1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,  
 2 designated §3-5-5; and to amend and reenact §3-5-13 of the Code of West Virginia, 1931,  
 3 as amended, relating to the nomination and election of candidates for U.S. Congress;  
 4 setting forth legislative findings and purpose; defining terms; setting forth residency  
 5 requirements for candidacy; providing for legal standing to enforce and defend statute;  
 6 establishing penalties; and clarifying the form and content of the ballot for an election to  
 7 represent a Congressional district.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 5. PRIMARY ELECTIONS AND NOMINATING PROCEDURES**

**§3-5-5. Nomination and election of candidates for United States Congress.**

1 Repealed.

2 (a) Legislative findings and purpose. —The Legislature finds that it is consistent with the  
 3 requirements of the West Virginia Constitution that no person shall be a candidate appearing on  
 4 the ballot for nomination or election for House of Representatives in the United States Congress  
 5 without having been a resident of the congressional district for one-year next preceding his or her  
 6 election. To the extent that any subsection, subdivision, provision, clause, or phrase of this section  
 7 or the application thereof to any person or circumstance is held unconstitutional or invalid, or in the  
 8 event that a non-resident of a congressional district office is permitted to appear on the ballot for  
 9 nomination or election to such office, the supplemental purpose of this section is to ensure that  
 10 information about a candidate's residency status is clearly available to voters at such elections.

11 (b) Definitions. — As used in this section, the following words and terms shall have the  
 12 following meaning:

13 (1) "Congressional district" means a specific geographic area that is permitted to elect a  
 14 member of the U.S. House of Representatives under the laws of this state and pursuant to Article I,  
 15 Section 2 of the U.S. Constitution;

16

17 (2) "Resident of Congressional district" means a person who has established and  
18 maintained a primary residence within the geographic boundaries of that Congressional district for  
19 one year next preceding his or her election.

20 (c) *Residence requirement for candidacy.*— No person in this state shall be eligible to  
21 appear upon a ballot in any primary or general election as a printed candidate to secure a seat for  
22 House of Representatives in the Congress of the United States who has not previously  
23 established and maintained a primary residence within the Congressional district from which he or  
24 she is to be elected for at least one year next preceding his or her election in accordance with the  
25 requirements of this section. For purposes of this section:

26 (1) In order to appear on the ballot in a primary election to be nominated to represent a  
27 Congressional district, a candidate shall file with the Secretary of State a certificate of  
28 announcement in accordance with §3-5-7 of this code and certifying their present status as a  
29 resident of the applicable Congressional district with a present intention to remain a resident for  
30 the duration of his or her candidacy, and, if ultimately elected, for the full term of the office sought.

31 (2) In order to appear on the ballot in a general election to represent a Congressional  
32 district, a person who was not already a certified candidate in the primary election shall file a  
33 certificate of announcement or nomination certificate, as required by the provisions of this chapter,  
34 certifying their present status as a resident of the applicable Congressional district with a present  
35 intention to remain a resident for the duration of his or her candidacy and, if elected, for the full  
36 term of the office sought.

37 (3) A person shall not be considered to have "established and maintained a primary  
38 residence" within a Congressional district unless such person is legally domiciled within the district  
39 for the purposes of voting for the entirety of the required residency period.

40 (d) *Applicability.* —The provisions of this section shall apply to any person who files for a  
41 seat for House of Representatives in the Congress of the United States for either the primary or  
42 general election held in the year 2026 and every primary and general election held thereafter:

43 (1) Any and all persons who file to appear on the ballot for a seat for House of  
44 Representatives in the Congress of the United States must certify, in accordance with §3-5-5(c)(2)  
45 and §3-5-7 of this code, that they meet the residency requirements of §3-5-5(c) of this code prior to  
46 the primary or general election;

47 (2) Any elector shall have standing to enforce this section, by mandamus or in any other  
48 manner in the courts of this state, against the Secretary of State in the event that a candidate  
49 failing to meet the residency requirements of this section is permitted to file to seek a nomination or  
50 election to represent the elector's Congressional district: *Provided*, That any pre-election eligibility  
51 challenge shall be brought and resolved no later than 30 days after the last day to file a certificate  
52 of announcement for any candidate seeking nomination or election to represent the elector's  
53 Congressional district, or no later than 78 days before the general election for any candidate  
54 nominated at the primary election or other nominations by a political party in accordance with §3-5-  
55 1, *et seq.* of this code.

56 (3) Any person who is prohibited from filing to appear as a candidate for nomination or  
57 election to represent a Congressional district due to a lack of residency shall have immediate  
58 standing in the courts of this state to challenge this legislation by filing a civil action in the courts of  
59 this state against the Secretary of State on the federal question of whether it amounts to an  
60 unconstitutional qualification to a congressional office;

61 (4) Any legal challenge filed in the courts of this state pursuant to §3-5-5(d)(2) or (3) of this  
62 code shall be heard and determined in accordance with the court proceedings set forth in §3-1-45  
63 of this code;

64 (5) The Attorney General shall vigorously defend any and all challenged portions of this  
65 section, in the courts of this state or of the United States, as an exercise of an important and  
66 fundamental state interest. In any action commenced in a court of this state, any elector residing  
67 within the Congressional district of the applicable office, or either or both chambers of the  
68 Legislature, should be deemed to have standing to be party to such litigation, and should be

69 permitted by the court to intervene if they are not already parties to such litigation; and

70 (6) For every primary and general election held in the year after the reapportionment of the  
71 counties of this state into Congressional districts following a decennial census, a candidate must  
72 actually reside in the new district he or she seeks to serve by the day of the general election  
73 immediately following the reapportionment.

74 (f) Penalties. – Any person who knowingly provides false information on a certificate to  
75 establish residency for purposes of securing a seat for House of Representatives in the Congress  
76 of the United States is guilty of false swearing, punishable in accordance with §3-9-3 of this code,  
77 and shall be ineligible to appear as a printed candidate on a ballot in any election for any public  
78 office for a period of five years from the date of the false submission.

79 (g) Severability. – If any provision of this section, or the application thereof to any person or  
80 circumstance is held invalid, the invalidity shall not affect the other provisions or applications of this  
81 section, and to this end the provisions of this section are declared to be severable.

**§3-5-13. Form and contents of ballots.**

1 The following provisions apply to the form and contents of election ballots:

2 (1) The face of every primary election ballot shall conform as nearly as practicable to that  
3 used at the general election.

35 office shall be printed by division without references to political party affiliation or registration.

36 (B) The ballot title of any separate paper ballot or portion of any electronic or voting  
37 machine ballot for the Board of Education is to contain the words "Nonpartisan Ballot of Election of  
38 Members of the \_\_\_\_\_ County Board of Education". The districts for which fewer than

39 two candidates may be elected and the number of available seats are to be specified and the  
40 names of the candidates are to be printed without reference to political party affiliation and without  
41 designation as to a particular term of office.

42 (C) Any other ballot or portion of a ballot on a question is to have a heading which clearly  
43 states the purpose of the election according to the statutory requirements for that question.

44 (3) (A) For paper ballots, the heading of the ballot is to be separated from the rest of the  
45 ballot by heavy lines and the offices shall be arranged in columns with the following headings, from  
46 left to right across the ballot: "National Ticket", "State Ticket", "Nonpartisan Judicial Ballot",  
47 "County Ticket", "Nonpartisan Ballot" in a nonpresidential election year, "District Ticket" or, in a  
48 presidential election year, "National Convention". The columns are to be separated by heavy lines.  
49 Within the columns, the offices are to be arranged in the order prescribed in §3-5-13a of this code.

50 (B) For voting machines, electronic voting devices and any ballot tabulated by electronic  
51 means, the offices are to appear in the same sequence as prescribed in §3-5-13a of this code and  
52 under the same headings as prescribed in paragraph (A) of this subdivision. The number of pages,  
53 columns or rows, where applicable, may be modified to meet the limitations of ballot size and  
54 composition requirements subject to approval by the Secretary of State.

55 (C) The title of each office is to be separated from preceding offices or candidates by a line  
56 and is to be printed in bold type no smaller than eight point. Below the office is to be printed the  
57 number of the district, if any, the number of the division, if any, and the words "Vote for \_\_\_\_\_"  
58 with the number to be nominated or elected or "Vote For Not More Than \_\_\_\_\_" in  
59 multicandidate elections. For offices in which there are limitations relating to the number of  
60 candidates which may be nominated, elected or appointed to or hold office at one time from a  
61 political subdivision within the district or county in which they are elected, there is to be a clear  
62 explanation of the limitation, as prescribed by the Secretary of State, printed in bold type  
63 immediately preceding the names of the candidates for those offices on the ballot in every voting  
64 system. For counties in which the number of county commissioners exceeds three and the total

65 number of members of the county commission is equal to the number of magisterial districts within  
66 the county, the office of county commission is to be listed separately for each district to be filled  
67 with the name of the magisterial district and the words "Vote for One" printed below the name of  
68 the office: *Provided*, That the office title and applicable instructions may span the width of the ballot  
69 so as it is centered among the respective columns.

70 (D) The location for indicating the voter's choices on the ballot is to be clearly shown. For  
71 paper ballots, other than those tabulated electronically, the official primary ballot is to contain a  
72 square formed in dark lines at the left of each name on the ballot, arranged in a perpendicular  
73 column of squares before each column of names.

74 (4) (A) The name of every candidate certified by the Secretary of State or the board of  
75 ballot commissioners is to be printed in capital letters in no smaller than eight point type on the  
76 ballot for the appropriate precincts. Subject to the rules promulgated by the Secretary of State, the  
77 name of each candidate is to appear in the form set out by the candidate on the certificate of  
78 announcement, but in no case may the name misrepresent the identity of the candidate nor may  
79 the name include any title, position, rank, degree, or nickname implying or inferring any status as a  
80 member of a class or group or affiliation with any system of belief.

81 (B) The city of residence of every candidate, the state of residence of every candidate  
82 residing outside the state, the county of residence of every candidate for an office on the ballot in  
83 more than one county and the magisterial district of residence of every candidate for an office  
84 subject to magisterial district limitations are to be printed in lower case letters beneath the names  
85 of the candidates: Provided, That in the event that a candidate is permitted to appear on the ballot  
86 for an election to represent a Congressional district in accordance with an order of a court of  
87 competent jurisdiction on the basis that the provisions of §3-5-5 of this code may conflict with  
88 federal law, then the following ballot notation shall appear parenthetically where applicable next to  
89 the name of the candidate for the Congressional district: "Residency in district undetermined prior  
90 to this election."

91 (C) The arrangement of names within each office must be determined as prescribed in §3-  
92 5-13a of this code.

93 (D) If the number of candidates for an office exceeds the space available on a column or  
94 ballot page and requires that candidates for a single office be separated, to the extent possible, the  
95 number of candidates for the office on separate columns or pages are to be nearly equal and clear  
96 instructions given the voter that the candidates for the office are continued on the following column  
97 or page.

98 (5) When an insufficient number of candidates has filed for a party to make the number of  
99 nominations allowed for the office or for the voters to elect sufficient members to the Board of  
100 Education or to executive committees, the vacant positions on the ballot shall be filled with the  
101 words "No Candidate Filed": *Provided*, That in paper ballot systems which allow for write-ins to be  
102 made directly on the ballot, a blank line shall be placed in any vacant position in the office of Board  
103 of Education or for election to any party executive committee. A line shall separate each candidate  
104 from every other candidate for the same office. Notwithstanding any other provision of this code, if  
105 there are multiple vacant positions on a ballot for one office, the multiple vacant positions which  
106 would otherwise be filled with the words "No Candidate Filed" may be replaced with a brief detailed  
107 description, approved by the Secretary of State, indicating that there are no candidates listed for  
108 the vacant positions.

109 (6) In presidential election years, the words "For election in accordance with the plan  
110 adopted by the party and filed with the Secretary of State" is to be printed following the names of all  
111 candidates for delegate to national convention.

112 (7) All paper ballots are to be printed in black ink on paper sufficiently thick so that the  
113 printing or marking cannot be discernible from the back: *Provided*, That no paper ballot voted  
114 pursuant to the provisions of 42 U. S. C. §1973, *et seq.*, the Uniformed and Overseas Citizens  
115 Absentee Voting Act of 1986, or federal write-in absentee ballot may be rejected due to paper type,  
116 envelope type, or notarization requirement. Ballot cards and paper for printing ballots using

117 electronically sensible ink are to meet minimum requirements of the tabulating systems and are to  
118 conform in size and weight to ensure ease in tabulation.

119 (8) Ballots are to contain perforated tabs at the top of the ballots and are to be printed with  
120 unique sequential numbers from one to the highest number representing the total number of  
121 ballots printed. On paper ballots, the ballot is to be bordered by a solid line at least one sixteenth of  
122 an inch wide and the ballot is to be trimmed to within one-half inch of that border.

123 (9) On the back of every official ballot or ballot card the words "Official Ballot" with the name  
124 of the county and the date of the election are to be printed. Beneath the date of the election there  
125 are to be two blank lines followed by the words "Poll Clerks".

126 (10) The face of sample paper ballots and sample ballot labels are to be like other official  
127 ballots or ballot labels except that the word "sample" is to be prominently printed across the front of  
128 the ballot in a manner that ensures the names of candidates are not obscured and the word  
129 "sample" may be printed in red ink. No printing may be placed on the back of the sample.

NOTE: The purpose of this bill is to establish residency requirements for candidates seeking nomination and election to United States Congress.
