177 which creates parking zones for special types of vehicles or which prohibits parking during heavy
178 traffic periods during specified rush hours or where parking would clearly present a traffic hazard.
179 To the extent any provision of any ordinance of any political subdivision of this state is contrary to
180 the provisions of this section, the provisions of this section take precedence and apply.

182 the vehicle is being used for the loading or unloading of a person with a mobility impairment. Any

191 removable windshield placard may not stop, stand or park a motor vehicle in an area designated,
192 zoned or marked for accessible parking with signs or instructions displaying the international
193 symbol of access, either by itself or with explanatory text. The signs may be mounted on a post
194 or a wall in front of the accessible parking space and instructions may appear on the ground or
195 pavement, but use of both methods is preferred. Accessible parking spaces for vans having an
196 eight-foot adjacent access aisle should be designated as "van accessible" but may be used by
197 any vehicle displaying a valid special registration plate or removable windshield placard.

198 Any person who violates the provisions of this subsection is guilty of a misdemeanor and,
199 upon conviction thereof, shall be fined \$200; upon second conviction thereof, in addition to any
200 other penalty he or she may otherwise incur, shall be fined \$300; and upon third and subsequent

201 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined
202 \$500.

204 symbol of access shall also include the words “Up to \$500 fine”.

205 (m) No person may stop, stand or park a motor vehicle in an area designated or marked
206 off as an access aisle adjacent to a van-accessible parking space or regular accessible parking
207 space. Any person, including a driver of a vehicle displaying a valid removable windshield placard
208 or special registration plate, who violates the provisions of this subsection is guilty of a
209 misdemeanor and, upon conviction thereof, shall be fined \$200; upon second conviction thereof,
210 in addition to any other penalty he or she may otherwise incur, shall be fined \$300; and upon third
211 and subsequent convictions thereof, in addition to any other penalty he or she may otherwise
212 incur, shall be fined \$500.

213 (n) Parking enforcement personnel who otherwise enforce parking violations may issue
214 citations for violations of this section and shall reference the number on the vehicle’s license plate,
215 since the driver normally will not be present.

216 (o) Law-enforcement agencies may establish a program to use trained volunteers to
217 collect information necessary to issue citations to persons who illegally park in designated
218 accessible parking spaces. Any law-enforcement agency choosing to establish a program shall
219 provide for workers’ compensation and liability coverage. The volunteers shall photograph the
220 illegally parked vehicle and complete a form, to be developed by supervising law-enforcement
221 agencies, that includes the vehicle’s license plate number, date, time and location of the illegally
222 parked vehicle. The photographs must show the vehicle in the accessible space and a readable
223 view of the license plate. Within the discretion of the supervising law-enforcement agency, the
224 volunteers may issue citations or the volunteers may submit the photographs of the illegally
225 parked vehicle and the form to the supervising law-enforcement agency, who may issue a citation,
226 which includes the photographs and the form, to the owner of the illegally parked vehicle.

227 Volunteers shall be trained on the requirements for citations for vehicles parked in marked, zoned
228 or designated accessible parking areas by the supervising law-enforcement agency.

229 (p) Local authorities who adopt the basic enforcement provisions of this section and issue
230 their own local ordinances shall retain all fines and associated late fees. These revenues shall be
231 used first to fund the provisions of subsection (o) of this section, if adopted by local authorities, or
232 otherwise shall go into the local authorities' General Revenue Fund. Otherwise, any moneys
233 collected as fines shall be collected for and remitted to the state.

234 (q) The commissioner shall prepare and issue a document to applicants describing the
235 privileges accorded a vehicle having a special registration plate and removable windshield placard
236 as well as the penalties when the vehicle is being inappropriately used as described in this section
237 and shall include the document along with the issued special registration plate or windshield
238 placard. In addition, the commissioner shall issue a separate document informing the general
239 public regarding the new provisions and increased fines being imposed either by way of
240 newspaper announcements or other appropriate means across the state.

241 (r) The commissioner shall adopt and promulgate rules in accordance with the provisions
242 of §29A-3-1 *et seq.* of this code.

NOTE: The purpose of this bill is to modify requirements associated for permanent handicap vehicle placards. It: (1) Requires renewal stickers have color backgrounds correlated to and identifying the year of expiration; (2) requires issuing healthcare providers to specify a specific time period for issuing temporary cards, (3) allows temporary placards to be renewed; and (4) requires applicants to have a second vehicle registered in their name before receiving an additional placard.
