146 article and maintain the ability to engage in other gainful employment which exists within the state
147 but which ability would not enable him or her to earn an amount at least equal to two thirds of the
148 average annual compensation earned by all active members of this plan during the plan year
149 ending as of the most recent June 30, as of which plan data has been assembled and used for the

172 starting date.

173 (nn) "Surviving spouse" means the person to whom the member was legally married at the
174 time of the member's death and who survived the member.

175 (oo) "Totally disabled" means a member's inability to engage in substantial gainful activity
176 by reason of any medically determined physical or mental impairment that can be expected to
177 result in death or that has lasted or can be expected to last for a continuous period of not less than

178 12 months. For purposes of this subdivision:

179 (1) A member is totally disabled only if his or her physical or mental impairment or
 180 impairments are so severe that he or she is not only unable to perform his or her previous work as
 181 a deputy sheriff but also cannot, considering his or her age, education and work experience,
 182 engage in any other kind of substantial gainful employment which exists in the state regardless of
 183 whether: (A) The work exists in the immediate area in which the member lives; (B) a specific job
 184 vacancy exists; or (C) the member would be hired if he or she applied for work.

185 (2) "Physical or mental impairment" is an impairment that results from an anatomical,
 186 physiological, or psychological abnormality that is demonstrated by medically accepted clinical
 187 and laboratory diagnostic techniques. A member's receipt of Social Security disability benefits
 188 creates a rebuttable presumption that the member is totally disabled for purposes of this plan.
 189 Substantial gainful employment rebuts the presumption of total disability.

190 (pp) "Year of service". — A member shall, except in his or her first and last years of covered
 191 employment, be credited with year of service credit based upon the hours of service performed as
 192 covered employment and credited to the member during the plan year based upon the following
 193 schedule:

194 Hours of Service	Years of Service Credited
195 Less than 500	0
196 500 to 999	1/3
197 1,000 to 1,499	2/3
198 1,500 or more	1

199 During a member's first and last years of covered employment, the member shall be
 200 credited with one-twelfth of a year of service for each month during the plan year in which the
 201 member is credited with an hour of service. A member is not entitled to credit for years of service
 202 for any time period during which he or she received disability payments under §7-14D-14 or §7-
 203 14D-15 of this code. Except as specifically excluded, years of service include covered

204 employment prior to the effective date. Years of service which are credited to a member prior to his
205 or her receipt of accumulated contributions upon termination of employment pursuant to §7-14D-
206 13 or §5-10-30 of this code, shall be disregarded for all purposes under this plan unless the
207 member repays the accumulated contributions with interest pursuant to §7-14D-13 of this code or
208 had prior to the effective date made the repayment pursuant to §5-10-18 of this code.

NOTE: The purpose of this bill is to raise the retirement rate for deputy sheriffs.
