

WEST VIRGINIA LEGISLATURE

2021 REGULAR SESSION

Introduced

Senate Bill 300

BY SENATORS IHLENFELD, ROMANO, AND LINDSAY

[Introduced February 16, 2021; referred
to the Committee on Government Organization]

1 A BILL to amend and reenact §6B-2-5 of the Code of West Virginia, 1931, as amended, relating
 2 to prohibiting members of the Legislature and part-time public officials from having an
 3 interest in public contracts under certain circumstances; requiring certain disclosures; and
 4 requiring the Ethics Commission to conduct oversight and make a public statement in
 5 certain circumstances.

Be it enacted by the Legislature of West Virginia:

**ARTICLE 2. WEST VIRGINIA ETHICS COMMISSION; POWERS AND DUTIES;
 DISCLOSURE OF FINANCIAL INTEREST BY PUBLIC OFFICIALS AND
 EMPLOYEES; APPEARANCES BEFORE PUBLIC AGENCIES; CODE OF
 CONDUCT FOR ADMINISTRATIVE LAW JUDGES.**

§6B-2-5. Ethical standards for elected and appointed officials and public employees.

1 (a) Persons subject to section. — The provisions of this section apply to all public officials
 2 and public employees, whether full- or part-time and whether compensated or not, in state,
 3 county, municipal governments and their respective boards, agencies, departments, and
 4 commissions and in any other regional or local governmental agency, including county school
 5 boards.

6 (b) Use of public office for private gain. — (1) A public official or public employee may not
 7 knowingly and intentionally use his or her office or the prestige of his or her office for his or her
 8 own private gain or that of another person. Incidental use of equipment or resources available to
 9 a public official or public employee by virtue of his or her position for personal or business
 10 purposes resulting in de minimis private gain does not constitute use of public office for private
 11 gain under this subsection. The performance of usual and customary duties associated with the
 12 office or position or the advancement of public policy goals or constituent services, without
 13 compensation, does not constitute the use of prestige of office for private gain.

14 (2) Notwithstanding the general prohibition against use of office for private gain, public

15 officials and public employees may use bonus points acquired through participation in frequent
16 traveler programs while traveling on official government business: *Provided*, That the official's or
17 employee's participation in such program, or acquisition of such points, does not result in
18 additional costs to the government.

19 (3) The Legislature, in enacting this subsection, recognizes that there may be certain
20 public officials or public employees who bring to their respective offices or employment their own
21 unique personal prestige which is based upon their intelligence, education, experience, skills and
22 abilities, or other personal gifts or traits. In many cases, these persons bring a personal prestige
23 to their office or employment which inures to the benefit of the state and its citizens. Those
24 persons may, in fact, be sought by the state to serve in their office or employment because,
25 through their unusual gifts or traits, they bring stature and recognition to their office or employment
26 and to the state itself. While the office or employment held or to be held by those persons may
27 have its own inherent prestige, it would be unfair to those individuals and against the best interests
28 of the citizens of this state to deny those persons the right to hold public office or to be publicly
29 employed on the grounds that they would, in addition to the emoluments of their office or
30 employment, be in a position to benefit financially from the personal prestige which otherwise
31 inheres to them. Accordingly, the commission is directed, by legislative rule, to establish
32 categories of public officials and public employees, identifying them generally by the office or
33 employment held, and offering persons who fit within those categories the opportunity to apply for
34 an exemption from the application of the provisions of this subsection. Exemptions may be
35 granted by the commission, on a case-by-case basis, when it is shown that: (A) The public office
36 held or the public employment engaged in is not such that it would ordinarily be available or
37 offered to a substantial number of the citizens of this state; (B) the office held or the employment
38 engaged in is such that it normally or specifically requires a person who possesses personal
39 prestige; and (C) the person's employment contract or letter of appointment provides or
40 anticipates that the person will gain financially from activities which are not a part of his or her

41 office or employment.

42 (4) A public official or public employee may not show favoritism or grant patronage in the
43 employment or working conditions of his or her relative or a person with whom he or she resides:
44 *Provided*, That as used in this subdivision, “employment or working conditions” shall only apply
45 to government employment: *Provided, however*, That government employment includes only
46 those governmental entities specified in subsection (a) of this section.

47 (c) Gifts. — (1) A public official or public employee may not solicit any gift unless the
48 solicitation is for a charitable purpose with no resulting direct pecuniary benefit conferred upon
49 the official or employee or his or her immediate family: *Provided*, That no public official or public
50 employee may solicit for a charitable purpose any gift from any person who is also an official or
51 employee of the state and whose position is subordinate to the soliciting official or employee:
52 *Provided, however*, That nothing herein shall prohibit a candidate for public office from soliciting
53 a lawful political contribution. No official or employee may knowingly accept any gift, directly or
54 indirectly, from a lobbyist or from any person whom the official or employee knows or has reason
55 to know:

56 (A) Is doing or seeking to do business of any kind with his or her agency;

57 (B) Is engaged in activities which are regulated or controlled by his or her agency; or

58 (C) Has financial interests which may be substantially and materially affected, in a manner
59 distinguishable from the public generally, by the performance or nonperformance of his or her
60 official duties.

61 (2) Notwithstanding the provisions of subdivision (1) of this subsection, a person who is a
62 public official or public employee may accept a gift described in this subdivision, and there shall
63 be a presumption that the receipt of such gift does not impair the impartiality and independent
64 judgment of the person. This presumption may be rebutted only by direct objective evidence that
65 the gift did impair the impartiality and independent judgment of the person or that the person knew
66 or had reason to know that the gift was offered with the intent to impair his or her impartiality and

67 independent judgment. The provisions of subdivision (1) of this subsection do not apply to:

68 (A) Meals and beverages;

69 (B) Ceremonial gifts or awards which have insignificant monetary value;

70 (C) Unsolicited gifts of nominal value or trivial items of informational value;

71 (D) Reasonable expenses for food, travel, and lodging of the official or employee for a
72 meeting at which the official or employee participates in a panel or has a speaking engagement;

73 (E) Gifts of tickets or free admission extended to a public official or public employee to
74 attend charitable, cultural, or political events, if the purpose of such gift or admission is a courtesy
75 or ceremony customarily extended to the office;

76 (F) Gifts that are purely private and personal in nature; or

77 (G) Gifts from relatives by blood or marriage, or a member of the same household.

78 (3) The commission shall, through legislative rule promulgated pursuant to chapter 29A of
79 this code, establish guidelines for the acceptance of a reasonable honorarium by public officials
80 and elected officials. The rule promulgated shall be consistent with this section. Any elected public
81 official may accept an honorarium only when:

82 (A) That official is a part-time elected public official;

83 (B) The fee is not related to the official's public position or duties;

84 (C) The fee is for services provided by the public official that are related to the public
85 official's regular, nonpublic trade, profession, occupation, hobby, or avocation; and

86 (D) The honorarium is not provided in exchange for any promise or action on the part of
87 the public official.

88 (4) Nothing in this section shall be construed so as to prohibit the giving of a lawful political
89 contribution as defined by law.

90 (5) The Governor or his or her designee may, in the name of the State of West Virginia,
91 accept and receive gifts from any public or private source. Any gift so obtained shall become the
92 property of the state and shall, within 30 days of the receipt thereof, be registered with the

93 commission and the Division of Culture and History.

94 (6) Upon prior approval of the Joint Committee on Government and Finance, any member
95 of the Legislature may solicit donations for a regional or national legislative organization
96 conference or other legislative organization function to be held in the state for the purpose of
97 deferring costs to the state for hosting of the conference or function. Legislative organizations are
98 bipartisan regional or national organizations in which the Joint Committee on Government and
99 Finance authorizes payment of dues or other membership fees for the Legislature's participation
100 and which assist this and other State Legislatures and their staff through any of the following:

101 (A) Advancing the effectiveness, independence, and integrity of Legislatures in the states
102 of the United States;

103 (B) Fostering interstate cooperation and facilitating information exchange among state
104 legislatures;

105 (C) Representing the states and their Legislatures in the American federal system of
106 government;

107 (D) Improving the operations and management of State Legislatures and the effectiveness
108 of legislators and legislative staff, and to encourage the practice of high standards of conduct by
109 legislators and legislative staff;

110 (E) Promoting cooperation between State Legislatures in the United States and
111 Legislatures in other countries.

112 The solicitations may only be made in writing. The legislative organization may act as
113 fiscal agent for the conference and receive all donations. In the alternative, a bona fide banking
114 institution may act as the fiscal agent. The official letterhead of the Legislature may not be used
115 by the legislative member in conjunction with the fund raising or solicitation effort. The legislative
116 organization for which solicitations are being made shall file with the Joint Committee on
117 Government and Finance and with the Secretary of State for publication in the State Register as
118 provided in §29A-2-1 *et seq.* of this code, copies of letters, brochures, and other solicitation

119 documents, along with a complete list of the names and last known addresses of all donors and
120 the amount of donations received. Any solicitation by a legislative member shall contain the
121 following disclaimer:

122 “This solicitation is endorsed by [name of member]. This endorsement does not imply
123 support of the soliciting organization, nor of the sponsors who may respond to the solicitation. A
124 copy of all solicitations are on file with the West Virginia Legislature’s Joint Committee on
125 Government and Finance, and with the Secretary of State and are available for public review.”

126 (7) Upon written notice to the commission, any member of the Board of Public Works may
127 solicit donations for a regional or national organization conference or other function related to the
128 office of the member to be held in the state for the purpose of deferring costs to the state for
129 hosting of the conference or function. The solicitations may only be made in writing. The
130 organization may act as fiscal agent for the conference and receive all donations. In the
131 alternative, a bona fide banking institution may act as the fiscal agent. The official letterhead of
132 the office of the Board of Public Works member may not be used in conjunction with the fund
133 raising or solicitation effort. The organization for which solicitations are being made shall file with
134 the Joint Committee on Government and Finance, with the Secretary of State for publication in
135 the State Register as provided in §29A-2-1 *et seq.* of this code and with the commission, copies
136 of letters, brochures, and other solicitation documents, along with a complete list of the names
137 and last known addresses of all donors and the amount of donations received. Any solicitation by
138 a member of the Board of Public Works shall contain the following disclaimer: “This solicitation is
139 endorsed by (name of member of Board of Public Works.) This endorsement does not imply
140 support of the soliciting organization, nor of the sponsors who may respond to the solicitation.
141 Copies of all solicitations are on file with the West Virginia Legislature’s Joint Committee on
142 Government and Finance, with the West Virginia Secretary of State and with the West Virginia
143 Ethics Commission and are available for public review.” Any moneys in excess of those donations
144 needed for the conference or function shall be deposited in the Capitol Dome and Capitol

145 Improvement Fund established in §5A-4-2 *et seq.* of this code.

146 (d) Interests in public contracts. — (1) In addition to the provisions of §61-10-15 of this
147 code, no elected or appointed public official or public employee or member of his or her immediate
148 family or business with which he or she is associated may be a party to or have an interest in the
149 profits or benefits of a contract which the official or employee may have direct authority to enter
150 into, or over which he or she may have control: *Provided*, That nothing herein shall be construed
151 to prevent or make unlawful the employment of any person with any governmental body:
152 *Provided, however*, That nothing herein shall be construed to prohibit a ~~member of the Legislature~~
153 ~~from entering into a contract with any governmental body, or prohibit a part-time appointed public~~
154 ~~official, including a member of the Legislature, from entering into a contract which the part-time~~
155 ~~appointed public official may have~~ has no direct authority to enter into or over which he or she
156 ~~may have~~ has no control ~~when the official has not participated in the review or evaluation thereof,~~
157 ~~has been recused from deciding or evaluating and has been excused from voting on the contract~~
158 and has fully disclosed the extent of his or her interest in the contract to the person or persons
159 who have control over the decision and the Ethics Commission, which has reviewed the
160 circumstances and publicly affirmed that all purchasing rules were followed and the part-time
161 public official is gaining no special benefit because of his or her position.

162 (2) In the absence of bribery or a purpose to defraud, an elected or appointed public official
163 or public employee or a member of his or her immediate family or a business with which he or
164 she is associated shall not be considered as having a prohibited financial interest in a public
165 contract when such a person has a limited interest as an owner, shareholder, or creditor of the
166 business which is awarded a public contract. A limited interest for the purposes of this subsection
167 is:

168 (A) An interest which does not exceed \$1,000 in the profits or benefits of the public contract
169 or contracts in a calendar year;

170 (B) An interest as a creditor of a public employee or official who exercises control over the

171 contract, or a member of his or her immediate family, if the amount is less than \$5,000.

172 (3) If a public official or employee has an interest in the profits or benefits of a contract,
173 then he or she may not make, participate in making, or in any way attempt to use his or her office
174 or employment to influence a government decision affecting his or her financial or limited financial
175 interest. Public officials shall also comply with the voting rules prescribed in subsection (j) of this
176 section.

177 (4) Where the provisions of subdivisions (1) and (2) of this subsection would result in the
178 loss of a quorum in a public body or agency, in excessive cost, undue hardship, or other
179 substantial interference with the operation of a state, county, municipality, county school board,
180 or other governmental agency, the affected governmental body or agency may make written
181 application to the Ethics Commission for an exemption from subdivisions (1) and (2) of this
182 subsection.

183 (e) Confidential information. — No present or former public official or employee may
184 knowingly and improperly disclose any confidential information acquired by him or her in the
185 course of his or her official duties nor use such information to further his or her personal interests
186 or the interests of another person.

187 (f) Prohibited representation. — No present or former elected or appointed public official
188 or public employee shall, during or after his or her public employment or service, represent a client
189 or act in a representative capacity with or without compensation on behalf of any person in a
190 contested case, rate-making proceeding, license or permit application, regulation filing or other
191 particular matter involving a specific party or parties which arose during his or her period of public
192 service or employment and in which he or she personally and substantially participated in a
193 decision-making, advisory or staff support capacity, unless the appropriate government agency,
194 after consultation, consents to such representation. A staff attorney, accountant or other
195 professional employee who has represented a government agency in a particular matter shall not
196 thereafter represent another client in the same or substantially related matter in which that client's

197 interests are materially adverse to the interests of the government agency, without the consent of
198 the government agency: *Provided*, That this prohibition on representation shall not apply when
199 the client was not directly involved in the particular matter in which the professional employee
200 represented the government agency, but was involved only as a member of a class. The
201 provisions of this subsection shall not apply to legislators who were in office and legislative staff
202 who were employed at the time it originally became effective on July 1, 1989, and those who have
203 since become legislators or legislative staff and those who shall serve hereafter as legislators or
204 legislative staff.

205 (g) Limitation on practice before a board, agency, commission or department. — Except
206 as otherwise provided in §8A-2-3, §8A-2-4, or §8A-2-5 of this code: (1) No elected or appointed
207 public official and no full-time staff attorney or accountant shall, during his or her public service or
208 public employment or for a period of one year after the termination of his or her public service or
209 public employment with a governmental entity authorized to hear contested cases or promulgate
210 or propose rules, appear in a representative capacity before the governmental entity in which he
211 or she serves or served or is or was employed in the following matters:

212 (A) A contested case involving an administrative sanction, action or refusal to act;

213 (B) To support or oppose a proposed rule;

214 (C) To support or contest the issuance or denial of a license or permit;

215 (D) A rate-making proceeding; and

216 (E) To influence the expenditure of public funds.

217 (2) As used in this subsection, “represent” includes any formal or informal appearance
218 before, or any written or oral communication with, any public agency on behalf of any person:

219 *Provided*, That nothing contained in this subsection shall prohibit, during any period, a former
220 public official or employee from being retained by or employed to represent, assist, or act in a
221 representative capacity on behalf of the public agency by which he or she was employed or in
222 which he or she served. Nothing in this subsection shall be construed to prevent a former public

223 official or employee from representing another state, county, municipal, or other governmental
224 entity before the governmental entity in which he or she served or was employed within one year
225 after the termination of his or her employment or service in the entity.

226 (3) A present or former public official or employee may appear at any time in a
227 representative capacity before the Legislature, a county commission, city or town council, or
228 county school board in relation to the consideration of a statute, budget, ordinance, rule,
229 resolution, or enactment.

230 (4) Members and former members of the Legislature and professional employees and
231 former professional employees of the Legislature shall be permitted to appear in a representative
232 capacity on behalf of clients before any governmental agency of the state or of county or municipal
233 governments, including county school boards.

234 (5) An elected or appointed public official, full-time staff attorney or accountant who would
235 be adversely affected by the provisions of this subsection may apply to the Ethics Commission
236 for an exemption from the one year prohibition against appearing in a representative capacity,
237 when the person's education and experience is such that the prohibition would, for all practical
238 purposes, deprive the person of the ability to earn a livelihood in this state outside of the
239 governmental agency. The Ethics Commission shall, by legislative rule, establish general
240 guidelines or standards for granting an exemption or reducing the time period, but shall decide
241 each application on a case-by-case basis.

242 (h) Employment by regulated persons and vendors. — (1) No full-time official or full-time
243 public employee may seek employment with, be employed by, or seek to purchase, sell or lease
244 real or personal property to or from any person who:

245 (A) Had a matter on which he or she took, or a subordinate is known to have taken,
246 regulatory action within the preceding 12 months; or

247 (B) Has a matter before the agency on which he or she is working or a subordinate is
248 known by him or her to be working.

249 (C) Is a vendor to the agency where the official serves or public employee is employed
250 and the official or public employee, or a subordinate of the official or public employee, exercises
251 authority or control over a public contract with such vendor, including, but not limited to:

252 (i) Drafting bid specifications or requests for proposals;

253 (ii) Recommending selection of the vendor;

254 (iii) Conducting inspections or investigations;

255 (iv) Approving the method or manner of payment to the vendor;

256 (v) Providing legal or technical guidance on the formation, implementation or execution of
257 the contract; or

258 (vi) Taking other nonministerial action which may affect the financial interests of the
259 vendor.

260 (2) Within the meaning of this section, the term "employment" includes professional
261 services and other services rendered by the public official or public employee, whether rendered
262 as employee or as an independent contractor; "seek employment" includes responding to
263 unsolicited offers of employment as well as any direct or indirect contact with a potential employer
264 relating to the availability or conditions of employment in furtherance of obtaining employment;
265 and "subordinate" includes only those agency personnel over whom the public official or public
266 employee has supervisory responsibility.

267 (3) A full-time public official or full-time public employee who would be adversely affected
268 by the provisions of this subsection may apply to the Ethics Commission for an exemption from
269 the prohibition contained in subdivision (1) of this subsection.

270 (A) The Ethics Commission shall, by legislative rule, establish general guidelines or
271 standards for granting an exemption, but shall decide each application on a case-by-case basis;

272 (B) A person adversely affected by the restriction on the purchase of personal property
273 may make such purchase after seeking and obtaining approval from the commission or in good
274 faith reliance upon an official guideline promulgated by the commission, written advisory opinions

275 issued by the commission, or a legislative rule.

276 (C) The commission may establish exceptions to the personal property purchase
277 restrictions through the adoption of guidelines, advisory opinions or legislative rule.

278 (4) A full-time public official or full-time public employee may not take personal regulatory
279 action on a matter affecting a person by whom he or she is employed or with whom he or she is
280 seeking employment or has an agreement concerning future employment.

281 (5) A full-time public official or full-time public employee may not personally participate in
282 a decision, approval, disapproval, recommendation, rendering advice, investigation, inspection,
283 or other substantial exercise of nonministerial administrative discretion involving a vendor with
284 whom he or she is seeking employment or has an agreement concerning future employment.

285 (6) A full-time public official or full-time public employee may not receive private
286 compensation for providing information or services that he or she is required to provide in carrying
287 out his or her public job responsibilities.

288 (i) Members of the Legislature required to vote. — Members of the Legislature who have
289 asked to be excused from voting or who have made inquiry as to whether they should be excused
290 from voting on a particular matter and who are required by the presiding officer of the House of
291 Delegates or Senate of West Virginia to vote under the rules of the particular house shall not be
292 guilty of any violation of ethics under the provisions of this section for a vote so cast.

293 (j) Limitations on voting. — (1) Public officials, excluding members of the Legislature who
294 are governed by subsection (i) of this section, may not vote on a matter:

295 (A) In which they, an immediate family member, or a business with which they or an
296 immediate family member is associated have a financial interest. Business with which they are
297 associated means a business of which the person or an immediate family member is a director,
298 officer, owner, employee, compensated agent, or holder of stock which constitutes five percent
299 or more of the total outstanding stocks of any class.

300 (B) If a public official is employed by a financial institution and his or her primary

301 responsibilities include consumer and commercial lending, the public official may not vote on a
302 matter which directly affects the financial interests of a customer of the financial institution if the
303 public official is directly involved in approving a loan request from the person or business
304 appearing before the governmental body or if the public official has been directly involved in
305 approving a loan for that person or business within the past 12 months: *Provided*, That this
306 limitation only applies if the total amount of the loan or loans exceeds \$15,000.

307 (C) The employment or working conditions of the public official's relative or person with
308 whom the public official resides.

309 (D) The appropriations of public moneys or the awarding of a contract to a nonprofit
310 corporation if the public official or an immediate family member is employed by, or a compensated
311 officer or board member of, the nonprofit: *Provided*, That if the public official or immediate family
312 member is an uncompensated officer or board member of the nonprofit, then the public official
313 shall publicly disclose such relationship prior to a vote on the appropriations of public moneys or
314 award of contract to the nonprofit: *Provided, however*, That for purposes of this paragraph, public
315 disclosure shall mean disclosure of the public official's, or his or her immediate family member's,
316 relationship to the nonprofit (i) On the agenda item relating to the appropriation or award contract,
317 if known at time of agenda, (ii) by the public official at the meeting prior to the vote, and (iii) in the
318 minutes of the meeting.

319 (2) A public official may vote:

320 (A) If the public official, his or her spouse, immediate family members or relatives or
321 business with which they are associated are affected as a member of, and to no greater extent
322 than any other member of a profession, occupation, class of persons or class of businesses. A
323 class shall consist of not fewer than five similarly situated persons or businesses; or

324 (B) If the matter affects a publicly traded company when:

325 (i) The public official, or dependent family members individually or jointly own less than
326 five percent of the issued stock in the publicly traded company and the value of the stocks

327 individually or jointly owned is less than \$10,000; and

328 (ii) Prior to casting a vote the public official discloses his or her interest in the publicly
329 traded company.

330 (3) For a public official's recusal to be effective, it is necessary to excuse him or herself
331 from participating in the discussion and decision-making process by physically removing him or
332 herself from the room during the period, fully disclosing his or her interests, and recusing him or
333 herself from voting on the issue. The recusal shall also be reflected in the meeting minutes.

334 (k) Limitations on participation in licensing and rate-making proceedings. — No public
335 official or employee may participate within the scope of his or her duties as a public official or
336 employee, except through ministerial functions as defined in §6B-1-3 of this code, in any license
337 or rate-making proceeding that directly affects the license or rates of any person, partnership,
338 trust, business trust, corporation, or association in which the public official or employee or his or
339 her immediate family owns or controls more than 10 percent. No public official or public employee
340 may participate within the scope of his or her duties as a public official or public employee, except
341 through ministerial functions as defined §6B-1-3 of this code, in any license or rate-making
342 proceeding that directly affects the license or rates of any person to whom the public official or
343 public employee or his or her immediate family, or a partnership, trust, business trust, corporation
344 or association of which the public official or employee, or his or her immediate family, owns or
345 controls more than 10 percent, has sold goods or services totaling more than \$1,000 during the
346 preceding year, unless the public official or public employee has filed a written statement
347 acknowledging such sale with the public agency and the statement is entered in any public record
348 of the agency's proceedings. This subsection shall not be construed to require the disclosure of
349 clients of attorneys or of patients or clients of persons licensed pursuant to §30-3-1 *et seq.*, §30-
350 8-1 *et seq.*, §30-14-1 *et seq.*, §30-14A-1 *et seq.*, §30-15-1 *et seq.*, §30-16-1 *et seq.*, §30-20-1 *et*
351 *seq.*, §30-21-1 *et seq.*, or §30-31-1 *et seq.* of this code.

352 (l) Certain compensation prohibited. — (1) A public employee may not receive additional

353 compensation from another publicly-funded state, county, or municipal office or employment for
354 working the same hours, unless:

355 (A) The public employee's compensation from one public employer is reduced by the
356 amount of compensation received from the other public employer;

357 (B) The public employee's compensation from one public employer is reduced on a pro
358 rata basis for any work time missed to perform duties for the other public employer;
