[Introduced February 14, 2023; Referred

1 A BILL to amend and reenact §18A-4-10 of the Code of West Virginia, 1931, as amended, relating
2 to increasing number of personal leave days an employee may use without regard to the
3 cause for the absence; and providing for use on consecutive days.

Be it enacted by the Legislature of West Virginia:

ARTICLE 4. SALARIES, WAGES AND OTHER BENEFITS.

§18A-4-10. Personal leave for illness and other causes; leave banks; substitutes.

1 (a) Personal Leave.

2 (1) At the beginning of the employment term, any full-time employee of a county board is
3 entitled annually to at least one and one-half days personal leave for each employment month or
4 major fraction thereof in the employee's employment term. Unused leave shall be accumulative
5 without limitation and is transferable within the state. A change in job assignment during the school
6 year does not affect the employee's rights or benefits.

7 (2) A regular full-time employee who is absent from assigned duties due to accident,
8 sickness, death in the immediate family, or life-threatening illness of the employee's spouse,
9 parents or child, or other cause authorized or approved by the board, shall be paid the full salary
10 from his or her regular budgeted salary appropriation during the period which the employee is
11 absent, but not to exceed the total amount of leave to which the employee is entitled.

12 (3) Each employee is permitted to use ~~three~~ four days of leave annually without regard to
13 the cause for the absence: *Provided*, That effective ~~July 1, 2019~~ July 1, 2023, each employee is
14 permitted to use ~~four~~ five days of leave annually without regard to the cause for the absence.
15 Personal leave without cause may not be used on consecutive work days unless authorized or
16 approved by the employee's principal or immediate supervisor, as appropriate, or the employee
17 may provide 14 days notice, and in the case of a teacher, arrange for substitute coverage during
18 the absence. For non-consecutive days, the employee shall give notice of leave without cause to
19 the principal or immediate supervisor at least 24 hours in advance, except that in the case of
20 sudden and unexpected circumstances, notice shall be given as soon as reasonably practicable.

21 The principal or immediate supervisor may deny use of the day if, at the time notice is given, either
22 15 percent of the employees or three employees, whichever is greater, under the supervision of
23 the principal or immediate supervisor, have previously given notice of their intention to use that day
24 for leave. Personal leave may not be used in connection with a concerted work stoppage or strike.
25 Where the cause for leave originated prior to the beginning of the employment term, the employee
26 shall be paid for time lost after the start of the employment term. If an employee uses personal
27 leave which the employee has not yet accumulated on a monthly basis and subsequently leaves
28 the employment, the employee is required to reimburse the board for the salary or wages paid for
29 the unaccumulated leave.

30 (4) The State Board shall maintain a rule to restrict the payment of personal leave benefits
31 and the charging of personal leave time used to an employee receiving a workers' compensation
32 benefit from a claim filed against and billed to the county board by which the person is employed. If
33 an employee is awarded this benefit, the employee shall receive personal leave compensation
34 only to the extent the compensation is required, when added to the workers' compensation benefit,
35 to equal the amount of compensation regularly paid the employee. If personal leave compensation
36 equal to the employee's regular pay is paid prior to the award of the workers' compensation
37 benefit, the amount which, when added to the benefit, is in excess of the employee's regular pay
38 shall be deducted from the employee's subsequent pay. The employee's accrued personal leave
39 days shall be charged only for such days as equal the amount of personal leave compensation
40 required to compensate the employee at the employee's regular rate of pay.

41 (5) The county board may establish reasonable rules for reporting and verification of
42 absences for cause. If any error in reporting absences occurs, the county board may make
43 necessary salary adjustments:

44 (A) In the next pay after the employee has returned to duty; or

45 (B) In the final pay if the absence occurs during the last month of the employment term.

46 (b) Leave Banks.

47 (1) Each county board shall establish a personal leave bank that is available to all school
48 personnel. The board may establish joint or separate banks for professional personnel and school
49 service personnel. Each employee may contribute up to two days of personal leave per school
50 year. An employee may not be coerced or compelled to contribute to a personal leave bank.

51 (2) The personal leave bank shall be established and operated pursuant to a rule adopted
52 by the county board. The rule:

53 (A) May limit the maximum number of days used by an employee;

54 (B) Shall limit the use of leave bank days to an active employee with fewer than five days
55 accumulated personal leave who is absent from work due to accident or illness of the employee;
56 and

57 (C) Shall prohibit the use of days to:

58 (i) Qualify for or add to service for any retirement system administered by the State; or

59 (ii) Extend insurance coverage pursuant to §5-16-13 of this code.

60 (D) Shall require that each personal leave day contributed:

61 (i) Is deducted from the number of personal leave days to which the donor employee is
62 entitled by this section;

63 (ii) Is not deducted from the personal leave days without cause to which a donor employee
64 is entitled if sufficient general personal leave days are otherwise available to the donor employee;

65 (iii) Is credited to the receiving employee as one full personal leave day;

66 (iv) May not be credited for more or less than a full day by calculating the value of the leave
67 according to the hourly wage of each employee; and

68 (v) May be used only for an absence due to the purpose for which the leave was
69 transferred. Any transferred days remaining when the catastrophic medical emergency ends
70 revert back to the leave bank.

71 (3) The administration, subject to county board approval, may use its discretion as to the
72 need for a substitute where limited absence may prevail, when an allowable absence does not:

73 (i) Directly affect the instruction of the students; or

74 (ii) Require a substitute employee because of the nature of the work and the duration of the
75 cause for the absence.

76 (4) If funds in any fiscal year, including transfers, are insufficient to pay the full cost of
77 substitutes for meeting the provisions of this section, the remainder shall be paid on or before the
78 August 31 from the budget of the next fiscal year.

79 (5) A county board may supplement the leave provisions in any manner it considers
80 advisable in accordance with applicable rules of the State Board and the provisions of this chapter
81 and chapter 18 of this code.

82 (c) Effective July 1, 2019, a classroom teacher who has not utilized more than four days of
83 personal leave during the 200-day employment term shall receive a bonus of \$500 at the end of
84 the school year. If the appropriations to the Department of Education for this purpose are
85 insufficient to compensate all applicable classroom teachers, the Department of Education shall
86 request a supplemental appropriation in an amount sufficient to compensate all eligible classroom
87 teachers. This bonus may not be counted as part of the final average salary for the purpose of
88 calculating retirement.

NOTE: The purpose of this bill is to increase the number of personal leave days that county board of education employees may use without regard to the cause for the absence from four to five.
