111 article, as defined in subdivision (t) of this section, or a deputy sheriff first hired prior to the effective

132 of not less than 12 months. A member may be determined partially disabled for the purposes of
133 this article and maintain the ability to engage in other gainful employment which exists within the
134 state but which ability would not enable him or her to earn an amount at least equal to two thirds
135 of the average annual compensation earned by all active members of this plan during the plan

163 by reason of any medically determined physical or mental impairment that can be expected to
164 result in death or that has lasted or can be expected to last for a continuous period of not less
165 than 12 months. For purposes of this subdivision:

166 (1) A member is totally disabled only if his or her physical or mental impairment or
167 impairments are so severe that he or she is not only unable to perform his or her previous work
168 as a deputy sheriff but also cannot, considering his or her age, education and work experience,
169 engage in any other kind of substantial gainful employment which exists in the state regardless
170 of whether: (A) The work exists in the immediate area in which the member lives; (B) a specific
171 job vacancy exists; or (C) the member would be hired if he or she applied for work.

172 (2) "Physical or mental impairment" is an impairment that results from an anatomical,
173 physiological, or psychological abnormality that is demonstrated by medically accepted clinical
174 and laboratory diagnostic techniques. A member's receipt of Social Security disability benefits
175 creates a rebuttable presumption that the member is totally disabled for purposes of this plan.
176 Substantial gainful employment rebuts the presumption of total disability.

177 (nn) "Year of service". — A member shall, except in his or her first and last years of covered

178 employment, be credited with year of service credit based upon the hours of service performed
 179 as covered employment and credited to the member during the plan year based upon the following
 180 schedule:

181	Hours of Service	Years of Service Credited
182	Less than 500	0
183	500 to 999	1/3
184	1,000 to 1,499	2/3
185	1,500 or more	1

186 During a member's first and last years of covered employment, the member shall be
 187 credited with one twelfth of a year of service for each month during the plan year in which the
 188 member is credited with an hour of service. A member is not entitled to credit for years of service
 189 for any time period during which he or she received disability payments under §7-14D-14 or §7-
 190 14D-15 of this code. Except as specifically excluded, years of service include covered
 191 employment prior to the effective date. Years of service which are credited to a member prior to
 192 his or her receipt of accumulated contributions upon termination of employment pursuant to §7-
 193 14D-13 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the
 194 member repays the accumulated contributions with interest pursuant to §7-14D-13 of this code
 195 or had prior to the effective date made the repayment pursuant to §5-10-18 of this code.

NOTE: The purpose of this bill is to raise the retirement rate for deputy sheriffs.
