

HR 202 HFA Folk 8-13 #1

Hubbard 3192

Delegate Folk moves to amend House Resolution 202 on page twelve, after line forty-five, by adding a new Article fifteen to read as follows:

“

Article XV

1
2 That the said Justice Elizabeth Walker, being a Justice of the Supreme Court of Appeals
3 of West Virginia, unmindful of the duties of her high office, and contrary to the oaths taken by
4 her to support the Constitution of the State of West Virginia and faithfully discharge the duties of
5 her office as such Justice, while in the exercise of the functions of the office of Justice, in
6 violation of her oath of office, then and there, with regard to the discharge of the duties of her
7 office, did waste state funds with little or no concern for the costs to be borne by the tax payer
8 for unnecessary and lavish spending in that she hired outside counsel to craft a legal opinion of
9 the Court, in the case styled Quicken Loans, Inc. v. Walters, 801 S.E.2d 509, 239 W. Va. 494
10 (2017), and for which competent assistance in the form of personal clerks was provided to
11 facilitate the execution of the same; such action constitutes a wasteful expenditure not
12 necessary for the administration of justice and the execution of the duties of the Court, which
13 represents a waste of state funds.”
