

WEST VIRGINIA LEGISLATURE

2020 REGULAR SESSION

Introduced

Senate Bill 32

BY SENATOR HAMILTON

[Introduced January 8, 2020; referred to the Committee on
Transportation and Infrastructure]

1 A BILL to amend and reenact §17C-15-26 of the Code of West Virginia, 1931, as amended,
 2 relating to allowing vehicles operated by transportation directors and transportation
 3 supervisors employed by county boards of education to use red flashing warning lights.

Be it enacted by the Legislature of West Virginia:

ARTICLE 15. EQUIPMENT.

§17C-15-26. Special restrictions on lamps.

1 (a) Any lighted lamp or illuminating device upon a motor vehicle other than head lamps,
 2 spot lamps, auxiliary lamps or flashing front-direction signals which projects a beam of light of an
 3 intensity greater than 300 candlepower shall be so directed that no part of the beam will strike the
 4 level of the roadway on which the vehicle stands at a distance of more than 75 feet from the
 5 vehicle.

6 (b) No person may drive or move any vehicle or equipment upon any highway with any
 7 lamp or device on the vehicle displaying other than a white or amber light visible from directly in
 8 front of the center of the vehicle except as authorized by subsection (d) of this section.

9 (c) Except as authorized in subsections (d) and (g) of this section and authorized in §17C-
 10 15-19 of this code, flashing lights are prohibited on motor vehicles: *Provided*, That any vehicle as
 11 a means for indicating right or left turn or any vehicle as a means of indicating the same is disabled
 12 or otherwise stopped for an emergency may have blinking or flashing lights.

13 (d) Notwithstanding any other provisions of this chapter, the following colors of flashing
 14 warning lights are restricted for the use of the type of vehicle designated:

15 (1) Blue flashing warning lights are restricted to police vehicles. Authorization for police
 16 vehicles shall be designated by the chief administrative official of each police department.

17 (2) Except for standard vehicle equipment authorized by §17C-15-19 of this code, red
 18 flashing warning lights are restricted to the following:

19 (A) Ambulances;

20 (B) Firefighting vehicles;

- 21 (C) Hazardous material response vehicles;
- 22 (D) Industrial fire brigade vehicles;
- 23 (E) Rescue squad vehicles not operating out of a fire department;
- 24 (F) School buses;
- 25 (G) Class A vehicles, as defined by §17A-10-1 of this code, of those firefighters who are
26 authorized by their fire chiefs to have the lights;
- 27 (H) Class A vehicles of members of duly chartered rescue squads not operating out of a
28 fire department;
- 29 (I) Class A vehicles of members of ambulance services or duly chartered rescue squads
30 who are authorized by their respective chiefs to have the lights;
- 31 (J) Class A vehicles of out-of-state residents who are active members of West Virginia fire
32 departments, ambulance services or duly chartered rescue squads who are authorized by their
33 respective chiefs to have the lights;
- 34 (K) West Virginia Department of Agriculture emergency response vehicles;
- 35 (L) Vehicles designated by the Secretary of the Department of Military Affairs and Public
36 Safety for emergency response or emergency management by the Division of Corrections,
37 Regional Jail and Correctional Facility Authority, Division of Juvenile Services and Division of
38 Homeland Security and Emergency Management; ~~and~~
- 39 (M) Class A vehicles of emergency response or emergency management personnel as
40 designated by the Secretary of the Department of Military Affairs and Public Safety and the county
41 commission of the county of residence; and
- 42 (N) Vehicles operated by transportation directors and transportation supervisors employed
43 by county boards of education.
- 44 Red flashing warning lights attached to a Class A vehicle may be operated only when
45 responding to or engaged in handling an emergency requiring the attention of the firefighters,
46 members of the ambulance services or chartered rescue squads.

47 (3) The use of red flashing warning lights is authorized as follows:

48 (A) Authorization for all ambulances shall be designated by the Department of Health and
49 Human Resources and the sheriff of the county of residence.

50 (B) Authorization for all fire department vehicles shall be designated by the fire chief and
51 the State Fire Marshal's Office.

52 (C) Authorization for all hazardous material response vehicles and industrial fire brigades
53 shall be designated by the chief of the fire department and the State Fire Marshal's Office.

54 (D) Authorization for all rescue squad vehicles not operating out of a fire department shall
55 be designated by the squad chief, the sheriff of the county of residence and the Department of
56 Health and Human Resources.

57 (E) Authorization for school buses shall be designated as set out in §17C-14-12 of this
58 code.

59 (F) Authorization for firefighters to operate Class A vehicles shall be designated by their
60 fire chiefs and the State Fire Marshal's office.

61 (G) Authorization for members of ambulance services or any other emergency medical
62 service personnel to operate Class A vehicles shall be designated by their chief official, the
63 Department of Health and Human Resources and the sheriff of the county of residence.

64 (H) Authorization for members of duly chartered rescue squads not operating out of a fire
65 department to operate Class A vehicles shall be designated by their squad chiefs, the sheriff of
66 the county of residence and the Department of Health and Human Resources.

67 (I) Authorization for out-of-state residents operating Class A vehicles who are active
68 members of a West Virginia fire department, ambulance services or duly chartered rescue squads
69 shall be designated by their respective chiefs.

70 (J) Authorization for West Virginia Department of Agriculture emergency response
71 vehicles shall be designated by the Commissioner of the Department of Agriculture.

72 (K) Authorization for vehicles for emergency response or emergency management by the

73 Division of Corrections, Regional Jail and Correctional Facility Authority, Division of Juvenile
74 Services and Division of Homeland Security and Emergency Management shall be designated
75 by the Secretary of the Department of Military Affairs and Public Safety.

76 (L) Authorization for Class A vehicles of emergency response or emergency management
77 personnel as designated by the Secretary of the Department of Military Affairs and Public Safety
78 and the county commission of the county of residence.

79 (M) Authorization for vehicles operated by transportation directors and transportation
80 supervisors employed by county boards of education as designate by the county superintendent
81 of schools.

82 (4) Yellow or amber flashing warning lights are restricted to the following:

83 (A) All other emergency vehicles, including tow trucks and wreckers, authorized by this
84 chapter and by §17C-15-27 of this code;

85 (B) Postal service vehicles and rural mail carriers, as authorized in §17C-15-19 of this
86 code;

87 (C) Rural newspaper delivery vehicles;

88 (D) Flag car services;

89 (E) Vehicles providing road service to disabled vehicles;

90 (F) Service vehicles of a public service corporation;

91 (G) Snow removal equipment;

92 (H) School buses; and

93 (I) Automotive fire apparatus owned by a municipality or other political subdivision, by a
94 volunteer or part-volunteer fire company or department or by an industrial fire brigade.

95 (5) The use of yellow or amber flashing warning lights shall be authorized as follows:

96 (A) Authorization for tow trucks, wreckers, rural newspaper delivery vehicles, flag car
97 services, vehicles providing road service to disabled vehicles, service vehicles of a public service
98 corporation and postal service vehicles shall be designated by the sheriff of the county of

99 residence.

100 (B) Authorization for snow removal equipment shall be designated by the Commissioner
101 of the Division of Highways.

102 (C) Authorization for school buses shall be designated as set out in §17C-14-12 of this
103 code.

104 (D) Authorization for automotive fire apparatus shall be designated by the fire chief in
105 conformity with the NFPA 1901 Standard for Automotive Fire Apparatus as published by the
106 National Fire Protection Association (NFPA) on July 18, 2003, and adopted by the State Fire
107 Commission by legislative rule (87 CSR 1, *et seq.*), except as follows:

108 (i) With the approval of the State Fire Marshal, used automotive fire apparatus may be
109 conformed to the NFPA standard in effect on the date of its manufacture or conformed to a later
110 NFPA standard; and

111 (ii) Automotive fire apparatus may be equipped with blinking or flashing headlamps.

112 (e) Notwithstanding the foregoing provisions of this section, any vehicle belonging to a
113 county board of education, an organization receiving funding from the state or Federal Transit
114 Administration for the purpose of providing general public transportation or hauling solid waste
115 may be equipped with a white flashing strobotron warning light. This strobe light may be installed
116 on the roof of a school bus, a public transportation vehicle or a vehicle hauling solid waste not to
117 exceed one-third the body length forward from the rear of the roof edge. The light shall have a
118 single clear lens emitting light three hundred 60 degrees around its vertical axis and may not
119 extend above the roof more than six and one-half inches. A manual switch and a pilot light must
120 be included to indicate the light is in operation.

121 (f) Notwithstanding the foregoing provisions of this section, any waste service vehicle as
122 defined in §17C-6-11 of this code may be equipped with yellow or amber flashing warning lights.

123 (g) It is unlawful for flashing warning lights of an unauthorized color to be installed or used
124 on a vehicle other than as specified in this section, except that a police vehicle may be equipped

125 with either or both blue or red warning lights.

NOTE: The purpose of this bill is to allow vehicles operated by transportation directors and transportation supervisors employed by county boards of education to use red flashing warning lights.
