138 that person's death. The division shall add one year to the minimum period for the use of the  
139 ignition interlock device for each additional previous conviction or revocation within the past 10  
140 years. Any person required to participate under this subsection must have an ignition interlock  
141 device installed on every vehicle he or she owns or operates.

142 (e)(1) If a person applies for and is accepted into the Motor Vehicle Alcohol and Drug Test  
143 and Lock Program prior to the effective date of the revocation for an offense involving alcohol, the  
144 commissioner shall defer the revocation period of such person under the provisions of this section.  
145 Such deferral shall continue throughout the applicable minimum period for the use of the ignition  
146 interlock device plus an additional period equal to the applicable minimum revocation period. If a  
147 person successfully completes all terms of the Motor Vehicle Alcohol and Drug Test and Lock  
148 Program for a period equal to the minimum period for the use of the ignition interlock device  
149 pursuant to §17C-5A-3a(c) of this code, plus any applicable minimum revocation period, the  
150 commissioner shall waive the revocation period.

151 ~~(2) The application and acceptance of a person into the Motor Vehicle Alcohol Test and~~  
152 ~~Lock Program pursuant to §17C-5A-3(e)(1) of this code constitutes an automatic waiver of their~~  
153 ~~right to an administrative hearing. The Office of Administrative Hearings may not conduct a~~  
154 ~~hearing on a matter which is the basis for a person actively participating in the Motor Vehicle~~  
155 ~~Alcohol Test and Lock Program~~ If a person applies for and is accepted into the Motor Vehicle  
156 Alcohol and Drug Test and Lock Program prior to the effective date of the revocation for an offense  
157 solely involving drugs, the commissioner may defer the revocation period of such person under  
158 the provisions of this section. Such deferral shall continue throughout the applicable minimum  
159 period for the use of the ignition interlock device plus an additional period equal to the applicable  
160 minimum revocation period. If a person successfully completes all terms of the Motor Vehicle  
161 Alcohol and Drug Test and Lock Program for a period equal to the minimum period for the use of  
162 the ignition interlock device pursuant to §17C-5A-3a(c) of this code, plus any applicable minimum  
163 revocation period, the commissioner shall waive the revocation period.

164 ~~(f) Notwithstanding any other provision in this code, a person whose license is revoked for~~  
165 ~~driving under the influence of drugs is not eligible to participate in the Motor Vehicle Alcohol Test~~  
166 ~~and Lock Program: *Provided*, That The Division of Motor Vehicles may reduce any revocation~~  
167 ~~period required of a person with a second or subsequent offense for driving under the influence~~

168 of drugs to a minimum of one year and thereafter issue a restricted license on the conditions that  
169 the person is in the treatment and job program prescribed in §61-11-26a of this code, has  
170 satisfactorily performed in the treatment component of the program and that the person submits  
171 to two years of monthly drug testing. If the person is otherwise required to participate in the Alcohol  
172 Test and Lock Program for another offense, he or she may do so while meeting the conditions  
173 described in this subsection. If the person fails to submit to a drug test or submits to a test that  
174 reveals the presence of controlled substances or drugs, then the full revocation period is  
175 reinstated, and the person is only credited with revocation time actually served prior to receiving  
176 restricted privileges. The commissioner of the Division of Motor Vehicles is hereby authorized to  
177 promulgate emergency rules to implement the provisions of this article.

178 (g) An applicant for the test and lock program ~~may not have been~~ convicted of any violation  
179 of §17B-4-3 of this code for driving while the applicant's driver's license was suspended or  
180 revoked within the six-month period preceding the date of application for admission to the test  
181 and lock program ~~unless such is necessary for employment purposes~~ may still participate in the  
182 program by serving the revocation or suspension required by §17B-4-3 as additional participation  
183 time in the program.

184 (h) Upon permitting an eligible person to participate in the program, the commissioner  
185 shall issue to the person, and the person is required to exhibit on demand, a driver's license which  
186 shall reflect that the person is restricted to the operation of a motor vehicle which is equipped with  
187 an approved motor vehicle alcohol and drug test and lock system.

188 (i) The commissioner may extend the minimum period of revocation and the minimum  
189 period of participation in the program for a person who violates the terms and conditions of  
190 participation in the program as found in this section, or legislative rule, or any agreement or  
191 contract between the participant and the division or program service provider. If the commissioner  
192 finds that any person participating in the program pursuant to §17C-5-2b of this code must be  
193 removed therefrom for violation(s) of the terms and conditions thereof, he or she shall notify the

194 person, the court that imposed the term of participation in the program and the prosecuting  
195 attorney in the county wherein the order imposing participation in the program was entered.

196 (j) A person whose license has been suspended for a first offense of driving while under  
197 the age of 21 with a blood alcohol concentration of 0.02 percent, or more, by weight, but less than  
198 0.08 percent, or more, by weight, who has completed the educational program and who has not  
199 violated the terms required by the commissioner of the person's participation in the program is  
200 entitled to the reinstatement of his or her driver's license six months from the date the person is  
201 permitted to operate a motor vehicle by the commissioner. When a license has been reinstated  
202 pursuant to this subsection, the records ordering the suspension, records of any administrative  
203 hearing, records of any blood alcohol test results, and all other records pertaining to the  
204 suspension shall be expunged by operation of law: *Provided*, That a person is entitled to  
205 expungement under the provisions of this subsection only once. The expungement shall be  
206 accomplished by physically marking the records to show that the records have been expunged  
207 and by securely sealing and filing the records. Expungement has the legal effect as if the  
208 suspension never occurred. The records may not be disclosed or made available for inspection  
209 and in response to a request for record information, the commissioner shall reply that no  
210 information is available. Information from the file may be used by the commissioner for research  
211 and statistical purposes so long as the use of the information does not divulge the identity of the  
212 person.

213 (k) In addition to any other penalty imposed by this code, any person who operates a motor  
214 vehicle not equipped with an approved motor vehicle alcohol and drug test and lock system during  
215 that person's participation in the Motor Vehicle Alcohol and Drug Test and Lock Program is guilty  
216 of a misdemeanor and, upon conviction thereof, shall be confined in jail for a period not less than  
217 one month nor more than six months and fined not less than \$100 nor more than \$500. Any  
218 person who attempts to bypass the alcohol test and lock system is guilty of a misdemeanor and,  
219 upon conviction thereof, shall be confined in jail not more than six months and fined not less than

Introduced HB 2741

220 \$100 nor more than \$1,000: *Provided*, That notwithstanding any provision of this code to the  
221 contrary, a person enrolled and participating in the test and lock program may operate a motor  
222 vehicle solely at his or her job site if the operation is a condition of his or her employment. For the  
223 purpose of this section, "job site" does not include any street or highway open to the use of the  
224 public for purposes of vehicular traffic.

NOTE: The purpose of this bill is to expand the alcohol test and lock program to offenders with a drug related offense, to authorize the commissioner to require drug testing, to authorize the deferral of the revocation period for a participant with a drug offense, and to authorize an offender of §17B-4-3 to participate in the motor vehicle alcohol and drug test and lock program.
