784 completed by at least 250 persons and collectively deposited with the division all fees necessary
785 to cover the first year's basic registration, one-time design and manufacturing costs and to cover

787 (ii) If the organization fails to submit the required number of applications and fees within

789 commissioner, the plate will not be produced until a new application is submitted and is approved
790 by the commissioner: *Provided*, That an organization that is unsuccessful in obtaining the
791 minimum number of applications may not make a new application for a special plate until at least
792 two years have passed since the approval of the previous application of the organization.

793 (D) The division shall charge a special initial application fee of \$25 for each special license
794 plate in addition to all other fees required by law. This special fee shall be collected by the division
795 and deposited in the State Road Fund.

801 registration plate shall offer sufficient proof of membership in the organization.

802 (G) The commissioner shall discontinue the issuance or renewal of the registration of any

805 least 12 consecutive months; or

806 (ii) The organization no longer exists or no longer meets the requirements of this
807 subdivision.

808 (d) The minimum number of applications required prior to design and production of a
809 special license plate shall be as follows:

811 which eligibility is based on membership or affiliation with a particular private organization until at
812 least 100 persons complete an application and deposit with the organization a check to cover the
813 first year's basic registration, one-time design and manufacturing costs and to cover the first year
814 additional annual fee. If the organization fails to submit the required number of applications with
815 attached checks within six months of the effective date of the original authorizing legislation, the
816 plate will not be produced and will require legislative reauthorization: *Provided*, That an
817 organization or group that is unsuccessful in obtaining the minimum number of applications may
818 not request reconsideration of a special plate until at least two years have passed since the
819 effective date of the original authorization: *Provided, however*, That the provisions of this
820 subdivision are not applicable to the issuance of plates authorized pursuant to §17A-3-14(c)(60)
821 of this code.

822 (2) The commissioner may not begin the design or production of any license plates
823 authorized by this section for which membership or affiliation with a particular organization is not

824 required until at least 250 registrants complete an application and deposit a fee with the division
825 to cover the first year's basic registration fee, one-time design and manufacturing fee and
826 additional annual fee if applicable. If the commissioner fails to receive the required number of
827 applications within six months of the effective date of the original authorizing legislation, the plate
828 will not be produced and will require legislative reauthorization: *Provided*, That if the minimum
829 number of applications is not satisfied within the six months of the effective date of the original
830 authorizing legislation, a person may not request reconsideration of a special plate until at least
831 two years have passed since the effective date of the original authorization.

832 (e)(1) Nothing in this section requires a charge for a free prisoner of war license plate or
833 a free recipient of the Congressional Medal of Honor license plate for a vehicle titled in the name
834 of the qualified applicant as authorized by other provisions of this code.

835 (2) A surviving spouse may continue to use his or her deceased spouse's prisoner of war

837 remarries or does not renew the license plate.

838 (3) Qualified former prisoners of war and recipients of the Congressional Medal of Honor
839 may obtain a second special registration plate for use on a passenger vehicle titled in the name

842 plate.

843 (f) The division may issue special 10-year registration plates as follows:

844 (1) The commissioner may issue or renew for a period of no more than 10 years any

853 or §17A-10-3a of this code for the period requested.

854 (g) The provisions of this section may not be construed to exempt any registrant from
855 maintaining motor vehicle liability insurance as required by §17D-2A-3 of this code or from paying
856 personal property taxes on any motor vehicle as required by §17A-3-3a of this code.

857 (h) The commissioner may, in his or her discretion, issue a registration plate of
858 reflectorized material suitable for permanent use on motor vehicles, trailers and semitrailers,
859 together with appropriate devices to be attached to the registration to indicate the year for which
860 the vehicles have been properly registered or the date of expiration of the registration. The design
861 and expiration of the plates shall be determined by the commissioner. The commissioner shall,

866 efficient and effective coordination and communication of data for improving highway safety,
867 aiding law enforcement and enhancing revenue collection.

868 (i) Any license plate issued or renewed pursuant to this chapter which is paid for by a
869 check that is returned for nonsufficient funds is void without further notice to the applicant. The
870 applicant may not reinstate the registration until the returned check is paid by the applicant in
871 cash, money order or certified check and all applicable fees assessed as a result thereof have
872 been paid.
