17 (4) Provide notice to a minor who is a registered user of the operator's Internet website,  
18 online service, online application, or mobile application that the removal described under

21 or mobile application by the registered user.

22 (b) An operator or a third party is not required to erase or otherwise eliminate, or to enable

39 of a court of competent jurisdiction.

40 (d) An operator shall be deemed compliant with this section if:

41 (1) It renders the content or information posted by the minor user no longer visible to other  
42 users of the service and the public even if the content or information remains on the operator's  
43 servers in some form.

44 (2) Despite making the original posting by the minor user invisible, it remains visible  
45 because a third party has copied the posting or reposted the content or information posted by the  
46 minor.

47 (e) This section may not be construed to require an operator of an Internet website, online  
48 service, online application, or mobile application to collect age information about users.
