Re: Enrolled Senate Bill 437

Dear Speaker Armstead:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute to Senate Bill 437 because legal challenge to this legislation, would put the state's FY2018 budget in jeopardy, and for the substantial loss of employment to our citizens. My top priority is to create jobs, not lose them. Senate Bill 347 is job-killing legislation, and therefore I reject it.

The bill would decimate the greyhound racing industry, cost hardworking people their jobs and turn away tourists to our great state. Dog racing brought the casinos into existence; not the other way around. It is not right to go back on the promise that was made to the people of West Virginia and shut down the state's dog tracks.

Because voters in the affected counties authorized the passage of video lottery (slots) and table games through a local option election, citizens of those affected counties could challenge whether the Legislature can unilaterally and without local voter approval, authorize slots and gaming to continue at a free-standing casino with no licensed pari-mutuel racing. Further legal challenge, I believe will come from the casinos themselves, in the unconstitutional unequal treatment of casinos with no racing events from those that are required to hold racing events in order to a license. These

challenges would jeopardize the continuation of video lottery and pari-mutuel racing revenues in our state, which could impact the July 1, 2017 state budget.

I cannot support any legislation that would jeopardize the health of the state's casino industry, the state's FY2018 budget and the livelihood of so many of our citizens.

For the foregoing reasons, I disapprove and return the bill.

Sincerely,

Jim Justice,  
*Governor.*

Re: Enrolled Senate Bill 347

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return the Enrolled Committee Substitute to Senate Bill 347. This bill strikes the existing requirement that a physician assistant must maintain National Commission on Certification of Physician Assistants certification as a condition of renewal of their licensure, while also allowing physician assistants to work in "collaboration" with rather than under the "supervision" of a physician. The unfortunate effect of this bill is that it weakens existing professional safeguards governing the medical knowledge and skills of physician assistants that have been serving the public interest for years, even as it grants greater autonomy to physician assistants.

My first objection to the Bill is the striking of the following language from West Virginia Code § 30-3E-4:

**“(5) Has a current certification from the National Commission on Certification of Physician Assistants;”**

My second objection to the Bill is striking of the following language from West Virginia Code § 30-3E-6:

**“(3) Proof that he or she is currently certified and has been continuously certified during the preceding licensure period by the National Commission on Certification of Physician Assistants; and”**

I appreciate the importance of enabling physician assistants to practice to the fullest extent of their training and of promoting patient access to health care. However, if the goal of the Bill is to modernize physician assistant practice to reflect current needs, we must also ensure that patients continue to receive treatment by health care providers who are operating with current clinical knowledge. By removing the state’s requirement that physician assistants maintain national certification as a condition of renewing their license, the interests of West Virginia patients are not being protected as strongly as they should be.

For the following reasons, I disapprove and return the Enrolled Committee Substitute for Senate Bill 347.

Sincerely,

Jim Justice,

Re: Enrolled Committee Substitute for House Bill 2018

Dear Secretary Warner:

Pursuant to section fifty-one, article IV of the Constitution of the State of West Virginia, I hereby veto Enrolled Committee Substitute for House Bill 2018 (the “Budget Bill”) in its entirety.

When I presented my vision for West Virginia during the State of the State address in February, I submitted a proposed budget for fiscal year 2018 (“FY2018”) that not only was balanced but guaranteed that we would “Save Our State” and not kill the patient. My proposed budget responsibly addressed the \$497 million hole currently projected for FY2018 and would have put West Virginia on a pathway to prosperity.

I am proud of the fact that my proposed budget for FY2018 did not take one penny from the Revenue Shortfall Reserve Fund (“Rainy Day Fund”). It ensured that all sectors of the State would participate in solving our budget crisis and would jump-start the economy with approximately 48,000

new jobs by investing in our roads and bridges. The Budget Bill presented to me today bears no resemblance to my original proposal. It is a reckless spending plan that guarantees future budget shortfalls just one year from now and every year thereafter.

Moreover, it relies on revenue from bills that I have vetoed or did not pass. Among other measures, the Budget Bill irresponsibly uses \$225 million in one-time money, including \$90 million from the Rainy Day Fund to “balance” the FY2018 budget. The Budget Bill includes minimal revenue enhancements and does not address, to any meaningful extent, the structural hole that we face.

The Legislature’s spending plan will not save the patient. The Budget Bill that I am vetoing today only kicks the can further down the road. It does not give our classroom teachers a pay raise, nor does it boost investments in infrastructure or tourism. Not only does it not create the 48,000 jobs, it does not create one job. In fact, it creates an even bigger hole in the bucket. Quite simply, the Budget Bill has no tools to jump-start our economy. It even abandons the most vulnerable population of our State by cutting the Medicaid program without any plan to make it whole again in the future.

Finally, the Budget Bill’s effective date is problematic because the Legislature did not secure the votes to make it effective from passage. The bill does not become effective until July 8, 2017, over a week into the fiscal year. Notwithstanding assurances to the contrary, this will cause a state government shutdown. Perhaps that was the leadership in the Legislature’s goal, but it is a nonstarter for me. We must all work together, not as Republicans and Democrats, but as West Virginians, to enact a bipartisan budget that is in place starting July 1, 2017.

I hereby veto the Budget Bill in its entirety. There is time, however, for compromise and responsible action. Let’s get serious. Let’s get to work.

Sincerely,

Jim Justice,

Re: Enrolled Committee Substitute for Senate Bill 248

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for Senate Bill 248. This bill purports to clarify the composition and chairmanship of the Commission on Special Investigations. It exhibits,

however, certain technical flaws which may compromise future investigations and actions by the Commission on Special Investigations.

This bill is technically flawed because its title is defective. See *State ex rel. Davis v. Oakley*, 156 W. Va. 154, 191 S.E.2d 610 (1972) (requiring bill title to provide notice of bill's contents). Specifically, there are two sections that are not reflected in the title: (1) That the director may issue subpoenas on the Commission's behalf, (P. 6, line 16-17) and (2) that the agency head is required to appear before the Commission to answer why an employee has failed to appear or failed to produce requested or subpoenaed material and address the basis for failure to comply. (P. 6, line 26-30).

As a result of these issues, I disapprove and return Enrolled Committee Substitute for Senate Bill 248.

Sincerely,

Jim Justice,  
Governor.

Re: Enrolled Senate Bill 28

Dear Secretary Warner:

Pursuant to the provisions of Section Fourteen, Article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Senate Bill 28.

Enrolled Senate Bill No. 28 permits unrestricted recreational trail development anywhere in West Virginia where two or more contiguous counties show an interest in establishing a new recreational trail system. The stated legislative purpose of Enrolled Senate Bill No. 28 is to promote economic development through recreational trail development. However, I have concerns that this bill will not achieve the desired outcome and may actually work against its stated purpose.

We have already learned from the skiing and whitewater rafting industries that there is not an unlimited demand for recreational activities. Unlimited and unrestricted State sponsored recreational trail development would create an environment where you might increase total ridership, but actually decrease economic development by spreading those riders and visitors over a much broader geographic area. Before private capital will be brought to the marketplace in support of a recreational trail system, a density of trail ridership must be demonstrated and sustained over a period of years to warrant the investment.

The State and private sector have already invested millions of dollars in existing recreational trail systems and those public and private dollars would be put at risk by unrestricted and unregulated expansion. The State of West Virginia already competes with the Spearhead Trail System established by the Commonwealth of Virginia and the Commonwealth of Kentucky just recently authorized the establishment of a new trail system in eastern Kentucky, all competing for the same visitors.

Any expansion of the State's recreational trail systems must be strategic and require a showing that the new trail system would not only expand visitation, but would not materially detract from the visitation and ridership on existing trail systems where numerous private and public investments have already been made.

For these reasons, I must veto Enrolled Senate Bill No. 28.

Sincerely,

Jim Justice,

Re: Enrolled House Bill 2446

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled House Bill 2446.

This bill is very broad in its application, requiring "contact information of each staff member, including office location". Some state employees work in undercover positions and their office locations are in their personal homes or in locations that are confidential for their safety. Requiring that their complete contact information be disclosed on an agency's website could put their safety and the safety of their coworkers in jeopardy. Allowing personal location information to be published on agency websites, especially for law enforcement officers, could act as a valuable resource for criminals who wish to do harm to the officers or their families.

Although I understand the importance of providing the public with easy access to the information required by this bill, I believe the spirit and intent of this legislation can be accomplished administratively by simply working with all our state agencies. I plan to direct these agencies to publish the relevant contact information on their websites just as soon as possible.

For the foregoing reason, I disapprove and return the bill.

Sincerely,

Jim Justice,

Re: Enrolled Senate Bill 172

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Senate Bill 172.

In the title, Enrolled Senate Bill 172 claims to eliminate “the salary for appointed board members [of the Water Development Authority] effective July 1, 2017.” Instead, the bill arguably increases the compensation for board members by requiring that they be paid the same daily rates as legislators for attending official meetings and engaging in official duties *in addition to the \$12,000 per year salary*. The bill does not explicitly eliminate the salary for Water Development Authority members.

Because the contents of Senate Bill 172 do not reflect the bill’s stated objective, I disapprove and return Enrolled Senate Bill 172.

Re: Enrolled Committee Substitute for Senate Bill 239

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for Senate Bill 239.

This bill creates a significant hardship on employers and employees for a convenient practice that has become commonplace in today’s society, authorizing employee payroll deductions. Payroll deductions are used for a variety of purposes, such as employee benefit payments, donations to non-profit organizations (i.e., the United Way), and employee membership dues. Current law requires an employee to complete a payroll deduction authorization prior to any deduction being made by an employer from the employee’s paycheck. The authorization continues until the employee changes or discontinues it.

Enrolled Committee Substitute for Senate Bill 239 modifies the definition of deduction to exclude amounts for authorized credit unions, charities, outside savings plans, or union or club dues. It places an unnecessary burden on businesses, and an inconvenience on employees and organizations receiving deductions, by mandating the creation of a new wage assignment **every year** to continue the authorization.

Therefore, I disapprove and return Enrolled Committee Substitute for Senate Bill 239.

Sincerely,

Jim Justice,  
Governor.

Re: Enrolled Committee Substitute for Senate Bill 255

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for Senate Bill 255.

In this bill, the Legislature adopts the overarching policy that the political party of the person appointed to fill a vacancy in an Executive Constitutional Office, the West Virginia Legislature, or a county commissioner or clerk office is dependent on which political party the individual “was affiliated at the time the vacancy occurred.” (emphasis added) In *State ex. rel. Biafore v. Tomblin*, 782 S.E.2d 223 (2016), the Supreme Court of Appeals of West Virginia interpreted the West Virginia Code to require that, for the vacancy of a State Senator who was elected as a Democrat but switched his party registration to Republican, the Governor was required to appoint a Republican to fill his office. The Supreme Court stated that its “decision is grounded in law, not in ideology or politics.” *Id.* at 232. Yet, the Legislature would use the holding of this case to justify codifying current law and public policy.

Unfortunately, the current law makes for short-sighted public policy. It rewards political tomfoolery rather than the will of the voters in the previous election. If applied to a situation where a Republican or Democrat switches his or her party registration to the Communist Party before vacating the office, Enrolled Committee Substitute for Senate Bill 255 would require the Governor to appoint a replacement from the Communist Party. That unfathomable scenario is possible under this bill, and I cannot sign it into law.

For the foregoing reasons, I disapprove and return Enrolled Committee Substitute for Senate Bill 255.

Sincerely,

Jim Justice,  
Governor.

Re: Enrolled Committee Substitute for Senate Bill 441

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for Senate Bill 441. This well-intentioned legislation establishes the Municipal Home Rule Pilot Program as a permanent program, provides all 234 West Virginia municipalities an opportunity to participate in the program, and resolves a pending legal issue before the Supreme Court of Appeals of West Virginia regarding the authority of municipalities to pass ordinances for the licensing and certification of certain public employees.

But Enrolled Committee Substitute for Senate Bill 441 expands the obligations of the Municipal Home Rule Board *without* addressing the costs or potential liabilities associated with these expanded obligations. The bill fails to address legal issues that have surfaced during the Pilot Program, including the Board's inability to retain legal counsel when necessary and the limits of a municipality's authority to adopt ordinances that supersede State statutes regarding the restrictions that can be placed on roadways under the jurisdiction of the Division of Highways. These shortcomings in the legislation require a veto of the bill.

Therefore, I disapprove and return Enrolled Committee Substitute for Senate Bill 441.

Sincerely,

Jim Justice,

Re: Enrolled Committee Substitute for Senate Bill 606

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for Senate Bill 606 for public policy reasons.

Senate Bill 606 provides an exemption to the Minimum Wage — Maximum Hour Act for recreational establishments that meet a business duration or average receipt condition and that pay employees in an annual amount at least equal to the WV minimum wage (\$8.75) times 2080 hours. The annual payment amount condition reads “on a salary basis in an annual amount of not less than” \$18,200.00 (\$8.75 x 2080 hours). To calculate this exemption, the employer must wait until either the end of the calendar year or upon the employee’s termination, which opens the employer up to possible back wages owed to the employee. The calculation of the annual salary condition is a complex and complicated calculation that could be confusing to businesses trying to qualify for the exemption.

Further, if there is confusion in the application of this condition and employees’ salaries are incorrect, it could pose a significant burden to a group of West Virginia workers that can least afford an error in their pay — minimum wage workers.

Because of potential confusion by businesses in the implementation of the conditions for the exemption and the importance of protecting the minimum wage component for West Virginia workers, I disapprove and return Enrolled Committee Substitute for Senate Bill 606.

Sincerely,

Jim Justice,  
*Governor.*

Re: Enrolled Committee Substitute for Senate Bill 656

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for Senate Bill 656. This bill would expressly grant a student assessment vendor the authority to sell student data without appropriate privacy protections in place.

Enrolled Committee Substitute Senate Bill 656 gives a student assessment vendor the right to sell student data to third parties if consent is obtained either from the student (15 years of age or older) or from the parents (under 15). This bill does not include appropriate privacy safeguards and, therefore, I disapprove and return Enrolled Committee Substitute for Senate Bill 656.

Sincerely,

Jim Justice,

Re: Enrolled Committee Substitute for House Bill 2196

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for House Bill 2196. This bill would allow home school, private school, and parochial school students to be eligible to participate in Secondary School Activities Commission (SSAC) interscholastic activities.

The bill is unnecessary due to Enrolled Committee Substitute for Senate Bill 630 being signed into law. Specifically, Enrolled Committee Substitute for Senate Bill 630 permits home school and private school students to participate in co-curricular and extracurricular activities in a school district if enrolled in a virtual school program, and it further requires students enrolled in a virtual school program to be counted in the net enrollment of the school district for the purposes of calculating and receiving state aid. I believe this would more effectively assist counties with offsetting any costs incurred for non-public school students that opt to participate in SSAC co-curricular and extracurricular activities.

I believe Enrolled Committee Substitute for Senate Bill 630 provides a better solution to address this issue moving forward and, therefore, I disapprove and return Enrolled Committee Substitute for House Bill 2196.

Sincerely,

Jim Justice,  
*Governor.*

Re: Enrolled Committee Substitute for House Bill 2589

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for House Bill 2589. This bill requires county boards of education to equally enroll home school and private school students in vocational school course offerings and further prohibits counties from charging for the additional admission of home school and private school students.

Enrolled Committee Substitute for House Bill 2589 restricts counties ability to make local education decisions. Specifically, the bill requires counties to enroll home school and private school students in vocational school course offerings, without school district approval or consideration of current class capacity, which would place a financial burden on our counties. Current state law already permits home school students to participate in public school course offerings, including Career and Technical Education courses offered at vocational schools and, therefore, the provisions of Enrolled Committee Substitute for House Bill 2589 are duplicative.

I disapprove and return Enrolled Committee Substitute for House Bill 2589 for the aforementioned reasons.

Sincerely,

Jim Justice,  
*Governor.*

Re: Enrolled Committee Substitute for House Bill 2646

Dear Secretary Warner:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove and return Enrolled Committee Substitute for House Bill 2646. The WV Women's Commission exists to encourage better health and wellbeing for women in West Virginia through educational, political and economic participation. Women in West Virginia rank near the bottom nationally both in political participation (48th) and employment and earnings (51st). They also have unhealthy rankings nationally in poverty and education (49th) and health and well-being rates (44th)<sup>1</sup>.

Now more than ever, the Women's Commission is needed in West Virginia and should not be terminated. Critical to the success of West Virginia women is the continued work of the Women's Commission. Our state's women are too important to be allowed to fall behind in our state's economy. West Virginia needs the women of our state to succeed. Without their success, West Virginia cannot succeed.

For the foregoing reasons I disapprove and return the Enrolled Committee Substitute for House Bill 2646.

Sincerely,

Jim Justice,  
Governor
