ANNUAL REPORT FISCAL YEAR 2007

This report is being submitted by the Board of Optometry to meet the requirements of the State of West Virginia and its various subdivisions. This has been a year of expanding the use of technology to improve the Board's services and to monitor applicants for optometric licensure.

The Board has a "Highlights" page near the front of this report outlining some of our accomplishments for the 2007 fiscal year. We formed a partnership with the Harrison County Prosecutor to stop the illegal practice of optometry. We worked with the Association for Regulatory Boards of Optometry and the West Virginia Optometric Association to use OE Tracker as an automated tracking system of continuing education. This database will help the board to help continuing education audits to be more efficient. The Governor appointed 4 new members to the Board, and we successfully completed our first legislative audit gaining continuation of the Board for eleven years.

The sole function of the Board is to ensure excellent eye health care for the citizens of West Virginia, and it is in furtherance of this goal that our efforts are directed. Our mission statement is printed below.

Sincerely yours,

Richard H. Goellner, O.D.
Secretary-Treasurer

MISSION STATEMENT

To ensure that all applicants for licensure and all Doctors of Optometry currently licensed, practice their profession in a manner that benefits and protects the public, and to ensure that the highest quality of optometric eye and vision care is provided in a professional, competent, and ethical manner.

ANNUAL REPORT HIGHLIGHTS 2007

Partnerships

The Board has developed partnerships to facilitate its mission to protect the public and ensure excellent vision care in West Virginia. Some of these partnerships include:

- partnership with the Harrison County Prosecutor's Office to end the practice of optometry without a license,
- partnership with the West Virginia Optometric Association to facilitate the use of OE Tracker as a continuing education tracking tool,
- partnership with ARBO OE Tracker staff to use OE Tracker as a tool for continuing education audits with no continuing education violations found,
- with NCPS Inc. (1-800-948-8589) to conduct random drug testing for optometrists with dependency issues.

New Board Members

The Board bid farewell to three excellent Board members: Jack Terry, O.D., Ph.D., Douglas Conrath, O.D. and Harry Boggs, O.D. Their years of experience ranged from five years to 17 years.

The Governor appointed four Board members in Fall, 2006. The new members are S. Glenn Bailey, O.D., Lori, Gemono, C. David Laughlin, O.D., Gregory Moore, O.D. They joined re-appointed Board members Richard, H. Goellner, O.D., E. Clifton Hyre, O.D., and Sharon Rubin, R. Ph. Dr. Clifton Hyre is the Board President. Dr. Richard Goellner is the Secretary-Treasurer of the Board.

Accountability and Legislative Renewal

The West Virginia Board of Optometry had its first audit by the Legislative Auditor's Performance Evaluation and Research Division. Records and procedures are reviewed to ensure compliance with the West Virginia Code and protection of the public. The Legislative Auditor praised the Board for its computer tracking and the user-friendly web site with verification services. The Board received an eleven year renewal from the Legislature. Only two other agencies received this honor during the Legislative Session. Report prepared by Dr. Clifton Hyre and Pamela Carper.

West Virginia Board of Optometry Visionary

Meet Board Members Harry Boggs, O.D. and Glenn Bailey, O.D.

Dr. Harry Boggs has served the West Virginia Board of Optometry for nine years. He also served as the Board's Complaint Chairman. He will be missed.

Dr. Boggs lives in Keyser with his wife, Flora. He has been in practice for 53 years. He graduated from the Pennsylvania College of Optometry in 1953.

Dr. Boggs' service in the Navy has given him a great breadth of knowledge to deal with optometric complaints and issues of governance. His work with the optometric community has reduced the number of complaints filed.

Dr. Glenn Bailey has been appointed to the Board to replace Dr. Boggs. Dr. Bailey has served as President of the WVOA. Dr. Bailey graduated from Marshall

University and the Ohio State University College of Optometry (1980). He enjoys spending time with his wife, Vanessa, and their children Ryan, Erin and Stephanie. Dr. Bailey's practice is located in Barboursville. His practice has emphases of primary eye care, eye disease and contact lenses. Dr. Bailey is active in the American Optometric Association, SOCO and ended his service as the President of the West Virginia Optometric Association in November.

Dr. Bailey wants be a member of the Board to serve the optometric profession and the citizens of West Virginia. Some of the issues he hopes to pursue are:

- ◆ the shrinking number of new licensees in West Virginia,

- ◆ to continue to improve communication among the West Virginia Board of Optometry, our state's citizens and practicing optometrists in West Virginia,

- ◆ to continue to explore reciprocity and endorsement issues among states.

- ◆ to work toward one level of licensure in West Virginia.

Special points of interest:

- Harry Boggs, O.D. & Glenn Bailey, O.D.
- Richard Goellner, O.D., Secretary-Treasurer
- Clifton Hyre, O.D., President
- C. David Laughlin, O.D.
- Gregory Moore, O.D.
- Sharon Rubin and Lori Gemondo
- Douglas Conrath O.D. & Jack Terry, O.D., Ph.D.
- Corporate Fees and CE Audit

The Board congratulates its new licensees, Drs. Alvin Ginier, Elizabeth Koski, Lonnie Lucas, William Park, Janna Scofield and Cynthia Poling.

Secretary - Treasurer From Morgantown Richard Goellner, O.D.

Dr. Goellner has served on the West Virginia Board of Optometry for almost seven years. Dr. Goellner has assisted the Board in compiling and updating its oral exam. Dr. Goellner also initiated a study of the shrinking numbers of optometrists who serve our citizens.

Dr. Goellner lives in Morgantown with his wife, Cynthia, and his son, Jack, who is 10. He practices with James Pasinski, O.D. in Morgantown. Dr. Goellner is the former Clinical Director for the West Virginia Special Olympics Opening Eyes Vision Program. He is also an Adjunct Faculty mem-

member for the West Virginia University Eye Institute. Dr. Goellner's goal of service on the Board is to ensure that the profession of optometry serves the public in a professional, competent and ethical manner. He graduated from the Ohio State University College of Optometry (1984).

Dr. Hyre has served on the Board for thirteen years. He has served as the Board President for ten years.

E. Clifton Hyre, O.D., President; From Elkins, West Virginia

Dr. Edward Clifton Hyre has served on the West Virginia Board of Optometry for thirteen years. He has served the Board as President for ten years.

Dr. Hyre initiated the modernization of the Board's legislative and administrative rules. The process became complete in 2002. Dr. Hyre has also worked with the Legislature to improve the quality and scope of optometric care in West Virginia.

Dr. Hyre lives in Elkins with his wife, Carole. They have a daughter, Christina L. Nestor, who has two masters degrees and is work-

ing on her Ph.D. in Morgantown. Dr. Hyre practices with his son, Craig, in Elkins and Beverly.

Their corporation is Family Eye Care. Family Eye Care offers a wide range of services including emergency services. Their practice has a web site, www.drhyre.com. The site services include scheduling of appointments and an informative set of articles on eye care issues entitled, "Eye Care For You."

Dr. Hyre has served as President of the West Virginia Optometric Association and is active in his community serving as Director

Emeritus of the Mountain State Forest Festival.

Dr. Hyre was licensed in 1964 and has achieved the state's highest level of licensure, oral prescriptive authority. He graduated from the Ohio State University School of Optometry in 1963.

Dr. Hyre is working on preserving the professional independence of optometrists. He has personally overseen negotiations with mercantile establishments to ensure that optometrists may use their best professional judgment in treating their patients.

C. David Laughlin, O.D. Board Member From Fairmont, West Virginia

Dr. Laughlin comes to the Board from Fairmont, West Virginia. His wife, Nancy, is a Speech Therapist. His children are Gevony, Dentist in Asheville, North Carolina; Mannon, Marketing, New York, New York; and Conn, Senior at Fairmont High School. Dr. Laughlin has practiced optometry in Fairmont for thirty years. He has practiced with his good friend and partner, J. Keith Wade, O.D., for 22 of those years.

Dr. Laughlin graduated from the Southern College of Optometry

In 1976. Dr. Laughlin has been very active in his community. He has served as President of the United Way of Marion County, Board Chair of the Salvation Army, Council Chair of the Boy Scout Friendship Dinner, Member of the Board of Directors, First National Bank of Fairmont/Wesbanco. He has also been active in the American Optometric Association, the West Virginia Optometric Association, SOCO, Rotary and Elks.

Dr. Laughlin states, "I feel our continued success as a profession will be measured by our ability to expand our mode of practice and yet maintain a high ethical standard as the primary eye care provider nationally." [I want] "to continue to expand our horizons as a profession with the same zeal as our colleagues did thirty years ago." West Virginia is celebrating its 30th anniversary of therapeutic prescriptive authority as part of the optometric scope of practice.

Board Member From South Charleston Gregory Moore, O.D.

Dr. Moore is co-founder of WV Laser Eye Center. The Center has 2 surgeons, and provides 70% of refractive surgeries performed in West Virginia. He has a daughter, Sydney Anne Moore.

Dr. Moore specializes in optometric sports medicine. He was the team eye doctor for the Chicago Cubs from 1989-1992. Dr. Moore also serves as Sports Vi-

sion Consultant for the Sports Medicine Division of the Charleston Area Medical Center and Chief Technology Officer of MSS Performance which makes sport training devices. Dr. Moore graduated from the Southern College of Optometry in 1987.

"It will be my goal to make sure the Board does its part to maintain the respect and honor West

Virginia optometrists garnered 30 years ago as the first state in the country to allow therapeutic privileges I believe if we all work together we can expand our privileges and have laws that reflect a scope of practice automatically advancing in harmony with advances in the eye health care sciences. Only then will all of our citizens have timely access to the best eye care available."

Consumer Members Sharon Rubin and Lori Gemondo

Ms. Sharon Rubin lives in Charleston with her family. She is a registered pharmacist. She works with the Charleston Health Right Clinic.

Ms. Rubin was appointed by Governor Wise in 2002. She has served on the Board for four years. She was instrumental in finding the Board's Charleston Office in the historic Union Building. Ms. Rubin's expertise in pharmacology has been very valuable to the Board.

Ms. Lori Gemondo lives in Bridgeport and is married with two children. She works at Family Optical, Clarksburg Opticians, and Family Vision Center. She

has thirty years of experience as a dispensing lab optician and office manager.

Ms. Gemondo graduated from West Virginia University in 1976. Ms. Gemondo's activities and honors include:

- West Virginia University Alumni Association
- Pi Beta Phi Alumnae Club President for 30 years
- Pi Beta Phi national office (Province Coordinator)
- North Central WV Pan-Hellenic President

- National Franchise Advisory Committee
- Who's Who Among Outstanding Americans

- Golden and Silver Spectacle Awards Winner
- United Hospital Center (Health Connection) Wellness Board
- United Hospital Center Holly Ball Chairman 1988, 1989, 2004

- American Cancer and Heart Association
- Elk Member.

Douglas Conrath, O.D.

Harry Boggs, O.D., Douglas Conrath, O.D. and Jack Terry, O.D., Ph.D. Say Farewell

Jack Terry, O.D., Ph. D.

Dr. Conrath has served the Board for sixteen years. He leaves the Board as its Secretary-Treasurer of many years.

Dr. Conrath facilitated the Board's exams for years. His professional and friendly manner helped candidates to perform their best. He took his role as supervisor of investigations seriously. He called the office often to provide guidance.

Dr. Conrath lives in Mineral Wells with his wife, Debbie. He practices with Lauer Vision in Parkersburg. Dr. Conrath graduated from the Southern College of Optometry in 1966. Dr. Conrath's special interests include geriatric vision, computer vision, nutrition in vision and contact lenses. He is a former Jaycee and is involved with Masonic Lodge, Nemesis Shrine and Ben Bey Grotto.

Dr. Terry served on the Board for six years. He served as President of the Board from 2002 - 2005. He launched the Board's advanced and user friendly web site.

Dr. Terry graduated from the Ohio State School of Optometry in 1975. Dr. Terry now lives in Charlotte, North Carolina with his wife, Sue. He serves as Executive Director of the National Board of Examiners in Optometry.

Corporate Renewals and CE Audits in August 2007

Those who have registered optometric corporations will receive renewal notices in late August 2007. The biennial renewal fee is \$50.00.

- ◆ §14-5 lists the Board's fees.
- ◆ The corporation rules are listed in
- ◆ §30-8-3
- ◆ §30-8-9 and

◆ §30-8-10. The Board's rules are posted on the web site, www.wvbo.org, under "Laws and Regulations Governing Optometry."

The Board will be conducting its random CE audit for the period from 8/1/2004 -07/31/06 in August. A printout of the personal OE Tracker record will be provided to each licensee selected. The OE Tracker record will be considered

to be proof of attendance. Certificates will be required for classes not contained in the OE Tracker printout.

The OE Tracker database is a computerized repository for CE records.

Future issues of the newsletter will be posted on our web site, www.wvbo.org. Please update your email address.

The largest increase is in the Board member's per diems. Attendance had been around 50%.

The \$21000 figure reflects a full board for 5 meetings in FY 08.

Computer Services 027 was miscoded. A reduction was in order.

Bank Costs is lower than this year would justify because the renewal revenue caused a one year increase. The next big increase will be at the beginning of FY 09.

ANNUAL REPORT FISCAL YEAR 2006

This report is being submitted by the Board of Optometry to meet the requirements of the State of West Virginia and its various subdivisions. This has been a year of expanding the use of technology to improve the Board's services and to monitor applicants for optometric licensure.

The Board has a "Highlights" page near the front of this report outlining some of our accomplishments for the 2004 fiscal year. The expansion of our web site services on www.wvbo.org was made possible through a partnership with the West Virginia State Treasurer's Office. License Renewal and license verification are now accessible twenty-four hours per day through the Treasurer's E Commerce system. In addition, the percentage of licensed optometrists with oral prescriptive authority has increased to 70%. This will citizens in outlying areas to receive the best possible vision care

The sole function of the Board is to ensure excellent eye health care for the citizens of West Virginia, and it is in furtherance of this goal that our efforts are directed. Our mission statement is printed below.

Sincerely yours,

Douglas L. Conrath, O.D.
Secretary-Treasurer

Annual Report For Fiscal Year 2005

WEST VIRGINIA BOARD OF OPTOMETRY

Annual Report

AR iii

2006

Board Members: E. Clifton Hyre, O.D., President; Douglas L. Conrath, O.D., Secretary-Treasurer; Harry W. Boggs, O.D.; Richard H. Goellner, O.D.; Jack E. Terry, O.D., Ph.D.; Craig Hammond, Consumer Representative.; Sharon Rubin, R. Ph., Consumer Representative.

Mission Statement To ensure that all applicants for licensure and all Doctors of Optometry currently licensed, practice their profession in a manner that benefits and protects the public, and to ensure that the highest quality optometric eye and vision care is provided in a professional, competent, and ethical manner.

Oral Prescriptive Authority and Optometric Residency Endorsed

The Board has licensed 11 new optometrists to bring the percentage of licensees with oral prescriptive authority to 70%. This increase is due to the Board's policy requiring all new applicants to qualify for oral prescriptive authority.

The formulary includes antihistamines, oral corti-

costeroids, analgesics and nutritional supplements.

The percentage of optometrists with DPA/TPA licensure is 28.5%. Less than 2% of West Virginia's licensed optometrists have no prescriptive authority.

There is an opportunity for new optometrists in this state. A recent statistical analysis shows that 78 optometrists licensed in West Virginia are age 55 or older.

The Board has also issued a statement of support for optometric residency re-

garding its CE requirements. One year of CE credit is granted upon proof of completion. "The Board affirms the quality of instruction offered in an accredited optometric residency program."

New Legislation

- Bill 299 was passed during the 2006 Legislative Session. The bill makes changes to two portions of the Board's legislative rules.
- § 14-1 has been changed to allow credit card payments for license renewal. This will facilitate license renewal on our web site.
- § 14-5 was changed to increase the license renewal fee to \$650 biennially to match state fee increases.

Board Activities

The Board completed its project to expand our web site's automated license verification and license renewal to include payment by both credit card and electronic check. The full list of licensed optometrists in West Virginia is also downloadable from

the web site. This will make 24-hour license verification and license renewal more accessible.

The Board completed its second random CE audit. The audit included a 10% new sample with repeated screen-

ing of some optometrists who were audited previously.

The 14% sample showed that most optometrists are exceeding their 40 hours of continuing education that are required every two years with renewal.

Special points of interest:

- License Renewal
- Avoiding Patient Complaints
- 2004 License Exam
- CE Approved By the Legislature
- Contact Lens Rx Release
- Disclosing Proprietary Interest
- Expanded Prescriptive Authority
- Posting Announcements

James Jones, O.D. of Oakland, Maryland has signed a consent decree and paid a fine and administrative fee of \$1300 for not producing proof of his required continuing education hours. All optometrists must retain proof of their CE hours subject to a random audit. This provision is in the WV Code §14-1 posted on our web site.

License Renewal Deadline is July 31, 2004

All optometrists' licenses must be renewed by July 31, 2004. Only the Board of Optometry Web Site will be used for the 2004-06 License Renewal. Our Web Site address is www.wvbo.org. Payment may be made credit card or by check.

The License Renewal feature was activated on March 1, 2004. Begin to use the site now by taking the steps to update the information contained in your file.

Follow these simple steps to access your information:

- Log onto your Internet browser (often using Internet Explorer).
- Go to www.wvbo.org.
- Select "Licensees."

- Select "On Line Address Change." A screen will appear asking for your "user name" and "password."
- Use the mouse to place the cursor in the field, "New Users Click Here," and click the left mouse button.
- The screen will ask you to enter a "User ID" that you will choose for yourself.
- The screen will also ask you to make up a "Password."
- The site will ask you to select a question. Select a question, and type in the answer.
- Type in your e-mail address.
- The site will ask you to enter

other personal information to verify your identity.

- Place the mouse over "Go."
- You may update your file as appropriate.

Once you have established an account on the site with your user name and password you may use the **License Renewal** tab on the left of the home screen to renew your license.

Tips On Avoiding Complaints

The Board called upon Harry Boggs, O.D., Chairman of the Board's Complaint Committee, to assist the Board with some tips to avoid complaints. Dr. Boggs has been in practice for over 50 years. His office is located in Keyser, West Virginia.

Some tips for avoiding complaints are:

- Have a positive attitude.
- Be polite and caring.
- Manage crises with finesse.
- Make your employees your

"reputation champions."

The Board's complaint files affirm his suggestions. Most complaints result from someone inflicting his or her bad mood on a patient or guardian.

Smile! People will wonder about your good fortune.

West Virginia Optometry License Exam On July 10

The license examination will be given on July 10 at 9:00 a.m. at Glade Springs resort in Daniels, West Virginia near Beckley.

The West Virginia Board of Examiners of Optometry will hold its 2004 license exam on July 10 beginning at 9:00 a.m. at Glade Springs Resort in Daniels, West Virginia. The deadline for applications to be received in the Board office is June 11, 2004.

Daniels is approximately 11 miles from Beckley. There will be a room and meals package available at the resort. Some other hotels and motels available are the Best Western, 304-252-3951, Comfort Inn, 888-259-8542, Days Inn, 800-222-0511 and Hampton Inn 304-353-2121.

The requirements for an application are listed in West Virginia Code, §14-1. Some important requirements to remember are:

- A certified, sealed transcript from the applicant's undergraduate and optometry school must be sent to the Board office.
- The applicant must take and successfully pass the exam from the National Board of Examiners in Optometry (NBEO), Parts I, II, and III. A copy of the exam results must be sent to the Board office.
- Two 2"x2" color photographs must accompany the application.

- The fee for application is \$300.00.

An application may be requested from the Board Office at 1-800-250-4150 or downloaded from the Board's web site, www.wvbo.org. There is a posting of the exam deadline under "Latest News." A copy of §14-1 may be downloaded from the site under "Laws and Regulations Governing Optometry."

Some optometrists are interested in contacting the applicants to seek associates. The Board has relayed messages for them in the past. Please read the article on postings on page 3.

Continuing Education Requirements Passed By the Legislature

The West Virginia Legislature passed the Board's continuing education recommendations.

The requirements are:

- A **minimum** of twelve hours of studying pharmacology or therapeutic courses;
- A **maximum** of six hours of study in practice management;
- A **maximum** of ten hours of optometric study may be taken by correspondence or

via the Internet;

- All continuing education study must be sponsored by one of the organizations listed in subsection 8.4 of this section or pre-approved by the Board as outlined in subsection 14-1-8.6.

Remember that all CE must be COPE approved or be an educational meeting of one of the approved organizations e.g.: West Virginia Optometric Association, Regional Optometric Extension Programs, National Contact Lens

Congress, listed in 14-1-8.4. All other programs must be approved in advance by the Board.

The 40 required hours are to be acquired during each two year renewal period.

The Board has developed a CE Tally Sheet available on our web site, www.wvbo.org, to aid optometrists in keeping track of the CE hours. The sheet will be required to be completed if you are chosen as part of the **random audit** of CE proof of attendance.

A CE Tally Sheet has been developed by the Board to help optometrists record their CE hours.

Go to our web site at www.wvbo.org or call 1-800-450-2150.

Federal Requirement To Release Contact Lens Prescriptions

Effective February 4

The "Fairness to Contact Lens Consumers Act," H.R. 3140, became effective on February 4, 2004. The Federal law requires an optometrist to give a copy of a patient's contact lens prescription to him/her once the contact lenses have been fitted to the patient's eyes. The law also states that a contact lens prescription shall expire not less than one year after the issue

date of the prescription unless sooner for medical reasons to be listed in the patient's medical record.

The Board has answered some questions pertaining to the law posed by optometrists. Yes, you may collect fees for a CTL exam when you are not a participating provider of the patient's insurance. The insurance company

will not pay you, and you are to be paid for your professional services.

Can we collect for the CTL exam at the time of fitting? You can collect the full fee for your eye exam and CTL fitting if this is your usual and customary policy with all patients. It would be helpful if you have a sign posted stating, "Payment for professional ser-

Disclosing Financial Interest

Those of you who subscribe to the Ophthalmology Compliance and Reimbursement Insider [OC&RI] saw an article on disclosing your financial interest in an optical shop, if applicable. The article said that many states may impose discipline penalties on ophthalmologists who refer patients to a particular optical shop in which he or she may have financial interest.

Board staff consulted with the West Virginia Board of Medicine's attorney, Debra Rodecker, Esq., who pointed the staff to West Virginia Code §30-3-14. This section states that the Board of Medicine may discipline

a physician or podiatrist who has committed "unprofessional conduct."

Subsection (7) states, "Unprofessional conduct by any physician ...in referring a patient to any clinical laboratory or pharmacy in which the physician... has a proprietary interest unless the physician... discloses in writing such interest to the patient. The written disclosure shall indicate that the patient may choose any clinical laboratory for purposes of having any laboratory work or assignment performed or any pharmacy for purposes of purchasing a prescribed drug or any other medical goods or de-

VICES used in connection with medical or other health care services."

West Virginia optometric rules do not currently require disclosure of proprietary interest. The intent of the new contact lens release law and West Virginia ophthalmic rules do point in this direction. The Board has taken not yet taken an official stand on this point .

The model language, if desired, could be printed on back of your prescription form . OC&RI suggests is "John Smith, O.D., owns an interest in XYZ Optical, P.L.L.C., the clinic to which you may be referred. You may have

your prescription filed at XYZ Optical, P.L.L.C., or at any location of your choosing. Our practice will provide you with a list of alternative locations to have your prescription filled. Our practice will not treat you differently if you choose not to go to XYZ Optical."

Four Optometrists Obtain Expanded Prescriptive Authority

Dr. Edward Jagela, Dr. Annette M. Hoover, Dr. Mark Hatfield and Dr. Dale Lilly have been granted expanded prescriptive authority by the Board. New applicants must have pharmacology training and testing by the National Board of Examiners in Optometry in order to be licensed in West Virginia.

Licensed optometrists with prescriptive authority (TPA and DPA) may obtain expanded prescrip-

tive authority by completing the following steps:

- Pass a minimum advanced clinical system pharmacology course of 30 hours. All courses must have prior approval of the Board. Those who have passed the Board exam from February 1996—present are exempt from taking the 30 hour course, but still must pass the TMOD or have

taken the National Board Exam, Part II since 1993, and

- have on record in the Board office a passing grade on the TMOD, and
- shall send the oral certification fee of \$200 to the Board and proof of \$1,000,000 malpractice insurance coverage.

§14-2, Expanded Prescriptive Authority, is posted on the web.

Best wishes to you.

Board Posting Policy Contact Lens Rx Release (Continued)

The Board has received requests from licensees for listings of applicants for the Board exam in order to recruit associates. The Board has helped with this search in the past. The Board has decided that this type of information exchange would be best handled by the WVOA. Please direct these types of requests to Roger Price's office at 304-345-4710. Thank you.

Contact Lens Rx Cont'd

Is issue date of the RX the same as exam date? What is the recommended expiration date? **Answer:** The exam date and the CTL Rx date are not the same. The exam date is the date the patient receives a comprehensive eye health examination with refraction in your office, and the CTL issue date occurs after the patient has been successfully fit with contact

lenses and the doctor can write the CTL Rx. The CTL issue date should be at the conclusion of the design, fitting, and management period; this should be within 90 days. The recommended expiration of the CTL Rx is 1 year unless the patient has a health concern that necessitates a shorter expiration date. The reasoning must be documented in your records. (Ex: corneal vascularization or GPC).

The Board answers your questions.

I recommend the FY 2006 budget increased by 7% anticipating the spending authority decrease.

These figures were reviewed with Linda Lyter, Dept. of Admin. She felt the figures were sound. The gross revenue figure comes from YTD Revenue 3/05 + \$7500 (\$500 license verification per month). As you can see, with only \$6316.82 left, there is not much "wiggle room."
The board discussed increasing the renewal fee by \$100 per 2 years. This would give the Board a cushion of \$27500 for '06-'08. The fee would be comparable with Maryland.
The primary cause of the need for an increase is our state insurance bill. The \$25,992.00 yearly bill includes a 290% increase since 2002. The state budget crunch of the last two years has also resulted in fee increases by the Dept. of Administration and IS&C.
