military personnel;

14 (5) Enhance the exchange of licensure, investigative, and disciplinary information between
15 member states;

9 competent jurisdiction, according to the practice and procedure of that court applicable to
10 subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness
11 fees, travel expenses, mileage, and other fees required by the service statutes of the state in
12 which the witnesses or evidence are located.

13 (3) Only the home state shall have the power to take adverse action against an
14 audiologist's or speech-language pathologist's license issued by the home state.

15 (b) For purposes of taking adverse action, the home state shall give the same priority and

17 within the home state. In so doing, the home state shall apply its own state laws to determine
18 appropriate action.

19 (c) The home state shall complete any pending investigations of an audiologist or speech-

28 (e) Take adverse action based on the factual findings of the remote state, provided that
29 the home state follows its own procedures for taking the adverse action.

30 (f) *Joint Investigations:*

31 (1) In addition to the authority granted to a member state by its respective audiology or
32 speech-language pathology practice act or other applicable state law, any member state may
33 participate with other member states in joint investigations of licensees.

34 (2) Member states shall share any investigative, litigation, or compliance materials in
35 furtherance of any joint or individual investigation initiated under the Compact.

36 (g) If adverse action is taken by the home state against an audiologist's or speech-
37 language pathologist's license, the audiologist's or speech-language pathologist's privilege to
38 practice in all other member states shall be deactivated until all encumbrances have been
39 removed from the state license. All home state disciplinary orders that impose adverse action
40 against an audiologist's or speech language pathologist's license shall include a statement that
41 the audiologist's or speech-language pathologist's privilege to practice is deactivated in all
42 member states during the pendency of the order.

43 (h) If a member state takes adverse action, it shall promptly notify the administrator of the

44 data system. The administrator of the data system shall promptly notify the home state of any

119 reasons therefore, including a description of the views expressed. All documents considered in
120 connection with an action shall be identified in minutes. All minutes and documents of a closed
121 meeting shall remain under seal, subject to release by a majority vote of the Commission or order
122 of a court of competent jurisdiction.

123 (8) Financing of the Commission:

124 (A) The Commission shall pay, or provide for the payment of, the reasonable expenses of

128 (C) The Commission may levy on and collect an annual assessment from each member
129 state or impose fees on other parties to cover the cost of the operations and activities of the
130 Commission and its staff, which must be in a total amount sufficient to cover its annual budget as
131 approved each year for which revenue is not provided by other sources. The aggregate annual
132 assessment amount shall be allocated based upon a formula to be determined by the
133 Commission, which shall promulgate a rule binding upon all member states.

134 (9) The Commission shall not incur obligations of any kind prior to securing the funds

136 states, except by and with the authority of the member state.

137 (10) The Commission shall keep accurate accounts of all receipts and disbursements. The
138 receipts and disbursements of the Commission shall be subject to the audit and accounting
139 procedures established under its bylaws. However, all receipts and disbursements of funds

141 and the report of the audit shall be included in and become part of the annual report of the
142 Commission.

143 (f) *Qualified Immunity, Defense, and Indemnification:*

144 (1) The members, officers, executive director, employees, and representatives of the
145 Commission shall be immune from suit and liability, either personally or in their official capacity,
146 for any claim for damage to or loss of property or personal injury or other civil liability caused by
147 or arising out of any actual or alleged act, error, or omission that occurred, or that the person
148 against whom the claim is made had a reasonable basis for believing occurred within the scope
149 of Commission employment, duties or responsibilities; *Provided:* That nothing in this paragraph

150 shall be construed to protect any person from suit or liability for any damage, loss, injury, or liability
151 caused by the intentional or willful or wanton misconduct of that person.

152 (2) The Commission shall defend any member, officer, executive director, employee, or
153 representative of the Commission in any civil action seeking to impose liability arising out of any
154 actual or alleged act, error, or omission that occurred within the scope of Commission
155 employment, duties, or responsibilities, or that the person against whom the claim is made had a
156 reasonable basis for believing occurred within the scope of Commission employment, duties, or
157 responsibilities: *Provided*, That nothing herein shall be construed to prohibit that person from
158 retaining his or her own counsel: *Provided, however*, That the actual or alleged act, error, or
159 omission did not result from that person's intentional or willful or wanton misconduct.

160 (3) The Commission shall indemnify and hold harmless any member, officer, executive
161 director, employee, or representative of the Commission for the amount of any settlement or
162 judgment obtained against that person arising out of any actual or alleged act, error, or omission

§30-32A-9. Data system.

1 (a) The Commission shall provide for the development, maintenance, and utilization of a
2 coordinated database and reporting system containing licensure, adverse action, and
3 investigative information on all licensed individuals in member states.

4 (b) Notwithstanding any other provision of state law to the contrary, a member state shall
5 submit a uniform data set to the data system on all individuals to whom this Compact is applicable
6 as required by the rules of the Commission, including:

7 (1) Identifying information;

8 (2) Licensure data;

9 (3) Adverse actions against a license or compact privilege;

10 (4) Non-confidential information related to alternative program participation;

11 (5) Any denial of application for licensure, and the reason(s) for denial; and

13 by the rules of the Commission.

14 (c) Investigative information pertaining to a licensee in any member state shall only be
15 available to other member states.

16 (d) The Commission shall promptly notify all member states of any adverse action taken
17 against a licensee or an individual applying for a license. Adverse action information pertaining to
18 a licensee in any member state shall be available to any other member state.

19 (e) Member states contributing information to the data system may designate information
20 that may not be shared with the public without the express permission of the contributing state.

21 (f) Any information submitted to the data system that is subsequently required to be
22 expunged by the laws of the member state contributing the information shall be removed from the
23 data system.

§30-32A-10. Rule making.

1 (a) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth
2 in this section and the rules adopted thereunder. Rules and amendments shall become binding
3 as of the date specified in each rule or amendment.

4 (b) If a majority of the legislatures of the member states rejects a rule, by enactment of a
5 statute or resolution in the same manner used to adopt the Compact within four years of the date
6 of adoption of the rule, the rule shall have no further force and effect in any member state.

7 (c) Rules or amendments to the rules shall be adopted at a regular or special meeting of
8 the Commission.

9 (d) Prior to promulgation and adoption of a final rule or rules by the Commission, and at
10 least 30 days in advance of the meeting at which the rule shall be considered and voted upon,
11 the Commission shall file a Notice of Proposed Rulemaking:

12 (1) On the website of the Commission or other publicly accessible platform; and

13 (2) On the website of each member state audiology or speech-language pathology
14 licensing board or other publicly accessible platform or the publication in which each state would
15 otherwise publish proposed rules.

16 (e) The Notice of Proposed Rulemaking shall include:

17 (1) The proposed time, date, and location of the meeting in which the rule shall be
18 considered and voted upon;

19 (2) The text of the proposed rule or amendment and the reason for the proposed rule;

20 (3) A request for comments on the proposed rule from any interested person; and

21 (4) The manner in which interested persons may submit notice to the Commission of their
22 intention to attend the public hearing and any written comments.

23 (f) Prior to the adoption of a proposed rule, the Commission shall allow persons to submit
24 written data, facts, opinions, and arguments, which shall be made available to the public.

25 (g) The Commission shall grant an opportunity for a public hearing before it adopts a rule
26 or amendment if a hearing is requested by:

27 (1) At least 25 persons;

28 (2) A state or federal governmental subdivision or agency; or

29 (3) An association having at least 25 members.

30 (h) If a hearing is held on the proposed rule or amendment, the Commission shall publish
31 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
32 means, the Commission shall publish the mechanism for access to the electronic hearing.

33 (1) All persons wishing to be heard at the hearing shall notify the executive director of the
34 Commission or other designated member in writing of their desire to appear and testify at the
35 hearing not less than five business days before the scheduled date of the hearing.

36 (2) Hearings shall be conducted in a manner providing each person who wishes to
37 comment a fair and reasonable opportunity to comment orally or in writing.

38 (3) All hearings shall be recorded. A copy of the recording shall be made available on
39 request.

40 (4) Nothing in this section shall be construed as requiring a separate hearing on each rule.
41 Rules may be grouped for the convenience of the Commission at hearings required by this
42 section.

43 (i) Following the scheduled hearing date, or by the close of business on the scheduled
44 hearing date if the hearing was not held, the Commission shall consider all written and oral
45 comments received.

46 (j) If no written notice of intent to attend the public hearing by interested parties is received,
47 the Commission may proceed with promulgation of the proposed rule without a public hearing.

48 (k) The Commission shall, by majority vote of all members, take final action on the
49 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking
50 record and the full text of the rule.

51 (l) Upon determination that an emergency exists, the Commission may consider and adopt
52 an emergency rule without prior notice, opportunity for comment, or hearing, provided that the
53 usual rulemaking procedures provided in the Compact and in this section shall be retroactively
54 applied to the rule as soon as reasonably possible, in no event later than 90 days after the
55 effective date of the rule. For the purposes of this provision, an emergency rule is one that must
56 be adopted immediately in order to:

57 (1) Meet an imminent threat to public health, safety, or welfare;

58 (2) Prevent a loss of Commission or member state funds; or

59 (3) Meet a deadline for the promulgation of an administrative rule that is established by
60 federal law or rule.

61 (m) The Commission or an authorized committee of the Commission may direct revisions
62 to a previously adopted rule or amendment for purposes of correcting typographical errors, errors
63 in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be
64 posted on the website of the Commission. The revision shall be subject to challenge by any
65 person for a period of 30 days after posting. The revision may be challenged only on grounds that
66 the revision results in a material change to a rule. A challenge shall be made in writing and
67 delivered to the chair of the Commission prior to the end of the notice period. If no challenge is
68 made, the revision shall take effect without further action. If the revision is challenged, the revision
69 may not take effect without the approval of the Commission.

§30-32A-11. Oversight, dispute resolution and enforcement.

1 (a) Dispute Resolution:

2 (1) Upon request by a member state, the Commission shall attempt to resolve disputes
3 related to the Compact that arise among member states and between member and non-member
4 states.

5 (2) The Commission shall promulgate a rule providing for both mediation and binding
6 dispute resolution for disputes as appropriate.

7 (b) Enforcement:

8 (1) The Commission, in the reasonable exercise of its discretion, shall enforce the
9 provisions and rules of this Compact.

10 (2) By majority vote, the Commission may initiate legal action in the United States District
11 Court for the District of Columbia or the federal district where the Commission has its principal
12 offices against a member state in default to enforce compliance with the provisions of the Compact
13 and its promulgated rules and bylaws. The relief sought may include both injunctive relief and

14 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded
15 all costs of litigation, including reasonable attorney's fees.

16 (3) The remedies herein shall not be the exclusive remedies of the Commission. The
17 Commission may pursue any other remedies available under federal or state law.

**§30-32A-12. Date of implementation of the interstate commission for audiology and
speech-language pathology practice and associated rules, withdrawal, and
amendment.**

1 (a) The Compact shall come into effect on the date on which the Compact statute is
2 enacted into law in the 10th member state. The provisions, which become effective at that time,
3 shall be limited to the powers granted to the Commission relating to assembly and the
4 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers
5 necessary to the implementation and administration of the Compact.

6 (b) Any state that joins the Compact subsequent to the Commission's initial adoption of
7 the rules shall be subject to the rules as they exist on the date on which the Compact becomes
8 law in that state. Any rule that has been previously adopted by the Commission shall have the full
9 force and effect of law on the day the Compact becomes law in that state.

10 (c) Any member state may withdraw from this Compact by enacting a statute repealing
11 the same.

12 (1) A member state's withdrawal shall not take effect until six months after enactment of
13 the repealing statute.

14 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's
15 audiology or speech-language pathology licensing board to comply with the investigative and
16 adverse action reporting requirements of this act prior to the effective date of withdrawal.

17 (d) Nothing contained in this Compact shall be construed to invalidate or prevent any
18 audiology or speech-language pathology licensure agreement or other cooperative arrangement

19 between a member state and a non-member state that does not conflict with the provisions of this
20 Compact.

21 (e) This Compact may be amended by the member states. No amendment to this Compact
22 shall become effective and binding upon any member state until it is enacted into the laws of all
23 member states.

§30-32A-13. Construction and severability.

1 This Compact shall be liberally construed so as to effectuate the purposes thereof. The
2 provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of
3 this Compact is declared to be contrary to the Constitution of any member state or of the United
4 States or the applicability thereof to any government, agency, person, or circumstance is held
5 invalid, the validity of the remainder of this Compact and the applicability thereof to any
6 government, agency, person, or circumstance shall not be affected. If this Compact shall be held
7 contrary to the constitution of any member state, the Compact shall remain in full force and effect
8 as to the remaining member states and in full force and effect as to the member state affected as
9 to all severable matters.

§30-32A-14. Binding effect of compact and other laws.

1 (a) Nothing herein prevents the enforcement of any other law of a member state that is
2 not inconsistent with the Compact.

3 (b) All laws in a member state in conflict with the Compact are superseded to the extent
4 of the conflict.

5 (c) All lawful actions of the Commission, including all rules and bylaws promulgated by the
6 Commission, are binding upon the member states.

7 (d) All agreements between the Commission and the member states are binding in
8 accordance with their terms.

9 (e) In the event any provision of the Compact exceeds the constitutional limits imposed on
10 the legislature of any member state, the provision shall be ineffective to the extent of the conflict
11 with the constitutional provision in question in that member state.
