 10 manufacturing business that is subject to the tax imposed under §11-24-1 *et seq.* of this code, or
 11 any manufacturing business that is a pass through entity, the owners or interest holders of which
 12 are subject to the tax imposed under §11-24-1 *et seq.* of this code, on the conduit income thereof

29 reduce the severance tax, imposed under §11-13A-1 et seq. of this code and the corporation net
30 income tax imposed under §11-24-1 et seq. of this code, and §11-21-1 et seq. of this code, in that
31 order, subject to the following conditions and limitations:

32 (1) The amount of credit allowable is applied over a 10-year period, at the rate of one-tenth
33 thereof per taxable year, beginning with the taxable year in which the property purchased for
34 manufacturing investment is first placed in service or use in this state;

35 (2) Severance tax. — The credit is applied to reduce the severance tax imposed under
36 §11-13A-1 et seq. of this code (determined before application of the credit allowed by §11-12B-3 of
37 this code and before any other allowable credits against tax and before application of the annual
38 exemption allowed by §11-13A-10 of this code). The amount of annual credit allowed may not
39 reduce the severance tax, imposed under §11-13A-1 et seq. of this code, below 50 percent of the
40 amount which would be imposed for such taxable year in the absence of this credit against tax:
41 *Provided*, That for tax years beginning on and after January 1, 2009, the amount of annual credit
42 allowed may not reduce the severance tax, imposed under §11-13A-1 et seq. of this code, below
43 40 percent of the amount which would be imposed for such taxable year in the absence of this

44 credit against tax. When in any taxable year the taxpayer is entitled to claim credit under this article
45 and §11-13D-1 *et seq.* of this code, the total amount of all credits allowable for the taxable year
46 may not reduce the amount of the severance tax, imposed under §11-13A-1 *et seq.* of this code,
47 below 50 percent of the amount which would be imposed for such taxable year (determined before
48 application of the credit allowed by §11-12B-3 of this code and before any other allowable credits
49 against tax and before application of the annual exemption allowed by §11-13A-10 of this code):
50 *Provided, however,* That when in any taxable year beginning on and after January 1, 2009, the
51 taxpayer is entitled to claim credit under this article and §11-13D-1 *et seq.* of this code, the total
52 amount of all credits allowable for the taxable year may not reduce the amount of the severance
53 tax imposed under §11-13A-1 *et seq.* of this code, below 40 percent of the amount which would be
54 imposed for such taxable year as determined before application of the credit allowed by §11-12B-3
55 of this code and before any other allowable credits against tax and before application of the annual
56 exemption allowed by §11-13A-10 of this code;

57 (3) Corporation net income tax. —

58 After application of subdivision (2) of this subsection, any unused credit is next applied to
59 reduce the corporation net income tax imposed under §11-24-1 *et seq.* of this code (determined
60 before application of any other allowable credits against tax). The amount of annual credit allowed
61 will not reduce corporation net income tax, imposed under §11-24-1 *et seq.* of this code, below 50
62 percent of the amount which would be imposed for such taxable year in the absence of this credit
63 against tax: *Provided,* That for tax years beginning on and after January 1, 2009, the amount of
64 annual credit allowed will not reduce corporation net income tax, imposed under §11-24-1 *et seq.*
65 of this code, below 40 percent of the amount which would be imposed for such taxable year in the
66 absence of this credit against tax. When in any taxable year the taxpayer is entitled to claim credit
67 under this article and §11-13D-1 *et seq.* of this code, the total amount of all credits allowable for the
68 taxable year may not reduce the amount of the corporation net income tax, imposed under §11-24-
69 1 *et seq.* of this code, below 50 percent of the amount which would be imposed for the taxable year

70 (determined before application of any other allowable credits against tax): *Provided, however,*
71 That when in any taxable year beginning on and after January 1, 2009, the taxpayer is entitled to
72 claim credit under this article and §11-13D-1 *et seq.* of this code, the total amount of all credits
73 allowable for the taxable year may not reduce the amount of the corporation net income tax,
74 imposed under article §11-24-1 *et seq.* of this code, below 40 percent of the amount which would
75 be imposed for the taxable year as determined before application of any other allowable credits
76 against tax;

77 (4) Pass-through entities, personal income tax, proprietorships. —

78 (A) If the eligible taxpayer is a limited liability company, small business corporation or a
79 partnership, then any unused credit (after application of subdivisions (2) and (3) of this subsection)
80 is allowed as a credit against the taxes imposed by §11-24-1 *et seq.* of this code on owners of the
81 eligible taxpayer on the conduit income directly derived from the eligible taxpayer by its owners.
82 Only those portions of the tax imposed by §11-24-1 *et seq.* of this code that are imposed on
83 income directly derived by the owner from the eligible taxpayer are subject to offset by this credit.

84 (B) The amount of annual credit allowed will not reduce corporation net income tax,
85 imposed under §11-24-1 *et seq.* of this code, below 50 percent of the amount which would be
86 imposed on the conduit income directly derived from the eligible taxpayer by each owner for such
87 taxable year in the absence of this credit against the taxes (determined before application of any
88 other allowable credits against tax): *Provided,* That for tax years beginning on and after January 1,
89 2009, the amount of annual credit allowed will not reduce corporation net income tax, imposed
90 under §11-24-1 *et seq.* of this code, below 40 percent of the amount which would be imposed on
91 the conduit income directly derived from the eligible taxpayer by each owner for such taxable year
92 in the absence of this credit against the taxes as determined before application of any other
93 allowable credits against tax.

94 (C) When in any taxable year the taxpayer is entitled to claim credit under this article and
95 §11-13D-1 *et seq.* of this code, the total amount of all credits allowable for the taxable year will not

96 reduce the corporation net income tax imposed on the conduit income directly derived from the
97 eligible taxpayer by each owner below 50 percent of the amount that would be imposed for such
98 taxable year on the conduit income (determined before application of any other allowable credits
99 against tax): *Provided*, That when in any taxable year beginning on and after January 1, 2009, the
100 taxpayer is entitled to claim credit under this article and §11-13D-1 *et seq.* of this code, the total
101 amount of all credits allowable for the taxable year will not reduce the corporation net income tax
102 imposed on the conduit income directly derived from the eligible taxpayer by each owner below 40
103 percent of the amount that would be imposed for such taxable year on the conduit income as
104 determined before application of any other allowable credits against tax;

105 (D) For tax years beginning on and after January 1, 2024, if the eligible taxpayer is a limited
106 liability company, small business corporation or a partnership, then any unused credit (after
107 application of subdivisions (2) and (3) of this subsection) is allowed as a credit against the taxes
108 imposed by §11-21-1 *et seq.* of this code on owners of the eligible taxpayer on the conduit income
109 directly derived from manufacturing activity of the eligible taxpayer by its owners. Only those
110 portions of the tax imposed by §11-21-1 *et seq.* of this code on the income of each owner directly
111 derived from the manufacturing activity of the eligible taxpayer are subject to offset by this credit.

112 (E) The amount of annual credit allowed may not reduce personal income tax, imposed
113 under §11-21-1 *et seq.* of this code, below 40 percent of the amount that would be imposed on the
114 conduit income directly derived from manufacturing activity of the eligible taxpayer by each owner
115 for such taxable year in the absence of this credit against the taxes as determined before
116 application of any other allowable credits against tax.

117 (F) For tax years beginning on and after January 1, 2024, if the eligible taxpayer is a sole
118 proprietorship, then any unused credit (after application of subdivisions (2) and (3) of this
119 subsection) is allowed as a credit against the taxes imposed by §11-21-1 *et seq.* of this code on
120 income directly derived from manufacturing activity by the eligible taxpayer. Only those portions of

121 the tax imposed by §11-21-1 et seq. of this code on income of the owner directly derived from
122 manufacturing activity are subject to offset by this credit.

123 (G) The amount of annual credit allowed may not reduce personal income tax, imposed
124 under §11-21-1 et seq. of this code, below 40 percent of the amount that would be imposed on the
125 conduit income directly derived from manufacturing activity of the eligible taxpayer for such
126 taxable year in the absence of this credit against the taxes as determined before application of any
127 other allowable credits against tax.

128 (5) Small business corporations, limited liability companies, partnerships and other
