licensed racetrack on which pari-mutuel betting is conducted on horse or dog races run at other
racetracks in this state or at racetracks outside of this state which are broadcast by television at

If, thereafter, for reasons beyond the licensee's 24 control, related to adverse weather conditions, unforeseen casualty occurrences or a shortage of 25 thoroughbred horses eligible to compete for purses, the licensee concludes that this number of 26 racing days cannot be attained, the licensee may file a request with the Racing Commission to 27 reduce the authorized live racing days. Upon receipt of the request the Racing Commission shall 28 within 72 hours of the receipt of the request notify the licensee and the representative of a majority 29 of the owners and trainers at the requesting track and the representative of the majority of the 30 mutuel clerks at the requesting track that such request has been received and that if no objection 31 to the request is received within 10 days of the notification the request will be approved: And 32 provided further, That the commission shall give consideration to whether there existed available 33 unscheduled potential live racing dates following the adverse weather or casualty and prior to the 34 end of the race meeting which could be used as new live racing dates in order to maintain the full 35 live racing schedule previously approved by the Racing Commission. The telecasts may be received and wagers accepted at any location authorized by the provisions
of section twelve-a of this article. The contract must receive the approval of the representative of
the majority of the owners and trainers who hold permits required by section two of this article at
the receiving thoroughbred racetrack.

49 (2) A facility that was licensed prior to January 1, 1994, to conduct dog racing is required
 50 to hold a racing license to receive telecasts and accept wagers on dog and horse races,
 51 regardless of whether the facility continues to conduct live dog racing: *Provided, That* nothing in
 52 this section permits a racetrack to receive telecasts and accept wagers on dog and horse races
 53 in more than one location.

54 (3) The commission shall have the authority to promulgate rules, including emergency
55 rules, in accordance with §29A-3-1 *et seq.* of this code, as it deems necessary to implement and

57 are to be consistent with the rules promulgated for pari-mutuel wagering on televised races at live
58 racetracks.

59 (c) The commission may allow the licensee to commingle its wagering pools with the 60 wagering pools of the host racing association. If the pools are commingled, the wagering at the 61 licensee's racetrack must be on tabulating equipment capable of issuing pari-mutuel tickets and 62 be electronically linked with the equipment at the sending racetrack. Subject to the approval of 63 the commission, the types of betting, licensee commissions and distribution of winnings on pari-64 mutuel pools of the sending licensee racetrack are those in effect at the licensee racetrack. 65 Breakage for pari-mutuel pools on a televised racing day must be calculated in accordance with 66 the law or rules governing the sending racetrack and must be distributed in a manner agreed to 67 between the licensee and the sending racetrack. For the televised racing services it provides, the

host racing association shall receive a fee to be paid by the receiving licensee racetrack which
shall be in an amount to be agreed upon by the receiving licensee racetrack and the host racing

The calculation of the total 83 pari-mutuel pool for purposes of this subsection shall include only one half of all wagers placed 84 at a licensed racetrack in this state on televised races conducted at another licensed racetrack 85 within this state. Payments of the tax imposed by this section are subject to the requirements of 86 subsection (e), section ten of this article.

(2) From the licensee commissions authorized by subsection (c) of this section, after payments are made in accordance with the provisions of subdivision (1) of this subsection, the licensee shall pay, for each televised racing day, one fourth of one percent of the total pari-mutuel pools for and on behalf of all employees of the licensed racing association by making a deposit into a special fund to be established by the Racing Commission and to be used for payments into the pension plan for all employees of the licensed racing association.

93

(3) From the licensee commissions authorized by subsection (c) of this section, after

For the purposes of this section, the term "net simulcast income" means 103 the total commission deducted each day by the licensee from the pari-mutuel pools on simulcast 104 horse or dog races, less direct simulcast expenses, including, but not limited to, the cost of 105 simulcast signals, telecommunication costs and decoder costs.

106 (f) After deducting the tax and other payments required by subsection (e) of this section. 107 the amount required to be paid under the terms of the contract with the host racing association 108 and the cost of transmission, the horse racing association shall make a deposit equal to 50 109 percent of the remainder into the purse fund established under the provisions of subdivision one, 110 subsection nine of this article. and the moneys theretofore held for the redemption of the pari-mutuel tickets shall become the

property of the racing commission and shall be expended as provided in subsections (c) and (d) of this section. The racing commission shall maintain separate accounts for each licensee and shall record in each separate account the moneys turned over by the licensee and the amount expended at the licensee's track for the purposes set forth in this subsection.

(c) In the fiscal year beginning on July 1, 2010, the racing commission shall keep separate
the unredeemed pari-mutuel tickets received from each of the two licensee horse racetracks.

28 (1) The unredeemed pari-mutuel tickets attributable to each licensee horse racetrack 29 together with funds distributed pursuant to §29-22-18a of this code shall be used for claims 30 received pursuant to this subsection by the Racing Commission each calendar guarter: Provided, 31 That the first distribution after the effective date of amendments to this section made during the 32 2010 regular legislative session shall not occur until February 2011 and then each calendar 33 guarter thereafter. Any claims made pursuant to this subsection must be submitted to the racing 34 commission no later than 15 days after the race where the funds are awarded. The funds in the 35 two special accounts - unredeemed pari-mutuel tickets shall be distributed based on claims 36 received from each horse racetrack as follows:

The commission may require proof that the owner was, at the time of the race, a 44 bona fide resident of this state. Upon proof by the owner that he or she filed a personal income 45 tax return in this state for the previous two years and that he or she owned real or personal 46 property in this state and paid taxes in this state on real or personal property for the previous two 47 years, he or she shall be presumed to be a bona fide resident of this state; and

(B) To the breeder (that is, the owner of the mare) of the winning horse in any horse race at a horse race meeting held or conducted by any licensee: *Provided, That* the mare foaled in this state, a sum equal to 10 percent of the purse won by the horse: *Provided, however*, That in the event there are more than 10 races in any performance, the award to the breeder will be that fractional share of the purse with a numerator of one and a denominator representing the number of races on the day of the performance; and

61 (2) If in any calendar quarter insufficient funds are available in each licensee horse 62 racetrack's special account - unredeemed pari-mutuel tickets administered by the Racing 63 Commission for payments pursuant to subdivision (1), payments shall be made on a pro rata 64 basis pursuant to paragraphs (A), (B) and (C) of subdivision (1) of this subsection of the claims 65 submitted from races won at each horse racetrack. Once payments on each claim are made, 66 whether in full or on a pro rata basis, no further obligation for payment is created by this 67 subdivision. Claims received after the deadline are not valid.

(3) If after paying any claims pursuant to this subsection and funds remain in the accounts,
those funds shall carry over to the next calendar quarter. If in any quarter the surplus in either
account reaches a balance of \$1 million, then that surplus balance shall be placed in to the regular
purse fund of that licensee horse racetrack whose unredeemed pari-mutuel account achieves the
surplus.

73

(d) Any unredeemed pari-mutuel tickets received from licensee dog racetracks shall be

combined into a single balance and distributed quarterly to the West Virginia racing commission
special account - West Virginia Greyhound Breeding Development Fund: *Provided, That* effective
July 1, 2021, and thereafter, the balance shall instead be distributed to the respective licensees
that discontinued greyhound racing. The deposit made pursuant to this subsection does not
create a continuing obligation of payment except to the extent that there are unredeemed parimutuel tickets from the licensee dog racetracks.

80 (e) The amendments to this section made during the 2010 regular legislative session shall
81 become effective July 1, 2010.

Unredeemed pari-mutuel tickets for races completed after June 30, 2010 must remain 94 in the special accounts - Unredeemed Pari-Mutuel Tickets to satisfy future payments pursuant to 95 this section.

97 or before June 30, 2010 without regard to date of deposit or date of claim. Claims shall be paid in
98 date order, with the oldest claims being paid first, until all claims have been satisfied. All payments
99 made pursuant to this subsection for claims received on purses won on or before June 30, 2010

shall extinguish any further obligation by the state with respect to those claims.

(g) The commission shall submit to the legislative auditor a quarterly report and accounting
 of the income and expenditures in the special account created by this section known as the West
 Virginia racing commission special account - Unredeemed Pari-Mutuel Tickets.

(h) Nothing contained in this article shall prohibit one person from qualifying for all or more
than one of the aforesaid awards or for awards under section thirteen-b of this article.

(i) The cost of publication of the notice provided for in this section shall be paid from the
funds in the hands of the State Treasurer collected from the pari-mutuel pools' tax provided for in
section ten of this article, when not otherwise provided in the budget; but no such costs shall be
paid unless an itemized account thereof, under oath, be first filed with the state auditor.

(j) The racing commission is authorized to promulgate emergency rules, prior to
 September 1, 2010, to incorporate the revisions to this article enacted during the 2010 regular
 legislative session.
