

AMD#5 Adopted- air quality study

Delegates Manchin, Fleischauer, Ireland, Anderson and Campbell move to amend the bill on page 65, line 11, by inserting a new section 18, to read as follows:

1 **22-6A-18. Air quality study and rulemaking.**

2 The secretary shall, by July 1, 2012, report to the
3 Legislature on the need for further regulation of air pollution
4 occurring from well sites, including the possible health impacts,
5 the need for air quality inspections during drilling, the need for
6 inspections of compressors, pits and impoundments, and any other
7 potential air quality impacts that could be generated from this
8 type of drilling activity that could harm human health or the
9 environment. If he or she finds that specialized permit conditions
10 are necessary, the Secretary shall promulgate legislative rules
11 establishing these new requirements.
