**§18B-3D-2. Workforce Development Initiative Program continued; purpose; program
administration; rule required.**

1 (a) The Workforce Development Initiative Program is continued under the supervision of
2 the council. The purpose of the program is to administer and oversee grants to community and
3 technical colleges to implement the provisions of this article in accordance with legislative intent.

4 (b) It is the responsibility of the council to administer the state fund for community and

7 the performance of workforce development initiatives.

8 (c) The chancellor, under the direction of the council, shall review and approve the
9 expenditure of all grant funds, including development of application criteria, the review and
10 selection of applicants for funding, and the annual review and justification of applicants for grant
11 renewal.

13 consideration to proposals by community and technical colleges that involve businesses with

20 administration.

21 (e) Moneys appropriated or otherwise available for the Workforce Development Initiative
