30 at any time less than one hundred fifteen per cent of
31 the face amount of such obligations, and may be in-

33 stock, including debentures and surplus fund, with a

34 corresponding increase in market value of such staples
35 securing such obligation up to not less than one hun-

46 division thereof within ten years prior to the purchase
47 of such obligations), bonds or obligations issued un-

54 to the extent that they are secured or covered by guar-
55 anties, or by commitments or agreements to take over
56 or to purchase the same, made by any federal reserve
57 bank or by the United States or any department, board,
58 bureau, commission or establishment of the United
59 States, including any corporation wholly owned directly
60 or indirectly by the United States. Neither shall this

70 banking institution or the commissioner of banking or
71 any employee of the department of banking shall bor-

90 determined by amortization; that is, by deducting from
91 the cost of a security purchased at a premium, and charg-

93 maturity.

94 All acts or parts of acts in conflict with the provisions

Be it enacted by the Legislature of West Virginia:

That sections eighteen and nineteen, article eleven, chapter sixty-one of the code of West Virginia, one thousand nine hundred thirty-one, as last amended by chapter twenty-six, acts of the Legislature, regular session, one thousand nine hundred thirty-nine, be amended and reenacted to read as follows:

Section 18. *Punishment for Second or Third Offense of Felony.*—When any person is convicted of an offense and is subject to confinement in the penitentiary therefor, and it is determined, as provided in section nineteen of this article, that such person had been before convicted in the United States of a crime punishable by imprisonment in a penitentiary, the court shall, if the sentence to be imposed is for a definite term of years, add five years to the time for which the person is or would be otherwise sentenced. Whenever in such case the court imposes an indeterminate sentence, five years shall be added to the maximum term of imprisonment otherwise provided for under such sentence.

When it is determined, as provided in section nineteen hereof, that such person shall have been twice before convicted in the United States of a crime punishable by confinement in a penitentiary, the person shall be sentenced to be confined in the penitentiary for life.

Sec. 19. *Procedure in Trial of Persons for Second or Third Offense.*—It shall be the duty of the prosecuting attorney when he has knowledge of former sentence or sentences to the penitentiary of any person convicted of an offense punishable by confinement in the penitentiary to give information thereof to the court immediately

8 before expiration of the term at which such person was
9 convicted, cause such person or prisoner to be brought
10 before it, and upon an information filed by the prose-

12 and sentence, or convictions and sentences, as the case

16 is not, or remains silent, his plea, or the fact of his
17 silence, shall be entered of record, and a jury shall be
18 impaneled to inquire whether the prisoner is the same
19 person mentioned in the several records. If the jury
20 finds that he is not the same person, he shall be sentenced
21 upon the charge of which he was convicted as provided
22 by law; but if they find that he is the same, or after
23 being duly cautioned if he acknowledges in open court
24 that he is the same person, the court shall sentence him
25 to such further confinement as is prescribed by section
26 eighteen of this article on a second or third conviction,
27 as the case may be.

28 The clerk of such court shall transmit a copy of said
29 information to the warden of the penitentiary, together
30 with the other papers required by the provisions of sec-
31 tion ten, article eight, chapter sixty-two of the code of
32 West Virginia, one thousand nine hundred thirty-one.

33 Nothing contained herein shall be construed as repeal-
34 ing the provisions of section four, article eight, chapter
35 sixty-two of the code of West Virginia, one thousand
36 nine hundred thirty-one, but no proceeding shall be in-
37 stituted by the warden, as provided therein, if the trial
38 court has determined the fact of former conviction or
39 convictions as provided herein.

Article 6. Recognizances in Criminal Cases.

Section

2. When recognizance required; contents.

2-a. Cash deposits as recognizance without surety.

Be it enacted by the Legislature of West Virginia:

That section two, article six, chapter sixty-two of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted, and that said article be further amended by adding thereto a new section designated section two-a, all to read as follows:

Section 2. *When Recognizance Required; Contents.*—A
2 court, judge or justice letting any person to bail shall re-
3 quire a recognizance to be given.
4 Recognizances in criminal cases shall be payable to the
5 state of West Virginia. Every such recognizance shall be in
6 such sum and with such surety as the court or officer re-
7 quiring it may direct; and if it be a witness, it may be
8 with or without surety, as shall be deemed proper by the
9 court or officer taking it. The condition of such recog-
10 nizance shall be as follows, as the case may be:

11 (a) When it is taken of a person charged with a crim-
12 inal offense, that he appear before the court, judge or
13 justice, before whom the proceedings on such charge will
14 be, at such time as may be prescribed by the court or of-
15 ficer taking it, then and there to answer for the offense
16 with which such person is charged, and to any indict-
17 ment concerning any such offense that may be thereafter
18 returned, and then and there render himself amenable to
19 the order and process of the court, judge or justice,
20 and from term to term and time to time thereafter to
21 which the proceedings concerning such charge, and in-

22 dictment may be continued, until the matter is finally
23 terminated, and if convicted shall appear for judgment
24 and render himself in execution thereof upon such day
25 as the court, judge or justice may order;

26 (b) When it is taken of a witness in a case against any
27 person charged with an offense, that such witness will
28 appear at such time as may be prescribed by the court or
29 officer taking such recognizance, and give evidence on
30 such charge before the grand jury, court, judge or jus-
31 tice before whom such charge may be pending, and from
32 term to term and time to time thereafter until all mat-
33 ters concerning such charge shall be finally termina-
34 ted;

35 (c) And in either of the foregoing cases, that the per-
36 son so charged or said witness, as the case may be, shall
37 not depart thence without the leave of said grand jury,
38 court, judge or justice; and

39 (d) When taken for any other purpose than to appear
40 so to answer or give evidence, that the person of whom
41 it is taken shall keep the peace and be of good behavior
42 for such time, not exceeding one year, as the court or
43 officer requiring it may direct; and if such court or officer
44 directs, it may, when taken of a person charged with an
45 offense, be with condition for so keeping the peace and
46 being of good behavior, in addition to the other con-
47 ditions of his recognizance.

48 And when such recognizance is taken by a court or
49 justice of a person to answer a charge, or of a witness to
50 give evidence, it shall be sufficient for the order of the
51 court or justice taking said recognizance to state that
52 the person or persons recognized were duly recognized
53 in such sum as the court may have directed with such
54 surety as the court may have accepted for his or their
55 appearance before the court, judge or justice, at such
56 time as may have been prescribed by the court or justice,
57 to answer for the offense with which such person is
58 charged, or to give evidence, as the case may be.

2 Sec. 2-a. *Cash Deposits as Recognizance without Sur-*
3 *ety.*—Whenever a person arrested on a criminal charge
3 has been admitted to bail by a court or an officer auth-

4 orized by law so to do, for his appearance before any
5 court, judge or justice, he may, instead of entering into
6 a recognizance with surety as required by law, give his
7 personal recognizance and deposit, or cause to be de-
8 posited for him, in cash, the amount of bail he is re-
9 quired to furnish, with the clerk of the circuit court of
10 the county, or with the clerk of any other court in which
11 he was admitted to bail, and the clerk with whom such
12 deposit is made shall give him a certificate thereof, and up-
13 on delivering said certificate to the court or officer admit-
14 ting him to bail, he shall be ordered to be released.

15 If there be no default in the observance of the con-
16 ditions of the recognizance, then, upon the termination of
17 the proceedings, the money so deposited, shall, by order
18 of the trial court or justice, be refunded to the defendant,
19 or upon his order; but if there be any such default, the
20 same action shall be taken, and the same proceedings
21 had, with like rules governing, so far as applicable, as
22 if the recognizance had been with surety instead of with
23 cash deposit aforesaid, and the clerk having the money
24 shall dispose of the same, if there be a judgment of
25 forfeiture, in the same manner as other money received
26 on account of forfeited recognizances is required to be
27 disposed of.

28 The defendant may surrender himself at any time be-
29 fore default in the same manner as sureties may surren-
30 der their principal, and the money so deposited shall
31 thereupon, by order of the court or officer to which or
32 to whom such surrender was made, be returned to the
33 defendant, or on his order.

CHAPTER 35

(House Bill No. 30—By Mr. Callahan)

twenty-seven, acts of the Legislature, regular session, one thousand nine hundred forty-one, relating to adoption.

[Passed March 5, 1943; in effect from passage. Vetoed by the Governor and passed by both Houses notwithstanding veto.]

Article 4. Adoption.

Section

1. Who may adopt; petition to circuit court; consent of parents.
2. Contents of petition; age of petitioners.
3. Proceedings on petition; appointment of next friend; contents of decree.
4. Recording of decree, fees of clerk; records of adoption proceeding; notice to registrar of vital statistics; birth certificate.
5. Effect of decree as to relations of parent and child and rights of inheritance.
6. Revocation of adoption by judicial proceedings or by child itself at majority.
7. Adoption of adults.
8. Jurisdiction of courts.

Be it enacted by the Legislature of West Virginia:

That article four, chapter forty-eight of the code of West Virginia, one thousand nine hundred thirty-one, as last amended and reenacted by chapter twenty-seven, acts of the Legislature, regular session, one thousand nine hundred forty-one, be amended and reenacted to read as follows:

- Section 1. *Who May Adopt; Petition to Circuit Court; Consent of Parents.*—It shall be lawful for any person not married, or any husband with his wife's consent, or any wife with her husband's consent, or any husband and wife jointly, to petition the circuit court of the county wherein he, she or they may reside, or the judge of such court in vacation, for permission to adopt any minor child, and also to petition for a change of name of such child: *Provided*, That if such child be of the age of twelve years, or over, the written consent of such child to such adoption, given in the presence of the judge having jurisdiction thereof, must be obtained and presented with the petition, and also the written consent, duly acknowledged, of the parent or parents, if living; or, if both parents should be dead or unknown, or insane, or shall have abandoned the child sought to be adopted, or have been deprived of the custody of the person of such child by law, then and in such case, the written consent, acknowledged

19 as aforesaid, of the legal guardian of such child or those
20 having at the time the legal custody of the child, shall
21 be obtained and so presented. And if there be no legal
22 guardian nor any person having the legal custody of the
23 child, then such consent must be obtained from some
24 discreet and suitable person appointed by the court or
25 judge thereof to act as the next friend of such child in
26 the adoption proceedings. No such petition shall be made
27 or presented until after the child sought to be adopted
28 shall have lived in the home of the adopting parent or
29 parents for a period of six months.

Sec. 2. *Contents of Petition; Age of Petitioners.*—Such
2 petition shall set forth the name, age and place of resi-
3 dence of the petitioner or petitioners, and of the child, and
4 the name by which the child shall be known; whether
5 such child be possessed of any property, and a full de-
6 scription of the same, if any; whether such child has
7 either father or mother, or both, and if he, she or they are
8 alive, then the name or names, and place of residence of
9 such father or mother, or if such be the fact, that the
10 same are unknown to the petitioner or petitioners.

11 The persons petitioning as aforesaid shall be at least
12 fifteen years older than the child sought to be adopted,
13 and the petition shall be duly verified according to law.

Sec. 3. *Proceedings on Petition; Appointment of Next
2 Friend; Contents of Decree.*—Upon the presentation of
3 such petition to the court, or judge thereof in vacation,
4 the same shall be ordered filed with the clerk of such
5 court, and the court or judge thereof shall appoint
6 a day for the hearing of such petition and the examina-
7 tion under oath of the parties in interest. And the
8 court or judge thereof may adjourn the hearing of such
9 petition or the examination of the parties in interest
10 from time to time, as the nature of the case may re-
11 quire. Between the time of the filing of the petition for
12 adoption and the hearing thereon, the court may cause a
13 discreet inquiry to be made respecting the child, for the
14 purpose of ascertaining whether such child is a proper
15 subject for adoption, and shall cause a discreet inquiry to
16 be made respecting the home of the petitioner or petition-

17 ers to determine whether it is a suitable home for such
18 child. Such inquiry shall be made by any suitable person
19 or agency designated by the court, and the results thereof
20 shall be embodied in a full written report and shall be
21 submitted to the court at or prior to the hearing upon
22 the petition, and shall be filed with the records of the pro-
23 ceeding and become a part thereof. If it shall be neces-
24 sary, under the provisions of this article, that a discreet
25 and suitable person shall be appointed to act as the next
26 friend of the child sought to be adopted, then and in that
27 case the court or judge thereof shall order a notice of
28 the petition and of the time and place when and where the
29 appointment of next friend will be made, to be published
30 in some newspaper of general circulation in the county
31 where such court is located, once a week for two consecu-
32 tive weeks; and at the time and place so named and
33 upon due proof of the publication of such notice, the
34 court or judge thereof shall make such appointment, and
35 shall thereupon assign a day for the hearing of such
36 petition and the examination of the parties interested.
37 Upon the day so appointed the court or judge thereof shall
38 proceed to a full hearing of the petition and examination
39 of the parties in interest, under oath, and of such other
40 witnesses as the court or the judge thereof may deem
41 necessary to fully develop the standing of the petitioners
42 and their responsibility, and the status of the child
43 sought to be adopted; and if the court or judge thereof
44 shall be of the opinion from the testimony that the facts
45 stated in the petition are true, and if upon examination
46 the court or the judge thereof is satisfied that the peti-
47 tioner is, or the petitioners are, of good moral character,
48 and of respectable standing in the community, and are
49 able properly to maintain and educate the child sought
50 to be adopted, and that the best interests of the child
51 would be promoted by such adoption, then and in such
52 case the court or judge thereof shall make a decree re-
53 citing at length the facts proved and the name by which
54 the child shall thereafter be known, and declaring and
55 adjudging that from the date of such decree, the rights,
56 duties, privileges and relations, theretofore existing be-
57 tween the child and his or her parent or parents, shall be

58 in all respects at an end, excepting the right of inheritance;
59 and that the rights, duties, privileges and relations be-
60 tween the child and his or her parent or parents by
61 adoption, shall thenceforth in all respects be the same,
62 including the right of inheritance, as if the child had
63 been born to such adopting parent or parents in lawful
64 wedlock, except only as otherwise provided in this ar-
65 ticle.

Sec. 4. *Recording of Decree, Fees of Clerk; Records of*
2 *Adoption Proceeding; Notice to Registrar of Vital Sta-*
3 *tistics; Birth Certificate.*—The decree shall be recorded in
4 a book kept for that purpose, and the clerk shall receive
5 the same fees as in other cases in the circuit court or juve-
6 nile court, as the case may be. All records of proceedings in
7 adoption cases and all papers and records relating to such
8 proceedings shall be kept in a sealed file and shall not be
9 open to inspection or copy by anyone other than the par-
10 ties of record or their legal representatives, except upon
11 court order for good cause shown. No person in charge of
12 adoption records shall disclose the names of the adopting
13 parent or parents or adopted child except by court order.
14 Immediately upon the entry of such a decree of adoption,
15 the court shall direct the clerk thereof forthwith to make
16 and deliver to the state registrar of vital statistics a certifi-
17 cate under the seal of said court, showing:

18 (1) The date and place of birth of the adoptee, if
19 known;

20 (2) The names of the natural parents of the adoptee, if
21 known;

22 (3) The name by which said child has previously been
23 known;

24 (4) The names and addresses of the adopting parents;

25 (5) The name by which the child is to be thereafter
26 known; and

27 (6) Such other information from the record of said
28 adoption proceedings as may be required by the law of
29 this state relating to vital statistics, and as may enable the
30 state registrar of vital statistics to carry out the duty im-
31 posed upon him by this section.

32 Upon receipt of said certificate the said registrar of

33 vital statistics shall forthwith issue and deliver by mail
34 to the adopting parents at their last known address a
35 birth certificate in form required by law, except that the
36 name of the adoptee shown in said certificate shall be
37 the name given him by the decree of adoption.

Sec. 5. *Effect of Decree as to Relations of Parent and
2 Child and Rights of Inheritance.*—Upon the entry of such
3 decree of adoption, the parents of the child, if living,
4 shall be divested of all legal rights and obligations in
5 respect to the child, and the child shall be free from
6 all legal obligations of obedience or otherwise to the
7 parents, and the adopting parent or parents of the child
8 shall be invested with every legal right in respect to
9 obedience and maintenance on the part of the child,
10 as if such child had been born to them in lawful wedlock;
11 and the child shall be invested with every legal right,
12 privilege, obligation and relation in respect to educa-
13 tion, maintenance, and the right of inheritance in the
14 estate of such adopting parent or parents as if born
15 to him or them in lawful wedlock; except that such child
16 shall not be capable of taking property expressly lim-
17 ited to the heirs of the body of the adopting parent or
18 parents, nor property coming from the lineal or colla-
19 teral kindred of such adopting parent or parents by
20 right of representation: *Provided*, That on the death of the
21 adopting parent or parents and the subsequent death of
22 the child so adopted without issue, the property of such
23 adopting deceased parent or parents shall descend to or
24 be distributed among the next of kin of such parent or
25 parents, and not the next of kin of the child adopted:
26 *Provided further*, That if such adopting parent or parents
27 shall have another child or children, theirs by birth,
28 then, and in that case, the adopted child shall share the
29 inheritance with the child or children born to the adopt-
30 ing parent or parents, and in such case also, such adopted
31 child and such child or children by birth shall respectively
32 inherit from and through each other the property and
33 estate of the adopting parent or parents, as if all had been
34 children of such parent or parents born in lawful wedlock.
35 If, however, the adopting parent is, at the time of adop-

36 tion, married to one of the natural parents of the child, the
37 relation of the child to such natural parent shall be in no
38 way altered or affected by the provisions of this act.

Sec. 6. *Revocation of Adoption by Judicial Proceedings or by Child Itself at Majority.*—A parent
2 or guardian of a minor, when a minor is adopted
3 under the provisions of this article, who had no no-
4 tice of the proceedings, may, at any time within a
5 year after receiving notice thereof, apply by petition
6 to the circuit court in which the petition mentioned
7 in the first section was filed, praying that the adoption
8 may be vacated. The court applied to shall fix a date for
9 a hearing, shall cause notice thereof to be given to the
10 person or persons who were permitted to adopt such
11 minor, and, at the time so fixed, shall hear the petitioner
12 and all parties interested, and may vacate or affirm the
13 adoption in its discretion. Any party interested may ap-
14 peal to the supreme court of appeals from the decision
15 of the circuit court in the matter, as in cases of appeals
16 in chancery matters. When any minor has been adopted,
17 he may, within one year after becoming of age, sign,
18 seal and acknowledge before proper authority, in the
19 county in which the decree of adoption was made, a
20 dissent from such adoption, and file such instrument of
21 dissent in the office of the clerk of the county court of
22 such county, and such clerk shall record and index the
23 same. Upon the filing of such instrument of dissent the
24 adoption shall be vacated.
25

Sec. 7. *Adoption of Adults.*—Any adult person who is
2 a resident of West Virginia may petition the circuit court
3 for permission to adopt one who has reached the age of
4 twenty-one years or over, and, if desired, to change the
5 name of such person. The consent of the person to be
6 adopted shall be the only consent necessary. The order
7 of adoption shall create the same relationship between
8 the adopting parent or parents and the person adopted,
9 and the same rights of inheritance as in the case of an
10 adopted minor child. If a change in name is desired, the
11 adoption order shall so state.

Sec. 8. *Jurisdiction of Courts.*—In counties where the

- 2 circuit court does not sit as a juvenile court, concurrent
3 jurisdiction in adoption proceedings is hereby extended to
4 such juvenile courts.

CHAPTER 36

(Com. Sub. for Senate Bill No. 92—Originating in the Senate
Committee on Finance)

AN ACT to amend and reenact section eleven, article nine-a, chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended by chapter twenty-nine, acts of the Legislature, regular session, one thousand nine hundred forty-one, relating to the allocation of state aid to public schools and providing for increased salaries for teachers.

[Passed March 13, 1943; in effect ninety days from passage. Approved by the Governor.]

Article 9-a. State Aid for Schools.

Section

11. Allocation of state aid; salary increase for teachers.

Be it enacted by the Legislature of West Virginia:

That section eleven, article nine-a, chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as last amended, be amended and reenacted to read as follows:

- Section 11. *Allocation of State Aid; Salary Increase for Teachers.*—The board of finance shall then proceed to allocate the amount available for distribution as state aid (as certified by the state auditor in accordance with section six-a, article nine of this chapter) among the several counties as follows:
- (1) The board of finance shall first allocate to each county (a) forty-five per cent of the cost of the foundation program for that county, or (b) an amount equal to the difference between the cost of the foundation program for that county and the local share of revenue for that county; whichever of (a) or (b) is greater.

13 (2) The board of finance shall next allocate to each
14 county an amount to be computed by multiplying by
15 two hundred twenty-five the number of teachers ac-
16 tually employed by the county board for the current
17 school year, which number, for purposes of this sub-
18 section, shall in no instance exceed the number of teachers
19 approved for employment in such county by the board
20 of finance. It is the purpose of this subsection to pro-
21 vide for each teacher so approved a salary increase of
22 twenty-five dollars per month.

23 No part of the funds distributed under this subsection
24 shall be available for any purpose other than teachers'
25 salaries and no part of same shall be made available to
26 any county board which reduces salaries below the
27 salaries paid to teachers for the school year one thou-

29 dred forty-three, including the legal minimum salary
30 plus the excess salary paid by the county board for the
31 school year one thousand nine hundred forty-two and one
32 thousand nine hundred forty-three, except that such ex-
33 cess salary may be reduced on the approval of the board
34 of finance when such reduction is based on any or all of
35 the following factors affecting local revenues out of
36 which such excess salaries were paid: (a) Rejection by
37 the voters of the county of a special levy previously ap-
38 proved by the voters of the county and effective during
39 the school year one thousand nine hundred forty-two
40 and one thousand nine hundred forty-three or one thou-
41 sand nine hundred forty-three and one thousand nine
42 hundred forty-four; (b) a substantial decline in the
43 amount of revenue; (c) or other reasons approved by
44 the board of finance. The allocation made by this sub-
45 section (2) shall terminate on the thirteenth day of June,
46 one thousand nine hundred forty-five.

47 The additional salary received by any teacher as a
48 result of the provisions of this subsection shall not be
49 counted as earnable compensation for purposes of com-
50 puting members' contributions to the accumulation fund
51 of the state teachers' retirement system as prescribed in
52 section fourteen, article seven-a of this chapter.

53 (3) The board of finance shall then allocate the amount

54 remaining for distribution as state aid, after the require-
55 ments of (1) and (2) above have been met, among the
56 several counties of the state in a uniform proportion
57 to the number of teachers allotted each county. The
58 amount to be received by a county under this subsection
59 shall be computed by multiplying the amount available
60 for distribution to all the counties by the number
61 of teachers allotted to that county divided by the total
62 number of teachers allotted to all the counties of the
63 state.

64 The amount of state aid to be received by each county
65 shall be the sum of the amounts determined as the result
66 of (1), (2) and (3) above, and shall be used by the
67 several counties in the support of the schools. No county
68 shall employ more than the allotted number of teachers
69 without the prior consent of the board of finance. By
70 allotted number of teachers is meant the sum of three
71 per cent of the corrected average daily attendance in
72 elementary schools and four per cent of the corrected
73 average daily attendance in high schools. In determining
74 the corrected average daily attendance, under this
75 paragraph, a non-isolated elementary school shall be
76 counted as one full school and not as one-fourth of a
77 school.

11 each ballot will be separate and so as to conceal the mark-
12 ing, and shall, in the presence of such officer, be inclosed
13 in such envelope, together with any unused ballot, and

CHAPTER 51

(House Bill No. 39—By Mr. Taylor, of Mingo)

AN ACT to amend and reenact section seventeen, article four, and section nineteen, article five, chapter three of the code of West Virginia, one thousand nine hundred thirty-one, as last amended and reenacted by chapter forty-four, acts of the Legislature, regular session, one thousand nine hundred forty-one, relating to the conduct of primary and other elections, and voting therein.

[Passed March 1, 1943; in effect from passage. Approved by the Governor.]

Article

4. Nomination of Candidates.

5. Conducting Election; Ascertaining and Certifying the Result.

Be it enacted by the Legislature of West Virginia:

That section seventeen, article four, and section nineteen, article five, chapter three of the code of West Virginia, one thousand nine hundred thirty-one, as last amended and reenacted by chapter forty-four, acts of the Legislature, regular session, one thousand nine hundred forty-one, be amended and reenacted to read as follows:

Article 4. Nomination of Candidates.

Section

17. Conducting primary; voting.

Section 17. *Conducting Primary; Voting.*—Any person
2 offering to vote in a primary election shall be required to
3 sign his name in the space marked "signature of voter"
4 on the poll book prescribed in section thirteen of this ar-
5 ticle, and until such person shall so sign the poll book no
6 ballot shall be given to him. After having signed the poll
7 book, as aforesaid, a ballot shall be given to the voter by

8 the poll clerks. If such person is physically or otherwise
9 unable to sign his name, his mark shall be affixed by one
10 of the poll clerks in the presence of the other. The name of
11 the poll clerk affixing the mark of such person shall be
12 indicated beneath such affixation.

13 The clerks shall write their names at the place designated
14 on the back of the official ballot called for and deliver it to
15 the voter, who shall have but one ballot unless he shall re-
16 turn the same spoiled; if he shall return the same spoiled,
17 the clerks shall immediately destroy the ballot so spoiled,
18 and deliver to him another ballot in the same manner as
19 they delivered the first one. The voter shall then forthwith,
20 and without leaving the room, return alone to the booth or
21 compartment prepared for the purpose, and there prepare
22 his ballot. Any voter, because of illiteracy or disability, as
23 shown by the registration record, may receive the as-
24 sistance as provided for in section twenty-one, article five,
25 chapter three of the code of West Virginia.

26 After preparing the ballot, the voter shall fold the
27 same so that the face shall not be exposed, but so as to
28 show plainly the name of the political party and the
29 names of the poll clerks signed thereon. The voter shall
30 then announce his name and present his ballot to the
31 commissioner of his party, if there be one, who shall hand
32 the same to another election official, who shall deposit it
33 in the ballot box, if such ballot is the official one and
34 properly signed. When the voter has voted, he shall retire
35 immediately from the election room, and beyond the
36 sixty-foot limit thereof, and shall not return, except by
37 permission of the commissioners.

Article 5. Conducting Election; Ascertaining and Certifying the Result.

Section

19. Conducting elections other than primaries; voting.

Section 19. *Conducting Elections Other than Primaries; Voting.*—Any person offering to vote in an election shall
2 sign his name in the space marked “signature of voter”
3 on the poll book prescribed in section twelve of this
4 article before being given a ballot, and after such person
5 shall have so signed the poll book a ballot shall be given
6

7 him by the poll clerks. If such person is physically or
8 otherwise unable to sign his name, his mark shall be
9 affixed by one of the poll clerks in the presence of
10 the other. The name of the poll clerk affixing the mark
11 of such person shall be indicated beneath such affixa-
12 tion.

13 The clerks shall write their names at the place desig-
14 nated on the back of the official ballot called for and de-
15 liver it to the voter, who shall have but one ballot un-
16 less he shall return the same spoiled; if he shall re-
17 turn the same spoiled, the clerks shall immediately
18 destroy the ballot so spoiled, and deliver to him another
19 ballot in the same manner as they delivered the first
20 one.

21 On receipt of the ballot the voter shall forthwith, and
22 without leaving the election room, retire alone to one
23 of the booths or compartments provided for the pur-
24 pose and shall prepare the ballot, using a black lead
25 pencil or other means for the purpose, and observing the
26 following rules:

27 (a) If the voter desires to vote a straight ticket, or, in
28 other words, for each and every candidate for one party
29 for whatever office nominated, he shall either:

30 (1) Make a cross mark in the circular space below
31 the device and above the name of the party at the
32 head of the ticket; or

33 (2) Make a cross mark on the left and opposite the
34 name of each and every candidate of such party in
35 the blank space provided therefor; or

36 (3) Mark out, by lines, all the tickets on the ballot,
37 other than the ticket he desires to vote.

38 (b) If the voter desires to vote a mixed ticket, or,
39 in other words, for candidates of different parties, he shall
40 either:

41 (1) Omit making a cross in the circular space above
42 the name of the party, and make a cross mark in the
43 blank space before the name of each candidate for
44 whom he desires to vote on whatever ticket the name may
45 be; or

46 (2) Make a cross mark in the circular space above
47 the name of the party for some of whose candidates he

48 desires to vote, and then make a cross mark before the
49 name of any candidate of any other party for whom
50 he may desire to vote; in which case the cross mark
51 in the circular space above the name of the party will
52 cast his vote for every candidate on the ticket of such
53 party except for offices for which candidates are marked
54 on other party tickets, and the cross marks before the
55 name of such candidates will cast his vote for them;
56 or

57 (3) Write with black lead pencil or other means the
58 name of any person for whom he desires to vote in
59 the space immediately below the name of the oppos-
60 ing candidate for the same office, on the ticket voted
61 by him, and the name so written shall be counted.

62 If, in marking either a straight or mixed ticket as
63 above defined, a cross mark is made in the circular space
64 above the name of a party at the head of the ticket,
65 and also one or more cross marks made before the name
66 or names of candidates on the same ticket for offices
67 for which candidates on other party tickets are not
68 individually marked, such marks before the name of
69 candidates on the ticket so marked shall be treated as
70 surplusage and ignored.

71 If the voter desires to vote for any person whose name
72 does not appear on the ticket, he may substitute the
73 name by writing it with black pencil or other means in
74 the proper place, and making a cross mark in the blank
75 space at the left of the name so written.

76 If the voter marks more names than there are persons
77 to be elected to an office, or if, for any reason, it is
78 impossible to determine the voter's choice, for an office
79 to be filled, the ballot shall not be counted for such of-
80 fice.

81 No ballot shall be rejected for any technical error
82 which does not make it impossible to determine the voter's
83 choice.

84 After preparing the ballot the voter shall fold the
85 same so that the face shall not be exposed and so that
86 the names of the poll clerks thereon shall be seen. The
87 voter shall then announce his name and present his
88 ballot to one of the commissioners, who shall hand the

89 same to another commissioner of a different political
90 party, who shall deposit it in the ballot box, if such
91 ballot is the official one and properly signed. The com-
92 missioners of election may inspect every ballot before
93 it is deposited in the ballot box, to ascertain whether
94 it is single, but without unfolding or unrolling it, so
95 as to disclose its content. When the voter has voted,
96 he shall retire immediately from the election room, and
97 beyond the sixty-foot limit thereof, and shall not return,
98 except by permission of the commissioners.

31 of such office.

32 Any vacancy in any other office filled by appointment,
33 or in any office hereafter created to be filled by appoint-
34 ment, shall be filled by the same person, court or body
35 authorized to make appointment to such office for the full
36 term thereof.

13 subsections (a), (b), (c), (e), (f), (l) and (n) of section
14 eleven of this article. Every such policy shall contain
15 Form (A) of the standard provision required by sub-
16 section (g) of said section, and Form (A) of the stand-

76 insurer. The insurance commissioner may disapprove any
77 such policy if it contains any provision which, in his

17 event that the insured or annuitant shall become totally

18 and permanently disabled as defined by the contract or
19 supplemental contract.

20 (d) Nothing in this article shall apply to or in any

29 insurance heretofore approved by the insurance commis-
30 sioner may continue to be issued for delivery in this state
31 until October first, one thousand nine hundred forty-
32 three, but no such policy form, rider, or endorsement may

34 sequent to the effective date of this act, it has been filed
35 with the insurance commissioner in accordance with
36 section nine, article eleven, or section two, article thirteen,
37 as amended, whichever is applicable.

3 enter into reciprocal arrangements with appropriate and
4 duly authorized agencies of other states or the federal
5 government, or both, whereby:

6 (1) Services performed by an individual for a single
7 employing unit for which services are customarily per-
8 formed by such individual in more than one state shall
9 be deemed to be services performed entirely within any
10 one of the states (i) in which any part of such indi-
11 vidual's service is performed or (ii) in which such in-
12 dividual has his residence or (iii) in which the employ-
13 ing unit maintains a place of business, provided there is
14 in effect, as to such services, an election by an employing
15 unit, with the acquiescence of such individual, and ap-
16 proved by the agency charged with the administration
17 of such state's unemployment compensation law, pursu-
18 ant to which services performed by such individual for
19 such employing unit are deemed to be performed entirely
20 within such state;

21 (2) Potential rights to benefits accumulated under the
unemployment compensation laws of one or more states

22 or under one or more such laws of the federal govern-
23 ment, or both, may constitute the basis for the payment
24 of benefits through a single appropriate agency under
25 terms which the director finds will be fair and reasonable
26 as to all affected interests and will not result in any sub-
27 stantial loss to the fund;

28 (3) Wages or services, upon the basis of which an in-
29 dividual may become entitled to benefits under an un-
30 employment compensation law of another state or of the
31 federal government, shall be deemed to be wages for

33 to benefits under this chapter, and wages for insured
34 work, on the basis of which an individual may become
35 entitled to benefits under this chapter and shall be
36 deemed to be wages or services on the basis of which
37 unemployment compensation under such law of another
38 state or of the federal government is payable, but no
39 such arrangement shall be entered into unless it contains
40 provisions for reimbursements to the fund for such of
41 the benefits paid under this chapter upon the basis of
42 such wages or services, and provisions for reimburse-
43 ments from the fund for such of the compensation paid
44 under such other law upon the basis of wages for in-
45 sured work, as the director finds will be fair and reason-
46 able as to all affected interests; and

47 (4) Contributions due under this chapter with respect
48 to wages for insured work shall for the purposes of this
49 chapter be deemed to have been paid to the fund as of
50 the date payment was made as contributions therefor
51 under another state or federal unemployment compensa-
52 tion law, but no such arrangement shall be entered into
53 unless it contains provisions for such reimbursement to
54 the fund of such contributions as the director finds will
55 be fair and reasonable as to all affected interests.

56 (b) Reimbursements paid from the fund pursuant to
57 paragraph (three) of subsection (a) of this section shall
58 be deemed to be benefits for the purpose of this chapter.
59 The director is authorized to make to other state or fed-
60 eral agencies and to receive from such other state or fed-
61 eral agencies, reimbursements from or to the fund, in ac-

62 cordance with arrangements entered into pursuant to sub-
63 section (a) of this section.

64 (c) To the extent permissible under the laws and Con-
65 stitution of the United States, the director is authorized to
66 enter into or cooperate in arrangements whereby facili-
67 ties and services provided under this chapter and facilities
68 and services provided under the unemployment compen-
69 sation law of any foreign government, may be utilized for
70 the taking of claims and the payment of benefits under
71 the employment security law of this state or under a

10-b. Transfer of business.

12. Auxiliary rates.

17-a. Summary assessments.

Section 2. *Duration.*—Except as otherwise provided in
2 section three of this article, an employing unit shall cease
3 to be an employer subject to this chapter only as of the
4 first day of any calendar year and only if it files with the
5 director not later than January thirty-first of such year, a
6 written application for termination of coverage, as of such
7 first day of January, and the director finds that there were

8 no twenty different days, each day being in a different
9 calendar week within the preceding calendar year, within
10 which such employing unit had eight or more individuals
11 in employment subject to this chapter: *Provided, however,*
12 That the director may for good cause extend the time for
13 filing application for termination of coverage, effective as
14 of the first day of the next succeeding quarter after the
15 application is approved.

Sec. 7. *Separate Accounts.*—(1) The director shall
2 maintain a separate account for each employer, and shall
3 credit his account with all contributions heretofore and
4 hereafter paid by him. Nothing in this act shall be con-
5 strued to grant any employer or individual in his service
6 prior claims or rights to the amounts paid by him into
7 the fund, either on his own behalf or on behalf of such
8 individuals.

9 (2) Benefits paid to an eligible individual shall be
10 charged against the accounts of his base period employers.
11 The amount of benefits so chargeable against each base
12 period employer's account shall bear the same ratio to the
13 total benefits paid to an individual as the base period
14 wages paid to such individual by such employer bear to
15 the total amount of base period wages paid to such
16 individual by all his base period employers.

17 (3) The director shall, for the year one thousand nine
18 hundred forty-one and for each calendar year thereafter,
19 classify employers in accordance with their actual expe-
20 rience in the payment of contributions on their own be-
21 half and with respect to benefits charged against their
22 accounts, with a view of fixing such contribution rates as
23 will reflect such experience. For the purpose of fixing
24 such contribution rates for each calendar year the books
25 of the department shall be closed on January thirty-one
26 of such year, and any contributions thereafter paid with
27 respect to wages paid for employment during preceding
28 calendar years, as well as benefits thereafter paid with re-
29 spect to compensable weeks ending on or before Decem-
30 ber thirty-one of the preceding year, shall not be taken
31 into account until the time for fixing contribution rates
32 for the succeeding calendar year.

Sec. 9. *Experience Ratings; Fund Stabilization.*—An

2 employer's payment-rate shall be reduced only as of Janu-
3 ary one of a calendar year and shall not be reduced below
4 two and seven-tenths per cent:

5 (1) Prior to January one, one thousand nine hundred
6 forty-one.

7 (2) Thereafter, unless the total assets of the fund, ex-
8 cluding payments payable at the beginning of the year
9 exceed the total benefits paid from the fund within the
10 last preceding year.

Sec. 10. *Experience Ratings; Decreased Rates.*—On and

2 after January one, one thousand nine hundred forty-
3 three, after the requirements of section nine have been
4 complied with, an employer's payment shall remain two
5 and seven-tenths per cent (2.7%), until: (1) There has
6 elapsed three consecutive years throughout which an in-
7 dividual in his employ could have received benefits if
8 unemployed and eligible.

9 (2) His payments credited to his account for all past
10 years exceed the benefits charged to his account by an
11 amount equal to at least five and one-half per cent (5.5%)
12 of his average annual payroll, in which case his rate shall
13 be two and four-tenths per cent (2.4%).

14 (3) His payments credited to his account for all past
15 years exceed the benefits charged to his account by an
16 amount equal to at least six and one-half per cent (6.5%)
17 of his average annual payroll, in which case his rate shall
18 be two and one-tenth per cent (2.1%).

19 (4) His payments credited to his account for all past
20 years exceed the benefits charged to his account by an
21 amount equal to at least seven and one-half per cent
22 (7.5%) of his average annual payroll, in which case his
23 rate shall be one and eight-tenths per cent (1.8%).

24 (5) His payments credited to his account for all past
25 years exceed the benefits charged to his account by an
26 amount equal to at least eight and one-half per cent (8.5%)
27 of his average annual payroll, in which case his rate shall
28 be one and four-tenths per cent (1.4%).

29 (6) His payments credited to his account for all past
30 years exceed the benefits charged to his account by an

31 amount equal to at least ten per cent (10%) of his average
32 annual payroll, in which case his rate shall be nine-
33 tenths of one per cent (0.9%).

34 The director shall determine an employer's compliance
35 with these requirements.

Sec. 10-a. *Suspension of Decreased Rates.*—(1) If at any
2 time or times the unemployment compensation fund, in-
3 cluding the trust fund, clearing account, and benefit ac-
4 count, and excluding therefrom the amount required to
5 pay the benefit liability then accrued and unpaid, shall
6 fall below the sum of twenty-five million dollars, the di-
7 rector shall suspend the decreased rates as provided in
8 the chapter, and all contributions of employers which are
9 due and payable upon the next due date following such
10 suspension shall be paid at the rate of two and seven-
11 tenths per cent.

12 (2) As of January first next following the calendar year
13 in which the unemployment compensation fund, including
14 the trust fund, clearing account, and benefit account,
15 and excluding therefrom the amount required to pay the
16 benefit liability then accrued and unpaid, reaches the sum
17 of thirty million dollars, the director shall supersede such
18 suspension. New rates shall thereupon be computed as
19 provided in this chapter.

Sec. 10-b. *Transfer of Business.*—If a subject employer
2 shall transfer his entire organization, trade or business,
3 or substantially all the assets thereof, to another em-
4 ployer, the director shall combine the contribution records
5 and the benefit experience records of the transferring and
6 acquiring employers. The acquiring employer's contribu-
7 tion rate for the remainder of the calendar year shall not
8 be affected by the transfer but such rate shall apply to
9 the whole of his business, including the portion acquired
10 by the transfer, through the following December thirty-
11 first. If a subject employer shall make such transfer to
12 an employing unit which is not an employer on the date
13 of the transfer, such subject employer's rate shall con-
14 tinue as the rate of the acquiring employing unit until
15 the next computation date.

2 Sec. 12. *Auxiliary Rates.*—This section is hereby re-
3 pealed.

4 Sec. 17-a. *Summary Assessments.*—(1) If an employer
5 fails to file reports for the purpose of determining the
6 amount of contribution in accordance with the regulations
7 of the director, or files manifestly incorrect or insufficient
8 reports, the director may assess the contribution and any
9 interest due on the basis of the information submitted by
10 the employer or on the basis of an estimate as to the
11 amount due, and shall give written notice of such assess-
12 ment to such employer: *Provided*, That such assessment
13 shall be subject to redetermination by the director upon

17 the propriety of the description of lands as delinquent,
18 forfeited, escheated, or waste and unappropriated.

Sec. 7. *Operating Fund for Land Department in Auditor's Office.*—The auditor shall set up a special operating
2 fund for the land department in his office. He shall pay
3 into such fund all redemption fees, all publication or

9 after certification and before sale. The fund shall be used
10 by the auditor to pay any sums owing him to deputy com-

12 this article, circuit court costs, and costs for preparation
13 and service of notices under the provisions of this article,

11 shall likewise report all lands which escheat to the state.

Sec. 9. *Auditor to Certify List of Lands to Be Sold.*—
2 On or after the first day of January, one thousand nine
3 hundred forty-three, and on or before the first day of
4 July of each year thereafter, the auditor shall certify to

13 costs incurred by the auditor in the preparation of the
14 list, and in the event of any sale or redemption, the same
15 shall be paid into the operating fund provided for in this
16 article.

17 Each of the four classes of land subject to sale shall be
18 listed separately. The list shall be arranged by districts
19 and, except in the case of waste and unappropriated lands,
20 alphabetically by name of the former owner. The list
21 shall state as to each item listed, the information required
22 by section six of this article to be set forth in the auditor's
23 record of delinquent lands, and shall specify as to each
24 tract listed as delinquent or forfeited, the amount of taxes
25 and interest due for each year prior to certification, the
26 publication and other charges due, with interest, and the
27 total currently due, which total shall, except for the re-
28 demption fee, correspond to the sum required for redemp-
29 tion from the auditor on the date of certification. The
30 specification of taxes due shall, as to delinquent land, com-
31 mence with those for nonpayment of which it was sold,
32 and as to forfeited land, with those properly chargeable
33 to it for the first year of nonentry.

34 The items listed shall be numbered consecutively, and
35 all subsequent orders, entries, applications or proceedings
36 under this article in respect to any item shall refer to its
37 number and to the year of certification. All tracts, lots,
38 or parcels sold to the state as a unit shall be treated by
39 the auditor as a single item for purposes of certification.
40 Subject to the provisions of this section, the auditor shall
41 prescribe a form for the list and shall provide in such
42 form adequate space to show the subsequent history and
43 final disposition of each item certified.

44 The list shall be made in quadruplicate. The auditor
45 shall keep the original, and shall send one copy to the clerk
46 of the circuit court, one to the clerk of the county court,

47 and one to the deputy commissioner. The clerk of the
48 county court shall bind his copy in a permanent book to
49 be labeled "Report of State Commissioner of Forfeited
50 and Delinquent Lands", and shall note the fact of the cer-
51 tification of each item on his record of delinquent lands.
52 The clerk of the circuit court shall preserve his copy in a
53 suitable and convenient manner until each item therein
54 certified has been finally disposed of. Such copies shall
55 become a permanent record, as to such delinquent and
56 forfeited lands, and shall be preserved as such in the
57 auditor's and county clerk's offices.

Sec. 10. *Redemption After Certification and Before Sale.*

2 —In order to redeem after certification and before sale,
3 any person having a right of redemption under the pro-
4 visions of section eight, article three of this chapter, must
5 apply to the deputy commissioner. The deputy com-
6 missioner shall thereupon compute the amount required
7 for redemption by adding to the amount stated in the
8 auditor's list as the total due on the date of certification,
9 interest on such amount at the rate of twelve per cent
10 per annum from such date to the date of redemption,
11 and such of the following fees and charges as may be
12 due: (1) Such fee for the certificate of redemption as
13 is provided by section nine, article three of this chapter,
14 for redemption from the auditor, together with an addi-
15 tional fee of one dollar for the deputy commissioner for
16 execution of the certificate. (2) A charge of one dollar
17 for preparation and certification of the list. (3) A fee of
18 one dollar for compensation of the deputy commissioner.
19 (4) A charge of one dollar for costs of the proceedings
20 in the circuit court, if redemption is after application to
21 the court as provided in section fourteen of this article.
22 (5) A charge of one dollar for publication and posting of
23 the list and the notice of sale, if redemption is after pub-
24 lication has begun.

25 The amount so found to be due shall be entered by
26 the deputy commissioner on a blank order, to be signed
27 by him, directing the sheriff to receive and give his re-
28 ceipt for such amount. The order, thus filled in and signed,
29 shall be presented to the sheriff when payment is made.

30 The auditor shall prescribe the form of the order, and
31 shall furnish copies thereof to each deputy commissioner.

32 Partial redemption, as provided for in sections eight and
33 thirteen, article three of this chapter, shall not be al-
34 lowed at any time after certification.

Sec. 21. *Sale by Deputy Commissioner; Report to Cir-*
2 *cuit Court.*—On the day fixed by order of the court or
3 judge, the deputy commissioner shall sell, in the man-
4 ner specified in the notice of sale and for at least the
5 amount stated to be due in the published list of lands
6 to be sold, each unredeemed item included in such list,
7 unless the sale thereof has been suspended. If the sale
8 is not completed on that day, it shall be continued from
9 day to day until all the land has been disposed of. For
10 the purpose of receiving the proceeds of the sale, it shall
11 be the duty of the sheriff to attend all such sales con-
12 ducted by the deputy commissioner in his county.

13 The deputy commissioner shall prepare a report for the
14 circuit court which shall show what was done with re-
15 spect to all lands ordered to be sold. The report shall
16 state as to each item whether it was redeemed before
17 sale, was suspended from sale, or was sold, and if sold,
18 the name of the purchaser. The report shall, within ten
19 days after the sale, be filed with the clerk of the circuit
20 court, who shall note on his certified list the information
21 given with respect to each tract.

Sec. 22-a. *Return of Purchase Money.*—Whenever, after
2 sale and before confirmation thereof, it is discovered that
3 the land sold was nonexistent or that it had been the
4 subject of a duplicate or improper assessment or was
5 transferred to others under the provisions of article thir-
6 teen of the constitution of the state of West Virginia, the
7 purchaser shall be entitled to a return of the purchase
8 money. Upon request of a purchaser so entitled, it shall
9 be the duty of the deputy commissioner to apply to the
10 circuit court, or to the judge thereof in vacation, for an
11 order directing the sheriff to return the purchase money.
12 If satisfied that the application is proper, the court or
13 judge shall enter the order applied for, but no costs shall

14 be taxed in connection with such an application. Upon
15 entry of such an order, the clerk of the court shall no-
16 tify the assessor, who shall make the necessary correc-
17 tions in the land books in his office.

Sec. 28. *Redemption After Sale to Public Land Cor-
2 poration and Before Confirmation.*—After the sale of any
3 forfeited or delinquent land to the public land corpora-
4 tion, any person having a right of redemption under the
5 provisions of section eight, article three of this chapter,
6 may redeem such land at any time before confirmation
7 of the sale by paying to the sheriff upon the order of
8 the deputy commissioner the following amounts: (1)
9 The amount for which the property was bid in for the
10 public land corporation, with interest at the rate of
11 twelve per cent per annum from the date of sale. (2) Such
12 fee for the certificate of redemption as is provided by
13 section nine, article three of this chapter, for redemption
14 from the auditor, together with an additional fee of one
15 dollar for the deputy commissioner for execution of the
16 certificate. (3) Such compensation for preparing the list
17 of those to be served with notice as may have been earned
18 by the deputy commissioner under the provisions of sec-
19 tion thirty-three of this article. (4) All expenses which
20 may have been incurred in giving the notice required by
21 sections thirty-seven and thirty-eight of this article.

22 Upon presentation to the deputy commissioner of the
23 sheriff's receipt for the amount due, the deputy commis-
24 sioner shall issue a certificate of redemption as required
25 by section eleven of this article, and shall comply with
26 all other provisions of that section in respect to such
27 certificate. The deputy commissioner shall report the re-
28 demption to the clerk of the circuit court, who shall note
29 the fact of redemption on his certified list.

Sec. 32. *Conditions Precedent to Confirmation of Sale
2 to Individual Purchaser.*—In order to have the sale of any
3 forfeited or delinquent land confirmed, an individual pur-
4 chaser, his heirs or assigns, within ninety days after the
5 sale, or within such extension of time as may for good
6 cause shown be granted by the court or judge during the
7 ninety-day period, must: (1) Secure and file with the

8 clerk of the circuit court the report or plat and descrip-
9 tion provided for in section thirty-four of this article;
10 (2) examine the title in order to prepare a list of those
11 to be served with notice to redeem, and apply to the court
12 or judge for an order directing the clerk to prepare and
13 serve the notice as provided in sections thirty-six and
14 thirty-eight of this article; and (3) deposit, or offer to
15 deposit, with the clerk a sum sufficient to cover the cost
16 of preparing and serving the notice. A purchaser of
17 escheated or waste and unappropriated land must meet
18 only the first of these requirements and, as soon as he
19 has done so, may apply for an order confirming the sale.
20 For failure to do anything required by this section within
21 the time allowed, the purchaser shall lose all the benefits
22 of his purchase, and the land shall be included by the
23 auditor in his next certification of lands to the circuit
24 court.

25 If the person requesting preparation and service of the
26 notice is an assignee of the purchaser, he shall, at the
27 time of the request, file with the clerk a written assign-
28 ment to him of the purchaser's rights, executed, acknowl-
29 edged and certified in the manner required to make a
30 valid deed.

Sec. 34. Report or Survey of Real Estate Purchased.—

2 An individual purchaser, his heirs or assigns, must at
3 his or their expense have the county surveyor or some
4 competent surveyor or civil engineer make such a report
5 or survey of the real estate purchased as is required by
6 section twenty-one, article three of this chapter. The
7 report or plat and description must be filed with the clerk
8 of the circuit court within ninety days after the sale, or
9 within the extension of time granted by the court or judge
10 as provided in section thirty-two of this article. The fact
11 and time of such filing shall be endorsed by the clerk on
12 the report or on the plat and description and shall be noted
13 by him on his certified list.

*Sec. 38. Service of Notice.—*As soon as the clerk has

2 prepared the notice provided for in either of the two
3 preceding sections, he shall cause it to be served upon

4 the following persons: (1) The person in whose name
5 the real estate was forfeited or was returned delinquent
6 and sold, or, in case of his death, his heir or devisee and
7 his personal representative, if such there be; (2) any
8 grantee of such person, or his heir or devisee and his per-
9 sonal representative, if such there be, if a conveyance of
10 such real estate is recorded or filed for record in the of-
11 fice of the clerk of the county court; (3) any person hav-
12 ing a lien upon such real estate disclosed by any paper
13 recorded in the county clerk's office, and (4) any other
14 person having such an interest in the property as would
15 entitle him to redeem, if the existence of such interest
16 appears of record.

17 The notice shall be personally served upon all such per-
18 sons residing or found in the state in the manner pro-
19 vided for serving process commencing a suit, on or be-
20 fore the fifteenth day following the order for service of
21 such notice. If any person entitled to notice is a non-
22 resident of the state or if his residence is unknown to
23 the clerk and cannot by due diligence be discovered, the
24 notice shall be served by publication, directed to him, his
25 heirs, and his or their assigns, once a week for three
26 successive weeks in some newspaper published in the
27 county in which such real estate is located, or if no
28 newspaper is published in the county, then in some
29 newspaper of general circulation in the county; and if
30 the person so named be deceased, the notice so pub-
31 lished shall constitute notice to his heirs and their
32 assigns. If service by publication is necessary, publica-
33 tion shall be commenced within three weeks after the
34 order for service of the notice was made, and a copy of the
35 notice shall at the same time be sent by registered mail,
36 return receipt requested, to the last known address of
37 the person served. The return of service of such notice
38 and the affidavit of publication, if any, shall be in the
39 manner provided for process generally, and shall be filed
40 and preserved by the clerk in his office, together with
41 any return receipts for notices sent by registered mail.

42 The cost of serving notices to redeem from the public
43 land corporation shall be paid out of the operating fund
44 for the land department in the auditor's office.

2 Sec. 43. *Title Acquired.*—Whenever, under the provi-
3 sions of this article, a purchaser, his heirs or assigns, shall
4 have obtained a deed for any real estate from the deputy
5 commissioner, he or they shall thereby acquire all such
6 right, title, and interest, in and to the real estate, as was,
7 at the time of the execution and delivery of the deed,
8 vested in or held by the state or by any person who was
9 entitled to redeem, unless such person is one who, being
10 required by law to have his interest separately assessed
11 and taxed, has done so and has paid all the taxes due
12 thereon, or unless the rights of such person are expressly
13 saved by the provisions of sections twenty-four, forty-five,
14 forty-six, forty-seven or forty-nine of this article. The
15 deed shall be conclusive evidence of the acquisition of
16 such title. The title so acquired shall relate back to the
17 date of the sale. The title acquired by the public land
18 corporation upon confirmation of a sale to it shall be the
19 same as that acquired by an individual purchaser under
the provisions of this section.

2 Sec. 50. *Annual Report of Deputy Commissioner to*
3 *Auditor.*—In December of each year the deputy commis-
4 sioner shall prepare a report, on forms to be furnished
5 by the auditor, showing the present status of, and all
6 steps which have been taken in the proceeding in respect
7 to, each item certified to the circuit court in his county,
8 final disposition of which is not shown in any preceding
9 annual report. Such report shall be prepared in quin-
10 tuplet. On or before the last day of December the original
11 shall be sent to the auditor, one copy to the clerk of the
12 county court, and one copy to the clerk of the circuit court,
13 each of whom shall make the necessary notations on his
14 certified list. The fourth copy shall be sent to the assessor,
15 who shall make the necessary changes in his land books.
16 For failure to make the report required by this section,
17 the deputy commissioner shall forfeit one hundred dol-
lars.

42 unless he is a bona fide retail dealer of such goods or
43 services. The term "wholesale dealer" shall also include
44 any person engaged in this state in the business of selling

75 service rendered for resale.

76 (12) "Personal service" shall include those:

77 (a) Compensated by the payment of wages in the ordi-
78 nary course of employment;

79 (b) Rendered to the person of an individual without,
80 at the same time, selling tangible personal property or

82 shining, manicuring, and similar services;

83 (13) "Taxpayer" shall mean a retail dealer.

Sec. 10. *Tax Paid by a Consumer.*—It is the intent of this

12 the court.

Sec. 17. *Lien of Tax; Penalties; Recording.*—A tax due
2 and unpaid under this article shall be a debt due the state.
3 It shall be a personal obligation of the taxpayer and shall
4 be a lien upon all the property of the taxpayer, provided
5 no such lien shall be enforceable against a purchaser
6 (including lien creditors) for valuable consideration with-
7 out notice, unless it be docketed in the office of the clerk
8 of the county court in the county wherein such property
9 is located before a deed of trust, or bill of sale therefor
10 to such purchaser is delivered for record to the clerk of
11 the county court of such county.

12 The taxpayer who fails to file his return and remit the

CHAPTER 94

(Com. Sub. for Senate Bill No. 68—Originating in the Senate Committee on the Judiciary)

[Passed March 13, 1943; in effect ninety days from passage. Approved by the Governor.]

Article 3. Assessments Generally.

Section

10. Failure to list property, etc.; collection of penalties and forfeitures.

Be it enacted by the Legislature of West Virginia:

That section ten, article three, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

Section 10. *Failure to List Property, Etc.; Collection of*

2 *Penalties and Forfeitures.*—If any person, firm or corpora-
3 tion, including public service corporations whose duty it is
4 by law to list any real estate or personal property for
5 taxation, shall refuse to furnish a proper list thereof or
6 refuse to furnish a list within the time required by law,
7 or to make such oath as required by this chapter; or if any
8 person, firm or corporation, including public service cor-
9 porations, shall refuse to answer or shall answer falsely
10 any question asked by the assessor or by the tax com-
11 missioner, or shall fail or refuse to deliver any statement
12 required by law, he or it shall forfeit not less than twenty-
13 five nor more than one hundred dollars, and shall be
14 denied all remedy provided by law for the correction of
15 any assessment made by the assessor or by the board of
16 public works. If any person, firm or corporation, including
17 public service corporations, required by law to make re-
18 turn of property for taxation, whether such return is to
19 be made to the assessor, the board of public works, or any
20 other assessing officer or body, fails to return a true list
21 of all property which should be assessed in this state, in-
22 cluding money, notes, bonds, bills and accounts receivable,
23 stocks and any other intangible personal property, such
24 person, firm or corporation, in addition to all other penal-
25 ties provided by law, shall forfeit two per cent of
26 the value of the property not yet returned and not other-
27 wise taxed in this state. A forfeiture as to all property
28 aforesaid may be enforced for any such default occurring
29 in any year not exceeding five years immediately prior
30 to the time the same is discovered, but no liability to
31 penalty or forfeiture as to moneys, notes, bonds, bills and
32 accounts receivable, stocks and other intangible personal
33 property arising prior to the first day of January, nineteen
34 hundred thirty-three, shall be enforceable on behalf of the
35 state or of any of its subdivisions. Each failure to make a
36 true return as herein required shall constitute a separate
37 offense, and a forfeiture shall apply to each of them, but
38 all such forfeitures, to which the same person, firm or
39 corporation is liable, shall be enforced in one proceeding
40 against such person, firm or corporation, or against the
41 estate of any deceased person, and shall not exceed ten
42 per cent of the value of the property not returned. The

43 state tax commissioner shall collect such forfeitures with-
44 out suit, but if unable so to do, shall instruct the prose-
45 cuting attorney of the county in which the defaulting
46 taxpayer resides or has its principal office, or in which
47 such property should have been returned for taxation, to
48 enforce collection. It shall thereupon be the duty of such
49 prosecuting attorney to institute and prosecute proceed-
50 ings in the name of the state of West Virginia against
51 the defaulting taxpayer, or, in case of a decedent, against
52 his personal representative, in the circuit court upon
53 motion, whereof the defendant shall have at least twenty
54 days' notice. Either party shall have the right to have
55 the issue tried by jury, and the state, as well as the de-
56 fendant, shall have the right to an appeal. Ten per cent
57 of the amount collected and an attorney's fee of ten dol-
58 lars to be taxed as a part of the cost shall be collected
59 and paid over by the prosecuting attorney to the sheriff
60 of the county and by him credited to the general county
61 fund. No special counsel shall be employed to institute
62 or conduct such suits. Any prosecuting attorney failing
63 or refusing to perform the duties required of him by this
64 section shall forfeit the sum of one hundred dollars to be
65 recovered against him by the state tax commissioner in
66 the name of the state of West Virginia upon twenty days'
67 notice by motion in any court having jurisdiction. The
68 amount collected in any such suit after deducting ten per
69 cent as aforesaid, or the entire sum if collected by the tax
70 commissioner without suit, shall be paid over to the
71 sheriff of the proper county and his receipt taken therefor.
72 The sheriff shall apportion such fund among the state,
73 county, district, school district, and municipalities which
74 would have been entitled to the taxes upon such prop-
75 erty if it had been assessed in proportion to the rates
76 of taxation for each such levying unit for the year in
77 which the judgment was obtained bears to the sum of
78 the rates for all. When the list of property returned by
79 the appraisers of the estate of any deceased person shows
80 an amount greater than the last assessment list of such
81 deceased person next preceding the appraisal of his
82 estate, it shall be prima facie evidence that such deceased
83 person returned an imperfect list of his property: Pro-

84 *vided, however,* That any person liable for the tax of his
85 personal representative, may always be permitted to
86 prove by competent evidence that the discrepancy be-
87 tween such assessment list and the appraisal of the estate
88 is caused by a difference of valuation returned by the
89 assessor and that made by the appraisers of the same
90 property or by property acquired after assessment, or
91 that any property enumerated in the appraisers' list
92 had been otherwise listed for taxation, or that it was not
93 liable for taxation. Any judgment recovered under this
94 section shall be a lien, from the time of the service of the
95 notice, upon all real estate and personal property of
96 such defaulting taxpayer, owned at the time or subse-
97 quently acquired, in preference to any other lien.

Section 1. *Public Service Corporations; Returns of Property to Board of Public Works.*—On or before the first day of April in each year a return in writing to the board of public works shall be delivered to the tax commissioner by the owner or operator of every railroad, wholly or in part within this state; by the owner or operator of every railroad bridge upon which a separate toll or fare is charged; by the owner or operator of every car or line of cars used upon any railroad within the state for transportation or accommodation of freight or passengers, other than such owners or operators as may own or operate a railroad within the state; by the owner or operator of every express company or express line, wholly or in part within this state, used for the transportation by steam or otherwise of freight and other articles of commerce; by the owner or operator of every pipe-line, wholly or in part within this state, used for the transportation of oil or gas or water, whether such oil or gas or water be owned by such owner or operator or not, or for the transmission of electrical or other power, or the transmission of steam or heat and power or of articles by pneumatic or other power; and by the owner or operator of every telegraph or telephone line, wholly or in part within this state, except private lines not operated for compensation; and by the owner and operator of every gas company and electric lighting company furnishing gas or electricity for lighting, heating or power purposes; and hydro-electric companies for the generation and transmission of light, heat or power; water companies furnishing or distributing water, and all other public service corporations or persons engaged in public service business whose property is located wholly or in part within this state. The words "owner or operator", as applied herein to railroad companies, shall include every railroad company incorporated by or under the laws of this state for the purpose of constructing and operating a railroad, or of operating part of a railroad within this state, whether such railroad or any part of it

39 be in operation or not; and shall also include every other
40 railroad company, or persons or associations of persons,
41 owning or operating a railroad or part of a railroad in this
42 state on which freight or passengers, or both, are car-
43 ried for compensation. The word "railroad", as used
44 herein, includes every street, city, suburban or electric
45 or other railroad, or railway. The words "owner or op-
46 erator", as applied herein to express companies, shall in-
47 clude every express company incorporated by or under
48 the laws of this state, or doing business in this state,
49 whether incorporated or not, and any person or associa-
50 tion of persons, owning or operating any express com-
51 pany or express line upon any railroad or otherwise, do-
52 ing business partly or wholly within this state. Such
53 return shall be signed and sworn to by such owner or
54 operator if a natural person, or, if such owner or oper-

65 judgment of the board, may be of use to it in determin-
66 ing the true and actual value of the properties of such
67 owners or operators.

Sec. 9. *Compelling Such Return; Procuring Informa-*
2 *tion and Tentative Assessment by Tax Commissioner.—*
3 If any owner or operator fail to make such return within
4 the time required by section one of this article, it shall
5 be the duty of the tax commissioner to take such steps
6 as may be necessary to compel such compliance, and to
7 enforce any and all penalties imposed by law for such
8 failure. The return delivered to the tax commissioner
9 shall be examined by him, and if it be found insufficient
10 in form or in any respect defective, imperfect or not in
11 compliance with law, he shall compel the person required

12 to make it to do so in proper and sufficient form, and in
13 all respects as required by law. If any such owner or
14 operator fails to make such return, the tax commissioner
15 shall proceed, in such manner as to him may seem best,
16 to obtain the facts and information required to be fur-
17 nished by such returns; and to this end the tax commis-
18 sioner may send for persons and papers, and may com-
19 pel the attendance of any person and the production of
20 any paper necessary, in the opinion of said tax commis-
21 sioner, to enable him to obtain the information required
22 for the proper discharge of his duties under this section.
23 The tax commissioner shall arrange, collate and tabulate
24 such returns and all pertinent information and data con-
25 tained therein, such further evidence or information as
26 may be required by the tax commissioner of such owner
27 or operator, and all other pertinent evidence, information
28 and data he has been able to procure, upon suitable work
29 sheets, so that they may be conveniently considered, and
30 shall on or before the fifteenth day of May, lay such re-
31 turns and work sheets, together with his recommenda-
32 tions in the form of a tentative assessment of the prop-
33 erty of each such owner or operator, before the board of
34 public works. And as soon as the tax commissioner has
35 completed the preparation of such work sheets and tenta-
36 tive assessments, he shall notify the owner or operator
37 affected thereby of the amount of such tentative assess-
38 ment by written notice deposited in the United States
39 post office, addressed to such owner or operator at the
40 principal office or place of business of such owner or oper-
41 ator, and the tax commissioner shall retain in his office
42 true copies of such work sheets which shall be available
43 for inspection by any such owner or operator or his duly
44 authorized representative.

Sec. 11. *Valuation of Property by Board.*—Upon the
2 fifteenth day after giving the notices required by section
3 nine of this article, or as soon thereafter as reasonably
4 convenient but not later than the first day of June, the
5 board of public works shall proceed to assess and fix the
6 true and actual value of all property of such owner or
7 operator hereinbefore required to be returned, in each

8 county through which the railroad, car line, cars, express,
9 telegraph, telephone, or pipe-line of such owner or oper-
10 ator runs, and in which any property to be assessed is
11 located. In ascertaining such value the board shall con-
12 sider the return, if any, made by the owner or operator,
13 and any return which may have been previously made
14 by such owner or operator, the work sheets and tenta-
15 tive assessment recommended by the tax commissioner,
16 such evidence or information as may be offered by such
17 owner or operator, such further evidence or informa-
18 tion as may be required by the board of such owner or
19 operator, and any other pertinent evidence, informa-
20 tion and data, at a regular meeting of the board held
21 for such purpose at least fifteen days after giving the
22 notice required by section nine of this article. Before any
23 assessment shall be made by the board, any and all evi-
24 dence, information and data considered by the board
25 shall be available for inspection by any such owner or
26 operator or his duly authorized representative, and an
27 opportunity given to be heard thereon. When the board
28 of public works has assessed any property hereby re-
29 quired to be returned, and has determined the valua-
30 tion thereof, such assessment and valuation shall be en-
31 tered of record in the book of minutes of its proceedings,
32 and shall be certified by the secretary of the board to the
33 auditor. Nothing in this chapter contained shall be con-
34 strued to require the assessment by the board of public
35 works of any part of a railroad, telegraph, telephone or
36 pipe-line until such part is so far completed as to be fit
37 for use. But material held by any railroad, telegraph,
38 telephone or pipe-line company shall be returned to the
39 board of public works for assessment as personal prop-
40 erty. As soon as such assessment is made, the secretary
41 of the board shall notify the owner or operator affected
42 thereby of the amount thereof by written notice deposited
43 in the United States post office, addressed to such owner
44 or operator at the principal office or place of business of
45 such owner or operator. Such assessment and valuation
46 shall be final and conclusive, unless the same be appealed
47 from in the manner following, within fifteen days after

WHEREAS, We, the members of the West Virginia House of Delegates, wish to pay tribute, individually and collectively, to all the fighting sons and daughters of freedom in all the world-wide battlefronts; to those who gave their lives in the jungles of Guadalcanal, on the sands of North Africa, on the blue waters of the Atlantic and Pacific, and the dauntless airmen in our bombers and fighters; to those untold numbers who will yet give their lives that this nation may enjoy freedom, our most cherished possession; to the tens of thousands in training centers over the length and breadth of our land who are preparing for anything and everything the Axis powers have to offer on the land, on the sea and in the air; and

WHEREAS, We express our appreciation and gratitude to those on the home front who are earnestly and diligently working to turn out the implements of war, the food and the commodities necessary to win the war and the peace that follows; that all may have courage for the greater battles to be fought and won; that teamwork and cooperation in American industry, labor and agriculture are performing miracles of production that would be impossible in a country weakened by years of regimentation and dictatorship; and

WHEREAS, The American boys are fighting for the inherent right of all of us, wherever we live, or whatever we do, to live our lives the way we want to live them, and when those boys come home, may they find again the basic rights and freedoms on which this country was built; therefore, be it

Resolved by the House of Delegates:

That we, the members of the House of Delegates, on the closing day of the Forty-sixth session, are ever mindful of all who are contributing to the fighting men all over the world,

and to a final victory in the present world conflict in order that all people in the world will be free to live, love and worship in peace.

SENATE CONCURRENT RESOLUTION NO. 1

(By Mr. Fleming)

[Adopted February 1, 1943.]

Concerning gasoline rationing.

WHEREAS, West Virginia alone of the thirty-two states west of the Atlantic seaboard has been selected by the Petroleum Administrator for War for inclusion with eastern seaboard

states for subnormal rationing of gasoline because of a shortage of petroleum and gasoline in sixteen states of the eastern seaboard; and

WHEREAS, West Virginia is the only state included with said eastern seaboard group which does not even touch the seaboard and approximately ninety-five per cent of whose population and economy is situated west of the Appalachian mountains and is a part of the Ohio river valley; and

WHEREAS, Official monthly returns of gasoline producers and distributors of the state to the office of the West Virginia State Tax Commissioner for the first eleven months of the year one thousand nine hundred forty-two, when there was no gasoline rationing in effect in West Virginia, except in the eight counties east of the Allegheny mountains, and thirty-one other states west of the Atlantic seaboard, disclose that West Virginia produced more gasoline than it consumed and exported 84,000,000 gallons, principally to the West, an excess of more than 8,000,000 gallons over its imports from the West; and

WHEREAS, The entire gallonage normally imported into the state comes from the West, of which approximately seventy-five per cent is shipped by barge over water routes involving no use of vitally needed rail and tank car transportation; and

WHEREAS, Forty-seven of West Virginia's fifty-five counties do not, and have not for years, drawn their gasoline supplies from the seaboard, relying always upon the state's own production, plus imports from the West offset by exports to the West; and

WHEREAS, Said official statistics in the office of the State Tax Commissioner disclose no shortage of gasoline or petroleum supplies in West Virginia to any greater or less degree than in the remaining thirty-one states west of the seaboard, and to a much lesser degree than in most of them, which consume substantially more gasoline than they produce; and

WHEREAS, No such shortage of gasoline as found to exist on the seaboard actually exists in West Virginia; and

WHEREAS, Subnormal gasoline rationing, for the benefit of the eastern seaboard, has not been imposed upon any of the

states west of the Atlantic seaboard, except West Virginia, notwithstanding that other states so located to the west are much larger consumers and are areas in which subnormal rationing would yield a greater surplus for seaboard relief than West Virginia; therefore, be it

Resolved by the Senate, the House of Delegates concurring therein:

That such inclusion of West Virginia for subnormal rationing with the eastern seaboard states constitutes a discrimination against the State and its people which is unessential to the war effort; and

That in requesting this relief the Legislature and the people of West Virginia are not protesting against any degree of rationing essential or helpful to the war effort, but solely against what they believe to be an inadvertent but serious discrimination against the State because it happens to be the only state west of the Atlantic seaboard in District One of the Petroleum Administrator for War, which includes otherwise the Atlantic seaboard states; and

That the President of the United States, the Governor of West Virginia, the Representatives of West Virginia in the national Congress, the Petroleum Administrator for War, and the Administrator of the Office of Price Administration be furnished copies of this resolution and that the Governor of West Virginia and the state's representatives in the national Congress be requested to press vigorously for the relief herein prayed.

SENATE RESOLUTION NO. 6

(By Mr. Young)

WHEREAS, Economy in governmental expenditures is always desirable and should be exercised. We are now burdened by an ever increasing load of taxation, both federal and state, but that portion which has been or is to be used to prosecute the present war to a complete and decisive victory will be patriotically and cheerfully assumed by the taxpayers. Resolved by the Senate:

That it is the considered opinion of this body that the expenses of the Senate for supplies, services, attaches, printing and all other form of expense should be materially reduced from the amounts expended in previous sessions, and particu-

larly that the number of attaches should be reduced to the lowest number absolutely necessary to carry on the work of the Senate efficiently, and that appointments should be based upon the needs of the Senate for services and should not be made for the purpose of paying political debts or conferring favors.
