AN ACT to amend and reenact §1-2-1 and §1-2-2b of the Code of West Virginia, 1931, as amended, all relating to dividing and altering the state into senatorial districts; defining terms; setting forth legislative findings; providing for senatorial districts; and requiring incidental precinct boundary changes.

*Be it enacted by the Legislature of West Virginia:*

That §1-2-1 and §1-2-2b of the Code of West Virginia, 1931, as amended, be amended and reenacted, all to read as follows:

**ARTICLE 2. APPORTIONMENT OF REPRESENTATION.**

**§1-2-1. Senatorial districts.**

1 (a) This section shall be known and may be cited as the  
2 Senate Redistricting Act of 2011.

3 (b) As used in this section:

4 (1) "County" means the territory comprising a county of  
5 this state as such county existed on January 1, 2010, not-  
6 withstanding any boundary changes thereof made subse-  
7 quent thereto;

8 (2) “Block” and “voting district” mean those geographic  
9 areas as defined by the Bureau of the Census of the United  
10 States Department of Commerce for the taking of the 2010  
11 census of population and described on census maps prepared  
12 by the Bureau of the Census. Such maps are, at the time of  
13 this enactment, maintained by the Bureau of the Census and  
14 filed in the Redistricting Office of the Joint Committee on  
15 Government and Finance;

16 (3) “Incumbent senator” means a senator elected at the  
17 general election held in the year 2010 or at any general  
18 election thereafter, with an unexpired term of at least two  
19 years in duration.

20 (c) The Legislature recognizes that in dividing the state  
21 into senatorial districts, the Legislature is bound not only by  
22 the United States Constitution but also by the West Virginia  
23 Constitution; that in any instance where the West Virginia  
24 Constitution conflicts with the United States Constitution,  
25 the United States Constitution must govern and control, as  
26 recognized in section one, article I of the West Virginia  
27 Constitution; that the United States Constitution, as inter-  
28 preted by the United States Supreme Court and other federal  
29 courts, requires state legislatures to be apportioned so as to  
30 achieve equality of population as near as is practicable,  
31 population disparities being permissible where justified by  
32 rational state policies; and that the West Virginia Constitu-  
33 tion requires two senators to be elected from each senatorial  
34 district for terms of four years each, one such senator being  
35 elected every two years, with one half of the senators being  
36 elected biennially, and requires senatorial districts to be  
37 compact, formed of contiguous territory and bounded by  
38 county lines. The Legislature finds and declares that it is not  
39 possible to divide the state into senatorial districts so as to  
40 achieve equality of population as near as is practicable as  
41 required by the United States Supreme Court and other  
42 federal courts and at the same time adhere to all of these  
43 provisions of the West Virginia Constitution; but that, in an  
44 effort to adhere as closely as possible to all of these provi-  
45 sions of the West Virginia Constitution, the Legislature, in

46 dividing the state into senatorial districts, as described and  
47 constituted in subsection (d) of this section, has:

48 (1) Adhered to the equality of population concept, while at  
49 the same time recognizing that from the formation of this  
50 state in the year 1863, each Constitution of West Virginia  
51 and the statutes enacted by the Legislature have recognized  
52 political subdivision lines and many functions, policies and  
53 programs of government have been implemented along  
54 political subdivision lines;

55 (2) Made the senatorial districts as compact as possible,  
56 consistent with the equality of population concept;

57 (3) Formed the senatorial districts of “contiguous terri-  
58 tory” as that term has been construed and applied by the  
59 West Virginia Supreme Court of Appeals;

60 (4) Deviated from the long-established state policy,  
61 recognized in subdivision (1) above, by crossing county lines  
62 only when necessary to ensure that all senatorial districts  
63 were formed of contiguous territory or when adherence to  
64 county lines produced unacceptable population inequalities  
65 and only to the extent necessary in order to maintain  
66 contiguity of territory and to achieve acceptable equality of  
67 population; and

68 (5) Also taken into account in crossing county lines, to the  
69 extent feasible, the community of interests of the people  
70 involved.

71 (d) The Senate shall be composed of thirty-four senators,  
72 one senator to be elected at the general election to be held in  
73 the year 2012, and biennially thereafter for a four-year term  
74 from each of the senatorial districts hereinafter in this  
75 subsection described and constituted as follows:

76 (1) The first senatorial district consists of:

3647 (e) The West Virginia Constitution further provides, in  
3648 section four, article VI thereof, that where a senatorial  
3649 district is composed of more than one county, both senators  
3650 for such district shall not be chosen from the same county, a  
3651 residency dispersal provision which is clear with respect to  
3652 senatorial districts which follow county lines, as required by  
3653 such Constitution, but which is not clear in application with  
3654 respect to senatorial districts which cross county lines.  
3655 However, in an effort to adhere as closely as possible to the  
3656 West Virginia Constitution in this regard, the following  
3657 additional provisions, in furtherance of the rationale of such  
3658 residency dispersal provision and to give meaning and effect  
3659 thereto, are hereby established:

3660 (1) With respect to a senatorial district which is composed  
3661 of one or more whole counties and one or more parts of  
3662 another county or counties, no more than one senator shall  
3663 be chosen from the same county or part of a county to  
3664 represent such senatorial district;

3665 (2) With respect to a senatorial district which does not  
3666 contain any whole county but only parts of two or more  
3667 counties, no more than one senator shall be chosen from the  
3668 same part to represent such senatorial district; and

3669 (3) With respect to superimposed senatorial districts which  
3670 contain only one whole county, all senators shall be chosen  
3671 from such county to represent such senatorial districts.

3672 (f) Candidates for the Senate shall be nominated as  
3673 provided in section four, article five, chapter three of this  
3674 code, except that such candidates shall be nominated in  
3675 accordance with the residency dispersal provisions specified  
3676 in section four, article VI of the West Virginia Constitution  
3677 and the additional residency dispersal provisions specified in  
3678 subsection (e) of this section. Candidates for the Senate shall

3679 also be elected in accordance with the residency dispersal  
3680 provisions specified in said section and the additional  
3681 residency dispersal provisions specified in subsection (e) of  
3682 this section. In furtherance of the foregoing provisions of this  
3683 subsection, no person may file a certificate of candidacy for  
3684 election from a senatorial district described and constituted  
3685 in subsection (d) of this section if he or she resides in the  
3686 same county and the same such senatorial district wherein  
3687 also resides an incumbent senator, whether the senatorial  
3688 district wherein such incumbent senator resides was de-  
3689 scribed and constituted by chapter ten, Acts of the Legisla-  
3690 ture, Fifth Extraordinary Session 2001, or was described and  
3691 constituted in subsection (d) of this section or its immedi-  
3692 ately prior enactment. Any vacancy in a nomination shall be  
3693 filled, any appointment to fill a vacancy in the Senate shall  
3694 be made and any candidates in an election to fill a vacancy  
3695 in the Senate shall be chosen so as to be consistent with the  
3696 residency dispersal provisions specified in section four,  
3697 article VI of the West Virginia Constitution and the addi-  
3698 tional residency dispersal provisions specified in subsection  
3699 (e) of this section.

3700 (g) Regardless of the changes in senatorial district bound-  
3701 aries made by the provisions of subsection (d) of this section,  
3702 all senators elected at the general election held in the year  
3703 2008 and at the general election held in the year 2010 shall  
3704 continue to hold their seats as members of the Senate for the  
3705 term, and as representatives of the senatorial district, for  
3706 which each thereof, respectively, was elected. Any appoint-  
3707 ment made or election held to fill a vacancy in the Senate  
3708 shall be for the remainder of the term and as a representative  
3709 of the senatorial district, for which the vacating senator was  
3710 elected or appointed, and any such election shall be held in  
3711 the district as the same was described and constituted at the  
3712 time the vacating senator was elected or appointed.

3713 (h) The Secretary of State may promulgate rules and  
3714 regulations to implement the provisions of this section,  
3715 including emergency rules and regulations promulgated

3716 pursuant to the provisions of section five, article three,  
3717 chapter twenty-nine-a of this code.

**§1-2-2b. Precinct boundary changes.**

1 If an election precinct of this state includes territory  
2 contained in more than one congressional, senatorial or  
3 delegate district, as the congressional districts are estab-  
4 lished by section three of this article, the senatorial districts  
5 are established by section one of this article, and as the  
6 delegate districts are established by section two of this  
7 article, the county commission of the county in which the  
8 precinct is located shall, prior to January 21, 2012, alter the  
9 boundary lines of its election precincts so that no precinct  
10 contains territory included in more than one congressional,  
11 senatorial or delegate district.
