22054 (d) Regardless of the changes in delegate district boundaries made by the provisions of  
 22055 subsection (c) of this section, the delegates elected at the general election held in the year 2020  
 22056 continue to hold their offices as members of the House of Delegates for the term, and as  
 22057 representatives of the county or delegate district, for which each was elected. Any appointment  
 22058 made to fill a vacancy in the office of a member of the House of Delegates shall be made for the  
 22059 remainder of the term, and as representative of the county or delegate district, for which the  
 22060 vacating delegate was elected or appointed.

**§1-2-2b. Precinct boundary changes.**

1 (a) If an election precinct of this state includes territory contained in more than one  
 2 senatorial or delegate district, as such senatorial districts are established by §1-2-1 of this code  
 3 and as such delegate districts are established by §1-2-2 of this code or, if following the legislative  
 4 redistricting, an election precinct change, division, or consolidation is necessary pursuant to §3-

5 1-7 of this code, the county commission of the county in which the precinct is located shall, prior  
6 to January 21, ~~2040~~ 2022, alter the boundary lines of its election precincts so that no precinct  
7 contains territory included in more than one senatorial or delegate district. Notice of the proposed  
8 precinct changes shall be published as a Class II-0 legal advertisement in compliance with the  
9 provisions of §59-3-1 et seq. of this code. The publication area is the county in which the precinct  
10 or precincts are located. Notwithstanding any other provisions of this code, the county commission  
11 shall only be required to provide this notice 15 days in advance of the proposed changes.

12 (b) If a magisterial district boundary change is required, pursuant to §7-2-2 of this code,  
13 following the legislative redistricting, notice of the proposed magisterial district boundary changes  
14 shall be published in the manner prescribed by §7-2-2 of this code for a period of no less than 14  
15 consecutive days prior to the county commission's meeting in which such action is proposed to  
16 be taken.

NOTE: The purpose of this bill is to create 100 single member districts following the 2020 census and provide for incidental precinct boundary changes. The language of §1-2-2 has been entirely re-written.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
