

WEST VIRGINIA LEGISLATURE

2023 REGULAR SESSION

Introduced

Senate Bill 269

By Senator Takubo

[Introduced January 17, 2023; referred
to the Committee on Health and Human Resources;
and then to the Committee on Finance]

1 A BILL to amend and reenact §9-5-12a of the Code of West Virginia, 1931, as amended, relating to
 2 increasing the coverage limit; requiring the Department of Health and Human Resources
 3 to require its managed care organizations to provide education to Medicaid enrollees
 4 regarding the availability of coverage; and requiring reporting.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5. MISCELLANEOUS PROVISIONS.

§9-5-12a. Medicaid program; dental care.

1 (a) The following terms are defined:

2 (1) "Cosmetic services" means dental work that improves the appearance of the teeth,
 3 gums, or bite, including, but not limited to, inlays or onlays, composite bonding, dental veneers,
 4 teeth whitening, or braces.

5 (2) "Diagnostic and preventative services" means dental work that maintains good oral
 6 health and includes oral evaluations, routine cleanings, x-rays, fluoride treatment, fillings, and
 7 extractions.

8 (3) "Restorative services" means dental work that involves tooth replacement, including,
 9 but not limited to, dentures, dental implants, bridges, crowns, or corrective procedures such as
 10 root canals.

11 (b) ~~The Department of Health and Human Resources~~ Bureau for Medical Services shall
 12 extend Medicaid coverage to adults age 21 and over covered by the Medicaid program for
 13 diagnostic and preventative dental services and restorative dental services, excluding cosmetic
 14 services. This coverage is limited to ~~\$1,000~~ \$2,000 each budget year. Recipients must pay for
 15 services over the ~~\$1,000~~ \$2,000 yearly limit. No provision in this section shall restrict the
 16 department in exercising new options provided by, or to be in compliance with, new federal
 17 legislation that further expands eligibility for dental care for adult recipients.

18 (c) ~~The Department of Health and Human Resources~~ Bureau for Medical Services is
 19 responsible for the implementation of, and program design for, a dental care system to reduce the

20 continuing harm and continuing impact on the health care system in West Virginia. The dental
21 health system design shall include oversight, quality assurance measures, case management,
22 and patient outreach activities. The ~~Department of Health and Human Resources~~ Bureau for
23 Medical Services shall assume responsibility for claims processing in accordance with established
24 fee schedules and financial aspects of the program necessary to receive available federal dollars
25 and to meet federal rules and regulations. The ~~Department of Health and Human Resources~~
26 Bureau for Medical Services shall seek authority from the Centers for Medicare and Medicaid
27 Services to implement the provisions of this section.

28 (d) The provisions of this section enacted during the 2020 regular legislative session shall
29 only become effective upon approval from the federal Centers for Medicare and Medicaid Services
30 of the provider tax as set forth in §11-27-10a of this code.

31 (e) The Bureau for Medical Services shall conduct a survey of dental rates in the United
32 States and base the rate in West Virginia on the average rate for these services on or before July
33 1, 2024.

34 (f) The Bureau for Medical Services is responsible for requiring its managed care
35 organizations to provide education to Medicaid enrollees on a quarterly basis regarding the
36 availability of the benefits provided in this section beginning July 1, 2023, and ending on July 1,
37 2028. The Bureau for Medical Services shall file an electronic report, via the Legislative web page,
38 on July 1, annually, with the Legislative Oversight Commission on Health and Human Resources
39 Accountability regarding the number of Medicaid enrollees that have accessed the program by
40 year, the number of providers that have joined the program by year, and the top 10 services
41 provided by year.

NOTE: The purpose of this bill is to increase the coverage limit and to require the Department of Health and Human Resource to require its Medicaid managed care organizations to provide education to Medicaid enrollees regarding the availability of benefits provided in this section beginning on July 1, 2024, and to require reporting.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
