Executive Communications

Senator Cole (Mr. President) laid before the Senate the following communication from His Excellency, the Governor:

STATE OF WEST VIRGINIA
OFFICE OF THE GOVERNOR
CHARLESTON

January 22, 2015

The Honorable William P. Cole III
President, West Virginia Senate
The Honorable Tim Armstead
Speaker, West Virginia House of Delegates
State Capitol
Charleston, West Virginia

Dear President Cole and Speaker Armstead:

My recommended FY 2016 Executive Budget, which was submitted on January 14, 2015, included retirement contributions based on the best estimates available at that time. Those estimated

retirement contribution numbers have been updated and the final contribution amounts for West Virginia's retirement systems are now available. Due to these changes in the final actuarial valuations for the Teachers' Defined Benefit System (TRS), State Police Retirement System, and Public Employees Retirement System (PERS), various line items throughout the Budget Bill can be adjusted.

These adjustments amount to a net decrease of \$43,927,000 in the required contributions for the various retirement systems in FY 2016 for the General Revenue and Lottery Funds.

I recommend that all of these available funds be appropriated for the Medicaid program which will reduce the appropriation in the FY 2016 budget from the Revenue Shortfall Reserve Fund by \$43,927,000. This will minimize the usage of the fund and maintain a healthy reserve balance, which, among others, is a factor in the State's bond rating.

Therefore, pursuant to Section 51, Article VI of the Constitution of the State of West Virginia, I submit revisions to the FY 2016 Budget Bill for the TITLE II – APPROPRIATIONS as follows:

Section 1. Appropriations from general revenue.

Senate Concurrent Resolution No. 11—Requesting the Joint Committee on Government and Finance study workplace safety for employees at state-operated behavioral health facilities.

Whereas, The State of West Virginia operates two hospitals dedicated to the care of patients with acute and chronic psychiatric illnesses, and operates additional facilities providing long-term and residential care for patients with complex behavioral, developmental and emotional needs; and

Whereas, Well-trained and experienced personnel are an essential component to the provision of quality care for these patients; and

Whereas, Some patients with psychiatric, behavioral, developmental or emotional conditions may become aggressive and violent at times, often in unpredictable ways, and these types of behaviors pose a significant risk to the health and safety of the employees and to other patients in the health facilities; and

Whereas, Many of the patients in the state's psychiatric hospitals have been committed through the criminal justice system after having allegedly committed violent crimes and the psychiatric hospitals do not have the authority to refuse to receive these patients or defer their care to another institution; and

Whereas, During the 2014 calendar year, worker injuries due to assaults by patients at the state's two psychiatric hospitals resulted in 98 medical claims and 789 lost work hours; and

Whereas, Considerable time and attention have been devoted to the articulation and awareness of the rights of patients in behavioral health facilities, but there has been significantly less attention given to the rights of the health care workers to a safe and reasonable work environment and to development of procedures, programs and options for the safety of these health care workers; and

Whereas, The Legislature's Joint Committee on Labor and Worker Safety Issues began to study the general issue of employee safety in all state hospitals during the Legislature's interim period of 2014-2015 and, in the process, became more fully aware of the difficult and sometimes conflicting legal, administrative and educational requirements that affect the safety of health care workers in our state's behavioral health facilities; and

Whereas, The Joint Committee on Labor and Worker Safety Issues has recommended that the Joint Committee on Government and Finance devote further study dedicated to all issues relating to

the safety of workers in state-operated behavioral health facilities; therefore, be it

Resolved by the Legislature of West Virginia:

That the Legislature hereby requests the Joint Committee on Government and Finance study workplace safety for employees at state-operated behavioral health facilities; and, be it

Further Resolved, That the Joint Committee on Government and Finance is hereby requested to study all matters relating to the safety of health care workers in state-operated behavioral health facilities, including education, training, staffing levels (acuity), hiring processes, root cause analyses, response times, incident and injury statistics, work loss and other costs of worker injuries, methods for better communication between staff and supervisors and all other material and issues relevant to this topic; and, be it

Further Resolved, That if the Joint Committee on Government and Finance finds it appropriate, this study be referred to a subcommittee created for this purpose and dedicated to this topic; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2016, on its findings, conclusions and recommendations, together with drafts of any legislation necessary to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report and to draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

Which, under the rules, lies over one day.

Senators Leonhardt, Facemire, Kessler, D. Hall and Plymale offered the following resolution:

Senate Resolution No. 11—Recognizing the counties of Calhoun and Gilmer for their many contributions to the State of West Virginia.

Whereas, Calhoun County was created in 1856 from Gilmer County and was named for John C. Calhoun, eminent statesman of South Carolina; and

Whereas, Gilmer County was formed in 1845 from parts of Lewis County and Kanawha County and was named for Thomas Walker Gilmer, Governor of Virginia, 1840-1841, and later a representative in Congress and Secretary of the Navy in President Tyler's cabinet; and

Whereas, Calhoun County is located on the Allegheny Plateau, where its leading industries include petroleum, natural gas, coal, lumber and RPR Industries, and is surrounded by livestock and dairy farms, as well as fruit and tobacco farms; and

Whereas, Gilmer County is centrally located in West Virginia on the Allegheny Plateau and is known for its oil and natural gas wells, livestock, fruit, potatoes, corn and timber; and

Whereas, Calhoun and Gilmer counties play an important role in the history, culture, economic development and future development in the State of West Virginia; and

Whereas, It is fitting to recognize the contributions of Calhoun and Gilmer counties to the State of West Virginia as their citizens converge on the Capitol to share their accomplishments, aspirations and concerns with lawmakers; therefore, be it

Resolved by the Senate:

That the Senate hereby recognizes the counties of Calhoun and Gilmer for their many contributions to the State of West Virginia; and, be it

Further Resolved, That the Senate hereby acknowledges the accomplishments and successes of Calhoun and Gilmer counties and their citizens, and encourages them to continue their contributions to the State of West Virginia, as we strive to reach our potential; and, be it

Further Resolved, That the Clerk is hereby directed to forward a copy of this resolution to the appropriate representatives from Calhoun and Gilmer counties.
