## **2019 REGULAR SESSION**

**Introduced**

### **House Bill 2315**

BY DELEGATE FOSTER

[Introduced January 11, 2019; Referred  
to the Committee on Technology and Infrastructure  
then the Judiciary.]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,  
2 designated §17C-3-11, relating to requiring a warning light to be erected on certain roads  
3 to warn of a traffic light ahead.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 3. TRAFFIC SIGNS, SIGNALS AND MARKINGS.**

**§17C-3-11. Warning of traffic lights ahead.**

1 On all state roads where speed limits are 60 miles per hour or higher, warning lights shall  
2 be erected at a sufficient distance to allow a motor vehicle to stop safely to notify drivers that they  
3 are approaching a traffic light. These lights shall contain a system that additionally warns drivers  
4 that the light will have turned red by the time they reach its location.

NOTE: The purpose of this bill is to require that a warning light be erected on certain roads to warn of a traffic light ahead.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
