2 to prohibiting public entities, including state, county, and municipal buildings and facilities,
3 places of public accommodation, and commercial facilities, from charging a fee for parking
4 in an accessible parking space bearing the international symbol of access.

Be it enacted by the Legislature of West Virginia:

1 (a)(1) The commissioner may issue up to two special registration plates or removable
2 windshield placards to a person with a mobility impairment or a West Virginia organization which
3 transports persons with disabilities and facilitates the mobility of its customers, patients, students,
4 or persons otherwise placed under its responsibility.

5 (2) Special registration plates or placards may only be issued for placement on a Class A
6 or Class G motor vehicle registered under the provisions of §17A-3-1 *et seq.* of this code.

7 (3) The applicant shall specify whether he or she is applying for a special registration plate,
8 a removable windshield placard, or both on the application form prescribed and furnished by the
9 commissioner.

10 (4) The applicant shall submit, with the application, a certificate issued by any physician,
11 chiropractor, advanced nurse practitioner, or physician's assistant who is licensed in this state,
12 stating that the applicant has a mobility impairment, or that the applicant is an organization which
13 regularly transports a person with a mobility impairment as defined in this section. The physician,
14 chiropractor, advanced nurse practitioner, or physician's assistant shall specify in the certificate
15 whether the disability is temporary or permanent. A disability which is temporary is one expected
16 to last for a limited duration and improve during the applicant's life. A disability which is permanent
17 is one which is expected to last during the duration of the applicant's life.

19 registration fee for the applicant's vehicle class, if the commissioner finds that the applicant
20 qualifies for the special registration plate or a removable windshield placard as provided in this
21 section, he or she shall issue to the applicant a special registration plate (upon remittance of the
22 regular registration fee) or a removable windshield placard (red for temporary and blue for
23 permanent), or both. Upon request, the commissioner shall also issue to any otherwise qualified
24 applicant one additional placard having the same expiration date as the applicant's original
25 placard. The placard shall be displayed by hanging it from the interior rearview mirror of the motor
26 vehicle so that it is conspicuously visible from outside the vehicle when parked in a designated
27 accessible parking space. The placard may be removed from the rearview mirror whenever the
28 vehicle is being operated to ensure clear vision and safe driving. Only in the event that there is
29 no suitable rearview mirror in the vehicle may the placard be displayed on the dashboard of the
30 vehicle.

31 (6) Organizations which transport people with disabilities will be provided with a placard
32 which will permit them to park in a designated area for the length of time necessary to load and
33 unload passengers. These vehicles must be moved to a nondesignated space once the loading

190 symbol of access, either by itself or with explanatory text. The signs may be mounted on a post
191 or a wall in front of the accessible parking space and instructions may appear on the ground or
192 pavement, but use of both methods is preferred. Accessible parking spaces for vans having an
193 eight-foot adjacent access aisle should be designated as “van accessible” but may be used by

205 placard or special registration plate, who violates the provisions of this subsection is guilty of a
206 misdemeanor and, upon conviction thereof, shall be fined \$200; upon second conviction thereof,

211 citations for violations of this section and shall reference the number on the vehicle’s license plate,
212 since the driver normally will not be present.

213 ~~(o)~~ (p) Law-enforcement agencies may establish a program to use trained volunteers to
214 collect information necessary to issue citations to persons who illegally park in designated
215 accessible parking spaces. Any law-enforcement agency choosing to establish a program shall
216 provide for workers’ compensation and liability coverage. The volunteers shall photograph the
217 illegally parked vehicle and complete a form, to be developed by supervising law-enforcement
218 agencies, that includes the vehicle’s license plate number, date, time, and location of the illegally
219 parked vehicle. The photographs must show the vehicle in the accessible space and a readable
220 view of the license plate. Within the discretion of the supervising law-enforcement agency, the
221 volunteers may issue citations or the volunteers may submit the photographs of the illegally
222 parked vehicle and the form to the supervising law-enforcement agency, who may issue a citation,
223 which includes the photographs and the form, to the owner of the illegally parked vehicle.

225 or designated accessible parking areas by the supervising law-enforcement agency.

228 shall be used first to fund the provisions of subsection ~~(o)~~ (p) of this section, if adopted by local
229 authorities, or otherwise shall go into the local authorities' General Revenue Fund. Otherwise,
230 any moneys collected as fines shall be collected for and remitted to the state.

231 ~~(q)~~ (r) The commissioner shall prepare and issue a document to applicants describing the
232 privileges accorded a vehicle having a special registration plate and removable windshield placard
233 as well as the penalties when the vehicle is being inappropriately used as described in this section
234 and shall include the document along with the issued special registration plate or windshield
235 placard. In addition, the commissioner shall issue a separate document informing the general
236 public regarding the new provisions and increased fines being imposed either by way of
237 newspaper announcements or other appropriate means across the state.

238 ~~(r)~~ (s) The commissioner shall propose rules for legislative approval in accordance with
239 the provisions of §29A-3-1 *et seq.* of this code.
