3 any form thereof, to be conducted, held or given within the state by any club, individual,
4 corporation, or association. As used in this article, the term "boxing" includes any fighting event

7 sparring, or exhibition may be conducted, held, or given within the state except pursuant to the
8 commission's authority and held in accordance with this article. The commission may issue and

16 license fee for all amateur events. No municipal corporation may impose any license tax on

18 respecting municipal taxes and licenses. The granting of a license to a club by the commission, or
19 the holding of a license by a club, individual, corporation, or association, does not prevent the
20 commission from canceling or revoking the license to conduct an event as provided in this section.

21 (b) In exercising its jurisdiction over professional and semiprofessional boxing, and
22 sparring matches, ~~and exhibitions~~, the commission shall follow the current unified rules of boxing
23 adopted by the Association of Boxing Commissions and requirements to enable the proper
24 sanctioning of all participants, referees, judges, and matches or exhibitions and shall cooperate

25 fully with the Association of Boxing Commissions in order that the sanctioning be extended to state
 26 boxers. The commission shall supervise all amateur boxing conducted in this state and any such
 27 contest shall follow the amateur rules for boxing as recommended and adopted by the Association
 28 of Boxing Commissions, U.S.A. Boxing, the International Boxing Association, or any other

 32 participants and the fair and honest conducting of the matches ~~or exhibitions~~ and may refuse to
 33 license any event that poses an unreasonable degree of risk to the participants.

34 (c) In exercising jurisdiction over professional, semiprofessional, and amateur boxing as
 35 well as any other boxing event over which the commission has jurisdiction under §29-5A-3(b) of
 36 this code, the commission may propose rules for legislative approval, in accordance with the
 37 provisions of §29A-3-1 *et seq.* of this code, to implement the provision of this section including:

- 38 (1) Procedures and requirements for the issuance and renewal of licenses;
 39 (2) Exemptions from licensure;
 40 (3) Procedures for fining, suspending, or revoking the license of any holder of a license
 41 issued under this article;
 42 (4) A schedule of licensing fees;
 43 (5) Limitations or restrictions necessary to guarantee the safety of the participants;
 44 (6) Requirements for fair and honest conducting of contests, matches, or exhibitions; and

3 thereof, to be promoted, conducted, held, or given within the state.

4 (b) As used in this article, the term "mixed martial arts" means a combative sporting
5 contest, the rules of which allow two competitors to attempt to achieve dominance over one
6 another by utilizing a variety of techniques including, but not limited to, striking, grappling, and the
7 application of submission holds.

8 (c) A mixed martial arts contest, or match, ~~or exhibition~~ promoted, conducted, held, or
9 given within the state shall be under the commission's authority and be in accordance with the
10 provision of this section. The provisions of this article that apply to boxing shall also apply to mixed
11 martial arts as appropriate.

12 (d) In exercising its jurisdiction over professional and amateur mixed martial arts contests,
13 and matches, ~~and exhibitions~~, the commission shall follow the current unified rules of mixed
14 martial arts as adopted by the Association of Boxing Commissions to enable the proper
15 equipment, fighting area and weight classes to ensure the safety of contestants and ensure the
16 licensing of all participants, referees, and judges, and the approval of contests, or matches, ~~or~~
17 ~~exhibitions~~ conducted under the provisions of this section.

18 (e) The commission may issue and revoke a license to promote, conduct, hold, or give
19 mixed martial arts contests, or matches, ~~or exhibitions~~ and may issue and revoke a license to be a
20 contestant. Each license is subject to the provisions of this section and this article and the rules of

33 (6) Limitations or restrictions necessary to guarantee the safety of the participants;

34 (7) The requirements for fair and honest conducting of the contests, or matches ~~or~~
35 ~~exhibitions~~; and

37 (g) Notwithstanding the provisions of this code to the contrary, a municipality may not
38 impose a municipal license tax under §8-13-4 of this code on mixed martial arts clubs. The
39 granting of a license to a club by the commission, or the holding of a license by a club, individual,
40 corporation, or association, does not prevent the commission from revoking the license to conduct
41 an event as provided in this section: *Provided*, That nothing in this subsection limits the authority of
42 a municipality to impose any other taxes or fees on mixed martial arts contests, or matches, ~~or~~
43 ~~exhibitions~~ pursuant to §8-13-1 *et seq.* of this code.

17 were collected.

§29-5A-4. Licenses to be in lieu of all other licenses.

1 The licenses herein imposed shall be in lieu of all other licenses or license taxes of the
2 State of West Virginia, and no county, city, town, or other municipality or other political subdivision
