CHAPTER 4

(House Bill No. 401—By Mr. File and Mr. Ballard, of Monroe)

23 bringing an original suit against his personal represent-
24 ative after his death, whether or not the death of the
25 wrongdoer occurred before or after the death of the in-

27 one year from the time such cause of action accrued.
28 Nothing contained in this section shall be construed to
29 extend the time within which an action for any other tort

14 operation of such annual exhibition.

15 The commissioner of agriculture is authorized and em-

Section

19. Amount of operating and reserve fund; payments to municipalities for reimbursement of expenditures in enforcing state laws; disposition of excess.

Be it enacted by the Legislature of West Virginia:

That section nineteen, article three, chapter sixty of the code of West Virginia, as amended by chapter thirteen, acts of the Legislature, regular session, one thousand nine hundred forty-seven, be amended and reenacted to read as follows:

- Section 19. *Amount of Operating and Reserve Fund; Payments to Municipalities for Reimbursement of Expenditures in Enforcing State Laws; Disposition of Excess.*—All moneys collected by the commission shall be credited to the operating fund until that fund reaches an amount sufficient for the current and routine requirements of the department, this amount to be fixed by the commission with the approval of the governor, and not to exceed at any time the sum of one million five hundred thousand dollars. The receipts in excess of the requirements of the operating fund shall be paid into the reserve fund until the amount of the reserve fund equals three hundred fifty thousand dollars.
- From receipts in excess of the requirements of the operating and reserve funds, the sum of fifty thousand dol-

16 lars shall, upon requisition of the governor, be paid
17 monthly into the state treasury and credited to a special
18 fund to be established for the purpose of state payments
19 to municipalities. During the biennium beginning on the
20 first day of July, one thousand nine hundred forty-nine,
21 from receipts in excess of the above requirements, the
22 further sum of one hundred thousand dollars, as additional
23 temporary relief for municipalities, shall, upon requisition
24 of the governor, be paid quarterly into the state treasury
25 and credited to such special fund. The money in such
26 fund shall be apportioned by the treasurer among the
27 incorporated municipalities of the state on the basis of
28 population, determined as follows:

29 (a) If the municipality be one that was in existence
30 at the time of the taking of the last preceding federal
31 decennial census, the population as shown by that census
32 shall be the basis.

33 (b) If the municipality be one that was created sub-
34 sequent to the taking of the last preceding federal de-
35 cennial census, ninety-five per centum of the population
36 shown by the census taken in pursuance of section three,
37 article two, chapter eight of this code shall be the basis.

38 (c) If the municipality be one into which additional
39 area has been taken pursuant to law subsequent to the
40 time of the fixing of the basis for that municipality, ninety-
41 five per centum of the population of the additional area
42 added to the population theretofore fixed as the basis for
43 that municipality shall thereafter be the basis.

44 No payments shall be made to any municipality on a
45 basis including population within any such additional
46 area unless and until the governing body of the munici-
47 pality shall request the state treasurer, in writing, to
48 cause to be taken a census of the population in the addi-
49 tional area, and until after such census shall have been
50 completed. Upon receiving such request the state treas-
51 urer shall appoint two enumerators to take such census,
52 who shall be residents of the county in which the addi-
53 tional area, or some part of it, is situate. Such census
54 shall be taken as of the first day of the calendar month in
55 which the taking of the census is commenced, and shall
56 exhibit the names of all persons who were residents of

57 such additional area on that day. There shall be annexed
58 to the census the affidavit of the enumerators, setting
59 forth that due care was exercised in the taking of the
60 census and that it does not contain any inaccuracy of
61 which the affiants have knowledge. The enumerators shall
62 each be paid as compensation the sum of fifty dollars if
63 the population in additional area does not exceed one
64 thousand, and, if it exceed one thousand, then twenty-five
65 dollars for each additional five hundred or part thereof
66 in excess of one hundred. The state treasurer shall pay
67 the compensation of the enumerators out of the special
68 fund mentioned in this section and shall deduct the
69 amount so paid from the next payment made by the state
70 treasurer to the municipality.

71 The amounts paid to municipalities are paid for the
72 purpose of reimbursing the municipalities for their ex-
73 penditures in enforcing state laws for the protection of
74 life and property.

75 All receipts of the commission, not otherwise disposed
76 of by this section, shall, upon requisition of the governor,
77 be paid monthly into the state general revenue fund.

5. Limitations on expenditures.
6. Maximum expenditures.

Be it enacted by the Legislature of West Virginia:

Section 1. *Finding and General Policy.*—The Legislature finds that estimates of funds in the treasury at the time this act is enacted, and expected revenues to accrue prior to July 1, 1949, and during the biennium 1949-51, will furnish funds sufficient to pay:

- (1) Expense of the legislature,
- (2) Expense of the executive department,
- (3) Expense of the judiciary department,

- (5) Salaries payable under the constitution and laws of the state,

and to meet appropriations herein made, and, in pursuance of such finding, this act is enacted.

To give effect to this purpose, the board of public works shall supervise the fiscal policy, control the assumption of obligations, and regulate the expenditures of the agencies of the state, to the end that same may as nearly as practicable conform to the budget document.

12 "From collections" shall mean that part of the total ap-
13 propriation which must be collected by the spending unit
14 to be available for expenditure. If the authorized amount
15 of collections is not collected, the total appropriation for
16 the spending unit shall be reduced automatically by the
17 amount of the deficiency in the collection. If the amount
18 collected exceeds the amount designated "from collections"
19 the excess shall be set aside in a special surplus fund and
20 may be expended for the purpose of the spending unit as
21 provided by chapter thirty-nine, acts of the Legislature,
22 regular session, one thousand nine hundred thirty-nine.

Sec. 3. *Classification of Appropriations.*—An appropria-

12 have an appreciable and calculable period of usefulness in
13 excess of one year;

15 structures and the improvement of lands, sewer and water
16 improvements, and shall include shelter, support, storage,
17 protection, or the improvement of a natural condition;

19 or interest in lands.

20 Building and/or lands and equipment appropriations
21 are not transferable to other items of appropriation.

22 Unclassified appropriations shall be expended only
23 where the distribution of expenditures for different pur-
24 poses cannot well be determined in advance or it is neces-
25 sary or desirable to permit the spending unit freedom to
26 spend an appropriation for more than one of the above
27 purposes.

Sec. 4. *Method of Expenditure.*—Money appropriated by
2 this act, unless otherwise specifically directed, shall be

3 appropriated and expended according to the provisions of
4 article three, chapter twelve of the code of one thousand
5 nine hundred thirty-one, or according to any law detailing
6 a procedure specifically limiting that article.

Sec. 5. *Limitations on Expenditures.*—The expenditure
2 of money appropriated by this act shall be limited to the
3 specific amount appropriated to each item. There shall be
4 no transfer of amounts between items of the appropriation
5 of the spending unit without prior authorization by the
6 board of public works, as provided by chapter 5, article 5,
7 code of West Virginia.

Section 5. *Capital Expenditures from Surplus Revenues.*—

2 The following items are appropriated from the general
3 revenue fund, subject to the following terms and condi-
4 tions:

5 (a) The following items are hereby appropriated and
6 are to be available for expenditure only out of the surplus
7 in the treasury on the first day of July, 1949, or at the time
8 release or encumbrance of any such items is made, subject
9 to the conditions and limitations hereinafter expressed. On
10 the best information which can be secured at this time it is
11 estimated the amount of such surplus will be approximately
12 \$38,500,000.00.

13 Before making funds available or encumbering such sur-
14 plus for expenditure hereunder, except as provided by sub-
15 section (b) hereof, the board of public works shall review
16 the revenues of the state from the first day of July, 1949 to
17 the date that appropriations hereunder are expected to be
18 made available or encumbered for expenditure hereunder,
19 and determine whether, in its opinion, revenues then in
20 prospect or on hand will be sufficient to meet all appro-

21 priations under this section, and make a finding with re-
22 spect thereto.

23 (b) The board of public works, at its discretion, may
24 release a part or all of any of the items hereinafter set
25 forth in this section at any time after date of passage of
26 this act, for the purpose of supplementing funds for con-
27 struction projects now in process; for the purpose of
28 constructing buildings where plans and specifications are
29 complete and ready to submit for bids; and for the purpose
30 of state aid for county school building program, provided
31 that the total of such releases for the above purposes made
32 prior to July 1, 1949, shall not exceed the actual surplus in
33 the treasury as of July 1, 1948, which is reported at ap-
34 proximately \$19,500,000.00.

35 (c) The order in which the items of this section are
36 named does not indicate a preference as to priority of ex-
37 penditure. The board of public works may authorize the
38 expenditure of any one or more of said items without
39 regard to the order in which they are listed.

40 (d) The amounts of the several items are suggestive,
41 and are not to be considered as absolute. The board may re-
42 vise or reduce any item downward, without restriction, or
43 eliminate it entirely, and may increase any one or more
44 of the items by not more than twenty-five per cent, so long
45 as such increases, if any, as to items so increased and re-
46 leased do not exceed the total amount made available un-
47 der this section, and corresponding decreases or elimina-
48 tions are made to offset increases.

49 (e) Expenditures authorized, which are for construc-
50 tion purposes, shall be for a complete and usable unit or pro-
51 ject, and in any case where additional funds are available,
52 by aid from a federal agency or other source, such fact may
53 be considered by the board in determining what items
54 should at any time be encumbered or released for expendi-
55 ture, provided, that in making such release the board shall
56 first determine that all funds available will provide for
57 completion of a complete and usable unit or project.

58 (f) Any of the items under this section may be released
59 or encumbrances made therefor at any time after the first
60 day of July, 1949, as the board may deem proper, subject
61 to the limitations of subsection (a) herein.

62 (g) In the event that the amount of the surplus shall
 63 exceed the estimated \$38,500,000.00 embracing items (1) to
 64 (56), inclusive, the board of public works shall from any
 65 excess over such estimated amount first increase the
 66 amount of item (2) until it reaches, including the amount
 67 of \$2,500,000.00 therein set forth, the sum of \$4,500,000.00,
 68 and from any such excess still remaining shall increase the
 69 amount, of item (56) until it reaches, including the amount
 70 of \$4,000,000.00 therein set forth, the sum of \$7,000,000.00,
 71 which said additional sum shall be subject to all the re-
 72 strictions contained in said item (56).

73 Subject to the foregoing conditions, the following ap-
 74 propriations are made for the construction, including, if
 75 necessary, needed land acquisition, preparation of sites for
 76 buildings, and equipment of buildings, and for the pur-

Alternate jurors shall be drawn in the same manner, shall have the same qualifications, shall be subject to the same examination and challenges, shall take the same oath and shall have the same functions, powers, facilities and privileges as the regular jurors. Section 16. *Transfer of Pupils; Tuition; Transportation and Maintenance.*—The board may divide its territory into such sub-districts as are necessary to determine the schools the pupils of its district shall attend. But upon the written request of any parent or guardian, or person legally responsible for any pupil, or for reasons affecting the best interests of the schools, the superintendent may transfer pupils from one school to another within the district. Any aggrieved person may appeal the decision of the superintendent to the board, and the decision of the board shall be final.

12 Transfers of pupils from one county to another may be
13 made by the board of the county in which the pupil de-
14 siring to be transferred resides; but the transfer shall
15 be subject to the approval of the board of the county to
16 which the pupil wishes to be transferred, except such
17 approval shall not be a condition precedent to the trans-
18 fer of a pupil resident in a municipality comprised of
19 parts of two or more counties in this state, or resident
20 in an independent school district as the same existed
21 prior to the date the county unit act became effective,
22 made up of parts of two or more counties and whether
23 or not within its limits now defined is located a munici-
24 pality or part thereof, but until otherwise provided by
25 the board of the unit of his residence, such pupil shall
26 be considered and treated as transferred, as the case or
27 the situation may be, with the right unimpaired to at-

30 independent school district. Such transfer by operation
31 of law shall cease, when: (a) The board of the unit
32 comprising a part of the municipality or independent
33 school district, has erected or does establish and main-
34 tain therein a school or schools of the grade or grades
35 and standing, respectively, equivalent to the school or
36 schools in adjoining unit which the pupil coming within
37 the exceptions above mentioned is given the right to
38 attend; or (b) in the discretion of the board it can
39 transport economically the pupils coming within the
40 exception aforesaid to some school or schools estab-

42 the pupils' residence and elects to so do. The existence
43 of the fact under (a) aforesaid shall be declared by the
44 board and entered of record in its minutes, as well as
45 the entry of the exercise of its discretion and election
46 under the provisions (b) aforesaid, and a copy of the

55 schools, the board making the transfer shall pay to the
56 board to which such transfer is made, reasonable tuition
57 fees, which for elementary schools shall not exceed twelve
58 dollars a month, and for junior and senior high schools
59 shall not exceed fifteen dollars a month. The fee, to be

61 cost of the instruction. No parent, guardian or person
62 acting as parent or guardian shall be required to pay for
63 the transfer or for the tuition of the pupil after the
64 transfer. The board of the district to which the pupil
65 has been transferred shall promptly, at the first of each
66 month, certify to the board of the district from which
67 the pupil was transferred the correct amount of all
68 tuition fees due and payable for the next preceding
69 month. All tuition fees shall be paid within thirty days
70 of certification, to the district maintaining the school
71 by the district to which the fees are certified. All tuition
72 fees shall be paid out of the teachers' fund of the one
73 district to the teachers' fund of the other.

74 In any district where a high school is maintained, but
75 topography, impassable roads or other conditions pre-
76 vent the practicable transportation of any pupils to such
77 high school, the board may transfer them to a high school
78 in an adjoining district. In any such case, the board
79 making the transfer shall pay the cost of the transporta-
80 tion of such pupils to and from the school to which they
81 are transferred, and shall also pay the tuition fees as
82 provided above.

83 In any district where no high school for negro pupils
84 is maintained the board shall provide for the payment of
85 tuition fees, not to exceed fifteen dollars a month for
86 each pupil, necessary to permit the enrollment of all
87 qualified negro pupils in the nearest available negro
88 high school, negro vocational high school, or in the high
89 school department of a negro institution of higher edu-
90 cation, and shall also pay the cost of the daily trans-
91 portation of the pupils to such high school. If, however,
92 the daily transportation of such pupils is impracticable,
93 necessitating their absence from home overnight, the

94 board shall pay in addition to the tuition fees a mainte-
95 nance allowance of at least thirty dollars a month to
96 each such pupil. Daily transportation involving a round
97 trip of more than fifty miles shall at the election of the
98 pupil be considered impracticable for the purpose of this
99 requirement.

100 Transfer of pupils from this state to another shall be
101 upon such terms as shall be mutually agreed upon by
102 the board of the transferring district and the authorities
103 of the school to which the transfer is made, and shall be
104 based upon the aggregate per capita student cost of the
105 preceding year, of the school to which the transfer is
106 made.

107 For the purpose of computing average daily attend-
108 ance any pupil transferred as provided in this section
109 shall be counted by the district making the transfer and
110 not by the district to which he was transferred.

Before entering upon their duties, all teachers shall execute a contract with their boards of education, which contract shall state the salary to be paid and shall be in the form prescribed by the state superintendent of schools. 43 the teachers so dismissed shall be placed upon a preferred

3 (a) All persons, except new entrants, employed as
4 teachers at the time they become eligible for membership
5 who, within a year after becoming eligible, notify the
6 retirement board in writing of their decision to become
7 members. Any such persons who fail to notify the board
8 shall automatically be constituted members one year after
9 they become eligible, unless the retirement board re-
10 ceives written notice from them declining membership in
11 the system.

12 (b) New entrants, whose membership in the system
13 shall be compulsory upon employment as teachers.

14 The membership of any person in the retirement sys-

16 (1) Upon the withdrawal of his accumulated contri-

18 retirement, or (3) at death, or (4) if service amounts to
19 less than five years in any period of ten consecutive years.
20 For the purpose of subsection four, however, a deposit
21 by the member to his individual account in the teachers'
22 accumulation fund of an amount equalling his last annual
23 contributions shall be deemed the equivalent of one year
24 of service: *Provided, however,* That if any person re-
25 turning from service in the armed forces of the United
26 States, who immediately prior to or immediately follow-
27 ing his induction therein withdrew his accumulated con-

43 withdrawal of such accumulated contributions.

44 Any person in subsection (a) of this section who elects
45 to become a member after having declined to accept mem-
46 bership, shall be permitted to enter the retirement sys-
47 tem, but shall be accorded only the rights of a new en-
48 trant, unless he deposits in the reserve fund twenty-five
49 dollars for each year of his prior service. After making
50 such a deposit, he shall be deemed a present teacher.

Sec. 14. *Contributions by Members.*—At the end of
2 each month, every member of the retirement system shall
3 contribute five per cent of his monthly earnable compen-
4 sation to his individual account in the teachers' accumula-
5 tion fund; however, in no case shall such monthly con-
6 tributions exceed seventeen dollars, nor shall exceed an
7 annual contribution of one hundred fifty-three dollars.
8 In the calculation of the contribution, a fraction of a cent
9 shall be deemed to be a cent. The contributions shall be
10 deducted from the salaries of the members as hereinafter
11 prescribed, and every member shall be deemed to have
12 given his consent to such deductions. No deductions, how-
13 ever, shall be made from the earnable compensation of
14 the following: (a) any teacher who retired because of
15 age or service, and then resumed service as a teacher,
16 and (b) any member who is seventy years old or older.
17 Payment by an employer to a member of the sum speci-
18 fied in the employment contract minus the amount of
19 the employee's contributions shall be deemed to be a full
20 discharge of the employer's contractual obligation as to
21 earnable compensation. Upon request and payment of one
22 dollar service fee by a contributor, the retirement board
23 shall send the contributor a statement of his accumulated
24 contributions.

25 Each contributor shall file with the retirement board
26 or with the employer to be forwarded to the retirement
27 board an enrollment form showing the date of birth and
28 other data needed by the retirement board. Upon notice
29 from retirement board to employer that contributor has
30 failed to file such forms as prescribed, the employer shall
31 withhold salary of contributor until needed form is filed
32 with the retirement board.

Sec. 18. *Funds Created; Uses and Purposes.*—The funds
2 created are the teachers' accumulation fund, the employ-
3 ers' accumulation fund, the benefit fund, the reserve fund,
4 and the expense fund. Each fund shall constitute a sep-
5 arate trust.

6 (a) The teachers' accumulation fund shall be the fund
7 in which the contributions of members shall be accumu-
8 lated. The accumulated contributions of a member re-
9 turned to him upon his withdrawal, or paid to his estate
10 or designated beneficiary in the event of death, shall be
11 paid from the teachers' accumulation fund. Any accumu-
12 lated contributions forfeited by failure to claim such con-
13 tributions shall be transferred from the teachers' accumu-
14 lation fund to the reserve fund.

15 Any member or any employer is hereby authorized and
16 shall be permitted to deposit in the teachers' accumulation
17 fund for the account of any member any amounts in mul-
18 tiple of fifty dollars.

19 (b) Contributions of employers, equalling annually the
20 members' contributions, shall be accumulated in the em-
21 ployers' accumulation fund through state appropriations.
22 Upon the retirement of a member, the employers' con-
23 tributions shall be transferred from the employers' accu-
24 mulation fund to the benefit fund.

25 (c) The benefit fund shall be the fund from which
26 annuities shall be paid. Upon the retirement of a mem-
27 ber, his accumulated contributions shall be transferred
28 from the teachers' accumulation fund to the benefit fund;
29 the accumulated employers' contribution shall be trans-
30 ferred from the employers' accumulation fund to the bene-
31 fit fund; and annually a sum for prior service pension and

32 disability credits, if needed, shall be transferred from the
33 reserve fund to the benefit fund.

34 (d) The retirement board is hereby authorized to ac-
35 cept gifts and bequests. Any funds that may come into
36 possession of the retirement system in this manner or
37 which may be transferred from the teachers' accumulation
38 fund by reason of the lack of a claimant or because of a
39 surplus in any of the funds; or any other moneys the dis-
40 position of which is not otherwise provided for shall be
41 credited to the reserve fund. The retirement board shall
42 allow interest on the contributions in the teachers' accu-
43 mulation fund. Such interest shall be paid from the re-
44 serve fund and credited to the teachers' accumulation
45 fund. Any deficit occurring in any fund which would not
46 be automatically covered by the payments to that fund
47 as otherwise provided by this article shall be met by trans-
48 fers from the reserve fund to such fund. In the reserve
49 fund shall be accumulated moneys from retirement board
50 appropriations to pay the accrued liabilities of the system,
51 caused by the granting of prior service and disability
52 pensions. Costs associated with board investments such
53 as premiums, accrued interest, and commissions, shall be
54 paid from the reserve fund.

55 (e) The expense fund shall be the fund from which
56 shall be paid the expense incurred in the administration
57 of the retirement system. The retirement board is here-
58 with authorized to pay, from the expense fund, member-
59 ship fees in such voluntary organizations as the National
60 Council on Teacher Retirement, anything in this code to
61 the contrary notwithstanding. Interest earned on loans to
62 members shall be deposited in the expense fund. Interest
63 on board investments shall be credited first to the ex-
64 pense fund, but the total amount so credited in any one
65 fiscal year shall not exceed two per cent of the total in-
66 terest earned on investments during the previous fiscal
67 year; remainder of annual interest earnings shall be cred-
68 ited to the reserve fund.

69 The retirement board is herewith given sole authority
70 to direct and approve the making of any and all fund

71 transfers as provided herein, anything in this code to the
72 contrary notwithstanding.

Sec. 23. *Withdrawal and Death Benefits.*— Benefits
2 upon death or upon withdrawal from service prior to re-
3 tirement under the provisions of this article shall be as
4 follows:

5 (a) Four months after a contributor was last paid
6 for service as a teacher, he shall, on demand, be paid his
7 accumulated contributions plus refund interest up to but
8 not including the date of his last contribution, if he is
9 then no longer under contract, verbal or otherwise, to
10 serve as a teacher; or

11 (b) If such contributor has completed twenty years
12 of total service he may elect to receive at retirement age
13 an annuity which is the actuarial equivalent of his accu-
14 mulated contributions plus the employer's contributions.

15 (c) Upon the death of a contributor, his accumulated
16 contributions plus refund interest up to and including
17 the year of his death shall be paid to his refund benefi-
18 ciary.

Sec. 25. *Eligibility for Retirement Allowance.*— Any
2 member who has attained the age of sixty years or who
3 has had thirty-five years of total service as a teacher in
4 West Virginia, regardless of age, shall be eligible for an
5 annuity. No new entrant nor present member shall be
6 eligible for an annuity, however, if either has less than
7 five years of service to his credit.

8 Any member who has attained the age of fifty-five years
9 and who has served thirty years as a teacher in West Vir-
10 ginia shall be eligible for an annuity, but such a member
11 who retires before attaining the age of sixty years shall
12 receive ninety per cent of the prior service allowance
13 which is otherwise provided by sub-section (c) of section
14 twenty-six of this article.

15 Any member who attains the age of sixty-five years
16 shall retire from service as a teacher: *Provided*, That if the
17 employer shall so request in writing, the retirement board
18 may permit the employment of each member beyond the
19 age of sixty-five.

20 The request for any annuity shall be made by the mem-
21 ber in writing to the retirement board, but in case of re-
22 tirement for disability, the written request may be made
23 by either the member or the employer.

24 A member shall be eligible for annuity for disability,
25 if he satisfies the conditions in both (a) and (b) as fol-
26 lows:

27 (a) His service as a teacher in West Virginia must
28 total at least ten years, and service as a teacher must
29 have been terminated because of disability, which dis-
30 ability must have caused absence from service for at least
31 six months before his application for disability annuity
32 is approved.

33 (b) An examination by a physician or physicians se-
34 lected by the retirement board must show that the mem-
35 ber is at the time mentally or physically incapacitated
36 for service as a teacher, that for such service the disability
37 is total and likely to be permanent, and that he should
38 be retired in consequence thereof.

39 Continuance of the disability of the retired teacher shall
40 be established by medical examination, as prescribed in
41 the preceding paragraph, annually for five years after re-
42 tirement, and thereafter at such times as the retirement
43 board may require. Payment of the disability annuity
44 provided in this article shall cease immediately, if the
45 retirement board finds that the disability of the retired
46 teacher no longer exists, or if the retired teacher refuses
47 to submit to medical examination as required by this
48 section.

Sec. 26. *Allowance Upon Retirement.*—Upon establish-
2 ment of eligibility for a retirement allowance, a member
3 shall be granted an annuity which shall be the sum of
4 the following:

5 (a) The acturial equivalent of the contributions and
6 deposits of the member in his individual account up to
7 the time of his retirement, with regular interest.

8 (b) The acturial equivalent of the contributions of
9 the employer up to the time of the member's retirement,
10 which shall equal the sum in subsection (a) of this sec-

11 tion minus deposits with regular interest on such deposits.

12 (c) Where prior service credit has been granted, an
13 allowance of one and five-tenths per cent of the member's
14 average final salary multiplied by the number of years of
15 prior service credited to him.

16 (d) The actuarial equivalent of the amounts that
17 would have accumulated under subsections (a) and (b)
18 of this section, if the member had contributed to his in-
19 dividual account until he was fifty years old, at the an-
20 nual rate of his past actual contributions, but this sub-
21 section shall apply only as additional income to members
22 who qualify for disability retirement before they are fifty
23 years old.

24 The disability annuities of all teachers retired for dis-
25 ability shall be based upon a disability table prepared by
26 a competent actuary, approved by the retirement board.

27 For the purposes of subsection (c):

28 (1) An allowance for prior service shall in no case
29 exceed three-fifths of the member's average final salary.

30 (a) Average final salary shall in no instance be deemed
31 to exceed the sum of two thousand five hundred dollars,
32 or to be less than twelve hundred dollars.

33 All annuities shall be paid in twelve monthly payments.
34 In computing such monthly payments, fractions of a cent
35 shall be deemed a cent. Such monthly payments shall
36 cease with the payment for the month within which the
37 beneficiary dies, and shall begin with the payment for
38 the month succeeding the month within which the annu-
39 itant became eligible under this article for the annuity
40 granted; in no case, however, shall an annuitant, qualify-
41 ing for an annuity because of age or service, receive more
42 than four monthly payments which are retroactive after
43 the board receives application for annuity.

44 In case the retirement board receives data affecting the
45 approved annuity of a retired teacher, the annuity shall
46 be changed in accordance with such data, the change
47 being effective with the payment for the month within
48 which the board received the new data.

49 An annuity application shall be cancelled immediately,

50 if the applicant dies before the retirement board approves
51 such application.

52 The provisions of this section shall apply to the com-
53 putation of all monthly allowances paid to beneficiaries
54 after the effective date hereof.

Sec. 34. *Loans to Members.*—A member of the retire-
2 ment system upon written application may borrow from
3 his individual account in the teachers' accumulation fund,
4 subject to these restrictions:

5 (1) Loans shall be made in multiples of ten dollars,
6 the minimal loan being forty dollars and the maximum
7 being five hundred dollars.

8 (2) Loans to any one member shall not exceed one-
9 half of his contributions to his individual account in the
10 teachers' accumulation fund.

11 (3) Interest charged on the amount of the loan shall
12 be six per cent per annum, and minimal interest charge
13 shall be for six months.

14 (4) No member shall be eligible for more than one
15 loan in any one year, except in cases of accidents, illness
16 requiring medical or hospital care for himself or a member
17 of his immediate family.

18 (5) If a refund or benefit is payable to the borrower
19 or his beneficiary before he repays the loan with interest,
20 the balance due with interest to date shall be deducted
21 from such benefit or refund.

22 (6) From his monthly salary as a teacher the member
23 shall pay the loan and interest by deductions which will
24 pay the loan and interest in not more than sixteen nor
25 less than six months. Upon notice of loan granted and
26 payment due, the employer shall be responsible for mak-
27 ing such salary deductions and reporting them to the
28 retirement board. At the option of the retirement board,
29 loan deductions may be collected as prescribed herein for
30 the collection of members' contribution, or may be col-
31 lected through issuance of warrant by employer. If the
32 borrower decides to make loan payments while not paid
33 for service as a teacher, the retirement board must accept
34 such payments.

38 be guilty of a felony and, upon conviction, shall be con-
39 fined in the penitentiary not less than two nor more than
40 ten years.

41 Any high school which has been established and main-
42 tained for teacher training and other educational pur-

48 education is hereby transferred to the county board of
49 education; and the levy for the support of such school,
50 formerly laid by the district board or boards of education,
51 shall be laid on all the assessed property of the county,
52 by the county board of education. All expenditures from
53 such fund shall be paid on requisition issued by the
54 county board.

- Section 2. *Definitions.*—For the purpose of this article:

14 laws of West Virginia.

15 "Enrolled pupil" means any person of school age who
16 has entered into the work of a public school as a pupil

20 of the county for the first four months of the school term:
21 *Provided*, That no pupil shall be counted more than once
22 by reason of transfer within the county or from another
23 county within the state: *And provided further*, That no
24 pupil shall be counted whose tuition is paid by or from
25 another state.

26 "Weighted net enrollment" means the total net enroll-

28 "High school net enrollment" means those pupils en-
29 rolled in a school consisting only of grades above the sixth,
30 organized for instruction by departments, and those
31 pupils in a school in which the seventh and eighth grades
32 are organized for instruction by departments, having four
33 or more teachers in these grades.

34 "High school factor" means the weighted net enroll-
35 ment divided by the net enrollment, carried to five deci-
36 mal places.

37 "Sparsity factor" shall be a number derived as follows:

38 The number five divided by the sum of (1) the weighter
39 net enrollment divided by the total miles of designated
40 roads in the county, and (2) the weighted net enrollment
41 divided by the number of square miles of area in the
42 county.

43 "Miles of designated roads" shall mean miles of pri-

45 designated as such by the state road commission.

46 "Square miles of area" means the area of a county to

54 "Index" means and is a percentage figure representing
55 average ability of a county to contribute to the founda-
56 tion program. It is to be compounded as follows:

57 First: Determine the ratio of the economic factors,
58 mentioned in section five of this article, in each county
59 to the total for each such respective factor for the entire
60 state of West Virginia. For purposes of computing "index"
61 the ratio of said economic factors shall be averaged and
62 the average under this paragraph "first" shall be counted
63 as one-third.

64 Second: A ratio consisting of the total taxes computed
65 by using the levies for general current expense purposes
66 in such county for the preceding assessment year from
67 non-public utilities property divided by the total taxes
68 computed by using the levies for general current expense
69 purposes as aforesaid for all counties of the state for such
70 year, said ratio under this paragraph "second" shall be
71 counted as one-third.

72 Third: A ratio consisting of the total taxes computed
73 by using the levies for general current expense purposes
74 in such county for the preceding assessment year from
75 public utilities property divided by the total taxes com-
76 puted by using the levies for general current expense pur-
77 poses as aforesaid for all counties of the state for such
78 year, said ratio under this paragraph "third" shall be
79 counted as one-third.

80 The ratio under paragraph first, second and third, shall
81 be reduced to percentage and the average of the respective
82 percentages shall constitute the "index".

Sec. 3. *The Foundation School Program.*—The founda-
2 tion school program is hereby established as the basic
3 essential of free public education in this state for the
4 purpose of computing the amount of money necessary to
5 operate the public school system in each county. So far
6 as funds available from state sources will permit, each
7 county shall receive a sum which, together with the
8 amount of "local share of revenue" will pay the cost of

9 the foundation school program as computed in accordance
10 with this article.

Sec. 6. *Computation of Local Share of Revenue.*—For
2 the fiscal years one thousand nine hundred forty-nine—
3 one thousand nine hundred fifty and one thousand nine
4 hundred fifty—one thousand nine hundred fifty-one, the
5 state board shall compute the taxes, by using the levies
6 for general current expense purposes, in all counties for
7 the preceding year, and total the same. Ninety-five per
8 cent of the total amount of aforesaid levies for the entire
9 state, shall be multiplied by the “index” for each respec-
10 tive county. The result of such multiplication shall as to
11 the respective counties, constitute their “local share of
12 revenue” for said fiscal year.

13 Commencing with the first day of July, one thousand
14 nine hundred forty-nine, the tax commissioner shall con-
15 tinue making such surveys, examinations, audits and in-
16 vestigations of the value of the several classes of property
17 in each county which should be listed and taxed under
18 the several tax classifications provided by law and de-
19 termine the true and actual value thereof. In making
20 such surveys he may use such methods of checking prop-
21 erty values and determining the amount of property in
22 each classification, as accepted survey and investigation
23 procedures of like nature employed for the purpose of
24 ascertaining the true and actual value of all such property
25 in each such county. The commissioner may employ such
26 assistance as appropriations mentioned will permit, and
27 shall be allowed not to exceed one hundred thousand dol-
28 lars in each fiscal year of the biennium beginning on the
29 first day of July, one thousand nine hundred forty-nine,
30 for the purpose, and his expenses shall be charged as an
31 item of operational expense to money appropriated and
32 available for state aid.

33 On or before the first day of October, one thousand
34 nine hundred fifty, the commissioner shall conclude the
35 survey and render to the state board of school finance
36 a report of his conclusions with respect to the true and
37 actual value of the several classes of taxable property in
38 each county of the state based upon said surveys and

39 investigations. For the purpose of state aid the values
40 set forth in said report shall be the true and actual value
41 of the various classes of property in each such county for
42 the fiscal year one thousand nine hundred fifty-one—one
43 thousand nine hundred fifty-two. Thereafter the tax com-
44 missioner shall annually continue such work of survey,
45 examination, audit and investigation and annually revise
46 his reports to the state board of the true and actual value
47 of the several classes of taxable property in any county
48 from time to time as such subsequent investigation may
49 warrant, the same to be made not later than the first day
50 of October of each year, as to all or any counties of the
51 state which have been resurveyed prior to said date.

52 The tax commissioner shall, at least once every four
53 years, redetermine the true and actual value of property
54 in each county of the state. For the fiscal year one thou-
55 sand nine hundred fifty-one—one thousand nine hundred
56 fifty-two, and thereafter, the commissioner shall be al-
57 lowed annually not to exceed fifty thousand dollars in
58 any fiscal year for the purposes hereof, and his expenses
59 shall be charged to money appropriated and available for
60 state aid in the same manner as funds appropriated herein
61 for the original survey.

62 From the latest revised report of true and actual value
63 which is in its hands the state board shall for each county
64 compute by the application of the "levies for general cur-
65 rent expense purposes", the amount of revenue which
66 said levies would produce, if levied upon one hundred
67 per cent of the true and actual value of each of the several
68 classes of property contained in the latest report or re-
69 vised report of such value, made to it by the tax com-
70 missioner. It shall deduct from such estimated revenue
71 five per cent as an allowance for the usual losses in col-
72 lection, due to discounts, exonerations, delinquencies, and
73 the like. One-half of the remainder shall constitute the
74 "local share of revenue". The local share of revenue
75 computed from the true and actual value shall apply to
76 all fiscal years after the thirtieth of June, one thousand
77 nine hundred fifty-one: *Provided, however,* That it is de-
78 termined by the state board that the application of this

79 formula for determining the local share of revenue for
80 each county will constitute a serious curtailment to the
81 current school program then the state board shall have
82 authority, within its discretion, to change the equaliza-
83 tion factor of one-half or forego altogether the change
84 from the present formula for distribution until such time
85 as the matter has been acted upon by the Legislature:
86 *And provided further*, That any findings resulting from
87 the survey provided for in this section shall not be used
88 for any other official purpose than as a base of allocation
89 for state aid for schools: *And provided further*, That no
90 assessor shall be required to raise any assessment as a
91 result of the findings made by the commissioner pursuant
92 to this section.

Sec. 7. *Total of Foundation Program.*—The state board
2 shall commence and cause to be determined, as soon after
3 the first day of July in each fiscal year as is possible, the
4 foundation program for each county for such year as
5 follows:

6 Step A—The average teacher's salary for the preceding
7 fiscal year for each county shall be divided by thirty-three
8 and one-third and the quotient obtained.

9 Step B—The quotient resolved from step A shall be
10 multiplied by the "high school factor" mentioned in sec-
11 tion two of this article and the product obtained.

12 Step C—The product resulting from step B shall be
13 multiplied by a number composed of the whole number
14 one plus the "sparsity factor" mentioned in section two
15 of this article and the product obtained.

16 Step D—The product resulting from step C shall be
17 divided by seventy-one hundredths and the quotient ob-
18 tained. This quotient, for the purposes of this article, shall
19 be the total per pupil cost of the foundation program for
20 such county.

21 Step E—The quotient resulting from step D shall be
22 multiplied by the "net enrollment" as the same is defined
23 in section two of this article and the product obtained.
24 This product shall be the foundation program for such
25 county.

Sec. 8. *Allocation of State Aid.*—Following computation of the foundation program for each county the state board shall compute and allocate state aid for each county as follows:

The amount of state aid for each county shall be the foundation program of such county minus the local share of revenue: *Provided, however,* That for the fiscal years one thousand nine hundred forty-nine—one thousand nine hundred fifty and one thousand nine hundred fifty—one thousand nine hundred fifty-one, if the amount of state aid computed above is less than the product of twenty-two hundred multiplied by the number of teachers approved for such county by the state board on July tenth, one thousand nine hundred forty-six, the amount of state aid shall be computed and shall be as hereinafter computed, to-wit:

- (1) Sixty-five per cent of its foundation program, or
- (2) The product of twenty-two hundred multiplied by the number of teachers approved for such county by the state board, July tenth, one thousand nine hundred forty-six, whichever is greater: *Provided further,* That at this point in the computation, the state aid, if less than one hundred dollars per pupil in its foundation program, shall be computed to give an amount sufficient to raise the foundation program for any county to one hundred dollars per pupil: *And provided further,* That any county at this point in the calculation, which has less than one hundred ten dollars per pupil in the foundation program as computed as aforesaid shall receive an additional amount of two dollars and forty cents per pupil in net enrollment in its adjusted foundation program.

Sec. 13. *Revenue Deficiencies.*—If at any time deficiencies in the revenue reduce amounts available for state aid below the amount of appropriations made by the Legislature for any fiscal year, or if the amount appropriated by the Legislature for any fiscal years is insufficient to meet in full the requirements for that year of the distribution formula prescribed in this article, and it becomes necessary for the state board to reduce the

9 amount of state aid it shall make reductions for each
10 county as follows:

11 (1) Fifty per cent of the total reductions shall apply
12 proportionately to the adjustment made for each county
13 adjusted, and

14 (2) The remaining fifty per cent of the deficiencies shall
15 be applied as a uniform percentage reduction of the foun-
16 dation program for each county.

Sec. 14. *Excess Appropriations.*—In any case where ap-
2 propriations for state aid, exclusive of federal aid, are in
2 excess of the foundation program required for all counties
3 of the state, such excess, if available for expenditure un-
4 der appropriations shall be allocated and paid to the re-
5 spective county boards of education in the same propor-
6 tion which the foundation program of each county bears
7 to the sum of the foundation programs of all counties of
8 the state. Allocation shall be made by the state board.

Sec. 15. *Marginal Aid.*—There shall be established a
2 marginal aid fund in the amount of one hundred thousand
3 dollars for each year of the biennium and, upon request
4 of the governor, shall be transferred to the general school
5 fund to provide equalization aid for distribution to mar-
6 ginal counties by the state board of school finance in
7 addition to the state aid allocated in accordance with the
8 provisions of this article: *Provided, however,* That the
9 state board of school finance shall determine the amount
10 of additional aid required to complete a nine months term
11 of school in such counties and distribute such part thereof
12 as the said fund will permit.

CHAPTER 51

(Com. Sub. for House Bill No. 282—Originating in the House Committee on
Education)

AN ACT to amend chapter eighteen of the code of West Vir-
ginia, one thousand nine hundred thirty-one, as amended,
by adding thereto a new article, to be designated article

nine-c, relating to state aid for the repair and construction of public school buildings and prescribing penalties for violations of the provisions hereof.

[Passed March 12, 1949; in effect June 1, 1949. Approved by the Governor.]

Article 9-c. State Aid for Repair and Construction of Public School Buildings.

Section

1. Allocation to county boards of education.
2. Eligibility for such aid; payment to county boards.
3. Authority to deposit with sinking fund commission.
4. Conditions concerning expenditures; separate accounts and reports; approval of plans and specifications.
5. Penalties for failure to comply with such conditions.

Be it enacted by the Legislature of West Virginia:

That chapter eighteen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article, to be designated article nine-c, to read as follows:

Section 1. Allocation to County Boards of Education.—

2 Any funds appropriated by the Legislature for state aid
3 for the repair, renovation or construction of public school
4 buildings, or for the purchase or preparation of building
5 sites, shall be allocated by the board of school finance to
6 the various county boards of education as follows:

7 (a) Within thirty days preceding the first day of the
8 biennium for which any such appropriation is made, the
9 board of school finance shall allocate to each county board
10 of education one-half of one per cent of the total amount
11 appropriated for the biennium, and the amount so deter-
12 mined shall be available for payment to the county board
13 of education during either year of the biennium.

14 (b) The board of school finance shall apportion the
15 remainder of such appropriation among the various county
16 boards of education on the basis of the ratio of the net
17 enrollment of each county for the fourth month of the
18 preceding school year to the total net enrollment in the
19 state for the same month. One-half of the amount so ap-
20 portioned to each county board shall be available for
21 payment to it during each year of the biennium, if the

22 board is otherwise eligible therefor as hereinafter pro-
23 vided. If any county board is ineligible to receive the
24 amount allocated to it for the first year of the biennium,
25 such amount shall be available for payment to it during
26 the second year of the biennium, if the board of school
27 finance is satisfied that the county board is and will
28 remain eligible therefor for a period of at least two years.

29 Upon application of a county board setting forth sound
30 reasons therefor, the board of school finance may, during
31 the first year of the biennium, authorize the release and
32 payment to the county board of the whole amount allo-
33 cated to it for the biennium, if satisfied that the county
34 board will be eligible therefor during each year of the
35 biennium.

Sec. 2. *Eligibility for Such Aid; Payment to County*
2 *Boards.*—A county board of education shall not be eligible
3 for the state aid that may under the provisions of sub-
4 section one-b be available for payment to it in either year
5 of the biennium, unless in that year it shall levy the
6 maximum rates provided by law for general current ex-
7 pense, for the permanent improvement fund, and for all
8 necessary debt service, and in addition thereto shall have
9 available for expenditure for school purposes during the
10 year, either from a special levy, or from private endow-
11 ments and gifts, or from the sale of bonds prior to the
12 effective date of this act, or from funds deposited with the
13 sinking fund commission to the credit of its permanent
14 improvement fund prior to the effective date of this act,
15 or from any combination of the four, an amount equal to
16 the amount that would be realized in that year from an
17 additional levy of not less than ten cents on class I prop-
18 erty, twenty cents on class II property, and forty cents
19 on classes III and IV property: *Provided, however,* That
20 if any county board of education has available from the
21 sources specified in this paragraph a sum less than would
22 be required to qualify it for the full amount allocated
23 to it under subsection (b) of section one, it shall be eligible
24 to receive a proportionate share of the amount so allocated
25 based upon the ratio of the sum in hand to the amount
26 which would be required for full participation: *Provided*

27 *further*, That notwithstanding any other requirement of
28 this paragraph, the county board of education of any
29 county in which the total assessed valuations fixed by
30 the county assessor shall, after the passage of this act,
31 be increased as much as twenty per cent above the total
32 of such assessed valuations for the year one thousand nine
33 hundred forty-eight, shall be eligible for the full amount
34 allocated to it under subsection (b) of section one: *And*
35 *provided further*, That notwithstanding any other re-
36 quirement of this paragraph, the county board of educa-
37 tion of any county in which the total assessed valuations
38 fixed by the county assessor shall have been increased
39 as much as fifty per cent between the years one thousand
40 nine hundred forty and one thousand nine hundred fifty-
41 one shall be eligible for the full amount allocated to it
42 under subsection (b) of section one of this article.

43 If the board of school finance is satisfied that a county
44 board of education is or will be eligible therefor under
45 the provisions of this section, the board of school finance,
46 as soon after the first day of July of each year as may be
47 practicable, shall issue its requisition, in the manner pre-
48 scribed by law, for payment to the county board of such
49 state aid as may be available for payment to it during
50 the year.

Sec. 3. *Authority to Deposit with Sinking Fund Com-*
2 *mission.*—A county board of education that deems it more
3 advisable to apply a portion of the funds it receives under
4 the provisions of this article toward the later financing
5 of its school building program, rather than to spend all
6 of it for current building and repairs, may with the ap-
7 proval of the board of school finance deposit such portion
8 with the sinking fund commission, to the credit of its
9 permanent improvement fund. The amount so deposited
10 shall in no way be subject to the limitations otherwise
11 provided by law with respect to the size of the permanent
12 improvement fund, and shall be in addition to the amount
13 the county board is otherwise authorized to accumulate
14 in such fund. The subsequent expenditure of the amount
15 so deposited shall in all respects be subject to the pro-
16 visions hereof with regard to conditions governing the

17 expenditure of funds received under the provisions of this
18 article.

Sec. 4. *Conditions Concerning Expenditures; Separate
2 Accounts and Reports; Approval of Plans and Specifica-
3 tions.*—The expenditure of all funds received by a county
4 board of education under the provisions of this article
5 shall be subject to the following terms and conditions:

6 (1) The funds shall be expended only for the purposes
7 specified in this article, and then only in conformity with
8 the provisions of the act appropriating such funds.

9 (2) If after the receipt of any such funds a county board
10 should become ineligible because of a failure to levy the
11 maximum rates provided by law for general current ex-
12 pense, for the permanent improvement fund, and for all
13 necessary debt service, or because of a failure to impose
14 the necessary additional levy, if the imposition of such
15 additional levy was the basis on which it qualified, or
16 because of a reduction in assessed valuations below the
17 necessary level, if an increase in assessments was the basis
18 on which it qualified, it shall not thereafter expend any
19 of the remainder of such funds until the necessary levy
20 or levies shall have been imposed, or the necessary in-
21 crease in assessments shall again have been made, as the
22 case may be.

23 (3) The county board shall keep separate accounts,
24 setting forth accurately and in detail the purposes for
25 which the funds were expended and the amount spent
26 for each purpose, and at the close of each fiscal year shall
27 make a report thereof to the board of school finance. The
28 separate accounts and reports shall be in such form and
29 detail as may be required by the board of school finance.

30 (4) The county board shall not expend any part of such
31 funds for the purchase of a building site without prior
32 approval by the board of school finance.

33 (5) The county board shall not expend any part of such
34 funds for the construction of a new building or an addi-
35 tion to an existing building, if such construction shall
36 involve the expenditure of more than ten thousand dol-
37 lars, without prior approval by the board of school finance
38 of the plans and specifications for such building or addi-

39 tion. The board of finance shall give its approval to the
 40 plans and specifications as submitted, if it is satisfied that
 41 they are in conformity with the standard plans and speci-
 42 fications prescribed by the state board of education, as
 43 provided by law.

Sec. 5. *Penalties for Failure to Comply with Such Con-*
 2 *ditions.*—Any county superintendent of schools, or any

12 under the laws of this state or of the United States; or
13 cannot read or write the English language; or is a can-

20 shall take an oath that he will perform the duties of
21 the office to the best of his ability, which oath shall be
22 filed in the office of the clerk of the county court.

23 An equal number of such registrars shall be selected
24 from the two political parties which, at the last preced-

26 number of votes in the county in which the election is
27 to be held. The county court shall, at least four weeks
28 prior to making such appointment, request the county
29 executive committee of each of the said two political
30 parties to submit a list of names, equal to one-half of
31 the total number to be appointed, of persons qualified
32 to act as registrars; and the county court shall, if such
33 lists are submitted, appoint the respective registrars
34 therefrom, and shall notify each registrar of his ap-
35 pointment. Every such list so presented shall be filed
36 and preserved for one year by the clerk of such court
37 in his office. Any and every act performed by any
38 registrar under the provisions of this article shall be
39 void unless performed in conjunction with a registrar
40 of the opposite political party at the same time and
41 place.

42 Before acting, all such registrars shall attend a ses-

50 Immediately following such instruction the clerk of
51 the county court shall deliver to the registrars a copy
52 of the laws and regulations and reference to the regis-
53 tering of voters, and all necessary forms and other sup-
54 plies, including a certified list of all registered voters
55 within the precinct for which such registrars were
56 appointed, upon such form as may be prescribed by
57 the secretary of state. Such registrar shall thereupon
58 proceed together to make a house-to-house canvass
59 in their precinct for the purpose of making the bien-
60 nial or quadrennial check-up required by section twenty-
61 five of this article. In making such check-up the regis-
62 trars shall not again register any person who is already
63 registered in such precinct, but shall determine whether
64 or not such person is duly registered and qualified to
65 vote therein.

66 For the purpose of making further corrections and
67 of registering or transferring the registration of per-
68 sons who were missed during the house-to-house can-
69 vass or who have since become qualified to register
70 in the precinct, the registrars shall sit together at some
71 public place or places within the precincts assigned
72 them for not less than one day beginning Monday of
73 the sixth week preceeding the primary or general elec-
74 tion and continuing for not more than ten days. The
75 county court shall designate the place and fix the date
76 or dates for such sittings in the precincts and shall cause
77 notice thereof to be placed in at least ten conspicuous
78 places in the precinct not less than five days before the
79 date fixed for the first sitting therein. The clerk of
80 the county court may publish a notice in two news-
81 papers of opposite politics and of general circulation in
82 the county, giving the time and places where such regis-
83 trars shall sit. The clerk of the county court is also
84 authorized to publish such notices as may be proper
85 in his opinion to advise the electorate of the respective
86 dates after which transfers and registration, and changes
87 of registration, may not be made with respect to any
88 general or primary election.

89 Upon the completion of the biennial or quadrennial
90 check-up and immediately following the last sitting be-
91 fore the election, the registrars shall return the records
92 and lists to the clerk of the county court, together with
93 an affidavit that the returns, records and lists returned
94 to the clerk are true and correct to the best of their
95 knowledge and belief. The clerk of the county court
96 shall make the necessary changes in his other regis-
97 tration records. The list checked by the registrars in
98 each precinct shall be compared with the register of
99 deaths kept by the clerk of the county court in his of-
100 fice. Each person named in the list whose death has
101 not been recorded shall be given proper notice by the
102 clerk of the county court, that his registration has been
103 cancelled and that in order to vote he must register
104 again. The notice shall be mailed to such person's last
105 address appearing on the registration record.

Sec. 25. *Biennial or Quadrennial Check-up.*—During
2 the year one thousand nine hundred fifty and every two
3 years subsequent thereto, there may be a biennial check-
4 up if in the discretion of the county court such check-up
5 is deemed necessary and advisable; there shall be a quad-
6 rennial check-up in every county in the state, beginning
7 with the year one thousand nine hundred fifty-two and
8 every four years subsequent thereto, and the registrars,
9 according to directions prescribed by the secretary of state
10 and as provided in section sixteen of this article, shall pro-
11 ceed to register the names of all persons not registered
12 but who are qualified to register, and shall also check and,
13 if necessary, alter, amend, correct or cancel the registra-
14 tion records of the voters of the respective precincts, so as
15 to provide a complete and accurate record of all persons
16 qualified to vote.

Sec. 2. *Voting Machines; How Adopted.*—Voting machines may be adopted for use in general, primary and special elections in any county by either of the following procedures, and not otherwise:

(1) By a majority of the members of the county court voting to adopt the same at a meeting regularly called in regular or special session: *Provided, however,* That such meeting shall be held not less than six months prior to a general election or six months prior to a primary election. If at such meeting, such county court shall enter an order of its intention to adopt the use of voting machines, it shall thereafter forthwith cause to be published a certified copy of such order in some newspaper of general circulation in such county. Such notice shall be published at least once a week for four successive weeks beginning not less than twenty days after the entry of such order, and a copy of such order shall be posted at the front door of the courthouse and at least three other public places in such county for a like period. Such county court shall not adopt the use of voting machines until ninety days after the entry of such order of its intention to adopt the same. 37 county court shall submit to the voters of such county
38 at the next general or primary election, whichever shall
39 first occur, the question: "Shall voting machines be
40 adopted in..... County?" If this question
41 be answered in the affirmative by a majority of the
42 voters in such election upon the question, voting
43 machines shall thereby be adopted. If such question shall
44 not be answered in the affirmative by such majority,
45 the use of voting machines shall not be adopted.

46 (2) By the affirmative vote of a majority of the
47 voters of such county voting upon the question of the
48 adoption of voting machines in such county. If five per
49 cent or more of the registered voters of such county

78 be continued.

83 county to adopt or readopt voting machines in a law-

Sec. 3. *Duty of County Court to Acquire Voting*
2 *Machines.*—If the use of voting machines shall have

7 and to acquire such reserve machine or machines as will
8 be deemed necessary, and to acquire for each machine
9 an instruction model.

10 If it shall be impossible for the county court to sup-
11 ply each election precinct with a voting machine or
12 voting machines for use at the next general election
13 following the adoption of voting machines, as many
14 voting machines shall be supplied for that election and
15 the next succeeding elections as it is possible for the
16 county court to acquire in the manner as hereinafter
17 provided, and the machines so acquired may be used in

12 accompanied by a contract which shall provide that in
13 the event the bid is accepted the party or parties making
14 the sale or lease shall:

15 (1) Guarantee in writing to keep the machine or
16 machines in good working order for five years without
17 additional cost to the county court.

18 (2) Warrant to defend and indemnify the county
19 court against any claim for patent infringement, and
20 in case any machine or machines shall be held to be an
21 infringement of a valid patent, to obtain a license for
22 the use of such patent on the machines sold or leased
23 to the county court or to modify the machines so that
24 the offending infringement is removed without alter-
25 ing the mechanical efficiency or statutory requirements
26 of the machines; all at the sole cost and expense of the
27 supplier of the voting machines.

31 warranty, in a penal sum to be fixed by the county
32 court.

33 No bid shall be accepted by the county court unless
34 the party or parties submitting the bid shall file with
35 the bid an affidavit:

36 (1) disclosing the name and address of, and the
37 amount of any contribution paid or to be paid to
38 any individual, partnership, corporation or associa-
39 tion, whether regularly or specially hired for the
40 purpose, or partly for the purpose, of attempting
41 to influence directly or indirectly the purchase
42 or lease of the voting machine represented by the
43 bid.

44 (2) declaring that no individual, partnership,
45 corporation or association not disclosed in said affi-
46 davit shall thereafter be regularly or specially
47 hired and no contribution shall thereafter be paid
48 for the purpose or partly for the purpose of at-
49 tempting to influence directly or indirectly the pur-
50 chase or lease of the voting machine represented by
51 the bid.

52 For the purpose of this affidavit, the word "contri-
53 bution" shall mean the payment, distribution, loan,
54 advance, deposit, gift of money, property, benefit or
55 other consideration, or any agreement providing for a
56 payment, distribution, loan, advance, deposit, or gift
57 of money, property, benefit, or other consideration at
58 any future time.

Sec. 5. *Financing Acquisition of Voting Machines.*

2 —The county court may finance the acquisition of vot-
3 ing machines by any one or any combination of the
4 following methods:

5 (1) By purchasing the same and paying the pur-
6 chase price therefor in cash from funds available from
7 the maximum general levy or from any other lawful
8 source.

9 (2) By leasing the same under written contract of
10 lease, and paying the rentals therefor in cash from
11 funds available from the maximum general levy or
12 any other lawful source.

Sec. 6. *Minimum Requirements of Voting Mach-*
2 *ines.*—A voting machine of particular make and design
3 shall not be approved by the voting machine commis-
4 sion or be purchased, leased, or used, by any county
5 court unless it shall fulfill the following requirements:

6 (1) It shall secure or insure the voter absolute se-
7 crecy in the act of voting, or, at the voter's election,
8 shall provide for open voting.

9 (2) It shall be so constructed that no person except
10 in instances of open voting, as herein provided for, can
11 see or know for whom any voter has voted or is voting,
12 and that no voter or other person can, while the mach-
13 ine is unlocked for operation, see or otherwise ascertain

14 the numerical total of votes cast for any candidate or
15 for or against any question.

16 (3) It shall permit each voter to vote at any elec-
17 tion for all persons and offices for whom and which
18 he is lawfully entitled to vote, whether or not the name
19 of any such person appears on a ballot label as a can-
20 didate; and it shall permit each voter to vote for as many
21 persons for an office as he is lawfully entitled to vote for;
22 and to vote for or against any question upon which he is
23 lawfully entitled to vote.

24 (4) It shall preclude each voter from voting for
25 any person or office or upon any question for whom
26 or which and upon which he is not lawfully entitled
27 to vote and from voting for more persons for any office
28 than he is lawfully entitled to vote for, and from voting
29 for any candidate for the same office and upon any
30 question more than once.

31 (5) It shall permit each voter to deposit, write in,
32 or affix upon devices to be provided for that purpose,
33 ballots containing the names of persons for whom he
34 desires to vote whose names do not appear upon the
35 machine ballot labels.

36 (6) It shall permit each voter to change his vote for
37 any candidate and upon any question appearing upon
38 the ballot labels up to the time when he starts to regis-
39 ter his vote.

40 (7) It shall correctly register and accurately count
41 all votes cast for each candidate and for and against
42 each question appearing upon the ballot labels.

43 (8) It shall permit each voter at any election, other
44 than primary elections, to vote a straight party ticket
45 by one device, and by one device to vote for all can-
46 didates of one party for presidential electors; and to
47 vote a mixed ticket selected from the candidates of
48 any and all parties and from independent candidates.

49 (9) It shall be capable of adjustment by election
50 officers at a primary election so as to permit each
51 voter to vote only for the candidates of the party with
52 which he has declared his affiliation, and so as to pre-
53 clude him from voting for any candidate seeking nom-
54 ination by any other political party, and so as to permit

55 each voter to vote for the candidates, if any, for non-
56 partisan nomination or election.

57 (10) It shall have separate voting devices for can-
58 didates and questions, which shall be arranged in sep-
59 arate rows or columns. It shall also be arranged so
60 that one or more adjacent rows or columns may be
61 assigned to the candidates of each political party at
62 primary elections.

63 (11) It shall have a public counter, or other device,
64 the register of which is visible on the outside of the
65 machine and which shall show the total number of
66 voters who have voted on that machine in the election;
67 also candidate and question counters or other devices
68 which shall not be visible on the outside of the mach-
69 ine when the machine is unlocked for operation, and
70 upon which are registered numerically the total votes
71 cast for each candidate and question appearing on the
72 ballot labels; also a protective counter or other device
73 which will record the cumulative total number of
74 movements of the registering mechanism.

75 (12) It shall be provided with locks and seals by
76 the use of which all movement of the registering mech-
77 anism is prevented, both before the polls are open or
78 before the operation of the machine for an election is
79 begun, and immediately after the polls are closed or
80 after the operation of the machine for an election is
81 completed.

82 (13) It shall have the capacity to contain the names
83 of candidates constituting the tickets of at least nine
84 political parties, and to accommodate the wording of
85 at least fifteen questions.

86 (14) It shall be durably constructed of material of
87 good quality and in a workmanlike manner and in a
88 form which shall make it safely transportable.

89 (15) It shall be so constructed with frames for the
90 placing of ballot labels and with transparent devices
91 for the protection of such labels, that the labels on which
92 are printed the names of candidates and their respective
93 parties, titles of offices, and wording of questions shall
94 be reasonably protected from mutilation, disfigurement
95 or disarrangement.

96 (16) It shall bear a number that will identify it or
97 distinguish it from any other machine.

98 (17) It shall be so constructed that a voter may
99 easily learn the method of operating it and may expe-
100 ditiously cast his vote for all candidates of his choice.

101 (18) It shall be accompanied by a mechanically oper-
102 ated instruction model which shall show the arrange-
103 ment of ballot labels, party columns or rows, and
104 questions.

Sec. 7. *Voting Machine Commission; Creation and*
2 *Duties.*—There is hereby created a voting machine
3 commission, to be composed of the secretary of state, and
4 two persons appointed by the governor, by and with the
5 consent of the Senate, who shall be mechanical experts
6 and not members of the same political party. The term
7 of office of such commissioners shall be four years, except
8 that the commissioners appointed by the governor shall
9 be subject to removal at his pleasure, and that any sec-
10 retary of state, in surrendering the duties of his office,
11 shall be succeeded on the commission by the succeeding
12 secretary of state. No member of the commission shall
13 have any interest in any voting machine.

14 Any person or corporation owning or being inter-
15 ested in any voting machine may apply to said commis-
16 sion to the end that such machine may be examined
17 and a report be made on its accuracy, efficiency, capac-
18 ity, and safety. The mechanical experts of the com-
19 mission shall examine the machine and make full report
20 thereon to the secretary of state. They shall state in
21 the report whether or not the machine so examined
22 complies with the requirements of this article and can
23 be safely used by voters at elections under the con-
24 ditions prescribed in this article. If the report be in
25 the affirmative upon said question, the machine shall
26 be deemed approved by the commission and the machine
27 of its make and design may be adopted for use at elec-
28 tions as herein provided. Any form of voting machine
29 not so approved shall not be used at any election.

30 Each of the two mechanical experts on the commis-
31 sion shall be entitled to two hundred dollars for his

32 compensation and expenses in making such examin-
33 ation and report, and such compensation shall be paid
34 by the person or corporation applying for such exam-
35 ination, which sum shall be paid in advance of making
36 the examination and which sum shall be the sole com-
37 pensation to be received by any such expert for his
38 work hereunder.

Sec. 8. *County Clerk Custodian of Machines.*—
2 When voting machines are acquired by any county
3 court, they shall be immediately placed in the custody
4 of the county clerk, and shall remain in his custody
5 at all times except when in use at an election or when
6 in custody of a court or court officers during contest
7 proceedings. The clerk shall see that the machines are
8 properly protected and preserved from damage or un-
9 necessary deterioration, and shall not permit any un-
10 authorized person to tamper with them. The clerk shall
11 also be charged with the duty of keeping the machines
12 in repair and of preparing the same for voting.

Sec. 9. *Printing of Ballot Labels and Instruction*
2 *Cards.*—The ballot commissioners of any county in which
3 voting machines are to be used in any election shall
4 cause to be printed and ready for use at such election
5 five sets of ballot labels for each precinct in which a
6 machine is to be used. Each such set shall contain
7 the name of each candidate and each question to be
8 voted upon. All ballot labels shall be clearly printed
9 or typed in black ink on clear, white material, of such
10 size as will fit the ballot frames. One set of ballot labels
11 shall be inserted in the machine prior to the delivery
12 of the machine to the polling place as hereinafter pro-
13 vided. Two sets of ballot labels shall be placed in the
14 custody of the election commissioners of each precinct
15 for use in the event the set so inserted in the machine
16 becomes mutilated or damaged. The remaining two
17 sets shall be inserted in or affixed to the facsimile dia-
18 grams, as hereinafter provided.

19 The ballot commissioners shall also cause to be printed
20 a supply of instruction cards and facsimile diagrams
21 to be used as hereinafter provided.

Sec. 10. *Preparation of Machines.*—Upon receiving the printed ballot labels, the county clerk shall place them in the ballot frames of the voting machines in such manner as will most nearly conform to the arrangement prescribed for paper ballots, and as will clearly indicate the party designation or emblem, if any, of each candidate. Each column or row containing the names of the office and candidates for such office shall be so arranged as to indicate clearly the office for which the candidate is running. The ballot labels containing the names of candidates required by law to be rotated within each office division shall be inserted in the ballot frames of the several voting machines to be used in the election in such a manner that each candidate shall appear at the top, the bottom and at such intermediate positions within the proper office division an equal number of times.

The county clerk shall then see that the counters referred to in subsection eleven of section six of this article are set at zero (000) and shall lock the operating device and mechanism and devices protecting the counters and ballot labels. The clerk shall then enter in an appropriate book, opposite the number of each precinct, the identifying or distinguishing number of the specific voting machine to be used in that precinct.

Sec. 11. *Vacancy Filled After Ballots are Printed.*
—If a nomination to fill a vacancy be made by a political committee or the chairman thereof and be certified to the ballot commissioners after the ballot labels to be used at the ensuing election shall have been printed, it shall be lawful for the chairman of the party executive committee for the political division to provide, or cause to be provided and deliver, or cause to be delivered, to the county clerk, a sufficient number of ballot labels containing the name of such candidate: *Provided, however,* That such ballot labels conform to the specifications as set forth in section nine of this article. If such ballot labels are furnished to the clerk of the county court before the machines are delivered to the election precincts, the clerk, with the advice and con-

16 sent of the ballot commissioners, shall cause such ballot
17 labels to be inserted in the proper ballot frames.

Sec. 12. *Notice to County Court Members and Ballot Commissioners; Examination of Machines.*—Upon
2 completing the preparation of the machines in accord-
3 ance with the provisions of section ten of this article,
4 and not later than seven days before the day of the elec-
5 tion, the county clerk shall notify the members of the
6 county court and the ballot commissioners that the ma-
7 chines are ready for use. Thereupon the members of the
8 county court and the ballot commissioners shall convene
9 at the office of the county clerk, or at such other place
10 wherein the voting machines are stored, not later than
11 five days before the day of the election, and shall examine
12 the machines to determine whether the requirements of
13 section ten of this article have been met. Any candidate,
14 and one representative of each political party having can-
15 didates to be voted on at the election, may be present
16 during such examination. If the machines are found
17 to be in proper order, the members of the county court
18 and the ballot commissioners shall endorse their approval
19 in the book in which the county clerk entered the num-
20 bers of the machines opposite the numbers of the pre-
21 cincts. The county clerk shall then deliver the keys to
22 the voting machines to the ballot commissioners who shall
23 give a receipt for the keys, which receipt shall contain
24 identification of such keys. Not later than three days be-
25 fore the election the election commissioner of each pre-
26 cinct, who shall have been previously designated by the
27 ballot commissioners, shall attend at the office of the
28 clerks of the circuit and county courts of such county to
29 receive the key or keys to the device covering the reg-
30 istering counters and such other keys as may be neces-
31 sary for the operation of the machine in registering votes,
32 and to receive the other necessary election records, books,
33 and supplies required by law. Such election commission-
34 ers shall receive the per diem mileage rate prescribed by
35 law for this service. Such election commissioners shall
36 give the ballot commissioners a receipt for such keys, rec-
37

38 ords, books and supplies, and such receipt shall contain
39 identification of such keys. The master key and all other
40 keys shall remain in the possession of the clerk of the
41 county court.

Sec. 13. *Appointment of Election Boards; Instruction.*—The provisions of section nine of article five and section fifteen of article four of this chapter with respect to the number of election officers in each precinct shall not apply to precincts in counties in which voting machines have been adopted, and the county court of such county shall appoint, subject to all other provisions of section nine of article five and section fifteen of article five of this chapter, a uniform election board, to consist of three election commissioners and two poll clerks, to serve in each precinct.

The county court shall call the necessary meeting or meetings for the instruction of all election officials in the use of voting machines. Such meeting or meetings shall be held and the proper instruction given not less than seven days prior to any election in which voting machines are to be used. No election officer, upon being so notified to appear for instruction, shall fail without just cause to do so. If any officer does so fail to appear, the county court may appoint some other qualified person, and such person, after instruction, shall act in the place of the defaulting officer: *Provided, however,* That if such defaulting officer was appointed by the county court upon the written recommendation of a county executive committee as provided in section fifteen of article four and in section nine of article five of this chapter, the county court shall give written notice of such default to such county executive committee and appoint a person to take the place of such defaulting person upon the recommendation of such county executive committee. The election officers shall receive the per diem mileage rate prescribed by law for attending such instruction meetings.

Sec. 14. *Voting Machine Models and Facsimile Diagrams.*—For the instruction of the voters on any elec-

3 tion day there shall be provided for each polling place
4 one instruction model for each voting machine. Each
5 such instruction model shall be constructed so as to
6 provide a replica of a portion of the face of the voting
7 machine, and shall contain the arrangement of the
8 ballot labels, party columns or rows, office columns or
9 rows, and questions. Fictitious names shall be in-
10 serted in the ballot labels of the models. Such models
11 shall be located on the election officers' tables or in
12 some other place in which the voter must pass to reach
13 the voting machine. Each voter, upon request, before
14 voting, shall be offered instruction by the election of-
15 ficers in the operation of the voting machine by use
16 of the instruction model, and each voter shall be given
17 ample opportunity to operate the model himself.

18 The ballot commissioners shall also provide facsimile
19 diagrams, at least two of which shall be posted on the
20 walls of each polling place. The facsimile diagrams
21 shall be exact diagrams of the face of the voting mach-
22 ines to the end that the voter may become familiar
23 with the location of the parties, offices, candidates and
24 questions as they appear on the voting machine to be
25 used in his precinct. Ballot labels may be affixed to
26 the diagrams to insure that the position of the names of
27 the candidates in each office division shall appear ac-
28 curately on the diagrams of each precinct.

Sec. 15. *Delivery of Machines; Arrangements for*
2 *Voting.*—The county clerk shall deliver or cause to be
3 delivered each voting machine to the polling place
4 where it is to be employed. Such delivery shall be
5 made not less than one hour prior to the opening of
6 the polls. At the time of the delivery of the voting
7 machine the operating device and mechanism and the
8 device covering the registering counters shall be se-
9 curely locked. The election commissioners shall then
10 cause the machine to be arranged in the voting place
11 in such manner that the front of the machine, on which
12 the ballot labels appear, will not be visible, when the
13 machine is being operated, to any person other than
14 the voter if the voter shall elect to close the curtain,
15 screen or hood furnished with the voting machine.

2 *Sec. 16. Examination of Machine by Election Of-*
3 *ficers Before Voting Starts.*—Before permitting the first
4 voter to vote, the election officers shall examine the
5 machine to ascertain whether it has been operated since
6 the public counters referred to in subsection eleven of sec-
7 tion six of this article were set at zero (000) and to ascer-
8 tain whether the ballot labels are arranged as specified
9 on the facsimile diagram of the precinct. If the machine
10 indicates that it has been operated or if the ballot labels
11 are arranged incorrectly, the officers shall not unlock
12 the operating device or mechanism, but shall imme-
13 diately secure the attendance of one or more members
14 of the county court and one or more of the ballot com-
15 missioners, who shall reset the counters at zero (000)
16 and then relock the device covering the counters, or
17 properly arrange the ballot labels, as the case may be,
18 in the presence of the election officers. If the at-
19 tendance of such members of the county court and
20 ballot commissioners cannot be obtained before the
21 time for opening the polls or within one hour there-
22 after, the election officers shall notify the county
23 clerk of the foregoing facts and obtain from such county
24 clerk a reserve voting machine, and thereafter pro-
25 ceed to conduct the election. Any reserve machine so
26 used, shall be prepared for use by the county clerk or
27 his duly appointed deputy and said reserve machine
28 shall be delivered and examined in the same manner
29 as hereinbefore provided. The machine found to have
30 been operated or provided with incorrect ballot labels
31 shall be returned immediately to the custody of the
32 county clerk who shall then promptly cause such
33 machine to be repaired in order that it may be used
as a reserve machine if needed.

2 *Sec. 17. Machine in Disrepair; Reserve Machine;*
3 *Certifying Result of Election.*—If, during the conduct of
4 an election, a machine becomes in a state of disrepair so
5 that it cannot be operated in a manner that will comply
6 with the provisions of this article, the election officers
7 shall lock or seal the machine in such manner as to pre-
vent further voting thereon and shall record the numbers

8 shown by the public counter. Then the election officers
9 shall secure from the county clerk a reserve voting ma-
10 chine, which shall be prepared for use, delivered and
11 examined in the same manner as hereinbefore provided,
12 and shall thereafter proceed to conduct the election.
13 When the polls are closed, both the original and reserve
14 voting machines shall be examined and the votes thereon
15 registered shall be counted as provided in section twenty-
16 three of this article and the aggregate number of votes
17 cast on both machines for each candidate and on each
18 question shall be certified as the result of the election
19 in that precinct.

Sec. 18. *Duties of Election Officers; Primary Elec-*
2 *tions; Adjustment of Machine.*—(1) The election of-
3 ficers shall constantly and diligently maintain a watch
4 in order to see that no person votes more than once
5 and to prevent any voter from occupying the voting
6 machine more than five minutes. (2) In primary elec-
7 tions, before a voter is permitted to use the voting
8 machine, the election officer representing the party
9 to which the voter belongs shall adjust the machine
10 so that the voter will be able to vote only for the can-
11 didates who are seeking nomination on the ticket of
12 the party with which the voter is affiliated. (3) If
13 the machine is so constructed as to require adjustment
14 after one person has voted before another person can
15 vote, the election officers shall so adjust it after each
16 person has voted.

Sec. 19. *Assistance to Voters Unable to Read.*—
2 Any person who shall have indicated upon his registra-
3 tion record that he is unable, by means of physical dis-
4 ability, or illiteracy, to write may ask for assistance
5 from two election officers of opposite political affilia-
6 tions to whom he shall thereupon declare his choice of
7 candidates and his position on questions appearing on
8 the ballot labels; such officers, in the presence of the
9 voter and of each other shall thereupon cause such
10 voter's declared choices to be registered by the machine
11 as votes.

Sec. 20. *Absent Voters' Ballots; Recording, Dispo-*

2 *sition.*—When absent voters' ballots have been voted
3 and delivered to the election board of any precinct, the
4 election commissioners shall as time permits proceed
5 to determine the legality of such ballots as prescribed
6 in sections one to fifteen of article six of this chapter,
7 and shall prior to the close of the polls, before sealing
8 the operating lever and before unlocking the counter
9 compartment, vote or record such votes on the voting
10 machine. Such recording of absent voters' ballots shall
11 be done by one of the election commissioners and the
12 act of casting such votes shall be performed in the pres-
13 ence, and under the careful observation and full view,
14 of all members of the precinct election board, and the
15 votes as indicated by the voting pointers shall not be
16 registered until each member of such board is satis-
17 fied that the arrangement of such voting pointers
18 fully carries out the intent of the voter as shown by
19 the cross marks on the paper ballot.

20 After completion of the count, absentee ballots shall
21 be enclosed in a sealed package, properly endorsed, and
22 returned and filed with the statement of returns.

Sec. 21. *Challenged Ballots.*—If the right of any
2 person to vote is challenged in accordance with sec-
3 tion twenty-five, of article five or section seventeen-a of
4 article four of this chapter, such person shall not be per-
5 mitted to cast his vote by the use of the voting machine,
6 but shall be supplied by the election commissioners
7 at the polling place with an official printed ballot pre-
8 pared under section twelve of article four of this chap-
9 ter or section four of article five of this chapter, and
10 such ballot shall be received subject to sections twenty-
11 five (a) and thirty-one (a) of article five or sections
12 seventeen-b and eighteen-a of article four of this chapter.

Sec. 22. *Other Necessary Equipment and Supplies.*
2 —In addition to the other equipment and supplies re-
3 quired by this article, there shall be provided for each
4 precinct a sufficient number of printed ballots for the
5 use of voters whose right to vote is challenged, and
6 the necessary equipment and supplies for the reception
7 and safe keeping of absentee voters' ballots.

Sec. 23. *Count of Votes; Machine to Be Locked and Sealed; Announcement of Vote; Return Sheets.*—(1) At the count of the votes in any such precinct, any candidate or his individual representative may witness and check the count of the votes therein.

(2) As soon as the polls are closed, and the last voter has voted, the election officers shall immediately lock and seal the operating lever or mechanism of the machine so that the voting and counting mechanism will be prevented from operation, and shall then compare the number of voters, as shown by the public counter of the machine, with the number of those who have voted, as shown by the protective or accumulative counter or device. The election officers of each precinct shall then sign a certificate stating: (a) that the machine has been locked against voting and sealed; (b) the number of voters, as shown by the public counters; (c) the number registered on the protective or accumulative counter or device, if any; and (d) the number or other designation of the voting machine; and such certificate shall be returned by the precinct election officers to the ballot commissioners.

(3) The election officers in the presence of any candidate or his individual representative, if any, shall then make visible the registering counters, and for that purpose shall unlock and open the doors or other covering concealing the same, giving full view of all the counter numbers. The election officers shall, under the scrutiny of such representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the election officers, in ink, on triplicate return sheets, and also on a general return sheet and statement, all of which, after the count is completed, shall be signed by the elec-

42 tion officers. The total vote cast for each candidate,
43 and for and against each question, shall then be com-
44 puted and entered on the general and triplicate return
45 sheets and statement. There shall also be entered on
46 the general return sheet and statement the number of
47 voters who have voted, as shown by the poll books,
48 and the number who have voted on each machine, as
49 shown by the public counters, and also the number
50 registered on the protective counter on each machine
51 immediately prior to the opening of the polls and im-
52 mediately after the closing thereof and sealing of the
53 machine. The number or other designation of each
54 machine used shall also be entered thereon. In the
55 case of primary elections, triplicate return sheets shall
56 be prepared for each party. The registering counters
57 of the voting machines shall remain exposed to view
58 until the returns and all other reports have been fully
59 completed.

60 (4) The proclamation of the results of the votes cast
61 shall be announced distinctly and audibly by one of
62 the election officers, who shall read the name of and
63 votes cast for each candidate, and the votes cast for and
64 against each question submitted. During such proc-
65 lamation ample opportunity shall be given to any per-
66 son lawfully present to compare the results so an-
67 nounced with the counter dials of the machine, and
68 any necessary corrections shall then and there be made
69 by the election officers, after which the doors or other
70 cover of the voting machine shall be closed and locked
71 and the return sheets shall be signed by each of the
72 election officers. If any election officers shall decline
73 to sign such return, he shall state his reason therefor
74 in writing, and a copy thereof, signed by him, shall
75 be enclosed with such return. Each of the return sheets
76 shall be enclosed in a separate envelope, which shall
77 be securely sealed with sealing wax, or other sealing
78 material, and each of the election officers shall write
79 his or her name across the fold of the envelope. One
80 of the triplicate returns shall be directed and delivered to
81 the clerk of the county court of the county in which the
82 election is being held, one to the circuit court clerk of

83 such county and one to the secretary of the state at
84 Charleston, West Virginia, and the general return sheet
85 and statement shall be directed and immediately de-
86 livered to the clerk of the county court of such county.
87 The envelope shall have endorsed thereon a certifi-
88 cate of the election officers, stating the number of
89 the machine, the precinct where it has been used, the
90 number of the seal, and the number registered on the
91 protective counter at the close of the polls.

92 (5) As soon as possible after the completion of
93 the count, the election officers shall return to the county
94 court and the ballot commissioners the keys to the vot-
95 ing machine received and receipted for by them, and
96 the clerk of the county court shall have the voting
97 machine properly boxed or securely covered and re-
98 moved from the polling place to a proper and secure
99 place of storage.

Sec. 24. *Form of Return Sheets; Posting Results*
2 *of Election; Delivery of Return Sheets.*—The general re-
3 turn sheet, triplicate return sheets, and statement, shall
4 be printed to conform with the make of voting machine
5 used. The designating number and letter, if any, on
6 the counter for each candidate shall be reprinted
7 thereon opposite the candidate's name. Immediately
8 after the vote has been ascertained, the above men-
9 tioned return sheets shall be forthwith delivered to the
10 respective persons to whom they are addressed as pro-
11 vided by the general election laws.

Sec. 25. *How Long Machine to Remain Locked*
2 *After Election; Court Order for Examination of Mach-*
3 *ine; Contested Elections.*—(1) For a period of fifteen
4 days following any primary election, and for a period
5 of thirty days following any general election or spe-
6 cial election, the voting machine shall remain locked
7 against voting, except that it may be opened and all
8 the data and figures therein examined, upon the order
9 of any court of competent jurisdiction, or judge thereof,
10 or by direction of any legislative committee author-
11 ized and empowered to investigate and report upon
12 contested elections affected by the use of such machine,

13 and such data and such figures shall be examined by
14 such court, judge or committee in the presence of
15 the officer having the custody of the machine. In the
16 event of a contest of election the court in which such
17 contest is pending or the committee before which con-
18 test is being heard may, upon motion of any party
19 to such contest, issue an order requiring that such
20 voting machines shall remain continuously locked for
21 such further time as may be reasonable or necessary,
22 with due regard for the preparation of such machines
23 for succeeding primary, general or special election, but
24 in no event shall such order compel that the machine
25 remain locked to a time within thirty days next pre-
26 ceding such approaching primary, general or special
27 election.

28 (2) During the period when such machine is re-
29 quired to be kept locked, the keys thereto shall remain
30 in the possession of the county court and ballot com-
31 missioners. After such period, it shall be the duty
32 of the county court and ballot commissioners to re-
33 turn such keys to the clerk of the county court.

Sec. 26. *Discrepancy in Returns; Recanvass of*
2 *Votes; Notices Required; Correction of Result.*—When-
3 ever it appears that there is a discrepancy in the re-
4 turns of any precinct, or it is alleged in a petition of
5 three voters of any precinct, verified by affidavit, that
6 an error, although not apparent on the face of the re-
7 turns, has been committed therein, the canvassing boards
8 shall summon the officers of election of the precinct,
9 and such officers, in the presence of the board of can-
10 vassers, shall make a record of the number of the seal
11 upon the voting machine, and, without unlocking the
12 machine against voting, shall recanvass the vote cast
13 thereon. Before causing such recanvass, the board of
14 canvassers shall give notice in writing to the county
15 clerk and to each candidate, and to the chairman of
16 the county executive committee of each party af-
17 fected by the canvass, and each such candidate may be
18 present in person, or by attorney, and each of such
19 parties may send two representatives to be present at

20 such recanvass. If, upon such recanvass, it is found
21 that the original canvass of the returns has been cor-
22 rectly made from the machine, and that the discrep-
23 ancy still remains unaccounted for, the board of can-
24 vassers with the assistance of the county clerk, in the
25 presence of the ballot commissioners and the candi-
26 dates and their representatives who may be present,
27 shall unlock the voting and counting mechanism of
28 the machine, and shall proceed thoroughly to examine
29 and test the machine to determine and reveal the true
30 cause, if any, of the discrepancy in returns from such
31 machine. Each registering counter shall be reset at
32 zero (000) before it is tested, after which it shall be
33 operated at least one hundred times. After the com-
34 pletion of such examination and test, the county clerk
35 shall then and there prepare a statement, in writing,
36 giving in detail the result of the examination and test,
37 and such statement shall be witnessed by the persons
38 present, and shall be filed with the board of can-
39 vassers. But the votes as registered on such machine
40 shall nevertheless be accepted on the canvass as votes
41 cast.

Sec. 27. *Number of Voters in Precinct.*—The pro-
2 visions of section ten of article one of this chapter with
3 respect to the number of voters to be contained in each
4 precinct shall not apply to precincts in counties in
5 which voting machines have been adopted and the
6 county courts of such county, subject to other pro-
7 visions of this chapter with respect to the altering or
8 changing of the boundaries of voting precincts, may
9 change the boundaries of precincts or consolidate pre-
10 cincts, as practicable, to achieve the maximum advan-
11 tage from the use of voting machines.

Sec. 28. *Tampering or Impairing the Use of Voting
2 Machines; Penalty.*—Any person not an election of-
3 ficer or other public official who shall tamper or at-
4 tempt to tamper with such voting machines, or in any
5 way intentionally impair or attempt to impair its use,
6 and any such person who shall be guilty of or shall
7 attempt any dishonest practice upon any such voting

8 machine, or with or by its use, shall be deemed guilty
9 of a felony, and, upon conviction thereof, shall be con-

2 by Election Officials and Public Officers; Penalty.—*
3 Any clerk of a county court, county commissioner, ballot
4 commissioner, election commissioner, or poll clerk, or
5 any custodian, technician, or other public official author-
6 ized to take part in the holding of an election or in pre-
7 paring for an election, who, with intent to cause or permit
8 any voting machine to fail to register correctly all votes
9 cast thereon, who tampers with or disarranges such ma-
10 chine in any way, or any part or appliance thereof, or
11 who causes or consents to the use of said machine for
12 voting at any election with knowledge of the fact that
13 the same is not in order, or not perfectly set and adjusted
14 so that it will correctly register all votes cast thereon, or
15 who, with the purpose of defrauding or deceiving any
16 voter or of causing it to be doubtful for what ticket or
17 candidate or candidates or proposition any vote is cast,
18 or of causing it to appear on said machine that the votes
19 cast for one ticket, candidate or proposition, were cast for
20 another ticket, candidate or proposition, removes, changes
21 or mutilates any ballot label on said machine or any part
22 thereof, or does any other thing intended to interfere
23 with the validity or accuracy of the election, shall be
24 deemed guilty of a felony and upon conviction thereof
25 shall be confined in the penitentiary not less than one
26 year nor more than ten years.

Sec. 30. *False Swearing or Failure to Disclose Facts in
2 Affidavit by Person Soliciting Voting Machine Bid; Pen-
3 alty.—*Any person who shall knowingly or willfully make
4 any false or fraudulent statement, or who shall knowingly
5 or willfully fail to disclose any material fact in the affi-
6 davit required by subsection four of section four of this
7 article to be filed by such party or parties submitting bids
8 to a county court for the sale or lease of voting machines,
9 shall be guilty of a felony, and, upon conviction thereof

10 shall be punished by a fine of not less than one thousand
11 dollars nor more than five thousand dollars or imprison-
12 ment in the state penitentiary for not less than one year
13 nor more than three years, or both, in the discretion of
14 the court.

15 In construing this section, the term "person" shall in-
16 clude an individual, partnership, committee, association,
17 and any other organization or group of persons.

Sec. 31. *Willful Neglect of Duty by Election Officer;*
2 *Penalty.*—Any public officer or election officer upon whom
3 any duty is imposed by this article and who shall willfully
4 omit or neglect to perform such duty, or who shall do
5 any act prohibited in this article for which punishment is
6 not otherwise provided herein, shall be guilty of a mis-
7 demeanor, and, upon conviction thereof shall be punished
8 by a fine of not less than five hundred dollars nor more
9 than one thousand dollars, or imprisonment in the county
10 jail for not less than sixty days nor more than one year,
11 or both, in the discretion of the court.

Sec. 32. *General Law Applicable to Voting Machines.*—
2 Except as modified by this article, the general laws apply-
3 ing to regular, special and primary elections shall apply
4 to elections conducted with the use of voting machines.
5 If it shall be impracticable for the county court of any
6 county, after the adoption of voting machines by such
7 county, to supply the necessary voting machines to each
8 precinct of such county for use in any election, the hold-
9 ing of any election in such precincts which have not been
10 supplied with voting machines, shall be governed by the
11 general laws with respect to conducting a regular, special
12 and primary election by the use of printed ballots.

Sec. 33. *Use of Voting Machines Authorized in Munic-*

7 such municipality shall be upon such terms and conditions

8 as may be agreed upon between the county court and the
9 municipality.

Sec. 34. *Severability, if held Unconstitutional.*—If any
2 section, subsection, paragraph, sentence, or clause of this
3 article is for any reason held invalid or to be unconstitu-
4 tional, such decision shall not affect the remaining portion
5 of this article, or any section or part thereof.

Section 1. Release of General Powers of Appointment.

2 —Any general power, whether exercisable by will, by

21 the licensee as it sees fit. Nothing in this article contained
22 shall subject such licensee to the criminal penalties which
23 are otherwise provided for violations of this article, so
24 long as the license in the possession of the licensee was
25 of the proper class, but the licensee may be punished by
26 loss of this license for his failure or refusal to fill it in
27 properly; and, the provisions of section one of this article

28 shall apply to him, after his license has been impounded,
29 until such time as he shall have procured a new license,
30 or the license so impounded has been returned to him.

249 chinery destroyed or damaged. The insured, as often as
250 may be reasonably required, shall exhibit to any person
251 designated by this Company all that remains of any prop-
252 erty herein described, and submit to examinations under

253 oath by any person named by this Company, and sub-
254 scribe the same; and, as often as may be reasonably re-
255 quired, shall produce for examination all books of ac-
256 count, bills, invoices and other vouchers, or certified copies
257 thereof if originals be lost, at such reasonable time and
258 place as may be designated by this Company or its rep-
259 resentative, and shall permit extracts and copies thereof
260 to be made.

261 *Appraisal.* In case the insured and this Company shall
262 fail to agree as to the actual cash value or the amount
263 of loss, then, on the written demand of either, each shall
264 select a competent and disinterested appraiser and notify
265 the other of the appraiser selected within twenty days of
266 such demand. The appraisers shall first select a competent
267 and disinterested umpire; and failing for fifteen days to
268 agree upon such umpire, then, on request of the insured
269 or this Company, such umpire shall be selected by a judge
270 of a court of record in the state in which the property
271 covered is located. The appraisers shall then appraise
272 the loss, stating separately actual cash value and loss to
273 each item; and, failing to agree, shall submit their differ-
274 erences, only, to the umpire. An award in writing, so
275 itemized, of any two when filed with this Company shall
276 determine the amount of actual cash value and loss. Each
277 appraiser shall be paid by the party selecting him and the
278 expenses of appraisal and umpire shall be paid by the
279 parties equally.

280 *Company's options.* It shall be optional with this Com-
281 pany to take all, or any part, of the property at the agreed
282 or appraised value, and also to repair, rebuild or replace
283 the property destroyed or damaged with other of like
284 kind and quality within a reasonable time, on giving no-
285 tice of its intention so to do within thirty days after the
286 receipt of the proof of loss herein required.

287 *Abandonment.* There can be no abandonment to this
288 Company of any property.

289 *When loss payable.* The amount of loss for which this
290 Company may be liable shall be payable sixty days after
291 proof of loss, as herein provided, is received by this Com-
292 pany and ascertainment of the loss is made either by

293 agreement between the insured and this Company ex-
 294 pressed in writing or by the filing with this Company of
 295 an award as herein provided.

296 *Suit.* No suit or action on this policy for the recovery
 297 of any claim shall be sustainable in any court of law or
 298 equity unless all the requirements of this policy shall
 299 have been complied with, and unless commenced within
 300 twelve months next after inception of the loss.

301 *Subrogation.* This Company may require from the in-
 302 sured an assignment of all right of recovery against any
 303 party for loss to the extent that payment therefor is
 304 made by this Company.

 sand nine hundred thirty-one, as amended, relating to rate
 deviations.

Section 18. *Deviations; Judicial Review.*—Every mem-
2 ber of or subscriber to a rating organization shall adhere
3 to the filings made on its behalf by such organization ex-
4 cept that any such insurer may make written application
5 to the commissioner for permission to file a deviation
6 from the class rates, schedules, rating plans or rules re-
7 specting any kind of insurance, or class of risk within a
8 kind of insurance, or combination thereof. Such applica-
9 tion shall specify the basis for the modification and a copy
10 thereof shall also be sent simultaneously to such rating
11 organization. The commissioner shall set a time and place
12 for a hearing at which the insurer and such rating organ-
13 ization may be heard and shall give them not less than
14 ten days' written notice thereof. In the event the com-

16 does not desire a hearing he may, upon the consent of
17 the applicant, waive such hearing. In considering the
18 application for permission to file such deviation the
19 commissioner shall give consideration to the available
20 statistics and the principles for rate making as provided
21 in chapter thirty-three, article four-a, section three. The
22 commissioner shall issue an order permitting the devia-
23 tion for such insurer to be filed if he finds it to be justified
24 and it shall thereupon become effective. He shall issue
25 an order denying such application if he finds that the
26 resulting premiums would be excessive, inadequate or
27 unfairly discriminatory. Each deviation permitted to be
28 filed shall be effective for a period of one year from the
29 date of such permission unless terminated sooner with
30 the approval of the commissioner. Judicial review of the
31 commissioner's action respecting any deviation may be
32 had by any party, as provided in chapter thirty-three, ar-
33 ticle four-a, section seventeen.

CHAPTER 75

(House Bill No. 260—By Mr. Trent, by request)

[Passed March 12, 1949; in effect from passage. Approved by the Governor.]

Article 7-a. Excess Line Brokers.

Section

1. Licensing of excess line brokers.
2. Application for license.
3. License fee.
4. Term of license and renewal thereof.
5. Affidavit of licensee when insurance is procured.
6. Records required to be kept by licensee.
7. Bond.
8. Reports by licensee to insurance commissioner; amount and payment of tax on gross business.

Be it enacted by the Legislature of West Virginia:

That chapter thirty-three of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted by adding thereto a new article, to be designated article seven-a, to read as follows:

Section 1. *Licensing of Excess Line Brokers.*—The insurance commissioner may issue an excess line broker's license to any person who is domiciled or maintains an office in this state and is licensed as an insurance agent under article seven, section one of this chapter, or as a nonresident insurance broker under article seven, section five of this chapter, authorizing such licensee to procure, subject to the restrictions herein provided, policies of insurance against loss or damage to property or person from any cause, from insurers which are not authorized to transact business in this state. Such license may be suspended or revoked by the insurance commissioner whenever, in his judgment, such suspension or revocation will best promote the interests of the people of this state.

2 Sec. 2. *Application for License.*—Before any such li-
3 cense shall be issued by the commissioner, and before
4 each renewal thereof, there shall be filed in his office a
5 written application by the person desiring such license,
6 in such form, or forms, and supplements thereto, and con-
7 taining such information as the commissioner may pre-
 scribe.

2 Sec. 3. *License Fee.*—At the time of application for every
3 such license and for every renewal thereof, there shall
4 be paid to the commissioner by each applicant, a fee of
 fifty dollars.

2 Sec. 4. *Term of License and Renewal Thereof.*—Every
3 license issued pursuant to this section shall be for a term
4 expiring on the thirty-first day of March next following
5 the date of its issuance and may be renewed for the en-
6 suing license year, upon the filing of an application in
7 conformity with subsection two and paying the fee pre-
 scribed by subsection three.

2 Sec. 5. *Affidavit of Licensee When Insurance Is Pro-*
3 *cured.*—When any policy of insurance is procured under
4 the authority of such license, there shall be executed by
5 the licensee an affidavit showing that such licensee was
6 unable, after diligent effort, to procure from any author-
7 ized insurer or insurers the full amount of insurance re-
8 quired to protect the property owned or controlled by an
9 insured and further showing that the amount of insurance
10 procured from an unauthorized insurer or insurers is only
11 the excess over the amount so procurable from authorized
12 insurers. Such affidavit shall be filed by such licensee
13 with the commissioner within thirty days after such poli-
 cies have been procured.

2 Sec. 6. *Records Required to Be Kept by Licensee.*—
3 The licensee shall keep a complete and separate record
4 of all policies procured from unauthorized insurers under
5 such license. Such records shall be open to the examina-
6 tion by the commissioner, as provided in article seven,
7 section nine of this chapter, at all reasonable times and
8 shall show: (a) the exact amount of insurance permitted
 under this section which has been procured for each in-

9 sured; (b) the gross premiums charged by the insurers
10 for the insurance permitted under this section; (c) the
11 amount of premiums permitted by this section which
12 were returned to each insured; (d) the name of the in-
13 surer or insurers which issued each of said policies; (e)
14 the effective dates of such policies; (f) the terms for
15 which they were issued; and (g) the location of the risk
16 within this state.

Sec. 7. Bond.—No such license and no renewal thereof
2 shall be granted unless the applicant shall have filed with
3 the commissioner a bond, payable to the state of West
4 Virginia, in the penal sum of two thousand dollars, ap-
5 proved by the attorney general as to form and by the
6 commissioner as to sufficiency of the security thereof.
7 Such bond shall be conditioned that the said licensee will
8 faithfully comply with all the requirements of this section.

Sec. 8. Reports by Licensee to Insurance Commissioner;
2 *Amount and Payment of Tax on Gross Business.*—Every
3 person licensed, pursuant to the provisions of this article,
4 shall make a return annually, under oath, on or before
5 the first day of March, to the insurance commissioner of
6 the gross amount of premiums charged the insureds by
7 the insurers for insurance procured by such licensee, pur-
8 suant to such license during the previous calendar year;
9 and upon receiving from the commissioner a certificate
10 of the acceptance of such return and of the amount of tax
11 due thereon, the person making such return shall pay
12 such tax to the insurance commissioner annually on or
13 before the first day of March. The annual tax required
14 to be paid, under the provisions of this section, shall be
15 a sum equal to two percent of the gross premiums re-
16 ceived on the gross business procured by such licensee
17 on risks located in this state and obtained pursuant to
18 the provisions of this article, including any so-called divi-
19 dends on participating insurance policies applied in re-
20 duction of premiums, less premiums returnable for can-
21 cellation. All such taxes paid to the commissioner shall
22 be paid by him into the state treasury for the benefit of
23 the state fund.

21. Constitutionality.

Be it enacted by the Legislature of West Virginia:

That chapter thirty-three of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by adding thereto a new article to be designated article fifteen, to read as follows:

- Section 1. *Purpose of Article.*—The purpose of this article is to promote the public welfare by regulating certain

3 insurance rates to the end that they shall not be excessive,
4 inadequate or unfairly discriminatory, and to authorize
5 and regulate cooperative action among insurers in rate
6 making and in other matters within the scope of this arti-
7 cle. Nothing in this article is intended (1) to prohibit
8 or discourage competition, or (2) to prohibit, or encour-
9 age except to the extent necessary to accomplish the afore-
10 mentioned purpose hereof, uniformity in insurance rates,
11 rating systems, rating plans or practices. This article
12 shall be liberally interpreted to carry into effect the
13 provisions of this section.

Sec. 2. *Scope of Article.*—This article applies to cas-
2 ualty insurance including fidelity, surety and guaranty
3 bonds, and to all other forms of motor vehicle insurance,
4 on risks or operations in this state, except:

- 5 (a) Reinsurance, other than joint reinsurance to the
6 extent stated in section twelve;
- 7 (b) Accident and health insurance;
- 8 (c) Insurance against loss of or damage to aircraft
9 or against liability, other than employers' liability, aris-
10 ing out of the ownership, maintenance or use of aircraft;
11 and
- 12 (d) Title insurance.

13 This article applies to all insurers, including stock and
14 mutual insurers, reciprocal and inter-insurance exchanges
15 which under any provisions of the laws of this state write
16 any of the kinds of insurance to which this article ap-
17 plies.

18 If any kind of insurance, subdivision or combination
19 thereof, or type of coverage, subject to this article, is
20 also subject to regulation by another rate regulatory act
21 of this state, an insurer to which both acts are otherwise
22 applicable shall file with the commissioner of insurance,
23 hereinafter referred to as commissioner, a designation
24 as to which rate regulatory act shall be applicable to it
25 with respect to such kind of insurance, subdivision or
26 combination thereof, or type of coverage.

Sec. 3. *Making of Rates.*—(a) All rates shall be made
2 in accordance with the following provisions:

3 1. Due consideration shall be given to past and pros-
4 pective loss experience within and outside this state, to
5 catastrophe hazards, if any, to a reasonable margin for
6 underwriting profit and contingencies, to dividends, sav-
7 ings or unabsorbed premium deposits allowed or returned
8 by insurers to their policyholders, members or subscrib-
9 ers, to past and prospective expenses both countrywide
10 and those specially applicable to this state, to such
11 factors as expense, management, individual experience,
12 underwriting judgment, degree or nature of hazard or
13 any other reasonable considerations, provided such fac-
14 tors apply to all risks under the same or substantially
15 the same circumstances or conditions, and to all other
16 relevant factors within and outside this state;

17 2. The system of expense provisions included in the
18 rates for use by any insurer or group of insurers may
19 differ from those of other insurers or groups of insurers
20 to reflect the requirements of the operating methods of
21 any such insurer or group with respect to any kind of
22 insurance, or with respect to any subdivision or com-
23 bination thereof for which subdivision or combination
24 separate expense provisions are applicable;

25 3. Risk may be grouped by classifications for the es-
26 tablishment of rates and minimum premiums. Classifi-
27 cation rates may be modified to produce rates for in-
28 dividual risks in accordance with rating plans which
29 establish standards for measuring variations in hazards
30 or expense provisions, or both. Such standards may
31 measure any differences among risks that can be dem-
32 onstrated to have a probable effect upon losses or ex-
33 penses;

34 4. Rates shall not be excessive, inadequate or unfairly
35 discriminatory.

36 (b) Except to the extent necessary to meet the pro-
37 visions of subdivision four of subsection (a) of this sec-
38 tion, uniformity among insurers in any matter within
39 the scope of this section is neither required nor prohib-
40 ited.

2 Sec. 4. *Rate Filings.*—(a) Every insurer shall file with
the commissioner every manual of classifications, rules

3 and rates, every rating plan and every modification of
4 any of the foregoing which it proposes to use. Every
5 such filing shall state the proposed effective date there-
6 of, and shall indicate the character and extent of the
7 coverage contemplated. When a filing is not accompa-
8 nied by the information upon which the insurer supports
9 such filing, and the commissioner does not have sufficient
10 information to determine whether such filing meets the
11 requirements of this article he may require such insurer
12 to furnish the information upon which it supports such
13 filing and in such event the waiting period shall commence
14 as of the date such information is furnished. The informa-
15 tion furnished in support of a filing shall include (1) the
16 experience or judgment of the insurer or rating organiza-
17 tion making the filing, (2) its interpretation of any statisti-
18 cal data it relies upon, (3) the experience of other in-
19 surers or rating organizations, or (4) any other relevant
20 factors. A filing and any supporting information shall be
21 open to public inspection after the filing becomes effec-
22 tive.

23 (b) An insurer may satisfy its obligation to make such
24 filings by becoming a member of, or a subscriber to, a
25 licensed rating organization which makes such filings,
26 and by authorizing the commissioner to accept such fil-
27 ings on its behalf: *Provided*, That nothing contained in
28 this article shall be construed as requiring any insurer
29 to become a member of or a subscriber to any rating or-
30 ganization.

31 (c) The commissioner shall review filings as soon as
32 reasonably possible after they have been made in order
33 to determine whether they meet the requirements of this
34 article.

35 (d) Subject to the exception specified in this and in
36 subsection (e) of this section, each filing shall be on file
37 for a waiting period of fifteen days before it become ef-
38 fective, which period may be extended by the commis-
39 sioner for one additional period not to exceed fifteen days
40 if he gives written notice within such waiting period to
41 the insurer or rating organization which made the filing
42 that he needs such additional time for the consideration

43 of such filing. Upon written application by such insurer
44 or rating organization, the commissioner may authorize
45 a filing which he has reviewed to become effective be-
46 fore the expiration of the waiting period or any extension
47 thereof. A filing shall be deemed to meet the require-
48 ments of this article unless disapproved by the commis-
49 sioner within the waiting period or any extension there-
50 of.

51 (e) Any special filing with respect to a surety or guar-
52 anty bond required by law or by court or executive order
53 or by order, rule or regulation of a public body, not cov-
54 ered by a previous filing, shall become effective when
55 filed and shall be deemed to meet the requirements of
56 this article until such time as the commissioner reviews
57 the filing and so long thereafter as the filing remains in
58 effect.

59 (f) Under such rules and regulations as he shall adopt
60 the commissioner may, by written order, suspend or
61 modify the requirement of filings as to any kind of in-
62 surance, subdivision or combination thereof, or as to
63 classes of risks, the rates for which cannot practicably
64 be filed before they are used. Such orders, rules and reg-
65 ulations shall be made known to insurers and rating or-
66 ganizations affected thereby. The commissioner may make
67 such examination as he may deem advisable to ascertain
68 whether any rates affected by such order meet the stand-
69 ards set forth in subdivision four of subsection (a) of
70 section three.

71 (g) Upon the written application of the insured, stat-
72 ing his reasons therefor, an insurer may use, subject to
73 such rules and regulations as the commissioner may adopt,
74 a rate in excess of that provided by any filing otherwise
75 applicable on any specific risk.

76 (h) Beginning ninety days after the effective date of
77 this article no insurer shall make or issue a contract or
78 policy except in accordance with filings which are in ef-
79 fect for said insurer as provided in this article or in ac-
80 cordance with sub-sections (f) or (g) of this section.

Sec. 5. *Disapproval of Filings.*—(a) If within the wait-

2 ing period or an extension thereof as provided in sub-
3 section (d) of section four, the commissioner finds that
4 a filing does not meet the requirements of this article,
5 he shall send to the insurer or rating organization which
6 made such filing written notice of disapproval of such
7 filing specifying therein in what respects he finds such
8 filing fails to meet the requirements of this article and
9 stating that such filing shall not become effective.

10 (b) If within thirty days after a special surety or
11 guaranty filing subject to subsection (e) of section four
12 has become effective, the commissioner finds that such
13 filing does not meet the requirements of this article, he
14 shall send to the insurer or rating organization which
15 made such filing written notice of disapproval of such
16 filing, specifying therein in what respects he finds that
17 such filing fails to meet the requirements of this article
18 and stating when, within a reasonable period thereafter,
19 such filing shall be deemed no longer effective. Said dis-
20 approval shall not affect any contract made or issued
21 prior to the expiration of the period set forth in said no-
22 tice.

23 (c) If at any time subsequent to the applicable review
24 provided for in subsection (a) or (b) of this section,
25 the commissioner finds that a filing does not meet the
26 requirements of this article, he shall, after a hearing held
27 upon not less than ten days' written notice, specifying
28 the matters to be considered at such hearing, to every
29 insurer and rating organization which made such filing,
30 issue an order specifying in what respects he finds that
31 such filing fails to meet the requirements of this article,
32 and stating when, within a reasonable period thereafter,
33 such filing shall be deemed no longer effective. Copies
34 of said order shall be sent to every such insurer and
35 rating organization. Said order shall not affect any con-
36 tract or policy made or issued prior to the expiration of
37 the period set forth in said order.

38 (d) Any person or organization aggrieved with respect
39 to any filing which is in effect may make written appli-
40 cation to the commissioner for a hearing thereon: *Pro-*
41 *vided, however,* That the insurer or rating organization

42 that made the filing shall not be authorized to proceed
43 under this subsection. Such application shall specify
44 the grounds to be relied upon by the applicant. If the
45 commissioner shall find that the application is made in
46 good faith, that the applicant would be so aggrieved if
47 his grounds are established, and that such grounds other-
48 wise justify holding such a hearing, he shall, within thir-
49 ty days after receipt of such application, hold a hearing
50 upon not less than ten days' written notice to the appli-
51 cant and to every insurer and rating organization which
52 made such filing.

53 If, after such hearing, the commissioner finds that the
54 filing does not meet the requirements of this article, he
55 shall issue an order specifying in what respects he finds
56 that such filing fails to meet the requirements of this arti-
57 cle, and stating when, within a reasonable period there-
58 after, such filing shall be deemed no longer effective.
59 Copies of said order shall be sent to the applicant and
60 to every such insurer and rating organization. Said order
61 shall not affect any contract or policy made or issued prior
62 to the expiration of the period set forth in said order.

63 (e) No manual of classifications, rules, rating plan or
64 any modification of any of the foregoing which estab-
65 lishes standards for measuring variations in hazards or
66 expense provisions, or both, and which has been filed
67 pursuant to the requirements of section four of this arti-
68 cle shall be disapproved if the rates thereby produced
69 meet the requirements of this article.

Sec. 6. *Alternative Filing Section.*—(a) In lieu of the
2 filing and review procedure provided in sections four and
3 five, such filings, other than special surety or guaranty
4 bond filings referred to in subsection (e) of section four,
5 may be made under this section and the rates shall become
6 effective immediately upon filing or at such future time
7 as the insurer or rating organization making them may
8 specify and shall thereafter remain in effect unless and
9 until changed by the insurer or rating organization mak-
10 ing them, or adjusted by order of the commissioner as in
11 this section provided.

12 (b) Whenever the commissioner upon his own informa-
13 tion, or upon complaint of any member of the public
14 alleged to be aggrieved thereby, shall have reason to be-
15 lieve that any of the rates filed under this section are not
16 in accordance with the provisions of this act, he shall have
17 the power and authority to investigate to the extent he
18 shall see fit the necessity for an adjournment of any or
19 all of such rates.

20 (c) After such investigation, the commissioner shall,
21 before ordering any appropriate adjustment thereof, hold
22 a hearing upon not less than ten days' written notice
23 specifying the matter to be considered at such hearing,
24 to every insurer and rating organization which files such
25 rates under inquiry, but no hearing shall be held if every
26 insurer and rating organization affected shall advise the
27 commissioner that they do not desire such hearing. If
28 after such hearing, the commissioner determines that any
29 or all of such rates are excessive, inadequate or unfairly
30 discriminatory, as between individual risks or classes of
31 risks of an insurer he shall order appropriate adjustment
32 thereof. Pending such investigation and order of the com-
33 missioner, rates shall be deemed to have been made in
34 accordance with the terms of this act. No order of adjust-
35 ment shall affect any contract or policy made or issued
36 prior to the effective date of his order unless (a) the ad-
37 justment to be effected is substantial and exceeds the cost
38 to the company of making the adjustment; and (b) the
39 order is made after the prescribed investigation and hear-
40 ing and within sixty days after the filing of rates affected.
41 If in event of a rate adjustment requiring an increased
42 rate, the policyholder does not accept such increase, can-
43 cellation shall be made on a pro rata basis. Each policy
44 issued pursuant to filing under this section which may be
45 subject to rate or premium adjustment, shall so provide
46 in language to be approved by the commissioner.

47 (d) The commissioner after such sixty-day period may
48 review any such rates in the manner and subject to the
49 conditions provided in subsection (c) of section five.

50 (e) In determining the necessity for an adjustment of
51 rates, the commissioner shall observe the provisions of

52 section three and subdivision (e) or section five and shall
53 give consideration to the type of information which may
54 be furnished in support of a filing as set forth in sub-
55 section (a) of section four.

Sec. 7. *Rating Organizations.*—(a) A corporation, an
2 unincorporated association, a partnership or an individual,
3 whether located within or outside this state, may make
4 application to the commissioner for license as a rating
5 organization for such kinds of insurance or sub-divisions
6 thereof as are specified in its application and shall file
7 therewith (1) a copy of its constitution, its articles of
8 agreement or association or its certificate of incorporation,
9 and of its by-laws, rules and regulations governing the
10 conduct of its business, (2) a list of its members and
11 subscribers, (3) the name and address of a resident of
12 this state upon whom notices or orders of the commis-
13 sioner or process affecting such rating organization may
14 be served and (4) a statement of its qualifications as a
15 rating organization. If the commissioner finds that the
16 applicant is competent, trustworthy and otherwise
17 qualified to act as a rating organization and that its con-
18 stitution, articles of agreement or association or certificate
19 of incorporation, and its by-laws, rules and regulations
20 governing the conduct of its business conform to the re-
21 quirements of law, he shall issue a license specifying the
22 kinds of insurance or subdivision thereof for which the
23 applicant is authorized to act as a rating organization.
24 Every such application shall be granted or denied in
25 whole or in part by the commissioner within sixty days
26 of the date of its filing with him. Licenses issued pur-
27 suant to this section shall remain in effect for three years
28 unless sooner suspended or revoked by the commissioner.
29 The fee for said license shall be twenty-five dollars. Said
30 license fee shall be in lieu of all other fees, licenses or
31 taxes to which said rating organization may otherwise be
32 subject. Licenses issued pursuant to this section may be
33 suspended or revoked by the commissioner, after hearing
34 upon notice, in the event the rating organization ceases
35 to meet the requirements of this subsection. Every rating
36 organization shall notify the commissioner promptly of

37 every change in (1) its constitution, its articles of agree-
38 ment or association or its certificate of incorporation, and
39 its by-laws, rules and regulations governing the conduct
40 of its business, (2) its list of members and subscribers and
41 (3) the name and address of the resident of this state
42 designated by it upon whom notices or orders of the com-
43 missioner or process affecting such rating organization
44 may be served.

45 (b) Subject to rules and regulations which have been
46 approved by the commissioner as reasonable, each rating
47 organization shall permit any insurer, not a member, to
48 be a subscriber to its rating services for any kind of in-
49 surance or subdivision thereof for which it is authorized
50 to act as a rating organization. Notice of proposed changes
51 in such rules and regulations shall be given to subscribers.
52 Each rating organization shall furnish its rating services
53 without discrimination to its members and subscribers.
54 The reasonableness of any rule or regulation in its ap-
55 plication to subscribers, or the refusal of any rating or-
56 ganization to admit an insurer as a subscriber, shall, at
57 the request of any subscriber or any such insurer, be
58 reviewed by the commissioner at a hearing held upon at
59 least ten days' written notice to such rating organization
60 and to such subscriber or insurer. If the commissioner
61 finds that such rule or regulation is unreasonable in its
62 application to subscribers, he shall order that such rule
63 or regulation shall not be applicable to subscribers. If the
64 rating organization fails to grant or reject an insurer's
65 application for subscribership within thirty days after it
66 was made, the insurer may request a review by the com-
67 missioner as if the application had been rejected. If the
68 commissioner finds that the insurer has been refused ad-
69 mittance to the rating organization as a subscriber with-
70 out justification, he shall order the rating organization to
71 admit the insurer as a subscriber. If he finds that the ac-
72 tion of the rating organization was justified, he shall make
73 an order affirming its action.

74 (c) No rating organization shall adopt any rules the
75 effect of which would be to prohibit or regulate the pay-
76 ment of dividends, savings or unabsorbed premium de-

77 posits allowed or returned by insurers to their policy-
78 holders, members or subscribers.

79 (d) Cooperation among rating organizations or among
80 rating organizations and insurers in rate making or in
81 other matters within the scope of this article is hereby
82 authorized, provided the filings resulting from such co-
83 operation are subject to all the provisions of this article
84 which are applicable to filings generally. The commis-
85 sioner may review such cooperative activities and prac-
86 tices and if, after a hearing, he finds that any such ac-
87 tivity or practice is unfair or unreasonable or otherwise
88 inconsistent with the provisions of this article, he may
89 issue a written order specifying in what respect such ac-
90 tivity or practice is unfair or unreasonable or otherwise
91 inconsistent with the provisions of this article, and re-
92 quiring the discontinuance of such activity or practice.

Sec. 8. *Deviations.*—Every member of or subscriber to
2 a rating organization shall adhere to the filings made on
3 its behalf by such organization except that any such in-
4 surer may make written application to the commissioner
5 for permission to file a uniform percentage decrease or
6 increase to be applied to the premiums produced by the
7 rating system so filed for a kind of insurance, or for a
8 class of insurance which is found by the commissioner to
9 be a proper rating unit for the application of such uniform
10 percentage decrease or increase, or for a subdivision of a
11 kind of insurance (1) comprised of a group of manual
12 classifications which is treated as a separate unit for rate
13 making purposes, or (2) for which separate expense pro-
14 visions are included in the filings of the rating organiza-
15 tion. Such application shall specify the basis for the modi-
16 fication and shall be accompanied by the data upon which
17 the applicant relies. A copy of the application and data
18 shall be sent simultaneously to such rating organization.
19 The commissioner shall set a time and place for a hearing
20 at which the insurer and such rating organization may be
21 heard and shall give them not less than ten days' written
22 notice thereof. In the event the commissioner is advised
23 by the rating organization that it does not desire a hearing
24 he may, upon the consent of the applicant, waive such

25 hearing. The commissioner shall issue an order permit-
26 ting the modification for such insurer to be filed if he finds
27 it to be justified and it shall thereupon become effective.
28 He shall issue an order denying such application if he
29 finds that the modification is not justified or that the re-
30 sulting premiums would be excessive, inadequate or un-
31 fairly discriminatory. Each deviation permitted to be filed
32 shall be effective for a period of one year from the date of
33 such permission unless terminated sooner with the ap-
34 proval of the commissioner.

Sec. 9. *Appeal by Minority.*—Any member of or sub-
2 scriber to a rating organization may appeal to the com-
3 missioner from the action or decision of such rating or-
4 ganization in approving or rejecting any proposed change
5 in or addition to the filings of such rating organization
6 and the commissioner shall, after a hearing held upon not
7 less than ten days' written notice to the appellant and to
8 such rating organization, issue an order approving the
9 action or decision of such rating organization or directing
10 it to give further consideration to such proposal, or, if
11 such appeal is from the action or decision of the rating
12 organization in rejecting a proposed addition to its filings,
13 he may, in the event he finds that such action or decision
14 was unreasonable, issue an order directing the rating or-
15 ganization to make an addition to its filings, on behalf of
16 its members and subscribers, in a manner consistent with
17 his findings, within a reasonable time after the issuance
18 of such order.

19 If such appeal is based upon the failure of the rating
20 organization to make a filing on behalf of such member
21 or subscriber which is based on a system of expense pro-
22 visions which differs in accordance with the right granted
23 in subdivision two of subsection (a) of section three, from
24 the system of expense provisions included in a filing made
25 by the rating organization, the commissioner shall, if he
26 grants the appeal, order the rating organization to make
27 the requested filing for use by the appellant. In deciding
28 such appeal the commissioner shall apply the standards
29 set forth in section three.

Sec. 10. *Information to Be Furnished Insureds; Hearings and Appeals of Insureds.*—Every rating organization and every insurer which makes its own rates shall, within a reasonable time after receiving written request therefor and upon payment of such reasonable charge as it may make, furnish to any insured affected by a rate made by it, or to the authorized representative of such insured, all pertinent information as to such rate.

Every rating organization and every insurer which makes its own rates shall provide within this state reasonable means whereby any person aggrieved by the application of its rating system may be heard, in person or by his authorized representative, on his written request to review the manner in which such rating system has been applied in connection with the insurance afforded him. If the rating organization or insurer fails to grant or reject such request within thirty days after it is made, the applicant may proceed in the same manner as if his application had been rejected. Any party affected by the action of such rating organization or such insurer on such request may, within thirty days after written notice of such action, appeal to the commissioner, who, after a hearing held upon not less than ten days' written notice to the appellant and to such rating organization or insurer, may affirm or reverse such action.

Sec. 11. *Advisory Organizations.*—(a) Every group, association or other organization of insurers, whether located within or outside this state, which assists insurers which make their own filings or rating organizations in rate making, by the collection and furnishing of loss or expense statistics, or by the submission of recommendations, but which does not make filings under this article, shall be known as an advisory organization.

(b) Every advisory organization shall file with the commissioner (1) a copy of its constitution, its articles of agreement or association or its certificate of incorporation and of its by-laws, rules and regulations governing its activities, (2) a list of its members, (3) the name and address of a resident of this state upon whom notices or orders of the commissioner or process issued at his direc-

16 tion may be served, and (4) an agreement that the com-
17 missioner may examine such advisory organization in ac-
18 cordance with the provisions of section twelve of this
19 article.

20 (c) If, after a hearing, the commissioner finds that the
21 furnishing of such information or assistance involves any
22 act or practice which is unfair or unreasonable or other-
23 wise inconsistent with the provisions of this article, he
24 may issue a written order specifying in what respects such
25 act or practice is unfair or unreasonable or otherwise in-
26 consistent with the provisions of this article, and requir-
27 ing the discontinuance of such act or practice.

28 (d) No insurer which makes its own filings nor any
29 rating organization shall support its filings by statistics
30 or adopt rate making recommendations, furnished to it
31 by an advisory organization which has not complied with
32 this section or with an order of the commissioner involv-
33 ing such statistics or recommendations issued under sub-
34 section (c) of this section. If the commissioner finds such
35 insurer or rating organization to be in violation of this
36 subsection he may issue an order requiring the discon-
37 tinuance of such violation.

Sec. 12. *Joint Underwriting or Joint Reinsurance.*—

2 (a) Every group, association or other organization of in-
3 surers which engages in joint underwriting or joint re-
4 insurance, shall be subject to regulation with respect
5 thereto as herein provided, subject however, with respect
6 to joint underwriting, to all other provisions of this article
7 and with respect to joint reinsurance, to sections thirteen
8 and seventeen to twenty-one of this article.

9 (b) If, after a hearing, the commissioner finds that any
10 activity or practice of any such group, association or other
11 organization is unfair or unreasonable or otherwise in-
12 consistent with the provisions of this article, he may issue
13 a written order specifying in what respect such activity
14 or practice is unfair or unreasonable or otherwise incon-
15 sistent with the provisions of this article, and requiring
16 the discontinuance of such activity or practice.

Sec. 13. *Examinations.*—The commissioner shall, at least

2 once in five years, make or cause to be made an examina-
3 tion of each rating organization licensed in this state as
4 provided in section seven and he may, as often as he
5 may deem it expedient, make or cause to be made an
6 examination of each advisory organization referred to in
7 section eleven and of each group, association or other
8 organization referred to in section twelve. The reasonable
9 costs of any such examination shall be paid by the rating
10 organization, advisory organization, or group, association
11 or other organization examined upon presentation to it of
12 a detailed account of such costs. The officer, manager,
13 agents and employees of such rating organization, ad-
14 visory organization, or group, association or other organi-
15 zation may be examined at any time under oath and shall
16 exhibit all books, records, accounts, documents, or agree-
17 ments governing its method of operation. The commis-
18 sioner shall furnish two copies of the examination report
19 to the organization, group or association examined and
20 shall notify such organization, group or association that
21 it may, within twenty days thereafter, request a hearing
22 on said report or on any facts or recommendations therein.
23 Before filing such report for public inspection, the com-
24 missioner shall grant a hearing to the organization, group
25 or association examined. The report of any such examina-
26 tion, when filed for public inspection, shall be admissible
27 in evidence in any action or proceeding brought by the
28 commissioner against the organization, group or associa-
29 tion examined, or its officers or agents, and shall be prima
30 facie evidence of the facts stated therein. The commis-
31 sioner may withhold the report of any such examination
32 from public inspection for such time as he may deem
33 proper. In lieu of any such examination the commissioner
34 may accept the report of an examination made by the in-
35 surance supervisory official of another state, pursuant to
36 the laws of such state.

Sec. 14. *Rate Administration.*—(a) The commissioner
2 shall promulgate reasonable rules and statistical plans,
3 reasonably adapted to each of the rating systems on file
4 with him, which may be modified from time to time and
5 which shall be used thereafter by each insurer in the

6 recording and reporting of its loss and countrywide ex-
7 pense experience in order that the experience of all in-
8 surers may be made available at least annually in such
9 form and detail as may be necessary to aid him in determ-
10 ining whether rating systems comply with the standards
11 set forth in section three. Such rules and plans may also
12 provide for the recording and reporting of expense expe-
13 rience items which are specially applicable to this state
14 and which are not susceptible of determination by a pro-
15 rating of countrywide expense experience. In promulgat-
16 ing such rules and plans, the commissioner shall give due
17 consideration to the rating system on file with him and,
18 in order that such rules and plans may be as uniform as
19 is practicable among the several states, to the rules and
20 to the form of the plans used for such rating systems in
21 other states. Each insurer shall record and report its loss
22 experience on a classification basis consistent with the
23 rating system filed by it. Any insurer may report such
24 experience direct to the commissioner or may satisfy its
25 obligation to report such experience by becoming a mem-
26 ber of, or a subscriber to, a licensed rating or qualified
27 advisory organization which gathers, compiles and re-
28 ports to the commissioner the experience required by this
29 section and by authorizing the commissioner to accept
30 such reports on its behalf. No insurer shall be required
31 to report such experience to any licensed rating or quali-
32 fied advisory organization of which it is not a member or
33 subscriber. The experience of individual insurers thus re-
34 ported to the commissioner shall not be revealed by him,
35 except by court order, but the commissioner shall make a
36 compilation of all such experience to the extent he may
37 deem practicable and he shall, to the extent he may deem
38 practicable, make a consolidation of all compilations filed
39 with him and those made by him. All such compilations
40 and consolidations shall be available to licensed insurers
41 and licensed rating and qualified advisory organizations
42 and shall also be open to public inspection, subject to
43 reasonable rules promulgated by the commissioner.

44 (b) Reasonable rules and plans may be promulgated by
45 the commissioner for the interchange of data necessary
46 for the application of rating plans.

47 (c) In order to further uniform administration of rate
48 regulatory laws, the commissioner and every insurer and
49 rating organization may exchange information and expe-
50 rience data with insurance supervisory officials, insurers
51 and rating organizations in other states and may consult
52 with them with respect to rate making and the application
53 or rating systems.

54 (d) The commissioner may make reasonable rules and
55 regulations necessary to effect the purposes of this article.

Sec. 15. *False or Misleading Information.*—No person
2 or organization shall wilfully withhold information from,
3 or knowingly give false or misleading information to, the
4 commissioner, any statistical agency designated by the
5 commissioner, any rating organization, or any insurer,
6 which will affect the rates or premiums chargeable under
7 this article. A violation of this section shall subject the
8 one guilty of such violation to the penalties provided in
9 section eighteen of this article.

Sec. 16. *Assigned Risks.*—Agreements may be made
2 among insurers with respect to the equitable apportion-
3 ment among them of insurance which may be afforded
4 applicants who are in good faith entitled to but who are
5 unable to procure such insurance through ordinary meth-
6 ods and such insurers may agree among themselves on
7 the use of reasonable rate modifications for such insur-
8 ance, such agreements and rate modifications to be subject
9 to the approval of the commissioner.

Sec. 17. *Rebates Prohibited.*—No broker, agent or
2 solicitor shall knowingly charge, demand or receive a
3 premium for any policy of insurance except in accord-
4 ance with the provisions of this article. No insurer or em-
5 ployee thereof, and no broker, agent or solicitor shall pay,
6 allow, or give, or offer to pay, allow, or give, directly or
7 indirectly as an inducement to insurance, or after insur-
8 ance has been effected, any rebate, discount abatement,
9 credit or reduction of the premium named in a policy of
10 insurance, or any special favor or advantage in the divi-
11 dends or other benefits to accrue thereon, or any valuable
12 consideration or inducement whatever, not specified in the

13 policy of insurance, except to the extent provided for in
14 an applicable filing. No insured named in a policy of in-
15 surance, nor any employee of such insured shall know-
16 ingly receive or accept, directly or indirectly, any such
17 rebate, discount, abatement, credit or reduction of pre-
18 mium, or any such special favor or advantage or valuable
19 consideration or inducement.

20 Nothing in this section shall be construed as prohibiting
21 the payment of commissions or other compensation to duly
22 licensed agents, brokers and solicitors, nor as prohibiting
23 any insurer from allowing or returning to its participating
24 policyholders, members or subscribers, dividends, savings
25 or unabsorbed premium deposits. As used in this section
26 the word "insurance" includes suretyship and the word
27 "policy" includes bond.

28 Sections eighteen, nineteen and twenty, inclusive, of
29 article two of this chapter shall not apply to any kind of
30 insurance subject to the provisions of this article.

Sec. 18. *Penalties.*—Any person or organization violat-
2 ing any provision of this article shall, upon conviction,
3 be subject to a penalty of not more than fifty dollars for
4 each such violation, but if such violation is found to be
5 willful, the penalty may be not more than five hundred
6 dollars for each such violation. Such penalties may be in
7 addition to any other penalty provided by law.

8 The commissioner may suspend the license of any
9 rating organization or insurer which fails to comply
10 with an order of the commissioner within the time lim-
11 ited by such order, or any extension thereof which the
12 commissioner may grant. The commissioner shall not
13 suspend the license of any rating organization or insurer
14 for failure to comply with an order until the time pre-
15 scribed for an appeal therefrom has expired or if an ap-
16 peal has been taken, until such order has been affirmed.
17 The commissioner may determine when a suspension of
18 license shall become effective and it shall remain in ef-
19 fect for the period fixed by him, unless he modifies or
20 rescinds such suspension, or until the order upon which
21 such suspension is based is modified, rescinded or reversed.

22 No license shall be suspended or revoked except upon

23 a written order of the commissioner, stating his findings,
24 made after a hearing held upon not less than ten days'
25 written notice to such person or organization specifying
26 the alleged violation.

Sec. 19. *Hearing Procedure and Judicial Review.*—(a)

2 Any insurer or rating organization aggrieved by any
3 order or decision of the commissioner made without a
4 hearing may, within thirty days after notice of the order
5 to the insurer or organization, make written request to
6 the commissioner for a hearing thereon. The commis-
7 sioner shall hear such party or parties within twenty
8 days after receipt of such request and shall give not less
9 than ten days' written notice of the time and place of
10 the hearing. Within fifteen days after such hearing the
11 commissioner shall affirm, reverse or modify his previous
12 action, specifying his reasons therefor. Pending such
13 hearing and decision thereon the commissioner may sus-
14 pend or postpone the effective date of his previous ac-
15 tion.

16 (b) Nothing contained in this article shall require the
17 observance at any hearing of formal rules of pleading or
18 evidence.

19 (c) In the event that any party in interest is dissatis-
20 fied with any decision or order of the commissioner he
21 or it may, within thirty days after the entry thereof,
22 file a petition to the circuit court of Kanawha county,
23 or to the judge thereof in vacation, for the review of
24 such order. Before presenting his or its petition to the
25 court or judge, the petitioner shall mail a copy thereof
26 to the insurance commissioner. Upon the receipt of such
27 copy, the insurance commissioner shall forthwith trans-
28 mit to the clerk of such court the record of the proceed-
29 ings before him. The court or judge shall fix a time for
30 the review of said proceedings at his earliest convenience.
31 Notice in writing of the time and place of such hearing
32 shall be given to the insurance commissioner at least ten
33 days before the date set therefor. The court or judge
34 shall, without a jury, hear and determine the case upon
35 the record of the proceedings before the insurance com-

36 missioner. The court or judge may enter an order re-
37 vising or reversing the decision of the insurance com-
38 missioner, if it appears that the decision is clearly wrong,
39 or may affirm such decision. The judgment of the circuit
40 court or judge may be reviewed upon appeal in the su-
41 preme court of appeals. Pending such review the order
42 of the commissioner shall be in full force and effect until
43 final determination, unless the court, or the judge thereof
44 sitting in vacation, before whom such review is pending,
45 shall enter an order staying the effect of the order or
46 decision of the commissioner until final determination
47 by the court. The court may, in disposing of the issue
48 before it, modify, affirm or reverse the decision or order
49 of the commissioner in whole or in part.

Sec. 20. *Laws Repealed.*—All other laws or parts of
2 laws inconsistent with the provisions of this article are
3 hereby repealed.

Sec. 21. *Constitutionality.*—If any section, subsection,
2 subdivision, paragraph, sentence or clause of this article
3 is held invalid or unconstitutional, such decision shall not
4 affect the remaining portions of this article.

 5 prosecuting attorney so designated by the prosecuting
 6 attorney and approved by the county court, and the clerk
 7 of the county court and/or a deputy clerk so designated
 8 by the clerk of the county court and approved by the

 12 commission, which expenses shall be audited by the
 13 county court and paid out of the county treasury. A mem-

14 ber of the county court shall be the chairman of the com-

16 prosecuting attorney and/or his designated assistant as
17 herein provided, shall act as such chairman. The clerk of
18 the county court and/or his designated deputy shall be the
19 clerk of the commission and shall keep in a proper book
20 provided for the purpose a full and careful record of all
21 the acts, orders and resolutions of the commission. Any
22 two members from different offices represented on the
23 commission shall be a quorum thereof. The county court
24 of each county shall at its first term of court of each year
25 enter an order designating the persons eligible to sit as
26 members of the county mental hygiene commission.

2 Sec. 2 *Meetings.*—All meetings of the commission shall
3 be held at the county seat, unless it shall be thought best
4 by the commission to meet at some other place, as in the

6 it advisable to meet at or near his residence.

7 Sec. 3. *How Proceedings Originated; Complaint; War-*
8 *rant.*—If any resident of the county reasonably suspect
9 any person therein to be mentally diseased, he may make
10 complaint under oath to the clerk of the county court,
11 giving such information and stating such facts therein as

13 county court, whose duty it shall be to issue a warrant
14 ordering the person suspected and named in such com-
15 plaint to be brought before the commission at a time and
16 place named therein that his mental condition may be in-
17 quired into. If the clerk of the county court does not deem
18 such suspicion to be reasonable, he may require such
19 complainant to furnish the certificate of a reputable phy-
20 sician showing the suspected person's condition, before
21 issuing a warrant. Any member of the commission with-
22 out such complaint may have such warrant issued for any
23 person found in his county, whom he shall suspect to be
24 mentally diseased. All such warrants shall be signed by
25 the clerk of the county court and have impressed thereon
26 the seal thereof; and may be addressed to the sheriff of
the county or to any constable of any district thereof, or
to a special constable appointed for the purpose and named

23 therein; but if any relative or friend of the person so
24 suspected will serve such warrant and cause such suspect-
25 ed person to be brought before the commission, he may be
26 allowed to do so. The officer or person to whom the war-
27 rant is addressed shall take the suspected person into
28 custody and bring him before the commission at the time
29 and place named therein.

30 Whenever a person apparently mentally diseased is so
31 violent as to endanger his own safety or the safety of
32 others, any law-enforcement officer may, with or without
33 a warrant, take such person into protective custody.

Sec. 4. *Guardian ad Litem for Suspected Person.*—Be-
2 fore proceeding with the hearing of the matter, the com-
3 mission shall appoint a guardian ad litem, who shall be a
4 competent attorney, for such suspected person, and such
5 guardian shall be present at the hearing and manage the
6 case on behalf of the person suspected. Such attorney
7 shall be paid by the county court. Such suspected person
8 and his counsel shall have the right to cross examine any
9 witnesses.

Sec. 5. *Witnesses; Physicians; Evidence to be Reduced*
2 *to Writing.*—Among the witnesses there shall be included
3 two reputable physicians, duly authorized to practice
4 medicine in this state, who shall separately or together,
5 make a physical and mental examination of the suspected
6 person, and each physician shall make out a certificate of
7 the result of such examination in the form required by
8 the board of control, which certificate shall be signed and
9 sworn to by each physician and shall be considered as
10 evidence by the commission. Not more than one phy-
11 sician of any firm or association of physicians practicing
12 medicine together, shall sign any such certificate respect-
13 ing the mental or body condition of any person suspected
14 of being mentally diseased.

Sec. 6. *Hearing; Disposition of Mentally Diseased Per-*
2 *son.*—If the commission finds as a result of the hearing
3 that the person suspected is a mentally diseased person
4 and should be confined in a hospital, and that he is not a
5 resident of another county of this state, it shall order him
6 to be committed to the nearest state hospital unless some

7 relative or friend of such person will agree to take care of
8 him, in which case the commission may deliver him to
9 such person, and take from such relative or friend a bond
10 in the penalty of at least five hundred dollars, with suf-
11 ficient security, to be approved by the commission, payable
12 to the state of West Virginia, with condition to restrain
13 and take proper care of such mentally diseased person
14 until the cause of confinement shall cease, or until he is
15 delivered to the commission to be proceeded with accord-
16 ing to law; but if the person found to be a mentally dis-
17 eased person is not dangerous to himself or to the lives or
18 property of others, or is found harmless and incurable, he
19 may be delivered to any relative or friend who will agree
20 to take proper care of him, without such bond, if in the
21 judgment of the commission in any case the same may be
22 proper.

Sec. 7. *Disposition of Mentally Diseased Person Who
2 is Nonresident of County; Expenses.*—If a person found to
3 be mentally diseased by the commission is a resident of
4 another county of this state, a transcript of the evidence
5 adduced at the hearing of such person, properly certified
6 by the clerk of the county court, shall be forthwith for-
7 warded to the clerk of the county court of the county of
8 which such person is a resident, who shall immediately
9 present such transcript to the mental hygiene commission
10 of said county. Such commission shall give full faith and
11 credit to the evidence contained in such transcript, and, if
12 satisfied that such person is mentally diseased, shall order
13 the person to be committed to one of the state hospitals
14 for the mentally diseased, as though the person had been
15 brought before it in the first instance. This order shall
16 be transmitted forthwith to the county clerk of the county
17 in which the examination was held, who shall execute said
18 order promptly. All expenses incurred in this proceeding,
19 as well as for the hospitalization of the mentally diseased
20 person, shall be borne by the county of which he is a
21 resident.

Sec. 8. *Commission to Inquire into Residence.*—In the
2 examination of a person before them, suspected of being
3 mentally diseased, the county mental hygiene commis-

4 sion, if it appear that he is not a resident of this state,
5 shall make diligent inquiry to ascertain his residence,
6 and if it be ascertained that he is a resident of another
7 state, the clerk of the mental hygiene commission shall
8 immediately inform the board of control, which shall
9 thereupon instruct said clerk what disposition is to be
10 made of the suspected person.

Sec. 9. *Arrangements Preparatory to Transfer of Mentally Diseased Person to Hospital; Expenses of Commitment and Transfer.*—When a person has been committed
2 to a hospital as hereinbefore provided, the clerk of the
3 commission shall immediately communicate with the
4 superintendent of the proper hospital, and forward to
5 him the commitment papers. In the meantime the com-
6 mission may deliver such mentally diseased person into
7 the custody of the sheriff for safe keeping until he is
8 taken to the hospital, or may provide for his safe keeping
9 for such time by any relative or friend who may agree
10 to do so, upon such terms as may be agreed upon. No
11 such mentally diseased person shall be confined in any
12 jail, lockup, or other similar place, unless by reason of
13 his violent or dangerous condition the same shall be
14 necessary; and it shall be the duty of the commission
15 to have all such persons admitted to a hospital where
16 they can receive proper treatment, as speedily as pos-
17 sible. In any case the clerk of the county court may
18 communicate with the superintendent of the hospital
19 by telegraph or telephone. All expenses incurred in the
20 arrest, hearing, and transportation of any mentally dis-
21 eased person to a hospital, including any such telegraph-
22 ing or telephoning, shall be certified to the county court
23 by the clerk thereof, and shall be paid out of the county
24 treasury.
25
26

Sec. 10. *Compensation of Physicians, Witnesses and Others.*—The county court of any county may contract
2 with two or more competent physicians respecting the
3 compensation to be paid to them for their services in
4 examining mentally diseased persons and other persons
5 brought before the mental hygiene commission of the
6 county, the county court, or the circuit court, or con-

8 fined in jail. The compensation of physicians, of all wit-
9 nesses, and of all other persons and officers whose com-
10 pensation is not fixed in this chapter or by any other
11 law, employed in examination of such persons, or for
12 their care and maintenance, or for other services in
13 connection therewith, unless the same shall have been
14 agreed upon before or at the time such service was per-
15 formed, or is fixed by law, shall be such as may be pre-
16 scribed by the county court of the county, and shall be
17 paid out of the county treasury.

2 *Sec. 12. When Officer Not to Be Compensated for Trans-*
3 *fer to Hospital.*—No officer shall be allowed anything for
4 carrying a mentally diseased person or other person to
5 or from a hospital, whether for himself, his guard, or
6 the mentally diseased person, unless he shall have previ-
7 ously ascertained that there is room therein for such
8 mentally diseased person.

2 *Sec. 13. How and When Circuit Court to Inquire into a*
3 *Person's Sanity.*—If a person residing in this state be
4 suspected to be mentally diseased but has not been
5 found to be a mentally diseased person by the county
6 mental hygiene commission, the circuit court of the
7 county of which such person is an inhabitant shall, upon
8 the application of any person interested, and after five
9 days' notice to the person suspected, proceed to examine
10 into his state of mind, and if satisfied that he is a men-
11 tally diseased person, shall so find. If a person residing
12 out of this state, but having property herein, be suspected
13 to be a mentally diseased person, the circuit court of
14 the county wherein the property or a greater part of it is
15 shall, upon like application and being satisfied that he
16 is a mentally diseased person, so find. Such finding, in
17 either case, shall be authority for the appointment of a
committee for such person by the county court.

Section 1. *Admission to Hospital of Committed Persons.*

2 —The superintendent of the hospital to whom application
3 is made as hereinbefore provided, shall, on receipt of
4 such application, carefully consider the same, and if he
5 be of the opinion that the person named is a proper one
6 to be admitted to his institution, and there is room for
7 him therein, he shall, without delay, cause such person
8 to be brought to his hospital by one of the attendants
9 thereof, the actual expenses whereof shall be paid out
10 of the proper fund of the hospital, and repaid to the
11 state by the county as hereinafter provided. If there
12 be no room in the hospital to which the application is
13 made, the superintendent thereof shall immediately com-
14 municate the fact to the board of control, which he may
15 do when deemed necessary by telegraph or telephone,
16 and transmit the commitment papers to the board of
17 control, whose duty it shall be to ascertain whether there
18 is room in any one of the other hospitals, and if there is,
19 to cause such person to be admitted thereto, and the
20 superintendent thereof to send an attendant for such
21 person: *Provided*, That any reputable and trustworthy
22 relative or friend of such person may be allowed by the
23 county mental hygiene commission to deliver him to the
24 hospital, if such relative or friend will do so without
25 expense to the county or state.

Sec. 3. *Voluntary Admission.*—Any person, a resident
2 of this state, who desires the benefit of institutional
3 treatment, may be admitted to one of the state mental
4 hospitals on his own written application, or upon the
5 application of a reputable physician, providing such
6 person is willing to enter the hospital. Such admissions
7 shall be subject to the rules and regulations of the board
8 of control. Such a voluntary patient may at any time
9 request his discharge by giving to the superintendent
10 notice in writing of his desire to leave. The superin-
11 tendent shall, within fifteen days after the receipt of
12 this notice, grant the request unless upon examination,

13 as provided in section two of this article, the examining
14 board has determined that the patient is mentally dis-
15 eased and requires further hospitalization. If such de-
16 termination is made the examining board shall forthwith
17 forward to the clerk of the county court of the county
18 in which such a person is a resident, a detailed report
19 of their examination, on forms provided by the board
20 of control, which report shall immediately be presented
21 to the mental hygiene commission of said county. Such
22 commission shall give full faith and credit to this report,
23 and if satisfied that such person is mentally diseased,
24 shall issue an order legally committing the mentally
25 diseased person to the hospital making the report, as
26 though the person had been brought before it. All ex-
27 penses incurred in this proceeding, as well as the hos-
28 pitalization of the mentally diseased person, shall be
29 borne by the county of which he is a resident.

Sec. 3-c. *Report of Admissions; Registration by the Board of Control.*—The superintendent of each state mental institution shall, within ten days after the admission of any patient, report the admission to the board of control together with any other information the board of control may require. A copy of said report shall be sent to the state health commissioner. He shall make a similar report of the discharge or death of any patient.

9 From such reports and other sources the board shall
10 prepare and keep current a register of persons in this
11 state who are suffering from mental disease.

12 The name of a person so registered shall not be made
13 public nor shall the register be accessible to anyone
14 except by order of the board of control or by order of
15 the judge of a court of record.

Sec. 5. *Commitment and Admission of Criminal Mentally Diseased Person.*—If any person charged with or convicted of crime be found, in the court before which he is so charged or was convicted, to be mentally diseased, and if such court shall order him to be confined in one of the state hospitals, he shall be received and confined in it if there be room therein for him. The sheriff or other officer of the court by which the order is made

9 shall immediately proceed in the manner directed by
10 section seven, article four of this chapter, to ascertain
11 whether such vacancy exists in a state hospital; and
12 until it is ascertained that there is a vacancy, such person
13 shall be kept in the jail of the county of such court.

Sec. 6. *Disposition of Mentally Diseased Person
2 Who Is Nonresident of State.*—When a person who is a
3 nonresident of the state is committed to, or detained as
4 an inmate of, a state hospital, the superintendent thereof
5 shall immediately report the fact to the board of con-
6 trol. The board shall take proper steps to cause such
7 person to be deported, if an alien; or, if otherwise a non-
8 resident of this state, to be taken to the state, territory
9 or place of his residence and delivered to the proper
10 authorities thereof.

Sec. 8. *Return of Criminal Mentally Diseased Person
2 Upon Restoration.*—When any person confined in a state
3 hospital charged with crime and subject to be tried
4 therefor, or convicted of crime and subject to be pun-
5 ished therefor, shall be restored to sanity, the superin-
6 tendent shall give notice thereof to the clerk of the
7 court by whose order he was confined, and deliver him
8 to the proper officer upon the order of the court.

Sec. 9. *Discharge by Court Proceedings of Persons Un-
2 lawfully Detained.*—Any person who has been found
3 mentally diseased by a county mental hygiene commis-
4 sion or any other board or tribunal other than a circuit
5 court, and any person who is confined in any hospital
6 or other place of confinement or otherwise restrained of
7 his liberty in violation of law, or a patient who has
8 been restored to sanity and to whom the superintendent
9 of the hospital refuses to give a certificate of restoration
10 and discharge, may present his petition, or any relative
11 or friend may present a petition in his behalf, to the
12 circuit court of the county in which the hospital is lo-
13 cated in case of a patient denied the certificate of restora-
14 tion, and in other cases to the circuit court of the county
15 in which the person is confined or is in custody, stating
16 facts. The courts shall treat such petition as an appli-
17 cation for a writ of habeas corpus, so far as applicable

18 and necessary, and cause such process to issue as the
19 court may deem proper, and fix a time for the hearing of
20 the case, which may be heard by the court either with or
21 without a jury, as the court may order; and if the per-
22 son is found sane, or it is found that he is held in custody
23 in violation of law, he shall be discharged. In cases of
24 patients who have been denied certificates of restoration
25 and discharge by the superintendent of a hospital, or in
26 which it is alleged that a patient is held in custody il-
27 legally in any state hospital, the superintendent shall
28 have at least five days' notice of the time and place of
29 the trial in the circuit court. In all such cases the prose-
30 cuting attorney shall represent the sheriff or other
31 county officer or the commission who shall be a de-
32 fendant in such proceedings; and the attorney general
33 shall represent the superintendent of any hospital who
34 is a defendant. In case the decision shall be against the
35 applicant, he or his bondsman (if any), or the person
36 signing the petition, shall pay the costs of the proceed-
37 ings. In any case in which a court may find a person
38 sane upon an inquest or trial respecting his sanity, he
39 shall be discharged and be entitled to a certified copy
40 of the order of the court made in the case. Nothing in
41 this section shall be construed as applying to patients
42 charged with or convicted of crime.

Article 5. Maintenance of Certain Mentally Diseased Patients.

Section 1. *Report to County Court; Provision for Main-
tenance; When Not to be Paid to Jailer.*—When any per-
son is confined in any jail as a mentally diseased person,
the jailer shall certify the fact to the county court of the
county at the next ensuing term, and the court shall then
make such provision for the care and maintenance of such
person, while in jail as it may deem proper: *Provided,*
however, That the allowance to the jailer for such care
and maintenance shall not exceed one dollar per day, ex-
cept in special and extraordinary cases when the court

11 may allow a larger sum. A reasonable allowance may be
12 made for clothing for such person. No such allowances
13 shall be ordered or paid, unless it appear in the certificate
14 that the jailer proved to the court that, immediately after

94 petition in the office of the clerk of the circuit court, a
95 copy of said petition, in writing, to be served upon the
96 commissioner sought to be removed. Said petition shall
97 be matured for hearing and heard by the circuit court
98 of the county wherein the said city or municipality for
99 which such commissioner serves, as a member of the
100 civil service commission, in the same manner as chan-
101 cery proceedings in the circuit courts of West Virginia
102 are heard, saving the right to petition the supreme court
103 of appeals for a review of the action of the circuit court
104 to the contestant against whom the circuit court's deci-

8 vice commission may order from the proper authorities
9 the necessary stationery, postage stamps, official seal

11 ing to be done for its official use. It shall be the duty of
12 the officers of every city to aid the civil service commis-
13 sion in all proper ways in carrying out the provisions
14 of this article, and to allow the reasonable use of public
15 buildings, and to heat and light the same, for holding
16 examinations and investigations, and in all proper ways
17 to facilitate the same.

Sec. 5. *Powers and Duties of Commission.*—The civil
2 service commission in each city or municipality, within
3 the terms of this article, shall:

4 First: Prescribe, amend and enforce rules and regu-

7 amended or rescinded: *Provided*, That all rules shall be
8 approved by the mayor or principal executive officer and
9 the council and if no council, the principal governing body,

14 *further, however*, That if said executive officer and said
15 governing body takes no action on a rule or amendment

17 the date of its submission, then the rule or amendment
18 shall become effective as though approved by the princi-
19 pal executive officer and principal governing body;

20 Second: Keep minutes of its own proceedings, and
21 records of its examinations and other official actions. All
22 recommendations of applicants for office, received by the

24 make appointments to office, shall be kept and preserved
25 for a period of ten years, and all such records, recommen-

55 county in which is the city from the civil service com-
56 mission of which the said subpoena had issued, as if such
57 subpoena had been issued therefrom. Any judge of any
58 of said courts shall, upon the application of any one
59 of said commissioners, in such cases, cause the process
60 of said court to issue to compel such person or persons,
61 disobeying or neglecting any such subpoena, to appear
62 and to give testimony before the said commissioners,
63 or any one of them, and shall have power to punish any
64 such contempt;

65 Fifth: Make an annual report to the mayor or prin-

67 and regulations, and all the exceptions thereto in force,

68 and the practical effects thereof, and any suggestions
69 it may approve for the more effectual accomplishment
70 of the purposes of this article. Such report shall be avail-

72 have been delivered to the mayor or principal executive
73 officer of any city or municipality.

Sec. 6. *Rules and Regulations for Examinations; Probationary Appointments.*—The civil service commission,
2 in each city, shall make rules and regulations providing
3 for examinations for positions in the paid fire depart-

5 appointments to and promotions therein, and for such
6 other matters as are necessary to carry out the purposes
7 of this article. Due notice of the contents of such rules
8 and regulations and of any modifications thereof shall
9 be given, by mail, in due season, to appointing officers
10 affected thereby; and said rules and regulations and
11 modifications thereof shall also be printed for public dis-
12 tribution. All original appointments to any positions in
13 fire departments within the terms of this article shall be
14 for a probationary period of six months: *Provided, how-*
15 *ever,* That at any time during the probationary period
16 the appointee may be dismissed for just cause, in the
17 manner provided in section thirteen. If, at the close
18 of this probationary term, the conduct or capacity of
19 the probationer has not been satisfactory to the appoint-
20 ing officer, the probationer shall be notified, in writing,
21 that he will not receive absolute appointment, where-
22 upon his employment shall cease; otherwise, his reten-
23 tion in the service shall be equivalent to his final
24 appointment.
25

Sec. 7. *Character and Notice of Examinations; Qualifications of Applicants; Press Representatives; Posting Eligible Lists.*—All examinations for positions or promotions shall be practical in their character, and shall relate
3 to such matters, and include such inquiries, as will fairly
4 and fully test the comparative merit and fitness of the
5 persons examined to discharge the duties of the employ-
6 ment sought by them. All examinations shall be open to
7 all applicants who have fulfilled the preliminary require-
8
9

10 ments, stated in other sections of this article. All appli-
11 cants for any position in the fire department shall, as
12 hereinafter stated, subject to regulations adopted by the
13 civil service commission, be required to submit to a
14 physical examination before being admitted to the regu-
15 lar examinations held by the commission. Said applicant
16 shall have been a resident for three years next preceding
17 date of his application, of the city or municipality in which
18 he seeks to obtain employment on the fire department:
19 *Provided*, That if the commission deems it necessary it
20 may consider applicants who are not residents of the city
21 or municipality but who have been residents of the county
22 in which the city or municipality is situated for a period
23 of at least three years and who shall agree, if accepted
24 for employment, to reside within the corporate limits of
25 the municipality where employed: *Provided, further*, That
26 employees who shall have been employed by the fire de-
27 partment for a period exceeding twenty years shall have
28 the right to reside outside the city limits in the county
29 of said corporate limits. Adequate public notice of the
30 time and place of every examination held under the pro-
31 visions of this article together with information as to the
32 kind of position or place to be filled, shall be given at least
33 one week prior to such examinations. The said commis-
34 sion shall adopt reasonable regulations for permitting the
35 presence of representatives of the press at the examina-
36 tions. The commission shall post, in a public place at its
37 office, the eligible list, containing the names and grades
38 of those who have passed examinations for positions in
39 fire departments, under this article, and shall indicate
40 thereon such appointments as may be made from said lists.

2 *Sec. 8. Form of Application for Examination; Refusal*
3 *to Examine.*—The civil service commission, in each city,
4 shall require persons applying for admission to any ex-
5 amination provided for under this article or under the
6 rules and regulations of the said commission, to file in its
7 office, within a reasonable time prior to the proposed
8 examination, a formal application in which the applicant
9 shall state under oath or affirmation:

9 First: His full name, residence, and post office address;

10 Second: His citizenship, age, and the place and date of
11 his birth;

12 Third: His health, and his physical capacity for public
13 service;

14 Fourth: His business and employments and residences
15 for at least three previous years;

16 Fifth: Such other information as may reasonably be
17 required, touching the applicant's qualifications and fit-
18 ness for the public service.

19 Blank forms for such applications shall be furnished by
20 the said commission, without charge, to all persons re-
21 questing the same. The said commission may require, in
22 connection with such application, such certificate of citi-
23 zens, physician or others, having knowledge of the ap-
24 plicant, as the good of the service may require. The said
25 commission may refuse to examine an applicant; or, after
26 examination, to certify as eligible, one who is found to
27 lack any of the established preliminary requirements for
28 the examination or position or employment for which he
29 applies; or who is physically so disabled as to be rendered
30 unfit for the performance of the duties of the position
31 to which he seeks appointment; or who is addicted to the
32 habitual use of intoxicating liquors or drugs; or who has
33 been guilty of any crime, or of infamous or notoriously
34 disgraceful conduct; or who has been dismissed from the
35 public service for delinquency or misconduct; or who has
36 made a false statement of any material fact, or practiced
37 or attempted to practice any deception or fraud in his
38 application, in his examination, or in securing his eligi-
39 bility; or who refuse to comply with the rules and regu-
40 lations of the commission.

41 If any applicant feels himself aggrieved by the action
42 of the commission in refusing to examine him, or after
43 an examination, to certify him as an eligible, as provided
44 in this section, the commission shall, at the request of
45 such applicant, appoint a time and place for a public hear-
46 ing; at which time such applicant may appear, by himself
47 or counsel, or both, and the commission shall then review
48 its refusal to make such examination or certification, and
49 testimony shall be taken. The commission shall subpoena,
50 at the expense of the applicant, any competent witnesses

51 requested by him. After such review, the commission
52 shall file the testimony taken, in its records, and shall
53 again make a decision, which decision shall be final.

Sec. 9. *Appointments from List of Eligibles; Appointing
2 Officer; Special Examinations for Electricians or Mechan-
3 ics.*—Every position or employment, unless filled by pro-
4 motion, reinstatement, or reduction, shall be filled only
5 in the following manner: The appointing officer shall
6 notify the civil service commission of any vacancy in the
7 service which he desires to fill, and shall request the cer-
8 tification of eligibles. The commission shall forthwith
9 certify, from the eligible list, the names of the three per-
10 sons thereon who received the highest averages at pre-
11 ceding examinations held under the provisions of this
12 article within a period of three years next preceding the
13 date of such appointment. The appointing officer shall,
14 thereupon, with sole reference to the relative merit and
15 fitness of the candidates, make an appointment from the
16 three names so certified: *Provided, however,* That should
17 he make objection, to the commission, to one or more of
18 these persons for any of the reasons stated in section
19 eight, and should such objections be sustained by the
20 commission, as provided in section eight, the commission
21 shall thereupon strike the name of such person from the
22 eligible list, and certify the next highest name for each
23 person so stricken off. As each subsequent vacancy occurs,
24 in the same or another position, precisely the same pro-
25 cedure shall be followed: *Provided, however,* That after
26 any name has been three times rejected, for the same or
27 another position, in favor of a name or names below it
28 on the same list, the said name shall be stricken from the
29 list. When there are a number of positions of the same
30 kind to be filled at the same time, each appointment shall,
31 nevertheless, be made separately and in accordance with
32 the foregoing provisions. When an appointment is made
33 under the provisions of this section it shall be, in the first
34 instance, for the probationary period of six months, as
35 provided in section six: *Provided, however,* That in event
36 any position as an electrician or mechanic is to be filled
37 upon any paid fire department, then the examinations to

38 be given to applicants for either the positions of elec-
39 trician or mechanic shall be so drawn as to test only the
40 qualifications of such applicants in regard to their ability
41 as electricians or mechanics, such examinations to be spe-
42 cial examinations.

43 The term "appointing officer" as used in this article shall
44 be construed to mean the municipal officer in whom the
45 power of appointment of members to a paid fire depart-
46 ment is vested by the charter of a city or municipality in
47 which an appointment shall be made.

2 Sec. 10. *Noncompetitive Examination for Filling Va-*
3 *cancy and Provisional Appointment.*—Whenever there are
4 urgent reasons for filling a vacancy in any position in the
5 fire department and there is no list of persons eligible
6 for appointment after a competitive examination, the ap-
7 pointing officer may nominate a person to the civil service
8 commission for noncompetitive examination; and if such
9 nominee shall be certified by the said commission as
10 qualified, after such noncompetitive examination, he may
11 be appointed provisionally, to fill such vacancy until a
12 selection and appointment can be made after competitive
13 examination, in the manner prescribed in section nine; but
14 such provisional appointment shall not continue for a
15 longer period than three months, nor shall successive pro-
16 visional appointments be made to the same position, under
this provision.

2 Sec. 11. *Vacancies Filled, as Far as Practicable, by Pro-*
3 *motions; Eligibility for Promotion.*—Vacancies in posi-
4 tions in the fire department shall be filled, so far as prac-
5 ticable, by promotions from among persons holding posi-
6 tions in the next lower grade in the department. Promo-
7 tions shall be based upon merit to be ascertained by tests
8 to be provided by the civil service commission and upon
9 the superior qualifications of the persons promoted, as
10 shown by his previous service and experience: *Provided,*
11 *however,* That no person shall be eligible for promotion
12 from the lower grade to the next higher grade until such
13 person shall have completed at least two years' service
14 in the next lower grade in the department. The com-
mission shall have the power to determine in each in-

15 stance whether an increase in salary constitutes a pro-
16 motion: *Provided, however,* That in all cities in which
17 the office of chief was not covered by the provisions of
18 this article on the first day of January, one thousand nine
19 hundred forty-nine, such office in such city shall be ex-
20 cepted from the provisions of this article until such time
21 as the governing body in said city shall, by appropriate
22 resolution or ordinance adopted by a majority of its mem-
23 bers, elect to place the office of chief under the provisions
24 of this article: *And provided further,* That those chiefs
25 now in office, or hereinafter appointed to such office, shall
26 in all cases of removal, except for removals for malfeas-
27 ance or misfeasance of office, revert to that status they
28 held at the time of their appointment to the office of chief.

Sec. 12. *Physical Examination and Age of Applicant;*
2 *Exceptions.*—All applicants for any position in the fire
3 department shall undergo a physical examination which
4 shall be conducted under the supervision of a commission
5 composed of two doctors of medicine appointed for that
6 mission by the mayor or principal executive officer of the
7 city or municipality. Said commission shall certify that
8 an applicant is free from any bodily or mental defects,
9 deformity or diseases that might incapacitate him from
10 the performance of the duties of the position desired be-
11 fore said applicant shall be permitted to take further ex-
12 aminations. No application will be received if the person
13 applying is less than twenty-one years of age or more
14 than thirty-five years of age at the date of his applica-
15 tion: *Provided, however,* That in event any applicant has
16 formerly served upon the fire department of the city to
17 which he makes application, for a period of more than six
18 months, and has resigned from the department at a time
19 when there were no charges of misconduct or other mis-
20 feasant pending against such applicant, within a period
21 of two years next preceding the date of his application,
22 and is a resident of the city or municipality, and is still
23 a resident of the city or municipality of the fire depart-
24 ment on which he seeks reinstatement, then such person
25 shall be eligible for reinstatement in the discretion of the
26 civil service commission, even though such applicant shall

27 be over the age of thirty-five years. Such applicant, pro-
28 viding the former term of service so justifies, may be
29 reappointed to the fire deparatment without examination
30 other than a physical examination; if such person shall
31 be so reinstated to the fire department he shall be the
32 lowest in rank in the department next above the proba-
33 tioners of the department.

Sec. 13. *Removal, Discharge or Reduction in Rank or*
2 *Pay.*—No member of any fire department within the terms
3 of this article shall be removed, discharged or reduced
4 in rank or pay except for just cause, which shall not be
5 religious or political; further, no such employee shall be
6 removed, discharged or reduced except as provided in
7 this article, and in no event until he shall have been fur-
8 nished with a written statement of the reasons for such
9 action. In every case of such removal or reduction, a
10 copy of the statement of reasons therefor and of the
11 written answer thereto, if the person sought to be re-
12 moved desires to file such written answer, shall be fur-
13 nished to the civil service commision and entered upon
14 its records. If the person sought to be removed or reduced
15 shall demand it, the civil service commission shall grant
16 him a public hearing, which hearing shall be held within
17 a period of ten days from the filing of the charges in writ-
18 ing and the written answer thereto. At such hearing the
19 burden shall be upon the removing officer to justify his
20 action. In event that the civil service commission fails
21 to justify the action of the removing officer, then the per-
22 son sought to be removed shall be reinstated with full
23 pay for the entire period during which he may have
24 been prevented from performing his usual employment,
25 and no charges be officially recorded against his record.
26 A written record of all testimony taken at such hearing
27 shall be kept and preserved by the civil service commis-
28 sion, which record shall be sealed and not be available
29 for public inspection, in event that no appeal shall be
30 taken from the action of the commission. In event that
31 the civil service commission shall sustain the action of
32 the removing officer the person removed shall have an
33 immediate right of appeal to the circuit court of the

34 county wherein the city or municipality is situated. Said
35 appeal shall be taken within ninety days from the entry
36 by the civil service commission of its final order; upon
37 such an appeal being taken and docketed with the clerk
38 of the circuit court of said county, the circuit court shall
39 proceed to hear the appeal upon the original record taken
40 therein and no additional proof shall be permitted to be
41 introduced. The circuit court's decision shall be final,
42 saving to the employee, however, the right to petition
43 the supreme court of appeals for a review of the circuit
44 court's decision.

45 The removing officer and the person sought to be re-
46 moved shall at all times, both before the civil service
47 commission and upon appeal, be given the right to em-
48 ploy counsel to represent either of them before said civil
49 service commission and upon appeal; should the person
50 removed elect to appeal to the circuit court as herein-
51 before provided: *Provided, however,* That if for reasons
52 of economy or other reasons it shall be deemed necessary
53 by any city or municipality to reduce the number of
54 paid members of any fire department then said munici-
55 pality shall follow the following procedure:

56 First: If there be any paid firemen eligible for retire-
57 ment under the terms of a pension fund act, if such fund
58 exists in said city or municipality, then such reduction
59 in numbers shall be made by retirement on pension of
60 all such eligible paid members of the fire department;

61 Second: If the number of paid firemen eligible for re-
62 tirement under the pension fund of said city or munici-
63 pality, if such pension fund exists, is insufficient to effect
64 the reduction in numbers of said paid fire department
65 desired by said city or municipality, or if there is no eli-
66 gible person for retirement under the pension fund of said
67 city or municipality, or if no pension fund exists in said
68 city or municipality, then reduction in members of the
69 paid fire department of said city or municipality shall
70 be effected by suspending the last man or men, includ-
71 ing probationers, that have been appointed to said fire
72 department. Such removal shall be accomplished by
73 suspending in numerical order commencing with the last

74 man appointed to the fire department, all recent ap-
75 pointees to said fire department until such reduction shall
76 have been accomplished: *Provided, further,* That in event
77 the said fire department shall again be increased in num-
78 bers to the strength existing prior to such reduction of
79 members the said firemen suspended under the terms of
80 this article shall be reinstated before any new appoint-
81 ments to said fire department shall be made.

Sec. 14. *Political or Religious Opinions or Affiliations*
2 of Applicants.—No question in any form of application
3 or in any examination shall be so framed as to elicit
4 information concerning the political or religious opinions
5 or affiliations of any applicant; nor shall inquiry be made
6 concerning such opinions or affiliations; and all disclo-
7 sures thereof shall be discountenanced. No discrimina-
8 tion shall be exercised, threatened, or promised by any
9 person in the fire department against, or in favor of, an
10 applicant, eligible, or employee in fire departments un-
11 der this article because of his political or religious opin-
12 ions or affiliations.

Sec. 15. *Misdemeanors.*—Whoever makes an appoint-
2 ment to office, or selects a person for employment, con-
3 trary to the provisions of this article, or wilfully refuses
4 or neglects otherwise to comply with, or to conform to,
5 any of the provisions of this article, or violates any of
6 such provisions, shall be deemed guilty of a misdemeanor.
7 Any commissioner or examiner, or any other person,
8 who shall wilfully, by himself or in cooperation with
9 one or more persons, defeat, deceive or obstruct any per-
10 son in respect to his right of examination or registration
11 according to this article, or to any rules or regulations
12 prescribed pursuant thereto, or who shall wilfully or cor-
13 ruptly, falsely mark, grade, estimate, or report upon the
14 examination or proper standing of any person examined,
15 registered, or certified, pursuant to the provisions of this
16 article, or aid in so doing, or who shall wilfully or cor-
17 ruptly furnish to any person any special or secret
18 information, for the purpose of either improving or in-
19 juring the prospects or chances of appointment of any
20 person so examined, registered, or certified, or to be

21 examined, registered, or certified; or who shall personate
22 any other person, or permit or aid in any manner any
23 other person to impersonate him in connection with any
24 examination or registration, or application, or request
25 to be examined or registered, shall, for each offense, be
26 deemed guilty of a misdemeanor.

Sec. 16. *Penalties.*—Misdemeanors under the provisions
2 of this article shall be punishable by a fine of not less
3 than fifty dollars, nor more than one thousand dollars,
4 or by imprisonment for a term not exceeding one year,
5 or by both fine and imprisonment, in the discretion of
6 the court.

Sec. 17. *Political Activity of Members of Fire Departments under Civil Service.*—No member of any fire department within the terms of this article shall engage in
2 any political activity of any kind, character or nature
3 whatsoever, except to cast his vote at any election, and
4 shall not act as an officer of election in any election, municipal or general. Any member of any fire department
5 engaging in any political activity herein prohibited shall
6 be subject to dismissal, as provided by the provisions of
7 this article.

2 All acts and parts of acts of the Legislature of the state
3 of West Virginia, general, special, local or municipal
4 charters, or parts thereof, in relation to any civil service
5 measure affecting the paid fire departments of any city
6 or municipality inconsistent with this article shall be,
7 and the same are hereby repealed insofar as such inconsistencies shall exist. It is understood and intended by
8 this article to furnish a complete and exclusive system
9 for the appointment, promotion, reduction, removal and
10 reinstatement of all officers, firemen or other employees
11 of said fire departments in all cities and municipalities
12 wherein the members of the fire department are paid.
13 And it is further intended that this act shall not in any
14 way affect the status or tenure in office of those employees
15 and personnel now employed by the paid fire departments
16 or the present commissioners.

18 Chapter sixty, acts of the Legislature, regular session,
19 one thousand nine hundred thirty-three; chapter seventy-

4 affect the provisions or applications of this act which can
5 be given effect without the invalid provision or applica-

Section 1. *Powers of Municipal Corporations Relating to Street, Sidewalk and Sewer Improvements.*—Every municipal corporation in this state, whether existing and operating under a special charter, home rule charter or under general law, is hereby authorized and empowered, in addition to any other rights or powers conferred upon it, upon the terms, conditions and in the manner hereinafter set forth, to grade, regrade, pave or repave, surface or resurface, curb or recurb, streets and alleys, and to build or renew sidewalks, and to construct, provide or renew any of such improvements or other permanent public improvements in any streets, alleys, public ways of easements, or portions thereof, in such municipality, and, if deemed advisable, to construct storm and sanitary sewers, or all or a part of a sewer system in any streets, easements, public ways, or alleys, or portions thereof, independently or in conjunction with other of such improvements, and to assess the costs of any or all of such improvements on abutting property.

2 *Sec. 2. Petition of Abutting Property Owners; Action*
3 *of Governing Body Without Petition.*—Upon the petition
4 in writing of persons owning the greater amount of
5 frontage of property abutting upon both sides of any
6 portion of a street, public way, alley, or easement, for
7 any permanent improvement or reimprovement author-
8 ized in section one hereof the council or other governing
9 body of any such municipality, by a lawful majority
10 thereof, may, after giving notice to abutting property
11 owners as in this article is provided, by resolution or
12 ordinance declare the necessity or convenience of such
13 improvement and order and cause such portions of such
14 streets, alleys, public ways or easements to be graded,
15 regraded, paved, repaved, surfaced, resurfaced, curbed,
16 recurbed, sewerred, resewerred, permanently improved or
17 reimproved with sidewalks or otherwise permanently
18 improved or reimproved with suitable material, or any
19 one or more of such improvements without the others,
20 as may be determined by the governing body, to be con-
21 structed therein or in such part or parts thereof as the
22 governing body may determine, and such governing body
23 may specially assess the entire cost of such improvements,
24 or any part thereof, upon the property abutting on the
25 portions of the streets, alleys, public ways or easements
26 improved.

27 Such governing body of the municipality may also
28 adopt such resolution or ordinance of necessity or con-
29 venience and provide for such improvements and the
30 assessing of the cost thereof upon abutting property
31 without such a petition of property owners having first
32 been received, when the resolution or ordinance provid-
33 ing for such improvement is adopted by the affirmative
34 vote of at least three-fourths of the members of such
35 governing body by recorded vote, after having given
36 notice to abutting property owners as hereinafter pro-
vided.

2 *Sec. 3. Notice to Abutting Owners to be Given Before*
3 *Authorizing Improvement; Form of Notice.*—Before the
4 adoption of such resolution or ordinance of necessity or
convenience, the governing body shall cause notice to be

5 given to owners of abutting property that such resolu-
 6 tion or ordinance will be considered before adoption at
 7 a public meeting of the governing body at a time and
 8 place named in the notice and all persons or corporations
 9 shall at that meeting, or an adjournment thereof, be
 10 given an opportunity to protest or be heard concerning
 11 the adoption or rejection of said resolution or ordinance.
 12 Such notice to owners of property abutting on the por-
 13 tion of the street, alley, public way or easement to be
 14 improved may be by personal service on owners at least
 15 ten days before said meeting. In lieu of personal service
 16 of such notice, the following described notice, or one
 17 in substantially the same form, may be given, and shall
 18 be deemed to have been served on all such owners of
 19 abutting property, by publication once a week for three
 20 successive weeks before said meeting in some newspaper
 21 of general circulation, but not necessarily published, in
 22 said municipality, as follows:

23 "NOTICE TO ALL PERSONS OR CORPORATIONS
 24 OWNING PROPERTY ABUTTING ON
 25 (here describe the portion of the street, alley, public way
 26 or easement to be improved) IN THE (town
 27 or city) OF (name of municipality):

28 Proposals have been made to the (common
 29 council, board of directors, commissioners, or other gov-
 30 erning body) of the (town or city)
 31 of (name of municipality) to
 32 permanently improve the portion of the street (alley,
 33 public way or easement) above described in
 34 (name of municipality) by (grading,
 35 paving, constructing sanitary or storm sewers, construct-
 36 ing sidewalks, or other general description of the pro-
 37 posed improvements) as the (council,
 38 board of directors, commissioners, or other governing
 39 body) may deem proper, and to assess the cost of such
 40 improvements on the property abutting said portion of
 41 said street (alley, public way or easement).

42 The proposals to make such improvements, and the
 43 plans, specifications, profiles and estimates will be con-
 44 sidered by the (governing body)
 45 at a public meeting to be held on the day of

46 19....., at M. at Any abutting owner or
47 interested party will be given an opportunity to protest
48 or be heard at said meeting or an adjournment thereof.
49 (name of the clerk or recorder)
50 (official position).”

51 A certificate of publication of the notice, made by the
52 newspaper publisher, and a copy of the notice shall be
53 made a part of the minutes of the governing body and
54 spread on its records of the meeting described in the
55 notice. The service of said notice upon all persons, firms
56 or corporations owning any interest in any property abut-
57 ting upon any portion of said street, alley, public way
58 or easement to be improved shall conclusively be deemed
59 to have been given when such newspaper publication
60 shall have been completed: *Provided*, That where any
61 foreign railroad or other foreign corporation is the owner
62 of property abutting upon any street, alley, public way
63 or easement sought to be improved under the provisions
64 hereof, notice shall be given to such railroad or other
65 foreign corporation as prescribed by section one, article
66 ten, chapter eight of the code of West Virginia, one thou-
67 sand nine hundred thirty-one, before the adoption of any
68 ordinance or resolution relating to, and providing for,
69 such improvements.

2 *Sec. 4. Sewers and Sewer Assessments.*—The govern-
3 ing body is authorized and empowered to order and
4 cause to be constructed, in said municipality, or part
5 within and part outside of the limits of said municipality,
6 public, common, lateral, branch, trunk and combined
7 sewers or public sewer systems, or both, by contract or
8 direct by the municipality, for the benefit of said mu-
9 nicipality or any part thereof, and to purchase lands or
10 easements therein or to condemn lands or easements
11 therein in the manner provided by law for such sewers
12 or sewer systems. When the governing body shall order
13 and complete the construction of any such sewer or sewer
14 system or any part thereof in said municipality, the prop-
15 erty abutting on such sewer or abutting upon an avenue,
16 street, alley, right of way or easement in which such
sewer shall be constructed, or abutting on any avenue,

17 street, alley, right of way or easement, in which any such
18 sewer or part of a sewer system is constructed and laid,
19 may be charged with all or any part of the cost thereof,
20 including the cost of such sewer or sewer system at and
21 across intersections at avenues, streets, roads and alleys
22 adjacent thereto.

23 A sewer system shall be deemed to include all the com-
24 mon sewers whether they be lateral, branch, trunk or
25 combined sewers, which serve to drain a definite drain-
26 age area as specified in the order of the council directing
27 the work to be done.

28 In case of a corner lot, frontage which may be assessed
29 is to be measured along the longest dimension thereof
30 abutting on each street, alley, right of way or easement
31 in which such sewer is laid, but if sewerred on both sides
32 then such corner lot is to be charged only with the side
33 first sewerred unless more than two hundred feet in
34 depth. Any lot having a depth of two hundred feet or
35 more and fronting on two streets, alleys, rights of way
36 or easements, one in the front and one in the rear of said
37 lot, shall be assessed on both of said streets, alleys, rights
38 of way or easements, if a sewer is constructed on both
39 such streets, alleys, rights of way or easements. Where
40 a corner lot has been assessed on either or both ends, it
41 shall not be assessed on the side, and where it has been
42 assessed on the side, it shall not be assessed on the end.

43 In case of corner lots where the cost of sewerred along
44 one dimension is not assessed against the owner thereof,
45 and in the case of lots less than two hundred feet deep
46 abutting at each end on a street, alley, right of way or
47 easement in which a sewer is laid, the cost of sewerred
48 along the dimension or end not assessed against the prop-
49 erty owner shall in every case be apportioned and as-
50 sessed against the other property abutting on the streets,
51 alleys, easements and public ways being improved, in
52 the manner of the apportionment of the cost of improve-
53 ments in intersections.

Sec. 5. *What Total Cost to Include.*—In ascertaining
2 the total cost of the improvements in any project under-
3 taken pursuant to this article, there shall be included the
4 cost and expense of surveys, engineering and attorneys'

5 fees, the printing and publishing in relation thereto, and
6 the cost and expense of all labor, work, supervision,
7 inspection, equipment leased, and materials furnished
8 and used in completing said improvements.

Sec. 6. *Apportionment and Assessment of Cost.*—The
2 cost of the entire project, including the cost of all
3 improvements at and within intersections, shall be ap-
4 portioned to, and assessed against, and borne by the prop-
5 erties abutting upon the streets, public ways, alleys or
6 easements upon which the improvements involved in the
7 project shall have been made. Each lot or parcel of land
8 so abutting shall be assessed with that portion of the total
9 cost of the entire project which is represented by the
10 proportion which the abutting frontage in feet of such
11 lot or parcel bears to the total abutting frontages in feet
12 of all the lots or parcels of land abutting on the streets,
13 public ways, alleys or easements so improved: *Provided,*
14 *however,* That if the character of the improvements shall
15 be substantially different upon different streets, public
16 ways, easements or alleys, or portions thereof, the cost
17 may be equitably apportioned to the respective streets,
18 public ways, alleys, easements, or portions thereof, in
19 proportion to the character and cost of the improvements
20 respectively thereon; and the part of the cost so appor-
21 tioned to each respective street, public way, easement,
22 or alley, or portion thereof, shall be apportioned to and
23 assessed against the respective lots or parcels of land
24 abutting thereupon in the proportion as hereinabove pro-
25 vided: *Provided further,* That if any part of the street,
26 alley, easement or public way improved is used by a
27 railway then the cost of the portion of the improvements
28 between the rails and for two feet outside said rails shall
29 be assessed against and wholly borne by the owner of
30 the railway: *Provided further,* That if there be any land
31 or other property abutting on the portion of the street
32 or alley so improved which it has been determined by
33 the governing body of the municipality, and, shown in
34 the ordinance or resolution authorizing the improve-
35 ment, not to be specially benefited by the improvement,
36 or for other reasons would not be liable to assessment

37 for any of the cost of improvement, then the cost of the
38 improvements abutting such part of said street or alley
39 as is so determined to be nonassessable shall be appor-
40 tioned among, assessed and borne by the remaining prop-
41 erty abutting upon the portion of the street, alley, pub-
42 lic way or easement improved in proportion to the front-
43 age of such remaining abutting property as hereinabove
44 provided: *Provided further*, That if such improvement
45 include the construction or reconstruction of sidewalks
46 on only one side of a street, alley, public way or ease-
47 ment, then the cost of such sidewalk shall be assessed
48 only on the property abutting on that side where the
49 sidewalks are so constructed: *Provided, further*, That
50 in apportioning and assessing the cost of sewers or sewer
51 systems the provisions of section four hereof shall be
52 observed: *Provided further*, That if there be land or other
53 property abutting the street, alley, easement or public
54 way so improved which is owned by the United States of
55 America, and, for that reason, not legally subject to
56 assessment, then the municipality shall pay the propor-
57 tionate part of the cost of the improvement which other-
58 wise would be assessable against such federally owned
59 land or property.

Sec. 7. *Ordinance or Resolution Authorizing Improve-
2 ment; Approval of Plans, Specifications and Estimates;
3 Provisions for Payment and Cost and Assessment Cer-
4 tificates; Advertisement for Bids.*—After hearing held
5 pursuant to notice as provided in section three hereof the
6 governing body of the municipality, by resolution or
7 ordinance, may authorize such improvement and the
8 assessing of the total cost or any part thereof on abutting
9 property as herein provided. In the same or subsequent
10 resolutions or ordinances, but before advertising for bids
11 from contractors, the governing body of the municipality
12 shall cause to be prepared plans, specifications and esti-
13 mates of the cost of the proposed improvements under
14 the supervision of the engineer for the municipality. Such
15 plans, specifications and estimates shall show the pro-
16 posed grade and sufficient data for any owner of abutting
17 property to calculate approximately what proportionate

18 part of the estimated cost thereof might be assessed
19 against his property, and shall be filed with the clerk or
20 recorder and open to the inspection of interested persons
21 before advertisement for bids of contractors and before
22 the meeting at which such bids may be accepted or re-
23 jected. Before advertising for bids of contractors such
24 governing body of the municipality shall consider said
25 plans, specifications and estimates and may amend or
26 modify them, and before advertising for bids shall by
27 resolution or ordinance approve such plans, specifications
28 and estimates as so amended and modified. Such resolu-
29 tion or ordinance before advertisement for bids shall also
30 provide for advertisement for bids, for letting of contract
31 or contracts for the work to the lowest responsible bidder,
32 with right reserved to such governing body to reject any
33 and all bids and shall provide for supervision of such
34 work by the mayor, city manager, city engineer or other
35 person or committee designated by the governing body.
36 Such resolution or ordinance shall also provide for pay-
37 ment of the cost of the work when completed. The gov-
38 erning body shall provide in such resolution or ordinance
39 for the payment by abutting property owners of the cost
40 thereof in equal installments payable over a period of not
41 less than five years nor more than ten years from the
42 date of assessment, with interest at the rate of six per cent
43 per annum from the date of assessment, and in said reso-
44 lution or ordinance the governing body shall fix the num-
45 ber of installments in which the amounts assessed shall
46 be payable: *Provided*, That each of said assessments or
47 the installments thereof then remaining unpaid shall be
48 payable at any time after assessment without interest
49 after the date of payment: *Provided further*, That on
50 failure of the owner of the property assessed to pay any
51 installment as and when due, and such default continuing
52 for sixty days, then at the option of the holder of the
53 certificates evidencing such assessment, the entire bal-
54 ance due may be declared immediately due and payable
55 and the holder of the certificates may forthwith proceed
56 to enforce the collection thereof: *And provided further*,
57 That if the amounts to be assessed against abutting prop-

58 erty be less than two dollars for each abutting front foot
59 of property, then said governing body is authorized to
60 make the same payable in one lump sum or in install-
61 ments, with interest, over a period of less than five years
62 from the date of assessment.

Sec. 8. *Report on Completion; Notice to Abutting Owners; Hearings; Assessment.*—When the improvement of
2 such street, alley, easement, or public way has been com-
3 pleted, the governing body shall cause the engineer, or
4 other person charged by the governing body with the
5 supervision of the work of improvement, to make a report
6 showing the several frontages abutting thereon, and the
7 total cost, and showing the respective amounts charge-
8 able upon each lot or parcel of land assessed abutting
9 thereon, and showing the proper amounts to be assessed
10 against the respective abutting lots or parcels of land as
11 provided herein, with a description of the abutting lots
12 and lands as to ownership, frontage and location. The
13 governing body of the municipality shall thereupon give
14 notice to the owners of the property to be assessed that
15 on or after a date named in said notice an assessment may
16 be laid against the property so improved as embodied in
17 said report. Said notice shall state that the owner or
18 owners whose property is to be assessed, or other inter-
19 ested party, may on said date appear before the governing
20 body to move the revision or correction of such proposed
21 assessment. Such notice shall be by publication once a
22 week for two successive weeks in a newspaper of general
23 circulation in the county in which such municipality is
24 located, and said notice shall show the total cost of the
25 improvement, the several frontages abutting thereon and
26 the respective amounts to be assessed against the abutting
27 property, with a description of the respective abutting
28 lots and lands as to ownership, frontage and location. On
29 or after the date so advertised, the governing body may
30 revise, amend, correct and verify the report and proceed
31 by resolution or ordinance to lay the assessments as cor-
32 rected and verified.
33

Sec. 9. *Assessment Certificates; Issuance, Sale and*

2 *Negotiation; Recording Assessing Resolution or Ordi-*
3 *nance.*—Immediately on laying of the assessment against
4 the abutting property, certificates shall be issued evidenc-
5 ing said assessments and each installment of principal
6 and interest payable. Said certificates shall be payable to
7 the bearer and be signed by the mayor and clerk or other
8 equivalent officers of the municipality, and shall refer
9 to the ordinance or resolution laying the assessments;
10 shall show the amount and date of the assessment and
11 describe the property against which the assessment is
12 laid, describe the same as to ownership, amount, frontage
13 and briefly as to location. Said certificates shall also show
14 the dates on which principal and interest payments are
15 due, and shall contain a provision that in event of default
16 in the payment of any one of such installments, and such
17 default continuing for a period of sixty days, than all
18 unpaid installments shall become due and payable at
19 the election of the certificate holder and the holder may
20 proceed to collect all of the unpaid balances of install-
21 ments, with interest until paid. Said certificates shall be
22 issued to the contractor making the improvements in pay-
23 ment therefor, upon the contractor's reimbursing the
24 municipality for those items of the cost and expense ad-
25 vanced by the municipality and mentioned in section five
26 hereof. Said certificates shall be assignable by delivery
27 of the certificates and be enforceable by the holder. The
28 municipality issuing such certificates shall not be held as
29 guarantor or in any way liable for the payment thereof.
30 A notice of the lien of said assessment, referring to the
31 assessing ordinance or resolution, and setting forth a list
32 of the property assessed, described respectively as to
33 amounts of assessment, frontage, location and ownership
34 of the property, shall be certified by the clerk or recorder
35 of the municipality to the clerk of the county court of the
36 county wherein the improvement is located. The county
37 clerk shall record the same in a proper trust deed book
38 and index the same in the name of each owner of abutting
39 property assessed.

2 *Sec. 10. Liens; Payment, Suit for Enforcement; Enforce-*
ment; When Service May be Had by Publication.—The

3 property abutting the portion of the street, alley, ease-
4 ment or public way improved shall be subject to a lein,
5 from the date of the ordinance or resolution laying the
6 assessment, for the payment of the costs of the improve-
7 ments assessed against said property. From the date of
8 the assessments the holder of the assessment certificates
9 shall be the holder of said leins and entitled to enforce
10 the same in his own name or the name of the municipality
11 to the extent of the amount, principal and interest, pro-
12 vided in said certificates, and against the said property,
13 as to any assessment not paid as and when due. Said
14 assessment shall be and constitute leins in the hands of
15 the holders of said certificates upon the respective lots
16 and lands assessed and shall have priority over all other
17 liens except those for land taxes due the state, county,
18 and municipality, and except the leins for pre-existing
19 special assessments. Said assessments and interest there-
20 on shall be paid by the owners of the property assessed
21 as and when the installments are due. The holder of any
22 certificate may enforce the lien thereof in any proper
23 suit, and when default in the payment, as and when due,
24 of any certificate of principal or interest or installment
25 certificate shall occur and such default may have con-
26 tinued for more than sixty days, the holder may at his
27 option declare the whole unpaid balance due and payable
28 and by proper suit in equity enforce the lein thereof, upon
29 process issued and served according to law upon the
30 owner or owners of the land subject to said lien at the
31 time such suit may be brought as shown by the records
32 of the clerk of the county court in which said land is
33 located. Service by publication upon such owner may
34 be had if, upon affidavit filed with the clerk of the court
35 where each suit is brought, it appears that the owner of
36 such land is a nonresident of the State of West Virginia.
37 Service by publication may also be had upon such owner
38 upon affidavit filed in said clerk's office that personal
39 process issued to the sheriff of the county in which said
40 land is located has been returned "not found" in said
41 county and if said affidavit also states that the plaintiff in
42 the suit does not know where the owner is resident.

2 Sec. 11. *Assessment Against Property of Public, Char-*
3 *itable, Eleemosynary, Educational or Religious Institu-*
4 *tions; Duty of Those in Charge to Cause Assessments to*
5 *be Paid.*—When any of the lots or lands abutting the
6 portion of the street, alley, easement or public way im-
7 proved consist of property owned or controlled by the
8 state, county, municipality, board of education or other
9 public body, or consist of property owned by, or used for,
10 a church, or religious, charitable, educational or eleemosy-
11 nary institution for purposes not subject to taxation, such
12 property shall nevertheless be assessed with its proper
13 proportion of the cost of said improvement, and it shall
14 be the duty of those persons having charge of the fiscal
15 affairs of such owner or the management of any such
16 property or institution to make proper arrangements for
17 the payment of, and cause to be paid, such assessments
as and when due and payable.

2 Sec. 12. *Place of Payment; Release.*—Payments of any
3 assessments or installment certificates may be made to
4 the treasurer of the municipality or the holder of the
5 assessment certificates. If payment is made to the treas-
6 urer he shall require all interest to be paid which is owed
7 up to the time of payment, and notify the holder of the
8 certificate, if informed of the holder's address, that he
9 has received such payments, and make payment to the
10 holder on presentation for cancellation of the certificate
11 representing such payment. If payment is made to the
12 holder of the certificate, the holder shall deliver to the
13 payor certificates marked "paid" representing the pay-
14 ments made of principal and interest. On presentation to
15 the treasurer for cancellation of all certificates of prin-
16 cipal and interest for the whole assessment made against
17 a specific piece of property assessed, the treasurer shall
18 on request execute and deliver a release of the lien of
such assessment.

2 Sec. 13. *Re-assessment for Void, Irregular or Omitted*
3 *Assessments.*—In the case of the construction of any per-
4 manent improvements where an assessment has hereto-
fore been laid or may hereafter be laid for the cost there-

5 of, which said assessment is or shall be void or voidable
6 by reason of errors, irregularities or defects in the pro-
7 ceedings under which such improvement was made, or
8 in case such assessment shall have been made against
9 the wrong person or property, or shall have been omitted
10 to be made in a case where the same was proper, it shall
11 be the duty of the governing body within ten years
12 after the completion of such improvement, or after any
13 court shall have declared such assessment invalid, to
14 cause notice to be given to any person against whom the
15 cost of said improvement might properly be or have been
16 assessed, of its intention to lay such assessment and fix-
17 ing a time and place at which the owner may appear
18 and show cause against the same. Said notice shall be
19 served in the manner provided in this article in the
20 giving of notices in assessment proceedings, or any other
21 manner provided by law. At the time and place, under
22 the notice aforesaid, or at any time thereafter, the gov-
23 erning body shall proceed to lay and levy an assessment
24 for the cost of such improvement as would have been
25 lawful under proper proceedings at the time said im-
26 provement was completed, unless the owner so notified
27 shall show good cause against the same. The reassessment
28 so laid shall be a lien upon the property liable therefor
29 in the manner hereinabove provided from the date of the
30 completion of the improvement, with interest therefrom,
31 and proper assessment certificates may be issued, recorda-
32 tion had, and payment and the lien may be enforced in the
33 same manner and upon the same terms as would have
34 been proper at the time of the completion of the said
35 improvement had the assessment therefor been then prop-
36 erly laid and levied.

Sec. 14. *Liberal Construction of this Act.*—This article
2 shall be liberally construed to accomplish the purpose of
3 providing reasonable, economical and expeditious means
4 for municipalities to provide permanent improvements
5 and assure to the contractors making such improvements,
6 or persons directly or indirectly financing the same, secu-
7 rity in the payment of the cost and expense of such im-

8 improvements; and nothing in this article shall be construed
9 as imposing a time limit on the certificate holder for the
10 enforcement of his rights.

Sec. 15. *Effect on Special and Home Rule Charter Provisions.*—The provisions of all existing municipal charters

21 court may, in its sound discretion, refuse a stay of execu-
22 tion or supersedeas to the order or any portion of the
23 order, of the board, during the time that the case is pend-

22 required securing such owners against any loss or damage
23 which may be sustained by reason of the failure of the
24 board to accept and pay for the property, but such under-

26 except such as may be paid from the funds provided
27 under the authority of this article.

28 In the event of acquisition by purchase, the board
29 may obtain and exercise an option from the owners of
30 said property for the purchase thereof, and may enter
31 into a contract for the purchase thereof, and such pur-
32 chase may be made upon such terms and conditions,
33 and in such manner as the board may deem proper:
34 *Provided, however*, That such exercise of option, pur-

39 In the event of the acquisition of any athletic estab-
40 lishment already constructed by purchase or condem-
41 nation, the board at or before the time of the adoption
42 of the resolution described in section six hereof, shall
43 cause to be determined what repairs, replacements, ad-

45 that said establishment may be effective for its purpose,

46 and an estimate of the cost of such improvements shall
47 be included in the estimate of the costs required by
48 section six hereof, and such improvements shall be made
49 upon the acquisition of the establishment and as a part
50 of the cost thereof: *Provided, however,* That no board
51 shall, under the authority conferred by this act, con-
52 demn any existing privately owned athletic establish-
53 ment in operation at the date of the condemnation.

Sec. 8. *Bonds for Improvements and Extension of Exist-*
2 *ing Athletic Establishments.*—Whenever any board now
3 or hereafter, shall own and operate any athletic estab-
4 lishment as herein defined, whether acquired or construct-
5 ed under the provisions of this article or not, and shall
6 desire to construct improvements, enlargements and ex-
7 tensions thereto, or acquire or construct better equip-
8 ment for the same, it may issue revenue bonds under
9 the provisions of this article to pay for the same, and
10 the procedure therefor shall be the same as in this article
11 provided for the issuance of bonds for acquisition or con-
12 struction of such athletic establishment: *Provided, how-*
13 *ever,* That no existing obligations or rights shall be affect-
14 ed or impaired thereby.

Sec. 9. *Items of Expense Included in Cost of Athletic*

3 shall be deemed to include the cost of the acquisition
4 or construction and equipment thereof, the cost of all
5 property and easements deemed necessary or convenient
6 therefor; interest upon bonds prior to and during con-

9 legal expense; expense for estimates of cost and of rev-
10 enues; expense for plans, specifications and surveys; other
11 expenses necessary or incident to determining the feas-
12 ibility or practicability of the enterprise; administrative
13 expense; and such other expenses as may be necessary
14 or incident to the financing herein authorized and the
15 construction or acquisition of the establishment and plac-
16 ing the same in operation, and the performance of the

17 things herein required or permitted in connection with
18 any thereof.

Sec. 10. *Bonds to be Payable from Revenues Only; Exemption from Taxation.*—Funds for the payment of
2 all or such part of the costs of such athletic establishment
3 as may be determined by the board, shall be provided
4 by the issuance of revenue bonds of such board. Such
5 bonds shall be payable solely from the special fund here-
6 in provided for such payment; and such bonds shall not
7 in any respect be a corporate indebtedness of the county
8 court, municipal corporation or county board of education
9 issuing the same. All such bonds shall be exempt from
10 taxation by the state of West Virginia or any county or
11 municipality therein. All of the details of such bonds and
12 the issuance thereof shall be determined by resolution
13 of the board.
14

Sec. 11. *Interest Rate and Life of Bonds; Redemption; How Payable, Form, Denominations; Additional Bonds Authorized; Interim Certificates.*—Such revenue bonds
2 shall bear interest at not more than six per cent per
3 annum, payable annually or at shorter intervals, and
4 shall mature at such time or times not exceeding thirty

6 resolution of the board. Such bonds may be made re-
7 deemable before maturity, at the option of the board,
8 at not more than the par value thereof plus five per cent,
9 under such terms and conditions as may be fixed by the
10 resolution authorizing the issuance of the bonds. The
11 principal and interest of the bonds may be made pay-
12 able in any lawful medium. Said resolution shall deter-

14 pons to be attached thereto, if any, and shall fix the de-
15 nomination or denominations of such bonds, and the place
16 or places of the payment of the principal and interest
17 thereof, which may be at any bank or trust company with-
18 in or without the state, or at such other place as said
19 resolution may provide. The bonds shall contain a state-
20 ment on their face that the board shall not be obli-
21 gated to pay the same, or the interest thereon, except
22
23

24 from the special fund derived from the net revenue
25 of the athletic establishment, or a certain pro rata part
26 thereof, as the case may be. All such bonds shall be, and
27 shall have, and are hereby declared to have all the
28 qualities and incidents of negotiable instruments, under
29 the negotiable instruments law of this state. Provision
30 may be made for the registration of any of the bonds
31 in the name of the owner as to principal alone. Bonds
32 shall be executed in such manner as the board may
33 direct. The bonds shall be sold by the board in such
34 manner as may be determined to be for the best inter-
35 est of the board: *Provided, however,* That said bonds
36 shall not be negotiated at a price lower than a price
37 which when computed to maturity upon standard tables
38 of bond values will show a net return of six per cent
39 per annum to the purchaser upon the amount paid there-
40 for. Any surplus of the proceeds from the sale of such
41 bonds over and above the cost of such athletic establishment
42 shall be paid into the sinking fund hereinafter provided.
43 If the proceeds of the bonds shall be less than the cost of
44 the athletic establishment, additional bonds may in like
45 manner be issued to provide the amount of such deficit,
46 and unless otherwise provided in the resolution author-
47 izing the issuance of the bonds first issued, or in the trust
48 indenture hereinafter authorized, shall be deemed to be
49 of same issue, and shall be entitled to payment without
50 preference or priority of the bonds first issued, but such
51 preference or priority shall not extend to an amount
52 exceeding ten per cent of the original issue. Prior to the
53 preparation of the definite bonds, interim certificates may,
54 under like restrictions, be issued with or without coupons
55 exchangeable for definite bonds upon the issuance of the
56 latter.

2 *Sec. 12. Obligations not to Bind Member of Board Per-*
3 *sonally.*—No member of any board or any committee
4 appointed by such board hereunder shall in any event be
5 personally liable upon any contract or obligation of any
6 kind or character executed under the authority contained
7 in this article, even if said undertaking should hereafter
be held ultra vires.

2 Sec. 13. *Additional Bonds for Extension or Improve-*
3 *ments of Athletic Establishments.*—Any board may pro-
4 vide by the resolution authorizing the issuance of the
5 bonds or in the trust indenture hereinafter referred to,
6 that additional bonds may thereafter be authorized and
7 issued at one time, or from time to time, under such limi-
8 tations and restrictions as may be set forth in said reso-
9 lution or trust indenture, for the purpose of extending or
10 improving such athletic establishments when deemed
11 necessary in the public interest, such additional bonds to
12 be secured and be payable from the revenues of the ath-
13 letic establishment, as provided in section eight of this
article.

2 Sec. 14. *How Proceeds of Bonds Applied.*—All moneys
3 received from the sale of any bonds issued pursuant to
4 this article, after reimbursements and re-payments to said
5 board of all amounts advanced for preliminary expenses,
6 as provided in section five of this article, shall be applied
7 solely to the payment of the costs of the athletic estab-
8 lishment, or to the appurtenant sinking fund, and there
9 shall be, and hereby is created and granted a lien upon
10 such money, until so applied, in favor of the holders of
the bonds or the trustees hereinafter provided for.

2 Sec. 15. *Bonds Secured by Trust Indenture Between*
3 *Board and Corporate Trustees.*—In the discretion and at
4 the option of the board such bonds may be secured by a
5 trust indenture by and between the board and a corporate
6 trustee which may be a trust company or bank having
7 powers of a trust company within or without the state
8 of West Virginia, but no such trust indenture shall convey,
9 mortgage or create any lien upon the athletic establish-
ment or any part thereof.

10 The resolution authorizing the revenue bonds, and fix-
11 ing the details thereof, may provide that such trust in-
12 denture may contain such provisions for protecting and
13 enforcing the rights and remedies of bond holders as may
14 be reasonable and proper, not in violation of law, includ-
15 ing covenants setting forth the duties of the board, and
16 any committee appointed by the board under this article,
17 in relation to the construction or acquisition of the ath-

18 letic establishment and the improvement, operation, re-
19 pair, maintenance and insurance thereof, and the custody,
20 safeguarding and application of all moneys, and may pro-
21 vide that the athletic establishment shall be contracted
22 for, constructed and paid for under the supervision and
23 approval of the consulting engineers employed or desig-
24 nated by the board and satisfactory to the original bond
25 purchasers, their successors, assignees or nominees, who
26 may be given the right to require the security given by
27 contractors and by any depository of the proceeds of
28 bonds or revenues of the athletic establishment or other
29 moneys pertaining thereto shall be satisfactory to such
30 purchasers, their successors, assignees or nominees. Such
31 indenture may set forth the rights and remedies of the
32 bond holders and such trustee. Except as in this article
33 otherwise provided, the board may provide by resolution
34 or in such trust indenture for the payment of the pro-
35 ceeds of the sale of the bonds and revenues of the athletic
36 establishment to such officer, board or depository, as it
37 may determine, for the custody thereof, and for the
38 method of distribution thereof, with such safeguards and
39 restrictions as it may determine.

Sec. 16. *Sinking Fund; Purchase of Outstanding Bonds.*

2 —At or before the issuance of any such bonds, the board
3 shall, by resolution, provide for a sinking fund for the
4 payment of the bonds and the interest thereon, and the
5 payment of the charges of banks or trust companies for
6 making payment of such bonds, and interest, out of the
7 net revenues of said athletic establishment, and shall set
8 aside and pledge a sufficient amount of the net revenues
9 of the athletic establishment to be paid by the board into
10 such sinking fund at intervals to be determined by reso-
11 lution adopted prior to the issuance of the bonds, for (a)
12 the interest upon such bonds as the same becomes due;
13 (b) the necessary fiscal agency charges for paying bonds
14 and interest; (c) the payment of the bonds as they fall
15 due, or if all bonds mature at one time, the maintenance
16 of a proper sinking fund for the payment thereof at such
17 time; and (d) a margin for safety and for the payment
18 of premium upon bonds retired by call or purchase as

19 herein provided for, which margin, together with unused
20 surplus of such margin carried forward from the pre-
21 ceding year, shall equal ten per cent of all other amounts
22 so required to be paid into the sinking fund. Such re-
23 quired payments shall constitute a first charge upon all
24 the net revenues of the athletic establishment. Net reve-
25 nues as used herein shall mean the revenues of the ath-
26 letic establishment remaining after the payment of rea-
27 sonable expense of operation, repairs, maintenance, in-
28 surance and all other reasonable costs of maintaining and
29 operating the same required to be paid from the revenues
30 thereof. After the payment into the sinking fund as here-
31 in required, the board may at any time in its discretion
32 transfer all or any part of the balance of the net revenues,
33 after reserving an amount deemed by the board sufficient
34 for operation, repairs, maintenance and depreciation for
35 an ensuing period of not less than twelve months, into
36 the sinking fund or into a fund for extensions, improve-
37 ments and additions to such athletic establishment. All
38 amounts for sinking fund and interest, as and when set
39 apart for the payment of same, shall be remitted to the
40 state sinking fund commission at such periods as shall be
41 designated in the resolution, but in any event at least
42 thirty days previous to the time interest or principal pay-
43 ments become due, to be retained and paid out by said
44 commission, consistent with provisions of this article and
45 the order pursuant to which such bonds have been issued.
46 The state sinking fund commission is hereby authorized
47 to act as fiscal agent for the administration of such sinking
48 fund under any resolution adopted pursuant to the pro-
49 visions of this article and shall invest all sinking funds
50 as provided by general law.

Sec. 17. *Charges for Use of Athletic Establishment.*—

2 The board shall have the power and it shall be its duty,
3 by resolution to establish and maintain just and equitable
4 charges and rentals as the case may be, for the use of
5 such athletic establishment, and may readjust, amend and
6 modify such charges and rentals from time to time. Such
7 charges and rentals shall be in such amounts that the
8 total thereof shall be at least sufficient in each year for

9 the payment of the proper and reasonable expenses of
10 operation, repair, replacements and maintenance of the
11 athletic establishment, and for the payment of the sums
12 herein required to be paid into the sinking fund. A sched-
13 14 ule of the charges and rentals so established shall be kept
15 on file in the office of the board issuing such bonds and
16 also in the office of the committee having charge of the
17 operation of such athletic establishment, if there be such
committee.

Sec. 18. *Accounting System; Yearly Audit; Custodian
2 of Funds.*—Any board issuing revenue bonds under the
3 provisions of this article, shall install and maintain a
4 proper system of accounting showing the amount of
5 revenue received and the application of same and the
6 board shall, at least once a year, cause such accounts to
7 be properly audited by a competent auditor and the re-
8 port of such auditor shall be open for inspection at all
9 reasonable times to any taxpayer, citizen of the county
10 or any holder of bonds issued under the provisions of this
11 article, or anyone duly authorized acting for and on be-
12 half of such taxpayer, citizen or bond holder. The treas-
13 14 urer of such board or other official or institution specifi-
15 cally charged by such board with such duty, shall be
16 custodian of the funds derived from revenues from such
17 athletic establishment, and shall give proper bond for
18 the faithful discharge of his or its duties as such custodian
19 which bond shall be fixed and approved by the board.
20 All of the funds received as revenue from said athletic
21 establishment, and all funds received from the sale of
22 revenue bonds issued under this article, shall be kept
23 separate and apart from other funds of the board, and
24 separate accounts shall be maintained from the several
items required to be set up by section fifteen of this article.

Sec. 19. *Board to Pay Established Charges and Rentals
2 for Use of Establishment.*—The board shall be subject
3 to the same charges and rentals established as herein-
4 before provided, or to charges and rentals, established in
5 harmony therewith, for the use of such athletic establish-
6 ment, and shall pay such charges and rentals, when due,

7 from corporate funds, and the same shall be deemed to
8 be a part of the revenues of the athletic establishment as
9 herein defined, and may be applied as herein provided
10 for the application of such revenues.

Sec. 20. *Operation Under Supervision and Control of Board; Leasing.*—The board may, in its discretion, provide by resolution that the custody, administration, operation and maintenance of such athletic establishment shall be under the supervision and control of a committee as provided by section three hereof, and in such case, the board may provide by resolution for said committee to exercise such of the functions of the board in connection with said establishment as they consider proper, and may provide for said committee to receive such compensation as such board may deem proper, all of which authority and compensation shall be specifically provided for by resolution. All compensation and expenses of such committee shall be paid solely from funds provided under the authority of this article. Such committee shall have power to establish by-laws, rules and regulations for its own government.

18 The board also, in its discretion, may provide by resolution for the leasing of such athletic establishment or any part thereof and provide for the custody, operation and maintenance thereof by a lessee in accordance with the provisions of such resolution and lease contract executed pursuant thereto: *Provided, however,* That the lessee shall pay to the board for the use of such athletic establishment, or part thereof, an amount which when added to other revenues therefrom shall be sufficient to provide a sinking fund for the payment of the bonds and the interest thereon and all other charges mentioned in section sixteen hereof.

Sec. 21. *When Statutory Mortgage Lien Created; Enforcement by Bond Holders; Receivership.*—In the event bonds issued hereunder are not secured by a trust indenture as provided for in section fifteen of this article, there shall be, and there is hereby, created a statutory mortgage lien upon such athletic establishment acquired or constructed under the provisions of this article, which

8 shall exist in favor of the holder of said bonds, and each
9 of them, and to and in favor of the holder of the coupons
10 attached to said bonds, and such athletic establishment
11 shall remain subject to such statutory mortgage lien until
12 payment in full of the principal and interest of said bonds.
13 Any holder of bonds issued under the provisions of this
14 act, or of any coupons representing interest accrued there-
15 on, may, either at law or in equity, enforce the statutory
16 mortgage lien hereby conferred and may, by proper suit,
17 compel the performance of the duties of the board set
18 forth in this article.

Sec. 22. *Acquisition of Property on Which Lien Ex-*
2 *ists.*—No property shall be acquired under this article
3 upon which any lien or other encumbrance exists, unless

7 such lien or encumbrance in full.

Sec. 23. *Protection and Enforcement of Rights of*
2 *Bondholders; Receivership, Including Lessee.*—Any hold-
3 er of any such bonds or any of the coupons attached
4 thereto, and the trustee, if any, except to the extent that
5 the rights herein given may be restricted by the resolu-
6 tion authorizing issuance of the bonds or by the trust
7 indenture, may either at law or in equity, by suit, action,
8 mandamus, or other proper proceeding protect and en-
9 force any and all rights granted hereunder or under such
10 resolution or trust indenture and may enforce and com-
11 pel performance of all duties required by this article, or
12 by such resolution or trust indenture to be performed by
13 the board or the committee, including the making and
14 collecting of reasonable and sufficient charges and rentals
15 for the use of such athletic establishment. If there be
16 default in the payment of the principal or interest of
17 any of the bonds on the date therein named for such pay-
18 ment, which default continues for a period of sixty days,
19 any court having jurisdiction may appoint a receiver to
20 administer the athletic establishment on behalf of the
21 board, the bond holders and trustee, if any, subject to
22 the restrictions in the resolution or trust indenture, if any,

23 with power to charge and collect charges and rentals
24 sufficient to provide for the payment of the expenses of

26 bonds and interest outstanding and to apply the revenues
27 in conformity with this article and said resolution and
28 trust indenture, if any; and the power herein provided
29 for the appointment of a receiver shall apply to cases
30 where such athletic establishment is operated by a lessee
31 of the board as well as to cases where operated by the
32 board. In case a receiver is appointed for an athletic
33 establishment operated by a lessee, the lease agreement
34 then existing between the board and the lessee shall be
35 automatically terminated and all property, equipment, ac-
36 counts receivable and assets of every kind used in con-

41 then in the hands of the receiver shall pass again to the
42 board.

2 *Sec. 24. Article Confers Additional Powers.*—The au-

4 derogation of any power existing in any board under any
5 constitutional, statutory or other provisions of the law
6 which it now may have or may hereafter acquire.

2 *Sec. 25. Construction of Powers Conferred.*—This ar-
3 ticle shall, without reference to any other statute, be
4 deemed full authority for the construction, acquisition,

6 repair of the athletic establishment herein provided for,
7 and for the issuance and sale of bonds by this article
8 authorized, and shall be construed as an additional alter-

9 be held to such service for a period longer than that of
10 the remaining time to be served by such officer or en-
11 listed man under the term of his commission or enlist-
12 ment. When the national guard of this state, or any part
13 thereof, is called for under the constitution and laws of
14 the United States, the governor shall order out for serv-

15 ice the national guard or such part thereof as may be
16 necessary. During the absence of organizations of the
17 national guard in the service of the United States, their
18 state designation shall not be given to new organizations,
19 and all organizations and officers on return from such
20 service shall be given their former standing and rank,
21 providing it can be feasibly done.

Sec. 4. *Federal Laws and Regulations.*—The duty of
2 maintaining and governing the national guard not in
3 the service of the United States rests upon the state,
4 subject to the constitutional authority of Congress. The
5 purpose of the force is national defense. Its efficiency as
6 an agent for national defense necessarily depends upon
7 systematic uniformity in the organization, composition,
8 arms, equipment, training and discipline of its component
9 parts. The attainment of such uniformity and efficiency
10 requires on the part of each state a rigid adherence to
11 federal laws and regulations relating to the national
12 guard. Therefore, the governor shall cause the national
13 guard of this state always to conform to all such federal
14 laws and regulations as are now or may hereafter from
15 time to time become operative and applicable, notwith-
16 standing anything in the laws of this state to the con-
17 trary.

Sec. 5. *How National Guard Constituted and Organ-
2 ized.*—The national guard of West Virginia shall be or-
3 ganized and equipped in accordance with the provisions
4 of the national military establishment regulations gov-
5 erning same. The governor shall at all times have the
6 power to create new organizations whenever, in his judg-
7 ment, the efficiency of the state force will thereby be
8 increased, except insofar as such action would be con-
9 trary to the provisions of the regulations of the national
10 military establishment governing the national guard; and
11 he is hereby directed to organize a unit or units and equip
12 same, composed of negro troops which unit or units shall
13 be organized and equipped in accordance with the pro-
14 visions of the U. S. Army regulations governing same, and
15 he shall at any time have power to change the organiza-
16 tion of departments, organizations and units so as to con-

17 form to any organization, system of drill, or instruction
18 now or hereafter adopted for the Army of the United
19 States, and for that purpose the number of officers of the
20 organizations and units may be increased or diminished
21 and their rank increased or reduced to the extent made
22 necessary by such change. The officers of the foregoing
23 departments shall be of like rank as officers of similar
24 departments of the national military establishment of
25 the United States and shall perform like duties. The
26 number of such officers shall be determined by the gov-
27 ernor, but this number shall be limited to the actual
28 requirements of the different departments and the gov-
29 ernor may designate one officer as chief of a number of
30 different departments, unless such action would be con-
31 trary to the regulations provided by the national mili-
32 tary establishment for the government of the national
33 guard. The governor shall have the power, in case of
34 war, insurrection, invasion or imminent danger thereof,
35 to increase the force beyond the maximum now estab-
36 lished by law and to organize the same with the proper
37 officers as the exigencies of the service may require. In
38 the event of the formation of any such new organiza-
39 tions, officers holding commissions in the national guard
40 as organized at such time shall be eligible for commis-
41 sion in such new organizations and units with like or
42 higher grade and rank, if found capable. after examina-
43 tion by an authorized board, and shall be given prefer-
44 ence over the one not holding commission at the time.

2 Sec. 6. *Composition of Units.*—The number and grades
3 of officers and enlisted men of the state staff shall be as
4 prescribed by federal law and regulations thereunder
5 issued by direction of the secretary of defense. In case
6 of emergency, line officers of the national guard, active
7 or reserve, may be temporarily detailed by the governor
8 for staff duty.

9 All officers of the staff and subordinate units shall be
10 appointed by the governor from officers or ex-officers
11 who have had previous military experience of not less
12 than two years, or as provided in section eight, and shall
hold their respective grades until they reach the retire-

13 ment age as established and prescribed by currently con-
14 trolling federal regulations, unless they resign or are
15 discharged for disability, or by reason of the findings of
16 a court-martial legally convened for the trial of such
17 officers, and vacancies shall be filled by appointment of
18 persons fulfilling the above requirements of this section.

Sec. 7. *Governor's Staff; Adjutant General.*—The
2 staff of the governor shall consist of one adjutant general
3 with rank of brigadier general, an assistant adjutant gen-
4 eral with rank not above that of colonel, and, in addition
5 thereto, such other officers as may be currently prescribed
6 by existing tables of organization as established by federal
7 authority. The governor may also appoint and commis-
8 sion an honorary staff to serve during his term of office, of
9 such number as he may deem advisable, with such rank
10 as he may fix, which honorary staff will not be held to
11 be a part of the regularly organized militia.

12 The adjutant general shall be appointed and commis-
13 sioned by the governor, but no person shall be appointed
14 adjutant general unless such person has had at least six
15 years' service in the national guard of this or some other
16 state, or in the armed forces of the United States, or in all
17 combined.

18 In time of peace he shall perform the duties of chief of
19 the pay, quartermaster and ordnance departments unless
20 otherwise ordered by the governor, and shall give bond
21 in such sum as the governor may require, such bond to
22 be provided in like manner as the bonds of other officers.
23 He shall receive a compensation of six thousand dollars
24 per annum, which shall be paid to him in equal monthly
25 installments, and his term of office shall be for four years.
26 He shall attest, record, and seal with the seal of the state
27 all commissions issued by the governor, and keep a regis-
28 ter of all commissioned officers, with dates of commission,
29 and all changes occurring in the commissioned force, and
30 shall keep a full and complete record at all times of the
31 organized militia of the state. He shall, as soon as possible
32 after the first day of July in even years, make a biennial
33 report to the governor of the transactions and the expendi-
34 tures of his department and the condition of the national

35 guard. Such report shall show all receipts into the mili-
36 tary or militia fund of the state from every source, includ-
37 ing fines, appropriations from the state, and all money
38 received from the federal government and from every
39 other source. All such funds and moneys shall be paid
40 into the state treasury as soon as received, and shall be
41 credited to the military fund. Such report shall also
42 show in detail all expenditures made from each fund, and
43 the purpose of the expenditures, and shall state such
44 other details as the governor may order; and the report
45 shall be communicated by the governor to the next session
46 of the Legislature. He shall also make such other reports
47 and returns as may be required by the governor from time
48 to time. He shall cause to be procured, prepared and issued
49 to the different organizations of the national guard all
50 necessary books and blanks for reports, records, returns
51 and general administration, and shall, at the expense of the
52 state, cause the military laws, military code, and rules and
53 regulations in force to be printed, bound in proper form,
54 and distributed, one copy to each commissioned officer, and
55 one each to all the circuit, intermediate and criminal court
56 judges, sheriffs, assessors, and justices of the peace in the
57 state requiring them; and shall procure and supply all
58 necessary text books of drill and instruction. He shall keep
59 in his office an accurate account of all state and United
60 States property issued to the state. He shall keep on file in
61 his office all official bonds, except the bond of the adjutant
62 general, which shall be filed with the auditor of the
63 state; the reports and returns of troops and heads of mili-
64 tary departments; and all other writings and papers which
65 are required to be transmitted to and preserved at the
66 general headquarters of the state militia. He shall em-
67 ploy such clerical force and assistants as may be required
68 in the military department, in addition to the assistant
69 adjutant general herein authorized, which assistant ad-
70 jutant general shall receive a compensation of four thou-
71 sand eight hundred dollars per annum, payable in equal
72 monthly installments. He shall keep records of all service
73 personnel from the state of West Virginia, commissioned
74 or enlisted, in any of the wars of the United States, and of
75 individual claims of citizens of West Virginia for service

76 rendered in such wars. He shall assist all persons residing
77 in this state having claims against the United States for
78 pension, bounty or back pay, or such claims as have arisen
79 out of, or by reason of, service in any of said wars. To this
80 end he shall cooperate with the agents or attorneys of such
81 claimants, furnish to claimants only all necessary certifi-
82 cates or certified abstracts from, or copies of, records or
83 documents in his office, and shall in all practicable ways
84 seek to secure speedy and just action in all claims now
85 pending or which may hereafter be filed: *Provided*, That
86 any and all of the above services shall be rendered with-
87 out charge to the claimant. He shall establish and main-
88 tain as a part of his office a bureau of records of the ser-
89 vices of the West Virginia troops during such wars, and
90 shall keep arranged in proper and convenient form all
91 records and papers pertaining thereto.

Sec. 8. *Promotion of Officers.*—Appointment and pro-
2 motion of officers shall be made in conformity with cur-
3 rently existing rules and regulations of the federal mili-
4 tary establishment governing eligibility and procedure,
5 but nothing herein shall be construed to limit the power
6 of the governor to appoint, commission, and promote an
7 officer in the national guard for state service only.

Sec. 9. *Oath of Commissioned Officers.*—Every officer
2 duly commissioned shall, within ten days after his com-
3 mission is tendered to him, or within ten days after he
4 shall be personally notified that the same is held in read-
5 iness for him by any superior officer, take and subscribe
6 to the constitutional oath of office. In case of neglect
7 or refusal to take and subscribe to such oath within the
8 time mentioned, he shall be deemed to have resigned
9 such office. Such oath shall be taken and subscribed be-
10 fore any officer authorized to take acknowledgments of
11 deeds in this state, or some officer who has taken it him-
12 self and who is hereby authorized to administer the same.
13 All military officers attesting oaths required by the pro-
14 visions of this article shall do so without fee.

Sec. 10. *Surplus Officers.*—Commissioned officers who
2 shall be rendered surplus by reduction, consolidation, or

3 disbandment of organizations, or in any manner provided
4 by law, may be transferred to the inactive national guard
5 in conformity with currently existing rules and regula-
6 tions prescribed by federal authority, or may be dis-
7 charged.

Sec. 11. *Resignation of Officers; Removal.*—No resig-
2 nation shall be accepted unless the officer tendering the
3 same shall furnish to the adjutant general a certificate
4 from each property accounting officer that he has deliv-
5 ered all books and other property of the state in his pos-
6 session to the officer authorized to receive the same, and
7 that his accounts for money or public property are cor-
8 rect, and that he is not indebted to the state or federal
9 military authorities. No commissioned officer shall be
10 removed from office, unless by the senate on recommen-
11 dation of the governor, stating the grounds on which such
12 removal is recommended, or by the decision of a court-
13 martial, or an examining board, or pursuant to law.

Sec. 12. *Reserve List; Dismissal of Officers.*—Any com-
2 missioned officer who shall have served for a continuous
3 period of ten years may, upon his own request, be placed
4 upon the reserve list and withdrawn from active service
5 and command by order of the governor, and the vacancy
6 thereby created shall be filled in the same manner as
7 other vacancies. Any commissioned officer who has be-
8 come or shall become disabled, and thereby incapable of
9 performing the duties of his office, shall be withdrawn
10 from service and command and placed on the reserve
11 list, and any commissioned officer who has, or shall
12 hereafter become unfit or incompetent, and thereby in-
13 capable of performing the duties of his office, shall be
14 dismissed. Such transfer or dismissal shall be by order
15 of the governor, and, before making such order, the gov-
16 ernor shall appoint a board of not less than three nor
17 more than five commissioned officers, one of whom shall
18 be a medical officer, whose duty it shall be to determine
19 the facts as to the nature and cause of incapacity of such
20 officer as appears disabled, unfit or incompetent from
21 any cause to perform military service, and whose case

22 shall be referred to it by the governor. No officer whose
23 rank or promotion would be affected by the decision of
24 such board, in any case that may come before it, shall
25 participate in the examination or decision of the board
26 in such case. Such board is hereby invested with the
27 powers of courts of inquiry and courts-martial, and, when-
28 ever it finds an officer incapacitated for active service,
29 shall report such facts to the governor, stating the cause
30 of incapacity, whether from disability, unfitness or in-
31 competency, and if he approves such findings, such officer
32 shall be placed on the reserve list or dismissed as pro-
33 vided in this section. The members of the board shall,
34 before entering upon the discharge of their duties, be
35 sworn to an honest and impartial performance of their
36 duties as members of such board. No officer shall be
37 placed upon the reserve list or dismissed by the action
38 of such board without having had a fair and full hearing
39 before the board, if upon due notice he shall demand it.
40 It shall not be necessary to refer any case arising under
41 this section for the action of such board, unless the offi-
42 cers designated by the governor to be placed on the re-
43 serve list or dismissed shall, within twenty days after
44 being notified that they will be so transferred or dismissed,
45 serve on the adjutant general notice in writing that they
46 demand a hearing and examination before such board.

Sec. 13. *Noncommissioned Officers; Appointment.*—All
2 noncommissioned officers of the staff, corps, departments
3 and other organizations of the national guard shall be
4 appointed by the appointing authority prescribed by fed-
5 eral law and regulations which are now or may hereafter
6 from time to time become operative and applicable.

Sec. 14. *Reduction of Noncommissioned Officers.*—The
2 officer warranting noncommissioned officers shall have
3 power to reduce, or reduce to the ranks, on the applica-
4 tion of the immediate commanding officer of the organ-
5 ization to which he belongs, for good and sufficient rea-
6 sons, the noncommissioned officers of his command: *Pro-*
7 *vided, however,* That in active service for the state, in
8 cases requiring immediate example, a noncommissioned

9 officer may be reduced to the ranks by his immediate
10 commander, subject to appeal to, and review and ap-
11 proval by, the officer warranting him.

Sec. 15. *Enlistments.*—Able-bodied men of good char-
2 acter who conform in all respects to the qualifications pre-
3 scribed by federal law and regulations now in force, or
4 that may hereafter become operative and applicable, gov-
5 erning enlistment in the national guard, may be enlisted
6 in the national guard of West Virginia under the same
7 conditions and the same enlistment period as are now,
8 or may hereafter be, prescribed by federal law for the
9 national guard of the United States. Every enlisted man,
10 if in active service, may continue to be held for duty for
11 a period not exceeding three months after the expiration
12 of his term of enlistment or reenlistment, and shall re-
13 tain rank and be eligible to promotion until he is actual-
14 ly discharged. When an organization is consolidated or
15 disbanded, its enlisted men discharged by reason there-
16 of who shall hereafter reenter the service shall have al-
17 lowed to them as part of their term of service the time
18 already served. An enlisted man may be transferred from
19 one organization to another upon such regulations as the
20 governor may prescribe.

Sec. 16. *Enlistment Papers.*—Every person recruited for
2 the national guard shall sign an enlistment paper, which
3 shall be forwarded to the adjutant general, of such form
4 as may be prescribed, which shall contain an oath of al-
5 legiance to the state and the United States. Such oath
6 of allegiance may be taken before any commissioned of-
7 ficer of the national guard, who is hereby authorized to
8 administer the same, or before any civil officer duly au-
9 thorized to administer oaths.

Sec. 17. *Discharge of Enlisted Men.*—Whenever any en-
2 listed man of the national guard shall have performed
3 service therein for the term of his enlistment or reenlist-
4 ment, and has turned in to the proper officer all state or
5 military property for which he is responsible, his com-
6 manding officer shall grant him a full and honorable dis-
7 charge, except in time of insurrection or invasion. Dis-

8 charge for physical disability shall be granted pursuant
9 to applicable rules and regulations. The governor may
10 authorize for sufficient reason, and in his discretion, the
11 discharge of enlisted men, with or without their consent,
12 at any time, upon the recommendation of the command-
13 ing officer of the unit, organization or squadron to which
14 they belong. An enlisted man who cannot, after due dili-
15 gence, be found, or who shall remove his residence from
16 the state, or to such a distance from the armory of his
17 organization, as to render it impracticable for him to
18 perform properly military duties, or who shall be con-
19 victed of a felony, may be discharged by order of the
20 governor.

21 Enlisted men may be honorably discharged, discharged,
22 or discharged dishonorably; but in no case may an en-
23 listed man be dishonorably discharged unless by sentence
24 of a general court-martial, except as hereinafter provided.
25 No enlisted man shall be honorably discharged from serv-
26 ice unless he produces the certificate of his immediate
27 commanding officer that he has turned over or satisfac-
28 torily accounted for all property issued to him.

Sec. 18. *Dishonorable Discharge.*—A dishonorable dis-
2 charge from service in the national guard shall operate
3 as a complete expulsion from the guard, a forfeiture of all
4 exemptions and privileges acquired through membership
5 therein, and disqualification for any military office under
6 the state. The names of all persons dishonorably dis-
7 charged shall be published in orders by the adjutant gen-
8 eral at the time of such discharge, and in two newspapers
9 of opposite politics and general circulation, if such there
10 be in the locality in which such dishonorably discharged
11 person resides, and a complete list of all such dishonor-
12 ably discharged persons shall be kept posted in all the
13 armories in the state. No persons so discharged shall be
14 admitted to any armory or other meeting place of the
15 national guard or to the immediate vicinity of any en-

17 officers are hereby required to enforce these prohibitions.

Sec. 19. *Unlawful Military Organizations; Penalty.*—It

2 shall be unlawful for any body of men whatever, other
3 than the regularly organized national guard or the troops
4 of the United States, to associate themselves together as
5 a military company or organization in this state: *Pro-*

7 or private schools of the state to organize themselves
8 into companies of cadets, and may furnish such cadets,
9 under proper restrictions, such obsolete ordnance stores
10 and equipment owned by the state as are not in use by
11 the national guard. Whosoever offends against the provi-
12 sions of this section, or belongs to or parades with any
13 such unauthorized body of men with arms, shall be pun-

15 or imprisoned for a term not exceeding six months.

11 and after July one, one thousand nine hundred fifty-one,
12 the annual sum of one hundred dollars shall be allowed.

16 prescribe.

Sec. 21. *Military Property.*—All officers shall be respon-
2 sible for the safe keeping and return of all military prop-
3 erty committed to their charge, but no such property shall
4 be issued until suitable bond shall be given by such offi-
5 cers, in an amount and with security approved by the
6 governor, for the safe keeping and return of the same.
7 Whenever property is ordered transferred by the gov-
8 ernor from one unit to another, the officer turning the
9 property over shall be held responsible for the same until
10 he has received a receipt from the officer to whom the

11 transfer is ordered to be made. In case of state property
12 worn out and become worthless in the service of the state,
13 an inspector shall have power to condemn the same and
14 authorize the officer responsible to drop it from his re-
15 turns, but no inspecting officer shall exercise this power
16 except when inspecting such property under authority of
17 the governor. Any officer who shall neglect or refuse to
18 properly account for any military property he shall have
19 received shall be guilty of a misdemeanor, and, upon con-
20 viction thereof, shall be punished as provided in section
21 eighty-four.

Sec. 22. *Offenses Concerning Property; Penalty.*—Who-
2 ever shall secrete, sell or dispose of, or offer for sale,
3 or purchase, knowing the same to be such, retain after
4 proper demand is made, or in any manner pawn or pledge,
5 any military property, which shall have been issued
6 under the provisions of this article, shall be guilty of a
7 misdemeanor, and, in addition to the punishment pro-
8 vided for misdemeanors in this article, shall forfeit to
9 the state twice the cost of the property so secreted, sold,
10 disposed of, offered for sale, or purchased, retained after
11 proper demand has been made, pawned or pledged.

Sec. 23. *Unlawful Wearing of Uniforms; Penalty.*—Any
2 person who shall wear any uniform or any device, strap,

6 the national guard, or similar thereto, except members
7 of the army or navy of the United States or the national
8 guard of this or any other state, members of associations
9 wholly composed of soldiers honorably discharged from
10 the service of the United States, or the members of the

2 cept as provided in section forty-six, shall cause the na-
3 tional guard to perform at least five consecutive days of
4 camp or maneuver duty in each calendar year, exclusive
5 of the time consumed by troops in going to and returning
6 from camp, and shall designate the time and place there-
7 for. The commanding officer of an encampment may fix
8 certain bounds within the limits of the camp ground, not
9 including any public road, within which no spectator shall
10 enter without leave, and whoever does enter within such
11 boundary, either with or without permission, may be
12 expelled therefrom by the commanding officer, or by
13 his order, and whoever intrudes within such limits when
14 forbidden to do so, or, after entering by permission, con-
15 ducts himself in a disorderly manner, or whoever resists
16 a sentry or guard acting under orders to prevent such
17 entry, or to prevent disorderly conduct, or to expel any
18 person or persons ordered to leave such boundary, may
19 be arrested by the commanding officer, or by his order,

5 who is absent from any drill, parade or other prescribed
6 duty without having been properly excused, may cause
7 such officer or enlisted man to be taken into custody and
8 forthwith conveyed to the organization rendezvous to be
9 there kept until such duty is completed or until relieved
10 by the organization commander; and said organization
11 commander is hereby authorized to direct any or all
12 members of his command at his discretion to apprehend
13 such officer or enlisted man and convey him to the organ-
14 ization rendezvous.

15 Enlisted men who shall, without proper excuse, be ab-

4 intent to commit a felony or to offer violence to persons
5 or property, or by force and violence to break and resist
6 the laws of this state or the United States, or in case of
7 the imminent danger of the occurrence of any of said
8 events, or in event of public disaster, the governor shall
9 have power to order the West Virginia national guard, or
10 any part thereof, into the active service of the state, and
11 to cause them to perform such duty as he shall deem
12 proper.

Sec. 30. *Calling on Governor or Commander for Aid;*

2 *Summons.*—In case of any breach of the peace, tumult,
 3 riot, unlawful assemblage, or resistance of law, or immin-

That sections three and seventeen, article one, chapter thirty-seven of the code of West Virginia, one thousand nine hundred thirty-one, be amended and reenacted; and article one, chapter thirty-seven of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended by the addition of section eleven-a thereto, all to read as follows:

Sec. 11-a. *Suits Under Article, Hearing and Disposing*
2 *Thereof.*—In any suit or proceeding under this article the
3 court shall have jurisdiction to hear, decide and dispose
4 of any matter which involves the property or welfare of
5 any person under legal disability who may be a party to
6 a suit or proceeding, which matter, but for this section,
7 would otherwise be the subject of a separate suit, or suits,
8 under section thirteen, article ten, chapter forty-four of
9 this code. Rules of equity governing service of process
10 generally shall apply to all proceedings under this article,

11 and section seven of this article shall not require the in-
12 vestment of funds of any person under disability in those
13 cases where such funds, as a result of the court's action,
14 may not be available for such purpose.

Sec. 17. *Validation of Previous Sales.*—No sale of the
2 real estate of an infant, convict, or insane person, here-

15 or defect in the proceeding or deed, not affecting the very

26 legalized and made valid. Sales, leases, mortgages, or
27 deeds of trust heretofore made pursuant to judgments,
28 orders or decrees in suits or proceedings under this article

33 thirteen, of article ten, of chapter forty-four of this code,

Be it enacted by the Legislature of West Virginia:

That section one, article seven, chapter seventeen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

Section 1. *Certificates of Title; Application; Tax and Fee.*—Certificates of registration of any vehicle or registration plates therefor, whether original issues or duplicates, shall not be issued or furnished by the department of motor vehicles or any other officer charged with such duty, unless the applicant therefor already has received, or shall at the same time make application for and be granted, an official certificate of title of such motor vehicle. Such application shall be upon a blank form to be furnished by the department of motor vehicles and shall contain a full description of the motor vehicle, which description shall contain the manufacturer's number, the motor number and any distinguishing marks, together with a statement of the applicant's title and of any liens or encumbrances upon such motor vehicles, the names

16 and addresses of the holders of such liens and such other
17 information as the department of motor vehicles may
18 require. The application shall be signed and sworn to by
19 the applicant. A tax is hereby imposed upon the privilege
20 of effecting the certification of title of each motor vehicle
21 in the amount equal to two per cent of the value of said
22 motor vehicle at the time of such certification. If the motor
23 vehicle is new, the actual purchase price or consideration
24 to the purchaser thereof shall be the value of said vehicle;
25 if the motor vehicle is a used or second-hand vehicle, the
26 present market value at time of transfer or purchase shall
27 be deemed the value thereof for the purpose of this section:
28 *Provided*, That so much of the purchase price or consid-
29 eration as is represented by the exchange of other motor
30 vehicles on which the tax herein imposed has been paid by
31 the vendor shall be deducted from the total actual price or
32 consideration paid for said motor vehicle, whether the
33 same be new or second-hand; if the motor vehicle be ac-
34 quired through gift, or by any manner whatsoever, unless
35 specifically exempted in this section, the present market
36 value of motor vehicle at the time of the gift or transfer
37 shall be deemed the value thereof for purposes of this sec-
38 tion. No certificate of title for any motor vehicle shall be
39 issued to any applicant unless such applicant shall have
40 paid to the department of motor vehicles the tax imposed
41 by this section which shall be two per cent of the true and
42 actual value of the said motor vehicle whether the vehicle
43 be acquired through purchase, by gift, or by any other
44 manner whatsoever except gifts between husband and
45 wife or between parents and children; but the tax imposed
46 by this act shall not apply to motor vehicles to be register-
47 ed under sections seventeen and eighteen, article six of this
48 chapter, which are used or to be used in interstate com-
49 merce, nor shall the tax imposed by this act apply to titling
50 of motor vehicles by a registered dealer of this state for re-
51 sale only. The total amount of revenue collected by reason
52 of this tax shall be paid into the state road fund and ex-
53 pended by the state road commissioner in the maintenance
54 and construction of the state's secondary roads. In addi-
55 tion to said tax, there shall be a charge of one dollar for
56 each original certificate of title so issued.

57 The commissioner of motor vehicles, or other officer
58 charged with such duty by the department of motor ve-
59 hicles, if satisfied that the applicant is the owner of such
60 motor vehicle, or otherwise entitled to have the same
61 registered in his name, shall thereupon issue to the ap-
62 plicant an appropriate certificate of title over the sig-
63 nature of the official designated by the commissioner of
64 motor vehicles, authenticated by a seal to be procured and
65 used for such purpose. Such certificates shall be num-
66 bered consecutively, beginning with number one, and
67 shall contain such description and other evidence of iden-
68 tification of such motor vehicle as the commissioner of
69 motor vehicles, may deem proper.

70 Such certificate shall be good for the life of the car, so
71 long as the same is owned or held by the original holder
72 of such certificate, and need not be renewed annually, or
73 at any other time, except as herein provided.

74 If, by will or direct inheritance, a person becomes the
75 owner of a motor vehicle upon which the tax herein im-
76 posed has been paid, he shall not be required to pay such
77 tax.

78 A person who has paid the tax imposed by this section
79 shall not be required to pay the tax a second time for the
80 same motor vehicle, but he shall be required to pay a
81 charge of one dollar for the certificate of re-title of that
82 motor vehicle.

That section twenty-two, article seventeen, chapter seven-

teen of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

Section 22. *Tolls to Be Charged; Intrastate and Interstate Bridges; Purchase of Existing Bridges; Disposition of Tolls.*—Tolls shall be fixed, charged and collected for transit over such bridges and shall be so fixed and adjusted, in respect of the aggregate of tolls from the bridge or bridges for which a single issue of bonds is issued, as to provide a fund sufficient to pay the principal and interest of such issue of bonds and to provide an additional fund to pay the cost of maintaining, repairing and operating such bridge or bridges, subject, however, to any applicable law or regulation of the United States of America now in force or hereafter to be enacted or made. Two or more bridges may be included in one issue of bonds, and intrastate and interstate bridges may be grouped in the same issue: *Provided*, That no existing bridge or bridges shall be acquired by purchase, eminent domain, or otherwise, unless the state road commissioner shall have determined that the income therefrom, based upon the toll receipts for the next preceding fiscal or calendar year, will be sufficient to pay all expenses of operating and maintaining such bridge, in addition to the interest and sinking fund requirements of the bonds to be issued to pay the purchase price thereof. The tolls from the bridge or bridges for which a single issue of bonds is issued, except such part thereof as may be necessary to pay such cost of maintaining, repairing and operating during any period in which such cost is not otherwise provided for (during which period the tolls may be reduced accordingly), shall be transmitted each month to the state sinking fund commission and by it placed in a special fund which is hereby pledged to and charged with the payment of the principal of such bonds and the interest thereon, and to the redemption or repurchase of such bonds, such special fund to be a fund for all such bonds without distinction or priority of one over another. 45 highway, are hereby adopted as a part of the state road
46 system, but no such bridge or bridges shall be constructed
47 without the approval in writing of the state road commis-
48 sioner and the governor. If there be in the funds of the
49 state sinking fund commission an amount insufficient to
50 pay the interest and sinking fund on any bonds issued for
51 the purpose of constructing such bridge or bridges, the
52 state road commission is authorized and directed to allo-
53 cate to said commission, from the state road fund, an
54 amount sufficient to pay the interest on said bonds and/or
55 the principal thereof, as either may become due and pay-

6 terms and provisions of this act, for the purpose of ex-
7 tending the benefits of the federal old-age and survivors
8 insurance system to employees of the state or any po-
9 litical subdivision thereof, or of any instrumentality
10 of any one or more of the foregoing, with respect to
11 services specified in such agreement, which constitute
12 "employment" as defined in section two of this act.
13 Such agreement may contain such provisions relat-
14 ing to coverage, benefits, contributions, effective date,
15 modification and termination of the agreement, admin-
16 istration, and other appropriate provisions as the state
17 agency and federal agency shall agree upon, but, except
18 as may be otherwise required by or under applicable
19 federal law as to the services to be covered, such agree-
20 ment shall provide in effect that:

21 (1) Benefits will be provided for employees whose
22 services are covered by the agreement, and their depend-

23 ents and survivors, on the same basis as though such serv-
24 ices constituted employment within the meaning of title
25 II of the social security act.

26 (2) The state will pay to the federal agency, at such
27 time or times as may be prescribed by the applicable fed-
28 eral law or by regulation of the federal agency, contribu-
29 tions with respect to wages, as defined in section two of
30 this act, equal to the sum of the taxes which would be
31 imposed by sections one thousand four hundred and one
32 thousand four hundred ten of the federal insurance con-
33 tributions act if the services covered by the agreement
34 constituted employment within the meaning of that act.

35 (3) Such agreement shall be effective with respect to
36 services performed after a date specified therein but
37 shall in no event cover (a), in the case of state employees,
38 any service performed prior to the beginning of the first
39 calendar month after the date on which such agreement
40 is entered into, or (b), in the case of employees of a po-
41 litical subdivision or of an instrumentality of either the
42 state or a political subdivision, any service performed
43 prior to the beginning of the first calendar month after
44 the approval of the plan submitted under section five.

45 (4) All services which constitute employment as de-
46 fined in section two and are performed in the employ of
47 the state by employees of the state, shall be covered by
48 the agreement.

49 (5) All services which (a) constitute employment as
50 defined in section two, (b) are performed in the employ
51 of a political subdivision or in the employ of an instru-
52 mentality of either the state or a political subdivision,
53 and (c) are covered by a plan which is in conformity with
54 the terms of the agreement and has been approved by
55 the state agency under section five, shall be covered by
56 the agreement.

57 (b) The state agency is hereby authorized to enter on
58 behalf of the state into an agreement, consistent to the
59 extent practicable with the terms and provisions of this
60 act, with the appropriate agency or agencies of any other
61 state or states and with the federal agency, whereby the
62 benefits of the federal old-age and survivors insurance
63 system shall be extended to employees of any instru-

64 mentality jointly created by this state and such other
65 state or states.

Sec. 4. *Contributions by State Employees.*—(a) Every
2 employee of the state whose services are covered by an
3 agreement entered into under section three shall be re-
4 quired to pay for the period of such coverage, into the
5 contribution fund established by section six, contribu-
6 tions, with respect to wages, as defined in section two of
7 this act, equal to the amount of tax which would be im-
8 posed by section one thousand four hundred of the fed-
9 eral insurance contributions act if such services consti-
10 tuted employment within the meaning of that act. Such
11 liability shall arise in consideration of the employee's re-
12 tention in the service, or his entry upon such service, after
13 the enactment of this act.

14 (b) The contribution imposed by this section shall be
15 collected by the state by deducting the amount of the
16 contribution from wages as and when paid, but failure
17 to make such deduction shall not relieve the employee
18 from liability for such contribution.

19 (c) If more or less than the correct amount of the con-
20 tribution imposed by this section is paid or deducted with
21 respect to any remuneration, proper adjustments, or re-
22 fund if adjustment is impracticable, shall be made, with-
23 out interest, in such manner and at such times as the state
24 agency shall prescribe.

Sec. 5. *Plans for Coverage of Employees of Political*
2 *Subdivisions and of State and Local Instrumentalities.*—

3 (a) Each political subdivision of the state and each in-
4 strumentality of the state or of a political subdivision is
5 hereby authorized to submit for approval by the state
6 agency a plan for extending the benefits of title II of
7 the social security act, in conformity with applicable
8 federal law, to employees of any such political sub-
9 division or instrumentality. If not precluded by applic-
10 able federal law and under such conditions as the state
11 agency may by regulation prescribe, two or more such
12 political subdivisions or instrumentalities may, for the
13 purposes of this act, form a joint coverage unit and as
14 such submit for approval a joint plan if otherwise, because

15 of the requirements of the agreement entered into pur-
16 suant to section three or because of the requirements
17 imposed by or under applicable federal law, any sub-
18 division or instrumentality included in such unit would
19 be unable to submit an approvable plan. Each such plan
20 or any amendment thereof shall be approved by the
21 state agency if it finds that such plan, or such plan as
22 amended, is in conformity with such requirements as are
23 provided in regulations of the state agency, except that
24 no such plan shall be approved unless:

25 (1) It is in conformity with the requirements of the
26 applicable federal law and with the agreement entered
27 into under section three.

28 (2) It provides that all services which constitute em-
29 ployment as defined in section two and are performed in
30 the employ of the political subdivision or instrumentality,
31 or in the employ of any member of a joint coverage unit
32 submitting the plan, by any employees thereof, shall be
33 covered by the plan.

34 (3) It specifies the source or sources from which the
35 funds necessary to make the payments required by para-
36 graph (1) of subsection (c) and by subsection (d) are
37 expected to be derived and contains reasonable assur-
38 ance that such sources will be adequate for such pur-
39 pose.

40 (4) It provides for such methods of administration of
41 the plan by the political subdivision or instrumentality
42 or members of the joint coverage unit as are found by
43 the state agency to be necessary for the proper and
44 efficient administration of the plan.

45 (5) It provides that the political subdivision or instru-
46 mentality or members of the joint coverage unit will
47 make such reports, in such form and containing such
48 information, as the state agency may from time to time
49 require, and comply with such provisions as the state
50 agency or the federal agency may from time to time
51 find necessary to assure the correctness and verification
52 of such reports.

53 (6) It authorizes the state agency to terminate the plan
54 in its entirety or, in the discretion of the state agency, as
55 to any member of a joint coverage unit, if it finds that

56 there has been a failure to comply substantially with any
57 provisions contained in such plan, such termination to
58 take effect at the expiration of such notice and on such
59 conditions as may be provided by regulations of the
60 state agency and be consistent with applicable federal
61 law.

62 (b) The state agency shall not finally refuse to approve
63 a plan submitted under subsection (a), and shall not
64 terminate an approved plan, without reasonable notice
65 and opportunity for hearing to each political subdivision
66 or instrumentality affected thereby.

67 (c) (1) Each political subdivision or instrumentality
68 as to which a plan has been approved under this section
69 shall pay into the contribution fund, with respect to
70 wages, as defined in section two of this act, at such time
71 or times as the state agency may by regulation prescribe,
72 contributions in the amounts and at the rates specified
73 in the applicable agreement entered into by the state
74 agency under section three.

75 (2) Every political subdivision or instrumentality re-
76 quired to make payments under paragraph (1) of this
77 subsection is authorized, in consideration of the em-
78 ployee's retention in, or entry upon, employment after
79 enactment of this act, to impose upon its employees, as
80 to services which are covered by an approved plan, a
81 contribution with respect to wages, as defined in section
82 two of this act, not exceeding the amount of tax which
83 would be imposed by section one thousand four hundred
84 of the federal insurance contributions act if such services
85 constituted employment within the meaning of that act,
86 and to deduct the amount of such contribution from the
87 wages as and when paid. Contributions so collected shall
88 be paid into the contribution fund in partial discharge
89 of the liability of such political subdivision or instru-
90 mentality under paragraph (1) of this subsection. Fail-
91 ure to deduct such contribution shall not relieve the
92 employee or employer of liability therefor.

93 (d) Delinquent payments due under paragraph (1) of
94 subsection (c) may, with interest at the rate of six per
95 centum per annum, be recovered by action in a court of
96 competent jurisdiction against the political subdivision

97 or instrumentality liable therefor or may, at the request
98 of the state agency, be deducted from any other moneys
99 payable to such subdivision or instrumentality by any
100 department or agency of the state.

Sec. 6. *Contribution Fund.*—(a) There is hereby estab-
2 lished a special fund to be known as the contribution
3 fund. Such fund shall consist of and there shall be de-
4 posited in such fund: (1) All contributions, interest, and
5 penalties collected under sections four and five. (2) All
6 moneys appropriated thereto under this act. (3) All
7 moneys paid to the state pursuant to any agreement
8 entered into under section three (b) of this act. (4) Any
9 property or securities and earnings thereof acquired
10 through the use of moneys belonging to the fund. (5)
11 Interest earned upon any moneys in the fund. (6) All
12 sums recovered upon the bond of the custodian or other-
13 wise for losses sustained by the fund and all other
14 moneys received for the fund from any other source.
15 All moneys in the fund shall be mingled and undivided.
16 Subject to the provisions of this act, the state agency
17 is vested with full power, authority and jurisdiction over
18 the fund, including all moneys and property or securi-
19 ties belonging thereto, and may perform any and all
20 acts whether or not specifically designated, which are
21 necessary to the administration thereof consistent with
22 the provisions of this act.

23 (b) The contribution fund shall be established and held
24 separate and apart from any other funds or moneys of
25 the state and shall be used and administered exclusively
26 for the purpose of this act. Withdrawals from such fund
27 shall be made for, and solely for (A) payment of
28 amounts required to be paid to the federal agency pur-
29 suant to an agreement entered into under section three;
30 (B) payment of refunds provided for in section four (c)
31 of this act; and (C) refunds of overpayments, not other-
32 wise adjustable, made by a political subdivision or in-
33 strumentality.

34 (c) From the contribution fund the custodian of the
35 fund shall pay to the federal agency such amounts and
36 at such time or times as may be directed by the state

37 agency in accordance with any agreement entered into
38 under section three and applicable federal law.

39 (d) The treasurer of the state shall be ex officio treas-
40 urer and custodian of the contribution fund and shall ad-
41 minister such fund in accordance with the provisions of
42 this act and the directions of the state agency and shall
43 pay all warrants drawn upon it in accordance with the
44 provisions of this section and with such regulations as the
45 state agency may prescribe pursuant thereto.

46 (e) (1) There are hereby authorized to be appropri-
47 ated biennially to the contribution fund, in addition to
48 the contributions collected and paid into the contribution
49 fund under sections four and five, to be available for the
50 purposes of section six (b) and (c) until expended, such
51 additional sums as are found to be necessary in order to
52 make the payments to the federal agency which the state
53 is obligated to make pursuant to an agreement entered
54 into under section three.

55 (2) The state agency shall submit to the board of pub-
56 lic works, at least ninety days in advance of the beginning
57 of each regular session of the Legislature, an estimate of
58 the amounts authorized to be appropriated to the contri-
59 bution fund by paragraph (1) of this subsection for the
60 next appropriation period.

Sec. 7. *Rules and Regulations.*—The state agency shall
2 make and publish such rules and regulations, not incon-
3 sistent with the provisions of this act, as it finds necessary
4 or appropriate to the efficient administration of the func-
5 tions with which it is charged under this act.

Sec. 8. *Studies and Reports.*—The state agency shall
2 make studies concerning the problem of old-age and sur-
3 vivors insurance protection for employees of the state
4 and local governments and their instrumentalities and
5 concerning the operation of agreements made and plans
6 approved under this act and shall submit a report to the
7 Legislature at the beginning of each regular session, cov-
8 ering the administration and operation of this act during
9 the preceding biennium, including such recommendations
10 for amendments to this act as it considers proper.

Sec. 9. *Separability.*—If any provision of this act, or the application thereof to any person or circumstance is held invalid, the remainder of the act and the application of such provision to other persons or circumstances shall not be affected thereby.

Sec. 10. *Repeal.*—All acts or parts of acts which are inconsistent with the provisions of this act are hereby repealed.

Article 8. Levies.

Section

2. Legislative findings.
- 6-b. Maximum levies on each classification by county courts; order of levies.
- 6-c. Maximum levies on each classification by county boards of education; order of levy.
- 6-d. Maximum levies on each classification by municipalities; order of levy.

Be it enacted by the Legislature of West Virginia:

That sections two, six-b, six-c and six-d, article eight, chapter eleven of the code of West Virginia, one thousand nine hundred thirty-one, as last amended by chapter one hundred thirty-two, acts of the Legislature, regular session, one thousand nine hundred thirty-nine, be amended and reenacted to read as follows:

- Section 2. *Legislative Findings.*—The Legislature, having carefully analyzed the fiscal affairs of the state and its political subdivisions with particular reference to the reduction of the outstanding bonded debt of political subdivisions incurred prior to the adoption of the tax limitation amendment, finds:
- (1) That the total outstanding bonded indebtedness of subdivisions of the state incurred prior to the adoption of the tax limitation amendment has been reduced since the year one thousand nine hundred thirty-nine—one thousand nine hundred forty, by approximately sixty-five per cent and the annual requirements of service upon bonded debt have been reduced by completed amortizations from slightly less than six million five hundred

15 thousand dollars in that year, to approximately two mil-
16 lion three hundred thousand dollars for the fiscal year
17 beginning on the first day of July, one thousand nine
18 hundred forty-nine, according to findings certified to the
19 Legislature by the state sinking fund commission.

20 (2) That it is therefore now possible to adjust the allo-
21 cation of levies to redistribute so much of the rates pre-
22 viously allocated for debts incurred prior to the adoption
23 of the tax limitation amendment as represent debts com-
24 pletely liquidated, so as to meet the increased levying
25 requirements of county courts, boards of education, and
26 municipalities, and that such adjustment is in keeping
27 with sound finance, the preservation of local fiscal re-
28 sponsibility for local services, and the intention of the tax
29 limitation amendment.

Sec. 6-b. *Maximum Levies on Each Classification by*
2 *County Courts; Order of Levies.*—County courts are here-
3 by authorized to lay not in excess of the following maxi-
4 mum levies, for the purposes specified and in the follow-
5 ing order:

6 (1) With respect to the county as a whole for the pay-
7 ment of (a) interest and sinking fund requirements for
8 bonded indebtedness incurred prior to the adoption of
9 the tax limitation amendment; and to the extent not so
10 required, (b) other legally incurred contractual indebted-
11 ness, not bonded, if any, incurred prior to the adoption
12 of the tax limitation amendment, of the county as follows:
13 On class I property, twenty-five one-hundredths of one
14 cent; on class II property, one-half of one cent and on
15 classes III and IV property, one cent.

16 (2) With respect to a magisterial or special taxing dis-
17 trict for which the county court is required to lay the
18 levy, for the payment of (a) interest and sinking fund
19 requirements for bonded indebtedness, incurred prior to
20 the adoption of the tax limitation amendment; and to the
21 extent not so required, (b) other legally incurred con-
22 tractual indebtedness not bonded, if any, incurred prior
23 to the adoption of the tax limitation amendment, as fol-
24 lows: On class I property, two and fifteen one-hundredths
25 cents; on class II property, four and three-tenths cents;

26 and on classes III and IV property, eight and six-tenths
27 cents.

28 (3) For general county current expense, as follows:
29 On class I property, eleven and nine-tenths cents; on class
30 II property, twenty-three and eight-tenths cents; and on
31 classes III and IV property, forty-seven and six-tenths
32 cents. But in a county where the total assessed valuation
33 of all classes of property is less than six million dollars,
34 the county court may, with the prior written approval of
35 the tax commissioner, exceed the rates of levy for gen-
36 eral county current expense by not more than twenty-five
37 per cent of the rates specified,

Sec. 6-c. *Maximum Levies on Each Classification by*
2 *County Boards of Education; Order of Levy.*—County
3 boards of education are hereby authorized to lay not in
4 excess of the following maximum levies, for the purposes
5 specified and in the following order:

6 (1) With respect to a magisterial, independent or other
7 school district existing in a county prior to May twenty-
8 second, one thousand nine hundred thirty-three, or any
9 special taxing district for which the board of education
10 is required to lay the levy, for the payment of (a) interest
11 and sinking fund requirements for bonded indebtedness
12 incurred prior to the adoption of the tax limitation
13 amendment; and to the extent not so required, (b) other
14 legally incurred contractual indebtedness not bonded, if
15 any, incurred prior to the adoption of the tax limitation
16 amendment, as follows: On class I property, thirty-five
17 one-hundredths of one cent; on class II property, seven-
18 tenths of one cent; and on classes III and IV property, one
19 and four-tenths cents.

20 (2) For either or both of (a) the permanent improve-
21 ment fund and (b) the payment of interest and sinking
22 fund requirements for bonded indebtedness incurred sub-
23 sequent to the adoption of the tax limitation amendment,
24 as follows: On class I property, one and five-tenths cents;
25 on class II property, three cents; and on classes III and
26 IV property, six cents.

27 (3) For the general current expenses of schools, as fol-
28 lows: On class I property, twenty-one and one-tenth

29 cents; on class II property, forty-two and two-tenths
30 cents; and on classes III and IV property, eighty-four and
31 four-tenths cents. But if the tax commissioner has ap-
32 proved the levy of an additional amount for the general
33 current expenses of the county as authorized by section
34 six-b, subsection three, the amount of the levy authorized
35 for boards of education by this subsection shall be re-
36 duced by the tax commissioner to that extent.

37 If the rates of levy under (2) above are not required
38 in whole or in part for the purposes for which they are
39 allocated by this section, the county board of education
40 may, with the prior written approval of the state board
41 of school finance, created by section three, article nine-b,
42 chapter eighteen of the code, as amended, lay such rates
43 of levy or portion thereof not so required, for the general
44 current expenses of schools.

Sec. 6-d. *Maximum Levies on Each Classification by*
2 *Municipalities; Order of Levy.*—The governing body of a
3 municipality is hereby authorized to lay not in excess of
4 the following maximum levies, for the purposes specified,
5 and in the following order:

6 (1) For the payment of (a) principal and interest upon
7 bonded indebtedness incurred prior to the adoption of the
8 tax limitation amendment; and to the extent not so re-
9 quired, (b) other legally incurred contractual indebted-
10 ness, not bonded, if any, incurred prior to the adoption
11 of the tax limitation amendment, as follows: On class I
12 property, one and five-tenths cents; on class II property,
13 three cents; and on class IV property, six cents.

14 (2) For general current expense purposes, as follows:
15 On class I property, eleven cents; on class II property,
16 twenty-two cents; and on class IV property, forty-four
17 cents.

17. Compensation of deputy commissioner; court costs.
24. Sale by deputy commissioner; receipt for purchase price; report to circuit court.
28. Right of former owner to surplus proceeds.

34. Redemption by persons under disability.
36. Sheriff to keep proceeds in separate accounts; disposition.

Be it enacted by the Legislature of West Virginia:

That sections seventeen, twenty-four, twenty-eight, twenty-nine, thirty-four and thirty-six, article four, chapter eleven-a of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

- Section 17. *Compensation of Deputy Commissioner;*
- 2 *Court Costs.*—As compensation for his services, the deputy
 - 3 commissioner shall be entitled to an attorney's fee of ten
 - 4 dollars for each item included in the suit and the one dol-
 - 5 lar fee provided for in a former law for each tract certified
 - 6 to the circuit court of his county prior to March 8, 1947.
 - 7 In addition thereto he shall receive a commission of ten
 - 8 per cent on each sale or redemption. Such commission on
 - 9 sales shall be based on the sale price and in the case of
 - 10 redemption on the total taxes and interest due. Such
 - 11 compensation shall be collected from the redelector as
 - 12 provided for in section eighteen of this article. Such com-
 - 13 pensation, together with a charge of one dollar payable

14 to the clerk of the circuit court for each item in the suit,
15 shall be taxed to the state as part of its costs in the suit
16 and shall be paid as hereinafter provided. Except as other-
17 wise provided in this article, no other costs shall be
18 taxed.

Sec. 24. *Sale by Deputy Commissioner; Receipt for
2 Purchase Price; Report to Circuit Court.*—On the day
3 fixed by order of the court the deputy commissioner shall
4 sell, in the manner specified in the notice of sale, each
5 unredeemed item included in the published list of lands
6 to be sold. If the sale is not completed on that day, it shall
7 be continued from day to day until all the land has been
8 offered for sale. If in respect to any land no bid is made,
9 the deputy commissioner shall report the fact to the court,
10 and the court may order that such land be sold at a subse-
11 quent sale with or without additional advertising.

12 For the purpose of receiving the proceeds of the sale, it
13 shall be the duty of the sheriff or one of his deputies to
14 attend all sales conducted by the deputy commissioner
15 in his county. The sheriff or deputy shall issue to the
16 purchaser a receipt for the purchase money. The auditor
17 may prescribe the form of the receipt.

18 The deputy commissioner shall prepare a report for the
19 circuit court which shall show what was done with respect
20 to all lands ordered to be sold. The report shall state as
21 to each item whether it was redeemed before sale or was
22 sold, and the name of the purchaser and the amount of
23 his bid. The report shall, within thirty days after the
24 sale, be filed with the clerk of the circuit court.

Sec. 28. *Right of Former Owner to Surplus Proceeds.*—
2 The former owner of any forfeited or delinquent lands,
3 his heirs or assigns, shall be entitled to the surplus
4 received from the sale over and above the taxes and in-
5 terest charged or chargeable thereon including all court
6 costs in the suit in which such land was sold, if his, or
7 their claim be filed in the circuit court that decreed the
8 sale, within two years after the date of confirmation of
9 said sale. If no claim is filed with the court within the
10 two years, then such surplus shall be paid by the sheriff
11 to the auditor for credit to the general school fund.

2 *Sec. 29. Right of Creditor of Former Owner of Escheat-*
3 *ed Land.*—Any surplus proceeds arising from the sale of
4 escheated land, after the payment of all court costs in the
5 suit in which such land was sold, may be applied for by
6 the creditors of the decedent if application is made to the
7 circuit court that decreed the sale within one year after
8 the date of confirmation of said sale. Upon proper appli-
9 cation to the court within such time such surplus may be
10 applied to the satisfaction of the claims of creditors of the
11 decedent who had a lien on the land at the time of his
12 death, or who, being general creditors, have properly
13 proved their claims against his estate and have been
14 unable to obtain payment out of the personalty. In the
15 disposition of such surplus, due preference shall be given
16 to lien creditors. Any part of such surplus thereafter re-
17 maining shall be paid by the sheriff to the auditor for
credit to the general school fund.

2 *Sec. 34. Redemption by Persons Under Disability.*—In
3 addition to and notwithstanding any other provisions of
4 this article, any infant or insane person, the former owner
5 of any delinquent land which during such disability was
6 sold as provided in this article, may redeem such land
7 from the purchaser, his heirs or assigns, at any time be-
8 fore the expiration of one year after removal of the dis-
9 ability but in no event more than twenty years after the
10 sale was confirmed, by paying such an amount as is re-
11 quired for redemption under the provisions of section
12 thirty-five, article three of this chapter.

13 Any forfeited land, or any interest therein sold under
14 the provisions of this article owned at the time of the
15 forfeiture by an infant, married woman or insane person,
16 may be redeemed by such owner until the expiration of
17 three years after the removal of such disability as is pro-
18 vided in section six, article thirteen of the constitution of
19 this state, provided such right to redeem shall in no case
20 extend beyond twenty years from the time such land was
forfeited.

2 *Sec. 36 Sheriff to Keep Proceeds in Separate Accounts;*
3 *Disposition.*—The sheriff shall keep in a separate fund the
proceeds of all redemptions and sales paid to him under

4 the provisions of this article, and shall keep a separate
5 account of the proceeds of the sales and redemptions of
6 all lands included in each suit. Out of the total proceeds
7 of each suit he shall in the order of priority stated below
8 credit the following amounts, for payment as herein-
9 after provided: (1) To the clerk of the circuit court, such
10 part of the court costs taxed in the suit as represents the
11 publication charges incurred under the provisions of sec-
12 tions twelve and twenty-three of this article, and the
13 charge of one dollar per item provided for in section sev-
14 enteen of this article. (2) To the sheriff, such part of the
15 court costs taxed in the suit as represents the fees due him
16 under the provisions of section twelve of this article. (3)
17 To the deputy commissioner, such part of the court costs
18 as represents compensation due him under the provisions
19 of section seventeen of this article. (4) To the auditor,
20 such part as represents any charges which were paid by
21 or which are payable to him. (5) To the general county
22 fund, such part as represents costs paid out of such fund
23 for publishing the sheriff's delinquent and sales list. (6)
24 Surplus proceeds from the sale of delinquent, forfeited
25 and escheated lands shall be held by the sheriff for the
26 periods provided for in sections twenty-eight and twenty-

35 The balance, if any, of the proceeds of the lands included

38 respect to the lands that were sold or redeemed. The
39 amounts so determined shall be credited as follows, for
40 payment as hereinafter provided: (1) To the auditor,
41 such part as represents state taxes and interest. (2) To

55 of the records to be kept by the sheriff for the purposes of
56 this section, and the method to be used by him in making

CHAPTER 134

(Senate Bill No. 276—By Mr. Eddy)

AN ACT to amend and reenact sections twelve and thirty-six, article four, chapter eleven-a of the code of West Virginia, one thousand nine hundred thirty-one, as amended, relating to the collection and enforcement of property taxes, including the redemption of forfeited and delinquent lands, and the sale of forfeited, delinquent, escheated, and waste and unappropriated lands for the benefit of the school fund.

[Passed March 11, 1949; in effect from passage. Approved by the Governor.]

Article 4. Sale of Lands for School Fund.

Section

12. Service of process by publication.
36. Sheriff to keep proceeds in separate accounts; disposition.

Be it enacted by the Legislature of West Virginia:

That sections twelve and thirty-six, article four, chapter eleven-a of the code of West Virginia, one thousand nine hundred thirty-one, as amended, be amended and reenacted to read as follows:

Section 12. *Service of Process by Publication.*—Upon
2 the institution of a suit as provided in section ten of this

3 article, the clerk of the circuit court shall enter an order
4 of publication, without the filing of any affidavit by the
5 deputy commissioner as required in other cases. Such or-
6 der of publication shall give the style of the suit, as, State
7 of West Virginia v. A. B., *et al.*; shall state that the object
8 of the suit is to obtain a decree of the circuit court order-
9 ing the sale for the benefit of the school fund of all lands
10 included in the suit; shall list all such lands, setting forth
11 as to each item its local description, the former owner in
12 whose name the land was forfeited, or was returned de-
13 linquent and sold, or escheated, as the case may be, and
14 the names of such other defendants as may be interested
15 therein; and shall require all the named defendants, and
16 all unknown parties who are or may be interested in any
17 of the lands included in the suit to appear within one
18 month after the date of the first publication thereof and
19 do what is necessary to protect their interests.

20 The order shall be published once a week for three suc-
21 cessive weeks in two newspapers of opposite politics pub-
22 lished in the county, if such there be; otherwise, this re-
23 quirement shall be satisfied by such publication in any
24 one newspaper published in the county, and if no news-
25 paper is published in the county, or if none therein will
26 publish the order at the legal rate or for the time required,
27 then in such newspaper of general circulation in the
28 county as the clerk of the court in which the cause is
29 pending may direct. The costs of such publication shall
30 be at the rate provided for in section thirty-four, article
31 one, chapter fifty-nine of this code, shall be charged
32 ratably to each item listed in the suit, and shall be taxed
33 to the state as part of its costs in the suit and paid as here-
34 inafter provided.

35 In view of the fact that the state has absolute title to all
36 forfeited land, to all land sold to the state for nonpayment
37 of taxes and become irredeemable, to all escheated land,
38 and to all waste and unappropriated land, and must under
39 the constitution have such an absolute title before the
40 land may be sold for the benefit of the school fund; and
41 in view of the fact that the former owner of any such
42 land, or any person claiming under him, has no further
43 interest therein nor rights in respect thereto except such

44 privilege of redemption as may be extended to him by the
45 Legislature as an act of grace; and in view of the further
46 fact that all parties known and unknown who may claim
47 an interest in any of the lands included in the suit are
48 given notice thereof by the order of publication provided
49 for above; therefore, the Legislature deems it both ex-
50 pedient and necessary to provide that failure to name any
51 such person as a defendant shall in no wise affect the
52 validity of any of the proceedings in the suit for the sale
53 of the state's title to such land; and in view of the fact
54 that the supreme court of appeals in a decision just ren-
55 dered has held that there is no constitutional requirement
56 that the former owner or any other interested person be
57 personally served with process in a suit for the sale
58 for the benefit of the school fund of lands that are and
59 must be the absolute property of the state; and in view
60 of the further fact that in its last previous enactment of
61 this section the Legislature had no intention of requiring
62 that personal service of process on named defendants in
63 such a suit should be a mandatory condition precedent to
64 the validity of any step or proceeding in such suit, but on
65 the contrary expressly stated that failure to serve the
66 summons on any named defendant should in no wise
67 affect the validity thereof; now therefore, the Legislature
68 also deems it both expedient and necessary to provide
69 that the failure to obtain such personal service on any
70 named defendant in any suit instituted under the provi-
71 sions of this article prior to the effective date hereof shall
72 in no way affect the validity of any step or proceeding
73 in any such suit or the validity of the title acquired by the
74 purchaser of land sold under any decree made or to be
75 made in any such suit.

Sec. 36. *Sheriff to Keep Proceeds in Separate Accounts;*
2 *Disposition.*—The sheriff shall keep in a separate fund the
3 proceeds of all redemptions and sales paid to him under
4 the provisions of this article, and shall keep a separate
5 account of the proceeds of the sales and redemptions of
6 all lands included in each suit. Out of the total proceeds
7 of each suit he shall in the order of priority stated below
8 credit the following amounts, for payment as hereinafter

9 provided: (1) To the clerk of the circuit court, such part
10 of the court costs taxed in the suit as represents the pub-
11 lication charges incurred under the provisions of sections
12 twelve and twenty-three of this article, and the charge of
13 one dollar per item provided for in section seventeen of
14 this article. (2) To the deputy commissioner, such part
15 of the court costs as represents compensation due him
16 under the provisions of section seventeen of this article.
17 (3) To the auditor, such part as represents any charges
18 which were paid by or which are payable to him. (4) To
19 the general county fund, such part as represents costs
20 paid out of such fund for publishing the sheriff's delin-
21 quent and sales list. (5) Surplus proceeds from the sale
22 of delinquent, forfeited and escheated lands shall be held
23 by the sheriff for the periods provided for in sections
24 twenty-eight and twenty-nine of this article, and if no
25 application is made to the circuit court within the time
26 therein specified, such surplus shall be paid to the auditor
27 for credit to the general school fund. (6) To the auditor
28 for credit to the general school fund, such part as repre-
29 sents all taxes and interest chargeable in respect to any
30 forfeited lands, and all surplus proceeds of the sale of any
31 waste and unappropriated lands.

32 The balance, if any, of the proceeds of the lands included
33 in each suit shall be prorated among the various taxing
34 units on the basis of the total amount of taxes due them
35 in respect to the lands that were sold or redeemed. The
36 amounts so determined shall be credited as follows, for
37 payment as hereinafter provided: (1) To the auditor,
38 such part as represents state taxes and interest. (2) To
39 the fund kept by the sheriff for each local taxing unit,
40 such part as represents taxes and interest payable to such
41 unit.

42 All amounts which under the provisions of this section
43 were so credited by the sheriff to the clerk of the circuit
44 court and to the deputy commissioner shall be paid to
45 them quarterly; those credited to the auditor shall be
46 paid to him semi-annually; and those credited to the
47 various local taxing units shall be transferred semi-an-
48 nually by the sheriff to the fund kept by him for each
49 such taxing unit.

50 The tax commissioner, in cooperation with the land de-
51 partment in the auditor's office, shall prescribe the form
52 of the records to be kept by the sheriff for the purposes of
53 this section, and the method to be used by him in making
54 the necessary pro rata distributions.

241 or other states upon which contributions were required of
242 and paid by such employer under an unemployment com-

Sec. 10. *Experience Ratings; Decreased Rates.*—On
2 and after January one, one thousand nine hundred forty-
3 eight, after the requirements of section nine have been
4 complied with, an employer's payment shall remain two
5 and seven-tenths per cent until: (1) There have elapsed
6 thirty-six consecutive months immediately preceding
7 the computation date throughout which an employer's
8 account was chargeable with benefits.

9 (2) His payments credited to his account for all past

61 amount equal to at least fourteen per cent of his average
62 annual pay roll, in which case his rate shall be zero.

63 The director shall determine an employer's compli-
64 ance with these requirements.

65 After the director is satisfied that an employer has
66 complied with these requirements he shall decrease
67 the employer's rate to the next lower rate if the fund,
68 including the trust fund, clearing account, and benefit
69 account, is as much as eighty million dollars on the
70 computation date, and shall decrease the employer's rate
71 one additional step if the fund is as much as ninety
72 million dollars on the computation date, and shall de-
73 crease the employer's rate one additional step for each
74 five million dollars that the fund is above ninety million
75 dollars up to and including one hundred fifteen million
76 dollars on the computation date.

2 Sec. 10-a. *Suspension of Decreased Rates.*—(1) If at
3 any time or times the unemployment compensation fund,
4 including the trust fund, clearing account, and benefit
5 account, falls below the sum of fifty million dollars, the
6 director shall, effective at the commencement of the
7 next calendar quarter, suspend the decreased rates as
8 provided in this chapter, and all contributions of em-

and seven-tenths per cent.

10 (2) As of January first of the year next following the
11 date on which the unemployment compensation fund,
12 including the trust fund, clearing account, and benefit
13 account, reaches the sum of fifty-five million dollars, the
14 director shall supersede such suspension.

 Sec. 10-b. *Transfer of Business.*—If a subject employer
2 shall transfer his entire organization, trade or business,
3 or substantially all the assets thereof, to another em-
4 ployer, the director shall combine the contribution rec-
5 ords and the benefit experience records of the trans-
6 ferring and acquiring employers. The acquiring em-
7 ployer's contribution rate for the remainder of the cal-
8 endar year shall not be affected by the transfer but such
9 rate shall apply to the whole of his business, including
10 the portion acquired by the transfer, through the fol-
11 lowing December thirty-first. If a subject employer
12 shall make such transfer to an employing unit which is
13 not an employer on the date of the transfer, such sub-

15 acquiring employing unit until the next effective rate
16 date. If an employing unit acquires simultaneously the
17 entire organization, trade or business, or substantially

21 had, in the calendar quarter immediately preceding the
22 date of the transfer, the higher or highest pay roll. As
23 to any transfers which occur prior to July thirty-first of
24 the current calendar year such rate shall remain ef-

26 *however,* That if the transfers occur subsequent to July

27 thirty-first such rate shall remain effective for the bal-
28 ance of that calendar year and the rate for the suc-

30 to the contrary provided in section seven of article five
31 of this chapter, be recomputed on the basis of the com-
32 bined experience of the transferring employers as of
33 July thirty-first of the year in which the transfers occur.
34 In case the transferring employer is delinquent in the
35 payment of contributions or interest thereon the ac-
36 quiring employer shall not be entitled to any benefit of
37 the contribution record of the transferring employer
38 unless payment of such delinquent contributions and
39 interest thereon is assumed by the acquiring employer.
40 The director shall upon joint request of the transferor
41 and transferee furnish the transferee a statement of the
42 amount of any contribution and interest due and unpaid
43 by the transferor. A statement so furnished shall be con-
44 trolling for the purposes of the foregoing proviso.

2 Sec. 17. *Interest on Past-due Payments.*—Payments un-

4 by the director, shall bear interest at the rate of one per

7 Interest collected pursuant to this section shall be paid
8 into the employment security special administration
9 fund.

2 Sec. 19. *Refunds.*—Within two years after the date on

5 terest, may make application for:

6 (1) An adjustment thereof in connection with subse-
7 quent payments.

8 (2) A refund thereof if adjustment cannot be made.

9 If the director determines that payments and interest
10 were erroneously collected, he shall make the adjust-
11 ment, without interest, in connection with subsequent
12 payments of the employer, or if such adjustment can-
13 not be made, refund the amount of the payments er-
14 roneously collected, without interest, from the clearing
15 account of the unemployment compensation fund, and

15 the amount of the interest erroneously collected, from
16 the employment security special administration fund.
17 For like cause and within the same period the director,
18 on his own initiative, may make an adjustment or refund:
19 *Provided*, That nothing in this chapter shall be construed
20 as permitting a cash refund of any contribution required
21 under the law in effect when such contribution became
22 due.

Article 6. Employee Eligibility; Benefits.

Section

4. Disqualification for benefits.
9. Place of payment.
10. Benefit rate; total unemployment.
11. Benefit rate; partial unemployment.

Section 4. *Disqualification for Benefits.*—Upon the de-
2 termination of the facts by the director, an individual
3 shall be disqualified for benefits:

4 (1) For the week in which he left his most recent
5 work voluntarily without good cause involving fault on
6 the part of the employer and the six weeks immediately
7 following such week. Such disqualification shall carry a
8 reduction in the maximum benefit amount equal to six
9 times the individual's weekly benefit rate. However,
10 if the claimant returns to work in covered employment
11 during his benefit year the maximum benefit amount shall
12 be increased by the amount of the decrease imposed un-
13 der the disqualification.

14 (2) For the week in which he was discharged by his
15 last employing unit for misconduct and the six weeks
16 immediately following such week. Such disqualifica-
17 tion shall carry a reduction in the maximum benefit
18 amount equal to six times the individual's weekly bene-
19 fit rate. However, if the claimant returns to work in
20 covered employment during his benefit year the maxi-
21 mum benefit amount shall be increased by the amount
22 of the decrease imposed under the disqualification.

23 (3) For the week in which he failed without good
24 cause, to apply for available suitable work, accept suit-
25 able work when offered, or return to his customary self-
26 employment when directed to do so by the director, and
27 for the four weeks which immediately follow and for

28 such an additional period as any offer of suitable work
29 shall continue open for his acceptance, and his maximum
30 benefit amount shall be reduced by an amount equal to
31 his weekly benefit rate times the number of weeks of
32 disqualification. However, if the claimant returns to
33 work in covered employment during his benefit year
34 the maximum benefit amount shall be increased by the
35 amount of the decrease imposed under the disquali-
36 fication.

37 (4) For a week in which his total or partial unemploy-
38 ment is due to a stoppage of work which exists because
39 of a labor dispute at the factory, establishment, or other
40 premises at which he was last employed, unless the di-
41 rector is satisfied that he was not (one) participating,
42 financing, or directly interested in such dispute, and
43 (two) did not belong to a grade or class of workers
44 who were participating, financing, or directly interested
45 in the labor dispute which resulted in the stoppage of
46 work. No disqualification under this sub-section shall
47 be imposed if the employees are required to accept
48 wages, hours or conditions of employment substantially
49 less favorable than those prevailing for similar work
50 in the locality, or if employees are denied the right of
51 collective bargaining under generally prevailing con-
52 ditions, or if an employer shuts down his plant or opera-
53 tion or dismisses his employees in order to force wage
54 reduction, changes in hours or working conditions.

55 (5) For a week with respect to which he is receiving
56 or has received:

57 (a) Wages in lieu of notice or payments under any
58 form of a separation wage plan.

59 (b) Compensation for temporary total disability under
60 the workmen's compensation law of any state or under
61 a similar law of the United States.

62 (c) Remuneration in the form of a primary insurance

64 amended, or similar payments under any act of congress,
65 from and after receipt by him of his first payment for
66 such benefits.

67 (d) Unemployment compensation benefits under the
68 laws of the United States or any other state.

69 (6) For the week in which an individual is not
70 employed because of pregnancy, or has voluntarily
71 quit employment to marry or to perform any marital,
72 parental or family duty, or to attend to his or her
73 personal business or affairs, and until the individual
74 returns to covered employment and has been em-
75 ployed in covered employment at least thirty working
76 days.

77 (7) For each week in which an individual is unem-
78 ployed because, having voluntarily left employment to
79 attend a school, college, university, or other educational
80 institution, he is attending such school, college, uni-
81 versity, or other educational institution, or is awaiting
82 entrance thereto or is awaiting the starting of a new
83 term or session thereof.

84 (8) For each week in which he is unemployed because
85 of his request or that of his duly authorized agent for a
86 vacation period at a specified time that would leave the
87 employer no other alternative but to suspend opera-
88 tions.

89 (9) For the purposes of this section an employer's ac-
90 count shall not be charged under any of the following
91 conditions: (1) When benefits are paid without any
92 disqualification to an individual who has left his most
93 recent work for good cause not involving fault on the
94 part of the employer. (2) When benefits are paid for
95 unemployment immediately after the expiration of a
96 period of disqualification for (a) leaving work volun-
97 tarily without good cause involving fault on the part of
98 the employer, (b) discharge for misconduct, (c) failing
99 without good cause to apply for available suitable work,
100 accept suitable work when offered, or return to his cus-
101 tomary self-employment when directed to do so by the
102 director.

2 Sec. 9. *Place of Payment.*—Benefits shall be paid
3 through employment offices or, if the director by rules so
4 prescribes, through employment security offices, in ac-
5 cordance with such regulations as the director shall pre-
scribe.

Sec. 10. *Benefit Rate; Total Unemployment.*—Each

2 eligible individual who is totally unemployed in any
 3 week shall be paid benefits with respect to that week at
 4 the weekly rate appearing in column (C) in table A in
 5 this paragraph, on the line on which in column (A) there
 6 is indicated the employee's wage class, except as other-
 7 wise provided under the term "total and partial un-
 8 employment" in section three, article one of this chapter.
 9 The employee's wage class shall be determined by his
 10 base period wages as shown in column (B) in table A.
 11 The right of an employee to receive benefits shall not
 12 be prejudiced nor the amount thereof be diminished by
 13 reason of failure by an employer to pay either the wages
 14 earned by the employee or the contribution due on such
 15 wages. An individual who is totally unemployed but
 16 earns in excess of six dollars as a result of odd job or
 17 subsidiary work in any benefit week shall be paid bene-
 18 fits for such week in accordance with the provisions of
 19 this chapter pertaining to benefits for partial unemploy-
 20 ment. The provisions of sections ten and eleven of this
 21 article shall apply to all benefit weeks occurring in
 22 benefit years beginning after the effective date of this
 23 act; for benefit weeks occurring in benefit years prior
 24 thereto the provisions then in effect shall apply.

Sec. 5-a. *Special Administration Fund.*—There is hereby created in the state treasury a fund to be known as the employment security special administration fund, which shall consist of interest collected on delinquent payments pursuant to section seventeen of article five of this chapter. 12 social security administration, because of any action or
13 contingency, to have been lost or been expended for
14 purposes other than, or in amounts in excess of, those
15 found necessary by the social security administration for
16 the proper administration of this law, it is the policy of
17 this state that such moneys shall be replaced by moneys
18 appropriated for such purpose from the general funds
19 of this state to the employment security administration

CHAPTER 23. WORKMEN'S COMPENSATION

Article 1. General Administrative Provisions.

Section

11. Depositions.

17. Annual report by commissioner to governor.

Section 11. *Depositions.*—In an investigation, the commissioner may cause depositions of witnesses residing within or without the state to be taken in the manner prescribed by law for like depositions as provided for transcripts in the circuit court, but such depositions shall be upon reasonable notice to claimant and employer or their respective attorneys. The commissioner shall also have discretion to accept and consider depositions taken within or without the state by either the claimant or employer, provided due and reasonable notice of the taking of such depositions was given to the other party, claimant or employer, as the case may be, or his attorney: *Provided, however,* That the commissioner, upon due notice both to the employer and claimant, shall have authority to refuse or permit the taking of such depositions or to reject such depositions after the taking thereof, if in his opinion they were taken at such place or under such circumstances as imposed an undue burden or hardship upon the opposite party, and the commissioner's discretion to accept, refuse to approve, or reject such depositions shall be binding in the absence of abuse of such discretion.

Sec. 17. *Annual Report by Commissioner to Governor.*—

2 Annually, on or about the fifteenth day of September in
3 each year, the commissioner, under oath, shall make a

4 report as of the thirtieth day of June to the governor,
5 which shall include a statement of the number of awards
6 made by him, a general statement of the causes of the
7 injuries for which the awards were made, a detailed
8 statement of all disbursements, and the condition of the
9 fund, together with any other matters which the com-
10 missioner deems it proper to call to the attention of
11 the governor, including any recommendations he may
12 have to make.

Article 2. Employers and Employees Subject to Chapter; Premiums.

Section

5. Premiums; failure to pay; reinstatement; deposit to insure payment; refund of deposit; notices to employees.
6-a. Exemption from liability of officers, managers, agents, representatives or employees of contributing employers.

Section 5. *Premiums; Failure to Pay; Reinstatement; Deposit to Insure Payment; Refund of Deposit; Notices to Employees.*—For the purpose of creating a workmen's compensation fund each employer subject to this chapter shall pay the premiums of liabilities based upon and being such a percentage of the payroll of such employer as may have been determined by the commissioner and be then in effect. The premiums shall be paid quarterly on or before the twentieth day of the next succeeding month for the preceding quarter, and shall be the prescribed percentage of the total earnings of all employees within the meaning of this chapter, for such preceding quarter. The minimum premium to be paid by any employer for any quarter shall be one dollar and fifty cents. The premiums and deposits provided for in this chapter shall be paid by the employers to the state compensation commissioner, who shall issue receipts for all sums so received, mailing the original to the person, firm or corporation paying the same, transmitting a copy thereof to the state treasurer and state auditor, and retaining a copy for his own records. All sums received by the state compensation commissioner as herein provided shall be deposited in the state treasury to the credit of the workmen's compensation fund in the manner now prescribed by law for depositing money in

26 the state treasury. Each employer shall make a pay-
27 roll report to the commissioner for each quarter as
28 heretofore specified, and such report shall be on the form
29 or forms prescribed by the commissioner, and furnish
30 all information required by him.

31 Failure to pay premiums as herein provided or to
32 make the quarterly payroll reports required by the
33 commissioner shall deprive the employer so delinquent
34 of the benefits and protection afforded by this chapter,
35 and shall automatically terminate the election of such
36 employer to pay into the workmen's compensation fund
37 as herein provided, and such employer shall be liable
38 to his employees as provided in section eight of this ar-
39 ticle; and the commissioner shall not be required to
40 notify the delinquent employer of such termination, but
41 he shall notify the employees of such employer by writ-
42 ten notice posted as hereinafter provided for in this sec-
43 tion. The termination of election of such delinquent em-
44 ployer shall date from twelve o'clock p. m., of the last
45 day of the month in which he fails to pay the premiums
46 or make payroll reports, as above provided, for the pre-
47 ceding quarter.

48 The employer so delinquent may be reinstated upon
49 application under such terms as are prescribed by this
50 chapter and by the commissioner hereunder, after the
51 payment into the workmen's compensation fund of all
52 unpaid premiums, penalties and charges. Such reinstatement
53 shall be in effect from and after the date that the
54 new application is accepted by the commissioner: *Pro-*
55 *vided, however,* That such delinquent employer shall
56 be entitled to the benefits and protection of this chapter
57 until twelve o'clock p. m. of the last day of the month
58 immediately succeeding the month in which his election
59 is terminated, and his employees shall be entitled to
60 compensation for injuries received during such period,
61 but not thereafter unless such delinquent employer be-
62 comes reinstated as herein provided.

63 Any employer hereafter electing to avail himself of
64 the benefits of this chapter shall at the time of making
65 application to the commissioner deposit in the workmen's

66 compensation fund an amount estimated to be equal
67 to the amount of the premium which shall be paid by
68 him for the next succeeding quarter. Any employer
69 whose deposit is less than the amount of his premium
70 for the last quarter shall, upon written request from
71 the commissioner mailed to his address as carried upon
72 the books of the commissioner by twelve o'clock p. m.
73 of the twentieth of the month in which request is mailed,
74 pay to the commissioner a sum sufficient to make his
75 deposit at least equal to the amount of his premium for
76 the last preceding quarter, and failure of any employer
77 to comply with such written request within the time
78 specified shall deprive him of the benefits and protection
79 afforded by this chapter, and shall automatically ter-
80minate his election to pay into the workmen's compen-
81sation fund as herein provided, and such employer shall
82 be liable to his employees as provided in section eight of
83 this article; and the commissioner shall not be required
84 to notify the delinquent employer of such termination,
85 but he shall notify the employees of such employer by
86 written notice posted as hereafter provided for in this
87 section. The termination of election of such employer
88 shall date from twelve o'clock p. m. of the last day of
89 the month in which he is notified by the commissioner
90 that his deposit is not equal to the sum of his premium
91 for the last preceding quarter. Such employer may be
92 reinstated upon application under such terms as are
93 prescribed by this chapter and the rules of the commis-
94 sioner. The deposit hereinbefore described shall be cred-
95 ited to the employer's account on the books of the com-
96 missioner and used to pay premiums and any other sums
97 due the fund when such employer becomes delinquent
98 in the payment of the same.

99 Upon withdrawal from the fund or termination of
100 election of any employer, he shall be refunded the bal-
101 ance due him of his deposit, after deducting all amounts
102 owed by him to the workmen's compensation fund, and
103 the commissioner shall notify the employees of such
104 employer of said termination in such manner as he may
105 deem best and sufficient.

106 Notices to employees in this section provided for shall
107 be given by posting written notice that the employer is
108 delinquent under the compensatioin law of West Vir-
109 ginia, and that neither the employer nor the employees
110 of such employer are protected by said law as to any
111 injury or death sustained after the date specified in said
112 notice. Such notice shall be in the form prescribed by
113 the commissioner and shall be posted in a conspicuous
114 place at the chief works of the employer, as the same
115 appear in records of the commissioner. If the said chief
116 works of the employer cannot be found or identified,
117 then said notices shall be posted at the front door of
118 the court house of the county in which said chief works
119 are located, according to the records in the commis-
120 sioner's office. Any person who shall, prior to the re-
121 instatement of the said employer, as hereinbefore pro-
122 vided for, or prior to sixty days after the posting of said
123 notice, whichever shall first occur, remove, deface or
124 render illegible the said notice shall be guilty of a mis-
125 demeanor, and upon conviction thereof, shall be fined
126 not to exceed five hundred dollars, and the said notice
127 shall state this provision upon its face. The commis-
128 sioner may require any sheriff, deputy sheriff, constable,
129 or other official of the state of West Virginia, who may
130 be authorized to serve civil process, to post such notice
131 and to make return thereof of the fact of such posting
132 to the commissioner, and any failure of such officer to
133 post any notice within ten days after he shall have re-
134 ceived the same from the commissioner, without just
135 cause or excuse, shall constitute a willful failure or re-
136 fusals to perform a duty required of him by law within
137 the meaning of section twenty-eight, article five, chapter
138 sixty-one of the code of West Virginia. Any person ac-
139 tually injured by reason of such failure shall have an
140 action against said official, and upon any official bond
141 he may have given, for such damages as such person
142 may actually have incurred, but not to exceed, in
143 the case, of any surety upon said bond, the amount of
144 the penalty of said bond. Any official posting said notice
145 as herein required shall be entitled to the same fee as is

146 now or may hereafter be provided for the service of
147 process in suits instituted in courts of record in the state
148 of West Virginia, which fee shall be paid by the com-
149 missioner out of any funds at his disposal, but shall be
150 charged by him against the account of the employer to
151 whose delinquency such notice relates.

2 Sec. 6-a. *Exemption from Liability of Officers, Man-*
3 *agers, Agents, Representatives or Employees of Contrib-*
4 *uting Employers.*—The immunity from liability set out
5 in the preceding section shall extend to every officer,
6 manager, agent, representative or employee of such em-
7 ployer when he is acting in furtherance of the employer's
8 business and does not inflict an injury with deliberate
9 intention.

16. Commissioner's jurisdiction over case continuous; modification of finding or order; time limitation on awards.

Section 1. *To Whom Compensation Fund Disbursed;*
2 *Silicosis and Other Occupational Diseases Included in*

3 *"Injury" and "Personal Injury"; Definition of Silicosis and*
4 *Other Occupational Diseases.*—Subject to the provisions
5 and limitations elsewhere in this chapter set forth, the
6 commissioner shall disburse the workmen's compensation
7 fund to the employees of such employers as are not de-
8 linquent in the payment of premiums for the quarter in
9 which the injury occurs, and in case of catastrophe, in
10 addition to the employees next above described, to the
11 employees of employers who have elected, under section
12 nine, article two of this chapter, to make payments into
13 the surplus fund as provided in that section, and which
14 employees shall have received personal injuries in the
15 course of and resulting from their employment in this
16 state, or in temporary employment without the state as
17 provided in section one, article two of this chapter, or to
18 the dependents, if any, of such employees in case death
19 has ensued, according to the provisions hereinafter made;
20 and also for the expenses of the administration of this
21 chapter, as provided in section two, article one of this
22 chapter.

23 For the purposes of this chapter the terms "injury" and
24 "personal injury" shall be extended to include silicosis
25 and any other occupational disease as hereinafter defined,
26 and the commissioner shall likewise disburse the work-
27 men's compensation fund to the employees of such em-
28 ployers as are not delinquent in the payment of premiums
29 for the last quarter in which such employees have been
30 exposed to the hazard of silicon dioxide dust or to any
31 other occupational hazard, and have contracted silicosis
32 or other occupational disease, or have suffered a percep-
33 tible aggravation of an existing silicosis, in this state in
34 the course of and resulting from their employment, or to
35 the dependents, if any, of such employees, in case death
36 has ensued, according to the provisions hereinafter made:
37 *Provided, however,* That compensation shall not be pay-
38 able for the disease of silicosis, or death resulting there-
39 from, unless in the state of West Virginia the employee
40 has been exposed to the hazard of silicon dioxide dust
41 over a continuous period of not less than two years during
42 the ten years immediately preceding the date of his last

43 exposure to such hazards. An application for benefits on
44 account of silicosis shall set forth the name of the employ-
45 er or employers and the time worked for each, and the
46 commissioner may allocate to and divide any charges on
47 account of such claim among the employers by whom the
48 claimant was employed for as much as sixty days during
49 the period of two years immediately preceding the filing
50 of the application. The allocation shall be based upon the
51 time and degree of exposure with each employer.

52 For the purpose of this chapter silicosis is defined as
53 an insidious fibrotic disease of the lung or lungs due to
54 the prolonged inhalation and accumulation, sustained in
55 the course of and resulting from employment, of minute
56 particles of dust containing silicon dioxide (SiO_2) over
57 such a period of time and in such amounts as result in
58 the substitution of fibrous tissues for normal lung tissues,
59 whether or not accompanied by tuberculosis of the lungs.

60 Wherever the expression "injurious exposure to silicon
61 dioxide dust", or "injurious exposure to silicon dioxide
62 dust in harmful quantities", or "exposure to the hazard
63 of silicon dioxide dust", or any similar language shall ap-
64 pear in this chapter, such expression shall be construed
65 to mean the exposure of an employee in the course of his
66 employment to a working condition in which the air con-
67 tains such a concentration of silicon dioxide dust that the
68 breathing of such air by a person over a long period of
69 time would be likely to cause him to contract the disease
70 of silicosis.

71 For the purpose of this chapter, occupational disease
72 means a disease incurred in the course of and resulting
73 from employment. No ordinary disease of life to which
74 the general public is exposed outside of the employment
75 shall be compensable except when it follows as an inci-
76 dent of occupational disease as defined in this chapter.
77 Except in the case of silicosis, a disease shall be deemed
78 to have been incurred in the course of or to have resulted
79 from the employment only if it is apparent to the rational
80 mind, upon consideration of all the circumstance (1) that
81 there is a direct casual connection between the conditions
82 under which work is performed and the occupational dis-

83 ease, (2) that it can be seen to have followed as a natural
84 incident of the work as a result of the exposure occasioned
85 by the nature of the employment, (3) that it can be fairly
86 traced to the employment as the proximate cause, (4) that
87 it does not come from a hazard to which workmen would
88 have been equally exposed outside of the employment, (5)
89 that it is incidental and peculiar to the character of the bus-
90 iness and not independent of the relation of employer and
91 employee, and (6) that it must appear to have had its ori-
92 gin in a risk connected with the employment and to have
93 flowed from that source as a natural consequence, though
94 it need not have been foreseen or expected before its

103 as an occupational disease. In every hearing before the
104 commissioner in this regard, the burden shall be on the
105 claimant to prove that prior to such date the employee
106 had not contracted the occupational disease for which
107 compensation is sought.

15 amount, the commissioner may, with the approval of the
16 employer, pay out of any available funds, such additional
17 sum as may be necessary, not to exceed an additional sum
18 of eight hundred dollars, but such additional sum shall
19 not be charged to the account of the employer.

28 bursements shall be made or awarded by him unless duly
29 verified statements on forms prescribed by the commis-
30 sioner shall be filed with the commissioner within six
31 months after the cessation of such treatment or the de-
32 livery of such appliances.

33 (c) No employer shall enter into any contracts with
34 any hospital, its physicians, officers, agents or employees,
35 to render medical, dental or hospital service or to give

5 sioner that the earliest detectable specific signs of sili-
6 cosis are present, whether or not capacity for work is
7 or has been impaired by such silicosis; (2) In the second
8 stage when it is found by the commissioner that definite
9 and specific physical signs of silicosis are present, and
10 that capacity for work is or has been impaired by that
11 disease; (3) In the third stage when it is found by the
12 commissioner that the employee has silicosis resulting
13 in total permanent disability, whether or not accom-
14 panied by tuberculosis of the lungs.

15 Where compensation for silicosis is due an employee
16 under the provisions hereof, such compensation shall
17 be as provided in the following schedule: (a) If the em-
18 ployee is suffering from silicosis in the first stage, the em-
19 ployee shall receive one thousand dollars as compensation
20 in full for silicosis that he has sustained as a result of and
21 in the course of his employment, to be payable as a lump
22 sum or in periodic installments in the discretion of the
23 commissioner, which shall be a final payment and op-
24 erate as a full release by the employee for compensation
25 and for any claim against the employer that the employee
26 may thereafter have for silicosis, and irrespective of
27 whether the employee thereafter continues in the same
28 employment, he shall not have the right to receive any
29 or further compensation or make any claim because of
30 silicosis, either to the compensation commissioner or

31 against his employer, anything to the contrary in this
32 chapter notwithstanding. (b) If the employee is suffer-
33 ing from silicosis in the second stage, the employee shall
34 receive two thousand dollars as compensation in full for
35 silicosis that he has sustained as a result of and in the
36 course of his employment, to be payable as a lump sum
37 or in periodic installments in the discretion of the com-
38 missioner, which shall be a final payment and operate
39 as a full release by the employee for compensation and
40 for any claim against the employer that the employee
41 may thereafter have for silicosis and irrespective of
42 whether the employee thereafter continues in the same
43 employment, he shall not have the right to receive any
44 or further compensation or make any claim because of
45 silicosis either to the commissioner or against his em-
46 ployer, anything to the contrary in this chapter notwith-
47 standing. (c) If the employee is suffering from silicosis
48 in the third stage, the compensation shall be paid therefor
49 in the same manner and at the same rate as is provided
50 for permanent disability under the provisions of sub-
51 divisions (c), (f) and (h) of the preceding section. (d)
52 If the employee dies from silicosis within six years from
53 the date of his last injurious exposure to silicon dioxide
54 dust in harmful quantities and the commissioner has de-
55 termined at the time of the original award that he was
56 suffering from silicosis in the third stage, the benefits shall
57 be in the amounts and to the persons provided for in sec-
58 tion ten of this article; as to such benefits sections eleven
59 to fourteen inclusive, of this article shall apply.

Sec. 8. *Physical Examination of Claimant; Expenses.*—

2 The commissioner shall have authority, after due notice
3 to the employer and claimant, whenever in his opinion
4 it shall be necessary, to order a claimant of compensation
5 for a personal injury other than silicosis or other occupa-
6 tional disease to appear for examination before a medical
7 examiner or examiners selected by the commissioner; and
8 the claimant and employer, respectively, shall each have
9 the right to select a physician of his or its own choosing
10 and at his or its own expense to participate in such exami-
11 nation. The claimant and employer shall, respectively be

12 furnished with a copy of the report of examination made
13 by the medical examiner or examiners selected by the
14 commissioner. The respective physicians selected by the
15 claimant and employer shall have the right to concur in
16 any report made by the medical examiner or examiners
17 selected by the commissioner, or each may file with the
18 commissioner a separate report, which separate report
19 shall be considered by the commissioner in passing upon
20 the claim. If the compensation claimed is for silicosis, the
21 commissioner shall have the power, after due notice to the
22 employer, and whenever in his opinion it shall be neces-
23 sary, to order a claimant to appear for examination before
24 the silicosis medical board hereinafter provided. If the
25 compensation claimed is for an occupational disease other
26 than silicosis, the commissioner shall have the power, after
27 due notice to the employer, and whenever in his opinion it
28 shall be necessary, to order a claimant to appear for exami-
29 nation before the occupational diseases medical board
30 hereinafter provided. In any case the claimant shall be
31 entitled to reasonable traveling and other expenses neces-
32 sarily incurred by him in obeying such order, which shall
33 be paid out of the amount allowed under this chapter for
34 medical, surgical, dental and hospital treatment.

Sec. 8-d. *Occupational Diseases Medical Board Created;*
2 *Qualifications; Term of Office; Duties; Remuneration.*—
3 There shall be a medical board, known as the “occupa-

5 licensed physicians to be appointed by the commissioner.
6 No person shall be appointed as a member of such board,
7 or as a consultant thereto, who has not by special study
8 or experience, or both, acquired special knowledge of
9 occupational diseases. All members of the board shall
10 be physicians of good professional standing, admitted to
11 practice medicine and surgery in this state. One of the
12 board shall be designated annually as chairman by the
13 commissioner. The term of office of each member of such
14 board shall be six years. The function of the board shall
15 be to determine all medical questions relating to cases of
16 compensation for occupational diseases other than sili-
17 cosis, under the direction and supervision of the commis-

18 sioner. The commissioner from time to time, shall fix
19 the per diem salary, computed on the basis of actual time
20 devoted to the discharge of their duties, to be paid the
21 members of such board, and they shall also be entitled
22 to reasonable and necessary traveling and other expenses
23 incurred while actually engaged in the performance of
24 their duties.

25 In the event the board shall deem it desirable, it may
26 appoint a physician or physicians of good professional
27 standing, admitted to practice medicine and surgery in
28 this state, to conduct such clinical, physical and X-ray
29 examinations of claimants as may in the opinion of the
30 board be necessary. Such examiner or examiners shall
31 prepare a written report setting forth their findings with
32 respect to all medical questions involved in the claim;
33 copies of such report shall be furnished the employee and
34 employer and filed with the board, together with a copy
35 of all hospital records, laboratory findings, X-rays or other
36 evidence considered by such examiner or examiners; such
37 records and reports shall then be considered by the board
38 in passing upon the medical issues involved in the claim.
39 Any such examiners shall be paid such fees and expenses
40 as may be prescribed by the commissioner.

2 *Sec. 8-e. Occupational Diseases Medical Board; Pro-*
3 *cedure; Autopsy.*—The occupational diseases medical
4 board, upon reference to it by the commissioner of a case
5 involving an occupational disease other than silicosis,
6 shall notify the employee, or in case he is dead, the claim-
7 ant, and the employer, to appear before such board, or
8 before an examiner or examiners appointed by it, at the
9 time and place stated in the notice. If the employee be
10 living, he shall appear at the time and place specified and
11 submit to such examination, including clinical and X-ray
12 examinations, as the board may require. If a physician
13 licensed to practice medicine in the state shall make affi-
14 davit that the employee is physically unable to appear
15 at the time and place designated by the board, such board
16 shall, on notice to the proper parties, change the place
17 and time as may reasonably facilitate the hearing or ex-
amination of the employee. The employee, or in case he

18 is dead, the claimant, and the employer shall also produce
19 as evidence for the board, or for any examiner appointed
20 by it, all reports of medical and X-ray examinations which
21 may be in their respective possession or control, showing
22 the past or present condition of the employee. If the em-
23 ployee be dead, the notice of the board shall further re-
24 quire that the claimant produce necessary consents and
25 permits so that an autopsy may be performed, if the board
26 shall so direct. When in the opinion of the board an au-
27 topsy is deemed necessary accurately and scientifically
28 to ascertain and determine the cause of death, such au-
29 topsy examination shall be ordered by the board, which
30 shall designate a duly licensed physician, a pathologist,
31 or such other specialists as may be deemed necessary by
32 the board, to make such examination and tests to deter-
33 mine the cause of death and certify his or their written
34 findings, in triplicate, to the board, which findings shall
35 be public records. In the event that a claimant for com-
36 pensation for such death refuses to consent and permit
37 such autopsy to be made, all rights for compensation shall
38 thereupon be forfeited.

39 The employee, or if he be dead, the claimant, and the
40 employer, shall be entitled to be present at all examina-
41 tions conducted by the board, or by any examiner ap-
42 pointed by it, and to be represented by attorneys and
43 physicians.

Sec. 8-f. *Occupational Diseases Medical Board; Reports
2 and Distribution Thereof, Findings Required of Board;
3 Objection to Findings; Procedure Thereon.*—The occupa-
4 tional diseases medical board, as soon as practicable, after
5 it has completed its investigation, shall make its written
6 report, to the commissioner, of its findings and conclu-
7 sions on every medical question in controversy, and the
8 commissioner shall send one copy thereof to the employee
9 or claimant and one copy to the employer, and the board
10 shall also return to and file with the commissioner all
11 the evidence, as well as all statements under oath, if any,
12 of the persons who appeared before it or before any ex-
13 aminer appointed by it on behalf of the employee or claim-
14 ant, or employer, and also all medical reports and X-ray

15 examinations produced by or on behalf of the employee
16 or claimant, or the employer.

17 The findings and conclusions of the board shall set forth,
18 among other things, the following:

19 (a) Does the claimant suffer from a disease or infec-
20 tion? If so, what?

21 (b) When was such disease or infection, if any, con-
22 tracted and approximately how long has claimant suffered
23 therefrom?

24 (c) Is such disease or infection, if any, peculiar to the
25 industrial process, trade or occupation in which claimant
26 has been last employed?

27 (d) Was such disease or infection, if any, incurred in
28 the course of and did it result from the claimant's regular
29 employment in such industrial process, trade or occupa-
30 tion?

31 (e) Is such disease, if any, disabling to the claimant?

32 (f) If so, to what degree is claimant disabled by such
33 occupational disease?

34 (g) Any other matter deemed pertinent by the board.

35 If the claim be for death benefits under the provisions
36 of this chapter, the medical board shall find on each of the
37 above questions as of a date immediately preceding the
38 employee's death, and in addition shall find the cause of
39 death.

40 If either party objects to the whole or any part of such
41 findings and conclusions of the board, he shall file with
42 the commissioner, within fifteen days of the mailing of
43 such copy to him unless for good cause shown the com-
44 missioner extends such time, his objections thereto in
45 writing, specifying the particular statements of the board's
46 findings and conclusions to which he objects. After the
47 time has expired for the filing of objections to the findings
48 and conclusions of the board, the commissioner shall pro-
49 ceed to act as provided in this chapter. If after the time
50 has expired for the filing of objections to the findings and
51 conclusions of the board no objections have been filed,
52 the report of a majority of the board of its findings and
53 conclusions on any medical question shall be taken to be
54 plenary and conclusive evidence of the findings and con-

55 clusions therein stated. If objection has been filed to the
56 findings and conclusions of the board, notice thereof shall
57 be given to the board, and the members thereof who
58 joined in such findings and conclusions, and any exam-
59 iner who filed a report in the case, shall appear at the
60 time fixed by the commissioner for the hearing to submit
61 to examination and cross-examination in respect to such
62 findings and conclusions. At such hearing evidence to
63 support or controvert the findings and conclusions of the
64 board shall be heard.

Sec. 9. *Physical and Vocational Rehabilitation.*— In
2 cases where an employee has sustained a permanent dis-
3 ability, or has sustained injuries likely to result in per-
4 manent disability, and such fact has been determined by
5 the commissioner, and the employee can be physically
6 and vocationally rehabilitated and returned to remunera-
7 tive employment by vocational training, by the use of
8 crutches, artificial limbs, or other approved mechanic
9 appliances, or by medicines, medical, surgical, dental or
10 hospital treatment, the commissioner shall forthwith, after
11 due notice to the employer, expend such an amount as
12 may be necessary for the aforesaid purposes, not, how-
13 ever, in any case, to exceed the sum of eight hundred dol-
14 lars. No payment, however, shall be made for such pur-
15 poses as provided by this section unless authorized by the
16 commissioner prior to the rendering of such treatment.

4 shall determine whether the claimant was exposed to the
5 hazard of silicon dioxide dust for a continuous period of
6 not less than sixty days while in the employ of the em-

8 and whether in the state of West Virginia the claimant
9 was exposed to such hazard over a continuous period of
10 not less than two years during the ten years immediately
11 preceding the date of his last exposure thereto. If a claim
12 for silicosis benefits be filed by a dependent of a deceased
13 employee, the commissioner shall determine whether the
14 deceased employee was exposed to the hazard of silicon
15 dioxide dust for a continuous period of not less than sixty
16 days while in the employ of the employer within six
17 years prior to the filing of the claim, and whether in
18 the state of West Virginia the deceased employee was
19 exposed to such hazard over a continuous period of not
20 less than two years during the ten years immediately pre-
21 ceding the date of his last exposure thereto. The com-
22 missioner shall also determine such other nonmedical facts
23 as may in his opinion be pertinent to a decision on the
24 validity of the claim.

25 The commissioner shall give each interested party
26 notice in writing of his findings with respect to all such
27 nonmedical facts and such findings shall be subject to
28 objection and hearing as provided in section one, article
29 five of this chapter.

Sec. 15-c. *Nonmedical Questions Determined by Com-
2 missioner on Hearing of Claim for Occupational Diseases
3 other than Silicosis.*—On the hearing of a claim for com-
4 pensation for an occupational disease other than silicosis,
5 the commissioner shall hear, determine and file findings
6 covering, but not limited to, the following nonmedical
7 questions:

8 (a) Whether the employee was in fact, within two
9 years prior to the filing of his claim, in the employ of the
10 employer, and, if so, the duration of such employment
11 and whether or not such employment was subject to the
12 provisions hereof.

13 (b) The occupation or occupations, process or pro-
14 cesses, in which the employee was engaged during such
15 employment and the approximate periods of work in each
16 such occupation or process.

17 (c) The employments, previous and subsequent to the
18 employment out of which the claim arose, the duration
19 thereof and the exposure therein to the hazard causing
20 the occupational disease.

21 (d) Whether the last injurious exposure to the hazard
22 causing occupational disease in the employment with the
23 employer lasted for a continuous period of not less than
24 sixty days and occurred within two years prior to the filing
25 of the claim, and if the employee is no longer in the service
26 of the employer, the date upon which such employee ceased
27 so to work; and, if the employee has died, the date and
28 place of such death, and the place of interment of the body.

29 The parties may in writing waive the hearing required
30 by this section, in which case the commissioner shall de-
31 termine the nonmedical facts listed above, and such other
32 nonmedical facts as may in his opinion be pertinent to a
33 decision on the validity of the claim.

34 The commissioner shall give each interested party notice
35 in writing of his findings with respect to all such non-
36 medical facts, and such findings shall be subject to objec-
37 tion and hearing as provided in section one, article five of
38 this chapter.

2 *Sec. 16. Commissioner's Jurisdiction over Case Con-*
3 *tinuous; Modification of Finding or Order; Time Limi-*

5 commissioner over each case shall be continuing and he
6 may from time to time, after due notice to the employer,
7 make such modifications or changes with respect to former
8 findings or orders as may be justified: *Provided,*
9 *however,* That no further award may be made in fatal
cases arising after March seventh, one thousand nine

10 hundred twenty-nine, except within two years after the
11 death of the employee, or, in case of non-fatal injuries,
12 on and after March seventh, one thousand nine hundred
13 twenty-nine, except within three years after payments
14 for temporary disability shall have ceased or within one
15 year after the commissioner shall have made the last
16 payment in any permanent disability case: *And provided*
17 *further*, That no such modification or change may be
18 made in any case in which no award has been made,
19 except within three years after the date of injury. In
20 any case in which an injured employee shall make ap-
21 plication for a further adjustment of his claim, if such
22 application be in writing and filed within the applicable
23 time limit as prescribed herein, the commissioner shall
24 pass upon and determine the merits of such application
25 within thirty days after the filing thereof.

26 If such application is based on a report of any medical
27 examination made of the claimant and submitted by the
28 claimant to the commissioner in support of his applica-
29 tion, and the claim is opened for further consideration and
30 additional award is later made, the claim shall be reim-
31 bursed for the expenses of such examination. Such reim-
32 bursement shall be made by the commissioner to the
33 claimant, in addition to all other benefits awarded, upon
34 due proof of the amount thereof being furnished the com-
35 missioner by the claimant, but shall in no case exceed the
36 sum of fifty dollars.

2 claimant shall employ an attorney to represent him in
3 connection with any claim arising under this chapter and

6 claimant, it shall be the duty of the commissioner to
7 protect such attorney in the collection of his fee to the
8 extent hereinafter provided, and if such contract does
9 not violate the schedule of fees specified herein, the com-

10 missioner shall pay the fee directly to the attorney from
11 any award made in favor of the claimant.

12 In the case of an uncontested claim in respect to which
13 the commissioner has not denied an award or has not
14 refused to make an award in the amount requested by the
15 claimant, the commissioner shall not assist the attorney
16 in the collection of any fee. If, however, in the case of an
17 uncontested claim the commissioner shall, prior to the
18 filing of a formal protest, make an award previously de-
19 nied or shall increase the amount of a claim previously
20 awarded, the attorney fee shall not exceed seventy-five

25 determined while pending before the appeal board, the
26 attorney fee shall not exceed three hundred dollars; and
27 if the claim is finally determined by the supreme court of
28 appeals, or if an appeal is allowed by such court, the at-

30 event, however, shall the commissioner pay an aggregate
31 attorney fee of more than five hundred dollars in respect
32 to any one claim, nor shall he pay an aggregate attorney
33 fee of more than twenty-five per cent of the total award
34 therein, nor shall he pay an aggregate attorney fee of
35 more than twenty-five per cent of any increase in an
36 award that may be made in any case in which a previous
37 award had been made prior to the employment of the

39 the commissioner upon the original application without
40 having been first denied.

HOUSE CONCURRENT RESOLUTION NO. 18

(By Mr. Speaker, Mr. Flannery)

[Adopted March 4, 1949.]

Relating to adding a course in coal mining to the public school curriculum.

WHEREAS, The largest industry of the State of West Virginia is the production of bituminous coal which employs more than one hundred thousand workers and produces annually more than one hundred sixty million tons of coal, which huge production is made possible because a majority of the mines are mechanized and the employees have become by experience skilled workers; and

WHEREAS, The hazards to the employees of this industry are great, and altogether too many employees are annually killed, crippled, disabled or otherwise incapacitated; and

WHEREAS, The essentials of agriculture, home economics, sanitation, dairying and like subjects are now taught in the public schools and institutions of higher learning of this State; therefore, be it

Resolved by the House of Delegates, the Senate concurring therein:

That because of the hazards to employees of the coal mining industry and the large number of casualties suffered by such employees, it is the sense of the Legislature that the youth of the State, from whose ranks must come tomorrow's coal miners, should be taught the rudiments of coal mining in the public schools of this State; and that the State Board of Education be hereby requested to take such appropriate action as may be

necessary to insure that a course in coal mining be added to the public school curriculum.

HOUSE CONCURRENT RESOLUTION NO. 22

(By Mr. Doringer)

[Adopted March 10, 1949.]

Memorializing the Congress in opposition to the appropriation of federal funds to plan and initiate construction of a coal-burning steam power plant for the Tennessee Valley Authority.

WHEREAS, The Congress has had under consideration the appropriation of \$2,500,000 to provide plans and initiate construction of a coal-burning steam unit for the TVA which would eventually cost \$85,000,000; and

WHEREAS, Bituminous coal production is West Virginia's greatest basic industry, providing a livelihood for 125,000 West Virginia coal miners who are dependent on continued high production of bituminous coal; and

WHEREAS, The proposed coal-burning steam power plant for TVA would directly or indirectly displace a large tonnage of West Virginia coal; and

WHEREAS, Many industries now domiciled in the northeastern portion of the United States have been seeking locations for new plants in areas where coal and other sources of power are more abundant, are locating in the TVA area rather than in West Virginia because of the advantages provided at TVA at the expense of taxpayers in West Virginia and other states outside that area; and

WHEREAS, Many West Virginia communities, now wholly dependent for support upon the bituminous coal, are seeking new industries to provide for greater employment now as well as to utilize either for fuel or processing a greater volume of West Virginia's coal within the borders of the State; and

WHEREAS, The members of the West Virginia Legislature, particularly those from coal producing and new-industry-seek-

ing areas of West Virginia, are increasingly concerned about the displacement of West Virginia's coal miners, through competition from the TVA; therefore, be it

Resolved by the House of Delegates, the Senate concurring therein:

That we urge the Congress of the United States to refuse to approve the \$2,500,000 appropriation for a coal-burning steam power plant for the TVA, and that we earnestly request West Virginia's members of the Senate and the House of Representatives to use all honorable means to oppose the pending appropriation, and that a copy of this resolution be forwarded to all members of the West Virginia delegation in the Congress, and to the chairmen of the appropriate committees thereof.

HOUSE CONCURRENT RESOLUTION NO. 24

(By Mr. Johnston)

[Adopted March 12, 1949.]

Condemning persecution of pastors and clergymen in Hungary and Bulgaria.

WHEREAS, It has come to our attention that fifteen clergymen of the Methodist, Baptist, Congregational, and Pentacostal churches in Bulgaria have been arrested and tried by the Soviet-controlled Communist dictators of that country upon various shabby pretexts, but for the actual and evident purpose of destroying religious freedom in and completing the enslavement of the oppressed peoples of that unhappy country; and

WHEREAS, It has also come to our attention that the Catholic cardinal of Hungary, Joseph Cardinal Mindszenty, has been arrested, tried, and condemned by the Soviet-controlled Communist dictatorship of that country upon various equally shabby pretexts, also for the actual and evident purpose of destroying religious freedom in and completing the enslavement of the oppressed peoples of that unhappy land; and

WHEREAS, A bishop of the Lutheran Church, the Reverend Lajos Ordass, has for many months languished in prison in Hungary, having been arrested on base and trumped-up charges by the Communist authorities of Hungary for the

equally evident purpose of destroying religious freedom and completing the enslavement of the unhappy Hungarian people; therefore, be it

Resolved by the House of Delegates, the Senate concurring therein:

That we, the Legislature of the sovereign State of West Virginia, do most solemnly condemn the persecution of the pastors and clergymen of the Methodist, Baptist, Congregational, Pentacostal, Catholic and Lutheran churches in Hungary and Bulgaria.

That we furthermore do most solemnly condemn the trials of the clergymen aforesaid as being trials by kangaroo courts, shameful, and obscene mockeries of justice, and in effect nothing other than legalized lynchings.

That we furthermore do most solemnly condemn the so-called "confessions" extracted by the government in these trials as having been obtained under force and duress, and as an obvious result of the use of drugs or torture, mental or physical, upon the unhappy victims.

That we furthermore do, in the name of the people of the State of West Virginia, most solemnly condemn the persecution of Protestant, Catholic and Jew carried on at present by the Soviet-controlled dictatorships of eastern Europe as being a deliberate effort to destroy the freedom of religion in those lands, and therefore as deserving of the solemn condemnation of free men everywhere.

That we furthermore order and direct that a copy of this resolution be sent to the President of the United States of America, one to the Secretary of State of the United States of America, and one to the President of the United States Senate.
