123 permanent removable windshield placards on the last day of a given month and year, to be valid

147 standard vehicles. Access aisles should be marked using diagonal two- to four-inch-wide stripes
148 spaced every 12 or 24 inches apart along with the words "no parking" in painted letters which are

151 mounted at a minimum of eight feet above the pavement or sidewalk and the top of the sign. Lines
152 or markings on the pavement or curbs for parking spaces and access aisles may be in any color,

158 officially issued special registration plate, placard or decal bearing the international symbol of
159 access shall be recognized and accepted as meeting the requirements of this section, regardless

164 places shall be reserved solely for persons with a mobility impairment and disabled veterans at
165 all times.

166 (j) Any person whose vehicle properly displays a valid, unexpired special registration plate
167 or removable windshield placard may park the vehicle for unlimited periods of time in parking
168 zones unrestricted as to length of parking time permitted: *Provided*, That this privilege does not
169 mean that the vehicle may park in any zone where stopping, standing or parking is prohibited or
170 which creates parking zones for special types of vehicles or which prohibits parking during heavy
171 traffic periods during specified rush hours or where parking would clearly present a traffic hazard.
172 To the extent any provision of any ordinance of any political subdivision of this state is contrary to
173 the provisions of this section, the provisions of this section take precedence and apply.

174 The parking privileges provided for in this subsection apply only during those times when
175 the vehicle is being used for the loading or unloading of a person with a mobility impairment. Any

176 person who knowingly exercises, or attempts to exercise, these privileges at a time when the
177 vehicle is not being used for the loading or unloading of a person with a mobility impairment is
178 guilty of a misdemeanor and, upon first conviction thereof, in addition to any other penalty he or
179 she may otherwise incur, shall be fined \$200; upon second conviction thereof, in addition to any

181 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined
182 \$500.

184 removable windshield placard may not stop, stand or park a motor vehicle in an area designated,
185 zoned or marked for accessible parking with signs or instructions displaying the international
186 symbol of access, either by itself or with explanatory text. The signs may be mounted on a post
187 or a wall in front of the accessible parking space and instructions may appear on the ground or
188 pavement, but use of both methods is preferred. Accessible parking spaces for vans having an
189 eight-foot adjacent access aisle should be designated as "van accessible" but may be used by
190 any vehicle displaying a valid special registration plate or removable windshield placard.

191 Any person who violates the provisions of this subsection is guilty of a misdemeanor and,
192 upon conviction thereof, shall be fined \$200; upon second conviction thereof, in addition to any
193 other penalty he or she may otherwise incur, shall be fined \$300; and upon third and subsequent
194 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined
195 \$500.

196 (l) All signs that designate areas as "accessible parking" or that display the international
197 symbol of access shall also include the words "Up to \$500 fine".

198 (m) No person may stop, stand or park a motor vehicle in an area designated or marked
199 off as an access aisle adjacent to a van-accessible parking space or regular accessible parking
200 space. Any person, including a driver of a vehicle displaying a valid removable windshield placard
201 or special registration plate, who violates the provisions of this subsection is guilty of a

202 misdemeanor and, upon conviction thereof, shall be fined \$200; upon second conviction thereof,
203 in addition to any other penalty he or she may otherwise incur, shall be fined \$300; and upon third
204 and subsequent convictions thereof, in addition to any other penalty he or she may otherwise
205 incur, shall be fined \$500.

206 (n) Parking enforcement personnel who otherwise enforce parking violations may issue
207 citations for violations of this section and shall reference the number on the vehicle's license plate,
208 since the driver normally will not be present.

209 (o) Law-enforcement agencies may establish a program to use trained volunteers to
210 collect information necessary to issue citations to persons who illegally park in designated
211 accessible parking spaces. Any law-enforcement agency choosing to establish a program shall
212 provide for workers' compensation and liability coverage. The volunteers shall photograph the
213 illegally parked vehicle and complete a form, to be developed by supervising law-enforcement
214 agencies, that includes the vehicle's license plate number, date, time and location of the illegally
215 parked vehicle. The photographs must show the vehicle in the accessible space and a readable
216 view of the license plate. Within the discretion of the supervising law-enforcement agency, the
217 volunteers may issue citations or the volunteers may submit the photographs of the illegally
218 parked vehicle and the form to the supervising law-enforcement agency, who may issue a citation,
219 which includes the photographs and the form, to the owner of the illegally parked vehicle.
220 Volunteers shall be trained on the requirements for citations for vehicles parked in marked, zoned
221 or designated accessible parking areas by the supervising law-enforcement agency.

222 (p) Local authorities who adopt the basic enforcement provisions of this section and issue
223 their own local ordinances shall retain all fines and associated late fees. These revenues shall be
224 used first to fund the provisions of subsection (o) of this section, if adopted by local authorities, or
225 otherwise shall go into the local authorities General Revenue Fund. Otherwise, any moneys
226 collected as fines shall be collected for and remitted to the state.

227 (q) The commissioner shall prepare and issue a document to applicants describing the
228 privileges accorded a vehicle having a special registration plate and removable windshield placard
229 as well as the penalties when the vehicle is being inappropriately used as described in this section
230 and shall include the document along with the issued special registration plate or windshield
231 placard. In addition, the commissioner shall issue a separate document informing the general
232 public regarding the new provisions and increased fines being imposed either by way of
233 newspaper announcements or other appropriate means across the state.

234 (r) The commissioner shall adopt and promulgate rules in accordance with the provisions
235 of §29A-3-1 *et seq.* of this code.

NOTE: The purpose of this bill is to amend the application requirement for individuals who must renew expired special registration plates and removable windshield placards and who have a physician's certificate on file that specifies the applicant's disability is permanent.
