1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §18C-7-8, relating to creating the Business PROMISE+ Scholarship; 2 3 establishing the scholarship under the management of the Higher Education Policy 4 Commission; creating a special revenue account; explaining funding for the scholarship; 5 authorizing the issuance of tax credits for certain businesses; authorizing legislative rules 6 by the Higher Education Policy Commission and the Tax Commissioner; setting student 7 eligibility; noting business benefits and requirements; creating a process for awarding a 8 specific amount of funds; detailing student requirements upon receipt of the scholarship; 9 and requiring the creation of a deferral and waiver program for certain requirements.

Be it enacted by the Legislature of West Virginia:

### ARTICLE 7. WEST VIRGINIA PROVIDING REAL OPPORTUNITIES FOR MAXIMIZING IN-STATE STUDENT EXCELLENCE SCHOLARSHIP PROGRAM.

#### §18C-7-8. Business PROMISE+ Scholarship.

1 (a) *Findings* – The Legislature finds that the business community recognizes the critical 2 link between education and economic development and that providing students with the 3 knowledge and skills they need to succeed in the workplace enables businesses and communities 4 to prosper. The Legislature further finds that many employers in the state desire to aid in efforts 5 to bolster the development of a highly-gualified workforce. Providing the employers with an 6 opportunity to fund premium scholarships for PROMISE scholarship-eligible students would 7 encourage highly-qualified students to attend college and become employed in West Virginia. 8 (b) Scholarship. - To that end, there is hereby established the Business PROMISE+ 9 Scholarship program, which allows employers in the state to fund premium scholarship awards 10 for certain PROMISE-eligible applicants. The Business PROMISE+ Scholarship shall be 11 managed by the Higher Education Policy Commission pursuant to the terms of this section and any necessary rules. The Business PROMISE+ Scholarship is awarded to PROMISE-eligible 12

24	provisions of this section and administer the scholarship program.
25	(c) Duration – An eligible student may receive an award from either the PROMISE
26	Scholarship program or the Business PROMISE+ Scholarship program, but not both, in any single

31	In any event, a student may not receive any PROMISE funding for more than eight total
32	semesters.
33	(d) Funding - All funds associated with the Business PROMISE+ Scholarship shall be
34	kept separate and distinct from funds associated with the PROMISE Scholarship. There is hereby
35	created a special revenue fund in the State Treasury designated as the Business PROMISE+
