[Introduced January 20, 2022; referred to

1 A BILL to amend and reenact §8-22-24 of the Code of West Virginia, 1931, as amended, relating
2 to modifying police and firemen pension plans for trustees.

Be it enacted by the Legislature of West Virginia:

**ARTICLE 22. RETIREMENT BENEFITS GENERALLY; POLICEMEN'S PENSION AND
RELIEF FUND; FIREMEN'S PENSION AND RELIEF FUND; PENSION PLANS
FOR EMPLOYEES OF WATERWORKS SYSTEM, SEWERAGE SYSTEM OR
COMBINED WATERWORKS AND SEWERAGE SYSTEM.**

§8-22-24. Disability pensions.

1 (a) The monthly sum to be paid to each member eligible for disability received as a
2 proximate result of service rendered in the performance of his or her duties under the provisions
3 of §8-22-23(a) of this code is equal to 60 percent of the monthly salary being received by the
4 member, at the time he or she is so disabled, or the sum of \$500 per month, whichever is greater:
5 Provided, That the limitation provided in subsection (b) of this section is not exceeded.

6 (b) Effective for any member who becomes eligible for disability benefits on or after July
7 1, 1981, under the provisions of §8-22-23a of this code, as a proximate result of service rendered
8 in the performance of the member's duties within such departments, the member's monthly
9 disability payment as provided in subsection (a) of this section may not, when aggregated with
10 the monthly amount of state workers' compensation, result in the disabled member receiving a
11 total monthly income from the sources in excess of 100 percent of the basic compensation which
12 is paid to members holding the same position which the member held within the department at
13 the time of the member's disability. Lump sum payments of state workers' compensation benefits
14 are not considered for purposes of this subsection unless the lump sum payments represent
15 commuted values of monthly state workers' compensation benefits.

16 (c) Any member who has served on active duty with the armed forces of the United States
17 as described in §8-22-27 of this code, whether prior or subsequent to becoming a member of a

18 paid police or fire department covered by the provisions of this article, and who, on July 1, 1986,
19 is receiving or thereafter receives a disability pension, shall receive in addition to the 60 percent
20 or minimum \$500 authorized in subsection (a) of this section, one additional percent for each year
21 served in active military duty, up to a maximum of four additional percent.

22 (d) Beginning on and after April 1, 1991, the monthly sum to be paid to a member who
23 becomes eligible for total disability incurred not in the line of duty is the monthly benefit provided
24 in subsection (a) of this section: *Provided*, That for any person receiving benefits under this
25 subsection who is self-employed or employed by another, there shall be offset against the benefits
26 the amount of \$1 for each \$3 of income derived from self-employment or employment by another:
27 *Provided however*, That a person receiving disability benefits must file a certified copy of his or
28 her tax return on or before April 15 of each year to demonstrate either unemployment or income
29 earned from self-employment or employment by another. If the retirant refuses or is unable to
30 provide the certified copy of his or her tax return by April 15 for the previous year, the trustees of
31 the policemen's pension and relief fund or firemen's pension and relief fund shall hold the
32 member's monthly disability pension in abeyance until the retirant complies: *Provided further*,
33 That there is no offset of benefit for any income derived from self-employment or employment by
34 another when the annual total amount of the income is \$18,200 or less.

35 (e) The \$18,200 limit in subsection (d) of this section shall be automatically increased
36 when the minimum wage, as provided in §21-5C-2 of this code, increases, by the same
37 percentage of the increase in the minimum wage.

NOTE: The purpose of this bill is to modify the police and firemen pension for trustees.
