782 (C)(i) The commissioner may not begin the design or production of any license plates
783 authorized and approved pursuant to this subdivision until the organization which applied for the

785 completed by at least 250 persons and collectively deposited with the division all fees necessary
786 to cover the first year's basic registration, one-time design and manufacturing costs and to cover

788 (ii) If the organization fails to submit the required number of applications and fees within

791 by the commissioner: *Provided*, That an organization that is unsuccessful in obtaining the
792 minimum number of applications may not make a new application for a special plate until at least
793 two years have passed since the approval of the previous application of the organization.

802 registration plate shall offer sufficient proof of membership in the organization.

803 (G) The commissioner shall discontinue the issuance or renewal of the registration of any

806 least 12 consecutive months; or

807 (ii) The organization no longer exists or no longer meets the requirements of this
808 subdivision.

809 (d) The minimum number of applications required prior to design and production of a
810 special license plate shall be as follows:

812 which eligibility is based on membership or affiliation with a particular private organization until at
813 least 100 persons complete an application and deposit with the organization a check to cover the
814 first year's basic registration, one-time design, and manufacturing costs and to cover the first year
815 additional annual fee. If the organization fails to submit the required number of applications with
816 attached checks within six months of the effective date of the original authorizing legislation, the
817 plate will not be produced and will require legislative reauthorization: *Provided*, That an
818 organization or group that is unsuccessful in obtaining the minimum number of applications may
819 not request reconsideration of a special plate until at least two years have passed since the
820 effective date of the original authorization: *Provided, however*, That the provisions of this
821 subdivision are not applicable to the issuance of plates authorized pursuant to §17A-3-14(c)(60)
822 of this code.

823 (2) The commissioner may not begin the design or production of any license plates
824 authorized by this section for which membership or affiliation with a particular organization is not
825 required until at least 250 registrants complete an application and deposit a fee with the division
826 to cover the first year's basic registration fee, one-time design and manufacturing fee and
827 additional annual fee if applicable. If the commissioner fails to receive the required number of
828 applications within six months of the effective date of the original authorizing legislation, the plate
829 will not be produced and will require legislative reauthorization: *Provided*, That if the minimum
830 number of applications is not satisfied within the six months of the effective date of the original
831 authorizing legislation, a person may not request reconsideration of a special plate until at least
832 two years have passed since the effective date of the original authorization.

833 (e)(1) Nothing in this section requires a charge for a free prisoner of war license plate or

835 of the qualified applicant as authorized by other provisions of this code.

836 (2) A surviving spouse may continue to use his or her deceased spouse's prisoner of war

838 remarries or does not renew the license plate.

839 (3) Qualified former prisoners of war and recipients of the Congressional Medal of Honor
840 may obtain a second special registration plate for use on a passenger vehicle titled in the name

844 (f) The division may issue special 10-year registration plates as follows:

854 or §17A-10-3a of this code for the period requested.

855 (g) The provisions of this section may not be construed to exempt any registrant from
856 maintaining motor vehicle liability insurance as required by §17D-2A-3 of this code or from paying
857 personal property taxes on any motor vehicle as required by §17A-3-3a of this code.

858 (h) The commissioner may, in his or her discretion, issue a registration plate of
859 reflectorized material suitable for permanent use on motor vehicles, trailers and semitrailers,
