## **2023 REGULAR SESSION**

**Introduced**

### **Senate Bill 212**

By Senators Woodrum and Caputo

[Introduced January 13, 2023; referred

to the Committee on the Transportation and

Infrastructure; and then to the Committee on Finance]

1 A BILL to amend and reenact §17A-10-3c of the Code of West Virginia, 1931, as amended,  
2 relating to the rebate of \$50 for the registration of hybrid cars.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 10. FEES FOR REGISTRATION, LICENSING, ETC.**

**§17A-10-3c. Additional registration fees for alternative fuel vehicles.**

1 (a) The annual registration fee for a vehicle fueled with hydrogen or natural gas is \$200.

2 (b) The annual registration fee for a vehicle operating on a combination of electricity and  
3 petrochemical fuels is \$100. Beginning July 1, 2023, the \$100 registration paid for vehicles  
4 operating on a combination of electricity and petrochemical fuels shall be refunded each year.

5 (c) The annual registration fee for a vehicle operating exclusively on electricity is \$200.

6 (d) The fees imposed by this section are in addition to any other fee set forth in this article.

NOTE: The purpose of this bill is to establish a rebate for the registration fees for hybrid vehicles so that the registration cost is the same as vehicles fueled by petrochemical fuels.
