11 follows:

12 **ARTICLE 13A. SEVERANCE AND BUSINESS PRIVILEGE TAX ACT.**

13 **§11-13A-6a. Reallocation and dedication of percentage of**

15 **counties; phase-in period; permissible uses of**
16 **distributed revenues; duties of State Treasurer**
17 **and State Tax Commissioner; audits; rulemaking.**

18 (a) The purpose of this section is to provide for the
19 reallocation and dedication of a portion of the tax attributable to
20 the severance of coal imposed by section three of this article for
21 the use and benefit of the various counties of this state in which
22 the coal upon which that tax is imposed was located at the time it
23 was severed from the ground. Those counties are referred to in
24 this section as the "coal-producing counties" or, in the singular,
25 as a "coal-producing county."

1 (b) (1) Effective July 1, 2012, one percent of the tax
2 attributable to the severance of coal imposed by section three of
3 this article is dedicated and shall be distributed for the use and
4 benefit of the coal-producing counties as provided in this section.
5 Effective July 1, 2013, two percent of the tax attributable to the
6 severance of coal imposed by section three of this article is
7 dedicated and shall be distributed for the use and benefit of the
8 coal-producing counties as provided in this section. Effective
9 July 1, 2014, three percent of the tax attributable to the
10 severance of coal imposed by section three of this article is
11 dedicated and shall be distributed for the use and benefit of the
12 coal-producing counties as provided in this section. Effective
13 July 1, 2015, four percent of the tax attributable to the severance
14 of coal imposed by section three of this article is dedicated and
15 shall be distributed for the use and benefit of the coal-producing
16 counties as provided in this section. Effective July 1, 2016, and
17 thereafter, five percent of the tax attributable to the severance
18 of coal imposed by section three of this article is dedicated and
19 shall be distributed for the use and benefit of the coal-producing
20 counties as provided in this section.

21 (2) In no fiscal year may the proceeds dedicated in
22 subdivision (1) of this subsection exceed the sum of \$20 million.

23 (3) For purposes of this subsection, the tax attributable to
24 the severance of coal imposed by section three of this article does
25 not include the thirty-five one hundredths of one percent
26 additional severance tax on coal imposed by the state for the

1 benefit of counties and municipalities as provided in section six
2 of this article.

3 (c) The amounts of the tax dedicated in subsection (b) of this
4 section shall be deposited from time to time into a special fund
5 known as the "Coal County Reallocated Severance Tax Fund," which is
6 hereby established in the State Treasury, as the proceeds are
7 received by the State Tax Commissioner.

8 (d) The net proceeds of the deposits made into the Coal County
9 Reallocated Severance Tax Fund shall be allocated among and
10 distributed quarterly to the coal-producing counties by the State
11 Treasurer in the manner specified in this section. On or before
12 each distribution date, the State Treasurer shall determine the
13 total amount of moneys that will be available for distribution to
14 the respective counties entitled to the moneys on that distribution
15 date. The amount to which a coal-producing county is entitled from
16 the Coal County Reallocated Severance Tax Fund shall be determined
17 in accordance with subsection (e) of this section. After
18 determining as set forth in subsection (e) of this section the
19 amount each coal-producing county is entitled to receive from the
20 fund, a warrant of the State Auditor for the sum due to each coal-
21 producing county shall be issued and a check drawn thereon making
22 payment of that amount shall thereafter be distributed to each such
23 coal-producing county by hand, mail commercial delivery or
24 electronic transmission.

25 (e) The amount to which a coal-producing county is entitled
26 from the Coal County Reallocated Severance Tax Fund shall be

1 determined by:

2 (1) Dividing the total amount of moneys in the fund then
3 available for distribution by the total number of tons of coal
4 mined in this state during the preceding quarter; and

5 (2) Multiplying the quotient thus obtained by the number of
6 tons of coal removed from the ground in the county during the
7 preceding quarter.

8 (f) (1) No distribution made to a county under this section may
9 be deposited into the county's general revenue fund. The county
10 commission of each county receiving a distribution under this
11 section shall establish a special account to be known as the "(Name
12 of County) Coal County Reallocated Severance Tax Fund" into which
13 all distributions made to that county under this section shall be
14 deposited.

15 (2) Moneys in the county's coal county reallocated severance
16 tax fund shall be expended by the county commission solely for
17 economic development projects and infrastructure projects.

18 (3) For purposes of this section:

19 (A) "Economic development project" means a project in the
20 state which is likely to foster economic growth and development in
21 the area in which the project is developed for commercial,
22 industrial, community improvement or preservation or other proper
23 purposes.

24 (B) "Infrastructure project" means a project in the state
25 which is likely to foster infrastructure improvements including,
26 but not limited to, post-mining land use, any water or wastewater

1 facilities or any part thereof, storm water systems, steam, gas,
2 telephone and telecommunications, broadband development, electric
3 lines and installations, roads, bridges, railroad spurs, drainage
4 and flood control facilities, industrial park development or
5 buildings that promote job creation and retention.

6 (4) A county commission may not expend any of the funds
7 available in its coal county reallocated severance tax fund for
8 personal services, for the costs of issuing bonds, or for the
9 payment of bond debt service, and shall direct the total funds
10 available in its coal county reallocated severance tax fund to
11 project development, which may include the costs of architectural
12 and engineering plans, site assessments, site remediation,
13 specifications and surveys, and any other expenses necessary or
14 incidental to determining the feasibility or practicability of any
15 economic development project or infrastructure project.

16 (g) On or before December 31, 2013, and December 1 of each
17 year thereafter, the county commission of each county receiving a
18 distribution of funds under this section shall deliver to the Joint
19 Committee on Government and Finance a written report setting forth
20 the specific projects for which those funds were expended during
21 the next preceding fiscal year, a detailed account of those
22 expenditures, and a showing that the expenditures were made for the
23 purposes required by this section.

24 (h) An audit of any funds distributed under this section may
25 be authorized at any time by the Joint Committee on Government and
26 Finance to be conducted by the Legislative Auditor at no cost to

1 the county commission or county commissions audited.

2 (i) The State Tax Commissioner shall propose for promulgation
3 legislative rules pursuant to article three, chapter twenty-nine-a
4 of this code for the administration of the provisions of this
5 section, and is authorized to promulgate emergency rules for those
6 purposes pursuant to that article.

NOTE: This is a new section; therefore, underscoring and
strike-throughs have been omitted.
