WAR VOLUNTEER FIRE DEPARTMENT

INTRODUCTION

POST AUDIT AUTHORITY

The audit is being conducted pursuant to Chapter 12, Article 4, Section 14 of the West Virginia Code, which allows the Legislative Auditor to “assign an employee or employees to perform audits or reviews at the direction of the Legislative Auditor of the disbursement of state grant funds to volunteer fire departments.”

BACKGROUND

To provide additional revenue for the municipal firemen's pension and relief funds and for volunteer and part volunteer companies and departments, the West Virginia Legislature levied under Chapter 33, Article 3, Section 14d of the West Virginia Code, as amended in 2001, an additional premium tax equal to one percent of the taxable premiums collected for fire insurance and casualty insurance policies. Under this section of the Code, volunteer and part volunteer fire departments that are certified by the State Fire Marshal prior to each quarterly allocation are to receive 25 percent of the revenues generated by this premium tax.

In 1999, to provide additional revenue for the municipal fireman's pension and relief funds and for volunteer and part volunteer companies and departments, the West Virginia Legislature levied under the provisions of Chapter 33, Article 12c, Section 9 of the West Virginia Code, as amended, a tax equal to four percent of the gross premiums and fees on excess line policies. These moneys are to be distributed in accordance with the provision of Chapter 33, Article 3, Section 14d, as amended.

The West Virginia Legislature again provided additional revenue for the volunteer and part volunteer fire departments by authorizing, under Chapter 33, Article 3, Section 33 of the West Virginia Code, as amended in 2001, a policy surcharge equal to one percent of the taxable premiums paid by policyholders of any fire insurance policy or casualty insurance policy. Under this section of the Code, 50 percent of the moneys collected are to be distributed to those volunteer and part volunteer fire departments and companies certified by the State Fire Marshal before each quarterly allocation.

Chapter 33, Article 3, Sections 14d and 33 provide that the volunteer fire departments receive distributions on an equal share basis and part volunteer fire departments receive a reduced amount based on the ratio of full-time paid firefighters who are members of the municipal firemen's pension system to the total number of the members of the fire department. The moneys are to be distributed quarterly on the first day of the months of January, April, July and October of each year.

To receive these funds, the volunteer and part volunteer fire companies and departments must comply with the provisions of Chapter 8, Article 15, Section 8a of the West Virginia Code, as amended:

The Legislature placed restrictions on the use of these additional revenues by the volunteer fire departments under Chapter 8, Article 15, Section 8b of the West Virginia Code, as amended March 8, 2000, and again April 9, 2005.

Prior to the March 8, 2000 amendment, Chapter 8, Article 15, Section 8b did not allow Operating expenses as described in subsection (11) nor did the law prohibit the commingling of the funds with funds from other sources. Prior to the April 9, 2005 amendment, Chapter 8, Article 15, Section 8b did not allow Dues as described in subsection (12). On March 13, 2010, Chapter 8, Article 15, Section 8b was amended to include items (13) Workers' Compensation premiums, (14) Life insurance premiums to provide a benefit not to exceed \$20,000 for firefighter; and (15) Educational and training supplies and fire prevention promotional materials, not to exceed \$500 per year.

Chapter 12, Article 4, Section 14 of the West Virginia Code, as amended, requires an audit at the cost of the grantee, by an independent certified public accountant, of any person who receive State funds or grants in the amount of \$25,000 or more. The audit must be filed within two years of the end of the year in which the disbursement of the funds or grants occurred. The Legislature amended this section of the Code effective June 9, 1995, and again effective July 1, 2005 providing an alternative to an audit for volunteer fire departments. In lieu of an audit, volunteer fire departments may file a sworn statement of annual expenditures to the Legislative Auditor's Office on or before July 1, of each year. If the sworn statement of annual expenditures is not filed by the first day of July, the Legislative Auditor shall notify the state treasurer who shall withhold any payment that would otherwise be distributed to the fire department.

Chapter 12, Article 4, Section 14 as amended March 8, 2000, and again April 9, 2005 provides that the Legislative Auditor may perform random audits of the volunteer fire departments. This section also requires that the volunteer fire department shall cooperate with the Legislative Auditor's Office in performing their duties under this section. If the Legislative Auditor determines a volunteer fire department is not cooperating, the legislative auditor shall notify the state treasurer who shall withhold payment of any amount that would otherwise be distributed to the department until such time that the Legislative Auditor informs the treasurer that the fire department has cooperated as required by this section.

ATTESTATION SCOPE

We conducted an attestation engagement of the War Volunteer Fire Department for the years ending December 31, 2007 and December 31, 2006. Our attestation scope included compliance with laws and regulations. The attestation was conducted in accordance with Government Auditing Standards, issued by the Comptroller General of the United States.

OBJECTIVES AND METHODOLOGIES

The objective of our attestation engagement was to review expenditures from the Departments state fund to ensure all expenditures were allowable and supported, and to report any unlawful expenditures that we find. Additionally, we were to examine the spending unit's financial transactions and records, and to evaluate its compliance with applicable State laws, rules and regulations.

Our sample of Departments to test was randomly selected after determining a population of all Departments that filed their Financial Statements with our office.

This communication is intended solely for the information and use of the Post Audit Subcommittee, the members of the WV Legislature, and the Volunteer Fire Department. However, once released by the Post Audit Subcommittee, this report is a matter of public record and its distribution is not limited.

Our reports are designed to assist the Post Audit Subcommittee in exercising its legislative oversight function and to provide constructive recommendations for improving the operations of Volunteer Fire Departments. As a result, our reports generally do not address activities we reviewed that are functioning properly.

CONCLUSIONS

We noted the Department made several purchases that were not allowable or were not supported under Chapter 8, Article 15 Section 8b of the West Virginia Code, as amended. The Department needs to implement better procedures to ensure all documentation is kept in a manner sufficient for review.

EXIT CONFERENCE

We were unable to contact the Treasurer or Chief to discuss this report. We presented our findings in a certified letter, however, we have received no response.

WAR VOLUNTEER FIRE DEPARTMENT

FINDINGS

Finding 1: War Volunteer Fire Department commingled State funds with funds from other sources which is in violation of Chapter 8, Article 15, Section 8b of the West Virginia Code, as amended.

The Department's State allocation of funds is deposited into a checking account. The Department then transfers the entire State allocation into a savings account. Consequently, the Department then transfers State monies back into the checking account as needed. During our audit, according to bank statements received from the Department, other funds were deposited into the checking account as well, thereby commingling State funds with other monies.

Due to this commingling of funds and the lack of separate or subsidiary ledgers, we were unable to ascertain what expenditures were allocated to State funds, and what expenditures the Department claimed as being from other funds. Therefore, we audited, to the best of our ability, the records that the Department supplied us with against their annual sworn Financial Statement. However, because we were not in receipt of the Department's records in their entirety, we were unable to match the audited amount with the amount the Department filed on their Financial Statement.

Recommendation

We recommend that the Department maintain State funds in a separate account in compliance with Chapter 8, Article 15, Section 8b of the West Virginia Code, as amended.

Finding 2: War Volunteer Fire Department purchased items with State funds that are in violation of Chapter 8, Article 15, Section 8b of the West Virginia Code, as amended.

Based upon the records we received from the Department the following items were purchased with State money that were not allowable:

<u>Description</u>	<u>Dec. 31, 2007</u>	<u>Dec. 31, 2006</u>
Sales Tax	\$46.56	\$ 19.61
Personal Phone	<u>0.00</u> *	<u>909.66</u>
Total	<u>\$46.56</u>	<u>\$929.27</u>

Recommendation

We recommend the War Volunteer Fire Department be in compliance with Chapter 8, Article 15, Section 8b, of the West Virginia Code, as amended. We further recommend the War Volunteer Fire Department reimburse their State account **\$975.83** for the items that were purchased that were not allowable.

*In 2006, there were phone bills in the Department's name, as well as the Chief's name that were combined and paid with one Department check. We were not sent any documentation for the phone bills in 2007. Therefore, we were unable to determine the amount of State funds that were spent for each bill respectively.

Finding 3: War Volunteer Fire Department did not have sufficient documentation to support their expenditures.

Based upon the records we received from the Department, the following items were purchased with State funds that did not have supporting documentation:

	<u>Dec. 31, 2007</u>	<u>Dec. 31, 2006</u>
