 5 the annual award calculated under the same terms and conditions that applied on the day before  
 6 the effective date of this article;

7 (2) For a student enrolled in an eligible institution other than a state institution of higher  
 8 education, the annual award is equal to, but may not exceed, the lesser of the cost of tuition or

 13 funds are available, but in any case may not be greater than the actual cost of tuition;

14 (4) The annual award shall be used by an eligible institution to supplement, but may not  
 15 supplant, a tuition and fee waiver for which the individual is eligible pursuant to §18B-10-5, §18B-

26 obtaining a GED or equivalent;

27 (2) Apply for and submit a Free Application for Federal Student Aid;

38 a 2.2 grade point average in the chosen program.

39 (4) Maintain appropriate academic progress toward the completion of a degree at the

54 rules.

55 (d) It is the intent of the Legislature that the commission shall strongly encourage  
56 prospective candidates for the PROMISE scholarship to perform at least 20 hours of unpaid  
57 community service while in high school to help prepare them for success in post-secondary  
58 education. The community service may include, but is not limited to, participation with nonprofit,  
59 governmental or community-based organizations designed with any or all of the following  
60 purposes:

61 (1) Improving the quality of life for community residents;

66 (1) The rule shall include at least the following provisions:

67 (A) The amount of a PROMISE scholarship award in combination with aid from all other  
68 sources may not exceed the cost of education at the institution the recipient is attending. This  
69 provision does not apply to members of the West Virginia National Guard, recipients of an

78 in §18-30-1 *et seq.* of this code;

79 (D) A provision defining the relationship of PROMISE scholarship awards to all other

86 savings plans and other state-funded student financial aid programs;

87 (E) A method for awarding scholarships within the limits of available appropriations,  
88 including circumstances when program funds are not sufficient to provide awards to all eligible

96 scholarship recipient chooses to work outside the state after graduation. The rule may not require  
97 a recipient to repay a scholarship, in whole or in part, unless the prospective recipient has been  
98 informed of this requirement in writing before initial acceptance of the PROMISE scholarship  
99 award;

100           (B) Targeting a portion of the scholarship funds to be used for applicants enrolled in an  
101 engineering, science, technology or other designated program;

102           (C) Determining what other sources of funding for higher education are to be deducted  
103 from the PROMISE scholarship award; and

104           (D) Providing additional criteria as determined by the commission.

105           (3) The Legislature finds that an emergency exists and, therefore, the commission shall  
106 file a rule to implement the provisions of this section as an emergency rule pursuant to the  
107 provisions of §29A-3A-1 *et seq.* of this code. The rule is subject to the prior approval of the  
108 Legislative Oversight Commission on Education Accountability.

109           (4) Any rule promulgated by the commission pursuant to previous enactments of this  
110 article in effect on the effective date of the amendment and reenactment of this article in the year  
111 2009 remains in effect until amended, modified, repealed, or replaced by the commission.
