**2023 REGULAR SESSION**

**ENGROSSED**

## **House Bill 3473**

By Delegates Linville and Maynor

[Introduced February 14, 2023; Referred to the  
Committee on Technology and Infrastructure]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,  
2 designated as §17-2E-10, relating to creating a work group to create procedures and  
3 policies and a plan for the construction of a database with information necessary for  
4 infrastructure maintenance and development, providing a date by which a report must be  
5 given to the Committee on Technology, and providing an effective date.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 2E. DIG ONCE POLICY.**

**§17-2E-10.Workgroup; recommendations.**

1 (a) The Commissioner of the Department of Highways, the Director of Environmental  
2 Protection, a designee of West Virginia 811, and the Director of the State Historic Preservation  
3 Office shall act to create procedures and policies to facilitate development of a unified  
4 clearinghouse with as much publicly accessible data as is practicable. Such data should be that  
5 which would show if along a proposed route for infrastructural development of any kind, there are  
6 any known regulatory concerns for infrastructure, and alternate paths or routes for such project to  
7 take.

8 (b) This workgroup shall develop a plan by which certain individuals who have proper  
9 credentials for access to this database can obtain further details related to any such concerns  
10 identified.

11 (c)(1) The workgroup will be tasked with making recommendations to the Committee on  
12 Technology and Infrastructure not later than January 1, 2024.

13 (2) The effective date of this section is July 1, 2023.

NOTE: The purpose of this bill is to create a work group to create procedures and policies and a plan for the construction of a database with information necessary for infrastructure maintenance and development.
