Mr. Williams, Co-chairman, presided.

The meeting was called to order by Senator Williams. The Senator announced that the only order of business before the Committee was a public hearing on proposed legislative rules filed by the West Virginia Board of Examiners of Land Surveyors, those being rules and regulations governing the practice of land surveying.

Senator Williams then introduced to the persons present the two new staff persons employed by the Committee, those being M. E. Mowery, Chief Counsel and Hearing Examiner, and Debra Graham, Assistant Counsel and Hearing Examiner.

Having determined that all persons desiring to speak had registered with the Clerk of the Committee, the Chairman then relinquished the chair to Mr. Mowery, for the conduct of the public hearing.

Mr. Mowery announced that any person having a written statement should submit a copy of such statement to the Clerk of the Committee.

Those persons registered for the meeting and desiring to speak were then called forward to address the issues raised by the proposed rules and regulations.

Following the presentation by the speakers, a question and answer period preceded adjournment.
