[Passed March 13, 2010; in effect ninety days from passage.]
[Approved by the Governor on April 2, 2010.]

AN ACT to amend and reenact §17A-3-2 of the Code of West Virginia, 1931, as amended, relating to motor vehicle registration requirements; adding an exemption from registration and certificate of title requirements for mini-trucks used for agricultural or horticultural purposes; increasing the distance for transporting fixtures attached to implements of husbandry; providing that an applicant for a farm use exemption certificate may not be required to appear before any assessor for renewal; and adding utility terrain vehicles to the list of recreational vehicles exempt from registration requirements.

Be it enacted by the Legislature of West Virginia:

That §17A-3-2 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

**ARTICLE 3. ORIGINAL AND RENEWAL OF
REGISTRATION; ISSUANCE OF
CERTIFICATES OF TITLE.**

§17A-3-2. Every motor vehicle, etc., subject to registration and certificate of title provisions; exceptions.

1 (a) Every motor vehicle, trailer, semitrailer, pole trailer
2 and recreational vehicle when driven or moved upon a
3 highway is subject to the registration and certificate of title
4 provisions of this chapter except:

5 (1) Any vehicle driven or moved upon a highway in
6 conformance with the provisions of this chapter relating to
7 manufacturers, transporters, dealers, lienholders or
8 nonresidents or under a temporary registration permit issued
9 by the division as authorized under this chapter;

10 (2) Any implement of husbandry upon which is securely
11 attached a machine for spraying fruit trees and plants of the
12 owner or lessee or for any other implement of husbandry
13 which is used exclusively for agricultural or horticultural
14 purposes on lands owned or leased by the owner of the
15 implement and which is not operated on or over any public
16 highway of this state for any other purpose other than for the
17 purpose of operating it across a highway or along a highway
18 other than an expressway as designated by the commissioner
19 of the division of highways from one point of the owner's
20 land to another part of the owner's land, irrespective of
21 whether or not the tracts adjoin: *Provided*, That the distance
22 between the points may not exceed thirty-five miles, or for
23 the purpose of taking it or other fixtures attached to the
24 implement, to and from a repair shop for repairs. The
25 exemption in this subdivision from registration and license
26 requirements also applies to any vehicle described in this
27 subsection or to any farm trailer owned by the owner or
28 lessee of the farm on which the trailer is used, when the
29 trailer is used by the owner of the trailer for the purpose of
30 moving farm produce and livestock from the farm along a
31 public highway for a distance not to exceed thirty-five miles
32 to a storage house or packing plant, when the use is a
33 seasonal operation:

34 (A) The exemptions contained in this section also apply
35 to farm machinery, tractors and mini-trucks: *Provided*, That

36 the machinery, tractors and mini-trucks may use the
37 highways in going from one tract of land to another tract of
38 land regardless of whether the land is owned by the same or
39 different persons. For the purposes of this section, mini-truck
40 means a foreign-manufactured import or domestic-
41 manufactured vehicle designed primarily for off-road use and
42 powered by an engine ranging in size from 550cc to 660cc
43 and weighing approximately one thousand eight hundred
44 pounds;

45 (B) Any vehicle exempted under this subsection from the
46 requirements of annual registration certificate and license
47 plates and fees for the registration certificate and license plate
48 may not use the highways between sunset and sunrise unless
49 the vehicle is classified as a Class A motor vehicle with a
50 farm-use exemption under the provisions of section one,
51 article ten of this chapter and has a valid and current
52 inspection sticker as required by the provisions of article
53 sixteen, chapter seventeen-c of this code and is traveling from
54 one tract of land to another over a distance of thirty-five
55 miles or less;

56 (C) Any vehicle exempted under this section from the
57 requirements of annual registration certificate and license
58 plates may use the highways as provided in this section
59 whether the exempt vehicle is self-propelled, towed by
60 another exempt vehicle or towed by another vehicle required
61 to be registered;

62 (D) Any vehicle used as an implement of husbandry
63 exempt under this section shall have the words "farm use"
64 affixed to both sides of the implement in ten-inch letters.
65 Any vehicle which would be subject to registration as a Class
66 A or B vehicle if not exempted by this section shall display
67 a farm-use exemption certificate on the lower driver's side of
68 the windshield:

69 (i) The farm-use exemption certificate shall be provided
70 by the commissioner and shall be issued annually by the
71 assessor of the applicant's county of residence. The assessor
72 shall issue a farm-use exemption certificate to the applicant
73 upon his or her determination pursuant to an examination of
74 the property books or documentation provided by the
75 applicant that the vehicle has been properly assessed as Class
76 I personal property. Nothing in this section or any rule
77 promulgated under the authority of chapter twenty-nine-a of
78 this code may be construed to require any applicant for a
79 renewal of a farm use exemption certificate to appear
80 personally before any assessor. The assessor shall charge a
81 fee of two dollars for each certificate, which shall be retained
82 by the assessor;

83 (ii) A farm-use exemption certificate shall not exempt the
84 applicant from maintaining the security required by chapter
85 seventeen-d of this code on any vehicle being operated on the
86 roads or highways of this state;

87 (iii) No person charged with the offense of operating a
88 vehicle without a farm-use exemption certificate, if required
89 under this section, may be convicted of the offense if he or
90 she produces in court, or in the office of the arresting officer,
91 a valid farm-use exemption certificate for the vehicle in
92 question within five days;

93 (3) Any vehicle which is propelled exclusively by electric
94 power obtained from overhead trolley wires though not
95 operated upon rails;

96 (4) Any vehicle of a type subject to registration which is
97 owned by the government of the United States;

98 (5) Any wrecked or disabled vehicle towed by a licensed
99 wrecker or dealer on the public highways of this state;

100 (6) The following recreational vehicles are exempt from
101 the requirements of annual registration, license plates and
102 fees, unless otherwise specified by law, but are subject to the
103 certificate of title provisions of this chapter regardless of
104 highway use: Motorboats, all-terrain vehicles, utility terrain
105 vehicles and snowmobiles; and

106 (7) Any special mobile equipment as defined in
107 subsection (r), section one, article one of this chapter.

108 (b) Notwithstanding the provisions of subsection (a) of
109 this section:

110 (1) Mobile homes or manufactured homes are exempt
111 from the requirements of annual registration, license plates
112 and fees;

113 (2) House trailers may be registered and licensed; and

114 (3) Factory-built homes are subject to the certificate of
115 title provisions of this chapter.

116 (c) The division shall title and register low-speed vehicles
117 if the manufacturer's certificate of origin clearly identifies the
118 vehicle as a low-speed vehicle. The division may not title or
119 register homemade low-speed vehicles or retrofitted golf
120 carts and such vehicles do not qualify as low-speed vehicles
121 in this state. In addition to all other motor vehicle laws and
122 regulations, except as specifically exempted below, low-
123 speed vehicles are subject to the following restrictions and
124 requirements:

125 (1) Low-speed vehicles shall only be operated on private
126 roads and on public roads and streets within the corporate
127 limits of a municipality where the speed limit is not more
128 than twenty-five miles per hour;

129 (2) Notwithstanding any provisions in this code to the
130 contrary, low-speed vehicles shall meet the requirements of
131 49 C.F.R. §571.500 (2003);

132 (3) In lieu of annual inspection, the owner of a low-speed
133 vehicle shall, upon initial application for registration and
134 each renewal thereafter, certify under penalty of false
135 swearing, that all lights, brakes, tires and seat belts are in
136 good working condition; and

137 (4) Any person operating a low-speed vehicle must hold
138 a valid driver's license, not an instruction permit.

ANTITHEFT PROVISIONS.**

**ARTICLE 3. ORIGINAL AND RENEWAL OF
REGISTRATION; ISSUANCE OF
CERTIFICATES OF TITLE.**

§17A-3-3. Application for registration; statement of insurance or other proof of security to accompany application; criminal penalties; fees; special revolving fund.

1 Every owner of a vehicle subject to registration under this
2 article shall make application to the division for the
3 registration of the vehicle upon the appropriate form or forms
4 furnished by the division and every application shall bear the
5 signature of the owner or his or her authorized agent, written
6 with pen and ink, and the application shall contain:

7 (a) The name, bona fide residence and mailing address of
8 the owner, the county in which he or she resides or business
9 address of the owner if a firm, association or corporation.

10 (b) A description of the vehicle including, insofar as the
11 data specified in this section may exist with respect to a given
12 vehicle, the make, model, type of body, the manufacturer's
13 serial or identification number or other number as determined
14 by the commissioner.

15 (c) In the event a motor vehicle is designed, constructed,
16 converted or rebuilt for the transportation of property, the
17 application shall include a statement of its declared gross weight
18 if the motor vehicle is to be used alone, or if the motor vehicle
19 is to be used in combination with other vehicles, the application
20 for registration of the motor vehicle shall include a statement of
21 the combined declared gross weight of the motor vehicle and the
22 vehicles to be drawn by the motor vehicle; declared gross weight
23 being the weight declared by the owner to be the actual
24 combined weight of the vehicle or combination of vehicles and

26 to place on the vehicle; and the application for registration of
27 each vehicle shall also include a statement of the distance

30 The declared gross weight stated in the application may
31 not exceed the permissible gross weight for the axle spacing
32 listed in the application as determined by the table of
33 permissible gross weights contained in chapter seventeen-c
34 of this code; and any vehicle registered for a declared gross
35 weight as stated in the application is subject to the single-axle
36 load limit set forth in that chapter.

37 (d) Each applicant shall state whether the vehicle is or is
38 not to be used in the public transportation of passengers or
39 property, or both, for compensation and if used for
40 compensation, or to be used, the applicants shall certify that
41 the vehicle is used for compensation and shall, as a condition
42 precedent to the registration of the vehicle, obtain a
43 certificate of convenience or permit from the Public Service
44 Commission unless otherwise exempt from this requirement
45 in accordance with chapter twenty-four-a of this code.

46 (e) A statement under penalty of false swearing that
47 liability insurance is in effect and will continue to be in effect
48 through the entire term of the vehicle registration period
49 within limits which may not be less than the requirement of

56 requirements of section two, article six of said chapter and
57 that as a self-insurer he or she has complied with the
58 minimum security requirements as established in section two,
59 article four of that chapter. If the commissioner determines
60 that the required security is not or was not in effect, he or she
61 shall suspend the vehicle owner's driver's license and revoke
62 the vehicle registration in accordance with the provisions of
63 article two-a, chapter seventeen-d of this code.

64 If any person making an application required under the
65 provisions of this section, in the application knowingly
66 provides false information, false proof of security or a false
67 statement of insurance, or if any person, including an
68 applicant's insurance agent, knowingly counsels, advises, aids
69 or abets another in providing false information, false proof of
70 security, or a false statement of insurance in the application
71 he or she is guilty of a misdemeanor and, upon conviction
72 thereof, shall be fined not more than five hundred dollars, or
73 be imprisoned in jail for a period not to exceed fifteen days,
74 or both fined and imprisoned and, in addition to the fine or
75 imprisonment, shall have his or her driver's license
76 suspended for a period of ninety days and vehicle registration
77 revoked if applicable.

78 (f) Any further information that is reasonably required by
79 the division to enable it to determine whether the vehicle is
80 lawfully entitled to registration.

81 (g) Each application for registration shall be accompanied
82 by the fees provided in this article and an additional fee of
83 fifty cents for each motor vehicle for which the applicant
84 seeks registration.

85 (h) Revocation of a motor vehicle registration pursuant to

88 on the certificate of title to the motor vehicle.

CHAPTER 17D. MOTOR VEHICLE SAFETY RESPONSIBILITY LAW.

ARTICLE 2A. SECURITY UPON MOTOR VEHICLES.

§17D-2A-1. Purpose of article.

§17D-2A-2. Scope of article.

§17D-2A-3. Required security; exceptions.

§17D-2A-6. Investigation by duly authorized law-enforcement officer to include inquiry regarding required security; notice by officer or court to Division of Motor Vehicles.

§17D-2A-6a. Determining if required security is in effect.

§17D-2A-7. Suspension or revocation of license, registration; reinstatement.

§17D-2A-8. Rules.

§17D-2A-1. Purpose of article.

1 The purpose of this article is to promote the public
2 welfare by requiring every owner or registrant of a motor
3 vehicle licensed in this state or operated in this state to
4 maintain certain security during the registration period for
5 the vehicle and to provide the means for the Division of
6 Motor Vehicles, law enforcement and the judicial branch to
7 electronically verify evidence of current insurance coverage
8 at any time while a vehicle has a current registration or is
9 operated on the roads and highways.

§17D-2A-2. Scope of article.

1 This article applies to the operation of all motor vehicles
2 required to be registered or operated on the roads and
3 highways to have the security in effect, as provided in
4 section two, article two of this chapter, with the exception of
5 motor vehicles owned by the state, any of its political
6 subdivisions or by the federal government.

7 For the purposes of this article, commercial auto
8 coverage is defined as any coverage provided to an insured,
9 regardless of number of vehicles or entity covered, under a
10 commercial coverage form and rated from a commercial
11 manual approved by the Department of Insurance. This
12 article shall not apply to vehicles insured under commercial
13 auto coverage; however, insurers of such vehicles may
14 participate on a voluntary basis.

§17D-2A-3. Required security; exceptions.

1 (a) Every owner or registrant of a motor vehicle required
2 to be registered and licensed in this state shall maintain
3 security as hereinafter provided in effect continuously

4 throughout the registration or licensing period except in case
5 of a periodic use or seasonal vehicle, in which case the
6 owner or registrant is required to maintain security upon the
7 vehicle only for the portion of the year the vehicle is in
8 actual use. As used in this section, a periodic use or

9 the existence upon the vehicle or vehicles of the evidence of
10 insurance or other security required by the provisions of this
11 code and upon a finding by the law-enforcement agency,

19 that requires an appearance in court shall present the court
20 at the time of his or her appearance or subsequent
21 appearance with proof that the defendant had security at the

§17D-2A-6a. Determining if required security is in effect.

1 (a) The commissioner may make a determination that
2 the required security on a motor vehicle is not in effect
3 based upon crash reports required under the provisions of
4 article four, chapter seventeen-c of this code, reports or
5 citations from law-enforcement agencies, citations or
6 abstracts of conviction from courts or from information
7 from an on-line electronic insurance verification program.

8 (b) The commissioner is authorized to develop and
9 implement an electronic insurance verification program
10 based upon a model established by the Insurance Industry
11 Committee on Motor Vehicle Administration to
12 electronically verify evidence of insurance coverage with
13 insurance companies.

14 (c) The commissioner may contract with a third party
15 vendor to act as his or her agent to develop the program,

21 reasonable down time for system maintenance as agreed upon
22 by the division or its agent and the insurance carrier, the
23 liability insurance status as of the time of the inquiry or at
24 other times not exceeding six months prior unless otherwise
25 agreed upon by the division or its agent and the insurance

35 policy number or other data elements as otherwise agreed to
36 by the division or its agent and the insurer.

37 (3) Provide sufficient measures for the security and
38 integrity of data including a requirement that the information
39 obtained through the operation of the program be only used

41 agent, law enforcement and the judiciary to effectuate the
42 provisions of this article; and

43 (4) Utilize open and agreed upon data and data

65 industry and United States motor vehicle agency standards
66 pertinent to the transmission of personal data;

67 (5) Be immune from civil and administrative liability for
68 good faith efforts to comply with the terms of the verification
69 program; and

70 (6) As a condition of writing motor vehicle liability
71 insurance in this state, insurance carriers shall cooperate with
72 the division or its agent and the insurance commission in
73 establishing and maintaining an insurance verification
74 system. Nothing prohibits an insurer from using the services
75 of a third party vendor for facilitating the insurance
76 verification program required by this section.

77 (f) If the commissioner develops and implements an on-
78 line insurance verification program, the Division of Motor
79 Vehicles or its agent as applicable shall:

80 (1) Consult and cooperate with insurers in establishing

93 (5) For all information transmitted and received,
94 implement and maintain strict system and data security
95 measures consistent with applicable standards. Data secured
96 via the reporting system by either the division or its agent
97 may not be shared with any party other than those permitted

108 the sole use of the Division of Motor Vehicles or its agent,
109 law enforcement and the judiciary to effectuate the provisions
110 of this article and is exempt from disclosure under the
111 provisions of article one, chapter twenty-nine-b and may not
112 be considered a public record as defined in section two,
113 article one, chapter twenty-nine-b of this code.

6 division of motor vehicles and shall have his or her motor
7 vehicle registration revoked as follows:

8 (1) For the first offense, the commissioner shall suspend
9 the driver's license and vehicle registration until such time as
10 he or she presents current proof of insurance on all currently
11 registered vehicles: *Provided*, That if an owner complies with
12 the provisions of this subdivision, and pays a penalty fee of
13 \$200 before the effective date, the driver's license suspension
14 of thirty days shall not be imposed and the vehicle
15 registration revocation shall be not imposed and no
16 reinstatement fees are required.

17 (2) For the second offense within five years, the
18 commissioner shall suspend the owner's driver's license for
19 a period of thirty days and shall revoke the owner's vehicle
20 registration until he or she presents to the Division of Motor
21 Vehicles the proof of security required by this article.

22 (3) For the third or subsequent offense within five years,
23 the commissioner shall suspend the owner's driver's license
24 for a period of ninety days and revoke the vehicle registration
25 until such time as he or she presents current proof of
26 insurance.

27 (4) If the motor vehicle is titled and registered in more
28 than one name, the commissioner shall suspend the driver's
29 license of only one of the owners.

30 (b) Any person who knowingly operates a motor vehicle
31 upon the roads or highways of this state which does not have
32 the security required by the provisions of this article shall
33 have his or her driver's license suspended by the
34 commissioner subject to the following:

35 (1) For the first offense, the commissioner shall suspend
36 the driver's license until such time as he or she presents
37 current proof of insurance on all currently registered vehicles:
38 *Provided*, That if a driver complies with the provisions of this
39 section and pays a penalty fee of \$200 before the effective

46 (3) For the third or subsequent offense within five years,
47 the commissioner shall suspend the person's driver's license
48 for a period of ninety days.

49 (c) A person's driver's license shall be suspended in
50 accordance with subsection(b) of this section if the person is
51 operating a motor vehicle designated for off-highway use
52 upon the roads and highways of this state without the
53 required security in effect.

54 (d) The commissioner may withdraw a suspension of a
55 driver's license or revocation of a motor vehicle registration

57 provided that the commissioner is satisfied that there was not
58 a violation of the provisions of required security related to
59 operation of a motor vehicle upon the roads or highways of
60 this state by such person. The commissioner may request
61 additional information as needed in order to make such
62 determination.

63 (e) A person may not have his or her driver's license
64 suspended or motor vehicle registration revoked under any
65 provisions of this section unless he or she and any lienholder

68 at least thirty days prior to the effective date of such
69 suspension or revocation, and upon that person's written
70 request, he or she shall be afforded an opportunity for a
71 hearing thereupon as well as a stay of the commissioner's
72 order of suspension or revocation and an opportunity for
73 judicial review of such hearing. The request for a hearing
74 shall be made within ten days from the date of receipt of the
75 notice of driver's license suspension or motor vehicle
76 registration revocation. The scope of the hearing is limited
77 to questions of identity or whether or not there was insurance
78 in effect at the time of the event causing the commissioner's
79 action. Upon affirmation of the commissioner's order, the
80 period of suspension, revocation or other penalty commences
81 to run.

82 (f) A suspended driver's license is reinstated following
83 the period of suspension upon compliance with the conditions
84 set forth in this article and a revoked motor vehicle
85 registration is reissued only upon lawful compliance with the
86 provisions of this article.

87 (g) Revocation of a motor vehicle registration pursuant to
88 this section does not affect the perfection or priority of a lien
89 or security interest attaching to the motor vehicle that is noted
90 on the certificate of title to the motor vehicle.

91 (h) Any owner or driver of a motor vehicle determined by
92 an electronic insurance verification program to be uninsured

6 liability insurance or of property damage liability insurance

109 this section.

110 (2) If the prosecuting attorney objects to the
111 expungement, the objections shall be filed with the court
112 within 30 days after service of a motion for expungement and
113 copies of the objections shall be served on the defendant or
114 the defendant's attorney.

115 (3) If the objections are filed, the court shall hold a
116 hearing on the objections, affording all parties an opportunity
117 to be heard. If the court determines after a hearing that the
118 person during the period of his or her probation and during
119 the period of time prior to his or her application to the court
120 under this subsection has not been guilty of any serious or
121 repeated violation of the conditions of his or her probation,
122 it shall order the expungement.

123 (i) Notwithstanding any provision of this code to the
124 contrary, any person prosecuted for a violation of
125 subsection(d), section two, article five of this chapter whose
126 case is disposed of pursuant to the provisions of this section
127 shall be liable for any court costs assessable against a person
128 convicted of a violation of subsection (j), section two, article
129 five of this chapter. Payment of such costs may be made a
130 condition of probation. The costs assessed pursuant to this
131 subsection, whether as a term of probation or not, shall be
132 distributed as other court costs in accordance with section
133 two, article three, chapter fifty, section four, article two-a,
134 chapter fourteen, section four, article twenty-nine, chapter
135 thirty and sections two, seven and ten, article five, chapter
136 sixty-two of this code.

**§17C-5-7. Refusal to submit to tests; revocation of license or
privilege; consent not withdrawn if person
arrested is incapable of refusal; hearing.**

1 (a) If any person under arrest as specified in section four
2 of this article refuses to submit to any secondary chemical
3 test, the tests shall not be given: *Provided*, That prior to the
4 refusal, the person is given an oral warning and a written
5 statement advising him or her that his or her refusal to submit
6 to the secondary test finally designated will result in the
7 revocation of his or her license to operate a motor vehicle in
8 this state for a period of at least forty-five days and up to life;
9 and that after fifteen minutes following the warnings the

10 refusal is considered final. The arresting officer after that
11 period of time expires has no further duty to provide the
12 person with an opportunity to take the secondary test. The
13 officer shall, within forty-eight hours of the refusal, sign and
14 submit to the Commissioner of Motor Vehicles a written
15 statement of the officer that: (1) He or she had reasonable
16 grounds to believe the person had been driving a motor
17 vehicle in this state while under the influence of alcohol,
18 controlled substances or drugs; (2) the person was lawfully
19 placed under arrest for an offense relating to driving a motor
20 vehicle in this state while under the influence of alcohol,
21 controlled substances or drugs; (3) the person refused to
22 submit to the secondary chemical test finally designated in
23 the manner provided in section four of this article; and (4) the
24 person was given a written statement advising him or her that
25 his or her license to operate a motor vehicle in this state
26 would be revoked for a period of at least forty-five days and
27 up to life if he or she refused to submit to the secondary test
28 finally designated in the manner provided in section four of
29 this article. The signing of the statement required to be
30 signed by this section constitutes an oath or affirmation by
31 the person signing the statement that the statements contained
32 in the statement are true and that any copy filed is a true
33 copy. The statement shall contain upon its face a warning to
34 the officer signing that to willfully sign a statement
35 containing false information concerning any matter or thing,
36 material or not material, is false swearing and is a
37 misdemeanor. Upon receiving the statement the
38 commissioner shall make and enter an order revoking the
39 person's license to operate a motor vehicle in this state for the
40 period prescribed by this section.

41 For the first refusal to submit to the designated secondary
42 chemical test, the commissioner shall make and enter an
43 order revoking the person's license to operate a motor vehicle
44 in this state for a period of one year or forty-five days, with
45 an additional one year of participation in the Motor Vehicle

46 Alcohol Test and Lock Program in accordance with the
47 provisions of section three-a, article five-a of this chapter:
48 *Provided*, That a person revoked for driving while under the
49 influence of drugs is not eligible to participate in the Motor
50 Vehicle Test and Lock Program. The application for
51 participation in the Motor Vehicle Alcohol Test and Lock
52 Program shall be considered to be a waiver of the hearing
53 provided in section two of said article. If the person's license
54 has previously been revoked under the provisions of this
55 section, the commissioner shall, for the refusal to submit to
56 the designated secondary chemical test, make and enter an
57 order revoking the person's license to operate a motor vehicle
58 in this state for a period of ten years: *Provided, however*,
59 That the license may be reissued in five years in accordance
60 with the provisions of section three, article five-a of this
61 chapter. If the person's license has previously been revoked
62 more than once under the provisions of this section, the
63 commissioner shall, for the refusal to submit to the
64 designated secondary chemical test, make and enter an order
65 revoking the person's license to operate a motor vehicle in
66 this state for a period of life. A copy of each order shall be
67 forwarded to the person by registered or certified mail, return
68 receipt requested, and shall contain the reasons for the
69 revocation and shall specify the revocation period imposed
70 pursuant to this section. A revocation shall not become
71 effective until ten days after receipt of the copy of the order.
72 Any person who is unconscious or who is otherwise in a
73 condition rendering him or her incapable of refusal shall be
74 considered not to have withdrawn his or her consent for a test
75 of his or her blood, breath or urine as provided in section four
76 of this article and the test may be administered although the
77 person is not informed that his or her failure to submit to the
78 test will result in the revocation of his or her license to
79 operate a motor vehicle in this state for the period provided
80 for in this section. A revocation under this section shall run
81 concurrently with the period of any suspension or revocation
82 imposed in accordance with other provisions of this code and

83 growing out of the same incident which gave rise to the arrest
84 for driving a motor vehicle while under the influence of
85 alcohol, controlled substances or drugs and the subsequent
86 refusal to undergo the test finally designated in accordance
87 with the provisions of section four of this article.

88 (b) For the purposes of this section, where reference is
89 made to previous suspensions or revocations under this
90 section, the following types of suspensions or revocations
91 shall also be regarded as suspensions or revocations under
92 this section:

93 (1) Any suspension or revocation on the basis of a
94 conviction under a municipal ordinance of another state or a
95 statute of the United States or of any other state of an offense
96 which has the same elements as an offense described in
97 section two of this article for conduct which occurred on or
98 after June 10, 1983; and

99 (2) Any revocation under the provisions of section one or
100 two, article five-a of this chapter for conduct which occurred
101 on or after June 10, 1983.

102 (c) A person whose license to operate a motor vehicle in
103 this state has been revoked shall be afforded an opportunity
104 to be heard, in accordance with the provisions of section two,
105 article five-a of this chapter.

**ARTICLE 5A. ADMINISTRATIVE PROCEDURES FOR
SUSPENSION AND REVOCATION
OF LICENSES FOR DRIVING UNDER
THE INFLUENCE OF ALCOHOL,
CONTROLLED SUBSTANCES OR
DRUGS.**

§17C-5A-1a. Revocation upon conviction for driving under the influence of alcohol,
controlled substances or drugs.

§17C-5A-2. Hearing; revocation; review.

§17C-5A-3. Safety and treatment program; reissuance of license.

§17C-5A-3a. Establishment of and participation in the Motor Vehicle Alcohol Test and Lock Program.

§17C-5A-1a. Revocation upon conviction for driving under the influence of alcohol, controlled substances or drugs.

1 (a) If a person has a term of conditional probation
2 imposed pursuant to section two-b, article five of this
3 chapter, or is convicted for an offense defined in section two,
4 article five of this chapter or for an offense described in a
5 municipal ordinance which has the same elements as an
6 offense described in said section because the person did drive
7 a motor vehicle while under the influence of alcohol,
8 controlled substances or drugs, or the combined influence of
9 alcohol or controlled substances or drugs, or did drive a
10 motor vehicle while having an alcohol concentration in his or
11 her blood of eight hundredths of one percent or more, by
12 weight, or did drive a motor vehicle while under the age of
13 twenty-one years with an alcohol concentration in his or her
14 blood of two hundredths of one percent or more, by weight,
15 but less than eight hundredths of one percent, by weight, and
16 if the person does not act to appeal the conviction within the
17 time periods described in subsection (b) of this section, the
18 person's license to operate a motor vehicle in this state shall
19 be revoked or suspended in accordance with the provisions
20 of this section.

21 (b) The clerk of the court in which a person has had a
22 term of conditional probation imposed pursuant to section
23 two-b, article five of this chapter, or is convicted for an
24 offense described in section two, article five of this chapter
25 or for an offense described in a municipal ordinance which
26 has the same elements as an offense described in said section
27 shall forward to the commissioner a transcript of the
28 judgment of conviction. If the conviction is the judgment of
29 a magistrate court, the magistrate court clerk shall forward

30 the transcript when the person convicted has not requested an
31 appeal within twenty days of the sentencing for such
32 conviction. If the term of conditional probation is the act of
33 a magistrate court, the magistrate court clerk shall forward
34 the transcript when the order imposing the term of
35 conditional probation is entered. If the conviction is the
36 judgment of a mayor or police court judge or municipal court
37 judge, the clerk or recorder shall forward the transcript when
38 the person convicted has not perfected an appeal within ten
39 days from and after the date upon which the sentence is
40 imposed. If the conviction is the judgment of a circuit court,
41 the circuit clerk shall forward the transcript when the person
42 convicted has not filed a notice of intent to file a petition for
43 appeal or writ of error within thirty days after the judgment
44 was entered.

45 (c) If, upon examination of the transcript of the judgment
46 of conviction, or imposition of a term of conditional
47 probation pursuant to section two-b, article five of this
48 chapter, the commissioner determines that the person was
49 convicted for an offense described in section two, article five
50 of this chapter or had a period of conditional probation
51 imposed pursuant to section two-b, article five of this
52 chapter, or for an offense described in a municipal ordinance
53 which has the same elements as an offense described in said
54 section because the person did drive a motor vehicle while
55 under the influence of alcohol, controlled substances or
56 drugs, or the combined influence of alcohol or controlled
57 substances or drugs, or did drive a motor vehicle while
58 having an alcohol concentration in his or her blood of eight
59 hundredths of one percent or more, by weight, the
60 commissioner shall make and enter an order revoking the
61 person's license to operate a motor vehicle in this state. If the
62 commissioner determines that the person was convicted of
63 driving a motor vehicle while under the age of twenty-one
64 years with an alcohol concentration in his or her blood of two
65 hundredths of one percent or more, by weight, but less than

66 eight hundredths of one percent, by weight, the commissioner
67 shall make and enter an order suspending the person's license
68 to operate a motor vehicle in this state. The order shall
69 contain the reasons for the revocation or suspension and the
70 revocation or suspension periods provided for in section two
71 of this article. Further, the order shall give the procedures for
72 requesting a hearing which is to be held in accordance with
73 the provisions of said section. The person shall be advised in
74 the order that because of the receipt of a transcript of the
75 judgment of conviction by the commissioner a presumption
76 exists that the person named in the transcript of the judgment
77 of conviction is the person named in the commissioner's
78 order and such constitutes sufficient evidence to support
79 revocation or suspension and that the sole purpose for the
80 hearing held under this section is for the person requesting
81 the hearing to present evidence that he or she is not the
82 person named in the transcript of the judgment of conviction.
83 A copy of the order shall be forwarded to the person by
84 registered or certified mail, return receipt requested. No
85 revocation or suspension shall become effective until ten
86 days after receipt of a copy of the order.

87 (d) The provisions of this section shall not apply if an
88 order reinstating the operator's license of the person has been
89 entered by the commissioner prior to the receipt of the
90 transcript of the judgment of conviction.

91 (e) For the purposes of this section, a person is convicted
92 when the person enters a plea of guilty or is found guilty by
93 a court or jury. A plea of no contest does not constitute a
94 conviction for purposes of this section except where the
95 person holds a commercial drivers' license or operates a
96 commercial vehicle.

§17C-5A-2. Hearing; revocation; review.

1 (a) Written objections to an order of revocation or
2 suspension under the provisions of section one of this article

3 or section seven, article five of this chapter shall be filed with
4 the Office of Administrative Hearings. Upon the receipt of
5 an objection, the Office of Administrative Hearings shall
6 notify the Commissioner of the Division of Motor Vehicles,
7 who shall stay the imposition of the period of revocation or
8 suspension and afford the person an opportunity to be heard
9 by the Office of Administrative Hearings. The written
10 objection must be filed with Office of Administrative
11 Hearings in person or by registered or certified mail, return
12 receipt requested, within thirty calendar days after receipt of
13 a copy of the order of revocation or suspension or no hearing
14 will be granted. The hearing shall be before a hearing
15 examiner employed by the Office of Administrative Hearings
16 who shall rule on evidentiary issues. Upon consideration of
17 the designated record, the hearing examiner shall, based on
18 the determination of the facts of the case and applicable law,
19 render a decision affirming, reversing or modifying the action
20 protested. The decision shall contain findings of fact and
21 conclusions of law and shall be provided to all parties by
22 registered or certified mail, return receipt requested.

23 (b) The hearing shall be held at an office of the Division
24 of Motor Vehicles located in or near the county in which the
25 arrest was made in this state or at some other suitable place
26 in the county in which the arrest was made if an office of the
27 division is not available. The Office of Administrative
28 Hearings shall send a notice of hearing to the person whose
29 license is at issue, the appropriate law-enforcement officers,
30 and the prosecuting attorney.

31 (c) (1) Any hearing shall be held within one hundred
32 eighty days after the date upon which the Office of
33 Administrative Hearings received the timely written
34 objection unless there is a postponement or continuance.

35 (2) The Office of Administrative Hearings may postpone
36 or continue any hearing on its own motion or upon

37 application by the party whose license is at issue in that
38 hearing or by the commissioner for good cause shown.

39 (3) A notice of hearing to the appropriate
40 law-enforcement officers by registered or certified mail,
41 return receipt requested, constitutes a subpoena to appear at
42 the hearing without the necessity of payment of fees by the
43 Division of Motor Vehicles.

44 (d) Law-enforcement officers shall be compensated for
45 the time expended in their travel and appearance before the
46 Office of Administrative Hearings by the law-enforcement
47 agency by whom they are employed at their regular rate if
48 they are scheduled to be on duty during said time or at their
49 regular overtime rate if they are scheduled to be off duty
50 during said time.

51 (e) The principal question at the hearing shall be whether
52 the person did drive a motor vehicle while under the
53 influence of alcohol, controlled substances or drugs, or did
54 drive a motor vehicle while having an alcohol concentration
55 in the person's blood of eight hundredths of one percent or
56 more, by weight, or did refuse to submit to the designated
57 secondary chemical test, or did drive a motor vehicle while
58 under the age of twenty-one years with an alcohol
59 concentration in his or her blood of two hundredths of one
60 percent or more, by weight, but less than eight hundredths of
61 one percent, by weight.

62 (f) In the case of a hearing in which a person is accused
63 of driving a motor vehicle while under the influence of
64 alcohol, controlled substances or drugs, or accused of driving
65 a motor vehicle while having an alcohol concentration in the
66 person's blood of eight hundredths of one percent or more, by
67 weight, or accused of driving a motor vehicle while under the
68 age of twenty-one years with an alcohol concentration in his
69 or her blood of two hundredths of one percent or more, by

70 weight, but less than eight hundredths of one percent, by
71 weight, the Office of Administrative Hearings shall make
72 specific findings as to: (1) Whether the investigating
73 law-enforcement officer had reasonable grounds to believe
74 the person to have been driving while under the influence of
75 alcohol, controlled substances or drugs, or while having an
76 alcohol concentration in the person's blood of eight
77 hundredths of one percent or more, by weight, or to have
78 been driving a motor vehicle while under the age of twenty-
79 one years with an alcohol concentration in his or her blood of
80 two hundredths of one percent or more, by weight, but less
81 than eight hundredths of one percent, by weight; (2) whether
82 the person was lawfully placed under arrest for an offense
83 involving driving under the influence of alcohol, controlled
84 substances or drugs, or was lawfully taken into custody for
85 the purpose of administering a secondary test: *Provided*, That
86 this element shall be waived in cases where no arrest
87 occurred due to driver incapacitation; (3) whether the person
88 committed an offense involving driving under the influence
89 of alcohol, controlled substances or drugs, or was lawfully
90 taken into custody for the purpose of administering a
91 secondary test; and (4) whether the tests, if any, were
92 administered in accordance with the provisions of this article
93 and article five of this chapter.

94 (g) If, in addition to a finding that the person did drive a
95 motor vehicle while under the influence of alcohol,
96 controlled substances or drugs, or did drive a motor vehicle
97 while having an alcohol concentration in the person's blood
98 of eight hundredths of one percent or more, by weight, or did
99 drive a motor vehicle while under the age of twenty-one
100 years with an alcohol concentration in his or her blood of two
101 hundredths of one percent or more, by weight, but less than
102 eight hundredths of one percent, by weight, the Office of
103 Administrative Hearings also finds by a preponderance of the
104 evidence that the person when driving did an act forbidden by
105 law or failed to perform a duty imposed by law, which act or

106 failure proximately caused the death of a person and was
107 committed in reckless disregard of the safety of others and if
108 the Office of Administrative Hearings further finds that the
109 influence of alcohol, controlled substances or drugs or the
110 alcohol concentration in the blood was a contributing cause
111 to the death, the commissioner shall revoke the person's
112 license for a period of ten years: *Provided*, That if the
113 person's license has previously been suspended or revoked
114 under the provisions of this section or section one of this
115 article within the ten years immediately preceding the date of
116 arrest, the period of revocation shall be for the life of the
117 person.

118 (h) If, in addition to a finding that the person did drive a
119 motor vehicle while under the influence of alcohol,
120 controlled substances or drugs, or did drive a motor vehicle
121 while having an alcohol concentration in the person's blood
122 of eight hundredths of one percent or more, by weight, the
123 Office of Administrative Hearings also finds by a
124 preponderance of the evidence that the person when driving
125 did an act forbidden by law or failed to perform a duty
126 imposed by law, which act or failure proximately caused the
127 death of a person, the commissioner shall revoke the person's
128 license for a period of five years: *Provided*, That if the
129 person's license has previously been suspended or revoked
130 under the provisions of this section or section one of this
131 article within the ten years immediately preceding the date of
132 arrest, the period of revocation shall be for the life of the
133 person.

134 (i) If, in addition to a finding that the person did drive a
135 motor vehicle while under the influence of alcohol,
136 controlled substances or drugs, or did drive a motor vehicle
137 while having an alcohol concentration in the person's blood
138 of eight hundredths of one percent or more, by weight, the
139 Office of Administrative Hearings also finds by a
140 preponderance of the evidence that the person when driving

141 did an act forbidden by law or failed to perform a duty
142 imposed by law, which act or failure proximately caused
143 bodily injury to a person other than himself or herself, the
144 commissioner shall revoke the person's license for a period
145 of two years: *Provided*, That if the license has previously
146 been suspended or revoked under the provisions of this
147 section or section one of this article within the ten years
148 immediately preceding the date of arrest, the period of
149 revocation shall be ten years: *Provided, however*, That if the
150 person's license has previously been suspended or revoked
151 more than once under the provisions of this section or section
152 one of this article within the ten years immediately preceding
153 the date of arrest, the period of revocation shall be for the life
154 of the person.

155 (j) If the Office of Administrative Hearings finds by a
156 preponderance of the evidence that the person did drive a
157 motor vehicle while under the influence of alcohol,
158 controlled substances or drugs, or did drive a motor vehicle
159 while having an alcohol concentration in the person's blood
160 of eight hundredths of one percent or more, by weight, but
161 less than fifteen hundredths of one percent or more, by
162 weight, or finds that the person knowingly permitted the
163 person's vehicle to be driven by another person who was
164 under the influence of alcohol, controlled substances or
165 drugs, or knowingly permitted the person's vehicle to be
166 driven by another person who had an alcohol concentration
167 in his or her blood of eight hundredths of one percent or
168 more, by weight the commissioner shall revoke the person's
169 license for a period of six months or a period of fifteen days
170 with an additional one hundred and twenty days of
171 participation in the Motor Vehicle Alcohol Test and Lock
172 Program in accordance with the provisions of section three-a
173 of this article: *Provided*, That any period of participation in
174 the Motor Vehicle Alcohol Test and Lock Program that has
175 been imposed by a court pursuant to section two-b, article
176 five of this chapter shall be credited against any period of

177 participation imposed by the commissioner: *Provided*,
178 *however*, That a person whose license is revoked for driving
179 while under the influence of drugs is not eligible to
180 participate in the Motor Vehicle Alcohol Test and Lock
181 Program: *Provided further*, That if the person's license has
182 previously been suspended or revoked under the provisions
183 of this section or section one of this article within the ten
184 years immediately preceding the date of arrest, the period of
185 revocation shall be ten years: *And provided further*, That if
186 the person's license has previously been suspended or
187 revoked more than once under the provisions of this section
188 or section one of this article within the ten years immediately
189 preceding the date of arrest, the period of revocation shall be
190 for the life of the person.

191 (k) (1) If in addition to finding by a preponderance of the
192 evidence that the person did drive a motor vehicle while
193 under the influence of alcohol, controlled substance or drugs,
194 the Office of Administrative Hearings also finds by a
195 preponderance of the evidence that the person did drive a
196 motor vehicle while having an alcohol concentration in the
197 person's blood of fifteen hundredths of one percent or more,
198 by weight, the commissioner shall revoke the person's license
199 for a period of forty-five days with an additional two hundred
200 and seventy days of participation in the Motor Vehicle
201 Alcohol Test and Lock Program in accordance with the
202 provisions of article three-a, article five-a, chapter seventeen-
203 c of this code: *Provided*, That if the person's license has
204 previously been suspended or revoked under the provisions
205 of this section or section one of this article within the ten
206 years immediately preceding the date of arrest, the period of
207 revocation shall be ten years: *Provided, however*, That if the
208 person's license has previously been suspended or revoked
209 the person's license more than once under the provisions of
210 this section or section one of this article within the ten years
211 immediately preceding the date of arrest, the period of
212 revocation shall be for the life of the person.

213 (2) If a person whose license is revoked pursuant to
214 subdivision (1) of this subsection proves by clear and
215 convincing evidence that they do not own a motor vehicle
216 upon which the alcohol test and lock device may be installed
217 or is otherwise incapable of participating in the Motor
218 Vehicle Alcohol Test and Lock Program, the period of
219 revocation shall be one hundred eighty days: *Provided*, That
220 if the person's license has previously been suspended or
221 revoked under the provisions of this section or section one of
222 this article within the ten years immediately preceding the
223 date of arrest, the period of revocation shall be ten years:
224 *Provided, however*, That if the person's license has
225 previously been suspended or revoked more than once under
226 the provisions of this section or section one of this article
227 within the ten years immediately preceding the date of arrest,
228 the period of revocation shall be for the life of the person.

229 (1) If, in addition to a finding that the person did drive a
230 motor vehicle while under the age of twenty-one years with
231 an alcohol concentration in his or her blood of two
232 hundredths of one percent or more, by weight, but less than
233 eight hundredths of one percent, by weight, the Office of
234 Administrative Hearings also finds by a preponderance of the
235 evidence that the person when driving did an act forbidden by
236 law or failed to perform a duty imposed by law, which act or
237 failure proximately caused the death of a person, and if the
238 Office of Administrative Hearings further finds that the
239 alcohol concentration in the blood was a contributing cause
240 to the death, the commissioner shall revoke the person's
241 license for a period of five years: *Provided*, That if the
242 person's license has previously been suspended or revoked
243 under the provisions of this section or section one of this
244 article within the ten years immediately preceding the date of
245 arrest, the period of revocation shall be for the life of the
246 person.

247 (m) If, in addition to a finding that the person did drive a
248 motor vehicle while under the age of twenty-one years with

249 an alcohol concentration in his or her blood of two
250 hundredths of one percent or more, by weight, but less than
251 eight hundredths of one percent, by weight, the Office of
252 Administrative Hearings also finds by a preponderance of the
253 evidence that the person when driving did an act forbidden by
254 law or failed to perform a duty imposed by law, which act or
255 failure proximately caused bodily injury to a person other
256 than himself or herself, and if the Office of Administrative
257 Hearings further finds that the alcohol concentration in the

2 with a gross vehicle weight of ten thousand one pounds or
3 more engaged in commerce may cause, and no owner or
4 operator of the location where the vehicle loads, unloads or
5 parks, may allow the engine of the vehicle to idle for more
6 than fifteen minutes in any continuous sixty-minute period,
7 except as provided under section three of this article.

§17C-13A-3. Exceptions.

1 (a) The idling restrictions set forth in section two of this
2 article do not apply to motor homes, commercial implements
3 of husbandry, implements of husbandry, or farm tractors.

4 (b) The idling restrictions set forth in section two of this
5 article do not apply to construction equipment that cannot be
6 licensed for on-road driving or construction equipment that
7 is not designed primarily for on-road driving,
8 notwithstanding that such equipment may be operated or
9 driven on-road from time to time and in the course or
10 performing its primary functions: *Provided*, That idling is
11 necessary to power work-related mechanical, safety or
12 electrical operations related to construction operations other
13 than propulsion.

14 (c) A diesel-powered motor vehicle with a gross weight
15 of ten thousand one pounds or more may idle beyond the
16 time allowed in subsection (a) for one or more of the
17 following reasons:

18 (1) When a vehicle idles while forced to remain
19 motionless because of on-highway traffic, an official traffic

20 control device or signal, or at the direction of a law-
21 enforcement official.

22 (2) When a vehicle must idle to operate defrosters,
23 heaters, air conditioners or cargo refrigeration equipment, or
24 to install equipment, in order to prevent a safety or health
25 emergency, and not for the purpose of a rest period, or as
26 otherwise necessary to comply with manufacturers' operating
27 requirements, specifications and warranties in accordance
28 with federal or state motor carrier safety regulations or local
29 requirements.

30 (3) When a police, fire, ambulance, public safety,
31 military, utility service vehicle or other emergency or law-
32 enforcement vehicle or any vehicle being used in an
33 emergency or public safety capacity shall idle while in an
34 emergency or training mode and not for the convenience of
35 the driver.

36 (4) When the primary propulsion engine idles for
37 maintenance, particulate matter trap regeneration, servicing
38 or repair of the vehicle, or for vehicle diagnostic purposes, if
39 idling is required for that activity.

40 (5) When a vehicle idles as part of a federal or state
41 inspection to verify that all equipment is in good working
42 order, if idling is required as part of the inspection.

43 (6) When idling of a primary propulsion engine is
44 necessary to power work-related mechanical, safety or
45 electrical operations other than propulsion. This exemption
46 does not apply when idling is done for cabin comfort or to
47 operate nonessential onboard equipment.

48 (7) When idling of a primary propulsion engine is
49 necessary as part of a security inspection either entering or
50 exiting a facility.

51 (8) When an armored vehicle must idle when a person
52 remains inside the vehicle to guard contents or while the
53 vehicle is being loaded or unloaded.

54 (9) When a vehicle must idle due to mechanical
55 difficulties over which the driver has no control, if the
56 vehicle owner submits the repair paperwork or product
57 repair verifying that the mechanical problem has been fixed,
58 by mail to the commission within thirty days of the repair.

59 (10) When a bus or school bus must idle to provide
60 heating or air conditioning when nondriver passengers are
61 onboard. For the purposes of this exemption, the bus or
62 school bus may idle for no more than a total of fifteen
63 minutes in a continuous sixty-minute period, except when
64 idling is necessary to maintain a safe temperature for bus
65 passengers.

66 (11) An occupied vehicle with a sleeper-berth
67 compartment that idles for purposes of air conditioning or
68 heating during a rest or sleep period and the outside
69 temperature at the location of the vehicle is less than forty
70 degrees or greater than seventy-five degrees Fahrenheit at
71 any time during the rest or sleep period. This applies to a
72 motor vehicle subject to this article parked in any place that
73 the vehicle is legally permitted to park, including, but not
74 limited to, a fleet trucking terminal, commercial truck stop or
75 designed rest area. This exemption expires May 1, 2012.
76 This exemption does not apply if the vehicle is parked at a
77 location equipped with stationary idle reduction technology
78 that is available for use at the start of the rest period.

79 (12) When idling is necessary for sampling, weighing,
80 active loading or active unloading or for an attended motor
81 vehicle waiting for sampling, weighing, loading or
82 unloading. For the purposes of this exemption, the vehicle
83 may idle for up to a total of fifteen minutes in any continuous
84 sixty-minute period.

85 (13) When idling by a school bus off school grounds
86 during queuing for the sequential discharge or pickup of
87 students is necessary because the physical configuration of a
88 school or the school's surrounding streets does not allow for
89 stopping.

90 (14) When idling is necessary for maintaining safe
91 operating conditions while waiting for a police escort when
92 transporting a load that requires the issuance of a permit in
93 accordance with section eleven, article seventeen of this chapter.

94 (15) When actively engaged in solid waste collection or
95 the collection of source-separated recyclable materials. This
96 exemption does not apply when a vehicle is not actively
97 engaged in solid waste collection or the collection of source-
98 separated recyclable materials.

99 (16) When a diesel-powered motor vehicle exhibits a
100 label issued by the California Air Resources Board under 13
101 CCR §1956.8(a)(6)(C) (relating to exhaust emissions
102 standards and test procedures - 1985 and subsequent model
103 heavy-duty engines and vehicles) showing that the vehicle's
104 engine meets the optional Nox idling emission standard.

105 (17) When a diesel-powered motor vehicle is powered by
106 clean diesel technology or bio-diesel fuels.

§17C-13A-4. Increase of weight limit.

1 The maximum gross weight limit and axle weight limit
2 for any motor vehicle equipped with idle reduction
3 technology may be increased by an amount necessary to
4 compensate for the additional weight of the idle reduction
5 technology as provided under 23 U.S.C. §127(a)(12), as that
6 section exists on the effective date of this article. The
7 additional amount of weight allowed by this section may not
8 be construed to be in addition to the tolerance authorized
9 under section eleven-a, article seventeen of this chapter.

§17C-13A-5. Penalties.

1 The driver or owner of a diesel-powered motor vehicle
2 with a gross weight of ten thousand one pounds or more
3 engaged in commerce or the owner or operator of a location
4 where such vehicles load, unload or park that violates the
5 provisions of this article is guilty of a misdemeanor and,
6 upon conviction thereof, pay a fine of not less than \$150 and
7 not more than \$300 and court costs.

§17C-13A-6. Notification.

1 If the driver of a diesel-powered motor vehicle subject to
2 this article is convicted of a misdemeanor offense pursuant to
3 this article is not the owner of the vehicle, the commission
4 shall, under procedures established by the commission, notify

6 officers the commission may designate to enforce the
7 provisions of this article. The prosecuting attorneys of the
8 several counties shall render to the commission without
9 additional compensation such legal services as the
10 commission may require to enforce the provisions of this
11 article.

§17C-13A-8. Permanent idling restriction signs.

1 An owner or operator of a location where vehicles subject
2 to this article load or unload, or a location that provides
3 fifteen or more parking spaces for vehicles subject to this
4 article shall erect and maintain a permanent sign to inform

5 drivers that idling is restricted in this state pursuant to the
6 provisions of section three, article thirteen-a, chapter
7 seventeen-c of this code.

§17C-13A-9. Preemption.

1 (a) The provisions of this article preempt and supersede
2 a local ordinance or rule concerning the subject matter of this
3 article.

4 (b) This article does not prevent the Department of
5 Environmental Protection as set forth in chapter twenty-two
6 of this code from regulating motor vehicle emissions
7 pursuant to the provisions of section fifteen, article five,
8 chapter twenty-two of this code and any legislative rules
9 promulgated pursuant to that section.

10 vacant building: *Provided, however*, That the governing body
11 of a municipality, shall on a case by case basis, upon request
12 by the property owner, exempt a vacant building from
13 registration upon a finding for good cause shown that the
14 person will be unable to occupy the building for a
15 determinant period of time.

16 (b) An owner of real property subject to registration may
17 be charged a fee or fees as provided by ordinance. The

18 ordinance shall provide administrative procedures for the

39 delivery shown on the signed certified mail return receipt

43 challenge any determination made pursuant to the ordinance.
44 The administrative procedures adopted pursuant to the
45 ordinance shall include the right to appeal to the circuit court

§20-16-4. Duties of a nonprofit youth organization or provider.

§20-16-5. Duties of participants.

§20-16-6. Liability of nonprofit youth organization or provider.

§20-16-7. Liability of participants.

§20-16-8. Applicability of article.

§20-16-1. Short title.

- 1 This article may be cited as the Nonprofit Adventure and
- 2 Recreational Activity Responsibility Act.

§20-16-2. Legislative purpose.

- 1 The Legislature finds that West Virginia is blessed by
- 2 geography and natural features that make it ideal for a host of
- 3 adventure and recreational activities attractive to nonprofit
- 4 youth organizations interested in training and inspiring
- 5 thousands of young people from other parts of the United
- 6 States and throughout the world. The location by these
- 7 organizations of facilities within the state will contribute
- 8 significantly to the economy of West Virginia, and enhance
- 9 the state's reputation as a place to visit and transact business.
- 10 Because it is recognized that there are inherent risks in
- 11 various adventure and recreational activities which should be
- 12 understood by participants therein and which are essentially
- 13 impossible for the organizations and their providers to
- 14 eliminate, it is the purpose of this article to define those areas
- 15 of responsibility and those affirmative acts for which these

16 nonprofit organizations and their providers of adventure and
17 recreational activities shall be liable for loss, damage or
18 injury suffered by participants, and to further define those
19 risks which the participants expressly assume and for which
20 there can be no recovery.

§20-16-3. Definitions.

1 In this article, unless a different meaning plainly is
2 required:

3 (1) "Adventure or recreational activity" means any

35 chapter;

36 (N) Windsurfing and similar activities.

37 (2) "Employee" means an officer, agent, employee,
38 servant, or volunteer, whether compensated or not, whether
39 full time or not, who is authorized to act and is acting within
40 the scope of his or her employment or duties with the
41 nonprofit youth organization or provider.

42 (3) "Nonprofit youth organization" means any nonprofit
43 organization, including any subsidiary, affiliate or other
44 related entity within its corporate or other business structure,
45 that has been chartered by the United States Congress to train
46 young people to do things for themselves and others, and that
47 has established an area of at least six thousand contiguous
48 acres within West Virginia in which to provide adventure or
49 recreational activities for these young people and others.

50 (4) “Participant” means any person engaging in an
51 adventure or recreational activity.

52 (5) “Provider” means any individual, sole proprietorship,
53 partnership, association, public or private corporation, the
54 United States or any federal agency, this state or any political
55 subdivision of this state, and any other legal entity which
56 engages, with or without compensation, in organizing,
57 promoting, presenting or providing or assisting in providing
58 an adventure or recreational activity sponsored by a nonprofit
59 youth organization, including one that allows the nonprofit
60 youth organization the use of its land for the adventure or
61 recreational activity.

§20-16-4. Duties of a nonprofit youth organization or provider.

1 Every nonprofit youth organization or provider shall:

2 (1) Make reasonable and prudent efforts to determine the
3 ability of a participant to safely engage in the adventure or
4 recreational activity;

5 (2) Make known to any participant any dangerous traits
6 or characteristics or any physical impairments or conditions
7 related to a particular adventure or recreational activity, of
8 which the nonprofit youth organization or provider knows or
9 through the exercise of due diligence could know;

10 (3) Make known to any participant any dangerous
11 condition as to land or facilities under the lawful possession
12 and control of the nonprofit youth organization or provider,
13 of which the nonprofit youth organization or provider knows
14 or through the exercise of due diligence could know, by
15 advising the participant in writing or by conspicuously
16 posting warning signs upon the premises;

17 (4) Assure that each participant has or is provided all
18 equipment reasonably necessary for all activities covered by
19 this article and, in providing equipment to a participant, make
20 reasonable and prudent efforts to inspect such equipment to
21 assure that it is in proper working condition and safe for use
22 in the adventure or recreational activity;

23 (5) Prepare and present to each participant or prospective
24 participant, for his or her inspection and signature, a
25 statement which clearly and concisely explains the liability
26 limitations, restrictions and responsibilities set forth in this
27 article: *Provided*, That said statement shall not contain nor
28 have the effect of a waiver of a nonprofit youth organization
29 or provider's duties set forth in this section;

30 (6) Make reasonable efforts to provide supervision of
31 participants while engaged in activities under this article.

§20-16-5. Duties of participants.

1 It is recognized that the adventure and recreational
2 activities described in this article are hazardous to
3 participants, regardless of all feasible safety measures which
4 can be taken.

5 Each participant in an adventure or recreational activity
6 expressly assumes the risk of and legal responsibility for any
7 injury, loss or damage to person or property which results
8 from participation in an activity. Each participant shall have
9 the sole individual responsibility for knowing the range of his
10 or her own ability to participate in a particular adventure or
11 recreational activity, and it shall be the duty of each
12 participant to act within the limits of the participant's own
13 ability, to heed all posted warnings, to act in accordance with
14 the instructions of any employee of the non-profit youth
15 organization or provider, to perform an adventure or
16 recreational activity only in an area or facility designated by

17 the nonprofit youth organization or provider and to refrain
18 from acting in a manner which may cause or contribute to the
19 injury of anyone. There is a rebuttable presumption that any
20 participant under the age of fourteen is incapable of
21 comparative negligence or assumption of the risk. There is an
22 irrebuttable presumption that any participant under the age of
23 seven is incapable of comparative negligence or assumption
24 of the risk. Any participant over the age of fourteen will be
25 subject to the common law presumptions as to their acts and
26 or omissions.

27 A participant involved in an accident shall not depart
28 from the area or facility where the adventure or recreational
29 activity took place without leaving personal identification,
30 including name and address, or without notifying the proper
31 authorities, or without obtaining assistance when that person
32 knows or reasonably should know that any other person
33 involved in the accident is in need of medical or other
34 assistance.

§20-16-6. Liability of nonprofit youth organization or provider.

1 (a) A nonprofit youth organization or provider shall be
2 liable for injury, loss or damage caused by failure to follow
3 the duties set forth in section four of this article where the
4 violation of duty is causally related to the injury, loss or
5 damage suffered. A nonprofit youth organization or provider
6 shall not be liable for any injury, loss or damage caused by
7 the negligence of any person who is not an agent or employee
8 of the nonprofit youth organization or provider.

9 (b) A nonprofit youth organization or provider shall be
10 liable for acts or omissions which constitute gross negligence
11 or willful and wanton conduct which is the proximate cause
12 of injury to a participant.

13 (c) A nonprofit youth organization or provider shall be
14 liable for an intentional injury which he or she inflicts upon
15 a participant.

16 (d) Every nonprofit youth organization and any provider
17 for such non-profit youth organization shall carry public
18 liability insurance in limits of no less than \$500,000 per
19 person, \$1,000,000 per occurrence and \$50,000 for property
20 damage with coverage extending to any employee of the non-
21 profit youth organization or provider in the course of their
22 duties as an employee or volunteer. The failure to have in
23 effect the insurance required by this section shall prevent the
24 non-profit youth organization or provider from relying on the
25 provisions of this article in any civil action brought by a
26 participant.

§20-16-7. Liability of participants.

1 Any participant shall be liable for injury, loss or damage
2 resulting from violations of the duties set forth in section five
3 of this article: *Provided*, That none of the provisions in this
4 article shall modify or eliminate any other statutory or
5 common law provisions which specifically relate to or
6 concern liability of minors or the capacity of minors to
7 legally enter into contracts.

§20-16-8. Applicability of article.

1 The provisions of this article are in addition to provisions
2 of articles three-a, three-b, four and fifteen of this chapter,
3 and are to be construed in *pari materia*.

[Approved by the Governor on March 19, 2010.]

AN ACT to amend and reenact §5-16-22 of the Code of West Virginia, 1931, as amended, relating to the West Virginia Public Employees Insurance Agency; providing that retired employees who retire on or after July 1, 2010, who have participated in the plan as active employees for less than five years and who were employed by an employer that is not participating in the Public Employees Insurance Agency insurance program are responsible for the entire premium cost for coverage; providing an exception.

Be it enacted by the Legislature of West Virginia:

That §5-16-22 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 16. WEST VIRGINIA PUBLIC EMPLOYEES INSURANCE ACT.

§5-16-22. Permissive participation; exemptions.

- 1 The provisions of this article are not mandatory upon any
- 2 employee or employer who is not an employee of or is not the
- 3 State of West Virginia, its boards, agencies, commissions,

4 departments, institutions or spending units or a county board
5 of education, and nothing contained in this article may be
6 construed so as to compel any employee or employer to enroll
7 in or subscribe to any insurance plan authorized by the
8 provisions of this article.

9 Those employees enrolled in the insurance program
10 authorized under the provisions of article two-b, chapter
11 twenty-one-a of this code may not be required to enroll in or
12 subscribe to an insurance plan or plans authorized by the
13 provisions of this article, and the employees of any department
14 which has an existing insurance program for its employees to
15 which the government of the United States contributes any part
16 or all of the premium or cost of the premium may be exempted
17 from the provisions of this article. Any employee or employer
18 exempted under the provisions of this paragraph may enroll in
19 any insurance program authorized by the provisions of this
20 article at any time, to the same extent as any other qualified
21 employee or employer, but employee or employer may not
22 remain enrolled in both programs. The provisions of articles
23 fourteen, fifteen and sixteen, chapter thirty-three of this code,
24 relating to group life insurance, accident and sickness

26 applicable to the provisions of this article whenever the
27 provisions of articles fourteen, fifteen and sixteen, chapter
28 thirty-three of this code are in conflict with or contrary to any
29 provision set forth in this article or to any plan or plans
30 established by the Public Employees Insurance Agency.

31 Employers, other than the State of West Virginia, its
32 boards, agencies, commissions, departments, institutions,
33 spending units or a county board of education are exempt from
34 participating in the insurance program provided for by the
35 provisions of this article unless participation by the employer
36 has been approved by a majority vote of the employer's
37 governing body. It is the duty of the clerk or secretary of the

38 governing body of an employer who by majority vote becomes
39 a participant in the insurance program to notify the director not
40 later than ten days after the vote.

41 Any employer, whether the employer participates in the
42 Public Employees Insurance Agency insurance program as a
43 group or not, which has retired employees, their dependents or
44 surviving dependents of deceased retired employees who
45 participate in the Public Employees Insurance Agency insurance
46 program as authorized by this article, shall pay to the agency the
47 same contribution toward the cost of coverage for its retired
48 employees, their dependents or surviving dependents of
49 deceased retired employees as the State of West Virginia, its
50 boards, agencies, commissions, departments, institutions,
51 spending units or a county board of education pay for their
52 retired employees, their dependents and surviving dependents of
53 deceased retired employees, as determined by the finance board:
54 *Provided*, That after June 30, 1996, an employer not mandated
55 to participate in the plan is only required to pay a contribution
56 toward the cost of coverage for its retired employees, their
57 dependents or the surviving dependents of deceased retired
58 employees who elect coverage when the retired employee
59 participated in the plan as an active employee of the employer
60 for at least five years: *Provided, however*, That those retired
61 employees of an employer not participating in the plan who
62 retire on or after July 1, 2010, who have participated in the plan
63 as active employees of the employer for less than five years are
64 responsible for the entire premium cost for coverage and the
65 Public Employees Insurance Agency shall bill for and collect the
66 entire premium from the retired employees, unless the employer
67 elects to pay the employer share of the premium. Each
68 employer is hereby authorized and required to budget for and
69 make such payments as are required by this section.

CHAPTER 147

**(Com. Sub. for S. B. 81 - By Senators
Jenkins, Foster and Stollings)**

[Passed March 11, 2010; in effect ninety days from passage.]
[Approved by the Governor on March 22, 2010.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §16-5W-1, §16-5W-2, §16-5W-3, §16-5W-4, §16-5W-5, §16-5W-6, §16-5W-7 and §16-5W-8, all relating to creating the West Virginia Official Prescription Program Act; requiring prescriptions to be written on an official tamper-proof prescription pad; requiring the promulgation of legislative rules; setting forth the requirements to be included in the rules; setting for exclusions from the requirements of the West Virginia Official Prescription Program Act; reporting requirements; and defining terms.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new article, designated §16-5W-1, §16-5W-2, §16-5W-3, §16-5W-4, §16-5W-5, §16-5W-6, §16-5W-7 and §16-5W-8, all to read as follows:

**ARTICLE 5W. WEST VIRGINIA OFFICIAL
PRESCRIPTION PROGRAM ACT.**

§16-5W-1. Short title.

§16-5W-2. Legislative findings.

§16-5W-3. Definitions.

§16-5W-4. Establishment of West Virginia Official Prescription Program.

§16-5W-5. Legislative rules.

§16-5W-6. Exclusions.

§16-5W-7. Reporting requirements.

§16-5W-8. Limitation of additional record keeping and liability.

§16-5W-1. Short title.

1 This act shall be known and may be cited as the “West
2 Virginia Official Prescription Program Act”.

§16-5W-2. Legislative findings.

1 (a) Use of fraudulently obtained prescriptions to illegally
2 obtain prescription drugs is an epidemic. It has few equals for
3 sheer size, speed of growth, resistance to deterrence, harm to
4 people from so many strata of society, and large costs to
5 insurers. Overdoses, deaths and injuries continue growing at
6 an alarming rate. More than twenty million Americans-
7 nearly seven percent of the population-were estimated to
8 abuse prescription drugs in 2007, based on the National
9 Survey on Drug Use and Health.

10 (b) Prescription drug diversion drains health insurers
11 nationally of up to \$72.5 billion a year, including up to \$24.9
12 billion annually for private insurers. Estimated losses include
13 insurance schemes, plus the larger hidden costs of treating
14 patients who develop serious medical problems from abusing
15 the addictive narcotics they obtained through the swindles.

16 (c) Federal law now requires tamper resistant
17 prescriptions for all Medicaid prescriptions, and various
18 states have taken on the task of implementing document
19 security programs as part of their efforts to reduce
20 substantially prescription drug fraud.

21 (d) The State of New York documented Medicaid savings
22 of \$140 million directly tied to its secure issuance
23 prescription program during the first year after
24 implementation. It is estimated that the savings resulting

25 from the reduction in prescription drug fraud will more than
26 pay for the cost of implementing an official secure state
27 prescription program in West Virginia within a reasonable
28 period of time following initial implementation.

§16-5W-3. Definitions.

1 As used in this article:

2 (1) "Board" means the Board of Pharmacy established in
3 article five, chapter thirty of this code.

4 (2) "Dispenser" means a person authorized in this state to
5 distribute to the ultimate user a substance monitored by the
6 prescription monitoring program, but does not include:

7 (A) A licensed hospital pharmacy that distributes such
8 substances for the purposes of inpatient hospital care or the
9 dispensing of prescriptions for controlled substances at the
10 time of discharge from such a facility; or

11 (B) A licensed health care provider who administers such
12 a substance at the direction of a licensed physician.

13 (3) "Prescriber" means an individual currently licensed
14 and authorized by this state to prescribe and administer
15 prescription drugs in the course of their professional practice.

17 osteopathic physicians, physician assistance, optometrists,
18 podiatrists and nurse practitioners as allowed by law.

19 (4) "West Virginia Official Prescription Program" means
20 the program established under section four of this article.

21 (5) "Program Vendor" means the private contractor or
22 contractors selected to manage the production and delivery
23 of official state prescription paper.

24 (6) “West Virginia Official Prescription” means
25 prescription paper, which has been authorized by the state for
26 use, and meets the following criteria:

27 (A) Prevention of unauthorized copying;

28 (B) Prevention of erasure or modification;

29 (C) An ability to prevent counterfeit prescription pads;
30 and

31 (D) Capable of supporting automated validation through
32 pharmacy claims processing systems using the official state
33 prescription control number.

**§16-5W-4. Establishment of West Virginia Official Prescription
Program.**

1 (a) The board shall establish and maintain an official
2 prescription program in the state. The board may contract
3 with a program vendor or vendors to establish and maintain
4 the official state prescription program.

5 (b) The official West Virginia prescription paper shall be
6 authorized by the board through a program vendor or vendors
7 in batch quantities, which paper may be serially numbered
8 and unable to be altered, copied, or counterfeited. Blank
9 prescription paper shall not be transferable. The official
10 prescription paper shall be provided to appropriate
11 practitioners and facilities at a fee established by legislative
12 rule.

13 (c) Prescription paper may be issued to specific
14 practitioners marked with a unique number and, if so, shall
15 only be used by that practitioner. The board shall establish
16 security requirements concerning the procurement of the
17 official prescription paper which both the board and the
18 contracted program vendor shall use.

19 (d) A pharmacist may not fill a written prescription from
20 a West Virginia practitioner unless issued upon an official
21 state issued prescription form.

§16-5W-5. Legislative rules.

1 The board shall propose rules for legislative approval in
2 accordance with the provisions of article three, chapter
3 twenty-nine-a of this code to accomplish the requirements of
4 this article.

5 The legislative rules shall include, at a minimum:

6 (1) That on July 1, 2011, every prescription written in
7 West Virginia by a practitioner shall be written on official
8 West Virginia tamper-resistant prescription paper.

9 (2) Contracting requirements for contracting with a
10 program vendor or vendors including auditing requirements
11 for printing facilities and standard prescription pad

Chapter

1. The State and Its Subdivisions.
7. County Commissions and Officers.
30. Professions and Occupations.
39. Records and Papers.

CHAPTER 1. THE STATE AND ITS SUBDIVISIONS.

ARTICLE 1. LIMITS AND JURISDICTION.

§1-1-5. West Virginia coordinate systems; definition; plane coordinates, limitations of use; conversion factor for meters to feet.

1 (a) The systems of plane coordinates which have been
2 established by the National Ocean Service/National Geodetic
3 Survey (formerly the United States Coast and Geodetic
4 Survey) or its successors for defining and stating the
5 geographic position or locations of points on the surface of
6 the earth within West Virginia are to be known and
7 designated as the West Virginia Coordinate System of 1927
8 and the West Virginia Coordinate System of 1983.

9 (b) For the purpose of the use of this system the state is
10 divided into a North Zone and a South Zone.

11 The area now included in the following counties is the
12 North Zone: Barbour, Berkeley, Brooke, Doddridge, Grant,
13 Hampshire, Hancock, Hardy, Harrison, Jefferson, Marion,
14 Marshall, Mineral, Monongalia, Morgan, Ohio, Pleasants,
15 Preston, Ritchie, Taylor, Tucker, Tyler, Wetzel, Wirt and
16 Wood.

17 The area now included in the following counties is the
18 South Zone: Boone, Braxton, Cabell, Calhoun, Clay, Fayette,
19 Gilmer, Greenbrier, Jackson, Kanawha, Lewis, Lincoln,
20 Logan, McDowell, Mason, Mercer, Mingo, Monroe,
21 Nicholas, Pendleton, Pocahontas, Putnam, Raleigh,
22 Randolph, Roane, Summers, Upshur, Wayne, Webster and
23 Wyoming.

24 (c) As established for use in the North Zone, the West
25 Virginia Coordinate System of 1927 or the West Virginia
26 Coordinate System of 1983 shall be named and in any land
27 description in which it is used it shall be designated the West
28 Virginia Coordinate System of 1927 North Zone or West
29 Virginia Coordinate System of 1983 North Zone.

30 As established for use in the South Zone, the West
31 Virginia Coordinate System of 1927 or the West Virginia
32 Coordinate System of 1983 shall be named and in any land

33 description in which it is used it shall be designated the West
34 Virginia Coordinate System of 1927 South Zone or West
35 Virginia Coordinate System of 1983 South Zone.

36 (d) The plane coordinate values for a point on the earth's
37 surface, used to express the geographic position or location
38 of the point in the appropriate zone of this system, shall
39 consist of two distances, expressed in U. S. Survey feet and
40 decimals of a foot when using the West Virginia Coordinate
41 System of 1927 and determined in meters and decimals when
42 using the West Virginia Coordinate System of 1983, but
43 which may be converted to and expressed in feet and
44 decimals of a foot. One of these distances, to be known as
45 the x-coordinate, shall give the position in an east-and-west
46 direction. The other, to be known as the y-coordinate, shall
47 give the position in a north-and-south direction.

48 These coordinates shall be made to depend upon and
49 conform to plane rectangular coordinate values for the
50 monumented points of the North American Horizontal
51 Geodetic Control Network as published by the National
52 Ocean Service/National Geodetic Survey (formerly the
53 United States Coast and Geodetic Survey) or its successors
54 and whose plane coordinates have been computed on the
55 system defined by this section. Any such station may be
56 used for establishing a survey connection to either West
57 Virginia Coordinate System.

58 (e) For purposes of describing the location of any survey
59 station or land boundary corner in the State of West Virginia,
60 it shall be considered a complete, legal and satisfactory
61 description of the location to give the position of the survey
62 station or land boundary corner on the system of plane
63 coordinates defined in this section. Nothing contained in this
64 section requires a purchaser or mortgagee of real property to
65 rely wholly on a land description, any part of which depends
66 exclusively upon either West Virginia Coordinate System.

67 (f) When any tract of land to be defined by a single
68 description extends from one into the other of the coordinate
69 zones specified in this section, the position of all points on its
70 boundaries may refer to either of the two zones. The zone
71 which is being used specifically shall be named in the
72 description.

73 (g) (1) For purposes of more precisely defining the West
74 Virginia Coordinate System of 1927, the following definition
75 by the United States Coast and Geodetic Survey (now
76 National Ocean Service/National Geodetic Survey) is
77 adopted:

78 The West Virginia Coordinate System of 1927 North
79 Zone is a Lambert conformal conic projection of the Clarke
80 Spheroid of 1866, having standard parallels at north latitudes
81 39 degrees and 00 minutes and 40 degrees and 15 minutes,
82 along which parallels the scale shall be exact. The origin of
83 coordinates is at the intersection of the meridian 79 degrees
84 30 minutes west of Greenwich and the parallel 38 degrees 30
85 minutes north latitude. This origin is given the coordinates:
86 $x = 2,000,000$ feet and $y = 0$ feet.

87 The West Virginia Coordinate System of 1927 South
88 Zone is a Lambert conformal conic projection of the Clarke
89 Spheroid of 1866, having standard parallels at north latitudes
90 37 degrees 29 minutes and 38 degrees 53 minutes, along
91 which parallels the scale shall be exact. The origin of
92 coordinates is at the intersection of the meridian 81 degrees
93 00 minutes west of Greenwich and the parallel 37 degrees 00
94 minutes north latitude. This origin is given the coordinates:
95 $x = 2,000,000$ feet and $y = 0$ feet.

96 (2) For purposes of more precisely defining the West
97 Virginia Coordinate System of 1983, the following definition
98 by the National Ocean Service/National Geodetic Survey is
99 adopted:

100 The West Virginia Coordinate System of 1983 North
101 Zone is a Lambert conformal conic projection of the North
102 American Datum of 1983, having standard parallels at north
103 latitudes 39 degrees and 00 minutes and 40 degrees and 15
104 minutes, along which parallels the scale shall be exact. The
105 origin of coordinates is at the intersection of the meridian 79
106 degrees 30 minutes west of Greenwich and the parallel 38
107 degrees 30 minutes north latitude. This origin is given the
108 coordinates: $x = 600,000$ meters and $y = 0$ meters.

109 The West Virginia Coordinate System of 1983 South
110 Zone is a Lambert conformal conic projection of the North
111 American Datum of 1983, having standard parallels at north
112 latitudes 37 degrees 29 minutes and 38 degrees 53 minutes,
113 along which parallels the scale shall be exact. The origin of
114 coordinates is at the intersection of the meridian 81 degrees
115 00 minutes west of Greenwich and the parallel 37 degrees 00
116 minutes north latitude. This origin is given the coordinates:
117 $x = 600,000$ meters and $y = 0$ meters.

118 (h) No coordinates based on the West Virginia
119 Coordinate System, purporting to define the position of a
120 point on a land boundary, may be presented to be recorded in
121 any public records or deed records unless the point is based
122 on a public or private monumented horizontal control station
123 established in conformity with the standards of accuracy and
124 specifications for first order or better geodetic surveying as
125 prepared and published by the Federal Geodetic Control
126 Committee of the United States Department of Commerce.
127 Standards and specifications of the Federal Geodetic Control
128 Committee or its successor in force on the date of the survey
129 apply. The publishing of the existing control stations, or the
130 acceptance with intent to publish the newly established
131 control stations, by the National Ocean Service/National
132 Geodetic Survey is evidence of adherence to the Federal
133 Geodetic Control Committee specifications. The limitations

134 specified in this section may be modified by a duly
135 authorized state agency to meet local conditions.

136 (i) The use of the term “West Virginia Coordinate System
137 of 1927 North or South Zone” or “West Virginia Coordinate
138 System of 1983 North or South Zone” on any map, report or
139 survey or other document shall be limited to coordinates
140 based on the West Virginia Coordinate System as defined in
141 this section.

142 (j) A plat and a description of survey must show the basis
143 of control identified by the following:

144 (1) The monument name or the point identifier on which
145 the survey is based;

146 (2) The order of accuracy of the base monument; and

147 (3) The coordinate values used to compute the corner
148 positions.

149 (k) Nothing in this section prevents the recordation in any
150 public record of any deed, map, plat, survey, description or
151 of any other document or writing of whatever nature which
152 would otherwise constitute a recordable instrument or
153 document even though the same is not based upon or done in
154 conformity with the West Virginia Coordinate System
155 established by this section, nor does nonconformity with the
156 system invalidate any deed, map, plat, survey, description or
157 other document which is otherwise proper.

158 (l) For purpose of this section a foot equals a United
159 States Survey foot. The associated factor of one meter equals
160 39.37/12 feet shall be used in any conversion necessitated by
161 changing values from meters to feet.

4 whether grounds exist for disciplinary action under this
5 article or the legislative rules of the board.

6 (b) Upon initiation or receipt of the complaint, the board
7 shall provide a copy of the complaint to the licensee,
8 certificate holder or permittee.

9 (c) After reviewing any information obtained through an
10 investigation, the board shall determine if probable cause
11 exists that the licensee or permittee has violated subsection
12 (g) of this section or rules promulgated pursuant to this
13 article.

14 (d) Upon a finding that probable cause exists that the
15 licensee or permittee has violated subsection (g) of this
16 section or rules promulgated pursuant to this article, the

1 (a) As used in this section:

2 (1) "Approved program" means an educational program
3 for osteopathic physician assistants approved and accredited by
4 the Committee on Allied Health Education and Accreditation
5 or its successor.

6 (2) "Board" means the Board of Osteopathy established
7 under the provisions of article fourteen, chapter thirty of this
8 code.

9 (3) “Direct supervision” means the presence of the
10 supervising physician at the site where the osteopathic
11 physician assistant performs medical duties.

12 (4) “Health care facility” means any licensed hospital,
13 nursing home, extended care facility, state health or mental
14 institution, clinic or physician’s office.

15 (5) “License” means a certificate issued to an osteopathic
16 physician assistant who has passed the examination for a
17 primary care or surgery physician assistant administered by the
18 National Board of Medical Examiners on behalf of the
19 National Commission on Certification of Physician Assistants.
20 All osteopathic physician assistants holding valid certificates
21 issued by the board prior to March 31, 2010, shall be
22 considered to be licensed under the provisions of this article:
23 *Provided*, That a person holding a certificate issued prior to
24 March 31, 2010, must renew the license pursuant to the
25 provisions of this article.

26 (6) “Osteopathic physician assistant” means an assistant to
27 an osteopathic physician who is a graduate of an approved
28 program of instruction in primary care or surgery, has passed
29 the national certification examination and is qualified to
30 perform direct patient care services under the supervision of an

32 (7) “Supervising physician” means a doctor of osteopathy
33 permanently licensed in this state who assumes legal and
34 supervising responsibility for the work or training of any
35 osteopathic physician assistant under his or her supervision.

36 (b) The board shall propose emergency and legislative
37 rules for legislative approval pursuant to the provisions of
38 article three, chapter twenty-nine-a of this code, governing the
39 extent to which osteopathic physician assistants may function
40 in this state. The rules shall provide that:

41 (1) The osteopathic physician assistant is limited to the
42 performance of those services for which he or she is trained;

43 (2) The osteopathic physician assistant performs only
44 under the supervision and control of an osteopathic physician
45 permanently licensed in this state, but such supervision and
46 control does not require the personal presence of the
47 supervising physician at the place or places where services are
48 rendered if the osteopathic physician assistant's normal place
49 of employment is on the premises of the supervising physician.
50 The supervising physician may send the osteopathic physician
51 assistant off the premises to perform duties under his or her
52 direction, but a separate place of work for the osteopathic
53 physician assistant may not be established; and

54 (3) The board may allow the osteopathic physician
55 assistant to perform those procedures and examinations and in
56 the case of authorized osteopathic physician assistants to
57 prescribe at the direction of his or her supervising physician in
58 accordance with subsections (p) and (q) of this section those

60 required by subsection (f) of this section.

61 (c) The board shall compile and publish an annual report
62 that includes a list of currently licensed osteopathic physician
63 assistants and their employers and location in the state.

64 (d) The board shall license as an osteopathic physician
65 assistant any person who files an application together with a
66 proposed job description and furnishes satisfactory evidence
67 that he or she has met the following standards:

68 (1) Is a graduate of an approved program of instruction in
69 primary health care or surgery;

71 surgery physician assistant administered by the National Board

72 of Medical Examiners on behalf of the National Commission
73 on Certification of Physician Assistants; and

74 (3) Is of good moral character.

75 (e) When any graduate of an approved program submits an
76 application to the board, accompanied by a job description in
77 conformity with this section, for an osteopathic physician
78 assistant license, the board may issue to the applicant a
79 temporary license allowing the applicant to function as an
80 osteopathic physician assistant for the period of one year.
81 The temporary license may be renewed for one additional year
82 upon the request of the supervising physician. An osteopathic
83 physician assistant who has not been certified as such by the
84 National Board of Medical Examiners on behalf of the
85 National Commission on Certification of Physician Assistants
86 will be restricted to work under the direct supervision of the
87 supervising physician.

88 (f) Any osteopathic physician applying to the board to
89 supervise an osteopathic physician assistant shall provide a job
90 description that sets forth the range of medical services to be
91 provided by the assistant. Before an osteopathic physician
92 assistant can be employed or otherwise use his or her skills, the
93 supervising physician must obtain approval of the job
94 description from the board. The board may revoke or suspend
95 any license of an assistant to a physician for cause, after giving
96 such person an opportunity to be heard in the manner provided
97 by sections eight and nine, article one of this chapter.

98 (g) The supervising physician is responsible for observing,
99 directing and evaluating the work records and practices of each
100 osteopathic physician assistant performing under his or her
101 supervision. He or she shall notify the board in writing of any
102 termination of his or her supervisory relationship with an
103 osteopathic physician assistant within ten days of his or her
104 termination. The legal responsibility for any osteopathic

105 physician assistant remains with the supervising physician at
106 all times, including occasions when the assistant, under his or
107 her direction and supervision, aids in the care and treatment of
108 a patient in a health care facility. In his or her absence, a
109 supervising physician must designate an alternate supervising
110 physician; however, the legal responsibility remains with the
111 supervising physician at all times. A health care facility is not
112 legally responsible for the actions or omissions of an
113 osteopathic physician assistant unless the osteopathic
114 physician assistant is an employee of the facility.

115 (h) The acts or omissions of an osteopathic physician
116 assistant employed by health care facilities providing inpatient
117 services are the legal responsibility of the facilities.
118 Osteopathic physician assistants employed by such facilities in
119 staff positions shall be supervised by a permanently licensed
120 physician.

121 (i) A health care facility shall report in writing to the board
122 within sixty days after the completion of the facility's formal
123 disciplinary procedure, and also after the commencement, and
124 again after the conclusion, of any resulting legal action, the
125 name of any osteopathic physician assistant practicing in the
126 facility whose privileges at the facility have been revoked,
127 restricted, reduced or terminated for any cause including
128 resignation, together with all pertinent information relating to
129 such action. The health care facility shall also report any other
130 formal disciplinary action taken against any osteopathic
131 physician assistant by the facility relating to professional
132 ethics, medical incompetence, medical malpractice, moral
133 turpitude or drug or alcohol abuse. Temporary suspension for
134 failure to maintain records on a timely basis or failure to attend
135 staff or section meetings need not be reported.

136 (j) When functioning as an osteopathic physician assistant,
137 the osteopathic physician assistant shall wear a name tag that
138 identifies him or her as a physician assistant.

139 (k) (1) A supervising physician shall not supervise at any
140 time more than three osteopathic physician assistants, except
141 that a physician may supervise up to four hospital-employed
142 osteopathic physician assistants: *Provided*, That an alternative
143 supervisor has been designated for each.

144 (2) An osteopathic physician assistant shall not perform
145 any service that his or her supervising physician is not
146 qualified to perform.

147 (3) An osteopathic physician assistant shall not perform
148 any service that is not included in his or her job description
149 and approved by the board as provided in this section.

150 (4) The provisions of this section do not authorize an
151 osteopathic physician assistant to perform any specific
152 function or duty delegated by this code to those persons
153 licensed as chiropractors, dentists, registered nurses, licensed
154 practical nurses, dental hygienists, optometrists or pharmacists
155 or certified as nurse anesthetists.

156 (1) An application for license or renewal of license shall
157 be accompanied by payment of a fee which shall be
158 established by legislative rule of the Board of Osteopathy
159 pursuant to the provisions of article three, chapter twenty-
160 nine-a of this code.

161 (m) As a condition of renewal of an osteopathic physician
162 assistant license, each osteopathic physician assistant shall
163 provide written documentation satisfactory to the board of
164 participation in and successful completion of continuing
165 education in courses approved by the board of osteopathy for
166 the purposes of continuing education of osteopathic physician
167 assistants. The osteopathy board shall propose legislative rules
168 for minimum continuing hours necessary for the renewal of a
169 license. These rules shall provide for minimum hours equal to
170 or more than the hours necessary for national certification.

171 Notwithstanding any provision of this chapter to the contrary,
172 failure to timely submit the required written documentation
173 shall result in the automatic suspension of any license as an
174 osteopathic physician assistant until such time as the written
175 documentation is submitted to and approved by the board.

176 (n) It is unlawful for any person who is not licensed by the
177 board as an osteopathic physician assistant to use the title of
178 "osteopathic physician assistant" or to represent to any other
179 person that he or she is an osteopathic physician assistant. Any
180 person who violates the provisions of this subsection is guilty
181 of a misdemeanor and, upon conviction thereof, shall be fined
182 not more than \$2,000.

183 (o) It is unlawful for any osteopathic physician assistant to
184 represent to any person that he or she is a physician. Any
185 person who violates the provisions of this subsection is guilty
186 of a felony, and, upon conviction thereof, shall be imprisoned
187 in a state correctional facility for not less than one, nor more
188 than two years, or be fined not more than \$2,000, or both fined
189 and imprisoned.

190 (p) An osteopathic physician assistant may write or sign
191 prescriptions or transmit prescriptions by word of mouth,

10 for cause, after having given the person an opportunity to be
11 heard in the manner provided by sections eight and nine,
12 article one of this chapter.

§30-14A-3. Rulemaking.

**§30-14A-5. Special volunteer osteopathic physician assistant
license; civil immunity for voluntary services
rendered to indigents.**

1 (a) There is established a special volunteer osteopathic
2 physician assistant license for osteopathic physician assistants
3 retired or retiring from the active practice of osteopathy who
4 wish to donate their expertise for the medical care and
5 treatment of indigent and needy patients in the clinic setting of
6 clinics organized, in whole or in part, for the delivery of health
7 care services without charge. The special volunteer osteopathic
8 physician assistant license shall be issued by the West Virginia
9 Board of Osteopathy to osteopathic physician assistants
10 licensed or otherwise eligible for licensure under this article
11 and the legislative rules promulgated hereunder without the
12 payment of an application fee, license fee or renewal fee, shall

18 that:

19 (1) The osteopathic physician assistant's practice under the
20 special volunteer osteopathic physician assistant license will be
21 exclusively devoted to providing osteopathic care to needy and
22 indigent persons in West Virginia;

23 (2) The osteopathic physician assistant will not receive any
24 payment or compensation, either direct or indirect, or have the
25 expectation of any payment or compensation, for any

32 to participate in continuing education as required by the board
33 for a special volunteer osteopathic physician assistant license.

34 (b) Any osteopathic physician assistant who renders any
35 osteopathic service to indigent and needy patients of a clinic
36 organized, in whole or in part, for the delivery of health care

39 this section without payment or compensation or the
40 expectation or promise of payment or compensation, is
41 immune from liability for any civil action arising out of any act
42 or omission resulting from the rendering of the osteopathic
43 service at the clinic unless the act or omission was the result of
44 the osteopathic physician assistant's gross negligence or willful
45 misconduct. In order for the immunity under this subsection
46 to apply, there must be a written agreement between the
47 osteopathic physician assistant and the clinic pursuant to which
48 the osteopathic physician assistant will provide voluntary
49 uncompensated medical services under the control of the clinic
50 to patients of the clinic before the rendering of any services by
51 the osteopathic physician assistant at the clinic: *Provided*, That
52 any clinic entering into such written agreement is required to
53 maintain liability coverage of not less than \$1 million per
54 occurrence.

55 (c) Notwithstanding the provisions of subsection (b) of this
56 section, a clinic organized, in whole or in part, for the delivery
57 of health care services without charge is not relieved from
58 imputed liability for the negligent acts of an osteopathic
59 physician assistant rendering voluntary medical services at or
60 for the clinic under a special volunteer osteopathic physician
61 assistant license authorized under subsection (a) of this section.

62 (d) For purposes of this section, "otherwise eligible for
63 licensure" means the satisfaction of all the requirements for

64 licensure set out in this article and in the legislative rules
65 promulgated thereunder. The term does not include the fee
66 requirement set out in this article or legislative rules
67 promulgated by the board relating to fees.

68 (e) Nothing in this section may be construed as requiring
69 the board to issue a special volunteer osteopathic physician
70 assistant license to any osteopathic physician assistant whose
71 certificate, license or other authorization to practice is or has
72 been subject to any disciplinary action, or to any osteopathic
73 physician assistant who has surrendered an osteopathic
74 physician assistant certificate, license or other authorization to
75 practice, or caused such certificate, license or other
76 authorization to practice to lapse, expire and become invalid in
77 lieu of having a complaint initiated or other action taken
78 against his or her certificate, license or other authorization to
79 practice, or who has elected to place an osteopathic physician
80 assistant certificate, license or other authorization to practice
81 in inactive status in lieu of having a complaint initiated or other
82 action taken against his or her certificate, license or other
83 authorization to practice, or who has been denied a certificate,
84 license or other authorization to practice as an osteopathic
85 physician assistant in any jurisdiction.

86 (f) Any policy or contract of liability insurance providing
87 coverage for liability sold, issued or delivered in this state to
88 any osteopathic physician assistant covered under the
89 provisions of this article, shall be read so as to contain a
90 provision or endorsement whereby the company issuing such
91 policy waives or agrees not to assert as a defense on behalf of
92 the policyholder or any beneficiary thereof, to any claim
93 covered by the terms of such policy within the policy limits,
94 the immunity from liability of the insured by reason of the care
95 and treatment of needy and indigent patients by an osteopathic
96 physician assistant who holds a special volunteer osteopathic
97 physician assistant license.

**(Com. Sub. for S. B. 446 - By Senators
Helmick, Kessler, Unger and Plymale)**

[Passed March 13, 2010; in effect ninety days from passage.]
[Approved by the Governor on March 10, 2010.]

AN ACT to amend and reenact §5-16-13 of the Code of West Virginia, 1931, as amended, relating to clarifying that the

surviving spouse and dependents of a deceased public employee participating in a plan of the Public Employees Insurance Agency may only participate in comprehensive group health insurance coverage provided by the Public Employees Insurance Agency.

Be it enacted by the Legislature of West Virginia:

That §5-16-13 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 16. WEST VIRGINIA PUBLIC EMPLOYEES INSURANCE ACT.

§5-16-13. Payment of costs by employer and employee; spouse and dependent coverage; involuntary employee termination coverage; conversion of annual leave and sick leave authorized for health or retirement benefits; authorization for retiree participation; continuation of health insurance for surviving dependents of deceased employees; requirement of new health plan, limiting employer contribution.

1 (a) *Cost-sharing.* -- The director shall provide under
2 any contract or contracts entered into under the provisions of
3 this article that the costs of any group hospital and surgical
4 insurance, group major medical insurance, group prescription
5 drug insurance, group life and accidental death insurance
6 benefit plan or plans shall be paid by the employer and
7 employee.

8 (b) *Spouse and dependent coverage.* -- Each employee
9 is entitled to have his or her spouse and dependents included
10 in any group hospital and surgical insurance, group major
11 medical insurance or group prescription drug insurance
12 coverage to which the employee is entitled to participate:
13 *Provided,* That the spouse and dependent coverage is limited
14 to excess or secondary coverage for each spouse and
15 dependent who has primary coverage from any other source.

16 For purposes of this section, the term “primary coverage”
17 means individual or group hospital and surgical insurance
18 coverage or individual or group major medical insurance
19 coverage or group prescription drug coverage in which the
20 spouse or dependent is the named insured or certificate
21 holder. For the purposes of this section, “dependent”
22 includes an eligible employee’s unmarried child or stepchild
23 under the age of twenty-five if that child or stepchild meets
24 the definition of a “qualifying child” or a “qualifying
25 relative” in Section 152 of the Internal Revenue Code. The
26 director may require proof regarding spouse and dependent
27 primary coverage and shall adopt rules governing the nature,
28 discontinuance and resumption of any employee’s coverage
29 for his or her spouse and dependents.

30 (c) *Continuation after termination.* -- If an employee
31 participating in the plan is terminated from employment
32 involuntarily or in reduction of work force, the employee’s
33 insurance coverage provided under this article shall continue
34 for a period of three months at no additional cost to the
35 employee and the employer shall continue to contribute the
36 employer’s share of plan premiums for the coverage. An
37 employee discharged for misconduct shall not be eligible for
38 extended benefits under this section. Coverage may be
39 extended up to the maximum period of three months, while
40 administrative remedies contesting the charge of misconduct
41 are pursued. If the discharge for misconduct be upheld, the
42 full cost of the extended coverage shall be reimbursed by the
43 employee. If the employee is again employed or recalled to
44 active employment within twelve months of his or her prior
45 termination, he or she shall not be considered a new enrollee
46 and may not be required to again contribute his or her share
47 of the premium cost, if he or she had already fully
48 contributed such share during the prior period of
49 employment.

50 (d) *Conversion of accrued annual and sick leave for*
51 *extended insurance coverage upon retirement for employees*

52 *who elected to participate in the plan before July, 1988. --*
53 Except as otherwise provided in subsection (g) of this
54 section, when an employee participating in the plan, who
55 elected to participate in the plan before July 1, 1988, is
56 compelled or required by law to retire before reaching the
57 age of sixty-five, or when a participating employee
58 voluntarily retires as provided by law, that employee's
59 accrued annual leave and sick leave, if any, shall be credited
60 toward an extension of the insurance coverage provided by
61 this article, according to the following formulae: The
62 insurance coverage for a retired employee shall continue one
63 additional month for every two days of annual leave or sick
64 leave, or both, which the employee had accrued as of the
65 effective date of his or her retirement. For a retired
66 employee, his or her spouse and dependents, the insurance
67 coverage shall continue one additional month for every three
68 days of annual leave or sick leave, or both, which the
69 employee had accrued as of the effective date of his or her
70 retirement.

71 (e) *Conversion of accrued annual and sick leave for*
72 *extended insurance coverage upon retirement for employees*
73 *who elected to participate in the plan after June, 1988. --*
74 Notwithstanding subsection (d) of this section, and except as
75 otherwise provided in subsections (g) and (l) of this section
76 when an employee participating in the plan who elected to
77 participate in the plan on and after July 1, 1988, is compelled
78 or required by law to retire before reaching the age of sixty-
79 five, or when the participating employee voluntarily retires
80 as provided by law, that employee's annual leave or sick
81 leave, if any, shall be credited toward one half of the
82 premium cost of the insurance provided by this article, for
83 periods and scope of coverage determined according to the
84 following formulae: (1) One additional month of single
85 retiree coverage for every two days of annual leave or sick
86 leave, or both, which the employee had accrued as of the
87 effective date of his or her retirement; or (2) one additional
88 month of coverage for a retiree, his or her spouse and

89 dependents for every three days of annual leave or sick leave,
90 or both, which the employee had accrued as of the effective
91 date of his or her retirement. The remaining premium cost
92 shall be borne by the retired employee if he or she elects the
93 coverage. For purposes of this subsection, an employee who
94 has been a participant under spouse or dependent coverage
95 and who reenters the plan within twelve months after
96 termination of his or her prior coverage shall be considered
97 to have elected to participate in the plan as of the date of
98 commencement of the prior coverage. For purposes of this
99 subsection, an employee shall not be considered a new
100 employee after returning from extended authorized leave on
101 or after July 1, 1988.

102 (f) *Increased retirement benefits for retired employees*
103 *with accrued annual and sick leave.* -- In the alternative to
104 the extension of insurance coverage through premium
105 payment provided in subsections (d) and (e) of this section,
106 the accrued annual leave and sick leave of an employee
107 participating in the plan may be applied, on the basis of two
108 days' retirement service credit for each one day of accrued
109 annual and sick leave, toward an increase in the employee's
110 retirement benefits with those days constituting additional
111 credited service in computation of the benefits under any
112 state retirement system. However, the additional credited
113 service shall not be used in meeting initial eligibility for
114 retirement criteria, but only as additional service credited in
115 excess thereof.

116 (g) *Conversion of accrued annual and sick leave for*
117 *extended insurance coverage upon retirement for certain*
118 *higher education employees.* -- Except as otherwise provided
119 in subsection (l) of this section, when an employee, who is a
120 higher education full-time faculty member employed on an
121 annual contract basis other than for twelve months, is
122 compelled or required by law to retire before reaching the
123 age of sixty-five, or when such a participating employee
124 voluntarily retires as provided by law, that employee's

125 insurance coverage, as provided by this article, shall be
126 extended according to the following formulae: The insurance
127 coverage for a retired higher education full-time faculty
128 member, formerly employed on an annual contract basis
129 other than for twelve months, shall continue beyond the
130 effective date of his or her retirement one additional year for
131 each three and one-third years of teaching service, as
132 determined by uniform guidelines established by the
133 University of West Virginia Board of Trustees and the board
134 of directors of the state college system, for individual
135 coverage, or one additional year for each five years of
136 teaching service for “family” coverage.

137 (h) Any employee who retired prior to April 21, 1972,
138 and who also otherwise meets the conditions of the “retired
139 employee” definition in section two of this article, shall be
140 eligible for insurance coverage under the same terms and
141 provisions of this article. The retired employee’s premium
142 contribution for any such coverage shall be established by the
143 finance board.

144 (i) *Retiree participation.* -- All retirees under the
145 provisions of this article, including those defined in section
146 two of this article; those retiring prior to April 21, 1972; and
147 those hereafter retiring are eligible to obtain health insurance
148 coverage. The retired employee’s premium contribution for
149 the coverage shall be established by the finance board.

150 (j) *Surviving spouse and dependent participation.* -- A
151 surviving spouse and dependents of a deceased employee,
152 who was either an active or retired employee participating in
153 the plan just prior to his or her death, are entitled to be
154 included in any comprehensive group health insurance
155 coverage provided under this article to which the deceased
156 employee was entitled, and the spouse and dependents shall
157 bear the premium cost of the insurance coverage. The
158 finance board shall establish the premium cost of the
159 coverage.

160 (k) *Elected officials.* -- In construing the provisions of
161 this section or any other provisions of this code, the
162 Legislature declares that it is not now nor has it ever been the
163 Legislature's intent that elected public officials be provided
164 any sick leave, annual leave or personal leave, and the
165 enactment of this section is based upon the fact and
166 assumption that no statutory or inherent authority exists
167 extending sick leave, annual leave or personal leave to
168 elected public officials and the very nature of those positions
169 preclude the arising or accumulation of any leave, so as to be
170 thereafter usable as premium paying credits for which the
171 officials may claim extended insurance benefits.

172 (l) *Participation of certain former employees.* -- An
173 employee, eligible for coverage under the provisions of this
174 article who has twenty years of service with any agency or
175 entity participating in the public employees insurance
176 program or who has been covered by the public employees
177 insurance program for twenty years may, upon leaving
178 employment with a participating agency or entity, continue
179 to be covered by the program if the employee pays one
180 hundred five percent of the cost of retiree coverage:
181 *Provided,* That the employee shall elect to continue coverage
182 under this subsection within two years of the date the
183 employment with a participating agency or entity is
184 terminated.

185 (m) *Prohibition on conversion of accrued annual and*
186 *sick leave for extended coverage upon retirement for new*
187 *employees who elect to participate in the plan after June,*
188 *2001.* -- Any employee hired on or after July 1, 2001, who
189 elects to participate in the plan may not apply accrued annual
190 or sick leave toward the cost of premiums for extended
191 insurance coverage upon his or her retirement. This
192 prohibition does not apply to the conversion of accrued
193 annual or sick leave for increased retirement benefits, as
194 authorized by this section: *Provided,* That any person who
195 has participated in the plan prior to July 1, 2001, is not a new

196 employee for purposes of this subsection if he or she
197 becomes reemployed with an employer participating in the
198 plan within two years following his or her separation from
199 employment and he or she elects to participate in the plan
200 upon his or her reemployment.

201 (n) *Prohibition on conversion of accrued years of*
202 *teaching service for extended coverage upon retirement for*
203 *new employees who elect to participate in the plan July,*
204 *2009. -- Any employee hired on or after July 1, 2009, who*
205 *elects to participate in the plan may not apply accrued years*
206 *of teaching service toward the cost of premiums for extended*
207 *insurance coverage upon his or her retirement.*

Be it enacted by the Legislature of West Virginia:

That §5-16D-1 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

**ARTICLE 16D. WEST VIRGINIA RETIREMENT HEALTH
BENEFIT TRUST FUND.**

§5-16D-1. Definitions.

1 As used in this article, the term:

2 (a) “Actuarial accrued liability” means that portion, as
3 determined by a particular actuarial cost method, of the
4 actuarial present value of fund obligations and administrative
5 expenses which is not provided by future normal costs.

6 (b) “Actuarial cost method” means a method for
7 determining the actuarial present value of the obligations and
8 administrative expenses of the fund and for developing an
9 actuarially equivalent allocation of the value to time periods,
10 usually in the form of a normal cost and an actuarial accrued
11 liability. Acceptable actuarial methods are the aggregate,
12 attained age, entry age, frozen attained age, frozen entry age
13 and projected unit credit methods.

14 (c) “Actuarially sound” means that calculated
15 contributions to the fund are sufficient to pay the full
16 actuarial cost of the fund. The full actuarial cost includes
17 both the normal cost of providing for fund obligations as they
18 accrue in the future and the cost of amortizing the unfunded
19 actuarial accrued liability over a period of no more than thirty
20 years.

21 (d) “Actuarial present value of total projected benefits”
22 means the present value, at the valuation date, of the cost to
23 finance benefits payable in the future, discounted to reflect
24 the expected effects of the time value of money and the
25 probability of payment.

26 (e) “Actuarial assumptions” means assumptions
27 regarding the occurrence of future events affecting the fund
28 such as mortality, withdrawal, disability and retirement;
29 changes in compensation and offered post-employment
30 benefits; rates of investment earnings and other asset
31 appreciation or depreciation; procedures used to determine
32 the actuarial value of assets; and other relevant items.

33 (f) “Actuarial valuation” means the determination, as of
34 a valuation date, of the normal cost, actuarial accrued
35 liability, actuarial value of assets and related actuarial present
36 values for the fund.

37 (g) “Administrative expenses” means all expenses
38 incurred in the operation of the fund, including all investment
39 expenses.

40 (h) “Annual required contribution” means the amount
41 employers must contribute in a given year to fully fund the
42 trust, as determined by the actuarial valuation in accordance
43 with requirements of generally accepted accounting
44 principles. This amount shall represent a level of funding
45 that if paid on an ongoing basis is projected to cover the
46 normal cost each year and amortize any unfunded actuarial
47 liabilities of the plan over a period not to exceed thirty years.

48 (i) “Board” means the Public Employees Insurance
49 Agency Finance Board created in section four, article sixteen
50 of this chapter.

51 (j) “Cost-sharing multiple employer plan” means a single
52 plan with pooling (cost-sharing) arrangements for the
53 participating employers. All risk, rewards, and costs,
54 including benefit costs, are shared and not attributed
55 individually to the employers. A single actuarial valuation
56 covers all plan members and the same contribution rate
57 applies for each employer.

58 (k) "Covered health care expenses" means all actual
59 health care expenses paid by the health plan on behalf of fund
60 beneficiaries. Actual health care expenses include claims
61 payments to providers and premiums paid to intermediary
62 entities and health care providers by the health plan.

63 (l) "Employer" means any employer as defined by
64 section two, article sixteen of this chapter which has or will
65 have retired employees in any Public Employees Insurance
66 Agency health plan.

67 (m) "Employer annual required contribution" means the
68 portion of the annual required contribution which is the
69 responsibility of that particular employer.

70 (n) "Fund" means the West Virginia Retiree Health
71 Benefit Trust Fund established under this article.

72 (o) "Fund beneficiaries" means all persons receiving
73 post-employment health care benefits through the health
74 plan.

75 (p) "Health plan" means the health insurance plan or
76 plans established under article sixteen of this chapter.

77 (q) "Minimum annual employer payment" means the
78 annual amount paid by employers which, when combined
79 with the retirees' contributions on their premiums that year,
80 provide sufficient funds such that the annual finance plan of
81 the finance board will cover all projected retiree covered
82 health care expenses and related administrative costs for that
83 year. The finance board shall develop the minimum annual
84 employer payment as part of its financial plan each year as
85 addressed in section five, article sixteen of this chapter.

86 (r) "Normal cost" means that portion of the actuarial
87 present value of the fund obligations and expenses which is

88 allocated to a valuation year by the actuarial cost method
89 used for the fund.

90 (s) "Obligations" means the administrative expenses of
91 the fund and the cost of covered health care expenses
92 incurred on behalf of fund beneficiaries.

93 (t) "Other post-employment benefits" or "retiree post-
94 employment health care benefits" means those benefits as
95 addressed by governmental accounting standards board
96 statement no. 43 or any subsequent governmental standards
97 board statement that may be applicable to the fund.

98 (u) "Plan for other post-employment benefits" means the
99 fiscal funding plan for retiree post-employment health care
100 benefits as it relates to governmental accounting standards
101 board statement no. 43 or any subsequent governmental

107 Virginia Consolidated Public Retirement Board created and

110 Consolidated Public Retirement Board.

111 (x) "Unfunded actuarial accrued liability" means for any
112 actuarial valuation the excess of the actuarial accrued liability
113 over the actuarial value of the assets of the fund under an
114 actuarial cost method used by the fund for funding purposes.

CHAPTER 167

**(Com. Sub. for S. B. 656 - By Senators
McCabe, Hall, Kessler, Deem,
Jenkins, Green, Stollings and Boley)**

[Passed March 9, 2010; in effect ninety days from passage.]

[Approved by the Governor on March 18, 2010.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §24-2-1j, relating to special rates for energy-intensive industrial consumers of electric power; setting forth legislative findings on energy-intensive industrial consumers of electric power; defining certain terms; enabling the Public Service Commission to establish special rates for energy-intensive industrial consumers of electric power; setting forth factors that the Public Service Commission may take into consideration in establishing special rates for energy-intensive industrial consumers of electric power, in addition to factors that may already be considered by the Public Service Commission in its rate-setting process; authorizing the Public Service Commission to adopt mechanisms reasonably designed to assure appropriate flexibility and predictability of special rates; establishing procedures for application to the Public Service Commission for a special rate; setting forth data and information to be included in an application for a special rate; establishing qualifications for eligibility for a special rate; and requiring Public Service Commission to determine whether any excess revenue or revenue shortfall created by a special rate authorized pursuant to this section should be allocated among any other customers of the utility.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new section, designated §24-2-1j, to read as follows:

ARTICLE 2. POWERS AND DUTIES OF PUBLIC SERVICE COMMISSION.

§24-2-1j. Special rates for energy intensive industrial consumers of electric power.

1 (a) The Legislature hereby finds that:

2 (1) West Virginia enjoys relatively low cost electric
3 power rates for residential customers, business and industry
4 and these relatively low rates constitute a competitive
5 economic advantage for West Virginia;

6 (2) West Virginia has many energy intensive industrial
7 consumer of electric power, and has the ability to retain its
8 existing energy intensive industrial consumers of electric
9 power and attract additional energy intensive industrial
10 consumers of electric power in the future, through the
11 adoption of policies and the establishment of rates that
12 enhance and preserve the attractiveness of West Virginia as
13 a place for energy intensive industrial consumers to do
14 business;

15 (3) Energy intensive industrial consumers of electric
16 power create jobs, provide a substantial tax base and enhance
17 the productive capacity, competitiveness and economic
18 opportunities of West Virginia and all of its citizens;

19 (4) Energy intensive industrial consumers of electric
20 power help keep power rates low for all consumers of electric
21 power, including residential customers, by providing a large

22 consumption base over which the cost of producing electric
23 power may be spread from time to time;

24 (5) It is in the best interests of West Virginia, the citizens
25 of West Virginia, electric public utilities in West Virginia,
26 and all consumers of electric power in West Virginia,
27 including residential customers, to encourage the continued
28 development, construction, operation, maintenance and
29 expansion in West Virginia of industrial plants and facilities
30 which are energy intensive consumers of electric power,
31 thereby increasing the creation, preservation and retention of
32 jobs, expanding the tax base, helping keep power rates low
33 for all consumers of electric power, and enhancing the
34 productive capacity, competitiveness and economic
35 opportunities of all citizens of West Virginia; and

36 (6) To encourage the continued development,
37 construction, operation, maintenance and expansion in West
38 Virginia of industrial plants and facilities which are energy
39 intensive consumers of electric power, the commission may
40 establish special rates under this section that in its judgment
41 are necessary or appropriate for the continued, new or
42 expanded operation of energy intensive industrial consumers
43 and that can reasonably be expected to support the long-term
44 operation of energy intensive industrial consumers, and that
45 do not impose an unreasonable burden upon electric public
46 utilities or their other customers.

47 (b) As used in this section:

48 (1) "Energy intensive industrial consumer" means an
49 industrial facility, plant or enterprise that has a contract
50 demand of at least fifty thousand kilowatts of electric power
51 at its West Virginia facilities under normal operating
52 conditions.

53 (2) "Special rate" means a rate set for an energy intensive
54 industrial consumer pursuant to this section.

55 (c) In addition to any authority of the Commission to
56 allow special rates or contracts under any other provision of
57 the code or rule, and in addition to all other factors which the
58 commission may consider in setting rates for consumers of
59 electric power, including, but not limited to the
60 Commission's responsibilities under subsection (b), section
61 one, article one of this chapter, and notwithstanding any other
62 provisions of this code to the contrary, in setting a special
63 rate the commission may take into consideration fluctuations
64 in market prices for the goods or products produced by the
65 energy intensive industrial consumer of electric power, or
66 other variables or factors which may be relevant to or affect
67 the continuing vitality of the energy intensive industrial
68 consumer of electric power in dynamic markets. In setting a
69 special rate by reference to fluctuations in market prices for
70 the goods and products produced by an energy intensive
71 industrial consumer of electric power, the commission may
72 establish variable rates including, but not limited to, ceilings
73 and floors on the special rate, banking or crediting
74 mechanisms, caps, limits or other similar types of safeguards
75 that are intended by the commission, in its reasonable
76 judgment, to provide appropriate flexibility and predictability
77 in the special rate over time, to permit the energy intensive
78 industrial customer the ability to make the capital
79 investments and other commitments necessary to support the
80 continued operation of the facility.

81 (d) An energy intensive industrial consumer wishing to
82 apply for a special rate shall first enter into negotiations with
83 the utility that provides it with electric power, regarding the
84 terms and conditions of a mutually agreeable special rate. If
85 the negotiations result in an agreement between the energy
86 intensive industrial consumer and the utility, the energy
87 intensive industrial consumer and the utility shall make a
88 joint filing with the commission seeking approval of the
89 proposed special rate. If the negotiations are unsuccessful,
90 the energy intensive industrial consumer may file a petition

91 with the commission to consider establishing a special rate.
92 The commission shall have the authority to establish a special
93 rate upon the filing of either a joint filing or a petition
94 pursuant to this section.

95 (e) In order to qualify for a special rate, an energy
96 intensive industrial consumer shall:

97 (1) Have a contract demand of at least fifty thousand
98 kilowatts of electric power at its West Virginia facilities
99 under normal operating conditions;

100 (2) Create or retain at least twenty-five full time jobs in
101 West Virginia;

102 (3) Have invested not less than \$500,000 in fixed assets,
103 including machinery and equipment, in West Virginia;

104 (4) Provide reasonable evidence that due to market
105 conditions in the industry in which the energy intensive
106 industrial consumer operates, or other factors bearing on
107 investment in and operation of the industrial facility or
108 facilities, without the special rate the operation or continued
109 operation of the industrial facility or facilities is threatened or
110 not economically viable under reasonable assumptions and
111 projections regarding the market and the operation of the
112 industrial facility or facilities;

113 (5) Provide reasonable evidence that, with the special
114 rate, the energy intensive industrial consumer intends to
115 operate the industrial facility or facilities in West Virginia for
116 an extended period of time, and that the operation or
117 continued operation of the industrial facility or facilities for
118 an extended period of time appears economically viable,
119 under reasonable assumptions and projections regarding the
120 market in which the energy intensive industrial consumer
121 operates and regarding the operation of the industrial facility
122 or facilities; and

123 (6) Provide information and data setting forth how the
124 energy intensive industrial consumer meets the qualifications
125 of this section, and how the special rate advances the policy
126 goals set forth in subsection (a) of this section.

127 (f) The Commission shall determine whether any excess
128 revenue or revenue shortfall created by a special rate
129 authorized pursuant to this section should be allocated among
130 any other customers of the utility. In making that
131 determination, the Commission shall consider all relevant
132 factors, including whether such allocation is just, reasonable,
133 and fairly balances the interests of other customers, the
134 utility, and the customer receiving the special rate.

80 River must be marked to be made visible to airborne traffic
81 flying in any area where the lines exist, and shall promulgate
82 rules requiring that all public utilities or persons who install
83 or maintain the lines make the necessary markings.

6 Secretary of the Department of Revenue shall promulgate
7 any rules necessary to: (i) Determine that vendors have met
8 the residence requirements described in this section; (ii)
9 establish the procedure for vendors to certify the residency
10 requirements at the time of submitting their bids; (iii)
11 establish a procedure to audit bids which make a claim for
12 preference permitted by this section and to reject noncomplying
13 bids; and (iv) otherwise accomplish the objectives of this
14 section. In prescribing the rules, the secretary shall use a
15 strict construction of the residence requirements set forth in
16 this section. For purposes of this section, a successful bid
17 shall be determined and accepted as follows:

28 lowest qualified bid from a nonresident vendor by more than
29 two and one-half percent of the latter bid, and if the vendor
30 has made written claim for the preference at the time the bid
31 was submitted: *Provided*, That for purposes of this
32 subdivision, any partnership, association or corporation

33 resident vendor of this state, which does not meet the
34 requirements of this subdivision solely because of the
35 continuous four-year residence requirement, shall be
36 considered to meet the requirement if at least eighty percent
37 of the ownership interest of the resident vendor is held by
38 another individual, partnership, association or corporation
39 resident vendor who otherwise meets the requirements of this
40 subdivision, including the continuous four-year residency
41 requirement: *Provided, however,* That the Secretary of the
42 Department of Revenue shall promulgate rules relating to
43 attribution of ownership among several resident vendors for
44 purposes of determining the eighty percent ownership
45 requirement; or

46 (2) From a resident vendor, if, for purposes of producing
47 or distributing the commodities or completing the project
48 which is the subject of the vendor's bid and continuously
49 over the entire term of the project, on average at least
50 seventy-five percent of the vendor's employees are residents
51 of West Virginia who have resided in the state continuously
52 for the two immediately preceding years, and the vendor's
53 bid does not exceed the lowest qualified bid from a
54 nonresident vendor by more than two and one-half percent of
55 the latter bid, and if the vendor has certified the residency
56 requirements of this subdivision and made written claim for
57 the preference, at the time the bid was submitted; or

58 (3) From a nonresident vendor, which employs a
59 minimum of one hundred state residents or a nonresident
60 vendor which has an affiliate or subsidiary which maintains
61 its headquarters or principal place of business within West
62 Virginia and which employs a minimum of one hundred state
63 residents, if, for purposes of producing or distributing the
64 commodities or completing the project which is the subject
65 of the vendor's bid and continuously over the entire term of
66 the project, on average at least seventy-five percent of the
67 vendor's employees or the vendor's affiliate's or subsidiary's

68 employees are residents of West Virginia who have resided
69 in the state continuously for the two immediately preceding
70 years and the vendor's bid does not exceed the lowest
71 qualified bid from a nonresident vendor by more than two
72 and one-half percent of the latter bid, and if the vendor has
73 certified the residency requirements of this subdivision and
74 made written claim for the preference, at the time the bid was
75 submitted; or

76 (4) From a vendor who meets either the requirements of
77 both subdivisions (1) and (2) of this subsection or
78 subdivisions (1) and (3) of this subsection, if the bid does not
79 exceed the lowest qualified bid from a nonresident vendor by
80 more than five percent of the latter bid, and if the vendor has
81 certified the residency requirements above and made written
82 claim for the preference at the time the bid was submitted; or

83 (5) From an individual resident vendor who is a veteran
84 of the United States Armed Forces, the Reserves or the
85 National Guard and has resided in West Virginia
86 continuously for the four years immediately preceding the
87 date on which the bid is submitted, if the vendor's bid does
88 not exceed the lowest qualified bid from a nonresident
89 vendor by more than three and one-half percent of the latter
90 bid, and if the vendor has made written claim for the
91 preference at the time the bid was submitted; or

92 (6) From a resident vendor who is a veteran of the United
93 States Armed Forces, the Reserves or the National Guard, if,
94 for purposes of producing or distributing the commodities or
95 completing the project which is the subject of the vendor's
96 bid and continuously over the entire term of the project, on
97 average at least seventy-five percent of the vendor's
98 employees are residents of West Virginia who have resided
99 in the state continuously for the two immediately preceding
100 years and the vendor's bid does not exceed the lowest
101 qualified bid from a nonresident vendor by more than three

102 and one-half percent of the latter bid, and if the vendor has
103 certified the residency requirements of this subdivision and
104 made written claim for the preference, at the time the bid was
105 submitted; or

106 (7) Notwithstanding any provisions of subdivisions (1),
107 (2), (3), (4), (5) or (6) of this subsection to the contrary, if
108 any nonresident vendor that is bidding on the purchase of
109 commodities or printing by the director or by a state
110 department is also certified as a small, women or minority-
111 owned business pursuant to section fifty-nine of this article,
112 the nonresident vendor shall be provided the same preference
113 made available to any resident vendor under the provisions
114 of this subsection.

115 (b) If the Secretary of the Department of Revenue
116 determines under any audit procedure that a vendor who
117 received a preference under this section fails to continue to
118 meet the requirements for the preference at any time during
119 the term of the project for which the preference was received
120 the secretary may: (1) Reject the vendor's bid; or (2) assess
121 a penalty against the vendor of not more than five percent of
122 the vendor's bid on the project.

123 (c) Political subdivisions of the state including county
124 boards of education may grant the same preferences to any
125 vendor of this state who has made a written claim for the
126 preference at the time a bid is submitted, but for the purposes
127 of this subsection, in determining the lowest bid, any political
128 subdivision shall exclude from the bid the amount of
129 business occupation taxes which must be paid by a resident
130 vendor to any municipality within the county comprising or
131 located within the political subdivision as a result of being
132 awarded the contract which is the object of the bid; in the
133 case of a bid received by a municipality, the municipality
134 shall exclude only the business and occupation taxes as will
135 be paid to the municipality: *Provided*, That prior to soliciting

136 any competitive bids, any political subdivision may, by
137 majority vote of all its members in a public meeting where all
138 the votes are recorded, elect not to exclude from the bid the
139 amount of business and occupation taxes as provided in this
140 subsection.

141 (d) If any of the requirements or provisions set forth in
142 this section jeopardize the receipt of federal funds, then the
143 requirement or provisions are void and of no force and effect
144 for that specific project.

145 (e) If any provision or clause of this section or
146 application thereof to any person or circumstance is held
147 invalid, the invalidity shall not affect other provisions or
148 applications of this section which can be given effect without
149 the invalid provision or application, and to this end the
150 provisions of this section are severable.

151 (f) This section may be cited as the “Jobs for West

16 provisions of section thirty of this article: *Provided*, That
17 after July 1, 2010, the Parkways Authority is prohibited from

81 managers and such other employees and agents as may be
82 necessary in its judgment, and to fix their compensation. All
83 such expenses shall be payable solely from the proceeds of

85 issued under the provisions of this article, tolls or from
86 revenues;

87 (14) To make and enter into all contracts, agreements or

91 (15) To receive and accept from any federal agency
92 grants for or in aid of the construction of any project, and to

97 (16) To investigate and, if feasible, develop and
98 implement a "single fee" program which would produce on
99 an annual basis a sum of money equal to the total toll revenue
100 received from all West Virginia drivers on West Virginia toll
101 roads during the Authority's preceding fiscal year, divided
102 into at least three classes based upon usage, size and number
103 of axles. Said sum, plus an amount necessary to cover the
104 expected costs of such program, shall be produced by adding
105 to either the annual cost of vehicle registration or of vehicle
106 inspection a single fee equal to the proportionate share of that
107 vehicle owner of the total toll revenue needed to be produced
108 from all vehicles within that class. A vehicle for which such
109 fee has been paid shall be entitled to traverse all toll roads
110 within the state without stopping to pay individual tolls
111 during the effective period of said registration or said

112 inspection: *Provided*, That if the single fee proposed to be
113 charged under said program exceeds the standard round trip
114 toll for that vehicle over the entire length of the West
115 Virginia Turnpike, the Authority shall not implement such
116 program without the prior approval of both Houses of the
117 Legislature: *Provided, however*, That any such program shall
118 also include comparable provisions which would allow
119 vehicles registered in other states to traverse West Virginia
120 toll roads in like fashion to West Virginia vehicles as set
121 forth in this section upon the payment of a single fee for each
122 and every vehicle registered in such state, in accordance with
123 the same classification system adopted for West Virginia
124 vehicles.

125 (17) To do all acts and things necessary or convenient to
126 carry out the powers expressly granted in this article; and

127 (18) To file the necessary petition or petitions pursuant to
128 Title 11, United States Code, Sec. 401 (being section 81 of
129 the Act of Congress entitled "An act to establish a uniform
130 system of bankruptcy throughout the United States",
131 approved July 1, 1898, as amended) and to prosecute to
132 completion all proceedings permitted by Title 11, United
133 States Code, Secs. 401-403 (being sections 81 to 83,
134 inclusive, of said Act of Congress). The State of West
135 Virginia hereby consents to the application of said Title 11,
136 United States Code, Secs. 401-403, to the Parkways
137 Authority.

138 (b) Nothing in this article shall be construed to prohibit
139 the issuance of parkway revenue refunding bonds in a
140 common plan of financing with the issuance of parkway
141 revenue bonds.

§17-16A-10. Parkway revenue bonds generally.

1 (a) The Parkways Authority is authorized to provide by
2 resolution for the issuance of parkway revenue bonds of the

3 state for the purpose of paying all or any part of the cost of
4 one or more parkway projects: *Provided*, That this section
5 shall not be construed as authorizing the issuance of parkway
6 revenue bonds for the purpose of paying the cost of the West
7 Virginia Turnpike, which parkway revenue bonds may be
8 issued only as authorized under section eleven of this article.
9 The principal of and the interest on bonds shall be payable
10 solely from the funds provided for payment.

11 (b) The bonds of each issue shall be dated, shall bear
12 interest at a rate as may be determined by the Parkways
13 Authority in its sole discretion, shall mature at a time not
14 exceeding forty years from their date or of issue as may be
15 determined by the Parkways Authority, and may be made
16 redeemable before maturity, at the option of the Parkways
17 Authority at a price and under the terms and conditions as
18 may be fixed by the Parkways Authority prior to the issuance
19 of the bonds.

20 (c) The Parkways Authority shall determine the form of
21 the bonds, including any interest coupons to be attached
22 thereto, and shall fix the denomination of the bonds and the
23 place of payment of principal and interest, which may be at
24 any bank or trust company within or without the state.

25 (d) The bonds shall be executed by manual or facsimile
26 signature by the chair of the Parkways Authority, and the
27 official seal of the Parkways Authority shall be affixed to or
28 printed on each bond, and attested, manually or by facsimile
29 signature, by the secretary and treasurer of the Parkways
30 Authority. Any coupons attached to any bond shall bear the
31 manual or facsimile signature of the chair of the Parkways
32 Authority.

33 (e) In case any officer whose signature or a facsimile of
34 whose signature appears on any bonds or coupons shall cease
35 to be an officer before the delivery of the bonds, the signature

36 or facsimile shall nevertheless be valid and sufficient for all
37 purposes the same as if he had remained in office until
38 delivery. In case the seal of the Parkways Authority has been
39 changed after a facsimile has been imprinted on the bonds,
40 then the facsimile seal will continue to be sufficient for all
41 purposes.

42 (f) All bonds issued under the provisions of this article
43 shall have all the qualities and incidents of negotiable
44 instruments under the negotiable instruments law of the state.
45 The bonds may be issued in coupon or in registered form, or
46 both, as the Parkways Authority may determine, and
47 provision may be made for the registration of any coupon
48 bonds as to principal alone and also as to both principal and
49 interest, and for the recorders into coupon bonds of any
50 bonds registered as to both principal and interest.

51 (g) The Parkways Authority may sell the bonds at a
52 public or private sale at a price it determines to be in the best
53 interests of the state.

54 (h) The proceeds of the bonds of each issue shall be used
55 solely for the payment of the cost of the parkway project or
56 parkway projects for which the bonds were issued, and shall
57 be disbursed in a manner consistent with the resolution
58 authorizing the issuance of the bonds or in the trust
59 agreement securing the bonds.

60 (i) If the proceeds of the bonds of any issue, by error of
61 estimates or otherwise, shall be less than the cost, then
62 additional bonds may in like manner be issued to provide the
63 amount of the deficit. Unless otherwise provided in the
64 resolution authorizing the issuance of the bonds or in the trust
65 agreement securing the bonds, the additional bonds shall be
66 deemed to be of the same issue and shall be entitled to
67 payment from the same fund without preference or priority
68 of the bonds first issued.

69 (j) If the proceeds of the bonds of any issue exceed the
70 cost of the parkway project or parkway projects for which the
71 bonds were issued, then the surplus shall be deposited to the
72 credit of the sinking fund for the bonds.

73 (k) Prior to the preparation of definitive bonds, the
74 Parkways Authority may, under like restrictions, issue
75 interim receipts or temporary bonds, with or without
76 coupons, exchangeable for definitive bonds when the bonds
77 have been executed and are available for delivery. The
78 Parkways Authority may also provide for the replacement of
79 any bonds that become mutilated or are destroyed or lost.

80 (l) Bonds may be issued under the provisions of this
81 article without obtaining the consent of any department,
82 division, commission, board, bureau or agency of the state in
83 accordance with this article: *Provided*, That the Parkways
84 Authority shall comply with the provisions of section twenty-
85 eight, article one, chapter five of this code.

**§17-16A-11. Parkway revenue bonds — West Virginia
Turnpike; related projects.**

1 (a) The Parkways Authority is authorized to provide by
2 resolution, at one time or from time to time, for the issuance
3 of parkway revenue bonds of the state in an aggregate
4 outstanding principal amount not to exceed, from time to
5 time, \$200 million for the purpose of paying:

6 (1) All or any part of the cost of the West Virginia
7 Turnpike, which may include, but not be limited to, an
8 amount equal to the state funds used to upgrade the West
9 Virginia Turnpike to federal interstate standards;

10 (2) All or any part of the cost of any one or more
11 parkway projects that involve improvements to or
12 enhancements of the West Virginia Turnpike, including,

13 without limitation, lane-widening on the West Virginia
14 Turnpike and that are or have been recommended by the
15 Parkways Authority's traffic engineers or consulting
16 engineers or by both of them prior to the issuance of parkway
17 revenue bonds for the project or projects; and

18 (3) To the extent permitted by federal law, all or any part
19 of the cost of any related parkway project.

20 (b) For purposes of this section only, a "related parkway
21 project" means any information center, visitors' center or rest
22 stop, or any combination thereof, and any expressway,
23 turnpike, trunkline, feeder road, state local service road or
24 park and forest road which connects to or intersects with the
25 West Virginia Turnpike and is located within seventy-five
26 miles of the turnpike as it existed on June 1, 1989, or any
27 subsequent expressway, trunkline, feeder road, state local
28 service road or park and forest road constructed pursuant to
29 this article: *Provided*, That nothing in this section shall be
30 construed as prohibiting the Parkways Authority from issuing
31 parkway revenue bonds pursuant to section ten of this article
32 for the purpose of paying all or any part of the cost of any
33 related parkway project: *Provided, however*, That none of the
34 proceeds of the issuance of parkway revenue bonds under
35 this section shall be used to pay all or any part of the cost of
36 any economic development project, except as provided in
37 section twenty-three of this article: *Provided further*, That
38 nothing in this section shall be construed as prohibiting the
39 Parkways Authority from issuing additional parkway revenue
40 bonds to the extent permitted by applicable federal law for
41 the purpose of constructing, maintaining and operating any
42 highway constructed, in whole or in part, with money
43 obtained from the Appalachian Regional Commission as long
44 as the highway connects to the West Virginia Turnpike as it
45 existed on June 1, 1989: *And provided further*, That, for
46 purposes of this section, in determining the amount of bonds
47 outstanding, from time to time, within the meaning of this

48 section: Original par amount or original stated principal
49 amount at the time of issuance of bonds shall be used to
50 determine the principal amount of bonds outstanding, except
51 that the amount of parkway revenue bonds outstanding under
52 this section may not include any bonds that have been retired
53 through payment, defeased through the deposit of funds
54 irrevocably set aside for payment or otherwise refunded so
55 that they are no longer secured by toll revenues of the West
56 Virginia Turnpike: *And provided further*, That the
57 authorization to issue bonds under this section is in addition
58 to the authorization and power to issue bonds under any other
59 section of this code: *And provided further*, That, without
60 limitation of the authorized purposes for which parkway
61 revenue bonds are otherwise permitted to be issued under this
62 section, and without increasing the maximum principal par
63 amount of parkway revenue bonds permitted to be
64 outstanding, from time to time, under this section, the
65 Authority is specifically authorized by this section to issue,
66 at one time or from time to time, by resolution or resolutions
67 under this section, parkway revenue bonds under this section
68 for the purpose of paying all or any part of the cost of one or
69 more parkway projects that:

70 (1) Consist of enhancements or improvements to the
71 West Virginia Turnpike, including, without limitation,
72 projects involving lane widening, resurfacing, surface
73 replacement, bridge replacement, bridge improvements and
74 enhancements, other bridge work, drainage system
75 improvements and enhancements, drainage system
76 replacements, safety improvements and enhancements, and
77 traffic flow improvements and enhancements; and

78 (2) Have been recommended by the Authority's
79 consulting engineers or traffic engineers, or both, prior to the
80 issuance of the bonds.

81 (c) Except as otherwise specifically provided in this
82 section, the issuance of parkway revenue bonds pursuant to

53 cost of the succeeding biennial permanent State Register and
54 for the portion relating to any agency or any code citation
55 which may be designated by a person shall be fixed in the
56 same manner specified in subsection (d) of this section.

60 cumbersome, expensive or otherwise inexpedient, if a copy
61 of such rules is made available from the original filing of
62 such rule, at a price not exceeding the cost of publication,
63 and if the volume from which such rule is omitted includes
64 a notice in that portion of the publication in which the rule
65 would have been located, stating:

66 (1) The general subject matter of the omitted rule;

67 (2) Each code citation to which the omitted rule relates;
68 and

69 (3) The means by which a copy of the omitted rule may

76 approval in accordance with the provisions of article three, of
77 this chapter a fees schedule for publications described in this

84 accordance with section two, article one, chapter fifty-nine of

48 frequency with which a law-enforcement officer shall receive
49 training in investigation of organized criminal enterprises and

50 anti-racial profiling, and a time frame for which all law-
51 enforcement officers must receive such training: *Provided,*
52 That all law-enforcement officers in this state shall receive
53 such training no later than July 1, 2012. In order to

67 Legislature, a report on its activities during the previous year
68 and an accounting of funds paid into and disbursed from the
69 special revenue account establish pursuant to section four of
70 this article.

§30-29-10. Prohibition of racial profiling.

1 (a) The Legislature finds that the use by a law-
2 enforcement officer of race, ethnicity, or national origin in
3 deciding which persons should be subject to traffic stops,
4 stops and frisks, questioning, searches, and seizures is a
5 problematic law-enforcement tactic. The reality or public
6 perception of racial profiling alienates people from police,
7 hinders community policing efforts, and causes law-
8 enforcement officers and law-enforcement agencies to lose
9 credibility and trust among the people law-enforcement is

10 sworn to protect and serve. Therefore, the West Virginia
11 Legislature declares that racial profiling is contrary to public
12 policy and should not be used as a law-enforcement
13 investigative tactic.

14 (b) For purposes of this section:

15 (1) The term “law-enforcement officer” means any duly
16 authorized member of a law-enforcement agency who is
17 authorized to maintain public peace and order, prevent and
18 detect crime, make arrests and enforce the laws of the state
19 or any county or municipality thereof.

20 (2) The term “municipality” means any incorporated
21 town or city whose boundaries lie within the geographic
22 boundaries of the state.

23 (3) The term “racial profiling” means the practice of a
24 law-enforcement officer relying, to any degree, on race,
25 ethnicity, or national origin in selecting which individuals to
26 subject to routine investigatory activities, or in deciding upon
27 the scope and substance of law-enforcement activity
28 following the initial routine investigatory activity. Racial
29 profiling does not include reliance on race, ethnicity, or
30 national origin in combination with other identifying factors
31 when the law-enforcement officer is seeking to apprehend a
32 specific suspect whose race, ethnicity, or national origin is
33 part of the description of the suspect.

34 (4) The term “state and local law-enforcement agencies”
35 means any duly authorized state, county or municipal
36 organization employing one or more persons whose
37 responsibility is the enforcement of laws of the state or any
38 county or municipality thereof.

39 (c) No law-enforcement officer shall engage in racial
40 profiling.

41 (d) All state and local law-enforcement agencies shall
42 establish and maintain policies and procedures designed to
43 eliminate racial profiling. Policies and procedures shall
44 include the following:

45 (1) A prohibition on racial profiling;

46 (2) Independent procedures for receiving, investigating,
47 and responding to complaints alleging racial profiling by
48 law-enforcement officers;

49 (3) Procedures to discipline law-enforcement officers
50 who engage in racial profiling;

51 (4) Procedures to insure the inclusion of training in the
52 investigation of organized criminal enterprises and anti-racial
53 profiling training in new officer training and to law-
54 enforcement officers who have not received such training as
55 certified by the Governor's committee; and

56 (5) Any other policies and procedures deemed necessary
57 by state and local law-enforcement agencies to eliminate
58 racial profiling.

CHAPTER 61. CRIMES AND THEIR PUNISHMENT.

ARTICLE 13. ANTI-ORGANIZED CRIMINAL ENTERPRISE ACT.

§61-13-1. Findings.

§61-13-2. Definitions.

§61-13-3. Offenses.

§61-13-4. Premises used by organized criminal enterprises; nuisances; actions for injunction,
abatement and damages; other remedies for unlawful use; exceptions.

§61-13-5. Forfeiture.

§61-13-6. Exempted activities; limitations on scope.

§61-13-1. Findings.

1 (a) The Legislature hereby finds that there is evidence of
2 an increasing incidence of larger scale organized criminal
3 activity in various parts of this State and that new statutes are
4 necessary to protect the lives and property of the
5 overwhelming majority of West Virginians who are law-
6 abiding citizens. The evidence presented to the Legislature
7 reflects that persons engaged in larger scale ongoing criminal
8 enterprises are of all ages, multiple racial and ethnic origin
9 and all pose a rising threat.

10 (b) The Legislature further finds that there is a tendency
11 among certain of these enterprises to actively recruit,
12 sometimes coercively, people into joining such organizations
13 as well as organized efforts to intimidate witnesses who may
14 be in a position to offer testimony regarding the organized
15 criminal enterprises and that such behavior cannot be
16 tolerated.

17 (c) The Legislature further finds that lawful use of public
18 nuisance and forfeiture laws can substantially aid in a
19 reduction of larger scale organized criminal enterprises.

20 (d) The Legislature further finds that criminal statutes
21 tailored to the particular problems represented by such
22 organized criminal enterprises combined with community
23 education and existing alternative sentencing laws can aid in
24 reducing this new threat.

§61-13-2. Definitions.

1 As used in this article:

2 “Organized criminal enterprise” means a combination of
3 five or more persons engaging over a period of not less than
4 six months in one or more of the qualifying offenses set forth
5 in this section.

7 provisions of section eleven, article forty-one, chapter thirty-
8 three of this code; the felony provisions of chapter sixty-A of
9 this code; the felony provisions of article two of this chapter;
10 the provisions of sections one, two, three, four, five, eleven,
11 twelve, thirteen, fourteen, eighteen, nineteen, twenty-four,
12 twenty-four-a, twenty-four-b and twenty-four-d, article three
13 of this chapter; the felony provisions of sections article three-
14 c of this chapter; the felony provisions of article three-e of
15 this chapter; the felony provisions of article four of this
16 chapter; the provisions of section eight, article eight of this
17 chapter; the felony provisions of article eight-a of this
18 chapter and the felony provisions of article eight-c of this
19 chapter.

§61-13-3. Offenses.

1 (a) Any person who knowingly and willfully becomes a
2 member of an organized criminal enterprise and who
3 knowingly promotes, furthers or assists in the commission of
4 any qualifying offense himself or herself or in combination
5 with another member of an organized criminal enterprise
6 shall be guilty of a felony and, upon conviction, shall be
7 confined in a state correctional facility for not more than ten
8 years or fined not more than \$25,000, or both. The offense
9 set forth in this subsection is separate and distinct from that
10 of any qualifying offense and may be punished separately.

11 (b) Any person who knowingly solicits, invites, recruits,
12 encourages or causes another to become a member of an
13 organized criminal enterprise or to assist members of an
14 organized criminal enterprise to aid or assist in the
15 commission of a qualifying offense by one or more members
16 of an organized criminal enterprise shall be guilty of a felony
17 and, upon conviction, shall be confined in a state correctional
18 facility for not more than five years or fined not more than
19 \$10,000, or both.

20 (c) Any person who shall, by threats, menaces, or
21 otherwise, intimidate, or attempt to intimidate, a witness for
22 the state in any prosecution under the provisions of this
23 article, for the purpose of preventing the attendance of such
24 witness at the trial of such case or to change testimony, or
25 shall in any way or manner prevent, or attempt to prevent, the
26 attendance of any such witness at such trial, shall be guilty of
27 a felony and, upon conviction, shall be confined not more
28 than ten years.

**§61-13-4. Premises used by organized criminal enterprises;
nuisances; actions for injunction, abatement and
damages; other remedies for unlawful use;
exceptions.**

1 (a) Every private building or place used by members of
2 an organized criminal enterprise for the commission of
3 qualifying offenses is a nuisance and may be the subject of
4 an injunction or cause of action for damages or for
5 abatement of the nuisance as provided for in article nine of
6 this chapter.

7 (b) Any person may file a petition for injunctive relief
8 with the appropriate court seeking eviction from or closure
9 of any premises used for the operation of an organized
10 criminal enterprise. Upon proof by the plaintiff that the
11 premises are being used by members of an organized
12 criminal enterprise for the commission of a qualifying
13 offense or offenses, the court may order the owner of record
14 or the lessee of the premises to remove or evict the persons
15 from the premises and order the premises sealed, prohibit
16 further use of the premises, or enter such order as may be
17 necessary to prohibit the premises from being used for the
18 commission of a pattern of criminal gang activity and to
19 abate the nuisance.

§61-13-5. Forfeiture.

1 (a) The following are declared to be contraband and no
2 person shall have a property interest in them:

3 (1) All property which is directly or indirectly used or
4 intended for use in any manner to facilitate a violation of this
5 article; and

6 (2) Any property constituting or derived from gross
7 profits or other proceeds obtained from a violation of this
8 article.

9 (b) In any action under this section, the court may enter
10 such restraining orders or take other appropriate action,
11 including acceptance of performance bonds, in connection
12 with any interest that is subject to forfeiture.

13 (c) Forfeiture actions under this section shall use the
14 procedures set forth in article seven, chapter sixty-a of this
15 code.

§61-13-6. Exempted activities; limitations on scope.

1 Nothing in this section shall be construed to prevent
2 lawful assembly and petition for the lawful redress of
3 grievances, including, but not limited to: any labor or
4 employment relations issue; demonstration at the seat of
5 federal, state, county, or municipal government; or activities
6 protected by the West Virginia Constitution or the United
7 States Constitution or any statute of this state or the United
8 States.

- 1 (a) All property, except public service businesses
- 2 assessed pursuant to article six of this chapter, shall be
- 3 assessed annually as of July 1 at sixty percent of its true and

4 actual value, that is to say, at the price for which the property
5 would sell if voluntarily offered for sale by the owner
6 thereof, upon the terms as the property, the value of which is
7 sought to be ascertained, is usually sold, and not the price
8 which might be realized if the property were sold at a forced
9 sale.

10 (b) Any conflicting provisions of subsection (a) of this
11 section notwithstanding, the true and actual value of all
12 property owned, used and occupied by the owner thereof
13 exclusively for residential purposes shall be arrived at by also
14 giving consideration to the fair and reasonable amount of
15 income which the same might be expected to earn, under
16 normal conditions in the locality wherein situated, if rented:
17 *Provided*, That the true and actual value of all farms used,
18 occupied and cultivated by their owners or bona fide tenants
19 shall be arrived at according to the fair and reasonable value
20 of the property for the purpose for which it is actually used
21 regardless of what the value of the property would be if used
22 for some other purpose; and that the true and actual value
23 shall be arrived at by giving consideration to the fair and
24 reasonable income which the same might be expected to earn
25 under normal conditions in the locality wherein situated, if
26 rented: *Provided, however*, That nothing herein shall alter the
27 method of assessment of lands or minerals owned by
28 domestic or foreign corporations.

29 (c) The taxes upon all property shall be paid by those
30 who are the owners thereof on the assessment date whether
31 it be assessed to them or others.

32 (d) If at any time after the beginning of the assessment
33 year, it be ascertained by the Tax Commissioner that the
34 assessor, or any of his or her deputies, is not complying with
35 this provision or that they have failed, neglected or refused,
36 or is failing, neglecting or refusing after five days' notice to
37 list and assess all property therein at sixty percent of its true

38 and actual value as determined under this chapter, the Tax
39 Commissioner may order and direct a reassessment of any or
40 all of the property in any county, district or municipality,
41 where any assessor, or deputy, fails, neglects or refuses to
42 assess the property in the manner herein provided. And, for
43 the purpose of making assessment and correction of values,
44 the Tax Commissioner may appoint one or more special
45 assessors, as necessity may require, to make assessment in
46 any county and any such special assessor or assessors, as the
47 case may be, has the power and authority now vested by law
48 in assessors, and the work of such special assessor or
49 assessors shall be accepted and treated for all purposes by the
50 county boards of review and equalization and the levying
51 bodies, subject to any revisions of value on appeal, as the true
52 and lawful assessment of that year as to all property valued
53 by him or her or them. The Tax Commissioner shall fix the
54 compensation of all special assessors appointed, which,
55 together with their actual expenses, shall be paid out of the
56 county fund by the county commission of the county in
57 which any such assessment is ordered, upon the receipt of a
58 certificate of the Tax Commissioner filed with the clerk of
59 the county commission showing the amounts due and to
60 whom payable, after such expenses have been audited by the
61 county commission.

62 (e) Any assessor who knowingly fails, neglects or refuses
63 to assess all the property of his or her county, as herein
64 provided, shall be guilty of malfeasance in office and, upon
65 conviction thereof, shall be fined not less than \$100 nor more
66 than \$500, or imprisoned not less than three nor more than
67 six months, or both, in the discretion of the court, and upon
68 conviction, shall be removed from office.

69 (f) For purposes of this chapter and chapter eleven-a of
70 this code, the following terms have the meanings ascribed to
71 them in this section unless the context in which the term is
72 used clearly indicates that a different meaning is intended by
73 the Legislature:

74 (1) "Assessment date" means July 1 of the year preceding
75 the tax year.

76 (2) "Assessment year" means the twelve-month period
77 that begins on the assessment date.

78 (3) "Tax year" or "property tax year" means the next
79 calendar year that begins after the assessment date.

80 (4) "Taxpayer" means the owner and any other person in
81 whose name the taxes on the subject property are lawfully
82 assessed.

**§11-3-2a. Notice of increased assessment required for real
property; exceptions to notice.**

1 (a) If the assessor determines the assessed valuation of
2 any item of real property appraised by him or her is more
3 than ten percent greater than the valuation assessed for that
4 item in the last tax year, the increase is \$1,000 or more and
5 the increase is entered in the property books as provided in
6 section nineteen of this article, the assessor shall give notice
7 of the increase to the person assessed or the person
8 controlling the property as provided in section two of this
9 article. The notice shall be given on or before January 15 of
10 the tax year and advise the person assessed or the person
11 controlling the property of his or her right to appear and seek
12 an adjustment in the assessment: *Provided*, That this
13 notification requirement does not apply to industrial or
14 natural resources property appraised by the Tax
15 Commissioner under article six-k of this chapter which is
16 assessed at sixty percent of its true and actual value. The
17 notice shall be made by first-class United States postage
18 mailed to the address of the person assessed or the person
19 controlling the property for payment of tax on the item in the
20 previous year, unless there was a general increase of the
21 entire valuation in one or more of the tax districts in which

22 case the notice shall be by publication of the notice by a
23 Class II-0 legal advertisement in compliance with the
24 provisions of article three, chapter fifty-nine of this code.
25 The area for the publication is the county. The requirement
26 of notice under this section is satisfied and waived if personal
27 notice of the increase is shown by:

28 (1) The taxpayer having signed the assessment form after
29 it had been completed showing the increase;

30 (2) Notice was given as provided in section three-a of this
31 article; or

32 (3) The person assessed executing acknowledgment of
33 the notice of the increase.

34 (b) During the initial reappraisal of all property under
35 section seven, article one-c of this chapter, the Tax
36 Commissioner and each county assessor shall send every
37 person owning or controlling property appraised by the Tax
38 Commissioner or the county assessor a pamphlet which
39 explains the reappraisal process and its equalization goal in
40 a detailed yet informal manner. The property valuation
41 training and procedures commission, created under section
42 three, article one-c of this chapter, shall design the pamphlet
43 for use in all counties while allowing individual county
44 information to be included if it determines that the
45 information would improve understanding of the process.

**§11-3-10. Failure to list property, etc.; collection of penalties
and forfeitures.**

1 (a) If any person, firm or corporation, including public
2 service corporations, whose duty it is by law to list any real
3 estate or personal property for taxation, refuses to furnish a
4 proper list thereof or refuses to list within the time required
5 by law, or if any person, firm or corporation, including public

6 service corporations, refuses to answer or answers falsely any
7 question asked by the assessor or by the Tax Commissioner,
8 or fails or refuses to deliver any statement required by law,
9 the person, firm or corporation may forfeit, at the discretion
10 of the assessor or the Tax Commissioner for good cause
11 shown, not less than \$25 nor more than \$100. If any person,
12 firm or corporation willfully fails to furnish a proper list of
13 real estate or personal property for taxation or refuses to
14 answer or falsely answers any question asked by the assessor
15 or by the Tax Commissioner, or fails or refuses to deliver any
16 statement required by law, such person, firm or corporation
17 shall be denied all remedy provided by law for the correction
18 of any assessment made by the assessor or by the board of
19 public works: *Provided*, That no person, firm or corporation
20 shall be denied the remedy provided by law to contest any
21 assessment unless the assessor or the Tax Commissioner has
22 notified such person, firm or corporation in writing that this
23 penalty will be asserted and the requested information is not
24 provided within fifteen days of the date of receipt of the
25 notice.

26 (b) If any person, firm or corporation, including public
27 service corporations, required by law to make return of
28 property for taxation, whether the return is to be made to the
29 assessor, the board of Public Works, or any other assessing
30 officer or body, fails to return a true list of all property which
31 should be assessed in this state, the person, firm or
32 corporation, in addition to all other penalties provided by
33 law, shall forfeit one percent of the value of the property not
34 yet returned and not otherwise taxed in this state.

35 (c) A forfeiture as to all property aforesaid may be
36 enforced for any default occurring in any year not exceeding
37 five years immediately prior to the time the default is
38 discovered.

39 (d) Each failure to make a true return as herein required
40 constitutes a separate offense, and a forfeiture shall apply to

41 each of them, but all forfeitures, to which the same person,
42 firm or corporation is liable, shall be enforced in one
43 proceeding against the person, firm or corporation, or against
44 the estate of any deceased person, and may not exceed five
45 percent of the value of the property not returned that is
46 required to be returned for taxation by this chapter.

47 (e) Forfeitures shall be collected as provided in article
48 two, chapter eleven-a of this code, the same as any tax
49 liability, against the defaulting taxpayer, or in case of a
50 decedent, against his or her personal representative. The
51 sheriff shall apportion such fund among the state, county,
52 district, school district and municipalities which would have
53 been entitled to the taxes upon the property if it had been
54 assessed, in proportion to the rates of taxation for each
55 levying unit for the year in which the judgment was obtained
56 bears to the sum of rates for all.

57 (f) When the list of property returned by the appraisers of
58 the estate of any deceased person shows an amount greater
59 than the last assessment list of real and tangible personal
60 property of the deceased person next preceding the appraisal
61 of his or her estate, it is prima facie evidence that the
62 deceased person returned an imperfect list of his or her
63 property: *Provided*, That any person liable for the tax, or his
64 or her personal representative, may always be permitted to
65 prove by competent evidence that the discrepancy between
66 the assessment list and the appraisal of the estate is caused by
67 a difference of valuation returned by the assessor and that
68 made by the appraisers of the same property or by property
69 acquired after assessment, or that any property enumerated in
70 the appraisers' list had been otherwise listed for taxation, or
71 that it was not liable for taxation.

72 (g) Any judgment recovered under this section is a lien,
73 from the time of the service of the notice, upon all real estate
74 and personal property of the defaulting taxpayer, owned at

75 the time or subsequently acquired, in preference to any other
76 lien.

§11-3-12. Assessment of corporate property; reports to assessors by corporations.

1 (a) Each incorporated company, banking institution and
2 national banking association, foreign or domestic, having its
3 principal office or chief place of business in this state,
4 owning property subject to taxation in this state, except
5 railroad, telegraph and express companies, telephone
6 companies, pipeline, car line companies and other public
7 utility companies, shall annually, between the assessment
8 date and September 1, make a written report, verified by the
9 oath of the president or chief accounting officer, to the
10 assessor of the county in which its principal office or chief
11 place of business is situated or in which property subject to
12 taxation in this state is located if the corporation does not
13 have a principal office or chief place of business in this state,
14 showing the following items: (1) The quantity, location and
15 fair market value of all of its real estate, and tax district or
16 districts in which it is located; and (2) the kinds, quantity and
17 fair market value of all its tangible personal property in each
18 tax district in which it is located.

19 (b) The oath required for this section shall be
20 substantially as follows:

23 insert name of corporation), do solemnly swear (or affirm)
24 that the foregoing is, to the best of my knowledge and
25 judgment, true in all respects; that it contains a statement of
26 all the real estate and tangible personal property that the
27 value affixed to such property is, in my opinion, its value, by
28 which I mean the price at which it would sell if voluntarily

29 offered for sale on such terms as are usually employed in
 30 selling such property, and not the price which might be
 31 realized at a forced or auction sale; and said corporation has
 32 not, to my knowledge, during the sixty-day period
 33 immediately prior to the assessment date converted any of its
 34 assets into nontaxable securities or notes or other evidence of
 35 indebtedness for the purposes of evading the assessment of
 36 taxes thereon; so help me, God.

37 The officer administering the oath shall append thereto
 38 the following certificate:

 natural persons or unincorporated businesses.**

 4 agent or chief accountant of every trade or business, except
 5 the business of agriculture, carried on in any county of the
 6 state shall annually, on or after the assessment date and on or

 8 verified by his or her affidavit, showing the following matter
 9 and things determined as of the assessment date:

10 (1) The amount, the true and actual value and
 11 classification of all tangible personal property used in
 12 connection with the trade or business, other than that
 13 regularly kept for sale therein, including chattels real and

 16 goods and property kept for sale and remaining unsold; and

17 (3) The location, quantity, the true and actual value and
18 classification of all real estate owned by the individual or
19 firm and used in the trade or business.

20 (b) The assessor shall, upon the receipt of such report,
21 properly verified, if the assessor is satisfied with the
22 correctness thereof, enter the real estate in the land book of
23 the county in the tax district wherein the same is situated and
24 assess the same with taxes, if not otherwise assessed, to the
25 owner thereof: *Provided*, That the personal property
26 mentioned in the report shall be entered in the personal
27 property book of the county for assessment with taxes as
28 follows: Items (1) and (2) shall be entered in the tax districts
29 where they are for the greater part of the year kept or located;
30 and item (3) shall be entered under its appropriate heading in
31 the municipality or tax district wherein the property is
32 located.

33 (c) If the assessor is not satisfied with the correctness of
34 the report, the assessor may proceed to ascertain a correct list
35 of the property on which the individual or firm is liable to be
36 assessed with taxes, and to value the same as in other cases.

37 (d) The person making the report shall take and subscribe
38 an oath in substantially the following form:

39 I,, do solemnly swear (or affirm) that the
40 foregoing list is true and correct to the best of my knowledge;
41 that the value affixed to the property therein listed I believe
42 to be the true and actual value thereof; that none of the assets
43 belonging to (here state the name of individual or firm) and
44 used in the business of (here describe the business) have to
45 my knowledge, since the assessment date, been converted
46 into nontaxable securities for the purpose of evading the
47 assessment of taxes thereon; so help me, God.

48 The officer administering the oath shall append thereto
49 the following certificate:

50 Subscribed and sworn to before me by (here insert
51 affiant's name) this day of, 20

15 shall file a sworn affidavit under penalty of perjury that the
16 information contained in the petition is true and correct to the
17 best of the petitioner's knowledge.

9 similar property that is similarly situated.

§11-3-15i. Petitioner's right to appeal.

1 (a) If the assessor grants the requested relief, the
2 petitioner may not appeal the ruling of the assessor.

3 (b) If the petitioner and the assessor reach an agreement
4 within five business days after the conclusion of the meeting
5 held as provided in section fifteen-g of this article, both
6 parties shall sign the agreement and both parties waive the

5 assessor shall, as soon as practicable after the levy is laid,
6 extend the levies on the land and personal property books,

1 (a) *General.* -- Anytime after real or tangible personal
 2 property is returned for taxation, the taxpayer may apply to
 3 the assessor of the county in which the property was situated
 4 on the assessment date for information about the
 5 classification, taxability or valuation of the property for
 6 property tax purposes for the tax year following the July 1
 7 assessment date. A taxpayer who is not satisfied with the

8 response of the assessor and wants to further pursue the
9 matter must follow the procedures set forth in this section.

10 (b) *Classification or taxability.* -- A taxpayer who wants
11 to contest the classification or taxability of property must
12 follow the procedures set forth in section twenty-four-a of
13 this article.

14 (c) *Valuation issues - property appraised and assessed by*
15 *county assessor.* --

16 (1) A taxpayer who is dissatisfied with the response of
17 the assessor on a question of valuation and who receives a
18 notice of increase in the assessed value of real property as
19 provided in section two-a of this article, or a notice of
20 increase in the assessed value of business personal property
21 as provided in section fifteen-b of this article, who disagrees
22 with the assessed value stated in the notice, may utilize the
23 informal review process specified in this article if the
24 taxpayer decides to challenge the assessed value.

25 (2) A taxpayer may apply for relief to the county
26 commission sitting as a board of equalization and review
27 pursuant to section twenty-four of this article not later than
28 February 20 of the tax year by filing a written protest with the
29 clerk of the county commission that identifies the amount of
30 the assessed value the taxpayer believes to be in controversy
31 and states generally the taxpayer's reason or reasons for
32 filing the protest. The board shall then set a date and time to
33 hear the taxpayer's protest: *Provided,* That in the written
34 protest or in a separate notice filed with the board on or
35 before the day of the hearing, the taxpayer or taxpayer's
36 representative may notify the board of the taxpayer's election
37 to have the matter heard when the county commission
38 convenes as a board of assessment appeals in the fall of the
39 tax year as provided in section twenty-four-b of this article.
40 A copy of this election shall be served on the assessor, and

41 the Tax Commissioner in the case of industrial property or
42 natural resources property, by personal service or by certified
43 mail. The notice of election shall include an acknowledgment
44 by the taxpayer that the taxpayer will timely pay first and
45 second half installment payments of taxes levied for the
46 current tax year on or before they become due and that any
47 reduction in assessed value that is administratively or
48 judicially determined in a decision that becomes final will
49 result in a credit being established against taxes that become
50 due for a tax year subsequent to the tax year in which the
51 decision becomes final, except as otherwise stated in the
52 decision or as otherwise provided in this article. In the event
53 the board adjourns sine die before February 20 of the tax
54 year, a taxpayer may still file its written protest and the
55 acknowledgment described in this subdivision with the
56 county clerk on or before February 20 of the tax year, and the
57 petition shall be heard when the county commission meets as
58 a board of assessment appeals, as provided in section twenty-
59 four-b of this article. If a taxpayer fails to provide its written
60 protest on or before February 20, and the board unilaterally
61 increases the assessed value subsequent to that date, the
62 taxpayer may still file a written protest and the
63 acknowledgment described in this subdivision with the
64 county clerk, and the petition shall be heard when the county
65 commission meets as a board of assessment appeals as
66 provided in section twenty-four-b of this article.

67 (d) *Valuation issues - property appraised by Tax*
68 *Commissioner and assessed by county assessor. --*

69 (1) A taxpayer who receives a notice of tentative
70 appraised value of natural resource property or industrial
71 property from the Tax Commissioner pursuant to article six-k
72 of this chapter, who disagrees with the value stated in the
73 notice may utilize the informal review process specified in
74 this article and article six-k of this chapter.

75 (2) A taxpayer may apply for relief to the county
76 commission sitting as a board of equalization and review
77 pursuant to section twenty-four of this article no later than
78 February 20 of the tax year by filing a written protest with the
79 clerk of the county commission that identifies the amount of
80 the assessed value the taxpayer believes to be in controversy
81 and states generally the taxpayer's reason or reasons for
82 filing the protest. The board shall then set a date and time to
83 hear the taxpayer's protest: *Provided*, That in the written
84 protest or in a separate notice filed with the board on or
85 before the day of the hearing, the taxpayer or taxpayer's
86 representative may notify the board of the taxpayer's election
87 to have the matter heard when the county commission
88 convenes as a board of assessment appeals in the fall of the
89 tax year as provided in section twenty-four-b of this article.
90 A copy of this election shall be served on the assessor, and
91 the Tax Commissioner in the case of industrial property or
92 natural resources property, by personal service or by certified
93 mail. The notice of election shall include an acknowledgment
94 by the taxpayer that taxpayer will timely pay first and second
95 half installment payments of taxes levied for the current tax
96 year on or before they become due and that any reduction in
97 assessed value that is administratively or judicially
98 determined in a decision that becomes final will result in a
99 credit being established against taxes that become due for a
100 tax year subsequent to the tax year in which the decision
101 becomes final, except as otherwise stated in the decision or
102 as otherwise provided in this article. In the event the board
103 adjourns sine die before February 20 of the tax year, a
104 taxpayer may still file its written protest and the
105 acknowledgment described in this subdivision with the
106 county clerk on or before February 20 of the tax year, and the
107 petition shall be heard when county commission meets as a
108 board of assessment appeals, as provided in section twenty-
109 four-b of this article. If a taxpayer fails to provide its written
110 protest on or before February 20, and the board unilaterally
111 increases the assessed value subsequent to that date, the

112 taxpayer may still file a written protest and the
113 acknowledgment described in this subdivision with the
114 county clerk, and the petition shall be heard when the county
115 commission meets as a board of assessment appeals as
116 provided in section twenty-four-b of this article.

§11-3-24. Review and equalization by county commission.

1 (a) The county commission shall annually, not later than
2 February 1 of the tax year, meet as a board of equalization
3 and review for the purpose of reviewing and equalizing the
4 assessment made by the assessor. The board shall not
5 adjourn for longer than three business days at a time, not
6 including a Saturday, Sunday or legal holiday in this state,
7 until this work is completed. The board may adjourn sine die
8 anytime after February 15 of the tax year and shall adjourn
9 sine die not later than the last day of February of the tax year.

10 (b) At the first meeting of the board, the assessor shall
11 submit the property books for the current year, which shall be
12 complete in every particular, except that the levies shall not
13 be extended. The assessor and the assessor's assistants shall
14 attend and render every assistance possible in connection
15 with the value of property assessed by them.

16 (c) The board shall proceed to examine and review the
17 property books, and shall add on the books the names of
18 persons, the value of personal property and the description
19 and value of real estate liable to assessment which was
20 omitted by the assessor. The board shall correct all errors in
21 the names of persons, in the description and valuation of
22 property, and shall cause to be done whatever else is
23 necessary to make the assessed valuations comply with the
24 provisions of this chapter. But in no case shall any question
25 of classification or taxability be considered or reviewed by
26 the board.

27 (d) If the board determines that any property or interest
28 is assessed at more or less than sixty percent of its true and
29 actual value as determined under this chapter, it shall fix it at
30 sixty percent of its true and actual value: *Provided*, That no
31 assessment shall be increased without giving the taxpayer at
32 least five days' notice, in writing, of the intention to make the
33 increase and no assessment shall be greater than sixty percent
34 of the true and actual value of the property.

35 (e) Service of notice of the increase upon the taxpayer
36 shall be sufficient, or upon his or her agent or attorney, if
37 served in person, or if sent by registered or certified mail to
38 the property owner, his or her agent, or attorney, at the last
39 known mailing address of the person as shown in the records
40 of the assessor or the tax records of the county sheriff. If
41 such person cannot be found and has no last known mailing
42 address, then notice shall be given by publication thereof as
43 a Class I legal advertisement in compliance with the
44 provisions of article three, chapter fifty-nine of this code and
45 the publication area shall be the county. The date of the
46 publication shall be at least five days, not including a
47 Saturday, Sunday or legal holiday in this state, prior to the
48 day the board acts on the increase. When the board intends
49 to increase the entire valuation in any one tax district by a
50 general increase, notice shall be given by publication thereof
51 as a Class II-0 legal advertisement in compliance with the
52 provisions of article three, chapter fifty-nine of this code and
53 the publication area shall be the county. The date of the last
54 publication shall be at least five days, not including a
55 Saturday, Sunday or legal holiday in this state, prior to the
56 meeting at which the increase in valuation is acted on by the
57 board. When an increase is made, the same valuation shall
58 not again be changed unless notice is again given as
59 heretofore provided.

60 The clerk of the county commission shall publish notice
61 of the time, place and general purpose of the meeting as a

62 Class II legal advertisement in compliance with the
63 provisions of article three, chapter fifty-nine of this code and
64 the publication area shall be the county. The expense of
65 publication shall be paid out of the county treasury.

66 (f) Any person who receives notice as provided in
67 subsection (e) of this section may appear before the board at
68 the time and place specified in the notice to object to the
69 proposed increase in the valuation of taxpayer's property.
70 After hearing the board's reason or reasons for the proposed
71 increase, the taxpayer may present his or her objection or
72 objections to the increase and the reason or reasons for the
73 objections and may either orally or in writing advise the
74 board that the taxpayer elects for the matter to be heard in the
75 fall of the tax year when the county commission meets as a
76 board of assessment appeals as provided in section twenty-
77 four-b of this article: *Provided*, That taxpayer's election shall
78 not stay a decision by the board to increase the assessed value
79 of the property for the current tax year.

80 (g) The board may approve an agreement signed by the
81 taxpayer or taxpayer's representative and the assessor, and by
82 a representative of the Tax Commissioner when the property
83 is industrial property or natural resources property, that
84 resolves a valuation matter while the land and personal
85 property books are before the board for equalization and
86 review.

87 (h) If any person fails to apply for relief at this meeting,
88 he or she shall have waived the right to ask for correction in
89 the assessment list for the current year, and shall not
90 thereafter be permitted to question the correctness of the list
91 as finally fixed by the board, except on appeal to the circuit
92 court or as otherwise provided in this article.

93 (i) After the board completes the review and equalization
94 of the property books, a majority of the board shall sign a

95 statement that it is the completed assessment of the county
96 for the tax year. Then the property books shall be delivered
97 to the assessor and the levies extended as provided by law.

98 (j) A taxpayer who elects to have a hearing before the
99 board of equalization and review may appeal the board's
100 order as provided in section twenty-five of this article. A
101 taxpayer who elects to have a hearing before the board of
102 assessment appeals may only appeal the assessed value as
103 provided in section twenty-four-b of this article.

**§11-3-24a. Protest of classification or taxability to assessor;
appeal to Tax Commissioner.**

1 (a) At any time after property is returned for taxation, and
2 up to and including the time the property books are before the
3 county commission sitting as a board of equalization and
4 review, any taxpayer may apply to the assessor for
5 information regarding the classification and taxability of the
6 taxpayer's property. In case the taxpayer is dissatisfied with
7 the classification of property assessed to the taxpayer or
8 believes that the property is exempt or otherwise not subject
9 to taxation, the taxpayer shall file objections in writing with
10 the assessor. The assessor shall decide the question by either
11 sustaining the protest and making proper corrections, or by
12 stating, in writing if requested, the reasons for refusal to grant
13 the protest.

14 (b) The assessor may, and if the taxpayer requests, the
15 assessor shall, certify the question to the State Tax
16 Commissioner in a statement sworn to by both parties, or if
17 the parties are unable to agree, in separate sworn statements,
18 giving a full description of the property and any other
19 information which the Tax Commissioner requires. The Tax
20 Commissioner shall prescribe forms on which the aforesaid
21 question shall be certified and the Tax Commissioner shall
22 have the authority to pursue any inquiry and procure any
23 information necessary for the disposition of the issue.

24 (c) The Tax Commissioner shall, as soon as possible on
25 receipt of the question, but in no case later than February 28
26 of the assessment year, instruct the assessor as to how the
27 property shall be treated. The instructions issued and
28 forwarded by mail to the assessor shall be binding upon the
29 assessor, but either the assessor or the taxpayer may apply to
30 the circuit court of the county within thirty days after
31 receiving written notice of the Tax Commissioner's ruling,
32 for review of the question of classification or taxability in the
33 same fashion as is provided for appeals from the county
34 commission sitting as a board of equalization and review in
35 section twenty-five of this article.

36 (d) The amendments to this section enacted in the year
37 2010 shall apply to classification and taxability rulings issued
38 for taxes levied after December 31, 2011.

§11-3-24b. Board of Assessment Appeals.

1 (a) The county commission shall meet as a board of
2 assessment appeals no sooner than October 1 of the tax year,
3 unless that day is a Saturday, Sunday or legal holiday in this
4 state, in which event the board shall begin meeting on the
5 next day that is not a Saturday, Sunday or legal holiday.

6 (b) The board shall set a date and time for hearing each
7 protest filed on or before February 20 of the tax year, as
8 provided in section twenty-three-a of this article, and for
9 which the taxpayer elected to have the matter heard by the
10 board of assessment appeals: *Provided*, That the commission
11 may, before, on or after October 1, begin developing a
12 hearing schedule for hearings to commence on or after
13 October 1. The board may in its discretion grant one or more
14 continuances of the hearing date. The board shall grant a
15 continuance when the continuance is agreed to by the
16 assessor and the taxpayer. When the hearing involves
17 industrial property or natural resources property appraised by
18 the Tax Commissioner, the board shall grant continuances of

19 hearing dates and otherwise work with the Tax
20 Commissioner to develop a hearing schedule that recognizes
21 the limitations of state resources and the fact that the Tax
22 Commissioner is responsible for appraising industrial
23 properties and natural resource properties in all fifty-five
24 counties.

25 (c) Upon the timely request of any party, the board may,
26 before, on or after October 1, develop a discovery schedule
27 for the exchange of information between the taxpayer and the
28 assessor and, in matters involving industrial property or
29 natural resources property, the Tax Commissioner. Any
30 objections to discovery may be made to the board which shall
31 rule on such objections. Any willful failure to provide the
32 information requested through the discovery process and
33 required by the board may be grounds for dismissal of the
34 appeal by the board: *Provided*, That the board shall provide
35 written justification for dismissal to all parties, and: *Provided*,
36 *however*, That any dismissal may be appealed to the circuit
37 court as provided in section twenty-five of this article.

38 (d) The board may assign the appeal to a hearing
39 examiner for the taking of evidence if the hearing examiner
40 is mutually agreed to by the parties to the appeal. The
41 hearing examiner shall have the same authority as the board
42 to schedule hearings and schedule and compel discovery:
43 *Provided*, That, in the case of a willful failure to provide
44 information, an appeal may be dismissed only by the board
45 as provided in subsection (c) of this section. Hearings before
46 a hearing examiner shall be recorded electronically. Upon
47 the conclusion of discovery and hearings on an appeal, the
48 hearing examiner shall make a written report of findings of
49 fact and conclusions of law and provide the same to the board
50 and all parties to the appeal. The board shall issue its order
51 consistent with the report of the hearing examiner without the
52 taking of additional evidence. The cost and expenses of the
53 hearing examiner shall be paid by the board.

54 (e) The board may approve an agreement signed by the
55 taxpayer or taxpayer's representative and the assessor, and by
56 a representative of the Tax Commissioner when the property
57 is industrial property or natural resource property, that
58 resolves a valuation matter that arose while the land and
59 personal property books were before the board of
60 equalization and review.

61 (f) The board shall issue its order within a reasonable
62 time after the record for the hearing is closed and all required
63 briefs have been submitted.

64 (g) Any party to the hearing may appeal the order of the
65 board in the manner provided in section twenty-five of this
66 article for appealing an order of the board of equalization and
67 review.

68 (h) In the event the board reduces an assessed value in an
69 order that becomes final, the county clerk shall certify copies
70 of the order to the Auditor, sheriff and assessor, and to the
71 Tax Commissioner if the property is industrial property or
72 natural resources property. The taxpayer shall be entitled to
73 a credit voucher to be applied against future taxes as provided
74 in this article. When endorsed by the taxpayer, the voucher
75 shall be sufficient to entitle the sheriff to a credit for so much
76 of his or her settlement which he or she is required to make.

77 (i) The board of assessment appeals shall meet as often as
78 necessary until the work of the board is completed: *Provided,*
79 That the board shall adjourn sine die not later than October
80 31 of the tax year unless the board, by majority vote, agrees
81 to extend the term if necessary to afford the parties due
82 process and to complete its work, after which it shall adjourn
83 sine die.

§11-3-25. Relief in circuit court against erroneous assessment.

1 (a) Any person claiming to be aggrieved by any
2 assessment in any land or personal property book of any
3 county who shall have appeared and contested the valuation
4 as provided in section twenty-four or twenty-four-a of this
5 article, or whose assessment has been raised by the county
6 commission sitting as a board of equalization and review
7 above the assessment fixed by the assessor may, at any time
8 up to thirty days after the adjournment of the board sitting as
9 a board of equalization and review, or at anytime up to thirty
10 days after the order of the board of assessment appeals is
11 served on the parties, apply for relief to the circuit court of
12 the county in which the property books are made out; but any
13 person applying for relief in circuit court shall, before any
14 application is heard, give ten days' notice to the prosecuting
15 attorney of the county, whose duty it shall be to attend to the
16 interests of the state, county and district in the matter, and the
17 prosecuting attorney shall give at least five days' notice of
18 hearing to the Tax Commissioner.

19 (b) The right of appeal from any assessment by the board
20 of equalization and review or order of the board of
21 assessment appeals as provided in this section, may be taken
22 either by the applicant or by the state, and in case the
23 applicant, by his or her agent or attorney, or the state, by its
24 prosecuting attorney or Tax Commissioner, desires to take an
25 appeal from the decision of the either board, the party
26 desiring to take an appeal shall have the evidence taken at the
27 hearing of the application before either board, including a
28 transcript of all testimony and all papers, motions,
29 documents, evidence and records as were before the board,
30 certified by the county clerk and transmitted to the circuit
31 court as provided in section four, article three, chapter fifty-
32 eight of this code, except that, any other provision of this
33 code notwithstanding, the evidence shall be certified and
34 transmitted within thirty days after the petition for appeal is
35 filed with the court or judge, in vacation.

36 (c) If there was an appearance by or on behalf of the
37 taxpayer before either board, or if actual notice, certified by
38 the board, was given to the taxpayer, the appeal, when
39 allowed by the court or judge, in vacation, shall be
40 determined by the court from the record as so certified:
41 *Provided*, That in cases where the court determines that the
42 record made before the board is inadequate as a result of the
43 parties having had insufficient time to present evidence at the
44 hearing before the board to make a proper record, as a result
45 of the parties having received insufficient notice of changes
46 in the assessed value of the property and the reason or
47 reasons for the changes to make a proper record at the
48 hearing before the board, as a result of irregularities in the
49 procedures followed at the hearing before the board, or for
50 any other reason not involving the negligence of the party
51 alleging that the record is inadequate, the court may remand
52 the appeal back to the county commission of the county in
53 which the property is located, even after the county
54 commission has adjourned sine die as a board of equalization
55 and review or a board of assessment appeals for the tax year
56 in which the appeal arose, for the purpose of developing an
57 adequate record upon which the appeal can be decided. The
58 county commission shall schedule a hearing for the purpose
59 of taking additional evidence at any time within ninety days
60 of the remand order that is convenient for the county
61 commission and for the parties to the appeal. If, however,
62 there was no actual notice to the taxpayer, and no appearance
63 by or on behalf of the taxpayer before the board, or if a
64 question of classification or taxability is presented, the matter
65 shall be heard de novo by the circuit court.

66 (d) If, upon the hearing of appeal, it is determined that
67 any property has been assessed at more than sixty percent of
68 its true and actual value determined as provided in this
69 chapter, the circuit court shall, by an order entered of record,
70 correct the assessment, and fix the assessed value of the
71 property at sixty percent of its true and actual value. A copy

72 of the order or orders entered by the circuit court reducing the
73 valuation shall be certified to the Auditor, if the order or
74 orders pertain to real property, by the clerk within twenty
75 days after the entering of the same, and every order or
76 judgment shall show that the prosecuting attorney or Tax
77 Commissioner was present and defended the interest of the
78 state, county and district. If it be ascertained that any
79 property has been valued too high, and that the taxpayer has
80 paid the excess tax, it shall be refunded or credited to the
81 taxpayer in accordance with the provisions of section twenty-
82 five-a of this article, and if not paid, he or she shall be
83 relieved from the payment thereof. If it is ascertained that
84 any property is valued too low, the circuit court shall, by an
85 order entered of record, correct the valuation and fix it at
86 sixty percent of its true and actual value. A copy of any order
87 entered by any circuit court increasing the valuation of
88 property shall be certified within twenty days, if the order
89 pertains to real property, to the Auditor, the county clerk and
90 the sheriff. However, if the order pertains only to personal
91 property, then the copy shall be certified within twenty days
92 to the county clerk and to the sheriff and it shall be the duty
93 of the Auditor, the county clerk and the sheriff to charge the
94 taxpayer affected with the increase of taxes occasioned by the
95 increase of valuation by applying the rate of levies for every
96 purpose in the district where the property is situated for the
97 current year. The order shall also be filed in the office of the
98 Auditor and clerk of the county commission. The circuit
99 court shall review the record submitted from the board. If the
100 court determines that the record is adequate, it shall establish
101 a briefing and argument schedule that will result in the appeal
102 being submitted to the court for decision within a reasonable
103 time, but not to exceed eight months after the appeal is filed.
104 All final decisions or orders of the circuit court shall be
105 issued within a reasonable time, not to exceed ninety days,
106 from the date the last brief is filed and the case is submitted
107 to the court for decision. The state or the aggrieved taxpayer
108 may appeal a question of valuation to the Supreme Court of

109 Appeals if the assessed value of the property is \$50,000 or
110 more, and either party may appeal a question of classification
111 or taxability.

112 (e) All persons applying for relief to the circuit court
113 under this section shall be governed by the same
114 presumptions, burdens and standards of proof as established
115 by law for taxpayers applying for such relief.

116 (f) *Effective date.* -- The amendments to this section
117 enacted in 2010 shall apply to tax years beginning after
118 December 31, 2011.

§11-3-25a. Payment of taxes that become due while appeal is pending.

1 (a) All taxes levied and assessed against the property for
2 the year on which a protest or an appeal has been filed by the
3 taxpayer as provided in section twenty-four or twenty-four-b
4 of this article shall be paid before they become delinquent.
5 If the taxes are not paid before becoming delinquent, the
6 circuit court, having jurisdiction of the appeal, as appropriate,
7 shall dismiss the appeal unless the delinquent taxes and
8 interest due are paid in full within thirty days after taxes for
9 the second half of the tax year become delinquent.

10 (b) In the event the order of a court becomes final and the
11 order results in an overpayment of taxes levied for the tax
12 year that have been paid to the sheriff, the amount of the
13 overpayment shall be refunded to the taxpayer if the
14 overpayment is \$25,000 or less within thirty days after the
15 time for appealing the decision or order expires or, if the
16 decision or order is appealed, within thirty days of the date
17 the appeals court turns down the appeal: *Provided, That, if*
18 *the taxpayer's protest before the county commission below*
19 *was heard pursuant to the provisions of section twenty-four-b*
20 *of this article, the refund shall be paid pursuant to the*

21 provisions of that section. If the overpayment is more than
22 \$25,000, a credit in the amount of the overpayment shall be
23 established by the county sheriff and allowed as a credit
24 against taxes owed up to the following two tax years:
25 *Provided, however,* That the county commission may elect to
26 refund the amount of overpayment rather than having a credit
27 established as provided in this section: *Provided further,* That
28 if any portion of the overpayment remains unused after the
29 date on which taxes payable for the second half of the second
30 tax year following the tax year of the overpayment become
31 delinquent, that portion shall be refunded to taxpayer by the
32 county sheriff no later than thirty days after that date or thirty
33 days from the date that the circuit court order becomes final,
34 whichever date occurs later. Whenever an overpayment is
35 refunded or credited under this section, the county shall pay
36 interest at the rate established in section seventeen and
37 seventeen-a, article ten of this chapter for overpayments of
38 taxes collected by the Tax Commissioner, which interest
39 shall be computed from the date the overpayment was
40 received by the sheriff to the date of the refund check or the
41 date the credit is actually taken against taxes that become due
42 after the order of the court becomes final.

§11-3-32. Effective date of amendments.

1 Unless specified otherwise in this article, all amendments
2 to this article adopted in the year 2010 shall apply to the
3 assessment years beginning on or after July 1, 2011.

§11-3-33. Rules.

1 The Tax Commissioner is hereby authorized to
2 promulgate emergency rules and other rules in accordance
3 with the provisions of article three, chapter twenty nine-a of
4 this code as necessary or convenient for administration and
5 interpretation of this article.

2 Commissioner under this article shall be made in conformity
3 with any reasonable requirements of the Tax Commissioner
4 of which the person making the return shall have had notice,
5 and shall be made upon forms prescribed by the Tax
6 Commissioner who is invested with full power and authority
7 to prescribe the forms required from any owner, operator or

6 required by law.

7 (b) If any owner, operator or producer fails to make a
8 required return, the Tax Commissioner shall proceed to
9 obtain the facts and information required to be furnished by
10 the returns.

11 (c) For the purposes of ascertaining the correctness of any
12 return filed pursuant to this article or of valuing the property
13 of any industrial taxpayer or natural resources property owner

16 five-b and five-c, article ten of this chapter.

17 (d) Using information provided on the returns and all other
18 pertinent evidence, information and data he or she has been
19 able to procure, the Tax Commissioner shall annually value
20 and make tentative appraisals of all industrial property and
21 natural resources property as provided in section ten, article
22 one-c of this chapter.

23 (e) On or before October 15 of the assessment year, the
24 Tax Commissioner shall complete the preparation of tentative
25 appraisals of all industrial property and natural resources
26 property and shall notify the owner or operator affected
27 thereby of the amount of the tentative appraisals: *Provided,*
28 That in the case of oil-producing property, natural gas-
29 producing property and managed timberland, the Tax
30 Commissioner shall complete the preparation of tentative
31 appraisals and notify the affected owner or operator by
32 December 1 of the assessment year, and: *Provided, however,*
33 That no notification shall be required where the total increase
34 in the aggregate amount of the tentative appraisals to the
35 owner or operator affected thereby does not exceed \$1,000
36 and the total tentative appraisals did not increase by more
37 than ten percent from the prior year's appraisals. Notification
38 may, at the reasonable discretion of the Tax Commissioner,
39 be: (1) By written notice deposited in the United States mail,
40 addressed to the owner or operator at the principal office or
41 place of business of the owner or operator; (2) by electronic
42 notification; or (3) by any other means designed to
43 communicate the tentative appraisal information to the owner
44 or operator in a timely and efficient manner and in a
45 convenient useable form. Any notice required to be provided
46 under this section to an owner or operator shall also be
47 provided by the Tax Commissioner to the assessor of the
48 county in which the property is located. The Tax
49 Commissioner shall retain in his or her office true copies of
50 tentative appraisals and of the underlying work sheets used
51 to compute the tentative appraisals, all of which shall be
52 available for inspection by any owner or operator or his or
53 her duly authorized representative.

§11-6K-5. Informal petition to Tax Commissioner for review of tentative appraisals.

1 (a) A taxpayer who is of the opinion that the tentative
2 appraisal of its industrial property or natural resources

3 property, except oil-producing property, natural gas-
4 producing property and managed timberland, does not reflect
5 the true and actual value of the property or is otherwise
6 improperly valued may, after receiving its tentative appraisal
7 and on or before November 15 of the assessment year,
8 informally petition the Tax Commissioner requesting a
9 review of the tentative appraisal. Likewise, an assessor who
10 is of the opinion that the tentative appraisal of any industrial
11 property or natural resources property, except oil-producing
12 property, natural gas-producing property and managed
13 timberland, located in the county does not reflect the true and
14 actual value of the property or is otherwise improperly valued
15 may, after receiving the tentative appraisal and on or before
16 November 15 of the assessment year, informally petition the
17 Tax Commissioner requesting a review of the tentative
18 appraisal. The Tax Commissioner may require the petition
19 be made on a written form prescribed by the Tax
20 Commissioner. At the time a petition is filed by a taxpayer
21 with the Tax Commissioner, the petitioner shall provide a
22 copy of the petition to the assessor of the county in which the
23 property is located. At the time a petition is filed by an
24 assessor with the Tax Commissioner, the petitioner shall
25 provide a copy of the petition to the taxpayer involved.

26 (b) At the petitioner's request, the Tax Commissioner or
27 his or her representative shall meet with the petitioner or the
28 petitioner's representative to discuss the petition at a time and
29 place designated at least five working days in advance by the
30 Tax Commissioner after the petition is filed. If the petitioner
31 is unable to appear and meet with the Tax Commissioner at
32 the time and place set by the Tax Commissioner, the
33 petitioner may submit written evidence to support the petition
34 if it is submitted before the date of the meeting.

35 (c) The Tax Commissioner shall consider and rule on
36 each informal petition filed under this section on or before
37 January 15 of the tax year. If the Tax Commissioner agrees

38 with the petition he or she shall modify the tentative appraisal
39 accordingly. The Tax Commissioner shall then notify the
40 petitioner and assessor of the county in which the property is
41 located in writing of his or her decision and shall include
42 supporting data that the assessor might need to evaluate the
43 appraisal.

**§11-6K-6. Final appraisal of industrial property and natural
resources property by Tax Commissioner;
appraisals sent to assessors; appeals of Tax
Commissioner's appraisals.**

1 (a) The Tax Commissioner shall finalize the tentative
2 appraisals made pursuant to section four of this article and
3 make his or her final appraisals of industrial property and
4 natural resources property on or before December 15 of the
5 assessment year.

6 (b) On or before December 15 of the assessment year, the
7 Tax Commissioner shall forward each industrial property and
8 natural resources property appraisal to the county assessor of
9 the county in which that property is located. In so doing, The
10 Tax Commissioner shall identify those appraisals that may
11 still be under review under section five of this article. The
12 assessor shall then multiply each appraisal by sixty percent
13 and include the resulting assessed value in the land book or
14 the personal property book, as appropriate for each tax year.
15 The Tax Commissioner shall supply supporting data that the
16 assessor might need to evaluate the appraisal.

17 (c) Any taxpayer claiming to be aggrieved by any
18 assessment made pursuant to this article may appeal the
19 assessment as provided under the provisions of article three
20 of this chapter: *Provided*, That if the assessment exceeds
21 sixty percent of the final appraisal by the Tax Commissioner,
22 the taxpayer may notify the Tax Commissioner in writing of
23 this error, whereupon he or she shall, if the error is

24 confirmed, instruct the assessor in writing to lower the
25 assessment to sixty percent of the final appraisal. The
26 assessor shall, upon receipt of instruction from the Tax
27 Commissioner, lower the assessment as required.

§11-6K-7. Effective date.

1 The provisions of this article enacted in the year 2010
2 shall be effective for the assessment years and the tax years
3 beginning on or after July 1, 2011.

§11-6K-8. Rules.

1 The Tax Commissioner is hereby authorized to
2 promulgate emergency rules and other rules in accordance
3 with the provisions of article three, chapter twenty nine-a of
4 this code as necessary or convenient for administration and
5 interpretation of this article.

CHAPTER 18. EDUCATION.

ARTICLE 9A. PUBLIC SCHOOL SUPPORT.

§18-9A-12. County basic foundation; total basic state aid allowance.

1 (a) The basic foundation program for each county for the
2 fiscal year shall be the sum of the amounts computed in
3 accordance with the provisions of sections four, five, six,
4 seven, eight, nine and ten of this article. On the first working
5 day of July in each year, the State Board shall determine the
6 basic foundation program for each county for that fiscal year.
7 Data used in the computations relating to net and adjusted
8 enrollment, and the number of professional educators, shall
9 be for the second month of the prior school term.
10 Transportation expenditures used in these computations shall

11 be for the most recent year in which data are available. The
12 allocated state aid share of the county's basic foundation
13 program shall be the difference between the cost of its basic
14 foundation program and the county's local share as
15 determined in section eleven of this article except as provided
16 in subsection (b) of this section.

17 (b) The allocated state aid share shall be adjusted in the
18 following circumstances in the following manner: *Provided*,
19 That prior to such adjustment, the State Tax Commissioner
20 shall provide the State Board, by January 15 of each year, a
21 certified listing of those counties in which such adjustment
22 shall be made pursuant to this subsection, together with the
23 amount of revenue which will not be available to each county
24 board in the ensuing fiscal year as a result of the
25 circumstance:

26 (1) In those instances where the local share as computed
27 under section eleven of this article is not reflective of local
28 funds available because the county is under a final court
29 order, or a final decision of a board of assessment appeals
30 under section twenty-four-b, article three, chapter eleven of
31 this code, to refund or credit property taxes paid in prior
32 years, the allocated state aid share shall be the county's basic
33 foundation program, minus the local share as computed under
34 section eleven of this article, plus the amount of property tax
35 the county is unable to collect or must refund due to the final
36 court order or final decision of a board of assessment
37 appeals: *Provided*, That said adjustment shall not be made or
38 shall only be made proportionately when the Legislature fails
39 to fund or funds only in part the public school basic
40 foundation support plan state share at a level sufficient to
41 cover the reduction in state share: *Provided, however*, That
42 nothing herein provided shall be construed to require or
43 mandate any level of funding by the Legislature.

44 (2) In those instances where the local share as computed
45 under section eleven of this article is not reflective of local
46 funds available because the county is collecting tax based
47 upon an assessed value which is less than that determined by
48 the Tax Commissioner in the most recent published survey of
49 property valuations in the state due to an error in the
50 published survey, which error is certified to by the Tax
51 Commissioner, the allocated state aid share shall be the
52 county's basic foundation program, minus the local share as
53 computed under section eleven of this article, plus the
54 amount of property tax the county is unable to collect based
55 on differences in the assessed valuation between those in the
56 most recent published survey of valuation and the corrected
57 assessed value actually levied upon by the county: *Provided*,
58 That said adjustment shall not be made or shall only be made
59 proportionately when the Legislature fails to fund or funds
60 only in part the public school basic foundation support plan
61 state share at a level sufficient to cover the reduction in state
62 share: *Provided, however*, That nothing herein provided shall
63 be construed to require or mandate any level of funding by
64 the Legislature.

65 (3) In instances where a county is unable to collect
66 property taxes from a taxpayer during the pendency of any
67 court proceeding, the allocated state aid share shall be the
68 county's basic foundation program minus the local share as
69 computed under section eleven of this article, plus the
70 amount the county is unable to collect as a result of the
71 pending court proceedings as certified by the Tax
72 Commissioner: *Provided*, That the county is required to
73 reimburse the amount of allocated state aid share attributable
74 to the amount of property tax it later receives upon
75 completion of court proceedings, which shall be paid into the
76 General Revenue Fund of the state: *Provided, however*, That
77 said adjustment shall not be made or shall only be made
78 proportionately when the Legislature fails to fund or funds

79 only in part the public school basic foundation support plan
80 state share at a level sufficient to cover the reduction in state
81 share: *Provided further*, That nothing herein provided shall
82 be construed to require or mandate any level of funding by
83 the Legislature.

84 (c) The allocated state aid share shall be adjusted in any
85 county receiving payments or contributions in lieu of
86 property taxes. In instances where a county receives
87 payments or contributions in lieu of property taxes, the
88 allocated state aid share shall be the county's basic
89 foundation program minus the local share as computed under
90 section eleven of this article, plus any amounts added
91 pursuant to subsection (b) of this section minus the payments
92 or contributions in lieu of property taxes which are
93 distributed by the sheriff to the county board of education. In
94 determining the amount of such contribution or payment in
95 lieu of taxes, each county commission shall provide to the
96 State Tax Commissioner, by January 1 of each year, the total
97 amount of such payments or contributions paid to the county
98 and the proportion of the total amount that has been or will be
99 distributed to the county board of education. The State Tax
100 Commissioner then shall provide the State Board, by January
101 15 of each year, a certified listing of those counties in which
102 an adjustment pursuant to this section shall be made, together
103 with the amount of revenue which will be available to each
104 county board in the ensuing fiscal year as a result of
105 contribution or payment in lieu of taxes.

106 (d) Total basic state aid to the county shall be the
107 computed state share of basic foundation support. After such
108 computation is completed, the State Board shall immediately
109 certify to each county board the amount of state aid allocated
110 to the county for that fiscal year, subject to any qualifying
111 provisions of this article.

8 under this section during that taxable year.

9 (2) *Tax of more than \$1,000 per month.* -- For taxpayers

14 which the tax accrued: *Provided*, That the installment
15 payment otherwise due under this subdivision on or before
16 June 30 each year shall be remitted to the Tax Commissioner
17 on or before June 15 each year. When this subdivision

ARTICLE 21. PERSONAL INCOME TAX.

§11-21-54. Electronic filing for certain tax preparers.

§11-21-74. Filing of employer's withholding return and payment of withheld taxes; annual reconciliation; e-filing required for certain tax preparers and employer.

§11-21-54. Electronic filing for certain tax preparers.

1 (a) If an income tax return preparer filed more than one
2 hundred personal income tax returns for any taxable year that
3 began after January 1, 2005, and if during calendar year 2006
4 or any calendar year thereafter that income tax preparer
5 prepares one or more personal income tax returns using tax
6 preparation software for a previous taxable year, then for
7 each current taxable year all unamended personal income tax
8 returns prepared by that preparer shall be filed electronically,
9 except as provided in subsections (c) and (d) of this section:
10 *Provided*, That if an income tax return preparer filed more
11 than twenty-five personal income tax returns for any tax year
12 that began on or after January 1, 2010, and if that income tax

13 preparer prepares one or more personal income tax returns
14 using tax preparation software, then for each tax year
15 beginning on or after January 1, 2011, all unamended
16 personal income tax returns prepared by that preparer shall be
17 filed electronically, except as provided in subsections (c) and
18 (d) of this section.

19 (b) For purposes of this section:

20 (1) “Income tax preparer” means any person who
21 prepares, in exchange for compensation, or who employs
22 another person to prepare, in exchange for compensation, all
23 or a substantial portion of any return for a taxpayer for the tax
24 imposed by this article and who is identified as the preparer
25 for the taxpayer on the return. A person who only performs
26 those acts described in clauses (i) through (iv) of Section
27 7701(a)(36)(B) of the Internal Revenue Code with respect to
28 the preparation of a return for a trust or estate for which he or
29 she is a fiduciary or a return for a partnership of which he or
30 she is a partner is not an income tax preparer for purposes of
31 this section.

32 (2) “Electronic filing” or “e-filing” means filing using
33 electronic technology such as computer modem, magnetic
34 media, optical disk, facsimile machine, telephone or other
35 technology approved by the Tax Commissioner, in such
36 manner as he or she deems acceptable.

37 (3) “Tax preparation software” means any computer
38 software program intended for accounting or tax return
39 preparation.

40 (c) Subsection (a) of this section shall cease to apply to
41 an income tax preparer if, for the previous taxable year, that
42 income tax preparer prepared no more than twenty-five
43 personal income tax returns.

44 (d) This section first applies to personal income tax
45 returns required to be filed for taxable years beginning
46 January 1, 2006. This section does not require electronic
47 filing of: (1) Returns that were not required to be filed for
48 taxable years beginning prior to that date; (2) returns for prior
49 taxable years beginning prior to that date; or (3) amended
50 returns for any taxable year.

51 (e) An income tax preparer who is required to e-file under
52 this section but does not do so is liable for a penalty in the
53 amount of \$25 for each return prepared that is not e-filed,
54 unless the preparer shows that the failure to do so is due to
55 technical inability to comply on the part of a tax preparer or
56 a documented election by a client not to file electronically.

57 (f) The commissioner shall implement the provisions of
58 this section using any combination of notices, forms,
59 instructions and rules that he or she deems necessary.

**§11-21-74. Filing of employer's withholding return and
payment of withheld taxes; annual reconciliation;
e-filing required for certain tax preparers and
employer.**

1 (a) *General.* -- Every employer required to deduct and
2 withhold tax under this article shall, for each calendar
3 quarter, on or before the last day of the month following the
4 close of the calendar quarter, file a withholding return as
5 prescribed by the Tax Commissioner and pay over to the Tax
6 Commissioner the taxes required to be deducted and
7 withheld. Where the average quarterly amount deducted and
8 withheld by any employer is less than \$150 and the aggregate
9 for the calendar year can reasonably be expected to be less
10 than \$600, the Tax Commissioner may by regulation permit
11 an employer to file an annual return and pay over to the Tax
12 Commissioner the taxes deducted and withheld on or before
13 the last day of the month following the close of the calendar
14 year. The Tax Commissioner may, by nonemergency

15 legislative rules promulgated pursuant to article three, chapter
16 twenty-nine-a of this code, change the minimum amounts
17 established by this subsection. The Tax Commissioner may,
18 if he or she determines necessary for the protection of the
19 revenues, require any employer to make the return and pay to
20 him or her the tax deducted and withheld at any time or from
21 time to time. Notwithstanding the provisions of this
22 subsection, on or after January 1, 2009, every employer
23 required to deduct and withhold tax under this article shall
24 file a withholding return as prescribed by the Tax Commissioner
25 and pay over to the Tax Commissioner the taxes required to
26 be deducted and withheld, in accordance with the procedures
27 established by the Internal Revenue Service pursuant to
28 Section 3402 of the Internal Revenue Code.

29 (b) *Monthly returns and payments of withheld tax on and*
30 *after January 1, 2001.* -- Notwithstanding the provisions of
31 subsection (a) of this section, on and after January 1, 2001,
32 every employer required to deduct and withhold tax under
33 this article shall, for each of the first eleven months of the
34 calendar year, on or before the twentieth day of the
35 succeeding month and for the last calendar month of the year,
36 on or before the last day of the succeeding month, file a
37 withholding return as prescribed by the Tax Commissioner
38 and pay over to the Tax Commissioner the taxes required to
39 be deducted and withheld, if the withheld taxes aggregate
40 \$250 or more for the month, except any employer with
41 respect to whom the Tax Commissioner may have by
42 regulation provided otherwise in accordance with the
43 provisions of subsection (a) of this section. Notwithstanding
44 the provisions of this subsection, on and after January 1,
45 2009, every employer required to deduct and withhold tax
46 under this article shall file a withholding return as prescribed
47 by the Tax Commissioner and pay over to the Tax
48 Commissioner the taxes required to be deducted and
49 withheld. The due dates for returns and payments shall be
50 established by the Tax Commissioner to match as closely as
51 practicable the due dates in effect for federal income tax

52 purposes, in accordance with the procedures established by
53 the Internal Revenue Service pursuant to Section 3402 of the
54 Internal Revenue Code.

55 (c) *Annual returns and payments of withheld tax of*
56 *certain domestic and household employees.* -- Employers of
57 domestic and household employees whose withholdings of
58 federal income tax are annually paid and reported by the
59 employer pursuant to the filing of Schedule H of federal form
60 1040, 1040A, 1040NR, 1040NR-EZ, 1040SS or 1041 may,
61 on or before January 31 next succeeding the end of the
62 calendar year for which withholdings are deducted and
63 withheld, file an annual withholding return with the Tax
64 Commissioner and annually remit to the Tax Commissioner
65 West Virginia personal income taxes deducted and withheld
66 for the employees. The Tax Commissioner may promulgate
67 legislative or other rules pursuant to article three, chapter
68 twenty-nine-a of this code for implementation of this
69 subsection. Notwithstanding the provisions of this subsection, on
70 or after January 1, 2009, every employer required to deduct
71 and withhold tax under this article shall file a withholding
72 return as prescribed by the Tax Commissioner and pay over
73 to the Tax Commissioner the taxes required to be deducted
74 and withheld. The due dates for annual returns and payments
75 shall be established by the Tax Commissioner to match as
76 closely as practicable the due dates in effect for federal
77 income tax purposes in accordance with the procedures
78 established by the Internal Revenue Service pursuant to
79 Section 3402 of the Internal Revenue Code.

80 (d) *Deposit in trust for Tax Commissioner.* -- Whenever
81 any employer fails to collect, truthfully account for or pay
82 over the tax, or to make returns of the tax as required in this
83 section, the Tax Commissioner may serve a notice requiring
84 the employer to collect the taxes which become collectible
85 after service of the notice, to deposit the taxes in a bank
86 approved by the Tax Commissioner, in a separate account, in
87 trust for and payable to the Tax Commissioner and to keep

88 the amount of the tax in the separate account until payment
89 over to the Tax Commissioner. The notice shall remain in
90 effect until a notice of cancellation is served by the Tax
91 Commissioner.

92 (e) *Accelerated payment.* -- (1) Notwithstanding the
93 provisions of subsections (a) and (b) of this section, for
94 calendar years beginning after December 31, 1990, every
95 employer required to deduct and withhold tax whose average
96 payment per calendar month for the preceding calendar year
97 under subsection (b) of this section exceeded \$100,000 shall
98 remit the tax attributable to the first fifteen days of June each
99 year on or before June 23: *Provided*, That on and after June
100 1, 2007, the provisions of this subsection that require the
101 accelerated payment on or before June 23 of the tax imposed
102 by this article are no longer effective and any tax due and
103 owing shall be payable in accordance with subsection (a) of
104 this section.

105 (2) For purposes of complying with subdivision (1) of
106 this subsection, the employer shall remit an amount equal to
107 the withholding tax due under this article on employee
108 compensation subject to withholding tax payable or paid to
109 employees for the first fifteen days of June or, at the
110 employer's election, the employer may remit an amount
111 equal to fifty percent of the employer's liability for
112 withholding tax under this article on compensation payable
113 or paid to employees for the preceding month of May.

114 (3) For an employer which has not been in business for
115 a full calendar year, the total amount the employer was
116 required to deduct and withhold under subsection (b) of this
117 section for the prior calendar year shall be divided by the
118 number of months, including fractions of a month, that it was
119 in business during the prior calendar year and if that amount
120 exceeds \$100,000, the employer shall remit the tax
121 attributable to the first fifteen days of June each year on or

122 before June 23, as provided in subdivision (2) of this
123 subsection.

124 (4) When an employer required to make an advanced
125 payment of withholding tax under subdivision (1) of this
126 subsection makes out its return for the month of June, which
127 is due on July 20, that employer may claim as a credit against
128 its liability under this article for tax on employee
129 compensation paid or payable for employee services rendered
130 during the month of June the amount of the advanced
131 payment of tax made under subdivision (1) of this subsection.

132 (f) The amendments to this section enacted in the year
133 2006 are effective for tax years beginning on or after January
134 1, 2006.

135 (g) An annual reconciliation of West Virginia personal
136 income tax withheld shall be submitted by the employer on
137 or before February 28 following the close of the calendar
138 year, together with Tax Division copies of all withholding tax
139 statements for that preceding calendar year. The reconciliation
140 shall be accompanied by a list of the amounts of income
141 withheld for each employee in such form as the Tax
142 Commissioner prescribes and shall be filed separately from
143 the employer's monthly or quarterly return.

144 (h) Any employer required to file a withholding return for
145 two hundred fifty or more employees shall file its return
146 using electronic filing as defined in section fifty-four of this
147 article: *Provided*, That for any tax period beginning on or
148 after January 1, 2011, any employer with fifty or more
149 employees shall file its return using electronic filing as
150 defined in section fifty-four of this article. An employer that
151 is required to file electronically but does not do so is subject
152 to a penalty in the amount of \$25 per employee for whom the
153 return was not filed electronically, unless the employer shows
154 that the failure is due to a technical inability to comply.

White and Campbell)**

[Passed March 10, 2010; in effect ninety days from passage.]
[Approved by the Governor on March 16, 2010.]

AN ACT to amend and reenact §11-10-18 of the Code of West Virginia, 1931, as amended, specifying the required addition to tax to be paid if the failure to timely file the required return of a tax administered by the West Virginia Tax Commissioner is for not more than one month from the date the return is due.

Be it enacted by the Legislature of West Virginia:

That §11-10-18 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

**ARTICLE 10. WEST VIRGINIA TAX PROCEDURE AND

1 (a) *Failure to file tax return or pay tax due.* --

2 (1) In the case of failure to file a required return of any
3 tax administered under this article on or before the date
4 prescribed for filing such return (determined with regard to
5 any extension of time for filing), unless it is shown that such
6 failure is due to reasonable cause and not due to willful

7 neglect, there shall be added to the amount required to be
8 shown as tax on such return five percent of the amount of
9 such tax if the failure is for not more than one month, an
10 additional five percent for each additional month or fraction
11 thereof during which such failure continues, not exceeding
12 twenty-five percent in the aggregate: *Provided*, That this
13 addition to tax shall be imposed only on the net amount of tax
14 due;

16 on any required return of any tax administered under this
17 article on or before the date prescribed for payment of such
18 tax (determined with regard to any extension of time for
19 payment), unless it is shown that such failure is due to
20 reasonable cause and not due to willful neglect, there shall be
21 added to the amount shown as tax on such return one half of
22 one percent of the amount of such tax if the failure is for not
23 more than one month, with an additional one half of one
24 percent for each additional month or fraction thereof during
25 which such failure continues, not exceeding twenty-five
26 percent in the aggregate: *Provided*, That the addition to tax
27 shall be imposed only on the net amount of tax due;

28 (3) In the case of failure to pay any amount in respect to
29 any tax required to be shown on a return specified in
30 paragraph (1) which is not so shown within fifteen days of
31 the date of notice and demand therefore, unless it is shown
32 that such failure is due to reasonable cause and not due to
33 willful neglect, there shall be added to the amount of tax
34 stated in such notice and demand one half of one percent of
35 the amount of each tax if the failure is for not more than one
36 month, with an additional one half of one percent for each
37 additional month or fraction thereof during which such
38 failure continues, not exceeding twenty-five percent in the
39 aggregate: *Provided*, That this addition to tax shall be
40 imposed only on the net amount of tax due.

41 (b) *Limitation and special rule.* --

42 (1) Additions under more than one paragraph:

43 (A) With respect to any return, the amount of the addition
44 under paragraph (1) of subsection (a) shall be reduced by the
45 amount of the addition under paragraph (2) of subsection (a)
46 for any month to which an addition to tax applies under both
47 paragraphs (1) and (2);

48 (B) With respect to any return, the maximum amount of
49 the addition permitted under paragraph (3) of subsection (a)
50 shall be reduced by the amount of the addition under
51 paragraph (1) of subsection (a) (determined without regard to
52 the last sentence of such subsection) which is attributable to
53 the tax for which the notice and demand is made and which
54 is not paid within fifteen days of notice and demand.

55 (2) *Amount of tax shown more than amount required to*
56 *be shown.* -- If the correct amount of tax due is less than the
57 amount shown on the return, paragraphs (1) and (2) of
58 subsection (a) shall only apply to the lower amount.

59 (3) *Exception for estimated tax.* -- Subsection (a) shall not
60 apply to any failure to pay any estimated tax.

61 (c) *Negligence or intentional disregard of rules and*
62 *regulations.* -- If any part of any underpayment of any tax
63 administered under this article is due to negligence or
64 intentional disregard of rules (but without intent to defraud),
65 there shall be added to the amount of tax due five percent of
66 the amount of such tax if the underpayment due to negligence
67 or intentional disregard of rules is for not more than one
68 month, with an additional five percent for each additional
69 month or fraction thereof during which such underpayment
70 continues, not exceeding twenty-five percent in the aggregate:

71 *Provided*, That these additions to tax shall be imposed only
72 on the net amount of tax due and shall be in lieu of the
73 additions to tax provided in subsection (a), and the Tax
74 Commissioner shall state in his or her notice of assessment
75 the reason or reasons for imposing this addition to tax with
76 sufficient particularity to put the taxpayer on notice regarding
77 why it was assessed.

78 (d) *False or fraudulent return.* -- In the case of the filing
79 of any false or fraudulent return with intent to evade any such
80 tax, or in the case of willful failure to file a return with intent
81 to evade tax, there shall be added to the tax due an amount
82 equal to fifty percent thereof which shall be in lieu of the
83 additions to tax provided in subsections (a) and (c). The
84 burden of proving fraud, willfulness or intent to evade tax
85 shall be upon the Tax Commissioner. In the case of a joint
86 personal income tax return under article twenty-one of this
87 chapter, this subsection shall not apply with respect to the tax
88 of the spouse unless some part of the underpayment is due to
89 the fraud of such spouse.

90 (e) *Additions to tax treated as tax.* -- Additions to tax
91 prescribed under this section on any tax shall be assessed,
92 collected and paid in the same manner as taxes.

93 (f) *Penalties for promoting abusive tax shelters and for*
94 *failure to report listed transactions.* --

95 (1) A penalty is hereby imposed on every person who
96 engages in activities promoting abusive tax shelters described
97 in Section 6700(a) of the Internal Revenue Code of 1986, or
98 any subsequent corresponding provisions of the Internal
99 Revenue Code, as from time to time amended, and who is
100 subject to a penalty imposed thereunder, whether or not such
101 penalty has been imposed, where such activities affect tax
102 returns required to be filed with the Tax Commissioner. The

103 amount of the penalty imposed hereunder shall be equal to
104 fifty percent of the gross income derived from activities by
105 such person which are subject to that penalty under paragraph
106 (2)(A) of said section 6700(a) for making a false or
107 fraudulent statement; and shall be the lesser of \$1,000 or one
108 hundred percent of such gross income when the activity is
109 subject to that penalty under paragraph (1) of said section
110 6700(a).

111 (2) For audits of returns commencing on or after July 1,
112 2006, when it appears that any part of the deficiency for
113 which an assessment is made is due to failure to disclose a
114 listed transaction or a reportable transaction other than a
115 listed transaction, as the terms are defined in Section 6707A
116 of the Internal Revenue Code of 1986, or any subsequent
117 corresponding provision of the Internal Revenue Code, as
118 from time to time amended, on the taxpayer's federal income
119 tax return, there shall be imposed a penalty. In the case of a
120 listed transaction the amount of the penalty shall be equal to
121 seventy percent of the amount of the deficiency, and in the
122 case of other reportable transactions the amount of the
123 penalty shall be equal to thirty-five percent of the amount of
124 the deficiency.

125 (g) *Coordination with other penalties.* -- Unless provided
126 otherwise by rules, the penalties imposed by this section are
127 in addition to any other penalty imposed by this article or
128 article ten-e of this chapter.

CHAPTER 188

(Com. Sub. for H. B. 4335 - By Delegates
H. White, Campbell and Kominar)

[Passed March 11, 2010; in effect ninety days from passage.]
[Approved by the Governor on March 23, 2010.]

AN ACT to amend and reenact §11-12-5 of the Code of West Virginia, 1931, as amended, relating to the business registration tax generally; specifying the business registration tax and business registration certificate are subject to certain exemptions; and specifying that the tax is imposed for each and every issuance, reissuance or reinstatement of a business registration certificate.

Be it enacted by the Legislature of West Virginia:

That §11-12-5 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 12. BUSINESS REGISTRATION TAX.

§11-12-5. Time for which registration certificate granted; power of Tax Commissioner to suspend or cancel certificate; certificate to be permanent until cessation of business for which certificates are granted or revocation, suspension or cancellation by the Tax Commissioner; penalty for involuntary loss of license due to failure to pay required fees and taxes relating to business.

1 (a) *Registration period.* -- All business registration
2 certificates issued under the provisions of section four of this
3 article are for the period of one year beginning July 1 and
4 ending June 30 of the following year: *Provided*, That
5 beginning on or after July 1, 1999, all business registration
6 certificates issued under the provisions of section four of this
7 article shall be issued for two fiscal years of this state, subject
8 to the following transition rule. If the first year for which a
9 business was issued a business registration certificate under
10 this article began on July 1 of an even-numbered calendar
11 year, then the Tax Commissioner may issue a renewal
12 certificate to that business for the period beginning July 1,
13 1999, and ending June 30, 2000, upon receipt of \$15 for each
14 such one-year certificate. Notwithstanding any other
15 provisions of this code to the contrary, any certificate of
16 registration granted on or after July 1, 2010, shall not be
17 subject to the foregoing requirement that it be renewed, but
18 shall be permanent until cessation of the business for which
19 the certificate of registration was granted or until it is
20 suspended, revoked or cancelled by the Tax Commissioner.
21 Notwithstanding any provision of this code to the contrary,
22 on or after July 1, 2010, reference to renewal of the business
23 registration certificate shall refer to the issuance of a new
24 business registration certificate pursuant to expiration,
25 cancellation or revocation of a prior business registration
26 certificate or to reinstatement of a business registration
27 certificate or to reinstatement of a business certificate
28 previously suspended by the Tax Commissioner. Subject to
29 the exemptions, exceptions and requirements other than the
30 \$4,000 or less gross income exemption, set forth in section
31 three of this article, on or after July 1, 2010, the business
32 registration certificate shall be issued upon payment of a tax
33 of \$30 to the Tax Commissioner for new issuances of the
34 business registration certificate or for issuances of the
35 business registration certificate pursuant to expiration,
36 cancellation or revocation of a prior business registration
37 certificate or for reinstatement of a business registration

38 certificate previously suspended by the Tax Commissioner,
39 along with any applicable delinquent fees, interest, penalties
40 and additions to tax. Subject to the exemptions, exceptions
41 and requirements set forth in section three of this article, the
42 \$30 tax shall be paid each and every time there is an
43 issuance, reissuance or reinstatement of a business
44 registration certificate, along with any applicable delinquent
45 fees, interest, penalties and additions to tax: *Provided*, That
46 the \$4,000 or less gross income exemption set forth in
47 subdivision (1), subsection (d), section three of this article
48 does not apply.

49 (b) *Revocation or suspension of certificate.* --

50 (1) The Tax Commissioner may cancel or suspend a
51 business registration certificate at any time during a
52 registration period if:

53 (A) The registrant filed an application for a business
54 registration certificate, or an application for renewal thereof,
55 that was false or fraudulent.

56 (B) The registrant willfully refused or neglected to file a
57 tax return or to report information required by the Tax
58 Commissioner for any tax imposed by or pursuant to this
59 chapter.

60 (C) The registrant willfully refused or neglected to pay
61 any tax, additions to tax, penalties or interest, or any part
62 thereof, when they became due and payable under this
63 chapter, determined with regard to any authorized extension
64 of time for payment.

65 (D) The registrant neglected to pay over to the Tax
66 Commissioner on or before its due date, determined with
67 regard to any authorized extension of time for payment, any

68 tax imposed by this chapter which the registrant collects from
69 any person and holds in trust for this state.

70 (E) The registrant abused the privilege afforded to it by
71 article fifteen or fifteen-a of this chapter to be exempt from
72 payment of the taxes imposed by such articles on some or all
73 of the registrant's purchases for use in business upon issuing
74 to the vendor a properly executed exemption certificate, by
75 failing to timely pay use tax on taxable purchase for use in
76 business or by failing to either pay the tax or give a properly
77 executed exemption certificate to the vendor.

78 (F) The registrant has failed to pay in full delinquent
79 personal property taxes owing for the calendar year.

80 (2) On or after July 1, 2010, a prospective registrant or a
81 former registrant for which a business registration certificate
82 has been suspended, cancelled or revoked pursuant to the
83 provisions of this article may apply for a new business
84 registration certificate or for reinstatement of a suspended
85 business registration certificate upon payment of all
86 outstanding delinquent fees, taxes, interest, additions to tax
87 and penalties, in addition to payment to the Tax
88 Commissioner of a penalty in the amount of \$100. The Tax
89 Commissioner may issue a new business registration
90 certificate or reinstate a suspended business registration
91 certificate if the prospective or former registrant has provided
92 security acceptable to and authorized by the Tax
93 Commissioner, payable to the Tax Commissioner, sufficient
94 to secure all delinquent fees, taxes, interest, additions to tax
95 and penalties owed by the prospective registrant. The Tax
96 Commissioner may issue a new business registration
97 certificate or reinstate a suspended business registration
98 certificate if the prospective or former registrant has entered
99 into a payment plan approved by the Tax Commissioner by
100 which liability for all delinquent fees, taxes, interest,

101 additions to tax and penalties will be paid in due course and
102 without significant delay. Failure of any registrant to comply
103 with a payment plan pursuant to this provision shall be
104 grounds for immediate suspension or revocation of the
105 registrant's business registration certificate.

106 (3) On and after July 1, 2010, a prospective registrant or
107 a former registrant for which a business registration
108 certificate has been suspended, cancelled or revoked pursuant
109 to the provisions of any article of this code other than this
110 article may apply for a new business registration certificate
111 or for reinstatement of a suspended business registration
112 certificate, only if the prospective or former registrant has
113 complied with all applicable statutory and regulatory
114 requirements for renewal, issuance or reinstatement of the
115 business registration certificate and upon payment to the Tax
116 Commissioner of a penalty in the amount of \$100.

117 (4) Except pursuant to exceptions specified in this code,
118 before canceling, revoking or suspending any business
119 registration certificate, the Tax Commissioner shall give
120 written notice of his or her intent to suspend, revoke or cancel
121 the business registration certificate of the taxpayer, the reason
122 for the suspension, revocation or cancellation, the effective
123 date of the cancellation, revocation or suspension and the
124 date, time and place where the taxpayer may appear and
125 show cause why such business registration certificate should
126 not be canceled, revoked or suspended. This written notice
127 shall be served on the taxpayer in the same manner as a
128 notice of assessment is served under article ten of this
129 chapter, not less than twenty days prior to the effective date
130 of the cancellation, revocation or suspension. The taxpayer
131 may appeal cancellation, revocation or suspension of its
132 business registration certificate in the same manner as a
133 notice of assessment is appealed under article ten-a of this
134 chapter. The filing of a petition for appeal does not stay the

135 effective date of the suspension, revocation or cancellation.
136 A stay may be granted only after a hearing is held on a
137 motion to stay filed by the registrant upon finding that state
138 revenues will not be jeopardized by the granting of the stay.
139 The Tax Commissioner may, in his or her discretion and
140 upon such terms as he or she may specify, agree to stay the
141 effective date of the cancellation, revocation or suspension
142 until another date certain.

143 (5) On or before July 1, 2005, the Tax Commissioner
144 shall propose for promulgation legislative rules establishing
145 ancillary procedures for the Tax Commissioner's suspension
146 of business registration certificates for failure to pay
147 delinquent personal property taxes pursuant to paragraph (F),
148 subdivision (1) of this section. The rules shall at a minimum
149 establish any additional requirements for the provision of
150 notice deemed necessary by the Tax Commissioner to meet
151 requirements of law; establish protocols for the
152 communication and verification of information exchanged
153 between the Tax Commissioner, sheriffs and others; and
154 establish fees to be assessed against delinquent taxpayers that
155 shall be deposited into a special fund which is hereby created
156 and expended for general tax administration by the Tax
157 Division of the Department of Revenue and for operation of
158 the Tax Division. Upon authorization of the Legislature, the
159 rules shall have the same force and effect as if set forth
160 herein. No provision of this subdivision may be construed to
161 restrict in any manner the authority of the Tax Commissioner
162 to suspend such certificates for failure to pay delinquent
163 personal property taxes under paragraph (C) or (F),
164 subdivision (1) of this section or under any other provision of
165 this code prior to the authorization of the rules.

166 (c) *Refusal to renew.* -- The Tax Commissioner may
167 refuse to issue or renew a business registration certificate if
168 the registrant is delinquent in the payment of any tax

169 administered by the Tax Commissioner under article ten of
170 this chapter or the corporate license tax imposed by article
171 twelve-c of this chapter, until the registrant pays in full all the
172 delinquent taxes including interest and applicable additions
173 to tax and penalties. In his or her discretion and upon terms
174 as he or she specifies, the Tax Commissioner may enter into
175 an installment payment agreement with the taxpayer in lieu
176 of the complete payment. Failure of the taxpayer to fully
177 comply with the terms of the installment payment agreement
178 shall render the amount remaining due thereunder
179 immediately due and payable and the Tax Commissioner may
180 suspend or cancel the business registration certificate in the
181 manner provided in this section.

182 (d) *Refusal to renew due to delinquent personal property*
183 *tax.* -- The Tax Commissioner shall refuse to issue or renew
184 a business registration certificate when informed in writing,
185 signed by the county sheriff, that personal property owned by
186 the applicant and used in conjunction with the business
187 activity of the applicant is subject to delinquent property
188 taxes. The Tax Commissioner shall forthwith notify the
189 applicant that the commissioner will not act upon the
190 application until information is provided evidencing that the
191 taxes due are either exonerated or paid.

192 (e) *Refusal to issue, revocation, suspension and refusal*
193 *to renew business registration certificate of alter ego,*
194 *nominee or instrumentality of a business that has previously*
195 *been the subject of a lawful refusal to issue, revocation,*
196 *suspension or refuse to renew.* --

197 (1) The Tax Commissioner may refuse to issue a business
198 registration certificate, or may revoke a business registration
199 certificate or may suspend a business registration certificate
200 or may refuse to renew a business registration certificate for
201 any business determined by the Tax Commissioner to be an

202 alter ego, nominee or instrumentality of a business that has
203 previously been the subject of a lawful refusal to issue a
204 business registration certificate or of a lawful revocation,
205 suspension or refusal to renew a business registration
206 certificate pursuant to this section, and for which the business
207 registration certificate has not been lawfully reinstated or
208 reissued.

209 (2) For purposes of this section, a business is presumed
210 to be an alter ego, nominee or instrumentality of another
211 business or other businesses if:

212 (A) More than twenty percent of the real assets or more
213 than twenty percent of the operating assets or more than
214 twenty percent of the tangible personal property of one
215 business are or have been transferred to the other business or
216 businesses, or are or have been used in the operations of the
217 other business or businesses, or more than twenty percent of
218 the real assets or more than twenty percent of the operating
219 assets or more than twenty percent of the tangible personal
220 property of one business are or have been used to
221 collateralize or secure debts or obligations of the other
222 business or businesses;

223 (B) Ownership of the businesses is so configured that the
224 attribution rules of either Internal Revenue Code section 267
225 or Internal Revenue Code section 318 would apply to cause
226 ownership of the businesses to be attributed to the same
227 person or entity; or

228 (C) Substantive control of the businesses is held or
229 retained by the same person, entity or individual, directly or
230 indirectly, or through attribution under paragraph (B) of this
231 subdivision.

28 (2) Unused credit may be carried forward until used for a
29 period of nine consecutive years after the taxable year in

30 which the credit allowed by this section accrues to the
31 person. When the person is an owner of a pass-through
32 entity, credit accrues to the owner when it accrues to the
33 pass-through entity;

34 (3) Any credit not used within the ten-year period
35 described in subdivision (2) of this subsection is forfeited
36 beginning with the eleventh taxable year after the taxable
37 year in which the credit accrued to the person;

38 (4) No credit is allowed under this section for using a
39 patent in this state when the person began using the patent
40 before January 1, 2011;

41 (5) No credit is allowed under this section for using a
42 patent in this state for which the taxpayer is allowed credit
43 under another article of this chapter.

44 (d) *Application of credit.* -- The amount of the credit

46 as provided in this subsection, but the credit may not reduce
47 the tax below zero.

49 credit shall first be taken as a credit against the tax liability of
50 the person allowed the credit for the taxable year under
51 article twenty-three of this chapter.

52 (2) *Corporation net income tax.* -- The amount of the

62 credit for the taxable year on business income under article
63 twenty-one of this chapter.

64 (B) When the person allowed the credit is a pass-through
65 entity, the amount of allowable credit remaining, if any, after

67 twenty-three of this chapter for the taxable year is allowed as
68 a credit against the tax imposed for the taxable year on the
69 West Virginia source income of the pass-through entity under
70 article twenty-one of this chapter and the amount of the credit
71 is distributed to the owners of the pass-through entity in the
72 same manner as items of partnership income, gain loss or
73 deduction are distributed or allocated for the taxable year.

§11-13AA-6. Transfer of credit to successors.

1 (a) *Mere change in form of business.* -- A patent may not
2 be treated as disposed of by reason of a mere change in the
3 form of conducting the business as long as the patent is
4 retained and directly used in a manufacturing process or
5 product in this state and the person that developed the patent
6 retains a controlling interest in the successor business. In this
7 event, the successor business is allowed to claim the amount
8 of credit still available with respect to the patent transferred
9 to a successor.

10 (b) *Transfer or sale to successor.* -- A patent may not be
11 treated as disposed of under this article by reason of any
12 transfer or sale to a successor business which continues to
13 directly use the patent in a manufacturing process or product
14 in this state. Upon transfer or sale, the successor acquires the
15 amount of credit or deduction that remains available under
16 this article for each subsequent taxable year.

§11-13AA-7. Identification of a patent and required records.

1 (a) *Required records.* -- Every developer of a patent in
2 this state for direct use in a manufacturing process or product

14 (5) The date the patent was disposed of or otherwise
15 ceased to be directly used in the person's manufacturing
16 process or product in this state.

19 article shall maintain sufficient records to clearly establish
20 entitlement to claim the amount of the enhanced credit. At a
21 minimum those records shall identify:

1 A person who does not keep the records required for
2 identification of a patent for which a credit would be
3 allowable under this article is subject to the following rules:

5 taxable year, any patent for which a credit was allowed under
6 this article which the taxpayer cannot establish is still being
7 directly used in the person's manufacturing process or
8 product in this state at the end of that year.

9 (2) If a person cannot establish when a patent was placed

4 three, chapter twenty-nine-a of this code, that the Tax
5 Commissioner considers necessary to administer this article.

§11-13AA-11. Interpretation and construction.

CHAPTER 190

**(Com. Sub. for S. B. 345 - By Senators
Tomblin, Mr. President, and Caruth)
[By Request of the Executive]**

[Passed March 9, 2010; in effect ninety days from passage.]

[Approved by the Governor on March 18, 2010.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §11-13B-19, relating to requiring a study of the telecommunications tax; authorizing the Tax Commissioner to order the disclosure of certain information; exempting certain information received by the Tax Commissioner from the West Virginia Freedom of Information Act; prohibiting the disclosure of certain information received by the Tax Commissioner; providing for criminal and civil penalties; defining terms; and authorizing the Tax Commissioner to promulgate rules and emergency rules.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new section, designated §11-13B-19, to read as follows:

ARTICLE 13B. TELECOMMUNICATIONS TAX.

§11-13B-19. Tax Commissioner study of telecommunications tax.

1 (a) *Findings and purpose.* -- The Legislature finds that
2 the tax imposed by this article fails to account for modern
3 business models, operational structures, technologies and
4 fundamental economics of the business of
5 telecommunications. The Legislature further finds that the
6 tax imposed under this article should be amended to provide
7 for a reasonable, fair and efficient tax that inures to the
8 benefit and general welfare of West Virginia. Therefore, it
9 is the purpose of this section to require a study of
10 telecommunications services relative to the imposition of a
11 telecommunications tax, to provide the Tax Commissioner
12 with plenary authority to order the disclosure of financial
13 information and other data necessary to undertake the study
14 and to provide for the confidentiality of financial information
15 and other data disclosed as part of the study.

16 (b) *Telecommunications tax study.* -- The Tax
17 Commissioner shall study the business of
18 telecommunications service and related businesses and shall
19 file a report with the Governor and the Legislature on or
20 before July 1, 2011. The report shall recommend
21 amendments to the tax imposed under this article or any other
22 tax pertaining to telecommunications service and shall
23 include recommended legislation. The Tax Commissioner in
24 his report shall examine the feasibility and fiscal implications
25 on affected governmental entities or political subdivisions of
26 a single uniform statewide telecommunications service tax or,
27 alternatively, imposition of the sales and use tax on the retail
28 sale of telecommunications services as a replacement for, or
29 in addition to, other taxes and fees on telecommunications
30 service. The Tax Commissioner may include this study as
31 part of the findings and recommendations of the Governor's
32 Tax Modernization Project and may cooperate with persons
33 engaged in the Governor's Tax Modernization Project to
34 further the purposes of this study. Any consultant under

35 contract with the Tax Commissioner who assists in
36 conducting this study is “an agent of this state” for the
37 purposes of section five-d, article ten of this chapter and is
38 subject to the requirements of that section and subsection (e)
39 of this section: *Provided*, That witnesses, experts,
40 government officials, consultants and industry representatives
41 who provide data, information or statistics to the Tax
42 Commissioner or others engaged in the study mandated by
43 this section shall not be treated as being subject to the
44 confidentiality restrictions of section five-d, article ten of this
45 chapter and shall not be treated as subject to the
46 confidentiality requirements of subsection (e) of this section,
47 solely by reason of having provided information to the study.
48 For purposes of this study, the Tax Commissioner may seek
49 and examine the information, data, records and testimony of:
50 Experts in the fields of law, economics and taxation;
51 representatives of state, county, local and municipal
52 governmental subdivisions of this state and other states of the
53 United States; persons and entities engaged in
54 telecommunications services businesses; persons
55 knowledgeable about the telecommunications industry,
56 taxation of the telecommunications industry and the
57 economics of the telecommunications industry; and any other
58 person or entity that may have information relevant to the
59 study mandated by this section.

60 (c) *Definitions.* -- As used in this section:

61 (1) “Person” means any individual, firm, partnership,
62 limited partnership, company, copartnership, joint venture,
63 association, corporation, organization or entity, whether
64 private or public.

65 (2) “Telecommunications service” when used in this
66 article shall have the same meaning as that term is defined in
67 the Streamlined Sales and Use Tax Administration Act in
68 article fifteen-b of this chapter.

69 (d) *Disclosure of financial information and other data.* --

70 (1) Notwithstanding any provision of this code to the
71 contrary, the Tax Commissioner may, for the purpose of
72 conducting the study required by this section, order the
73 disclosure of financial information and other data in the
74 possession of any person or entity that may have information
75 relevant to the study mandated by this section, including, but
76 not limited to, government entities and persons or entities
77 engaged in a telecommunications service business in this
78 state or a related business. The disclosures shall be on forms
79 prescribed by the Tax Commissioner and shall be completed
80 and filed pursuant to instructions provided by the Tax
81 Commissioner.

82 (2) Any person failing to comply with an order of
83 disclosure within ninety days of receipt of the initial written
84 order of disclosure, which order may be in the form of a letter
85 or other written order, or in the form of a subpoena or
86 subpoena duces tecum, shall be subject to a penalty,
87 collectible as provided in article ten of this chapter. The
88 amount of the penalties shall be an initial penalty of \$25,000
89 which shall be imposed upon the passage of the first ninety
90 days subsequent to receipt of such written order of disclosure
91 during which the failure to comply occurs and an additional
92 penalty of \$1,000 per day for each day after the first ninety
93 days during which the failure to comply continues. The
94 count of days for purposes of this penalty shall not cease by
95 reason of the completion of the study or by reason of the
96 completion and issuance of the study report, but shall
97 continue in perpetuity until such time as the information
98 which was the subject of the order is disclosed in full to the
99 Tax Commissioner or until the Tax Commissioner issues a
100 written order for cessation of the count of Days. The Tax
101 Commissioner may issue a written order for cessation of the
102 count of days, for purposes of this penalty, no earlier than the
103 date on which the study report mandated by this section has

104 been completed and issued by the Tax Commissioner. In the
105 case of information which has been the subject of a subpoena
106 or subpoena duces tecum, the \$25,000 initial penalty and the
107 \$1,000 per day penalty imposed by this section shall be in
108 addition to all applicable civil and criminal penalties lawfully
109 imposed for failure to comply with a subpoena or subpoena
110 duces tecum. The Tax Commissioner may waive all or any
111 part of such penalty for good cause shown.

112 (3) The Tax Commissioner, or his or her designee, may
113 issue subpoenas and subpoenas duces tecum, in the manner
114 prescribed in and subject to the requirements of section five-
115 b, article ten of this chapter, to enforce the disclosure
116 requirements of this section. Failure to comply with any such
117 subpoena or subpoena duces tecum shall be subject to all
118 applicable civil and criminal penalties lawfully imposed for
119 failure to comply with a subpoena or subpoena duces tecum.

120 (e) *Confidentiality.* --

121 (1) Financial information and other data disclosed to the
122 Tax Commissioner under the provisions of this section shall
123 be considered confidential and exempt from article one,

132 contrary, the Tax Commissioner may share financial
133 information and other data disclosed under this section with

136 Commissioner or any person conducting the study, including

137 any consultant under contract with the Tax Commissioner to
138 assist in conducting the study, to disclose to any person not
139 conducting the study any financial information or other data
140 disclosed under this section. Such disclosure shall be a
141 violation of the tax information confidentiality provisions of

1 (a) *General.* -- When used in this article and articles
2 fifteen and fifteen-a of this chapter, words defined in
3 subsection (b) of this section shall have the meanings
4 ascribed to them in this section, except where a different
5 meaning is distinctly expressed or the context in which the
6 term is used clearly indicates that a different meaning is
7 intended by the Legislature.

8 (b) *Terms defined.* --

9 (1) “Agent” means a person appointed by a seller to
10 represent the seller before the member states.

11 (2) “Agreement” means the Streamlined Sales and Use
12 Tax Agreement as defined in section two-a of this article.

13 (3) “Alcoholic beverages” means beverages that are
14 suitable for human consumption and contain one half of one
15 percent or more of alcohol by volume.

16 (4) “Bundled transaction” means the retail sale of two or
17 more products, except real property and services to real
18 property, where: (i) The products are otherwise distinct and
19 identifiable; and (ii) the products are sold for one
20 nonitemized price. A “bundled transaction” does not include
21 the sale of any products in which the “sales price” varies, or
22 is negotiable, based on the selection by the purchaser of the
23 products included in the transaction.

24 (A) “Distinct and identifiable products” does not include:

25 (i) Packaging such as containers, boxes, sacks, bags and
26 bottles or other materials such as wrapping, labels, tags and
27 instruction guides that accompany the “retail sale” of the
28 products and are incidental or immaterial to the “retail sale”
29 thereof. Examples of packaging that are incidental or
30 immaterial include grocery sacks, shoe boxes, dry cleaning
31 garment bags and express delivery envelopes and boxes;

32 (ii) A product provided free of charge with the required
33 purchase of another product. A product is “provided free of
34 charge” if the “sales price” of the product purchased does not
35 vary depending on the inclusion of the product “provided free
36 of charge”; or

37 (iii) Items included in the member state’s definition of
38 “sales price” as defined in this section.

39 (B) The term “one nonitemized price” does not include
40 a price that is separately identified by product on binding
41 sales or other supporting sales-related documentation made
42 available to the customer in paper or electronic form
43 including, but not limited to, an invoice, bill of sale, receipt,
44 contract, service agreement, lease agreement, periodic notice
45 of rates and services, rate card or price list.

46 (C) A transaction that otherwise meets the definition of
47 a “bundled transaction”, as defined in this subdivision, is not
48 a “bundled transaction” if it is:

51 the use of the service and is provided exclusively in
52 connection with the service and the true object of the
53 transaction is the service; or

54 (ii) The “retail sale” of services where one service is
55 provided that is essential to the use or receipt of a second
56 service and the first service is provided exclusively in
57 connection with the second service and the true object of the
58 transaction is the second service; or

63 “sales price” of the taxable products is ten percent or less of
64 the total “purchase price” or “sales price” of the bundled
65 products;

66 (II) Sellers shall use either the “purchase price” or the
67 “sales price” of the products to determine if the taxable
68 products are de minimis. Sellers may not use a combination

69 of the “purchase price” and “sales price” of the products to
70 determine if the taxable products are de minimis;

71 (III) Sellers shall use the full term of a service contract to
72 determine if the taxable products are de minimis; or

73 (iv) A transaction that includes products taxable at the
74 general rate of tax and food or food ingredients taxable at a
75 lower rate of tax and the “purchase price” or “sales price” of
76 the products taxable at the general sales tax rate is de
77 minimis. For purposes of this subparagraph, the term “de
78 minimis” has the same meaning as ascribed to it under
79 subparagraph (iii) of this paragraph;

80 (v) The “retail sale” of exempt tangible personal
81 property, or food and food ingredients taxable at a lower rate
82 of tax, and tangible personal property taxable at the general
83 rate of tax where:

84 (I) The transaction includes “food and food ingredients”,
85 “drugs”, “durable medical equipment”, “mobility-enhancing
86 equipment”, “over-the-counter drugs”, “prosthetic devices”
87 or medical supplies, all as defined in this article; and

89 of the taxable tangible personal property taxable at the
90 general rate of tax is fifty percent or less of the total
91 “purchase price” or “sales price” of the bundled tangible

16 into this state as well as for all other states participating in the

17 agreement or its liability for remitting to the proper states any

26 Commissioner.

27 (e) *Cancellation of registration.* -- A seller may cancel

32 (f) Nothing in this section shall be construed to relieve a
33 seller of any legal obligation it may have to register or any
34 obligation to collect and remit taxes for at least thirty-six

36 in section thirteen of this article in order to be eligible for
37 amnesty.

12 to recipients.

13 (2) If the purchaser provides the permit, certificate or
14 statement referred to in paragraph (A) or (B) of subdivision
15 (1) of this subsection, the seller, in the absence of bad faith,
16 is relieved of all obligations to collect, pay, or remit any tax
17 on any transaction involving “advertising and promotional
18 direct mail” to which the permit, certificate or statement
19 applies. The purchaser shall source the sale to the
20 jurisdictions to which the “advertising and promotional direct
21 mail” is to be delivered to the recipients and shall report and
22 pay any applicable tax due.

23 (3) If the purchaser provides the seller information
24 showing the jurisdictions to which the “advertising and
25 promotional direct mail” is to be delivered to recipients, the
26 seller shall source the sale to the jurisdictions to which the
27 “advertising and promotional direct mail” is to be delivered
28 and shall collect and remit the applicable tax. In the absence
29 of bad faith, the seller is relieved of any further obligation to

30 collect any additional tax on the sale of “advertising and
31 promotional direct mail” where the seller has sourced the sale
32 according to the delivery information provided by the
33 purchaser.

34 (4) If the purchaser does not provide the seller with any
35 of the items listed in paragraphs (A), (B) or (C) of
36 subdivision (1) of this subsection, the sale shall be sourced

42 sales of “other direct mail” are sourced in accordance with
43 subdivision (3) of subsection (a) of section fifteen of this
44 article.

45 (2) A purchaser of “other direct mail” may provide the
46 seller with either:

50 or accepted by this state).

51 (3) If the purchaser provides the permit, certificate or
52 statement referred to in paragraph (A) or (B) of subdivision
53 (2) of this subsection, the seller, in the absence of bad faith,
54 is relieved of all obligations to collect, pay or remit any tax
55 on any transaction involving “other direct mail” to which the
56 permit, certificate or statement apply. Notwithstanding
57 subdivision (1) subsection (b) of this section, the sale shall be

70 the word "product" means tangible personal property, a
71 product transferred electronically or a service.

72 (2) "Other direct mail" means any direct mail that is not
73 "advertising and promotional direct mail" regardless of
74 whether "advertising and promotional direct mail" is
75 included in the same mailing. The term includes, but is not
76 limited to:

89 billing information or the provision of any data processing
90 service that is more than incidental.

91 (d) This section applies to a transaction characterized
92 under state law as the sale of services only if the service is an
93 integral part of the production and distribution of printed
94 material that meets the definition of “direct mail.”

95 (e) This section does not apply to any transaction that
96 includes the development of billing information or the
97 provision of any data processing service that is more than
98 incidental regardless of whether “advertising and promotional
99 direct mail” is included in the same mailing.

100 (1) If a transaction is a “bundled transaction” that
101 includes “advertising and promotional direct mail,” this
102 section applies only if the primary purpose of the transaction
103 is the sale of products or services that meet the definition of
104 “advertising and promotional direct mail.”

105 (2) Nothing in this section shall limit any purchaser’s:

106 (A) Obligation for sales or use tax to any state to which
107 the direct mail is delivered,

108 (B) Right under local, state, federal or Constitutional law,
109 to a credit for sales or use taxes legally due and paid to other
110 jurisdictions, or

111 (C) Right to a refund of sales or use taxes overpaid to any
112 jurisdiction.

113 (f) This section applies for purposes of uniformly
114 sourcing “direct mail” transactions and does not impose
115 requirements on states regarding the taxation of products that

116 meet the definition of “direct mail” or to the application of
117 sales for resale or other exemptions.

12 (d) The Tax Commissioner may not require a seller
13 which has indicated at the time of registration that it
14 anticipates making no sales which would be sourced to this
15 state to file a return, except that the seller shall lose the
16 exemption upon making any taxable sales into this state and
17 shall file a return in the month following any sale.

18 (e) After January 1, 2010, the Tax Commissioner shall
19 give notice to a seller, which has no legal requirement to
20 register in this state, of a failure to file a required return and
21 a minimum of thirty days to file thereafter prior to
22 establishing a liability amount for taxes based solely on the
23 seller’s failure to timely file a return: *Provided*, That the Tax
24 Commissioner may establish a liability amount of taxes based
25 solely on the seller’s failure to timely file a return if such
26 seller has a history of nonfiling or late filing.

27 (f) Nothing in this section shall prohibit the Tax
28 Commissioner from allowing additional return options or the
29 filing of returns less frequently.

§11-15B-26. Uniform rules for remittances of funds.

1 (a) *General.* -- Only one remittance is required for each

17 uniform tax type and payment type codes approved by the
18 governing board.

8 estate, or the conveyance of the real estate by tax deed, to one
9 of the officers named in this section is voidable, at the
10 instance of any person having the right to redeem, until the
11 real estate reaches the hands of a bona fide purchaser.

13 satisfactory proof of a fiduciary relationship, is entitled to
14 acquire by tax purchase for his or her own account the tax
15 lien on the interest of any, or all, of his or her coowners in
16 any real estate, and to receive a tax deed conveying the
17 interest without being required to hold the tax lien or interest
18 or interests under any constructive trust. There shall be a
19 prima facie presumption against the existence of any
20 constructive trust.

§11A-3-8. Certification of sold and unsold property to the Auditor.

1 (a) If no person present bids the amount of taxes, interest
2 and charges due on any real estate offered for sale, the sheriff
3 shall certify the real estate to the Auditor for disposition
4 pursuant to section forty-four of this article, subject,
5 however, to the right of redemption provided by section
6 thirty-eight of this article. The Auditor shall prescribe the
7 form by which the sheriff certifies the property.

8 (b) If the highest bidder present at the sale, as provided
9 in section five of this article, bids and pays, at a minimum,
10 the amount of taxes, interest and charges for which the tax
11 lien on any real estate is offered, the sheriff shall certify the
12 real estate to the State Auditor for disposition pursuant to
13 section fourteen of this article.

§11A-3-9. Sheriff's list of sales, suspensions, redemptions and certifications; oath.

1 (a) As soon as the sale provided in section five of this
2 article has been completed, the sheriff shall prepare a list of
3 all tax liens on delinquent real estate purchased at the sale, or
4 suspended from sale, or redeemed before sale, or certified to
5 the Auditor. The heading of the list shall be in form or effect
6 as follows:

7 List of sales of tax liens on real estate in the county of
8 _____, returned delinquent for nonpayment
9 of taxes thereon for the year (or years) 20 , and sold in the
10 month (or months) of _____, 20 , or
11 suspended from sale, or redeemed before sale, or certified to
12 the Auditor.

13 (b) The sheriff shall, at the foot of the list, subscribe an
14 oath, which shall be subscribed before and certified by some
15 person duly authorized to administer oaths, in form or effect
16 as follows:

17 I, _____, sheriff (or deputy sheriff
18 or collector) of the county of _____,
19 do swear that the above list contains a true account of all the
20 tax liens on real estate within my county returned delinquent
21 for nonpayment of taxes thereon for the year (or years) 20 ,
22 which were sold by me or which were suspended from sale
23 or redeemed before sale or certified to the Auditor, and that
24 I am not now, nor have I at any time been, directly or
25 indirectly interested in the purchase of any such tax liens.

26 (c) Except for the heading and the oath, the State Auditor
27 shall prescribe the form of the list.

§11A-3-11. Return of list of sales, suspensions and redemptions.

1 (a) Within one month after completion of the sale, the
2 sheriff shall deliver the original list of sales, suspensions and

3 redemptions described in section nine of this article, with a
 4 copy thereof, to the clerk of the county commission. The
 5 clerk shall bind the original of such list in a permanent book
 6 to be kept for the purpose in his or her office. The clerk,
 7 within ten days after delivery of the list to him or her, shall
 8 transmit the copy to the State Auditor, who shall note each
 9 sale, suspension, redemption and certification on the record
 10 of delinquent lands kept in his or her office.

11 (b) Any sheriff who fails to prepare and return the list of
 12 sales, suspensions, redemptions and certifications within the
 13 time required by this section shall forfeit not less than \$50
 14 nor more than \$500, for the benefit of the general school
 15 fund, to be recovered by the State Auditor or by any taxpayer
 16 of the county on motion in a court of competent jurisdiction.
 17 Upon the petition of any person interested, the sheriff may be
 18 compelled by mandamus to make out and return the list and
 19 the proceedings thereon shall be at his or her cost.

§11A-3-14. Purchase by individual at tax sale; certificate of sale.

1 (a) If the highest bidder present at the sale provided in
 2 section five of this article, bids and pays at least the amount
 3 of taxes, interest and charges for which the tax lien on any
 4 real estate is offered for sale, the sheriff shall issue to him or
 5 her a certificate of sale for the purchase money, retain the
 6 original certificate for his or her file and forward a copy to
 7 the State Auditor, except the sheriff shall require payment of
 8 any subsequent taxes due at the time of the sale before a
 9 certificate of sale is issued. The heading of the certificate
 10 shall be:

11 Memorandum of tax lien on real estate sold in the county of
 12 _____ on this _____ day of
 13 _____, 20 __, for the nonpayment of
 14 taxes charged thereon for the year (or years) 20__.

15 (b) Except for the heading, the State Auditor shall
16 prescribe the form of the receipt.

17 (c) The certificate of sale shall describe the real estate
18 subject to the tax lien that was sold, the total amount of all
19 taxes, interest, penalties and costs paid for each lot or tract
20 and the rate of interest to which the purchaser is entitled upon
21 redemption. The certificate shall also set forth columns for
22 the entry of subsequent years taxes paid and costs required by
23 the sheriff to be paid on the date of the sale and for the entry
24 of subsequent taxes and costs paid. For each certificate
25 delivered, the purchaser shall pay a fee of \$10 and that
26 amount shall be included in the costs described in the
27 certificate.

28 (d) The State Auditor shall send a notice of the
29 requirements to secure a deed to the purchaser, or an
30 assignee, by first-class mail. The notice shall be mailed to
31 the last known address of each person who received a
32 certificate of sale from the sheriff and shall be mailed
33 between May 1 and September 1 of the year following the
34 sheriff's sale: *Provided*, That when a person purchased more
35 than one parcel of real property upon which a certificate of
36 sale was issued, the State Auditor may, at his or her option,
37 prepare and mail separate notices for each purchase to the
38 purchaser or may prepare and mail a single notice of all
39 purchases made by the purchaser. In no event shall failure to
40 receive the notice by the purchaser, or the assignee, affect the
41 procedures required by section nineteen of this article.

§11A-3-15. Certificate of sale assignable.

1 The certificate of sale shall be assignable by
2 endorsement, and an assignment of the certificate, recorded
3 with the clerk of the county commission, vests in the assignee
4 or his or her legal representative all the right and title of the
5 original purchaser. The recording fee for an assignment of a
6 certificate of sale is \$10.

§11A-3-16. Subsequent tax payments by purchaser.

1 Any person who has paid any subsequent taxes, other
2 than the subsequent taxes paid on the date of the sale as
3 provided in section fourteen of this article, on lands for which
4 he or she holds the certificate of sale described in section
5 fourteen or fifteen of this article shall produce the certificate
6 and copies of paid tax receipts to the State Auditor, who shall
7 endorse the amount of the subsequent taxes and the date of
8 payment of the taxes in his or her records upon the payment
9 to the State Auditor of a fee for the endorsement in the
10 amount of \$10.

§11A-3-18. Limitations on tax certificates.

1 (a) No lien upon real property evidenced by a tax
2 certificate of sale issued by a sheriff on account of any
3 delinquent property taxes may remain a lien on the real
4 property for a period longer than eighteen months after the
5 original issuance of the tax certificate of sale.

6 (b) All rights of a purchaser shall be considered forfeited
7 and expired and no tax deed is to be issued on any tax sale
8 evidenced by a tax certificate of sale where the certificate has
9 ceased to be a lien pursuant to the provisions of this section
10 and application for the tax deed, pursuant to the provisions of
11 section twenty-seven of this article, is not pending at the time
12 of the expiration of the limitation period provided in this
13 section.

14 (c) Whenever a lien evidenced by a tax certificate of sale
15 has expired by reason of the provisions of this section, the
16 State Auditor shall immediately issue and record a certificate
17 of cancellation describing the real estate included in the
18 certificate of purchase or tax certificate and giving the date of
19 cancellation and the State Auditor shall also make proper
20 entries in his or her records. The State Auditor shall also

21 present a copy of every certificate of cancellation to the
22 sheriff who shall enter it in the sheriff's records and the
23 certificate and the record are prima facie evidence of the
24 cancellation of the certificate of sale and of the release of the
25 lien of the certificate on the lands described in the certificate.
26 Failure to record the certificate of cancellation does not
27 extend the lien evidenced by the certificate of sale. The
28 sheriff and State Auditor are not entitled to any fees for the
29 issuing of the certificate of cancellation nor for the entries in
30 their books made under the provisions of this subsection.

§11A-3-19. What purchaser must do before the deed can be secured.

1 (a) At any time after October 31 of the year following the
2 sheriff's sale, and on or before December 31 of the same
3 year, the purchaser, his or her heirs or assigns, in order to
4 secure a deed for the real estate subject to the tax lien or liens
5 purchased, shall:

6 (1) Prepare a list of those to be served with notice to
7 redeem and request the State Auditor to prepare and serve the
8 notice as provided in sections twenty-one and twenty-two of
9 this article;

10 (2) When the real property subject to the tax lien is
11 classified as Class II property, provide the State Auditor with
12 the physical mailing address of the property that is subject to
13 the tax lien or liens purchased;

14 (3) Provide the State Auditor with a list of any additional
15 expenses incurred after January 1 of the year following the
16 sheriff's sale for the preparation of the list of those to be
17 served with notice to redeem including proof of the
18 additional expenses in the form of receipts or other evidence
19 of reasonable legal expenses incurred for the services of any
20 attorney who has performed an examination of the title to the

21 real estate and rendered written documentation used in the
22 preparation of the list of those to be served with the notice to
23 redeem;

24 (4) Deposit with the State Auditor a sum sufficient to
25 cover the costs of preparing and serving the notice; and

26 (5) Present the purchaser's certificate of sale, or order of
27 the county commission where the certificate has been lost or
28 wrongfully withheld from the owner, to the State Auditor.

29 If the purchaser fails to meet these requirements, he or
30 she shall lose all the benefits of his or her purchase.

31 (b) If the person requesting preparation and service of the
32 notice is an assignee of the purchaser, he or she shall, at the
33 time of the request, file with the State Auditor a written
34 assignment to him or her of the purchaser's rights, executed,
35 acknowledged and certified in the manner required to make
36 a valid deed.

37 (c) Whenever any certificate given by the sheriff for a tax
38 lien on any land, or interest in the land sold for delinquent
39 taxes, or any assignment of the lien is lost or wrongfully
40 withheld from the rightful owner of the land and the land or
41 interest has not been redeemed, the county commission may
42 receive evidence of the loss or wrongful detention and, upon
43 satisfactory proof of that fact, may cause a certificate of the
44 proof and finding, properly attested by the State Auditor, to
45 be delivered to the rightful claimant and a record of the
46 certificate shall be duly made by the county clerk in the
47 recorded proceedings of the commission.

**§11A-3-20. Refund to purchaser of payment made at sheriff's
sale where property is subject of an erroneous
assessment or is otherwise nonexistent.**

1 If, by December 31 of the year following payment of the
2 amount bid at a sheriff's sale, the purchaser discovers that the
3 lien purchased at that sale is the subject of an erroneous
4 assessment or is otherwise nonexistent, the purchaser shall
5 submit the abstract or certificate of an attorney at law that the
6 property is the subject of an erroneous assessment or is
7 otherwise nonexistent. Upon receipt of the abstract or
8 certificate, the sheriff shall cause any money paid to be
9 refunded. Upon refund, the sheriff shall inform the assessor
10 and the State Auditor of the erroneous assessment for the
11 purpose of having the assessor correct the error. For failure
12 to meet this requirement, the purchaser shall lose all benefits
13 of his or her purchase.

§11A-3-21. Notice to redeem.

1 (a) Whenever the provisions of section nineteen of this
2 article have been complied with, the State Auditor shall
3 prepare a notice in form or effect as follows:

10 located in _____, (here name the city, town
11 or village in which the real estate is situated or, if not within
12 a city, town or village, give the district and a general
13 description) which was returned delinquent in the name of
14 _____, and for which the tax lien(s) thereon

3 other person who was entitled to pay the taxes on, any real
4 estate for which a tax lien on the real estate was purchased by
5 an individual may redeem at any time before a tax deed is
6 issued for the real estate. In order to redeem, he or she shall
7 pay to the State Auditor the following amounts:

8 (1) An amount equal to the taxes, interest and charges

10 percent per month from the date of sale;

11 (2) All other taxes which have since been paid by the

13 of one percent per month from the date of payment;

14 (3) Any additional expenses incurred from January 1 of

16 for the preparation of the list of those to be served with notice
17 to redeem and any written documentation used for the
18 preparation of the list, with interest at the rate of one percent
19 per month from the date of payment for reasonable legal
20 expenses incurred for the services of an attorney who has
21 performed an examination of the title to the real estate and
22 rendered written documentation used for the preparation of
23 the list: *Provided*, That the maximum amount the owner or
24 other authorized person shall pay, excluding the interest, for
25 the expenses incurred for the preparation of the list of those
26 to be served required by section nineteen of this article is
27 \$300: *Provided, however*, That the attorney may only charge
28 a fee for legal services actually performed and must certify

37 be served with notice to redeem, including the certification
38 required in subdivision (3), subsection (a) of this section,
39 incident thereto, in the form of receipts or other evidence of
40 legal expenses, incurred as provided in section nineteen of
41 this article, the person redeeming shall pay the State Auditor
42 the sum of \$300 plus interest at the rate of one percent per
43 month from January 1 of the year following the sheriff's sale
44 for disposition by the sheriff pursuant to the provisions of
45 sections ten, twenty-four, twenty-five and thirty-two of this

55 the real estate when it belongs, in whole or in part, to some
56 other person, shall have a lien on the interest of that other
57 person for the amount paid to redeem the interest. He or she
58 shall lose his or her right to the lien, however, unless within
59 thirty days after payment he or she files with the clerk of the
60 county commission his or her claim in writing against the
61 owner of the interest, together with the receipt provided in
62 this section. The clerk shall docket the claim on the

5 of the purchaser, his or her heirs and assigns. The State

6 Auditor shall also note the fact of redemption on his or her
7 record of delinquent lands.

8 (b) Of the redemption money received by the sheriff
9 pursuant to this section, the sheriff shall deposit into the sale

11 article, an amount equal to the amount of taxes, interest and
12 charges due on the date of the sale, plus the interest at the
13 rate of one percent per month from the date of sale to the date
14 of redemption, the amount of the subsequent years' taxes
15 paid the day of or after the sheriff's sale, plus interest at the
16 rate of one percent per month thereon from the date of
17 payment to the date of redemption, the amount of any
18 additional expenses incurred after January 1 of the year
19 following the sheriff's sale for the preparation of the list of
20 those to be served with notice to redeem and any examination
21 of title performed pursuant to the provisions of section
22 nineteen of this article, plus interest at a rate of one percent
23 per month from the date of payment to the date of
24 redemption. In cases where the State Auditor has not
25 received from the purchaser satisfactory proof of additional
26 expenses incurred after January 1 of the year following the
27 sheriff's sale as provided in section twenty-three of this
28 article, the sheriff shall deposit the money received in the sale
29 of tax lien surplus fund provided by section ten of this article.

§11A-3-25. Distribution of surplus to purchaser.

1 (a) Where the land has been redeemed in the manner set
2 forth in section twenty-three of this article, and the State
3 Auditor has delivered the redemption money to the sheriff
4 pursuant to section twenty-four of this article, the sheriff
5 shall, upon receipt of the sum necessary to redeem, promptly
6 notify the purchaser or his or her heirs or assigns, by mail, of
7 the fact of the redemption and pay to the purchaser or his or
8 her heirs or assigns the following amounts:

9 (1) From the sale of tax lien surplus fund provided by
10 section ten of this article:

11 (A) The surplus of money paid in excess of the amount
12 of the taxes, interest and charges paid by the purchaser to the
13 sheriff at the sale; and

14 (B) The amount of taxes, interest and charges paid by the
15 purchaser on the date of the sale, plus the interest at the rate
16 of one percent per month from the date of sale to the date of
17 redemption;

18 (2) All other taxes on the land which have since been
19 paid by the purchaser or his or her heirs or assigns, with
20 interest at the rate of one percent per month from the date of
21 payment to the date of redemption;

22 (3) Any additional reasonable expenses that the purchaser
23 may have incurred from January 1 of the year following the
24 sheriff's sale to the date of redemption for the preparation of
25 the list of those to be served with notice to redeem and any
26 written documentation used for the preparation of the list, in
27 accordance with section nineteen of this article, with interest
28 at the rate of one percent per month from the date of
29 payment, but the amount which shall be paid, excluding the
30 interest, for the expenses incurred for the preparation of the
31 list of those to be served with notice to redeem required by
32 section nineteen of this article shall not exceed the amount
33 actually incurred by the purchaser or \$300, whichever is less:
34 *Provided*, That the attorney may only charge a fee for legal
35 services actually performed and must certify that he or she
36 conducted an examination to determine the list of those to be
37 served required by section nineteen of this article; and

38 (4) All additional statutory costs paid by the purchaser.

39 (b) (1) The notice shall include:

40 (A) A copy of the redemption certificate issued by the

50 accordance with section nineteen of this article, the State
51 Auditor shall also include instructions to the purchaser as to
52 how these expenses may be claimed.

53 (2) Subject to the limitations of this section, the purchaser
54 is entitled to recover any expenses incurred in preparing the
55 list of those to be served with notice to redeem and any
56 written documentation used for the preparation of the list
57 from January 1 of the year following the sheriff's sale to the
58 date of the sale to the date of the redemption.

59 (c) Where, pursuant to section twenty-three of this article,
60 the State Auditor has not received from the purchaser
61 satisfactory proof of the expenses incurred in preparing the
62 list of those to be served with notice to redeem, including
63 written documentation used for preparation of the list, in the
64 form of receipts or other evidence within thirty days from the
65 date of notification by the State Auditor, the sheriff shall
66 refund the amount to the person redeeming and the purchaser
67 is barred from any claim. Where, pursuant to that section,
68 the State Auditor has received from the person redeeming
69 and therefore delivered to the sheriff the sum of \$300 plus
70 interest at the rate of one percent per month from January 1
71 of the year following the sheriff's sale to the date of the sale
72 to the date of redemption, and the purchaser provides the

73 sheriff within thirty days from the date of notification
74 satisfactory proof of the expenses, and the amount of the
75 expenses is less than the amount paid by the person
76 redeeming, the sheriff shall refund the difference to the
77 person redeeming.

**§11A-3-26. Certificate of redemption issued by State Auditor;
recordation; disposition of redemption money.**

1 (a) Upon payment of the sum necessary to redeem, the
2 State Auditor shall execute a certificate of redemption in
3 quadruplicate, which certificate shall:

4 (1) Specify the real estate redeemed, or the part thereof or

6 following the date the person requested that notice be
7 prepared and served, apply by petition to the circuit court of
8 the county for an order compelling the State Auditor to
9 prepare and serve the notice or appointing a commissioner to
10 do so. If the person requesting the notice fails to make
11 application within the time allowed, he or she shall lose his
12 or her right to the notice, but his or her rights against the

22 to the deed accrued, apply by petition to the circuit court of
23 the county for an order compelling the State Auditor to
24 execute the deed or appointing a commissioner to do so. If

25 the person requesting the deed fails to make an application

51 applicant.

52 (d) Any commissioner appointed under the provisions of
53 this section shall be subject to the same liabilities as are

3 the same tax district, or undivided interests therein, charged
4 with taxes for the same year, or years, he or she, his or her
5 heirs or assigns may request the State Auditor to execute a
6 separate deed for each adjoining piece of real estate within
7 the same tax district, or undivided interest therein, or separate
8 deeds for some and one deed for the remainder, or one deed
9 for all, as he, she or they may prefer.

10 (b) Every deed for two or more pieces of adjoining real
11 estate within the same tax district, or undivided interests
12 therein, shall describe each piece of real estate and each
13 undivided interest separately.

1 (a) Whenever the purchaser of any tax lien on any real
2 estate sold at a tax sale, his or her heirs or assigns has
3 obtained a deed for the real estate from the State Auditor or

5 or they shall acquire all right, title and interest, in and to the
6 real estate, as was, at the time of the execution and delivery
7 of the deed, vested in or held by any person who was entitled
8 to redeem, unless that person is one who, being required by
9 law to have his or her interest separately assessed and taxed,
10 has done so and has paid all the taxes due on the real estate,
11 or unless the rights of that person are expressly saved by the
12 provisions of section six of this article or section two, three,
13 four or six, article four of this chapter.

14 (b) The tax deed shall be conclusive evidence of the
15 acquisition of title. The title acquired shall relate back to

16 July 1 of the year in which the taxes, for nonpayment of
17 which the tax lien on the real estate was sold, were assessed.

18 (c) Any individual purchaser to whom a tax deed has
19 been issued may institute and prosecute actions to quiet title
20 in any real estate conveyed by the tax deed. The action may
21 be maintained for all or any one or more of the lots or tracts
22 conveyed.

§11A-3-31. Effect of irregularity on title acquired by purchaser.

1 No irregularity, error or mistake in respect to any step in
2 the procedure leading up to and including delivery of the tax
3 deed by the State Auditor shall invalidate the title acquired
4 by the purchaser unless the irregularity, error or mistake is,
5 by the provisions of section six of this article or section two,
6 three, four or six, article four of this chapter, expressly made
7 a ground for instituting a suit to set aside the sale or the deed.

§11A-3-32. Sheriff to keep proceeds in separate accounts; disposition.

1 (a) The sheriff shall keep in a separate fund the proceeds
2 of all redemptions and sales paid to him or her under the
3 provisions of this chapter, except for those proceeds for
4 which a separate fund is directed by the provisions of section
5 sixty-four of this article. Out of the total proceeds of each
6 sale or redemption he or she shall in the order of priority
7 stated below credit the following amounts, for payment as
8 provided in this section:

9 (1) To the general county fund, the part that represents
10 costs paid out of the fund for publishing the sheriff's
11 delinquent and sales list and all other costs incurred by the
12 sheriff pursuant to the provisions of this article;

13 (2) Surplus proceeds from the sale of tax liens on
14 delinquent lands shall be held by the sheriff for the periods
15 provided for in section ten of this article, and if no
16 application is made within the time specified, the surplus
17 shall be distributed by the sheriff in the manner provided by
18 law for the distribution of property taxes collected by him or
19 her; and

20 (3) The balance, if any, of the proceeds of the lands
21 included in each suit shall be prorated among the various

23 them in respect to the lands that were sold or redeemed.

24 (b) The amounts so determined shall be credited as
25 follows, for payment as provided in this subsection:

26 (1) To the State Auditor, the part that represents state
27 taxes and interest; and

28 (2) To the fund kept by the sheriff for each local taxing
29 unit, the part that represents taxes and interest payable to the
30 unit.

31 (c) All amounts which under the provisions of this
32 section were credited by the sheriff to the Auditor shall be
33 paid to him or her semiannually; and those credited to the
34 various local taxing units shall be transferred semiannually
35 by the sheriff to the fund kept by him or her for each taxing
36 unit.

37 (d) The State Auditor shall prescribe the form of the
38 records to be kept by the sheriff for the purposes of this

23 proportion of the compensation, salaries and expenses of the
24 engineering staff of the political division properly chargeable
25 to any work or improvements, as determined by the governing

30 carrying out of the purposes for which such bonds are to be
31 issued. The power to acquire or construct any building, work

44 provision that in the event a sufficient amount is not realized
45 from rent or rents for the purpose of meeting the debt service,
46 then the city or county shall lay a levy for such purpose in an
47 amount sufficient within the constitutional and statutory
48 limitation to pay the interest and principal on such bonds as

50 contain a provision that when the bonds and the interest
51 thereon shall have been paid, then the title to the land and the
52 building or buildings situated thereon may be transferred to
53 the college to which the same have been rented.

ARTICLE 4. STATE ROAD SYSTEM.

§17-4-47. Access from commercial, etc., property and subdivisions to highways -- Purposes of regulation; right of access; provisions inapplicable to controlled-access facilities; removal of unauthorized access; bond for access.

§17-4-49. Same -- Points of commercial, etc.; access to comply; plans, objections and procedures for new points; review of and changes in existing points; commissioner's preliminary determination.

§17-4-47. Access from commercial, etc., property and subdivisions to highways -- Purposes of

regulation; right of access; provisions inapplicable to controlled-access facilities; removal of unauthorized access; bond for access.

1 (a) Reciprocal access between state highways and real
2 property used or to be used for commercial, industrial or
3 mercantile purposes and reciprocal access between state
4 highways and real property that is subdivided into lots is a
5 matter of public concern and shall be regulated by the
6 Commissioner of Highways to achieve the following
7 purposes:

8 (1) To provide for maximum safety of persons traveling
9 upon, entering or leaving state highways;

10 (2) To provide for efficient and rapid movement of traffic
11 upon state highways;

12 (3) To permit proper maintenance, repair and drainage of
13 state highways; and

14 (4) To facilitate appropriate public use of state highways.

15 (b) Except where the right of access has been limited by
16 or pursuant to law, every owner or occupant of real property
17 abutting upon any existing state highway has a right of
18 reasonable means of ingress to and egress from such state
19 highway consistent with those policies expressed in subsection
20 (a) of this section and any regulations issued by the
21 commissioner under section forty-eight of this article.

22 (c) If the construction, relocation or reconstruction of any
23 state highway, to be paid for, in whole or in part, with federal
24 or state road funds, results in the abutment of real property as
25 defined in subsection (a) of this section on the state highway
26 that did not previously abut on it, no rights of direct access
27 shall accrue because of such abutment. However, the

28 commissioner may authorize or limit access from an abutting
29 property if the property is compatible with the policies stated
30 in subsection (a) of this section and any regulations issued by
31 the commissioner as authorized by section forty-eight of this
32 article.

33 (d) The policies expressed in this section are applicable to
34 state highways generally and shall in no way limit the
35 authority of the Commissioner of Highways to establish
36 controlled-access facilities under sections thirty-nine through
37 forty-six, inclusive, of this article.

38 (e) Any unauthorized access to a state highway may be
39 removed, blocked, barricaded or closed in any manner
40 considered necessary by the commissioner to protect the
41 safety of the public and enforce the policies of this section and
42 sections forty-eight, forty-nine and fifty of this article.

43 (f) As a condition of granting access to a state highway,
44 the commissioner may require the owners of real property
45 developed or to be developed to provide a bond in an amount
46 the commissioner determines necessary to compensate the
47 division for improvements to highway facilities required as a
48 result of the development. This bond shall be held a
49 maximum of ten years: *Provided*, That no bond shall be
50 required for any residential development consisting of one
51 hundred homes or less.

**§17-4-49. Same -- Points of commercial, etc.; access to comply;
plans, objections and procedures for new points;
review of and changes in existing points;
commissioner's preliminary determination.**

1 (a) No new points of access to and from state highways
2 from and to real property used or to be used for commercial,
3 industrial or mercantile purposes may be opened, constructed
4 or maintained without first complying with this section and

5 sections forty-seven and forty-eight of this article. Access
6 points opened, constructed or maintained without compliance
7 are unauthorized.

8 (b) Plans for any new point of access shall be submitted to
9 the Commissioner of Highways directly and the following
10 rules shall apply:

11 (1) Notice of the proposed new point of access shall be
12 filed with the commissioner, along with a plan of the proposed
13 new point of access.

14 (2) The commissioner shall review the plan to ensure
15 compliance with the policies stated in section forty-seven of
16 this article and with any regulations issued by the
17 commissioner under section forty-eight of this article.

18 (3) If the commissioner objects to a plan, he or she shall
19 reduce his or her objections to the proposed new point of
20 access to writing and promptly furnish notice of the objection
21 to the owner or owners of the real property affected and advise
22 the owner or owners of the right to demand a hearing on the
23 proposed plan and the objections. If a plan is not objected to
24 within six weeks from the time it is filed with the
25 commissioner, it is considered approved by the commissioner.

26 (4) In any case where the commissioner objects to the
27 proposed new point of access, the owner or owners of the real
28 property affected shall have reasonable opportunity for a
29 hearing on such objections.

30 (c)(1) Existing points of access to and from state highways
31 from and to real property used for commercial, industrial or
32 mercantile purposes may be reviewed by the commissioner to
33 determine whether such points of access comply with the
34 policies stated in section forty-seven of this article and with
35 any regulations issued by the commissioner under section

36 forty-eight of this article. The commissioner may direct
37 reasonable changes in existing points of access to and from
38 state highways from and to property used for commercial,
39 industrial or mercantile purposes if he or she determines from
40 accident reports or traffic surveys that the public safety is
41 seriously affected by such points of access and that such
42 reasonable changes would substantially reduce the hazard to
43 public safety. When such changes require construction,
44 reconstruction or repair, such work shall be done at state
45 expense as any other construction, reconstruction or repair.

46 (2) If the commissioner makes a preliminary determination
47 that any changes should be made, the following rules apply:

48 (A) The commissioner shall reduce his or her preliminary

52 preliminary determination. The commissioner's notice shall
53 include a description of suggested changes suitable for
54 reducing the hazard to the public safety.

55 (B) In any case where the commissioner makes a
56 preliminary determination that any changes should be made,
57 the owner or owners of the real property affected shall have
58 reasonable opportunity for a hearing on the preliminary
59 determination.

§17-28-1. Short title.

- 1 This article may be known and referred to as the “West
- 2 Virginia Community Empowerment Transportation Act.”

§17-28-2. Legislative findings.

- 1 The Legislature finds as follows:
 - 2 (1) That a broad and unified system should be continued
 - 3 and persistently upgraded by state law for financing, planning,
 - 4 designing, constructing, expanding, improving, maintaining
 - 5 and operating the public road system and transportation
 - 6 facilities that together comprise the transportation
 - 7 infrastructure of this state;
 - 8 (2) That, in addition to traditional means and methods of
 - 9 putting transportation infrastructure into place, a significant
 - 10 contribution to a system as described in subdivision one of this
 - 11 section can be made by public-private partnerships that will
 - 12 assist federal, state and local governments in their efforts to
 - 13 meet the evolving needs of governmental entities, industry,
 - 14 labor, commerce, and, most importantly, the citizens of this
 - 15 state;
 - 16 (3) That available public funding necessary to provide for

19 governmental entities that are charged with financing,
20 developing and maintaining an optimal transportation
21 infrastructure in this state;

22 (4) That investment in transportation infrastructure by
23 private entities should be facilitated, and innovative financing
24 mechanisms should be encouraged and developed, so as to
25 utilize private capital and other funding sources to supplement
26 governmental actions taken in support of transportation
27 projects, to the end that the financial and technical expertise
28 and other experience of private entities regarding the
29 development of transportation facilities may be garnered and
30 put into service on behalf of the state;

31 (5) That public and private entities should have a clear and
32 well-designed statutory framework to work within that allows
33 for flexibility in partnering with each other and developing
34 transportation infrastructure projects; and

35 (6) This article should not be limited by any rule of strict
36 construction, but should be liberally construed to effect the
37 legislative purpose of conceiving and creating a modern
38 transportation infrastructure under the leadership and guidance
39 of governmental entities, with corresponding and cooperative
40 assistance, under appropriate circumstances, by public-private
41 partnerships, inuring to the benefit and prosperity of the state
42 and the welfare of its citizens.

108 (h) The commissioner must prepare and publish an annual

22 section is effective until it is ratified by a majority of the legal
23 votes cast by the qualified voters of the county at a primary or
24 general election. The ballot question must set forth the
25 amount of the fee, the manner in which it will be imposed, the

26 general use to which the proceeds of the fee will be put, a
27 description of the transportation project to be financed with

33 payment and at a place or places within or without the state;
34 (6) be subject to such terms and prices for redemption, if any,
35 as approved by the county commission; (7) bear a rate of
36 interest that is not more than a maximum rate fixed by the
37 county commission; and (8) may have such other terms and
38 provisions as determined by the county commission. The
39 transportation revenue bonds shall be signed by the president
40 of the county commission under the seal of the county
41 commission, attested by the clerk of the county commission.

43 county commission determines is for the best interests of the
44 county.

45 (d) The county commission may enter into: (1) Trust
46 agreements with banks or trust companies within or without
47 the state and in trust agreements or orders authorizing the
48 issuance of bonds; (2) valid and legally binding covenants
49 with the holders of the transportation revenue bonds as to the
50 custody, safeguarding and disposition of the proceeds of the
51 transportation revenue bonds, the moneys in the user fee

64 instruments under the Uniform Commercial Code of this state
65 and are not obligations or debts of the state or of the county
66 issuing the bonds and the credit or taxing power of the state or
67 county may not be pledged therefor, but the transportation
68 revenue bonds may be payable only from the revenue pledged
69 therefor as provided in this article.

70 (f) A holder of transportation revenue bonds has a lien
71 against the user fee revenues and the user fee revenue fund for
72 payment of the transportation revenue bond and the interest
73 thereon and may bring suit to enforce the lien.

74 (g) A county commission may issue and secure additional
75 bonds payable out of the user fee revenues and the user fee
76 revenue fund which bonds may rank on a parity with, or be
77 subordinate or superior to, other bonds issued by the county
78 commission and payable from the user revenue fee fund.

82 time period considered advisable by the county commission;

86 All sales, leases or other disposition of real property acquired
87 with state road funds or federal funds, or of real property

91 is also authorized to create trusts as will expedite the efficient
92 management of transportation projects and other assets owned
93 or controlled by the county commission. The trustee, whether
94 individual or corporate, in any trust has a fiduciary
95 relationship with the county commission and may be removed
96 by the county commission for good cause shown or for a
97 breach of the fiduciary relationship with the county
98 commission. Nothing in this article effects a waiver of the
99 sovereign, constitutional or governmental immunity of the
100 state or its agencies.

101 (i) The powers conferred by this article are in addition and
102 supplemental to any other powers conferred upon county
103 commissions by the Legislature relating to streets, road
104 maintenance or to construct and maintain transportation
105 facilities.

106 (j) After the issuance of any transportation revenue bonds,
107 the user fee pledged to the payment thereof may not be
108 reduced as long as any of the bonds are outstanding and
109 unpaid except under such terms, provisions and conditions as
110 shall be contained in the order, trust, agreement or other
111 proceedings under which the transportation revenue bonds
112 were issued.

§17-28-7. Comprehensive agreement.

1 (a) Prior to acquiring, constructing or improving a
2 transportation facility, the project sponsors shall enter into a
3 comprehensive agreement with the division. The
4 comprehensive agreement shall provide for:

5 (1) Delivery of performance or payment bonds in
6 connection with the construction of or improvements to the
7 transportation facility, in the forms and amounts satisfactory
8 to the division;

9 (2) Review and approval of the final plans and
10 specifications for the transportation facility by the division;

11 (3) Inspection of the construction of or improvements to
12 the transportation facility to ensure that they conform to the
13 engineering standards acceptable to the division;

14 (4) Maintenance of a policy or policies of public liability
15 insurance or self-insurance, in a form and amount satisfactory
16 to the division and reasonably sufficient to insure coverage of
17 tort liability to the public and employees and to enable the
18 continued operation of the transportation facility. However,
19 in no event may the insurance impose any pecuniary liability
20 on the state, its agencies or any political subdivision of the
21 state. Copies of the policies must be filed with the division
22 accompanied by proofs of coverage;

23 (5) Monitoring of the maintenance and operating practices
24 of the sponsoring governmental entity by the division and the
25 taking of any actions the division finds appropriate to ensure
26 that the transportation facility is properly maintained and
27 operated;

28 (6) Itemization and reimbursement to be paid to the division
29 for the review and any services provided by the division;

30 (7) Filing of appropriate financial statements on a periodic
31 basis;

32 (8) The date of termination of the sponsoring governmental
33 entity's duties under this article and dedication to the division;
34 and

35 (9) That a transportation facility must accommodate all
36 public utilities on a reasonable, nondiscriminatory and
37 completely neutral basis and in compliance with section
38 seventeen-b, article four, chapter seventeen of this code.

39 (b) In the comprehensive agreement, the division may
40 agree to accept grants or loans from the sponsoring
41 governmental entity, from time to time, from amounts
42 received from the state or federal government or any agency
43 or instrumentality of the state or federal government.

44 (c) The comprehensive agreement is to incorporate the
45 duties of the sponsoring governmental entity under this article
46 and may contain any other terms and conditions that the
47 division determines serve the public purpose of this chapter.
48 Without limitation, the comprehensive agreement may contain
49 provisions under which the division agrees to provide notice
50 of default and cure rights for the benefit of the sponsoring
51 governmental entity and the persons specified in the
52 comprehensive agreement as providing financing for the
53 qualifying transportation facility. The comprehensive
54 agreement may contain any other lawful terms and conditions
55 to which the sponsoring governmental entity and the division
56 mutually agree.

57 (d) Any changes in the terms of the comprehensive
58 agreement, agreed upon by the parties must be added to the
59 comprehensive agreement by written amendment.

**§17-28-8. Commissioner's authority over transportation
projects accepted into the state road system; use
of state road funds.**

1 (a) Notwithstanding anything in this article to the contrary,
2 the commissioner has final approval of any transportation
3 project. However, no state road funds may be used, singly or

4 together with funds from any other source, for any purpose or
5 in any manner contrary to or prohibited by the constitution and
6 laws of this state or the federal government or where such use,
7 in the sole discretion of the commissioner, would jeopardize
8 receipt of federal funds.

9 (b) All transportation projects that are accepted as part of
10 the state road system, and all real property interests and
11 appurtenances, are under the exclusive jurisdiction and control
12 of the commissioner, who may exercise the same rights and
13 authority as he or she has over other transportation facilities in
14 the state road system. As a condition of acceptance of a
15 transportation project into the state road system, the
16 commissioner may require that the project sponsor provide a
17 dedicated revenue source for the continued operation and
18 maintenance of the transportation project.

19 (c) No state road funds may be used to finance a
20 transportation project without the written approval of the
21 commissioner.

**§17-28-9. Qualifying a transportation project as a public
improvement.**

1 All transportation projects authorized under this article are
2 public improvements and are subject to article five-a, chapter
3 twenty-one of this code. Article twenty-two, chapter five of
4 this code applies to all transportation projects authorized under
5 this article. All construction, reconstruction, repair or
6 improvement of transportation projects under this article will
7 be awarded by competitive bidding. Competitive bids are to
8 be solicited by the governmental entity sponsoring a
9 transportation project for each construction contract in excess
10 of \$25,000 in total cost. Competitive bids must be solicited by
11 the sponsoring governmental entity through publication of a
12 Class II legal advertisement, as required by article three,
13 chapter fifty-nine of this code, and the publication area is the

14 county or municipality where the transportation facility is to
15 be located. The advertisement must also be published as a
16 Class II advertisement in a newspaper of general circulation
17 published in the city of Charleston. The advertisement is to
18 include the solicitations of sealed proposals for the
19 construction of the transportation project, stating the time and
20 place for the opening of bids. All bids will be publicly opened
21 and read aloud. Construction contracts must be awarded to
22 the lowest qualified responsible bidder, who furnishes a
23 sufficient performance or payment bond. The sponsoring
24 governmental entity has the right to reject all bids and solicit
25 new bids for the construction contract. Article one-c, chapter
26 twenty-one of this code applies to the construction of all
27 transportation projects approved under this article.

§17-28-10. Coordination and development of transportation projects with other infrastructure; information sharing; agreements among municipal utilities and public service districts to participate in transportation projects; rates to include costs borne by municipal utilities and public service districts in coordination with transportation projects; exemption from Public Service Commission approval.

1 (a) The commissioner is to encourage the joint and
2 concurrent development and construction of transportation
3 projects with other infrastructure including, without limitation,
4 water and sewer infrastructure.

5 (b) To coordinate and integrate the planning of
6 transportation projects among local jurisdictions, all governing
7 bodies, units of government, municipal utilities and public
8 service districts within the affected local jurisdiction are to
9 cooperate, participate, share information and give input when
10 a project sponsor prepares a transportation project plan.

11 (c) Municipal utilities and public service districts may
12 enter into agreements with any project sponsor for the purpose
13 of constructing new infrastructure facilities or substantially
14 improving or expanding infrastructure facilities in conjunction
15 with a transportation project and dedicating revenue or
16 contributing moneys to transportation project costs. Each
17 agreement must contain, at a minimum, engineering and
18 construction standards, terms regarding the revenue sources,
19 allocation of project costs and confirmation that the agreement
20 does not violate any existing bond covenants. Each agreement
21 shall also comply and be consistent with the comprehensive
22 agreement applicable to the transportation project. No
23 infrastructure facilities may be located or relocated within a
24 right-of-way in, or to be included within, the state road system
25 except in accordance with transportation project plans
26 approved by the commissioner.

27 (d) The rates charged by a municipal utility or public
28 service district to customers in an affected local jurisdiction
29 may include the additional cost borne by the municipal utility
30 or public service district as a result of entering into an
31 agreement with a project sponsor to contribute moneys or
32 dedicate revenue to transportation project costs.

33 (e) This article may not be construed to affect the authority
34 of the Department of Environmental Protection nor the
35 authority of the Department of Health and Human Resources
36 pursuant to this code.

37 (f) This article may not be construed to give the Public
38 Service Commission authority to regulate or intervene in the
39 approval and construction of any transportation project or any
40 agreement between a project sponsor and a municipal utility
41 or public service district under this article.

§17-28-11. Excess funds; termination of user fee.

1 (a) When revenue bonds have been issued as provided in
2 this article and the amount of user fees imposed pursuant to
3 section five of this article and collected, less costs of
4 administration, collection and enforcement, exceeds the
5 amount needed to pay project costs and annual debt service,
6 including the finding of required debt service and maintenance
7 reserves, the additional amount shall be set aside in a separate
8 fund and used to either fund transportation projects on a cash
9 basis or retire some or all of the outstanding revenue bonds
10 before their maturity date. The county commission may
11 establish a call date for which bonds must be refunded with
12 excess funds after a date determined by the county
13 commission.

14 (b) Once the revenue bonds issued as provided in this
15 article are no longer outstanding or a certified public
16 accountant certifies that sufficient reserves have been or will
17 be accumulated as of a specified date to pay all future debt
18 service on the outstanding bonds, the user fee that is
19 applicable to those specific bonds shall be discontinued.
20 Termination of the user fee as provided in this section shall
21 not bar or otherwise prevent the county commission from
22 collecting user fees that accrued before the termination date.

§17-28-12. Severability.

1 If any section, clause, provision or portion of this article
2 shall be held to be invalid or unconstitutional by any court of
3 competent jurisdiction, such holding shall not affect any other
4 section, clause or provision of this article which is not in and
5 of itself unconstitutional.

§15-1E-2. Persons subject to this article; jurisdiction.

1 (a) This article applies to all members of the state
2 military forces at all times.

3 (b) Subject matter jurisdiction is established if a nexus
4 exists between an offense, either military or nonmilitary, and
5 the state military force. Courts-martial have primary
6 jurisdiction of military offenses as defined in this article. A
7 proper civilian court has primary jurisdiction of a nonmilitary
8 offense when an act or omission violates both this article and
9 local criminal law, foreign or domestic. In such a case, a
10 court-martial may be initiated only after the civilian authority
11 has declined to prosecute or dismissed the charge, provided

12 jeopardy has not attached. Jurisdiction over attempted
13 crimes, conspiracy crimes, solicitation, and accessory crimes
14 must be determined by the underlying offense.

§15-1E-3. Jurisdiction to try certain personnel.

1 (a) Each person discharged from the state military forces
2 who is later charged with having fraudulently obtained a
3 discharge is, subject to section forty-three of this article,
4 subject to trial by court-martial on that charge and is, after
5 apprehension, subject to this article while in custody under

7 conviction of that charge that person is subject to trial by
8 court-martial for all offenses under this article committed
9 before the fraudulent discharge.

10 (b) No person who has deserted from the state military
11 forces may be relieved from amenability to the jurisdiction of
12 this article by virtue of a separation from any later period of
13 service.

§15-1E-4. Reserved.

§15-1E-5. Territorial applicability of the article.

1 (a) This article has applicability at all times and in all
2 places, provided that either the person subject to the article is
3 in a duty status or, if not in a duty status, that there is a nexus
4 between the act or omission constituting the offense and the
5 efficient functioning of the state military forces; however,
6 this grant of military jurisdiction shall neither preclude nor
7 limit civilian jurisdiction over an offense, which is limited
8 only by the prohibition of double jeopardy.

9 (b) Courts-martial and courts of inquiry may be convened
10 and held in units of the state military forces while those units
11 are serving outside the state with the same jurisdiction and

12 powers as to persons subject to this article as if the
13 proceedings were held inside the state, and offenses
14 committed outside the state may be tried and punished either
15 inside or outside the state.

§15-1E-6. Judge Advocates.

1 (a) The senior force judge advocates in each of the state's
2 military forces or that judge advocate's delegates shall make
3 frequent inspections in the field in supervision of the
4 administration of military justice in that force.

5 (b) Convening authorities shall at all times communicate
6 directly with their judge advocates in matters relating to the
7 administration of military justice. The judge advocate of any
8 command is entitled to communicate directly with the judge
9 advocate of a superior or subordinate command, or with the
10 State Judge Advocate.

11 (c) No person who has acted as member, military judge,
12 trial counsel, defense counsel, or investigating officer, or who
13 has been a witness, in any case may later act as a judge
14 advocate to any reviewing authority upon the same case.

2 (b) Any person authorized by this article or by chapter 47
3 of title 10, United States Code, or by regulations issued under
4 either, to apprehend persons subject to this article, any
5 marshal of a court-martial appointed pursuant to the
6 provisions of this article, and any peace officer or civil
7 officer having authority to apprehend offenders under the
8 laws of the United States or of a state, may do so upon

9 probable cause that an offense has been committed and that
10 the person apprehended committed it.

11 (c) Commissioned officers, warrant officers, petty
12 officers, and noncommissioned officers have authority to
13 quell quarrels, frays, and disorders among persons subject to
14 this article and to apprehend persons subject to this article
15 who take part therein.

16 (d) If an offender is apprehended outside the state, the
17 offender's return to the area must be in accordance with
18 normal extradition procedures or by reciprocal agreement.

19 (e) No person authorized by this section to apprehend
20 persons subject to this article or the place where such
21 offender is confined, restrained, held, or otherwise housed
22 may require payment of any fee or charge for so receiving,
23 apprehending, confining, restraining, holding, or otherwise
24 housing a person except as otherwise provided by law.

§15-1E-8. Reserved.

§15-1E-9. Imposition of restraint.

1 (a) Arrest is the restraint of a person by an order, not
2 imposed as a punishment for an offense, directing him or her
3 to remain within certain specified limits. Confinement is the
4 physical restraint of a person.

5 (b) An enlisted member may be ordered into arrest or
6 confinement by any commissioned officer by an order, oral
7 or written, delivered in person or through other persons
8 subject to this article. A commanding officer may authorize
9 warrant officers, petty officers, or noncommissioned officers
10 to order enlisted members of the commanding officer's
11 command or subject to the commanding officer's authority
12 into arrest or confinement.

13 (c) A commissioned officer, a warrant officer, or a
14 civilian subject to this article or to trial there under may be
15 ordered into arrest or confinement only by a commanding
16 officer to whose authority the person is subject, by an order,
17 oral or written, delivered in person or by another
18 commissioned officer. The authority to order such persons
19 into arrest or confinement may not be delegated.

20 (d) No person may be ordered into arrest or confinement
21 except for probable cause.

22 (e) This section does not limit the authority of persons
23 authorized to apprehend offenders to secure the custody of an
24 alleged offender until proper authority may be notified.

§15-1E-10. Restraint of persons charged with offenses.

1 Any person subject to this article charged with an offense
2 under this article may be ordered into arrest or confinement,
3 as circumstances may require. When any person subject to
4 this article is placed in arrest or confinement prior to trial,
5 immediate steps shall be taken to inform the person of the
6 specific wrong of which the person is accused and diligent
7 steps shall be taken to try the person or to dismiss the charges
8 and release the person.

§15-1E-11. Place of confinement; reports and receiving of prisoners.

1 (a) If a person subject to this article is confined before,
2 during, or after trial, confinement shall be in a civilian or
3 military confinement facility.

4 (b) No person authorized to receive prisoners pursuant to
5 section may refuse to receive or keep any prisoner committed
6 to the person's charge by a commissioned officer of the state
7 military forces, when the committing officer furnishes a

8 statement, signed by such officer, of the offense charged
9 against the prisoner, unless otherwise authorized by law.

10 (c) Every person authorized to receive prisoners pursuant
11 to section to whose charge a prisoner is committed shall,
12 within twenty-four hours after that commitment or as soon as
13 the person is relieved from guard, report to the commanding
14 officer of the prisoner the name of the prisoner, the offense
15 charged against the prisoner, and the name of the person who
16 ordered or authorized the commitment.

§15-1E-12. Confinement with enemy prisoners prohibited.

1 No member of the state military forces may be placed in
2 confinement in immediate association with enemy prisoners
3 or other foreign nationals not members of the Armed Forces.

§15-1E-13. Punishment prohibited before trial.

1 No person, while being held for trial or awaiting a
2 verdict, may be subjected to punishment or penalty other than
3 arrest or confinement upon the charges pending against the
4 person, nor shall the arrest or confinement imposed upon
5 such person be any more rigorous than the circumstances
6 required to insure the person's presence, but the person may
7 be subjected to minor punishment during that period for
8 infractions of discipline.

§15-1E-14. Delivery of offenders to civil authorities.

1 (a) A person subject to this article accused of an offense
2 against civil authority may be delivered, upon request, to the
3 civil authority for trial or confinement.

4 (b) When delivery under this section is made to any civil
5 authority of a person undergoing sentence of a court-martial,
6 the delivery, if followed by conviction in a civil tribunal,

7 interrupts the execution of the sentence of the court-martial,
8 and the offender after having answered to the civil authorities
9 for the offense shall, upon the request of competent military
10 authority, be returned to the place of original custody for the
11 completion of the person's sentence.

PART III. NONJUDICIAL PUNISHMENT.

§15-1E-15. Commanding officer's nonjudicial punishment.

1 (a) Under such regulations as prescribed, any
2 commanding officer (and for purposes of this article,
3 officers-in-charge) may impose disciplinary punishments for
4 minor offenses without the intervention of a court-martial
5 pursuant to this article. The Governor, the Adjutant General,
6 or an officer of a general or flag rank in command may
7 delegate the powers under this section to a principal assistant
8 who is a member of the state military forces.

9 (b) Any commanding officer may impose upon enlisted
10 members of the officer's command:

11 (1) An admonition;

12 (2) A reprimand;

13 (3) The withholding of privileges for not more than six
14 months which need not be consecutive;

15 (4) The forfeiture of pay of not more than seven days'
16 pay;

17 (5) A fine of not more than seven days' pay;

18 (6) A reduction to the next inferior pay grade, if the grade
19 from which demoted is within the promotion authority of the
20 officer imposing the reduction or any officer subordinate to
21 the one who imposes the reduction;

22 (7) Extra duties, including fatigue or other duties, for not
23 more than fourteen days, which need not be consecutive; and

24 (8) Restriction to certain specified limits, with or without
25 suspension from duty, for not more than fourteen days, which
26 need not be consecutive.

27 (c) Any commanding officer of the grade of major or
28 lieutenant commander, or above may impose upon enlisted
29 members of the officer's command:

30 (1) Any punishment authorized in subsection (b)
31 subdivisions (1), (2), and (3);

32 (2) The forfeiture of not more than one-half of one
33 month's pay per month for two months;

34 (3) A fine of not more than one month's pay;

35 (4) A reduction to the lowest or any intermediate pay
36 grade, if the grade from which demoted is within the
37 promotion authority of the officer imposing the reduction or
38 any officer subordinate to the one who imposes the reduction,
39 but an enlisted member in a pay grade above E-4 may not be
40 reduced more than two pay grades;

41 (5) Extra duties, including fatigue or other duties, for not
42 more than forty-five days which need not be consecutive; and

43 (6) Restriction to certain specified limits, with or without
44 suspension from duty, for not more than sixty days which
45 need not be consecutive.

46 (d) The Governor, the Adjutant General, an officer
47 exercising general court-martial convening authority, or an
48 officer of a general or flag rank in command may impose:

49 (1) Upon officers of the officer's command:

50 (A) Any punishment authorized in subsection (c)
51 subdivisions (1), (2), (3) and (6); and

52 (B) Arrest in quarters for not more than thirty days which
53 need not be consecutive.

54 (2) Upon enlisted members of the officer's command any
55 punishment authorized in subsection (c).

56 (e) Whenever any of those punishments are combined to
57 run consecutively, the total length of the combined
58 punishment cannot exceed the authorized duration of the
59 longest punishment in the combination, and there must be an
60 apportionment of punishments so that no single punishment
61 in the combination exceeds its authorized length under this
62 article.

63 (f) Prior to the offer of nonjudicial punishment, the
64 commanding officer shall determine whether arrest in
65 quarters or restriction shall be considered as punishments.
66 Should the commanding officer determine that the
67 punishment options may include arrest in quarters or
68 restriction, the accused shall be notified of the right to
69 demand trial by court-martial. Should the commanding
70 officer determine that the punishment options will not
71 include arrest in quarters or restriction, the accused shall be
72 notified that there is no right to trial by courts-martial in lieu
73 of nonjudicial punishment

74 (g) The officer who imposes the punishment, or the
75 successor in command, may, at any time, suspend, set aside,
76 mitigate, or remit any part or amount of the punishment and
77 restore all rights, privileges, and property affected. The
78 officer also may:

79 (1) Mitigate reduction in grade to forfeiture of pay;

80 (2) Mitigate arrest in quarters to restriction; or

81 (3) Mitigate extra duties to restriction.

82 The mitigated punishment shall not be for a greater
83 period than the punishment mitigated. When mitigating
84 reduction in grade to forfeiture of pay, the amount of the
85 forfeiture shall not be greater than the amount that could have
86 been imposed initially under this section by the officer who
87 imposed the punishment mitigated.

88 (h) A person punished under this section who considers
89 the punishment unjust or disproportionate to the offense may,
90 through the proper channel, appeal to the next superior
91 authority within fifteen days after the punishment is either
92 announced or sent to the accused, as the commander may
93 determine. The appeal shall be promptly forwarded and
94 decided, but the person punished may in the meantime be
95 required to undergo the punishment adjudged. The superior
96 authority may exercise the same powers with respect to the
97 punishment imposed as may be exercised under subsection
98 (g) by the officer who imposed the punishment. Before
99 acting on an appeal from a punishment, the authority that is
100 to act on the appeal may refer the case to a judge advocate for
101 consideration and advice.

102 (i) The imposition and enforcement of disciplinary
103 punishment under this section for any act or omission is not
104 a bar to trial by court-martial or a civilian court of competent
105 jurisdiction for a serious crime or offense growing out of the
106 same act or omission and not properly punishable under this
107 article; but the fact that a disciplinary punishment has been
108 enforced may be shown by the accused upon trial and, when
109 so shown, it shall be considered in determining the measure
110 of punishment to be adjudged in the event of a finding of
111 guilty.

112 (j) Whenever a punishment of forfeiture of pay is
113 imposed under this article, the forfeiture may apply to pay
114 accruing before, on, or after the date that punishment is
115 imposed.

116 (k) Regulations may prescribe the form of records to be
117 kept of proceedings under this section and may prescribe that
118 certain categories of those proceedings shall be in writing.

PART IV. COURT-MARTIAL JURISDICTION.

§15-1E-16. Courts-martial classified.

1 The three kinds of courts-martial in the state military
2 forces are:

3 (1) General courts-martial, consisting of:

4 (A) A military judge and not less than five members; or

5 (B) Only a military judge, if before the court is assembled
6 the accused, knowing the identity of the military judge and
7 after consultation with defense counsel, requests orally on the
8 record or in writing a court composed only of a military
9 judge and the military judge approves;

10 (2) Special courts-martial, consisting of:

11 (A) A military judge and not less than three members; or

12 (B) Only a military judge, if one has been detailed to the
13 court, and the accused under the same conditions as those
14 prescribed in subdivision (1) of this section so requests; and

15 (3) Summary courts-martial, consisting of one
16 commissioned officer.

§15-1E-17. Jurisdiction of courts-martial in general.

1 Each component of the state military forces has court-
2 martial jurisdiction over all members of the particular
3 component who are subject to this article. Additionally, the
4 Army and Air National Guard state military forces have
5 court-martial jurisdiction over all members subject to this
6 article.

§15-1E-18. Jurisdiction of general courts-martial.

1 Subject to section seventeen of this article, general
2 courts-martial have jurisdiction to try persons subject to this
3 article for any offense made punishable by this article, and
4 may, under such limitations as the Governor may prescribe,
5 adjudge any punishment not forbidden by this article.

§15-1E-19. Jurisdiction of special courts-martial.

1 Subject to section seventeen, special courts-martial have
2 jurisdiction to try persons subject to this article for any
3 offense made punishable by this article, and may, under such
4 limitations as the Governor may prescribe, adjudge any
5 punishment not forbidden by this article except dishonorable
6 discharge, dismissal, confinement for more than one year,
7 forfeiture of pay exceeding two-thirds pay per month, or
8 forfeiture of pay for more than one year.

§15-1E-20. Jurisdiction of summary courts-martial.

1 (a) Subject to section seventeen of this article, summary
2 courts-martial have jurisdiction to try persons subject to this
3 article, except officers, cadets, candidates, and midshipmen,
4 for any offense made punishable by this article under such
5 limitations as the Governor may prescribe.

6 (b) No person with respect to whom summary courts-
7 martial have jurisdiction may be brought to trial before a
8 summary court-martial if that person objects thereto. If
9 objection to trial by summary court-martial is made by an

10 accused, trial by special or general court-martial may be
11 ordered, as may be appropriate. Summary courts-martial
12 may, under such limitations as the Governor may prescribe,
13 adjudge any punishment not forbidden by this article except
14 dismissal, dishonorable or bad-conduct discharge,
15 confinement for more than one month, restriction to specified
16 limits for more than two months, or forfeiture of more than
17 two-thirds of one month's pay.

§15-1E-21. Reserved.

PART V. APPOINTMENT AND COMPOSITION OF
COURTS-MARTIAL.

§15-1E-22. Who may convene general courts-martial.

1 (a) General courts-martial may be convened by:

2 (1) The Governor;

3 (2) The Adjutant General;

4 (3) The commanding officer of a force of the state
5 military forces;

6 (4) The commanding officer of a division or a separate
7 brigade; or

8 (5) The commanding officer of a separate wing.

9 (b) If any such commanding officer is an accuser, the
10 court shall be convened by superior competent authority and
11 may in any case be convened by such superior authority if
12 considered desirable by such authority.

§15-1E-23. Who may convene special courts-martial.

1 (a) Special courts-martial may be convened by:

2 (1) Any person who may convene a general court-
3 martial;

4 (2) The commanding officer of a garrison, fort, post,
5 camp, station, Air National Guard base, or naval base or
6 station;

7 (3) The commanding officer of a brigade, regiment,
8 detached battalion, or corresponding unit of the Army;

9 (4) The commanding officer of a wing, group, separate
10 squadron, or corresponding unit of the Air Force; or

11 (5) The commanding officer or officer in charge of any
12 other command when empowered by The Adjutant General.

13 (b) If any such officer is an accuser, the court shall be
14 convened by superior competent authority and may in any
15 case be convened by such superior authority if considered
16 desirable by such authority.

§15-1E-24. Who may convene summary courts-martial.

1 (a) Summary courts-martial may be convened:

2 (1) By any person who may convene a general or special
3 court-martial;

4 (2) The commanding officer of a detached company or
5 other detachment, or corresponding unit of the Army;

6 (3) The commanding officer of a detached squadron or
7 other detachment, or corresponding unit of the Air Force; or

8 (4) The commanding officer or officer in charge of any
9 other command when empowered by The Adjutant General.

10 (b) When only one commissioned officer is present with
11 a command or detachment that officer shall be the summary
12 court-martial of that command or detachment and shall hear
13 and determine all summary court-martial cases. Summary
14 courts-martial may, however, be convened in any case by
15 superior competent authority if considered desirable by such
16 authority.

§15-1E-25. Who may serve on courts-martial.

1 (a) Any commissioned officer of the state military forces
2 is eligible to serve on all courts-martial for the trial of any
3 person subject to this article.

4 (b) Any warrant officer of the state military forces is
5 eligible to serve on general and special courts-martial for the
6 trial of any person subject to this article, other than a
7 commissioned officer.

8 (c) Any enlisted member of the state military forces who
9 is not a member of the same unit as the accused is eligible to
10 serve on general and special courts-martial for the trial of any
11 enlisted member subject to this article, but that member shall
12 serve as a member of a court only if, before the conclusion of
13 a session called by the military judge under subsection (a),
14 section thirty-nine of this article prior to trial or, in the
15 absence of such a session, before the court is assembled for
16 the trial of the accused, the accused personally has requested
17 orally on the record or in writing that enlisted members serve
18 on it. After such a request, the accused may not be tried by
19 a general or special court-martial the membership of which
20 does not include enlisted members in a number comprising
21 at least one third of the total membership of the court, unless
22 eligible enlisted members cannot be obtained on account of
23 physical conditions or military exigencies. If such members
24 cannot be obtained, the court may be assembled and the trial
25 held without them, but the convening authority shall make a

26 detailed written statement, to be appended to the record,
27 stating why they could not be obtained. In this section, “unit”
28 means any regularly organized body of the state military
29 forces not larger than a company, a squadron, a division of
30 the naval militia, or a body corresponding to one of them.

31 (d) When it can be avoided, no person subject to this
32 article may be tried by a court-martial any member of which
33 is junior to the accused in rank or grade.

34 (e) When convening a court-martial, the convening
35 authority shall detail as members thereof such members of
36 the state military forces as, in the convening authority’s
37 opinion, are best qualified for the duty by reason of age,
38 education, training, experience, length of service, and judicial
39 temperament. No member of the state military forces is
40 eligible to serve as a member of a general or special court-
41 martial when that member is the accuser, a witness, or has
42 acted as investigating officer or as counsel in the same case.

43 (f) Before a court-martial is assembled for the trial of a
44 case, the convening authority may excuse a member of the
45 court from participating in the case. The convening authority
46 may delegate the authority under this subsection to a judge
47 advocate or to any other principal assistant.

§15-1E-26. Military judge of a general or special court-martial.

1 (a) A military judge shall be detailed to each general and
2 special court-martial. The military judge shall preside over
3 each open session of the court-martial to which the military
4 judge has been detailed.

5 (b) A military judge shall be:

6 (1) An active or retired commissioned officer of an
7 organized state military force;

8 (2) A member in good standing of the bar of the highest
9 court of a state or a member of the bar of a federal court for
10 at least five years; and

11 (3) Certified as qualified for duty as a military judge by
12 the senior force judge advocate which is the same force as the
13 accused.

14 (c) In the instance when a military judge is not a member
15 of the bar of the highest court of the state, the military judge
16 shall be deemed admitted pro hac vice, subject to filing a
17 certificate with the senior force judge advocate which is the
18 same force as the accused setting forth such qualifications
19 provided in subsection (b).

20 (d) The military judge of a general or special court-
21 martial shall be designated by the senior force judge advocate
22 which is the same force as the accused, or a designee, for
23 detail by the convening authority. Neither the convening
24 authority nor any staff member of the convening authority
25 shall prepare or review any report concerning the
26 effectiveness, fitness, or efficiency of the military judge so
27 detailed, which relates to performance of duty as a military
28 judge.

29 (e) No person is eligible to act as military judge in a case
30 if that person is the accuser or a witness, or has acted as
31 investigating officer or a counsel in the same case.

32 (f) The military judge of a court-martial may not consult
33 with the members of the court except in the presence of the
34 accused, trial counsel, and defense counsel nor vote with the
35 members of the court.

§15-1E-27. Detail of trial counsel and defense counsel.

1 (a) For each general and special court-martial the
2 authority convening the court shall detail trial counsel,

3 defense counsel and such assistants as are appropriate. No
4 person who has acted as investigating officer, military judge,
5 witness or court member in any case may act later as trial
6 counsel, assistant trial counsel, or, unless expressly requested
7 by the accused, as defense counsel or assistant or associate
8 defense counsel in the same case. No person who has acted
9 for the prosecution may act later in the same case for the
10 defense nor may any person who has acted for the defense
11 act later in the same case for the prosecution.

12 (b) Except as provided in subsection (c), trial counsel or
13 defense counsel detailed for a general or special court-martial
14 must be a judge advocate as defined in section one of this
15 article and in the case of trial counsel, a member in good
16 standing of the bar of the Supreme Court of Appeals of West
17 Virginia.

18 (c) In the instance when a defense counsel is not a
19 member of the bar of the highest court of the state, the
20 defense counsel shall be deemed admitted pro hac vice,
21 subject to filing a certificate with the military judge setting
22 forth the qualifications that counsel is:

23 (1) A commissioned officer of the Armed Forces of the
24 United States or a component thereof; and

25 (2) A member in good standing of the bar of the highest
26 court of a state; and

27 (3) A certified as a judge advocate in the Judge Advocate
28 General's Corps of the Army, Air Force, Navy, or the Marine
29 Corps; or

30 (4) A judge advocate as defined in section one of this
31 article.

§15-1E-28. Detail or employment of reporters and interpreters.

1 Under such regulations as may be prescribed, the
2 convening authority of a general or special court-martial or
3 court of inquiry shall detail or employ qualified court
4 reporters, who shall record the proceedings of and testimony
5 taken before that court and may detail or employ interpreters
6 who shall interpret for the court.

§15-1E-29. Absent and additional members.

1 (a) No member of a general or special court-martial may
2 be absent or excused after the court has been assembled for
3 the trial of the accused unless excused as a result of a
4 challenge, excused by the military judge for physical
5 disability or other good cause, or excused by order of the
6 convening authority for good cause.

7 (b) Whenever a general court-martial, other than a
8 general court-martial composed of a military judge only, is
9 reduced below five members, the trial may not proceed
10 unless the convening authority details new members
11 sufficient in number to provide not less than the applicable
12 minimum number of five members. The trial may proceed
13 with the new members present after the recorded evidence
14 previously introduced before the members of the court has
15 been read to the court in the presence of the military judge,
16 the accused, and counsel for both sides.

17 (c) Whenever a special court-martial, other than a special
18 court-martial composed of a military judge only, is reduced
19 below three members, the trial may not proceed unless the
20 convening authority details new members sufficient in
21 number to provide not less than three members. The trial
22 shall proceed with the new members present as if no
23 evidence had been introduced previously at the trial, unless
24 a verbatim record of the evidence previously introduced
25 before the members of the court or a stipulation thereof is
26 read to the court in the presence of the military judge, the
27 accused, and counsel for both sides.

28 (d) If the military judge of a court-martial composed of
29 a military judge only is unable to proceed with the trial
30 because of physical disability, as a result of a challenge, or
31 for other good cause, the trial shall proceed, subject to any
32 applicable conditions of paragraph (b), subdivision (1) or
33 paragraph (b), subdivision (2) of section sixteen of this
34 article, after the detail of a new military judge as if no
35 evidence had previously been introduced, unless a verbatim
36 record of the evidence previously introduced or a stipulation
37 thereof is read in court in the presence of the new military
38 judge, the accused, and counsel for both sides.

PART VI. PRETRIAL PROCEDURE.

§15-1E-30. Charges and specifications.

1 (a) Charges and specifications shall be signed by a person
2 subject to this article under oath before a commissioned
3 officer authorized by subsection (a), section one hundred
4 thirty-six of this article to administer oaths and shall state:

5 (1) That the signer has personal knowledge of, or has
6 investigated, the matters set forth therein; and

7 (2) That they are true in fact to the best of the signer's
8 knowledge and belief.

9 (b) Upon the preferring of charges, the proper authority
10 shall take immediate steps to determine what disposition
11 should be made thereof in the interest of justice and
12 discipline, and the person accused shall be informed of the
13 charges as soon as practicable.

§15-1E-31. Compulsory self-incrimination prohibited.

1 (a) No person subject to this article may compel any
2 person to incriminate himself or herself or to answer any

3 question the answer to which may tend to incriminate him or
4 her.

5 (b) No person subject to this article may interrogate or
6 request any statement from an accused or a person suspected
7 of an offense without first informing that person of the nature
8 of the accusation and advising that person that the person
9 does not have to make any statement regarding the offense of
10 which the person is accused or suspected and that any
11 statement made by the person may be used as evidence
12 against the person in a trial by court-martial.

13 (c) No person subject to this article may compel any
14 person to make a statement or produce evidence before any
15 military court if the statement or evidence is not material to
16 the issue and may tend to degrade the person.

17 (d) No statement obtained from any person in violation
18 of this section or through the use of coercion, unlawful
19 influence, or unlawful inducement may be received in
20 evidence against the person in a trial by court-martial.

§15-1E-32. Investigation.

1 (a) No charge or specification may be referred to a
2 general court-martial for trial until a thorough and impartial
3 investigation of all the matters set forth therein has been
4 made. This investigation shall include inquiry as to the truth
5 of the matter set forth in the charges, consideration of the
6 form of charges, and a recommendation as to the disposition
7 which should be made of the case in the interest of justice
8 and discipline.

9 (b) The accused shall be advised of the charges against
10 the accused and of the right to be represented at that
11 investigation by counsel. The accused has the right to be
12 represented at that investigation as provided in section thirty-

13 eight of this article and in regulations prescribed under this
14 article. At that investigation, full opportunity shall be given
15 to the accused to cross-examine witnesses against the
16 accused, if they are available, and to present anything the
17 accused may desire in the accused's own behalf, either in
18 defense or mitigation, and the investigating officer shall
19 examine available witnesses requested by the accused. If the
20 charges are forwarded after the investigation, they shall be
21 accompanied by a statement of the substance of the testimony
22 taken on both sides and a copy thereof shall be given to the
23 accused.

24 (c) If an investigation of the subject matter of an offense
25 has been conducted before the accused is charged with the
26 offense, and if the accused was present at the investigation
27 and afforded the opportunities for representation, cross-
28 examination, and presentation prescribed in subsection (b),
29 no further investigation of that charge is necessary under this
30 section unless it is demanded by the accused after the
31 accused is informed of the charge. A demand for further
32 investigation entitles the accused to recall witnesses for
33 further cross-examination and to offer any new evidence in
34 the accused's own behalf.

35 (d) If evidence adduced in an investigation under this
36 section indicates that the accused committed an uncharged
37 offense, the investigating officer may investigate the subject
38 matter of that offense without the accused having first been
39 charged with the offense if the accused:

40 (1) Is present at the investigation;

41 (2) Is informed of the nature of each uncharged offense
42 investigated; and

43 (3) Is afforded the opportunities for representation, cross-
44 examination, and presentation prescribed in subsection (b).

45 (e) The requirements of this section are binding on all
46 persons administering this article but failure to follow them
47 does not constitute jurisdictional error.

§15-1E-33. Forwarding of charges.

1 When a person is held for trial by general court-martial,
2 the commanding officer shall within eight days after the
3 accused is ordered into arrest or confinement, if practicable,
4 forwards the charges, together with the investigation and
5 allied papers, to the person exercising general court-martial
6 jurisdiction. If that is not practicable, the commanding
7 officer shall report in writing to that person the reasons for
8 delay.

§15-1E-34. Advice of judge advocate and reference for trial.

1 (a) Before directing the trial of any charge by general
2 court-martial, the convening authority shall refer it to a judge
3 advocate for consideration and advice. The convening
4 authority may not refer a specification under a charge to a
5 general court-martial for trial unless the convening authority
6 has been advised in writing by a judge advocate that:

7 (1) The specification alleges an offense under this article;

8 (2) The specification is warranted by the evidence
9 indicated in the report of investigation under section thirty-
10 two of this article, if there is such a report; and

11 (3) A court-martial would have jurisdiction over the
12 accused and the offense.

13 (b) The advice of the judge advocate under subsection (a)
14 with respect to a specification under a charge shall include a
15 written and signed statement by the judge advocate:

16 (1) Expressing conclusions with respect to each matter
17 set forth in subsection (a); and

18 (2) Recommending action that the convening authority
19 take regarding the specification.

20 If the specification is referred for trial, the
21 recommendation of the judge advocate shall accompany the
22 specification.

23 (c) If the charges or specifications are not correct
24 formally or do not conform to the substance of the evidence
25 contained in the report of the investigating officer, formal
26 corrections, and such changes in the charges and
27 specifications as are needed to make them conform to the
28 evidence, may be made.

§15-1E-35. Service of charges.

1 The trial counsel shall serve or caused to be served upon
2 the accused a copy of the charges. No person may, against
3 the person's objection, be brought to trial before a general
4 court-martial case within a period of five days after the
5 service of charges upon the accused, or in a special court-
6 martial, within a period of three days after the service of
7 charges upon the accused.

PART VII. TRIAL PROCEDURE.

§15-1E-36. Governor or the Adjutant General may prescribe rules.

1 Pretrial, trial, and post-trial procedures, including modes
2 of proof, for courts-martial cases arising under this article,
3 and for courts of inquiry, may be prescribed by the Governor
4 or the Adjutant General by regulations, or as otherwise
5 provided by law, which shall apply the principles of law and
6 the rules of evidence generally recognized in military
7 criminal cases in the courts of the Armed Forces but which
8 may not be contrary to or inconsistent with this article.

§15-1E-37. Unlawfully influencing action of court.

1 (a) No authority convening a general, special, or
2 summary court-martial, nor any other commanding officer,
3 or officer serving on the staff thereof, may censure,
4 reprimand, or admonish the court or any member, the
5 military judge, or counsel thereof, with respect to the findings
6 or sentence adjudged by the court or with respect to any other
7 exercise of its or their functions in the conduct of the
8 proceedings. No person subject to this article may attempt to
9 coerce or, by any unauthorized means, influence the action of
10 a court-martial or court of inquiry or any member thereof, in
11 reaching the findings or sentence in any case, or the action of
12 any convening, approving, or reviewing authority with
13 respect to their judicial acts. The foregoing provisions of the
14 subsection shall not apply with respect to: (1) General
15 instructional or informational courses in military justice if
16 such courses are designed solely for the purpose of
17 instructing members of a command in the substantive and
18 procedural aspects of courts-martial; or (2) to statements and
19 instructions given in open court by the military judge,
20 summary court-martial officer, or counsel.

21 (b) In the preparation of an effectiveness, fitness, or
22 efficiency report, or any other report or document used, in
23 whole or in part, for the purpose of determining whether a
24 member of the state military forces is qualified to be
25 advanced in grade, or in determining the assignment or
26 transfer of a member of the state military forces, or in
27 determining whether a member of the state military forces
28 should be retained on active status, no person subject to this
29 article may, in preparing any such report: (1) Consider or
30 evaluate the performance of duty of any such member as a
31 member of a court-martial or witness therein; or (2) Give a
32 less favorable rating or evaluation of any counsel of the
33 accused because of zealous representation before a court-
34 martial.

§15-1E-38. Duties of trial counsel and defense counsel.

1 (a) The trial counsel of a general or special court-martial
2 shall be a member in good standing of the State Bar and shall
3 prosecute in the name of the state, and shall, under the
4 direction of the court, prepare the record of the proceedings.

5 (b) (1) The accused has the right to be represented in
6 defense before a general or special court-martial or at an
7 investigation under section thirty-two of this article as
8 provided in this subsection.

9 (2) The accused may be represented by civilian counsel
10 at the provision and expense of the accused.

11 (3) The accused may be represented:

12 (A) By military counsel detailed under section twenty-
13 seven of this article; or

14 (B) By military counsel of the accused's own selection if
15 that counsel is reasonably available as determined under
16 subdivision (7).

17 (4) If the accused is represented by civilian counsel,
18 military counsel detailed or selected under subdivision (3)
19 shall act as associate counsel unless excused at the request of
20 the accused.

21 (5) Except as provided under subdivision (6), if the
22 accused is represented by military counsel of his or her own
23 selection under paragraph (B), subdivision (3), any military
24 counsel detailed under paragraph (A), subdivision (3), shall
25 be excused.

26 (6) The accused is not entitled to be represented by more
27 than one military counsel. However, the person authorized

28 under regulations prescribed under section twenty-seven of
29 this article to detail counsel, in that person's sole discretion:

30 (A) May detail additional military counsel as assistant
31 defense counsel; and

32 (B) If the accused is represented by military counsel of
33 the accused's own selection under paragraph (B), subdivision
34 (3), may approve a request from the accused that military
35 counsel detailed under paragraph (A), subdivision (3), act as
36 associate defense counsel.

37 (7) The senior force judge advocate of the same force of
38 which the accused is a member, shall determine whether the
39 military counsel selected by an accused is reasonably
40 available.

41 (c) In any court-martial proceeding resulting in a
42 conviction, the defense counsel:

43 (1) May forward for attachment to the record of
44 proceedings a brief of such matters as counsel determines
45 should be considered in behalf of the accused on review,
46 including any objection to the contents of the record which
47 counsel considers appropriate;

48 (2) May assist the accused in the submission of any
49 matter under section sixty of this article; and

50 (3) May take other action authorized by this article.

§15-1E-39. Sessions.

1 (a) At any time after the service of charges which have
2 been referred for trial to a court-martial composed of a
3 military judge and members, the military judge may, subject
4 section thirty-five of this article, call the court into session
5 without the presence of the members for the purpose of:

6 (1) Hearing and determining motions raising defenses or
7 objections which are capable of determination without trial
8 of the issues raised by a plea of not guilty;

9 (2) Hearing and ruling upon any matter which may be
10 ruled upon by the military judge under this article, whether
11 or not the matter is appropriate for later consideration or
12 decision by the members of the court;

13 (3) Holding the arraignment and receiving the pleas of
14 the accused; and

15 (4) Performing any other procedural function which does
16 not require the presence of the members of the court under
17 this article.

18 (b) These proceedings shall be conducted in the presence
19 of the accused, the defense counsel, and the trial counsel and
20 shall be made a part of the record. These proceedings may be
21 conducted notwithstanding the number of court members and
22 without regard to section twenty-nine.

23 (c) When the members of a court-martial deliberate or
24 vote, only the members may be present. All other
25 proceedings, including any other consultation of the members
26 of the court with counsel or the military judge, shall be made
27 a part of the record and shall be in the presence of the
28 accused, the defense counsel, the trial counsel, and the
29 military judge.

§15-1E-40. Continuances.

1 The military judge of a court-martial or a summary court-
2 martial may, for reasonable cause, grant a continuance to any
3 party for such time, and as often, as may appear to be just.

§15-1E-41. Challenges.

1 (a)(1) The military judge and members of a general or
2 special court-martial may be challenged by the accused or the
3 trial counsel for cause stated to the court. The military judge
4 or the court shall determine the relevancy and validity of
5 challenges for cause and may not receive a challenge to more
6 than one person at a time. Challenges by the trial counsel
7 shall ordinarily be presented and decided before those by the
8 accused are offered.

9 (2) If exercise of a challenge for cause reduces the court
10 below the minimum number of members required by section
11 sixteen of this article, all parties shall, notwithstanding
12 section twenty-nine of this article, either exercise or waive
13 any challenge for cause then apparent against the remaining
14 members of the court before additional members are detailed
15 to the court. However, peremptory challenges shall not be
16 exercised at that time.

17 (b)(1) Each accused and the trial counsel are entitled
18 initially to one peremptory challenge of members of the
19 court. The military judge may not be challenged except for
20 cause.

21 (2) If exercise of a peremptory challenge reduces the
22 court below the minimum number of members required by
23 section sixteen of this article, the parties shall,
24 notwithstanding section twenty-nine of this article, either
25 exercise or waive any remaining peremptory challenge, not
26 previously waived, against the remaining members of the
27 court before additional members are detailed to the court.

28 (3) Whenever additional members are detailed to the
29 court, and after any challenges for cause against such
30 additional members are presented and decided, each accused
31 and the trial counsel are entitled to one peremptory challenge
32 against members not previously subject to peremptory
33 challenge.

§15-1E-42. Oaths or affirmations.

1 (a) Before performing their respective duties, military
2 judges, general and special courts-martial members, trial
3 counsel, defense counsel, reporters, and interpreters shall
4 take an oath or affirmation in the presence of the accused to
5 perform their duties faithfully. The form of the oath or
6 affirmation, the time and place of the taking thereof, the
7 manner of recording the same, and whether the oath or
8 affirmation shall be taken for all cases in which these duties
9 are to be performed or for a particular case, shall be as
10 prescribed in regulation or as provided by law. These
11 regulations may provide that an oath or affirmation to
12 perform faithfully the duties as a military judge, trial counsel,
13 or defense counsel may be taken at any time by any judge
14 advocate or other person certified or designated to be
15 qualified or competent for the duty, and if such an oath or
16 affirmation is taken, it need not again be taken at the time the
17 judge advocate or other person is detailed to that duty.

18 (b) Each witness before a court-martial shall be examined
19 under oath or affirmation.

§15-1E-43. Statute of limitations.

1 (a) Except as otherwise provided in this article, a person
2 charged with any offense is not liable to be tried by court-
3 martial or punished under section fifteen of this article if the
4 offense was committed more than three years before the
5 receipt of sworn charges and specifications by an officer
6 exercising court-martial jurisdiction over the command or
7 before the imposition of punishment under section fifteen of
8 this article.

9 (b) Periods in which the accused is absent without
10 authority or fleeing from justice shall be excluded in
11 computing the period of limitation prescribed in this article.

12 (c) Periods in which the accused was absent from
13 territory in which the state has the authority to apprehend him
14 or her, or in the custody of civil authorities, or in the hands of
15 the enemy, shall be excluded in computing the period of
16 limitation prescribed in this article.

17 (d) When the United States is at war, the running of any
18 statute of limitations applicable to any offense under this article:

19 (1) Involving fraud or attempted fraud against the United
20 States, any state, or any agency of either in any manner,
21 whether by conspiracy or not;

22 (2) Committed in connection with the acquisition, care,
23 handling, custody, control, or disposition of any real or
24 personal property of the United States or any state; or

25 (3) Committed in connection with the negotiation,
26 procurement, award, performance, payment, interim financing,
27 cancellation, or other termination or settlement, of any
28 contract, subcontract, or purchase order which is connected
29 with or related to the prosecution of the war, or with any
30 disposition of termination inventory by any war contractor or
31 government agency; is suspended until two years after the
32 termination of hostilities as proclaimed by the President or by
33 a joint resolution of Congress.

34 (e)(1) If charges or specifications are dismissed as
35 defective or insufficient for any cause and the period
36 prescribed by the applicable statute of limitations:

37 (A) Has expired or will expire.

38 (B) Will expire within one hundred eighty days after the
39 date of dismissal of the charges and specifications, trial and
40 punishment under new charges and specifications are not
41 barred by the statute of limitations if the conditions specified
42 in subdivision (2) are met.

43 (2) The conditions referred to in subdivision (1) are that
44 the new charges and specifications must:

45 (A) Be received by an officer exercising summary court-
46 martial jurisdiction over the command within one hundred
47 eighty days after the dismissal of the charges or
48 specifications; and

49 (B) Allege the same acts or omissions that were alleged
50 in the dismissed charges or specifications or allege acts or
51 omissions that were included in the dismissed charges or
52 specifications.

§15-1E-44. Former jeopardy.

1 (a) No person may, without his or her consent, be tried a
2 second time for the same offense.

3 (b) No proceeding in which an accused has been found
4 guilty by a court-martial upon any charge or specification is
5 a trial in the sense of this section until the finding of guilty
6 has become final after review of the case has been fully
7 completed.

8 (c) A proceeding which, after the introduction of
9 evidence but before a finding, is dismissed or terminated by
10 the convening authority or on motion of the prosecution for
11 failure of available evidence or witnesses without any fault
12 of the accused is a trial in the sense of this article.

§15-1E-45. Pleas of the accused.

1 (a) If an accused after arraignment makes an irregular
2 pleading, or after a plea of guilty sets up matter inconsistent
3 with the plea, or if it appears that the accused has entered the
4 plea of guilty improvidently or through lack of understanding
5 of its meaning and effect, or if the accused fails or refuses to

6 plead, a plea of not guilty shall be entered in the record, and
7 the court shall proceed as though the accused had pleaded not
8 guilty.

9 (b) With respect to any charge or specification to which
10 a plea of guilty has been made by the accused and accepted
11 by the military judge or by a court-martial without a military
12 judge, a finding of guilty of the charge or specification may
13 be entered immediately without vote. This finding shall
14 constitute the finding of the court unless the plea of guilty is
15 withdrawn prior to announcement of the sentence, in which
16 event, the proceedings shall continue as though the accused
17 had pleaded not guilty.

§15-1E-46. Opportunity to obtain witnesses and other evidence.

1 The trial counsel, the defense counsel, and the court-
2 martial shall have equal opportunity to obtain witnesses and
3 other evidence as prescribed by regulations and provided by
4 law. Process issued in court-martial cases to compel
5 witnesses to appear and testify and to compel the production
6 of other evidence shall apply the principles of law and the
7 rules of courts-martial generally recognized in military
8 criminal cases in the courts of the Armed Forces of the
9 United States, but which may not be contrary to or
10 inconsistent with this article. Process shall run to any part of
11 the United States, or the Territories, Commonwealths, and
12 possessions, and may be executed by civil officers as
13 prescribed by the laws of the place where the witness or
14 evidence is located or of the United States.

§15-1E-47. Refusal to appear or testify.

1 (a) Any person not subject to this article who:

2 (1) Has been duly subpoenaed to appear as a witness or
3 to produce books and records before a court-martial or court

4 of inquiry, or before any military or civil officer designated
5 to take a deposition to be read in evidence before such a
6 court;

7 (2) Has been duly paid or tendered the fees and mileage
8 of a witness at the rates allowed to witnesses attending a
9 criminal court of the state; and

10 (3) Willfully neglects or refuses to appear, or refuses to
11 qualify as a witness or to testify or to produce any evidence
12 which that person may have been legally subpoenaed to
13 produce; may be punished by the military court in the same
14 manner as a criminal court of the state.

15 (b) The fees and mileage of witnesses shall be advanced
16 or paid out of the appropriations for the compensation of
17 witnesses.

§15-1E-48. Contempts.

1 A military judge or summary court-martial officer may
2 punish for contempt any person who uses any menacing
3 word, sign, or gesture in its presence, or who disturbs its
4 proceedings by any riot or disorder.

5 (1) A person subject to this article may be punished for
6 contempt by confinement not to exceed thirty days or a fine
7 of \$100, or both.

8 (2) A person not subject to this article may be punished
9 for contempt by a military court in the same manner as a
10 criminal court of the state.

§15-1E-49. Depositions.

1 (a) At any time after charges have been signed as
2 provided in section thirty of this article, any party may take

3 oral or written depositions unless the military judge or
4 summary court-martial officer hearing the case or, if the case
5 is not being heard, an authority competent to convene a
6 court-martial for the trial of those charges forbids it for good
7 cause.

8 (b) The party at whose instance a deposition is to be
9 taken shall give to every other party reasonable written notice
10 of the time and place for taking the deposition.

11 (c) Depositions may be taken before and authenticated by
12 any military or civil officer authorized by the laws of the
13 state or by the laws of the place where the deposition is taken
14 to administer oaths.

15 (d) A duly authenticated deposition taken upon
16 reasonable notice to the other parties, so far as otherwise
17 admissible under the rules of evidence, may be read in
18 evidence or, in the case of audiotape, videotape, digital image
19 or file, or similar material, may be played in evidence before
20 any military court, if it appears:

21 (1) That the witness resides or is beyond the state in
22 which the court is ordered to sit, or beyond one hundred
23 miles from the place of trial or hearing;

24 (2) That the witness by reason of death, age, sickness,
25 bodily infirmity, imprisonment, military necessity, non
26 amenability to process, or other reasonable cause, is unable
27 or refuses to appear and testify in person at the place of trial
28 or hearing; or

29 (3) That the present whereabouts of the witness is
30 unknown.

§15-1E-50. Admissibility of records of courts of inquiry.

1 (a) In any case not extending to the dismissal of a
2 commissioned officer, the sworn testimony, contained in the
3 duly authenticated record of proceedings of a court of
4 inquiry, of a person whose oral testimony cannot be obtained,
5 may, if otherwise admissible under the rules of evidence, be
6 read in evidence by any party before a court-martial if the
7 accused was a party before the court of inquiry and if the
8 same issue was involved or if the accused consents to the
9 introduction of such evidence.

10 (b) Such testimony may be read in evidence only by the
11 defense in cases extending to the dismissal of a
12 commissioned officer.

13 (c) Such testimony may also be read in evidence before
14 a court of inquiry.

§15-1E-50a. Defense of lack of mental responsibility.

1 (a) It is an affirmative defense in a trial by court-martial
2 that, at the time of the commission of the acts constituting the
3 offense, the accused, as a result of a severe mental disease or
4 defect, was unable to appreciate the nature and quality or the
5 wrongfulness of the acts. Mental disease or defect does not
6 otherwise constitute a defense.

7 (b) The accused has the burden of proving the defense of
8 lack of mental responsibility by clear and convincing
9 evidence.

10 (c) Whenever lack of mental responsibility of the accused
11 with respect to an offense is properly at issue, the military
12 judge shall instruct the members of the court as to the defense
13 of lack of mental responsibility under this section and charge
14 them to find the accused:

15 (1) Guilty;

16 (2) Not guilty; or

17 (3) Not guilty only by reason of lack of mental
18 responsibility.

19 (d) Subsection (c) does not apply to a court-martial
20 composed of a military judge only. In the case of a court-
21 martial composed of a military judge only or a summary
22 court-martial officer, whenever lack of mental responsibility
23 of the accused with respect to an offense is properly at issue,
24 the military judge or summary court-martial officer shall find
25 the accused:

26 (1) Guilty;

27 (2) Not guilty; or

28 (3) Not guilty only by reason of lack of mental
29 responsibility.

30 (e) Notwithstanding the provisions of section fifty-two of
31 this article, the accused shall be found not guilty only by
32 reason of lack of mental responsibility if:

33 (1) A majority of the members of the court-martial
34 present at the time the vote is taken determines that the
35 defense of lack of mental responsibility has been established;
36 or

37 (2) In the case of a court-martial composed of a military
38 judge only or a summary court-martial officer, the military
39 judge or summary court-martial officer determines that the
40 defense of lack of mental responsibility has been established.

§15-1E-51. Voting and rulings.

1 (a) Voting by members of a general or special court-
2 martial on the findings and on the sentence shall be by secret

3 written ballot. The junior member of the court shall count
4 the votes. The count shall be checked by the president, who
5 shall forthwith announce the result of the ballot to the
6 members of the court.

7 (b) The military judge shall rule upon all questions of law
8 and all interlocutory questions arising during the
9 proceedings. Any such ruling made by the military judge
10 upon any question of law or any interlocutory question other
11 than the factual issue of mental responsibility of the accused
12 is final and constitutes the ruling of the court. However, the
13 military judge may change the ruling at any time during the
14 trial. Unless the ruling is final, if any member objects
15 thereto, the court shall be cleared and closed and the question
16 decided by a voice vote as provided in section fifty-two of
17 this article, beginning with the junior in rank.

18 (c) Before a vote is taken on the findings, the military
19 judge shall, in the presence of the accused and counsel,
20 instruct the members of the court as to the elements of the
21 offense and charge them:

22 (1) That the accused must be presumed to be innocent
23 until his or her guilt is established by legal and competent
24 evidence beyond reasonable doubt;

25 (2) That in the case being considered, if there is a or
26 reasonable doubt as to the guilt of the accused, the doubt
27 must be resolved in favor of the accused and the accused
28 must be acquitted;

29 (3) That, if there is a reasonable doubt as to the degree of
30 guilt, the finding must be in a lower degree as to which there
31 is no reasonable doubt; and

32 (4) That the burden of proof to establish the guilt of the
33 accused beyond reasonable doubt is upon the state.

34 (d) Subsections (a), (b), and (c) do not apply to a court-
35 martial composed of a military judge only. The military
36 judge of such a court-martial shall determine all questions of
37 law and fact arising during the proceedings and, if the
38 accused is convicted, adjudge an appropriate sentence. The
39 military judge of such a court-martial shall make a general
40 finding and shall in addition, on request, find the facts
41 specially. If an opinion or memorandum of decision is filed,
42 it will be sufficient if the findings of fact appear therein.

§15-1E-52. Number of votes required.

1 (a) No person may be convicted of an offense except as
2 provided in section forty-two of this article or by the
3 concurrence of two thirds of the members present at the time
4 the vote is taken.

5 (b) All other questions to be decided by the members of
6 a general or special court-martial shall be determined by a
7 majority vote, but a determination to reconsider a finding of
8 guilty or to reconsider a sentence, with a view toward
9 decreasing it, may be made by any lesser vote which
10 indicates that the reconsideration is not opposed by the
11 number of votes required for that finding or sentence. A tie
12 vote on a challenge disqualifies the member challenged. A
13 tie vote on a motion relating to the question of the accused's
14 sanity is a determination against the accused. A tie vote on
15 any other question is a determination in favor of the accused.

§15-1E-53. Court to announce action.

1 A court-martial shall announce its findings and sentence
2 to the parties as soon as determined.

§15-1E-54. Record of trial.

1 (a) Each general and special court-martial shall keep a
2 separate record of the proceedings in each case brought

3 before it, and the record shall be authenticated by the
4 signature of the military judge. If the record cannot be
5 authenticated by the military judge by reason of his or her
6 death, disability, or absence, it shall be authenticated by the
7 signature of the trial counsel or by that of a member, if the
8 trial counsel is unable to authenticate it by reason of his or
9 her death, disability, or absence. In a court-martial consisting
10 of only a military judge, the record shall be authenticated by
11 the court reporter under the same conditions which would
12 impose such a duty on a member under this subsection.

13 (b) (1) A complete verbatim record of the proceedings
14 and testimony shall be prepared in each general and special
15 court-martial case resulting in a conviction.

16 (2) In all other court-martial cases, the record shall
17 contain such matters as may be prescribed by regulations.

18 (c) Each summary court-martial shall keep a separate
19 record of the proceedings in each case, and the record shall
20 be authenticated in the manner as may be prescribed by
21 regulations.

22 (d) A copy of the record of the proceedings of each
23 general and special court-martial shall be given to the
24 accused as soon as it is authenticated.

PART VIII. SENTENCES.

§15-1E-55. Cruel and unusual punishments prohibited.

1 Punishment by flogging, or by branding, marking, or
2 tattooing on the body, or any other cruel or unusual
3 punishment may not be adjudged by a court-martial or
4 inflicted upon any person subject to this article. The use of
5 irons, single or double, except for the purpose of safe
6 custody, is prohibited.

§15-1E-56. Maximum limits.

1 (a) The punishment which a court-martial may direct for
2 an offense may not exceed such limits as prescribed by this
3 article, but in no instance may a sentence exceed more than
4 ten years for a military offense, nor shall a sentence of death
5 be adjudged. A conviction by general court-martial of any
6 military offense for which an accused may receive a sentence
7 of confinement for more than one year is a felony offense.
8 Except for convictions by a summary court-martial, all other
9 military offenses are misdemeanors. Any conviction by a
10 summary court-martial is not a criminal conviction.

11 (b) The limits of punishment for violations of the punitive
12 articles prescribed herein shall be lesser of the sentences
13 prescribed by the manual for courts-martial of the United
14 States in effect on January 1, 2004, and the state manual for
15 courts-martial, but in no instance shall any punishment
16 exceed that authorized by this article.

§15-1E-57. Effective date of sentences.

1 (a) Whenever a sentence of a court-martial as lawfully
2 adjudged and approved includes a forfeiture of pay or
3 allowances in addition to confinement not suspended, the
4 forfeiture may apply to pay or allowances becoming due on
5 or after the date the sentence is approved by the convening
6 authority. No forfeiture may extend to any pay or allowances
7 accrued before that date.

8 (b) Any period of confinement included in a sentence of
9 a court-martial begins to run from the date the sentence is
10 adjudged by the court-martial, but periods during which the
11 sentence to confinement is suspended or deferred shall be
12 excluded in computing the service of the term of
13 confinement.

14 (c) All other sentences of courts-martial are effective on
15 the date ordered executed.

§15-1E-57a. Deferment of sentences.

1 (a) On application by an accused who is under sentence
2 to confinement that has not been ordered executed, the
3 convening authority or, if the accused is no longer under that
4 person's jurisdiction, the person exercising general court-
5 martial jurisdiction over the command to which the accused
6 is currently assigned, may in that person's sole discretion
7 defer service of the sentence to confinement. The deferment
8 shall terminate when the sentence is ordered executed. The
9 deferment may be rescinded at any time by the person who
10 granted it or, if the accused is no longer under that person's
11 jurisdiction, by the person exercising general court-martial
12 jurisdiction over the command to which the accused is
13 currently assigned.

14 (b)(1) In any case in which a court-martial sentences an
15 accused referred to in subdivision (2) of this subsection, to
16 confinement, the convening authority may defer the service
17 of the sentence to confinement, without the consent of the
18 accused, until after the accused has been permanently
19 released to the state military forces by a state, the United
20 States, or a foreign country referred to in that subdivision.

21 (2) Subdivision (1) of this subsection applies to a person
22 subject to this article who:

23 (A) While in the custody of a state, the United States, or
24 a foreign country is temporarily returned by that state, the
25 United States, or a foreign country to the state military forces
26 for trial by court-martial; and

27 (B) After the court-martial, is returned to that state, the
28 United States, or a foreign country under the authority of a
29 mutual agreement or treaty, as the case may be.

30 (3) In this subsection, the term “state” includes the
31 District of Columbia and any Commonwealth, Territory, or
32 possession of the United States.

33 (c) In any case in which a court-martial sentences an
34 accused to confinement and the sentence to confinement has
35 been ordered executed, but in which review of the case under
36 subsection (a), section sixty-seven of this article is pending,
37 the Adjutant General may defer further service of the
38 sentence to confinement while that review is pending.

§15-1E-58. Execution of confinement.

1 (a) A sentence of confinement adjudged by a court-
2 martial, whether or not the sentence includes discharge or
3 dismissal, and whether or not the discharge or dismissal has
4 been executed, may be carried into execution by confinement
5 in any place authorized by this article. Persons so confined
6 are subject to the same discipline and treatment as persons
7 regularly confined or committed to that place of confinement.

8 (b) The omission of “hard labor” as a sentence authorized
9 under this article does not deprive the state confinement
10 facility from employing it, if it otherwise is within the
11 authority of that facility to do so.

12 (c) No place of confinement may require payment of any
13 fee or charge for so receiving or confining a person except as
14 otherwise provided by law.

§15-1E-58a. Sentences: reduction in enlisted grade upon approval.

1 (a) A court-martial sentence of an enlisted member in a
2 pay grade above E-1, as approved by the convening
3 authority, that includes:

4 (1) A dishonorable or bad-conduct discharge; or

5 (2) Confinement; reduces that member to pay grade E-1,
6 effective on the date of that approval.

7 (b) If the sentence of a member who is reduced in pay
8 grade under subsection (a) is set aside or disapproved, or, as
9 finally approved, does not include any punishment named in
10 subsection (a), the rights and privileges of which the person
11 was deprived because of that reduction shall be restored,
12 including pay and allowances.

**§15-1E-58b. Sentences: forfeiture of pay and allowances during
confinement.**

1 (a)(1) A court-martial sentence described in subdivision
2 (2) of this subsection shall result in the forfeiture of pay, or
3 of pay and allowances, due that member during any period of
4 confinement or parole. The forfeiture pursuant to this section
5 shall take effect on the date determined under subsection (a),
6 section fifty-seven of this article and may be deferred as
7 provided by that section. The pay and allowances forfeited,
8 in the case of a general court-martial, shall be all pay and
9 allowances due that member during such period and, in the
10 case of a special court-martial, shall be two-thirds of all pay
11 due that member during such period.

12 (2) A sentence covered by this section is any sentence
13 that includes:

14 (A) Confinement for more than six months; or

15 (B) Confinement for six months or less and a
16 dishonorable or bad-conduct discharge or dismissal.

17 (b) In a case involving an accused who has dependents,
18 the convening authority or other person acting under section

19 sixty of this article may waive any or all of the forfeitures of
20 pay and allowances required by subsection (a) for a period
21 not to exceed six months. Any amount of pay or allowances
22 that, except for a waiver under this subsection, would be
23 forfeited shall be paid, as the convening authority or other
24 person taking action directs, to the dependents of the accused.

25 (c) If the sentence of a member who forfeits pay and
26 allowances under subsection (a) is set aside or disapproved
27 or, as finally approved, does not provide for a punishment
28 referred to in subdivision (2), subsection (a), the member
29 shall be paid the pay and allowances which the member
30 would have been paid, except for the forfeiture, for the period
31 during which the forfeiture was in effect.

PART IX. POST-TRIAL PROCEDURE AND REVIEW OF
COURTS-MARTIAL.

§15-1E-59. Error of law; lesser included offense.

1 (a) A finding or sentence of a court-martial may not be
2 held incorrect on the ground of an error of law unless the
3 error materially prejudices the substantial rights of the
4 accused.

5 (b) Any reviewing authority with the power to approve or
6 affirm a finding of guilty may approve or affirm, instead, so
7 much of the finding as includes a lesser included offense.

§15-1E-60. Action by the convening authority.

1 (a) The findings and sentence of a court-martial shall be
2 reported promptly to the convening authority after the
3 announcement of the sentence.

4 (b)(1) The accused may submit to the convening
5 authority matters for consideration by the convening

6 authority with respect to the findings and the sentence. Any
7 such submission shall be in writing. Except in a summary
8 court-martial case, such a submission shall be made within
9 ten days after the accused has been given an authenticated
10 record of trial and, if applicable, the recommendation of a
11 judge advocate under subsection (d). In a summary court-
12 martial case, such a submission shall be made within seven
13 days after the sentence is announced.

14 (2) If the accused shows that additional time is required
15 for the accused to submit such matters, the convening
16 authority or other person taking action under this section, for
17 good cause, may extend the applicable period under
18 subdivision (1) for not more than an additional twenty days.

19 (3) In a summary court-martial case, the accused shall be
20 promptly provided a copy of the record of trial for use in
21 preparing a submission authorized by subdivision (1).

22 (4) The accused may waive the right to make a
23 submission to the convening authority under subdivision (1).
24 Such a waiver must be made in writing and may not be
25 revoked. For the purposes of subdivision (2), subsection (c),
26 the time within which the accused may make a submission
27 under this subsection shall be deemed to have expired upon
28 the submission of such a waiver to the convening authority.

29 (c)(1) The authority under this section to modify the
30 findings and sentence of a court-martial is a matter of
31 command prerogative involving the sole discretion of the
32 convening authority. If it is impractical for the convening
33 authority to act, the convening authority shall forward the
34 case to a person exercising general court-martial jurisdiction
35 who may take action under this section.

36 (2) Action on the sentence of a court-martial shall be
37 taken by the convening authority or by another person

38 authorized to act under this section. Such action may be
39 taken only after consideration of any matters submitted by
40 the accused under subsection (b) or after the time for
41 submitting such matters expires, whichever is earlier. The
42 convening authority or other person taking such action, in
43 that person's sole discretion may approve, disapprove,
44 commute, or suspend the sentence in whole or in part.

45 (3) Action on the findings of a court-martial by the
46 convening authority or other person acting on the sentence is
47 not required. However, such person, in the person's sole
48 discretion may:

49 (A) Dismiss any charge or specification by setting aside
50 a finding of guilty thereto; or

51 (B) Change a finding of guilty to a charge or specification
52 to a finding of guilty to an offense that is a lesser included
53 offense of the offense stated in the charge or specification.

54 (d) Before acting under this section on any general or
55 special court-martial case in which there is a finding of guilt,
56 the convening authority or other person taking action under
57 this section shall obtain and consider the written
58 recommendation of a judge advocate. The convening
59 authority or other person taking action under this section
60 shall refer the record of trial to the judge advocate, and the
61 judge advocate shall use such record in the preparation of the
62 recommendation. The recommendation of the judge advocate
63 shall include such matters as may be prescribed by regulation
64 and shall be served on the accused, who may submit any
65 matter in response under subsection (b). Failure to object in
66 the response to the recommendation or to any matter attached
67 to the recommendation waives the right to object thereto.

68 (e)(1) The convening authority or other person taking
69 action under this section, in the person's sole discretion, may
70 order a proceeding in revision or a rehearing.

71 (2) A proceeding in revision may be ordered if there is an
72 apparent error or omission in the record or if the record
73 shows improper or inconsistent action by a court-martial with
74 respect to the findings or sentence that can be rectified
75 without material prejudice to the substantial rights of the
76 accused. In no case, however, may a proceeding in revision:

77 (A) Reconsider a finding of not guilty of any
78 specification or a ruling which amounts to a finding of not
79 guilty;

80 (B) Reconsider a finding of not guilty of any charge,
81 unless there has been a finding of guilty under a specification
82 laid under that charge, which sufficiently alleges a violation
83 of some section of this article; or

84 (C) Increase the severity of the sentence unless the
85 sentence prescribed for the offense is mandatory.

86 (3) A rehearing may be ordered by the convening
87 authority or other person taking action under this section if
88 that person disapproves the findings and sentence and states
89 the reasons for disapproval of the findings. If such person
90 disapproves the findings and sentence and does not order a
91 rehearing, that person shall dismiss the charges. A rehearing
92 as to the findings may not be ordered where there is a lack of
93 sufficient evidence in the record to support the findings. A
94 rehearing as to the sentence may be ordered if the convening
95 authority or other person taking action under this subsection
96 disapproves the sentence.

§15-1E-61. Withdrawal of appeal.

1 (a) In each case subject to appellate review under this
2 article, the accused may file with the convening authority a
3 statement expressly withdrawing the right of the accused to
4 such appeal. Such a withdrawal shall be signed by both the

5 accused and his or her defense counsel and must be filed in
6 accordance with appellate procedures as provided by law.

7 (b) The accused may withdraw an appeal at any time in
8 accordance with appellate procedures as provided by law.

§15-1E-62. Appeal by the state.

1 (a)(1) In a trial by court-martial in which a punitive
2 discharge may be adjudged, the state may appeal the
3 following, other than a finding of not guilty with respect to
4 the charge or specification by the members of the court-
5 martial, or by a judge in a bench trial so long as it is not made
6 in reconsideration:

7 (A) An order or ruling of the military judge which
8 terminates the proceedings with respect to a charge or
9 specification.

10 (B) An order or ruling which excludes evidence that is
11 substantial proof of a fact material in the proceeding.

12 (C) An order or ruling which directs the disclosure of
13 classified information.

14 (D) An order or ruling which imposes sanctions for
15 nondisclosure of classified information.

16 (E) A refusal of the military judge to issue a protective
17 order sought by the state to prevent the disclosure of
18 classified information.

19 (F) A refusal by the military judge to enforce an order
20 described in paragraph (E) that has previously been issued by
21 appropriate authority.

22 (2) An appeal of an order or ruling may not be taken
23 unless the trial counsel provides the military judge with
24 written notice of appeal from the order or ruling within
25 seventy-two hours of the order or ruling. Such notice shall
26 include a certification by the trial counsel that the appeal is
27 not taken for the purpose of delay and, if the order or ruling
28 appealed is one which excludes evidence, that the evidence
29 excluded is substantial proof of a fact material in the
30 proceeding.

31 (3) An appeal under this section shall be diligently
32 prosecuted as provided by law.

33 (b) An appeal under this section shall be forwarded to the
34 court prescribed in section sixty-seven-a of this article. In
35 ruling on an appeal under this article, that court may act only
36 with respect to matters of law.

37 (c) Any period of delay resulting from an appeal under
38 this section shall be excluded in deciding any issue regarding
39 denial of a speedy trial unless an appropriate authority
40 determines that the appeal was filed solely for the purpose of
41 delay with the knowledge that it was totally frivolous and
42 without merit.

§15-1E-63. Rehearings.

1 Each rehearing under this article shall take place before
2 a court-martial composed of members not members of the
3 court-martial which first heard the case. Upon a rehearing
4 the accused may not be tried for any offense of which he or
5 she was found not guilty by the first court-martial, and no
6 sentence in excess of or more severe than the original
7 sentence may be approved, unless the sentence is based upon
8 a finding of guilty of an offense not considered upon the
9 merits in the original proceedings, or unless the sentence
10 prescribed for the offense is mandatory. If the sentence

11 approved after the first court-martial was in accordance with
12 a pretrial agreement and the accused at the rehearing changes
13 a plea with respect to the charges or specifications upon
14 which the pretrial agreement was based, or otherwise does
15 not comply with the pretrial agreement, the approved
16 sentence as to those charges or specifications may include
17 any punishment not in excess of that lawfully adjudged at the
18 first court-martial.

§15-1E-64. Review by the senior force judge advocate.

1 (a) Each general and special court-martial case in which
2 there has been a finding of guilty shall be reviewed by the
3 senior force judge advocate, or a designee. The senior force
4 judge advocate, or designee, may not review a case under this
5 subsection if that person has acted in the same case as an
6 accuser, investigating officer, member of the court, military
7 judge, or counsel or has otherwise acted on behalf of the
8 prosecution or defense. The senior force judge advocate's
9 review shall be in writing and shall contain the following:

10 (1) Conclusions as to whether:

11 (A) The court had jurisdiction over the accused and the
12 offense;

13 (B) The charge and specification stated an offense; and

14 (C) The sentence was within the limits prescribed as a
15 matter of law.

16 (2) A response to each allegation of error made in writing
17 by the accused.

18 (3) If the case is sent for action under subsection (b), a
19 recommendation as to the appropriate action to be taken and
20 an opinion as to whether corrective action is required as a
21 matter of law.

22 (b) The record of trial and related documents in each case
23 reviewed under subsection (a) shall be sent for action to the
24 Adjutant General, if:

25 (1) The judge advocate who reviewed the case
26 recommends corrective action;

27 (2) The sentence approved under subsection (c), section
28 sixty of this article extends to dismissal, a bad-conduct or
29 dishonorable discharge, or confinement for more than six
30 months; or

31 (3) Such action is otherwise required by regulations of
32 the Adjutant General.

33 (c)(1) The Adjutant General may:

34 (A) Disapprove or approve the findings or sentence, in
35 whole or in part;

36 (B) Remit, commute, or suspend the sentence in whole or
37 in part;

38 (C) Except where the evidence was insufficient at the
39 trial to support the findings, order a rehearing on the findings,
40 on the sentence, or on both; or

41 (D) Dismiss the charges.

42 (2) If a rehearing is ordered but the convening authority
43 finds a rehearing impracticable, the convening authority shall
44 dismiss the charges.

45 (3) If the opinion of the senior force judge advocate, or
46 designee, in the senior force judge advocate's review under
47 subsection (a) is that corrective action is required as a matter
48 of law and if the Adjutant General does not take action that
49 is at least as favorable to the accused as that recommended by

50 the judge advocate, the record of trial and action thereon shall
51 be sent to the Governor for review and action as deemed
52 appropriate.

53 (d) The senior force judge advocate, or a designee, may
54 review any case in which there has been a finding of not
55 guilty of all charges and specifications. The senior force
56 judge advocate, or designee, may not review a case under this
57 subsection if that person has acted in the same case as an
58 accuser, investigating officer, member of the court, military
59 judge, or counsel or has otherwise acted on behalf of the
60 prosecution or defense. The senior force judge advocate's
61 review shall be limited to questions of subject matter
62 jurisdiction.

63 (e) The record of trial and related documents in each case
64 reviewed under subsection (d) shall be sent for action to The
65 Adjutant General. The Adjutant General may:

66 (1) When subject matter jurisdiction is found to be
67 lacking, void the court-martial ab initio, with or without
68 prejudice to the Government, as the Adjutant General deems
69 appropriate; or

70 (2) Return the record of trial and related documents to the
71 senior force judge advocate for appeal by the Government as
72 provided by law.

§15-1E-65. Disposition of records after review by the convening authority.

1 Except as otherwise required by this article, all records of
2 trial and related documents shall be transmitted and disposed
3 of as prescribed by regulation and provided by law.

§15-1E-66. Reserved.

§15-1E-67. Reserved.

§15-1E-67a. Review by State Appellate Authority.

1 Decisions of a court-martial are from a court with
2 jurisdiction to issue felony convictions and appeals are to the
3 West Virginia Supreme Court of Appeals. The appellate
4 procedures to be followed shall be those provided by law for
5 the appeal of criminal cases thereto.

§15-1E-68. Reserved.

§15-1E-69. Reserved.

§15-1E-70. Appellate counsel.

1 (a) The senior force judge advocate shall detail a judge
2 advocate as appellate government counsel to represent the
3 state in the review or appeal of cases specified in section
4 sixty-seven-a of this article and before any federal court
5 when requested to do so by the state Attorney General.
6 Appellate government counsel must be a member in good
7 standing of the bar of the highest court of the state to which
8 the appeal is taken.

9 (b) Upon an appeal by the state, an accused has the right
10 to be represented by detailed military counsel before any
11 reviewing authority and before any appellate court.

12 (c) Upon the appeal by an accused, the accused has the
13 right to be represented by military counsel before any
14 reviewing authority.

15 (d) Upon the request of an accused entitled to be so
16 represented, the senior force judge advocate shall appoint a
17 judge advocate to represent the accused in the review or
18 appeal of cases specified in subsections (b) and (c) of this
19 section.

20 (e) An accused may be represented by civilian appellate
21 counsel at no expense to the state.

§15-1E-71. Execution of sentence; suspension of sentence.

1 (a) If the sentence of the court-martial extends to
2 dismissal or a dishonorable or bad-conduct discharge and if
3 the right of the accused to appellate review is not waived, and
4 an appeal is not withdrawn under section sixty-one of this
5 article, that part of the sentence extending to dismissal or a
6 dishonorable or bad-conduct discharge may not be executed
7 until there is a final judgment as to the legality of the
8 proceedings. A judgment as to the legality of the proceedings
9 is final in such cases when review is completed by an
10 appellate court prescribed in section sixty-seven-a of this
11 article, and is deemed final by the law of state where the
12 judgment was had.

13 (b) If the sentence of the court-martial extends to
14 dismissal or a dishonorable or bad conduct discharge and if
15 the right of the accused to appellate review is waived, or an
16 appeal is withdrawn under section sixty-one of this article,
17 that part of the sentence extending to dismissal or a
18 dishonorable or bad-conduct discharge may not be executed
19 until review of the case by the senior force judge advocate
20 and any action on that review under section sixty-four of this
21 article is completed. Any other part of a court-martial
22 sentence may be ordered executed by the convening authority
23 or other person acting on the case under section sixty of this
24 article when so approved under that section.

§15-1E-72. Vacation of suspension.

1 (a) Before the vacation of the suspension of a special
2 court-martial sentence, which as approved includes a bad-
3 conduct discharge, or of any general court-martial sentence,
4 the officer having special court-martial jurisdiction over the
5 probationer shall hold a hearing on an alleged violation of

6 probation. The probationer shall be represented at the
7 hearing by military counsel if the probationer so desires.

8 (b) The record of the hearing and the recommendation of
9 the officer having special court-martial jurisdiction shall be
10 sent for action to the officer exercising general court-martial
11 jurisdiction over the probationer. If the officer vacates the
12 suspension, any unexecuted part of the sentence, except a
13 dismissal, shall be executed, subject to applicable restrictions
14 in this article.

15 (c) The suspension of any other sentence may be vacated
16 by any authority competent to convene, for the command in
17 which the accused is serving or assigned, a court of the kind
18 that imposed the sentence.

§15-1E-73. Petition for a new trial.

1 At any time within two years after approval by the
2 convening authority of a court-martial sentence the accused
3 may petition the Adjutant General for a new trial on the
4 grounds of newly discovered evidence or fraud on the court-
5 martial.

§15-1E-74. Remission and suspension.

1 (a) Any authority competent to convene, for the
2 command in which the accused is serving or assigned, a court
3 of the kind that imposed the sentence may remit or suspend
4 any part or amount of the unexecuted part of any sentence,
5 including all uncollected forfeitures other than a sentence
6 approved by the Governor.

7 (b) The Governor may, for good cause, substitute an
8 administrative form of discharge for a discharge or dismissal
9 executed in accordance with the sentence of a court-martial.

§15-1E-75. Restoration.

1 (a) Under such regulations as may be prescribed, all
2 rights, privileges, and property affected by an executed part
3 of a court-martial sentence which has been set aside or
4 disapproved, except an executed dismissal or discharge, shall
5 be restored unless a new trial or rehearing is ordered and such
6 executed part is included in a sentence imposed upon the new
7 trial or rehearing.

8 (b) If a previously executed sentence of dishonorable or
9 bad-conduct discharge is not imposed on a new trial, the
10 Governor may substitute therefore a form of discharge
11 authorized for administrative issuance unless the accused is
12 to serve out the remainder of the accused's enlistment.

13 (c) If a previously executed sentence of dismissal is not
14 imposed on a new trial, the Governor may substitute
15 therefore a form of discharge authorized for administrative
16 issue, and the commissioned officer dismissed by that
17 sentence may be reappointed by the Governor alone to such
18 commissioned grade and with such rank as in the opinion of
19 the Governor that former officer would have attained had he
20 not been dismissed. The reappointment of such a former
21 officer shall be without regard to the existence of a vacancy
22 and shall affect the promotion status of other officers only
23 insofar as the Governor may direct. All time between the
24 dismissal and the reappointment shall be considered as actual
25 service for all purposes, including the right to pay and
26 allowances.

§15-1E-76. Finality of proceedings, findings, and sentences.

1 The appellate review of records of trial provided by this
2 article, the proceedings, findings, and sentences of courts-
3 martial as approved, reviewed, or affirmed as required by this
4 article, and all dismissals and discharges carried into

5 execution under sentences by courts-martial following
6 approval, review, or affirmation as required by this article,
7 are final and conclusive. Orders publishing the proceedings
8 of courts-martial and all action taken pursuant to those
9 proceedings are binding upon all departments, courts,
10 agencies, and officers of the United States and the several
11 states, subject only to action upon a petition for a new trial as
12 provided in section seventy-three of this article and to action
13 under section seventy-four of this article.

**§15-1E-76a. Leave required to be taken pending review of
certain court-martial convictions.**

1 Under regulations prescribed, an accused who has been
2 sentenced by a court-martial may be required to take leave
3 pending completion of action under this section if the
4 sentence, as approved under section sixty of this article,
5 includes an unsuspended dismissal or an unsuspended
6 dishonorable or bad-conduct discharge. The accused may be
7 required to begin such leave on the date on which the
8 sentence is approved under section sixty of this article or at
9 any time after such date, and such leave may be continued
10 until the date on which action under this section is completed
11 or may be terminated at any earlier time.

**§15-1E-76b. Lack of mental capacity or mental responsibility:
commitment of accused for examination and
treatment.**

1 (a) Persons incompetent to stand trial.

2 (1) In the case of a person determined under this article
3 to be presently suffering from a mental disease or defect
4 rendering the person mentally incompetent to the extent that
5 the person is unable to understand the nature of the
6 proceedings against that person or to conduct or cooperate
7 intelligently in the defense of the case, the general court-

8 martial convening authority for that person shall commit the
9 person to the custody of the Department of Health and
10 Human Resources.

11 (2) The Department of Health and Human Resources
12 shall take action in accordance with the state statute
13 applicable to persons incompetent to stand trial. If at the end
14 of the period for hospitalization provided in the state statute
15 applicable to persons incompetent to stand trial, it is
16 determined that the committed person's mental condition has
17 not so improved as to permit the trial to proceed, action shall
18 be taken in accordance with the state statute applicable to
19 persons incompetent to stand trial.

20 (3)(A) When the director of a facility in which a person
21 is hospitalized pursuant to subdivision (2) determines that the
22 person has recovered to such an extent that the person is able
23 to understand the nature of the proceedings against the person
24 and to conduct or cooperate intelligently in the defense of the
25 case, the director shall promptly transmit a notification of that
26 determination to the Department of Health and Human
27 Resources and to the general court-martial convening
28 authority for the person. The director shall send a copy of the
29 notification to the person's counsel.

30 (B) Upon receipt of a notification, the general court-
31 martial convening authority shall promptly take custody of
32 the person unless the person covered by the notification is no
33 longer subject to this article. If the person is no longer
34 subject to this article, the Department of Health and Human
35 Resources shall take any action within its authority it
36 considers appropriate regarding the person.

37 (C) The director of the facility may retain custody of the
38 person for not more than thirty days after transmitting the
39 notifications required by subdivision (3), subsection (a).

40 (4) In the application of the state statute applicable to
41 persons incompetent to stand trial to a case under this
42 subsection, references to the court that ordered the
43 commitment of a person, and to the clerk of such court, shall
44 be deemed to refer to the general court-martial convening
45 authority for that person. However, if the person is no longer
46 subject to this article at a time relevant to the application of
47 such section to the person, the state trial court with felony
48 jurisdiction in the county where the person is hospitalized or
49 otherwise may be found shall be considered as the court that
50 ordered the commitment of the person.

51 (b) Persons found not guilty by reason of lack of mental
52 responsibility.

53 (1) If a person is found by a court-martial not guilty only
54 by reason of lack of mental responsibility, the person shall be
55 committed to a suitable facility until the person is eligible for
56 release in accordance with this article.

57 (2) The court-martial shall conduct a hearing on the
58 mental condition in accordance with the state statute
59 applicable to persons incompetent to stand trial.

60 (3) A report of the results of the hearing shall be made to
61 the general court-martial convening authority for the person.

62 (4) If the court-martial fails to find, by the standard
63 specified in the state statute applicable to persons
64 incompetent to stand trial, that the person's release would not
65 create a substantial risk of bodily injury to another person or
66 serious damage of property of another due to a present mental
67 disease or defect:

68 (A) The general court-martial convening authority may
69 commit the person to the custody of the Department of
70 Health and Human Resources; and

71 (B) The Department of Health and Human Resources
72 shall take action in accordance with the state statute
73 applicable to persons incompetent to stand trial.

74 (5) The state statute applicable to persons incompetent to
75 stand trial, shall apply in the case of a person hospitalized
76 pursuant to paragraph (B), subdivision (4), except that the
77 state trial court with felony jurisdiction in the county where
78 the person is hospitalized shall be considered as the court that
79 ordered the person's commitment.

80 (c) General provisions.

81 (1) Except as otherwise provided in this subsection and
82 subdivision (1), subsection (d), the state statute most closely
83 comparable to 18 U.S.C. 4247(d), apply in the administration
84 of this section.

85 (2) In the application of the state statute most closely
86 comparable to 18 U.S.C. 4247(d), to hearings conducted by
87 a court-martial under this section or by order of a general
88 court-martial convening authority under this article, the
89 reference in that section to article 3006A of such title does
90 not apply.

91 (d) Applicability.

92 (1) The state statute most closely comparable to chapter
93 313 of title 18, United States Code, [10 U.S.C. § 4241 et seq.]
94 referred to in this section apply according to the provisions of
95 this section notwithstanding article 4247(j) of title 18.

96 (2) If the status of a person as described in section two of
97 this article, terminates while the person is, pursuant to this
98 section, in the custody of the Department of Health and
99 Human Resources, hospitalized, or on conditional release

100 under a prescribed regimen of medical, psychiatric, or
101 psychological care or treatment, the provisions of this section
102 establishing requirements and procedures regarding a person

6 exercising general court-martial jurisdiction over the officer

7 against whom it is made. The officer exercising general
8 court-martial jurisdiction shall examine into the complaint
9 and take proper measures for redressing the wrong
10 complained of; and shall, as soon as possible, send to the
11 Adjutant General a true statement of that complaint, with the
12 proceedings had thereon.

§15-1E-139. Redress of injuries to property.

1 (a) Whenever complaint is made to any commanding
2 officer that willful damage has been done to the property of
3 any person or that the person's property has been wrongfully
4 taken by members of the state military forces, that person
5 may, under such regulations prescribed, convene a board to
6 investigate the complaint. The board shall consist of from
7 one to three commissioned officers and, for the purpose of
8 that investigation, it has power to summon witnesses and
9 examine them upon oath, to receive depositions or other
10 documentary evidence, and to assess the damages sustained
11 against the responsible parties. The assessment of damages
12 made by the board is subject to the approval of the
13 commanding officer, and in the amount approved by that
14 officer shall be charged against the pay of the offenders. The
15 order of the commanding officer directing charges herein
16 authorized is conclusive on any disbursing officer for
17 payment to the injured parties of the damages so assessed and
18 approved.

19 (b) If the offenders cannot be ascertained, but the
20 organization or detachment to which they belong is known,
21 charges totaling the amount of damages assessed and
22 approved may be made in such proportion as may be
23 considered just upon the individual members thereof who are
24 shown to have been present at the scene at the time the
25 damages complained of were inflicted, as determined by the
26 approved findings of the board.

§15-1E-140. Delegation by the Governor.

1 The Governor may delegate any authority vested in the
2 Governor under this article, and provide for the sub
3 delegation of any such authority, except the power given the
4 Governor by section twenty-two of this article.

§15-1E-141. Payment of fees, costs and expenses.

1 (a) The fees and authorized travel expenses of all
2 witnesses, experts, victims, court reporters and interpreters,
3 fees for the service of process, the costs of collection,
4 apprehension, detention and confinement, and all other
5 necessary expenses of prosecution and the administration of
6 military justice, not otherwise payable by any other source,
7 shall be paid out of the military justice fund.

8 (b) For the foregoing purposes, there is created in the
9 State Treasury a special revenue account, designated the
10 Military Justice Fund that shall be administered by the
11 Adjutant General, from which expenses of military justice
12 shall be paid in the amounts and manner as prescribed by
13 law. The Legislature may appropriate and have deposited in
14 the Military Justice Fund such funds as it deems necessary to
15 carry out the purposes of this article.

§15-1E-142. Payment of fines and disposition thereof.

1 (a) Fines imposed by a military court or through
2 imposition of nonjudicial punishment may be paid to the state
3 and delivered to the court or imposing officer, or to a person
4 executing their process. Fines may be collected in the
5 following manner:

6 (1) By cash or money order;

7 (2) By credit or debit cards in accordance with rules
8 promulgated by the Adjutant General. Any charges made by

9 the credit company shall be paid by the person responsible
10 for paying the fine or costs;

11 (3) By retention of any pay or allowances due or to
12 become due the person fined from any state or the United
13 States;

14 (4) By garnishment or levy, together with costs, on the
15 wages, goods, and chattels of a person delinquent in paying
16 a fine, as provided by law.

17 (b) Unless otherwise required by law, a military court
18 may collect a portion of any costs or fines at the time the
19 amount is imposed by the court so long as the court requires
20 the balance to be paid in accordance with a payment plan
21 which specifies:

22 (1) The number of payments to be made;

23 (2) The dates on which the payments are due; and

24 (3) The amounts due for each payment. The written
25 agreement represents the minimum payments and the last
26 date those payments may be made. The obligor or the
27 obligor's agent may accelerate the payment schedule at any
28 time by paying any additional portion of any costs or fines.

29 (c) If any costs or fines imposed by a military court or
30 through nonjudicial punishment in a case are not paid within
31 one hundred eighty days from the date of judgment and the
32 expiration of any stay of execution, the Adjutant General may
33 notify the Commissioner of the Division of Motor Vehicles
34 of the failure to pay: *Provided*, That in a case in which a
35 person is a nonresident of this state and is assessed a fine or
36 costs by a military court or through nonjudicial punishment,
37 the Adjutant General may notify the Division of Motor
38 Vehicles of the failure to pay within eighty days from the
39 date of judgment and expiration of any stay of execution.

40 Upon notice, the Division of Motor Vehicles shall suspend
41 any privilege the person defaulting on payment may have to
42 operate a motor vehicle in this state, including any driver's
43 license issued to the person by the Division of Motor
44 Vehicles, until all costs or fines are paid in full: *Provided,*
45 *however,* That any person who has had his or her license to
46 operate a motor vehicle in this state suspended pursuant to
47 this subsection and his or her failure to pay is based upon
48 inability to pay, may, if he or she is employed on a full or
49 part-time basis, petition to the Adjutant General for an order
50 authorizing him or her to operate a motor vehicle solely for
51 employment purposes. Upon a showing satisfactory to the
52 Adjutant General of inability to pay, employment and
53 compliance with other applicable motor vehicle laws, the
54 Adjutant General shall issue an order granting relief.

55 (d) Any sum so received or retained shall be deposited in
56 the Military Justice Fund or to whomever the court so directs.

§15-1E-143. Uniformity of interpretation.

1 This article shall be so construed as to effectuate its
2 general purpose to make it uniform, so far as practical, with
3 the Uniform Code of Military Justice, chapter 47 of title 10,
4 United States Code.

§15-1E-144. Immunity for action of military courts.

1 All persons acting under the provisions of this article,
2 whether as a member of the military or as a civilian, shall be
3 immune from any personal liability for any of the acts or
4 omissions which they did or failed to do as part of their duties
5 under this article.

§15-1E-145. Reserved.

§15-1E-146. Short Title.

1 This article may be cited as the “Uniform State Code of
2 Military Justice (USCMJ).”

§15-1E-148. Supersedes existing state military justice codes.

1 Upon enactment and the effective date, this law
2 supersedes all existing statutes, ordinances, directives, rules,
3 regulations, orders and other laws in the state covered by the
4 subject matter of this law, and all such statutes, ordinances,
5 directives, rules, regulations, orders and other laws are
6 hereby repealed.

**ARTICLE 19. MUNICIPAL AND COUNTY WATERWORKS
AND ELECTRIC POWER SYSTEMS.**

§8-19-12a. Deposit required for new customers; lien for delinquent service rates and charges; failure to cure delinquency; payment from deposit; reconnecting deposit; return of deposit; liens; civil actions; deferral of filing fees and costs in magistrate court action; limitations with respect to foreclosure.

- 1 (a)(1) Whenever any rates and charges for water services
- 2 or facilities furnished remain unpaid for a period of twenty
- 3 days after the same become due and payable, the property
- 4 and the owner thereof, as well as the user of the services and
- 5 facilities provided, shall be delinquent and the owner, user
- 6 and property shall be held liable at law until such time as all
- 7 such rates and charges are fully paid. When a payment has
- 8 become delinquent, the municipality may utilize any funds
- 9 held as a security deposit to satisfy the delinquent payment.

10 All new applicants for service shall indicate to the
11 municipality or governing body whether they are an owner or
12 tenant with respect to the service location.

13 (2) The municipality or governing body, but only one of
14 them, may collect from all new applicants for service a
15 deposit of \$50 or two twelfths of the average annual usage of
16 the applicant's specific customer class, whichever is greater,
17 to secure the payment of water service rates, fees and charges
18 in the event they become delinquent as provided in this
19 section. In any case where a deposit is forfeited to pay
20 service rates, fees and charges which were delinquent and the
21 user's service is disconnected or terminated, no reconnection
22 or reinstatement of service may be made by the municipality
23 or governing body until another deposit equal to \$50 or a sum
24 equal to two twelfths of the average usage for the applicant's
25 specific customer class, whichever is greater, is remitted to
26 the municipality or governing body. After twelve months of
27 prompt payment history, the municipality or governing body
28 shall return the deposit to the customer or credit the
29 customer's account with interest at a rate as the Public
30 Service Commission may prescribe: *Provided*, That where
31 the customer is a tenant, the municipality or governing body
32 is not required to return the deposit until the time the tenant
33 discontinues service with the municipality or governing body.
34 Whenever any rates, fees, rentals or charges for services or
35 facilities furnished remain unpaid for a period of twenty days
36 after the same become due and payable, the user of the
37 services and facilities provided is delinquent and the user is
38 liable at law until all rates, fees and charges are fully paid.
39 The municipality or governing body may, under reasonable
40 rules promulgated by the Public Service Commission, shut
41 off and discontinue water services to a delinquent user of
42 water facilities ten days after the water services become
43 delinquent regardless of whether the municipality or
44 governing body utilizes the security deposit to satisfy any
45 delinquent payments: *Provided, however*, That nothing

46 contained within the rules of the Public Service Commission
47 shall be deemed to require any agents or employees of the
48 municipality or governing body to accept payment at the
49 customer's premises in lieu of discontinuing service for a
50 delinquent bill.

51 (b) All rates or charges for water service whenever
52 delinquent shall be liens of equal dignity, rank and priority
53 with the lien on such premises of state, county, school and
54 municipal taxes for the amount thereof upon the real property
55 served, and the municipality shall have plenary power and
56 authority from time to time to enforce such lien in a civil
57 action to recover the money due for such services rendered
58 plus court fees and costs and a reasonable attorney's fee:
59 *Provided*, That an owner of real property may not be held
60 liable for the delinquent rates or charges for services or
61 facilities of a tenant, nor shall any lien attach to real property
62 for the reason of delinquent rates or charges for services or
63 facilities of a tenant of such real property, unless the owner
64 has contracted directly with the municipality to purchase such
65 services or facilities.

66 (c) Municipalities are hereby granted a deferral of filing
67 fees or other fees and costs incidental to the bringing and
68 maintenance of an action in magistrate court for the
69 collection of the delinquent rates and charges. If the
70 municipality collects the delinquent account, plus fees and
71 costs, from its customer or other responsible party, the
72 municipality shall pay to the magistrate court the filing fees
73 or other fees and costs which were previously deferred.

74 (d) No municipality may foreclose upon the premises
75 served by it for delinquent rates or charges for which a lien
76 is authorized by this section except through the bringing and
77 maintenance of a civil action for such purpose brought in the
78 circuit court of the county wherein the municipality lies. In
79 every such action, the court shall be required to make a

80 finding based upon the evidence and facts presented that the
81 municipality had exhausted all other remedies for the
82 collection of debts with respect to such delinquencies prior to
83 the bringing of such action. In no event shall foreclosure
84 procedures be instituted by any municipality or on its behalf
85 unless such delinquency had been in existence or continued
86 for a period of two years from the date of the first such
87 delinquency for which foreclosure is being sought.

ARTICLE 20. COMBINED SYSTEMS.

§8-20-10. Power and authority of municipality to enact ordinances and make rules and fix rates, fees or charges; deposit required for new customers; change in rates, fees or charges; failure to cure delinquency; delinquent rates, discontinuance of service; reconnecting deposit; return of deposit; fees or charges as liens; civil action for recovery thereof; deferral of filing fees and costs in magistrate court action; limitations with respect to foreclosure.

1 (a)(1) The governing body of a municipality availing
2 itself of the provisions of this article shall have plenary power
3 and authority to make, enact and enforce all necessary rules
4 for the repair, maintenance, operation and management of the
5 combined system of the municipality and for the use thereof.
6 The governing body of a municipality also has the plenary
7 power and authority to make, enact and enforce all necessary
8 rules and ordinances for the care and protection of any such
9 system for the health, comfort and convenience of the public,
10 to provide a clean water supply, to provide properly treated
11 sewage insofar as it is reasonably possible to do and, if
12 applicable, to properly collecting and controlling the
13 stormwater as is reasonably possible to do: *Provided*, That no
14 municipality may make, enact or enforce any rule, regulation
15 or ordinance regulating any highways, road or drainage

16 easements or storm water facilities constructed, owned or
17 operated by the West Virginia Division of Highways.

18 (2) A municipality has the plenary power and authority
19 to charge the users for the use and service of a combined
20 system and to establish required deposits, rates, fees or
21 charges for such purpose. Separate deposits, rates, fees or
22 charges may be fixed for the water and sewer services
23 respectively and, if applicable, the stormwater services, or
24 combined rates, fees or for the combined water and sewer
25 services, and, if applicable, the storm water services. Such
26 deposits, rates, fees or charges, whether separate or
27 combined, shall be sufficient at all times to pay the cost of
28 repair, maintenance and operation of the combined system,
29 provide an adequate reserve fund, an adequate depreciation
30 fund and pay the principal and interest upon all revenue
31 bonds issued under this article. Deposits, rates, fees or
32 charges shall be established, revised and maintained by
33 ordinance and become payable as the governing body may
34 determine by ordinance. The rates, fees or charges shall be
35 changed, from time to time, as necessary, consistent with the
36 provisions of this article.

37 (3) All new applicants for service shall indicate to the
38 municipality or governing body whether they are an owner or
39 tenant with respect to the service location. An entity
40 providing stormwater service shall provide a tenant a report
41 of the stormwater fee charged for the entire property and, if
42 appropriate, that portion of the fee to be assessed to the
43 tenant.

44 (4) The municipality or governing body, but only one of
45 them, may collect from all new applicants for service a
46 deposit of \$100 or two twelfths of the average annual usage
47 of the applicant's specific customer class, whichever is
48 greater, to secure the payment of water and sewage service
49 rates, fees and charges in the event they become delinquent

50 as provided in this section. In any case where a deposit is
51 forfeited to pay service rates, fees and charges which were
52 delinquent and the user's service is disconnected or
53 terminated, service may not be reconnected or reinstated by
54 the municipality or governing body until another deposit
55 equal to \$100 or a sum equal to two twelfths of the average
56 usage for the applicant's specific customer class, whichever
57 is greater, is remitted to the municipality or governing body.
58 After twelve months of prompt payment history, the
59 municipality or governing body shall return the deposit to the
60 customer or credit the customer's account with interest at a
61 rate to be set by the Public Service Commission: *Provided,*
62 That where the customer is a tenant, the municipality or
63 governing body is not required to return the deposit until the
64 time the tenant discontinues service with the municipality
65 governing body. Whenever any rates, fees, rentals or charges
66 for services or facilities furnished remain unpaid for a period
67 of twenty days after they become due, the user of the services
68 and facilities provided is delinquent and the user is liable at
69 law until all rates, fees and charges are fully paid. The
70 municipality or governing body may terminate water services
71 to a delinquent user of either water or sewage facilities, or
72 both, ten days after the water or sewage services become
73 delinquent regardless of whether the governing body utilizes
74 the security deposit to satisfy any delinquent payments:
75 *Provided, however,* That any termination of water service
76 must comply with all rules and orders of the Public Service
77 Commission: *Provided further,* That nothing contained
78 within the rules of the Public Service Commission shall be
79 deemed to require any agents or employees of the
80 municipality or governing body to accept payment at the
81 customer's premises in lieu of discontinuing service for a
82 delinquent bill.

83 (b) Whenever any rates, fees or charges for services or
84 facilities furnished remain unpaid for a period of twenty days
85 after they become due, the user of the services and facilities

86 provided shall be delinquent and the municipality or
87 governing body may apply any deposit against any
88 delinquent fee. The user is liable until such time as all rates,
89 fees and charges are fully paid.

90 (c) All rates, fees or charges for water service, sewer
91 service and, if applicable, stormwater service, whenever
92 delinquent, as provided by ordinance of the municipality,
93 shall be liens of equal dignity, rank and priority with the lien
94 on such premises of state, county, school and municipal taxes
95 for the amount thereof upon the real property served. The
96 municipality has the plenary power and authority to enforce
97 such lien in a civil action to recover the money due for
98 services rendered plus court fees and costs and reasonable
99 attorney's fees: *Provided*, That an owner of real property may
100 not be held liable for the delinquent rates, fees or charges for
101 services or facilities of a tenant, nor shall any lien attach to
102 real property for the reason of delinquent rates, fees or
103 charges for services or facilities of a tenant of the real
104 property, unless the owner has contracted directly with the
105 municipality to purchase such services or facilities.

106 (d) Municipalities are hereby granted a deferral of filing
107 fees or other fees and costs incidental to filing an action in
108 magistrate court for collection of the delinquent rates and
109 charges. If the municipality collects the delinquent account,
110 plus fees and costs, from its customer or other responsible
111 party, the municipality shall pay to the magistrate court the
112 filing fees or other fees and costs which were previously
113 deferred.

114 (e) No municipality may foreclose upon the premises
115 served by it for delinquent rates, fees or charges for which a
116 lien is authorized by this section except through a civil action
117 in the circuit court of the county wherein the municipality
118 lies. In every such action, the court shall be required to make
119 a finding based upon the evidence and facts presented that the

120 municipality has exhausted all other remedies for collection
121 of debts with respect to such delinquencies prior to bringing
122 the action. In no event shall foreclosure procedures be
123 instituted by any municipality or on its behalf unless the
124 delinquency has been in existence or continued for a period
125 of two years from the date of the first delinquency for which
126 foreclosure is being sought.

127 (f) Notwithstanding any other provision contained in this
128 article, a municipality which has been designated by the
129 Environmental Protection Agency as an entity to serve a
130 West Virginia Separate Storm Sewer System community, as
131 defined in 40 C.F.R. §122.26, has the authority to enact
132 ordinances or regulations which allow for the issuance of
133 orders, the right to enter properties and the right to impose
134 reasonable fines and penalties regarding correction of
135 violations of municipal stormwater ordinances or regulations
136 within the municipal watershed served by the municipal
137 stormwater system, as long as such rules, regulations, fines
138 or acts are not contrary to any rules or orders of the Public
139 Service Commission.

140 (g) Notice of a violation of a municipal stormwater
141 ordinance or regulation shall be served in person to the
142 alleged violator or by certified mail, return receipt requested.
143 The notice shall state the nature of the violation, the potential
144 penalty, the action required to correct the violation and the
145 time limit for making the correction. Should a person, after
146 receipt of proper notice, fail to correct violation of the
147 municipal stormwater ordinance or regulation, the
148 municipality may correct or have the corrections of the
149 violation made and bring the party into compliance with the
150 applicable stormwater ordinance or regulation. The
151 municipality may collect the costs of correcting the violation
152 from the person by instituting a civil action, as long as such
153 actions are not contrary to any rules or orders of the Public
154 Service Commission.

155 (h) A municipality which has been designated by the
156 Environmental Protection Agency as an entity to serve a
157 West Virginia Separate Storm Sewer System community
158 shall prepare an annual report detailing the collection and
159 expenditure of rates, fees or charges and make it available for
160 public review at the place of business of the governing body
161 and the stormwater utility main office.

ARTICLE 13. SEWAGE WORKS AND STORMWATER WORKS.

§16-13-16. Rates for service; deposit required for new customers; forfeiture of deposit; reconnecting deposit; tenant's deposit; change or readjustment; hearing; lien and recovery; discontinuance of services.

1 A governing body has the power and duty, by ordinance,
2 to establish and maintain just and equitable rates, fees or
3 charges for the use of and the service rendered by:

4 (a) Sewerage works, to be paid by the owner of each and
5 every lot, parcel of real estate or building that is connected
6 with and uses such works by or through any part of the
7 sewerage system of the municipality or that in any way uses
8 or is served by such works; and

9 (b) Stormwater works, to be paid by the owner of each
10 and every lot, parcel of real estate or building that in any way
11 uses or is served by such stormwater works or whose
12 property is improved or protected by the stormwater works
13 or any user of such stormwater works.

14 (c) The governing body may change and readjust such
15 rates, fees or charges from time to time. However, no rates,
16 fees or charges for stormwater services may be assessed
17 against highways, road and drainage easements or stormwater
18 facilities constructed, owned or operated by the West
19 Virginia Division of Highways.

20 (d) All new applicants for service shall indicate to the
21 governing body whether they are an owner or tenant with
22 respect to the service location. An entity providing
23 stormwater service shall provide a tenant a report of the
24 stormwater fee charged for the entire property and, if
25 appropriate, that portion of the fee to be assessed to the
26 tenant.

27 (e) The governing body may collect from all new
28 applicants for service a deposit of \$50 or two twelfths of the
29 average annual usage of the applicant's specific customer
30 class, whichever is greater, to secure the payment of service
31 rates, fees and charges in the event they become delinquent
32 as provided in this section. In any case where a deposit is
33 forfeited to pay service rates, fees and charges which were
34 delinquent at the time of disconnection or termination of
35 service, service may not be reconnected or reinstated by the
36 governing body until another deposit equal to \$50 or a sum
37 equal to two twelfths of the average usage for the applicant's
38 specific customer class, whichever is greater, is remitted to
39 the governing body. After twelve months of prompt payment
40 history, the governing body shall return the deposit to the
41 customer or credit the customer's account with interest at a
42 rate as the Public Service Commission may prescribe:
43 *Provided*, That where the customer is a tenant, the governing
44 body is not required to return the deposit until the time the
45 tenant discontinues service with the governing body.
46 Whenever any rates, fees, rentals or charges for services or
47 facilities furnished remain unpaid for a period of twenty days
48 after they become due, the user of the services and facilities

49 provided is delinquent. The user is liable until all rates, fees
50 and charges are fully paid. The governing body may, under
51 reasonable rules promulgated by the Public Service
52 Commission, shut off and discontinue water services to a
53 delinquent user of sewer facilities ten days after the sewer
54 services become delinquent regardless of whether the
55 governing body utilizes the security deposit to satisfy any
56 delinquent payments: *Provided, however,* That nothing
57 contained within the rules of the Public Service Commission
58 shall be deemed to require any agents or employees of the
59 governing body to accept payment at the customer's premises
60 in lieu of discontinuing service for a delinquent bill.

61 (f) Such rates, fees or charges shall be sufficient in each
62 year for the payment of the proper and reasonable expense of
63 operation, repair, replacements and maintenance of the works
64 and for the payment of the sums herein required to be paid
65 into the sinking fund. Revenues collected pursuant to this
66 section shall be considered the revenues of the works.

67 (g) No such rates, fees or charges shall be established
68 until after a public hearing, at which all the users of the
69 works and owners of property served or to be served thereby
70 and others interested shall have an opportunity to be heard
71 concerning the proposed rates, fees or charges.

72 (h) After introduction of the ordinance fixing such rates,
73 fees or charges, and before the same is finally enacted, notice
74 of such hearing, setting forth the proposed schedule of rates,
75 fees or charges, shall be given by publication as a Class II-0
76 legal advertisement in compliance with the provisions of
77 article three, chapter fifty-nine of this code and the
78 publication area for such publication shall be the
79 municipality. The first publication shall be made at least ten
80 days before the date fixed in the notice for the hearing.

81 (i) After the hearing, which may be adjourned, from time
82 to time, the ordinance establishing rates, fees or charges,

83 either as originally introduced or as modified and amended,
84 shall be passed and put into effect. A copy of the schedule of
85 the rates, fees and charges shall be kept on file in the office
86 of the board having charge of the operation of such works,
87 and also in the office of the clerk of the municipality, and
88 shall be open to inspection by all parties interested. The
89 rates, fees or charges established for any class of users or
90 property served shall be extended to cover any additional
91 premises thereafter served which fall within the same class,
92 without the necessity of any hearing or notice.

93 (j) Any change or readjustment of such rates, fees or
94 charges may be made in the same manner as the rates, fees or
95 charges were originally established as hereinbefore provided:
96 *Provided*, That if a change or readjustment be made
97 substantially pro rata, as to all classes of service, no hearing
98 or notice shall be required. The aggregate of the rates, fees
99 or charges shall always be sufficient for the expense of
100 operation, repair and maintenance and for the sinking fund
101 payments.

102 (k) All rates, fees or charges, if not paid when due, shall
103 constitute a lien upon the premises served by such works. If
104 any service rate, fees or charge is not paid within twenty days
105 after it is due, the amount thereof, together with a penalty of
106 ten percent and a reasonable attorney's fee, may be recovered
107 by the board in a civil action in the name of the municipality.
108 The lien may be foreclosed against such lot, parcel of land or
109 building in accordance with the laws relating thereto. Where
110 both water and sewer services are furnished by any
111 municipality to any premises, the schedule of charges may be
112 billed as a single amount or individually itemized and billed
113 for the aggregate thereof.

114 (l) Whenever any rates, rentals, fees or charges for
115 services or facilities furnished shall remain unpaid for a
116 period of twenty days after they become due, the property

117 and the owner thereof, as well as the user of the services and
118 facilities shall be delinquent until such time as all rates, fees
119 and charges are fully paid. When any payment for rates,
120 rentals, fees or charges becomes delinquent, the governing
121 body may use the security deposit to satisfy the delinquent
122 payment.

123 (m) The board collecting the rates, fees or charges shall
124 be obligated under reasonable rules to shut off and
125 discontinue both water and sewer services to all delinquent
126 users of water, sewer or stormwater facilities and shall not
127 restore either water facilities or sewer facilities to any
128 delinquent user of any such facilities until all delinquent
129 rates, fees or charges for water, sewer and stormwater
130 facilities, including reasonable interest and penalty charges,
131 have been paid in full, as long as such actions are not
132 contrary to any rules or orders of the Public Service
133 Commission: *Provided*, That nothing contained within the
134 rules of the Public Service Commission shall be deemed to
135 require any agents or employees of the municipality or
136 governing body to accept payment at the customer's premises
137 in lieu of discontinuing service for a delinquent bill.

ARTICLE 13A. PUBLIC SERVICE DISTRICTS.

§16-13A-9. Rules; service rates and charges; discontinuance of service; required water and sewer connections; lien for delinquent fees.

1 (a) (1) The board may make, enact and enforce all
2 needful rules in connection with the acquisition, construction,
3 improvement, extension, management, maintenance,
4 operation, care, protection and the use of any public service
5 properties owned or controlled by the district. The board
6 shall establish rates, fees and charges for the services and
7 facilities it furnishes, which shall be sufficient at all times,
8 notwithstanding the provisions of any other law or laws, to

9 pay the cost of maintenance, operation and depreciation of
10 the public service properties and principal of and interest on
11 all bonds issued, other obligations incurred under the
12 provisions of this article and all reserve or other payments
13 provided for in the proceedings which authorized the
14 issuance of any bonds under this article. The schedule of the
15 rates, fees and charges may be based upon:

16 (A) The consumption of water or gas on premises
17 connected with the facilities, taking into consideration
18 domestic, commercial, industrial and public use of water and
19 gas;

20 (B) The number and kind of fixtures connected with the
21 facilities located on the various premises;

22 (C) The number of persons served by the facilities;

23 (D) Any combination of paragraphs (A), (B) and (C) of
24 this subdivision; or

25 (E) May be determined on any other basis or
26 classification which the board may determine to be fair and
27 reasonable, taking into consideration the location of the
28 premises served and the nature and extent of the services and
29 facilities furnished. However, no rates, fees or charges for
30 stormwater services may be assessed against highways, road
31 and drainage easements or stormwater facilities constructed,
32 owned or operated by the West Virginia Division of
33 Highways.

34 (2) Where water, sewer, stormwater or gas services, or
35 any combination thereof, are all furnished to any premises,
36 the schedule of charges may be billed as a single amount for
37 the aggregate of the charges. The board shall require all
38 users of services and facilities furnished by the district to
39 designate on every application for service whether the

40 applicant is a tenant or an owner of the premises to be served.
41 If the applicant is a tenant, he or she shall state the name and
42 address of the owner or owners of the premises to be served
43 by the district. Notwithstanding the provisions of section
44 eight, article three, chapter twenty-four of this code to the
45 contrary, all new applicants for service shall deposit the
46 greater of a sum equal to two twelfths of the average annual
47 usage of the applicant's specific customer class or \$50, with
48 the district to secure the payment of service rates, fees and
49 charges in the event they become delinquent as provided in
50 this section. If a district provides both water and sewer
51 service, all new applicants for service shall deposit the
52 greater of a sum equal to two twelfths of the average annual
53 usage for water service or \$50 and the greater of a sum equal
54 to two twelfths of the average annual usage for wastewater
55 service of the applicant's specific customer class or \$50. In
56 any case where a deposit is forfeited to pay service rates, fees
57 and charges which were delinquent at the time of
58 disconnection or termination of service, no reconnection or
59 reinstatement of service may be made by the district until
60 another deposit equal to the greater of a sum equal to two
61 twelfths of the average usage for the applicant's specific
62 customer class or \$50 has been remitted to the district. After
63 twelve months of prompt payment history, the district shall
64 return the deposit to the customer or credit the customer's
65 account at a rate as the Public Service Commission may
66 prescribe: *Provided*, That where the customer is a tenant, the
67 district is not required to return the deposit until the time the
68 tenant discontinues service with the district. Whenever any
69 rates, fees, rentals or charges for services or facilities
70 furnished remain unpaid for a period of twenty days after the
71 same become due and payable, the user of the services and
72 facilities provided is delinquent and the user is liable at law
73 until all rates, fees and charges are fully paid. The board
74 may, under reasonable rules promulgated by the Public
75 Service Commission, shut off and discontinue water or gas
76 services to all delinquent users of either water or gas

77 facilities, or both, ten days after the water or gas services
78 become delinquent. *Provided, however,* That nothing
79 contained within the rules of the Public Service Commission
80 shall be deemed to require any agents or employees of the
81 board to accept payment at the customer's premises in lieu of
82 discontinuing service for a delinquent bill.

83 (b) In the event that any publicly or privately owned
84 utility, city, incorporated town, other municipal corporation
85 or other public service district included within the district
86 owns and operates separately water facilities, sewer facilities
87 or stormwater facilities and the district owns and operates
88 another kind of facility either water or sewer, or both, as the
89 case may be, then the district and the publicly or privately
90 owned utility, city, incorporated town or other municipal
91 corporation or other public service district shall covenant and
92 contract with each other to shut off and discontinue the
93 supplying of water service for the nonpayment of sewer or
94 stormwater service fees and charges: *Provided,* That any
95 contracts entered into by a public service district pursuant to
96 this section shall be submitted to the Public Service
97 Commission for approval. Any public service district which
98 provides water and sewer service, water and stormwater
99 service or water, sewer and stormwater service has the right
100 to terminate water service for delinquency in payment of
101 water, sewer or stormwater bills. Where one public service
102 district is providing sewer service and another public service
103 district or a municipality included within the boundaries of
104 the sewer or stormwater district is providing water service
105 and the district providing sewer or stormwater service
106 experiences a delinquency in payment, the district or the
107 municipality included within the boundaries of the sewer or
108 stormwater district that is providing water service, upon the
109 request of the district providing sewer or stormwater service
110 to the delinquent account, shall terminate its water service to
111 the customer having the delinquent sewer or stormwater
112 account: *Provided, however,* That any termination of water

113 service must comply with all rules and orders of the Public
114 Service Commission. *Provided further*, That nothing
115 contained within the rules of the Public Service Commission
116 shall be deemed to require any agents or employees of the
117 Public Service Districts to accept payment at the customer's
118 premises in lieu of discontinuing service for a delinquent bill.

119 (c) Any district furnishing sewer facilities within the
120 district may require, or may by petition to the circuit court of
121 the county in which the property is located, compel or may
122 require the Division of Health to compel all owners, tenants
123 or occupants of any houses, dwellings and buildings located
124 near any sewer facilities where sewage will flow by gravity
125 or be transported by other methods approved by the Division
126 of Health, including, but not limited to, vacuum and pressure
127 systems, approved under the provisions of section nine,
128 article one, chapter sixteen of this code, from the houses,
129 dwellings or buildings into the sewer facilities, to connect
130 with and use the sewer facilities and to cease the use of all
131 other means for the collection, treatment and disposal of
132 sewage and waste matters from the houses, dwellings and
133 buildings where there is gravity flow or transportation by any
134 other methods approved by the Division of Health, including,
135 but not limited to, vacuum and pressure systems, approved
136 under the provisions of section nine, article one, chapter
137 sixteen of this code and the houses, dwellings and buildings
138 can be adequately served by the sewer facilities of the district
139 and it is declared that the mandatory use of the sewer
140 facilities provided for in this paragraph is necessary and
141 essential for the health and welfare of the inhabitants and
142 residents of the districts and of the state. If the public service
143 district requires the property owner to connect with the sewer
144 facilities even when sewage from dwellings may not flow to
145 the main line by gravity and the property owner incurs costs
146 for any changes in the existing dwellings' exterior plumbing
147 in order to connect to the main sewer line, the Public Service
148 District Board shall authorize the district to pay all

149 reasonable costs for the changes in the exterior plumbing,
150 including, but not limited to, installation, operation,
151 maintenance and purchase of a pump or any other method
152 approved by the Division of Health. Maintenance and
153 operation costs for the extra installation should be reflected
154 in the users charge for approval of the Public Service
155 Commission. The circuit court shall adjudicate the merits of
156 the petition by summary hearing to be held not later than
157 thirty days after service of petition to the appropriate owners,
158 tenants or occupants.

159 (d) Whenever any district has made available sewer
160 facilities to any owner, tenant or occupant of any house,
161 dwelling or building located near the sewer facility and the
162 engineer for the district has certified that the sewer facilities
163 are available to and are adequate to serve the owner, tenant
164 or occupant and sewage will flow by gravity or be
165 transported by other methods approved by the Division of
166 Health from the house, dwelling or building into the sewer
167 facilities, the district may charge, and the owner, tenant or
168 occupant shall pay, the rates and charges for services
169 established under this article only after thirty-day notice of
170 the availability of the facilities has been received by the
171 owner, tenant or occupant. Rates and charges for sewage
172 services shall be based upon actual water consumption or the
173 average monthly water consumption based upon the owner's,
174 tenant's or occupant's specific customer class.

175 (e) The owner, tenant or occupant of any real property
176 may be determined and declared to be served by a stormwater
177 system only after each of the following conditions is met: (1)
178 The district has been designated by the Environmental
179 Protection Agency as an entity to serve a West Virginia
180 Separate Storm Sewer System community, as defined in 40
181 C.F.R. §122.26; (2) the district's authority has been properly
182 expanded to operate and maintain a stormwater system; (3)
183 the district has made available a stormwater system where

184 stormwater from the real property affects or drains into the
185 stormwater system; and (4) the real property is located in the
186 Municipal Separate Storm Sewer System's designated service
187 area. It is further hereby found, determined and declared that
188 the mandatory use of the stormwater system is necessary and
189 essential for the health and welfare of the inhabitants and
190 residents of the district and of the state. The district may
191 charge and the owner, tenant or occupant shall pay the rates,
192 fees and charges for stormwater services established under
193 this article only after thirty-day notice of the availability of
194 the stormwater system has been received by the owner. An
195 entity providing stormwater service shall provide a tenant a
196 report of the stormwater fee charged for the entire property
197 and, if appropriate, that portion of the fee to be assessed to
198 the tenant.

199 (f) All delinquent fees, rates and charges of the district
200 for either water facilities, sewer facilities, gas facilities or
201 stormwater systems or stormwater management programs are
202 liens on the premises served of equal dignity, rank and
203 priority with the lien on the premises of state, county, school
204 and municipal taxes. Nothing contained within the rules of
205 the Public Service Commission shall be deemed to require
206 any agents or employees of the Public Service Districts to
207 accept payment at the customer's premises in lieu of
208 discontinuing service for a delinquent bill. In addition to the
209 other remedies provided in this section, public service
210 districts are granted a deferral of filing fees or other fees and
211 costs incidental to the bringing and maintenance of an action
212 in magistrate court for the collection of delinquent water,
213 sewer, stormwater or gas bills. If the district collects the
214 delinquent account, plus reasonable costs, from its customer
215 or other responsible party, the district shall pay to the
216 magistrate the normal filing fee and reasonable costs which
217 were previously deferred. In addition, each public service
218 district may exchange with other public service districts a list
219 of delinquent accounts: *Provided*, That an owner of real

220 property may not be held liable for the delinquent rates or
221 charges for services or facilities of a tenant, nor may any lien
222 attach to real property for the reason of delinquent rates or
223 charges for services or facilities of a tenant of the real
224 property, unless the owner has contracted directly with the
225 public service district to purchase the services or facilities.

226 (g) Anything in this section to the contrary
227 notwithstanding, any establishment, as defined in section
228 three, article eleven, chapter twenty-two of this code, now or
229 hereafter operating its own sewage disposal system pursuant
230 to a permit issued by the Department of Environmental
231 Protection, as prescribed by section eleven of said article, is
232 exempt from the provisions of this section.

233 (h) A public service district which has been designated by
234 the Environmental Protection Agency as an entity to serve a
235 West Virginia Separate Storm Sewer System community
236 shall prepare an annual report detailing the collection and
237 expenditure of rates, fees or charges and make it available for
238 public review at the place of business of the governing body
239 and the stormwater utility main office.

CHAPTER 24. PUBLIC SERVICE COMMISSION.

ARTICLE 3. DUTIES AND PRIVILEGES OF PUBLIC UTILITIES SUBJECT TO REGULATIONS OF COMMISSION.

§24-3-10. Termination of water service for delinquent sewer bills.

1 (a) In the event that any publicly or privately owned
2 utility, city, incorporated town, municipal corporation or
3 public service district owns and operates either water
4 facilities or sewer facilities, and a privately owned public
5 utility or a public utility that is owned and operated by a
6 homeowners' association owns and operates the other kind of

7 facilities, either water or sewer, then the privately owned
8 public utility or the homeowners' association may contract
9 with the publicly or privately owned utility, city, incorporated
10 town, or public service district which provides the other
11 services to shutoff and discontinue the supplying of water
12 service for the nonpayment of sewer service fees and charges.

13 (b) Any contracts entered into by a privately owned
14 public utility or by a public utility that is owned and operated
15 by a homeowners' association pursuant to this section must
16 be submitted to the Public Service Commission for approval.

17 (c) Any privately owned public utility or any public
18 utility that is owned and operated by a homeowners'
19 association which provides water and sewer service to its
20 customers may terminate water service for delinquency in
21 payment of either water or sewer bills.

22 (d) Where a privately owned public utility or a public
23 utility that is owned and operated by a homeowners'
24 association is providing sewer service and another utility is
25 providing water service, and the privately owned public
26 utility or the homeowners' association providing sewer
27 service experiences a delinquency in payment, the utility
28 providing water service, upon the request of the
29 homeowners' association or the privately owned public
30 utility providing sewer service to the delinquent account,
31 shall terminate its water service to the customer having the
32 delinquent sewer account.

33 (e) Any termination of water service must comply with
34 all rules and orders of the Public Service Commission:
35 Nothing contained within the rules of the Public Service
36 Commission shall be deemed to require any agents or
37 employees of the water or sewer utility to accept payment at
38 the customer's premises in lieu of discontinuing water service
39 for a delinquent water or sewer bill.

CHAPTER 202

**(Com. Sub. for H. B. 4459 - By Delegates
Caputo, Perdue, Fleischauer, Butcher,
Eldridge, Guthrie, Mahan, Longstreth,
Manchin, Marshall and Boggs)**

[Passed March 10, 2010; in effect ninety days from passage.]
[Approved by the Governor on March 17, 2010.]

AN ACT to amend and reenact §23-4-10 and §23-4-15 of the Code of West Virginia, 1931, as amended, all relating to Workers' Compensation death benefits where occupational pneumoconiosis is determined to be a cause of death; requiring notice of need to file for certain death benefits; and increasing from one year to two years the time in which a dependent may apply for Workers' Compensation death benefits where occupational pneumoconiosis is determined to be a cause of death.

Be it enacted by the Legislature of West Virginia:

That §23-4-10 and §23-4-15 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

ARTICLE 4. DISABILITY AND DEATH BENEFITS.

§23-4-10. Classification of death benefits; "dependent" defined.

§23-4-15. Application for benefits.

§23-4-10. Classification of death benefits; "dependent" defined.

- 1 In case a personal injury, other than occupational
- 2 pneumoconiosis or other occupational disease, suffered by an

3 employee in the course of and resulting from his or her
4 employment, causes death, and disability is continuous from
5 the date of the injury until the date of death, or if death results
6 from occupational pneumoconiosis or from any other
7 occupational disease, the benefits shall be in the amounts and
8 to the persons as follows:

9 (a) If there are no dependents, the disbursements shall be
10 limited to the expense provided for in sections three and four
11 of this article;

12 (b) If there are dependents as defined in subdivision (d)
13 of this section, the dependents shall be paid for as long as
14 their dependency continues in the same amount that was paid
15 or would have been paid the deceased employee for total
16 disability had he or she lived. The order of preference of
17 payment and length of dependence shall be as follows:

18 (1) A dependent widow or widower until death or
19 remarriage of the widow or widower, and any child or
20 children dependent upon the decedent until each child
21 reaches eighteen years of age or where the child after
22 reaching eighteen years of age continues as a full-time
23 student in an accredited high school, college, university,
24 business or trade school, until the child reaches the age of
25 twenty-five years, or if an invalid child, to continue as long
26 as the child remains an invalid. All persons are jointly
27 entitled to the amount of benefits payable as a result of
28 employee's death;

29 (2) A wholly dependent father or mother until death; and

30 (3) Any other wholly dependent person for a period of six
31 years after the death of the deceased employee;

32 (c) If the deceased employee leaves no wholly dependent
33 person, but there are partially dependent persons at the time
34 of death, the payment shall be fifty dollars a month to

35 continue for the portion of the period of six years after the
36 death, determined by the commission, successor to the
37 commission, other private carrier or self-insured employer,
38 whichever is applicable, but no partially dependent person
39 shall receive compensation payments as a result of the death
40 of more than one employee.

41 Compensation under this subdivision and subdivision (b)
42 of this section shall, except as may be specifically provided
43 to the contrary in those subdivisions, cease upon the death of
44 the dependent, and the right to the compensation shall not
45 vest in his or her estate.

46 (d) "Dependent", as used in this chapter, means a widow,
47 widower, child under eighteen years of age, or under twenty-
48 five years of age when a full-time student as provided in this
49 section, invalid child or posthumous child, who, at the time
50 of the injury causing death, is dependent, in whole or in part,
51 for his or her support upon the earnings of the employee,
52 stepchild under eighteen years of age, or under twenty-five
53 years of age when a full-time student as provided in this
54 section, child under eighteen years of age legally adopted
55 prior to the injury causing death, or under twenty-five years
56 of age when a full-time student as provided in this section,
57 father, mother, grandfather or grandmother, who, at the time
58 of the injury causing death, is dependent, in whole or in part,
59 for his or her support upon the earnings of the employee; and
60 invalid brother or sister wholly dependent for his or her
61 support upon the earnings of the employee at the time of the
62 injury causing death; and

63 (e) If a person receiving permanent total disability
64 benefits dies from a cause other than a disabling injury
65 leaving any dependents as defined in subdivision (d) of this
66 section, an award shall be made to the dependents in an
67 amount equal to one hundred four times the weekly benefit
68 the worker was receiving at the time of his or her death and

69 be paid either as a lump sum or in periodic payments, at the
70 option of the dependent or dependents.

71 (f) The Insurance Commissioner shall prescribe a form
72 notice to be sent by the commissioner, private carrier or self-
73 insured employer, as applicable, to the dependent with the
74 first payment and six months prior to the last payment of the
75 benefits provided in subsection (e) of this section, that
76 advises the dependent that the benefits will stop as of a date
77 certain. The notice shall also advise the dependent that he or
78 she may be eligible for additional benefits under section
79 fifteen of this article and how to apply for those benefits.
80 The notices shall be written in plain English in a manner that
81 is easily understood by the general public.

§23-4-15. Application for benefits.

1 (a) To entitle any employee or dependent of a deceased
2 employee to compensation under this chapter, other than for
3 occupational pneumoconiosis or other occupational disease,
4 the application for compensation shall be made on the form
5 or forms prescribed by the Insurance Commissioner, and
6 filed with the Insurance Commissioner, private carrier or
7 self-insured employer, whichever is applicable, within six
8 months from and after the injury or death, as the case may be,
9 and unless filed within the six months period, the right to
10 compensation under this chapter is forever barred, such time
11 limitation being hereby declared to be a condition of the right
12 and hence jurisdictional, and all proofs of dependency in fatal
13 cases must also be filed with the commission within six
14 months from and after the death. In case the employee is
15 mentally or physically incapable of filing the application, it
16 may be filed by his or her attorney or by a member of his or
17 her family.

18 (b) To entitle any employee to compensation for
19 occupational pneumoconiosis under the provisions of this

20 subsection, the application for compensation shall be made
21 on the form or forms prescribed by the Insurance
22 Commissioner, and filed with the Insurance Commissioner,
23 private carrier or self-insured employer, whichever is
24 applicable, within three years from and after the last day of
25 the last continuous period of sixty days or more during which
26 the employee was exposed to the hazards of occupational
27 pneumoconiosis or within three years from and after a
28 diagnosed impairment due to occupational pneumoconiosis
29 was made known to the employee by a physician and unless
30 filed within the three-year period, the right to compensation
31 under this chapter is forever barred, such time limitation
32 being hereby declared to be a condition of the right and hence
33 jurisdictional, or, in the case of death, the application shall be
34 filed by the dependent of the employee within two years from
35 and after the employee's death, and such time limitation is a
36 condition of the right and hence jurisdictional.

37 (c) To entitle any employee to compensation for
38 occupational disease other than occupational pneumoconiosis
39 under the provisions of this section, the application for
40 compensation shall be made on the form or forms prescribed by
41 the Insurance Commissioner, and filed with the Insurance
42 Commissioner, private carrier or self-insured employer,
43 whichever is applicable, within three years from and after the
44 day on which the employee was last exposed to the particular
45 occupational hazard involved or within three years from and
46 after the employee's occupational disease was made known to
47 him or her by a physician or which he or she should reasonably
48 have known, whichever last occurs, and unless filed within the
49 three-year period, the right to compensation under this chapter
50 shall be forever barred, such time limitation being hereby
51 declared to be a condition of the right and therefore
52 jurisdictional, or, in case of death, the application shall be filed
53 as aforesaid by the dependent of the employee within one year
54 from and after the employee's death, and such time limitation is
55 a condition of the right and hence jurisdictional.

CHAPTER 203

**(S. B. 548 - By Senators Tomblin,
Mr. President, Stollings and Plymale)**

[Passed February 26, 2010; in effect from passage.]
[Approved by the Governor on March 8, 2010.]

AN ACT to extend the time for the governing body of the Board of Education of Boone County, West Virginia, to meet as a levying body for the purpose of presenting to the voters of that county an election to consider a renewal of an existing excess levy for schools, from the third Tuesday of April until the last day in May, 2010 that is not a Saturday, Sunday or legal holiday.

Be it enacted by the Legislature of West Virginia:

§1. Extending the time for the Board of Education of Boone County to meet as levying body for election to consider an excess levy amendment.

1 Notwithstanding the provisions of article eight, chapter
2 eleven of the Code of West Virginia, 1931, as amended, to
3 the contrary, the Board of Education of Boone County, West
4 Virginia, is authorized to extend the time for its meeting as a
5 levying body, setting the levying rate and certifying its
6 actions to the Auditor from the third Tuesday in April until
7 the last day in May, 2010 that is not a Saturday, Sunday or
8 legal holiday, for the purpose of submitting to the voters of

2 of age or older at the time the person received welfare
3 assistance consisting of nursing facility services, home and
4 community-based services, and related hospital and
5 prescription drug services, the Department of Health and
6 Human Resources, in addition to any other available remedy,
7 may file a claim or lien against the estate of the recipient for
8 the total amount of medical assistance provided by Medicaid
9 for nursing facility services, home and community-based
10 services, and related hospital and prescription drug services
11 provided for the benefit of the recipient. Claims so filed shall
12 be classified as and included in the class of debts due the

18 individual has no surviving children who meet the Social
19 Security Act's definition of blindness or permanent and total
20 disability.

21 (c) The state shall have the right to place a lien upon the
22 property of individuals who are inpatients in a nursing
23 facility, intermediate care facility for individuals with an
24 intellectual disability or other medical institution who, after

48 of Health and Human Resources, except that the department
49 may not receive double recovery for the same expenditure.
50 The death of the recipient neither extinguishes or
51 diminishes any right of the department to recover. Nothing
52 in this section affects or prevents a proceeding to enforce a
53 lien pursuant to this section or a proceeding to set aside a
54 fraudulent conveyance.

55 (f) Any claim or lien imposed pursuant to this section is
56 effective for the full amount of medical assistance provided
57 by Medicaid for nursing facility services, home and
58 community-based services, and related hospital and
59 prescription drug services. The lien attaches and is perfected
60 automatically as of the beginning date of medical assistance,
61 the date when a recipient first receives treatment for which
62 the Department of Health and Human Resources may be
63 obligated to provide medical assistance. A claim may be
64 waived by the department, if the department determines,
65 pursuant to applicable federal law and rules and regulations,
66 that the claim will cause substantial hardship to the surviving
67 dependents of the deceased.

68 (g) Upon the effective date of this section, the Attorney
69 General, on behalf of the State of West Virginia, shall
70 commence an action in a court of competent jurisdiction to
71 test the validity, constitutionality, and the ability of the
72 Congress of the United States to mandate the implementation
73 of this section. This subsection does not limit the right of
74 others, including recipients, to intervene in any litigation, nor
75 does it limit the discretion of the Attorney General or
76 appropriate counsel to seek affected persons to act as parties
77 to the litigation, either individually or as a class.

ARTICLE 27. HEALTH CARE PROVIDER TAXES.

§11-27-10. Imposition of tax on providers of intermediate care facility services for individuals with an intellectual disability.

§11-27-11. Imposition of tax on providers of nursing facility services, other than services of intermediate care facilities for individuals with an intellectual disability.

§11-27-10. Imposition of tax on providers of intermediate care facility services for individuals with an intellectual disability.

1 (a) *Imposition of tax.* -- For the privilege of engaging or
2 continuing within this state in the business of providing
3 intermediate care facility services for individuals with an
4 intellectual disability, there is levied and shall be collected
5 from every person rendering such service an annual
6 broad-based health care related tax.

7 (b) *Rate and measure of tax.* -- The tax imposed in
8 subsection (a) of this section is five and one-half percent of
9 the gross receipts derived by the taxpayer from furnishing
10 intermediate care facility services in this state to individuals
11 with an intellectual disability.

12 (c) *Definitions.* --

13 (1) "Gross receipts" means the amount received or
14 receivable, whether in cash or in kind, from patients,
15 third-party payors and others for intermediate care facility
16 services furnished by the provider, including retroactive
17 adjustments under reimbursement agreements with third-
18 party payors, without any deduction for any expenses of any
19 kind: *Provided*, That accrual basis providers are allowed to
20 reduce gross receipts by their contractual allowances, to the
21 extent those allowances are included therein, and by bad
22 debts, to the extent the amount of those bad debts was
23 previously included in gross receipts upon which the tax
24 imposed by this section was paid.

25 (2) "Contractual allowances" means the difference
26 between revenue (gross receipts) at established rates and
27 amounts realizable from third-party payors under contractual
28 agreements.

29 (3) "Intermediate care facility services for individuals
30 with an intellectual disability" means those services that are
31 intermediate care facility services for individuals with an

1 (a) *Imposition of tax.* -- For the privilege of engaging or
2 continuing within this state in the business of providing
3 nursing facility services, other than those services of
4 intermediate care facilities for individuals with an intellectual
5 disability, there is levied and shall be collected from every
6 person rendering such service an annual broad-based health
7 care related tax: *Provided*, That hospitals which provide
8 nursing facility services may adjust nursing facility rates to
9 the extent necessary to compensate for the tax without first
10 obtaining approval from the health care authority: *Provided*,
11 *however*, That the rate adjustment is limited to a single
12 adjustment during the initial year of the imposition of the tax
13 which adjustment is exempt from prospective review by the
14 health care authority and further which is limited to an
15 amount not to exceed the amount of the tax which is levied
16 against the hospital for the provision of nursing facility
17 services pursuant to this section. The health care authority
18 shall retroactively review the rate increases implemented by
19 the hospitals under this section during the regular rate review
20 process. A hospital which fails to meet the criteria
21 established by this section for a rate increase exempt from
22 prospective review is subject to the penalties imposed under
23 article twenty-nine-b, chapter sixteen of the code.

24 (b) *Rate and measure of tax.* -- The tax imposed in
25 subsection (a) of this section is five and one-half percent of

26 the gross receipts derived by the taxpayer from furnishing
27 nursing facility services in this state, other than services of
28 intermediate care facilities for individuals with an intellectual
29 disability. This rate shall be increased to five and ninety-five
30 one hundredths percent of the gross receipts received or
31 receivable by providers of nursing facility services after June
32 30, 2004, and shall again be decreased to five and one- half
33 percent of the gross receipts received or receivable by
34 providers of nursing services after October 31, 2007.

35 (c) *Definitions.* --

39 furnished by the provider, including retroactive adjustments
40 under reimbursement agreements with third-party payors,
41 without any deduction for any expenses of any kind:
42 *Provided*, That accrual basis providers are allowed to reduce
43 gross receipts by their bad debts, to the extent the amount of
44 those bad debts was previously included in gross receipts
45 upon which the tax imposed by this section was paid.

46 (2) "Nursing facility services" means those services that
47 are nursing facility services for purposes of Section 1903(w)
48 of the Social Security Act.

ARTICLE 1. STATE PUBLIC HEALTH SYSTEM.

§16-1-4. Proposal of rules by the secretary.

1 The secretary may propose rules in accordance with the
2 provisions of article three, chapter twenty-nine-a of this code
3 that are necessary and proper to effectuate the purposes of
4 this chapter. The secretary may appoint or designate advisory
5 councils of professionals in the areas of hospitals, nursing
6 homes, barbers and beauticians, postmortem examinations,
7 mental health and intellectual disability centers and any other
8 areas necessary to advise the secretary on rules.

9 The rules may include, but are not limited to, the
10 regulation of:

11 (a) Land usage endangering the public health: *Provided,*
12 That no rules may be promulgated or enforced restricting the
13 subdivision or development of any parcel of land within
14 which the individual tracts, lots or parcels exceed two acres
15 each in total surface area and which individual tracts, lots or
16 parcels have an average frontage of not less than one hundred
17 fifty feet even though the total surface area of the tract, lot or
18 parcel equals or exceeds two acres in total surface area, and
19 which tracts are sold, leased or utilized only as single-family
20 dwelling units. Notwithstanding the provisions of this
21 subsection, nothing in this section may be construed to abate
22 the authority of the department to: (1) Restrict the
23 subdivision or development of a tract for any more intense or
24 higher density occupancy than a single-family dwelling unit;
25 (2) propose or enforce rules applicable to single-family
26 dwelling units for single-family dwelling unit sanitary
27 sewerage disposal systems; or (3) restrict any subdivision or

28 development which might endanger the public health, the
29 sanitary condition of streams or sources of water supply;

30 (b) The sanitary condition of all institutions and schools,
31 whether public or private, public conveyances, dairies,
32 slaughterhouses, workshops, factories, labor camps, all other

41 facilities, without regard to whether the supplies or systems
42 are publicly or privately owned; and the design of all water
43 systems, plumbing systems, sewerage systems, sewage
44 treatment plants, excreta disposal methods and swimming
45 pools in this state, whether publicly or privately owned;

46 (d) Safe drinking water, including:

47 (1) The maximum contaminant levels to which all public
48 water systems must conform in order to prevent adverse
49 effects on the health of individuals and, if appropriate,
50 treatment techniques that reduce the contaminant or
51 contaminants to a level which will not adversely affect the
52 health of the consumer. The rule shall contain provisions to
53 protect and prevent contamination of wellheads and well
54 fields used by public water supplies so that contaminants do
55 not reach a level that would adversely affect the health of the
56 consumer;

57 (2) The minimum requirements for: Sampling and
58 testing; system operation; public notification by a public
59 water system on being granted a variance or exemption or

60 upon failure to comply with specific requirements of this
61 section and rules promulgated under this section; record
62 keeping; laboratory certification; as well as procedures and
63 conditions for granting variances and exemptions to public
64 water systems from state public water systems rules; and

65 (3) The requirements covering the production and
66 distribution of bottled drinking water and may establish
67 requirements governing the taste, odor, appearance and other
68 consumer acceptability parameters of drinking water;

69 (e) Food and drug standards, including cleanliness,
70 proscription of additives, proscription of sale and other
71 requirements in accordance with article seven of this chapter
72 as are necessary to protect the health of the citizens of this
73 state;

74 (f) The training and examination requirements for
75 emergency medical service attendants and emergency
76 medical care technician-paramedics; the designation of the
77 health care facilities, health care services and the industries
78 and occupations in the state that must have emergency
79 medical service attendants and emergency medical care
80 technician-paramedics employed and the availability,
81 communications and equipment requirements with respect to
82 emergency medical service attendants and to emergency
83 medical care technician-paramedics: *Provided*, That any
84 regulation of emergency medical service attendants and
85 emergency medical care technician-paramedics may not
86 exceed the provisions of article four-c of this chapter;

87 (g) The health and sanitary conditions of establishments
88 commonly referred to as bed and breakfast inns. For
89 purposes of this article, "bed and breakfast inn" means an
90 establishment providing sleeping accommodations and, at a
91 minimum, a breakfast for a fee: *Provided*, That the secretary
92 may not require an owner of a bed and breakfast providing

93 sleeping accommodations of six or fewer rooms to install a

95 *Provided, however,* That the secretary may not require an
96 owner of a bed and breakfast providing sleeping
97 accommodations of more than six rooms to install a
98 restaurant-type or commercial food service facility if the

100 six are used on an aggregate of two weeks or less per year;

106 system and the costs of health care;

107 (j) Opioid treatment programs duly licensed and
108 operating under the requirements of chapter twenty-seven of
109 this code. The health care authority shall develop new
110 certificate of need standards, pursuant to the provisions of
111 article two-d of this chapter, that are specific for opioid
112 treatment program facilities. No applications for a certificate
113 of need for opioid treatment programs shall be approved by
114 the health care authority as of the effective date of the 2007
115 amendments to this subsection. The secretary shall
116 promulgate revised emergency rules to govern licensed
117 programs: *Provided,* That there is a moratorium on the
118 licensure of new opioid treatment programs that do not have
119 a certificate of need as of the effective date of the 2007
120 amendments to this subsection, which shall continue until the
121 Legislature determines that there is a necessity for additional
122 opioid treatment facilities in West Virginia. The secretary
123 shall file revised emergency rules with the Secretary of State
124 to regulate opioid programs in compliance with subsections
125 (1) through (9), inclusive, of this section: *Provided, however,*
126 That any opioid treatment program facility that has received
127 a certificate of need pursuant to article two-d, of this chapter

128 by the health care authority shall be permitted to proceed to
129 license and operate the facility. All existing opioid treatment
130 programs shall be in compliance within one hundred eighty
131 days of the effective date of the revised emergency rules as
132 required herein. The revised emergency rules shall provide
133 at a minimum:

134 (1) That the initial assessment prior to admission for
135 entry into the opioid treatment program shall include an
136 initial drug test to determine whether an individual is either
137 opioid addicted or presently receiving methadone for an
138 opioid addiction from another opioid treatment program. The
139 patient may be admitted to the program if there is a positive
140 test for either opioids or methadone or there are objective
141 symptoms of withdrawal, or both, and all other criteria set
142 forth in the rule for admission into an opioid treatment
143 program are met: *Provided*, That admission to the program
144 may be allowed to the following groups with a high risk of
145 relapse without the necessity of a positive test or the presence
146 of objective symptoms: Pregnant women with a history of
147 opioid abuse, prisoners or parolees recently released from
148 correctional facilities, former clinic patients who have
149 successfully completed treatment but who believe themselves
150 to be at risk of imminent relapse and HIV patients with a
151 history of intravenous drug use.

152 (2) That within seven days of the admission of a patient,
153 the opioid treatment program shall complete an initial
154 assessment and an initial plan of care. Subsequently, the
155 opioid treatment program shall develop a treatment plan of
156 care by the thirtieth day after admission and attach to the
157 patient's chart no later than five days after such plan is
158 developed. The treatment plan is to reflect that detoxification
159 is an option for treatment and supported by the program.

160 (3) That each opioid treatment program shall report and
161 provide statistics to the Department of Health and Human
162 Resources at least semiannually which includes the total

163 number of patients; the number of patients who have been
164 continually receiving methadone treatment in excess of two
165 years, including the total number of months of treatment for
166 each such patient; the state residency of each patient; the
167 number of patients discharged from the program, including
168 the total months in the treatment program prior to discharge
169 and whether the discharge was for:

170 (A) Termination or disqualification;

171 (B) Completion of a program of detoxification;

172 (C) Voluntary withdrawal prior to completion of all
173 requirements of detoxification as determined by the opioid
174 treatment program; or

175 (D) An unexplained reason.

176 (4) That random drug testing of patients be conducted
177 during the course of treatment. For purposes of these rules,
178 random drug testing shall mean that each patient of an opioid
179 treatment program facility has a statistically equal chance of
180 being selected for testing at random and at unscheduled
181 times. Any refusal to participate in a random drug test shall
182 be considered a positive test: *Provided*, That nothing
183 contained in this section or the legislative rules promulgated
184 in conformity herewith will preclude any opioid treatment
185 program from administering such additional drug tests as
186 determined necessary by the opioid treatment program.

187 (5) That all random drug tests conducted by an opioid
188 treatment program shall, at a minimum, test for the
189 following:

190 (A) Opiates, including oxycodone at common levels of
191 dosing;

192 (B) Methadone and any other medication used by the
193 program as an intervention;

194 (C) Benzodiazepine including diazepam, lorazepam,
195 clonazepam and alprazolam;

196 (D) Cocaine;

197 (E) Methamphetamine or amphetamine; and

198 (F) Other drugs determined by community standards,
199 regional variation or clinical indication.

200 A positive test is a test that results in the presence of any
201 drug or substance listed in this schedule and any other drug
202 or substance prohibited by the opioid treatment program;

203 (6) That a positive drug test result after the first six
204 months in an opioid treatment program shall result in the
205 following:

206 (A) Upon the first positive drug test result, the opioid
207 treatment program shall:

208 (1) Provide mandatory and documented weekly
209 counseling to the patient, which shall include weekly
210 meetings with a counselor who is licensed, certified or
211 enrolled in the process of obtaining licensure or certification
212 in compliance with the rules and on staff at the opioid
213 treatment program;

214 (2) Immediately revoke the take home methadone
215 privilege for a minimum of thirty days; and

216 (B) Upon a second positive drug test result within six
217 months of a previous positive drug test result, the opioid
218 treatment program shall:

219 (1) Provide mandatory and documented weekly
220 counseling, which shall include weekly meetings with a
221 counselor who is licensed, certified or enrolled in the process
222 of obtaining licensure or certification in compliance with the
223 rules and on staff at the opioid treatment program;

224 (2) Immediately revoke the take-home methadone
225 privilege for a minimum of sixty days; and

226 (3) Provide mandatory documented treatment team
227 meetings with the patient.

228 (C) Upon a third positive drug test result within a period
229 of six months the opioid treatment program shall:

230 (1) Provide mandatory and documented weekly
231 counseling, which shall include weekly meetings with a
232 counselor who is licensed, certified or enrolled in the process
233 of obtaining licensure or certification in compliance with the
234 rules and on staff at the opioid treatment program;

235 (2) Immediately revoke the take-home methadone
236 privilege for a minimum of one hundred twenty days; and

237 (3) Provide mandatory and documented treatment team
238 meetings with the patient which will include, at a minimum:
239 The need for continuing treatment; a discussion of other
240 treatment alternatives; and the execution of a contract with
241 the patient advising the patient of discharge for continued
242 positive drug tests.

243 (D) Upon a fourth positive drug test within a six-month
244 period, the patient shall be immediately discharged from the
245 opioid treatment program or, at the option of the patient, shall
246 immediately be provided the opportunity to participate in a
247 twenty-one day detoxification plan, followed by immediate
248 discharge from the opioid treatment program.

249 (7) That the opioid treatment program must report and
250 provide statistics to the Department of Health and Human
251 Resources demonstrating compliance with the random drug
252 test rules including confirmation that:

253 (A) The random drug tests were truly random in regard
254 to both the patients tested and to the times random drug tests
255 were administered by lottery or some other objective standard
256 so as not to prejudice or protect any particular patient.

257 (B) The total number and the number of positive results;
258 and

259 (C) The number of expulsions from the program.

260 (8) That all opioid treatment facilities be open for
261 business seven days per week: *Provided*, That the opioid
262 treatment center may be closed for eight holidays and two
263 training days per year.

264 (9) That the Office of Health Facility Licensure and
265 Certification develop policies and procedures in conjunction
266 with the Board of Pharmacy that will allow access to the
267 Prescription Drug Registry maintained by the Board of
268 Pharmacy before administration of methadone or other
269 treatment in an opioid treatment program, after any positive
270 drug test, and at each ninety-day treatment review to ensure
271 the patient is not seeking prescription medication from
272 multiple sources.

273 (k) The secretary shall propose a rule for legislative
274 approval in accordance with the provisions of article three,
275 chapter twenty-nine-a of this code for the distribution of state
276 aid to local health departments and basic public health
277 services funds.

278 (1) The rule shall include the following provisions:

- 279 (A) Base allocation amount for each county;
- 280 (B) Establishment and administration of an emergency
281 fund of no more than two percent of the total annual funds of
282 which unused amounts are to be distributed back to local
283 boards of health at the end of each fiscal year;
- 284 (C) A calculation of funds utilized for state support of
285 local health departments;
- 286 (D) Distribution of remaining funds on a per capita
287 weighted population approach which factors coefficients for
288 poverty, health status, population density and health
289 department interventions for each county and a coefficient
290 which encourages counties to merge in the provision of
291 public health services;
- 292 (E) A hold-harmless provision to provide that each local
293 health department receives no less in state support for a
294 period of three years beginning in the 2009 budget year.
- 295 (2) The Legislature finds that an emergency exists and,
296 therefore, the secretary shall file an emergency rule to
297 implement the provisions of this section pursuant to the
298 provisions of section fifteen, article three, chapter
299 twenty-nine-a of this code. The emergency rule is subject to
300 the prior approval of the Legislative Oversight Commission
301 on Health and Human Resources Accountability prior to
302 filing with the Secretary of State.
- 303 (I) Other health-related matters which the department is
304 authorized to supervise and for which the rule-making
305 authority has not been otherwise assigned.

§16-2D-5. Powers and duties of state agency.

1 (a) The state agency shall administer the certificate of
2 need program as provided by this article.

3 (b) The state agency is responsible for coordinating and
4 developing the health planning research efforts of the state
5 and for amending and modifying the state health plan which
6 includes the certificate of need standards. The state agency
7 shall review the state health plan, including the certificate of
8 need standards and make any necessary amendments and
9 modifications. The state agency shall also review the cost
10 effectiveness of the certificate of need program. The state
11 agency may form task forces to assist it in addressing these
12 issues. The task forces shall be composed of representatives
13 of consumers, business, providers, payers and state agencies.

14 (c) The state agency may seek advice and assistance of
15 other persons, organizations and other state agencies in the
16 performance of the state agency's responsibilities under this
17 article.

18 (d) For health services for which competition
19 appropriately allocates supply consistent with the state health
20 plan, the state agency shall, in the performance of its
21 functions under this article, give priority, where appropriate
22 to advance the purposes of quality assurance, cost
23 effectiveness and access, to actions which would strengthen
24 the effect of competition on the supply of the services.

25 (e) For health services for which competition does not or
26 will not appropriately allocate supply consistent with the state
27 health plan, the state agency shall, in the exercise of its
28 functions under this article, take actions, where appropriate
29 to advance the purposes of quality assurance, cost
30 effectiveness and access and the other purposes of this article,
31 to allocate the supply of the services.

32 (f) Notwithstanding the provisions of section seven of
33 this article, the state agency may charge a fee for the filing of
34 any application, the filing of any notice in lieu of an
35 application, the filing of any exemption determination request
36 or the filing of any request for a declaratory ruling. The fees
37 charged may vary according to the type of matter involved,
38 the type of health service or facility involved or the amount
39 of capital expenditure involved: *Provided*, That any fee
40 charged pursuant to this subsection may not exceed a dollar
41 amount to be established by procedural rule. The state
42 agency shall evaluate and amend any procedural rule
43 promulgated prior to the amendments to this subsection made
44 during the 2009 regular session of the Legislature. The fees
45 charged shall be deposited into a special fund known as the
46 Certificate of Need Program Fund to be expended for the
47 purposes of this article.

48 (g) A hospital, nursing home or other health care facility
49 may not add any intermediate care or skilled nursing beds to
50 its current licensed bed complement. This prohibition also
51 applies to the conversion of acute care or other types of beds
52 to intermediate care or skilled nursing beds: *Provided*, That
53 hospitals eligible under the provisions of section four-a of
54 this article and subsection (i) of this section may convert
55 acute care beds to skilled nursing beds in accordance with the
56 provisions of these sections, upon approval by the state
57 agency. Furthermore, a certificate of need may not be
58 granted for the construction or addition of any intermediate
59 care or skilled nursing beds except in the case of facilities
60 designed to replace existing beds in unsafe existing facilities.
61 A health care facility in receipt of a certificate of need for the
62 construction or addition of intermediate care or skilled
63 nursing beds which was approved prior to the effective date
64 of this section shall incur an obligation for a capital
65 expenditure within twelve months of the date of issuance of
66 the certificate of need. Extensions may not be granted
67 beyond the twelve-month period. The state agency shall

68 establish a task force or utilize an existing task force to study
69 the need for additional nursing facility beds in this state. The
70 study shall include a review of the current moratorium on the
71 development of nursing facility beds; the exemption for the
72 conversion of acute care beds to skilled nursing facility beds;
73 the development of a methodology to assess the need for
74 additional nursing facility beds; and certification of new beds

76 composed of representatives of consumers, business,
77 providers, payers and government agencies.

78 (h) No additional intermediate care facility for
79 individuals with an intellectual disability (ICF/ ID) beds may
80 be granted a certificate of need, except that prohibition does

82 County Circuit Court order of August 3, 1989, civil action
83 number MISC-81-585 issued in the case of E.H. v. Matin,
84 168 W.V. 248, 284 S.E. 2d 232 (1981).

85 (i) Notwithstanding the provisions of subsection (g) of
86 this section and further notwithstanding the provisions of
87 subsection (b), section three of this article, an existing acute
88 care hospital may apply to the Health Care Authority for a
89 certificate of need to convert acute care beds to skilled
90 nursing beds: *Provided*, That the proposed skilled nursing
91 beds are Medicare-certified only: *Provided, however*, That
92 any hospital which converts acute care beds to Medicare-
93 certified only skilled nursing beds shall not bill for any
94 Medicaid reimbursement for any converted beds. In
95 converting beds, the hospital shall convert a minimum of one
96 acute care bed into one Medicare-certified only skilled
97 nursing bed. The Health Care Authority may require a
98 hospital to convert up to and including three acute care beds
99 for each Medicare-certified only skilled nursing bed:
100 *Provided further*, That a hospital designated or provisionally
101 designated by the state agency as a rural primary care
102 hospital may convert up to thirty beds to a distinct-part

103 nursing facility, including skilled nursing beds and
104 intermediate care beds, on a one-for-one basis if the rural
105 primary care hospital is located in a county without a
106 certified freestanding nursing facility and the hospital may
107 bill for Medicaid reimbursement for the converted beds: *And*
108 *provided further*, That if the hospital rejects the designation
109 as a rural primary care hospital, then the hospital may not bill
110 for Medicaid reimbursement. The Health Care Authority
111 shall adopt rules to implement this subsection which require
112 that:

113 (1) All acute care beds converted shall be permanently
114 deleted from the hospital's acute care bed complement and
115 the hospital may not thereafter add, by conversion or
116 otherwise, acute care beds to its bed complement without
117 satisfying the requirements of subsection (b), section three of
118 this article for which purposes an addition, whether by
119 conversion or otherwise, shall be considered a substantial
120 change to the bed capacity of the hospital notwithstanding the
121 definition of that term found in subsection (ff), section two of
122 this article.

123 (2) The hospital shall meet all federal and state licensing
124 certification and operational requirements applicable to
125 nursing homes including a requirement that all skilled care
126 beds created under this subsection shall be located in
127 distinct-part, long-term care units.

128 (3) The hospital shall demonstrate a need for the project.

129 (4) The hospital shall use existing space for the
130 Medicare-certified only skilled nursing beds. Under no
131 circumstances shall the hospital construct, lease or acquire
132 additional space for purposes of this section.

133 (5) The hospital shall notify the acute care patient, prior
134 to discharge, of facilities with skilled nursing beds which are
135 located in or near the patient's county of residence. Nothing

136 in this subsection negatively affects the rights of inspection
137 and certification which are otherwise required by federal law
138 or regulations or by this code or duly adopted rules of an
139 authorized state entity.

140 (j) (1) Notwithstanding the provisions of subsection (g)
141 of this section, a retirement life care center with no skilled
142 nursing beds may apply to the Health Care Authority for a
143 certificate of need for up to sixty skilled nursing beds
144 provided the proposed skilled beds are Medicare-certified
145 only. On a statewide basis, a maximum of one hundred
146 eighty skilled beds which are Medicare-certified only may be
147 developed pursuant to this subsection. The state health plan
148 is not applicable to projects submitted under this subsection.
149 The Health Care Authority shall adopt rules to implement
150 this subsection which shall include a requirement that:

151 (A) The one hundred eighty beds are to be distributed on
152 a statewide basis;

153 (B) There be a minimum of twenty beds and a maximum
154 of sixty beds in each approved unit;

155 (C) The unit developed by the retirement life care center
156 meets all federal and state licensing certification and
157 operational requirements applicable to nursing homes;

158 (D) The retirement center demonstrates a need for the
159 project;

160 (E) The retirement center offers personal care, home
161 health services and other lower levels of care to its residents;
162 and

163 (F) The retirement center demonstrates both short- and
164 long-term financial feasibility.

165 (2) Nothing in this subsection negatively affects the rights
166 of inspection and certification which are otherwise required
167 by federal law or regulations or by this code or duly adopted
168 rules of an authorized state entity.

169 (k) The state agency may order a moratorium upon the
170 offering or development of a new institutional health service
171 when criteria and guidelines for evaluating the need for the
172 new institutional health service have not yet been adopted or
173 are obsolete. The state agency may also order a moratorium
174 on the offering or development of a health service,
175 notwithstanding the provisions of subdivision (5), subsection
176 (b), section three of this article, when it determines that the
177 proliferation of the service may cause an adverse impact on
178 the cost of health care or the health status of the public. A
179 moratorium shall be declared by a written order which shall
180 detail the circumstances requiring the moratorium. Upon the
181 adoption of criteria for evaluating the need for the health
182 service affected by the moratorium, or one hundred eighty
183 days from the declaration of a moratorium, whichever is less,
184 the moratorium shall be declared to be over and applications
185 for certificates of need are processed pursuant to section six
186 of this article.

187 (l) (1) The state agency shall coordinate the collection of
188 information needed to allow the state agency to develop
189 recommended modifications to certificate of need standards
190 as required in this article. When the state agency proposes
191 amendments or modifications to the certificate of need
192 standards, it shall file with the Secretary of State, for
193 publication in the State Register, a notice of proposed action,
194 including the text of all proposed amendments and
195 modifications, and a date, time and place for receipt of
196 general public comment. To comply with the public
197 comment requirement of this section, the state agency may
198 hold a public hearing or schedule a public comment period
199 for the receipt of written statements or documents.

200 (2) When amending and modifying the certificate of need
201 standards, the state agency shall identify relevant criteria
202 contained in section six of this article or rules adopted
203 pursuant to section eight of this article and apply those
204 relevant criteria to the proposed new institutional health
205 service in a manner that promotes the public policy goals and
206 legislative findings contained in section one of this article. In
207 doing so, the state agency may consult with or rely upon
208 learned treatises in health planning, recommendations and
209 practices of other health planning agencies and organizations,
210 recommendations from consumers, recommendations from
211 health care providers, recommendations from third-party
212 payors, materials reflecting the standard of care, the state
213 agency's own developed expertise in health planning, data
214 accumulated by the state agency or other local, state or
215 federal agency or organization and any other source deemed
216 relevant to the certificate of need standards proposed for
217 amendment or modification.

218 (3) All proposed amendments and modifications to the
219 certificate of need standards, with a record of the public
220 hearing or written statements and documents received
221 pursuant to a public comment period, shall be presented to
222 the Governor. Within thirty days of receiving the proposed
223 amendments or modifications, the Governor shall either
224 approve or disapprove all or part of the amendments and
225 modifications and, for any portion of amendments or
226 modifications not approved, shall specify the reason or
227 reasons for nonapproval. Any portions of the amendments or
228 modifications not approved by the Governor may be revised
229 and resubmitted.

230 (4) The certificate of need standards adopted pursuant to
231 this section which are applicable to the provisions of this
232 article are not subject to article three, chapter twenty-nine-a
233 of this code. The state agency shall follow the provisions set
234 forth in this subsection for giving notice to the public of its

235 actions, holding hearings or receiving comments on the
236 certificate of need standards. The certificate of need
237 standards in effect on November 29, 2005, and all prior
238 versions promulgated and adopted in accordance with the
239 provisions of this section are and have been in full force and
240 effect from each of their respective dates of approval by the
241 Governor.

242 (m) The state agency may exempt from or expedite rate
243 review, certificate of need and annual assessment
244 requirements and issue grants and loans to financially
245 vulnerable health care facilities located in underserved areas
246 that the state agency and the Office of Community and Rural
247 Health Services determine are collaborating with other
248 providers in the service area to provide cost effective health
249 care services.

2 presumed to be incapacitated merely by reason of advanced
3 age or disability. With respect to a person who has a

7 shall be made by the attending physician, a qualified
8 physician, a qualified psychologist or an advanced nurse
9 practitioner who has personally examined the person.

10 (b) The determination of incapacity shall be recorded
11 contemporaneously in the person's medical record by the

33 plan based on initial medical and psychiatric examination not
34 later than seven days after he or she is admitted for treatment.
35 The treatment plan shall be updated periodically, consistent
36 with reevaluation of the patient. Failure to accord the patient
37 the requisite periodic examinations or treatment plan and
38 reevaluations entitles the patient to release.

39 (e) A clinical record shall be maintained at a mental
40 health facility for each patient treated by the facility. The
41 record shall contain information on all matters relating to the
42 admission, legal status, care and treatment of the patient and

44 Specifically, the record shall contain results of periodic
45 examinations, individualized treatment programs, evaluations
46 and reevaluations, orders for treatment, orders for application
47 for mechanical restraint and accident reports, all signed by
48 the personnel involved.

49 (f) Every patient, upon his or her admission to a hospital

3 service designed to contribute to the care and treatment of the
4 mentally ill or intellectually disabled, or prevention of such

5 disorders, may be established, maintained or operated by any
6 political subdivision or by any person, persons, association or
7 corporation unless a license therefor is first obtained from the
8 Secretary of the Department of Health and Human
9 Resources. The application for such license shall be
10 accompanied by a plan of the premises to be occupied, and
11 such other data and facts as the secretary may require. The
12 secretary may make such terms and regulations in regard to
13 the conduct of any licensed hospital, center or institution, or
14 part of any licensed hospital, center or institution, as he or
15 she thinks proper and necessary. The secretary, or any person
16 authorized by the secretary has authority to investigate and
17 inspect any licensed hospital, center or institution, or part of
18 any licensed hospital, center or institution, and the
19 secretary may revoke the license of any hospital, center or
20 institution, or part of any hospital, center or institution, for
21 good cause after reasonable notice to the superintendent or
22 other person in charge of the hospital, center or institution.

**CHAPTER 29. MISCELLANEOUS BOARDS AND
OFFICERS.**

**ARTICLE 15. STATE COMMISSION ON INTELLECTUAL
DISABILITY.**

§29-15-1. Creation and composition.

§29-15-5. Purposes.

§29-15-6. State agency for federal intellectual disability program.

§29-15-1. Creation and composition.

1 There is created the State Commission on Intellectual
2 Disability hereinafter referred to as the commission.

3 Pursuant to subsection (g), section one, article two,
4 chapter five-f of this code, the commission created by this
5 section is now incorporated into and administered as part of
6 the Department of Health and Human Resources. All
7 references to the commission in this article shall be construed
8 to mean the Department of Health and Human Resources.

§29-15-5. Purposes.

1 The Department of Health and Human Resources shall
2 take action to carry out the following purposes:

3 (a) Plan for and take other steps leading to
4 comprehensive state and community action to combat
5 intellectual disability.

6 (b) Determine what action is needed to combat
7 intellectual disability in the state and the resources available
8 for this purpose.

9 (c) Develop public awareness of the intellectual disability
10 problem and of the need for combating it.

14 (e) Consult with and advise the Governor and Legislature
15 on all aspects of intellectual disability.

16 (f) Consult with and advise state agencies, boards or
17 departments with intellectual disability responsibilities
18 relative to the effective discharge of such responsibilities.

**§29-15-6. State agency for federal intellectual disability
program.**

1 The Department of Health and Human Resources is
2 designated and established as the sole state agency for
3 receiving appropriations under and carrying out the purposes
4 of section five of Public Law 88-156, eighty-eighth Congress
5 approved October 24, 1963, and any law amending, revising,
6 supplementing or superseding section five of said Public Law
7 88-156.

8 The department constitutes the designated state agency
9 for handling all programs of the federal government relating
10 to intellectual disability requiring action within the state
11 which are not the specific responsibility of another state
12 agency under the provisions of federal law, rules or
13 regulations, or which have not been specifically entrusted to
14 another state agency by the Legislature.

**CHAPTER 44A. WEST VIRGINIA GUARDIANSHIP
AND CONSERVATORSHIP ACT.**

ARTICLE 1. DEFINITIONS AND GENERAL PROVISIONS.

§44A-1-1. Short title and legislative findings.

§44A-1-2. Determinations and appointments under prior law.

§44A-1-1. Short title and legislative findings.

1 This chapter is known and may be cited as the “West
2 Virginia Guardianship and Conservatorship Act.”

3 The Legislature finds that section six, article eight of the
4 Constitution of the State of West Virginia gives it the
5 discretionary authority to pass legislation which “...provides
6 that all matters of probate, the appointment and qualification
7 of personal representatives, guardians, committees and
8 curators, and the settlements of their accounts...” be under the
9 exclusive jurisdiction of circuit courts. The Legislature
10 further finds and declares that the use of the word “all” does
11 not require an interpretation that the Legislature must place
12 every aspect of such matters with circuit courts, but, that
13 because of the discretionary authority given, the Legislature
14 may transfer, from time to time, only those matters which it
15 believes would be better served under the jurisdiction of
16 circuit courts.

17 The Legislature further finds and declares that legal
18 proceedings requiring a tribunal to determine whether
19 persons should be appointed to manage the personal or
20 financial affairs of individuals deemed mentally incompetent,
21 intellectually disabled, mentally handicapped or missing
22 involve considerations of constitutionally protected rights
23 which can best be resolved within the circuit courts of this
24 state.

§44A-1-2. Determinations and appointments under prior law.

1 (a) Any person determined to be “mentally incompetent”,
2 “intellectually disabled” or “mentally handicapped” and for
3 such reason deemed to be in need of a guardian or committee
4 pursuant to any order entered and in effect before the

5 effective date of this chapter is deemed to be a “protected
6 person” within the meaning of this chapter, after its effective
7 date, unless any such determination be revoked or otherwise
8 modified.

9 (b) Any person heretofore appointed to serve as a
10 committee for an incompetent person and any person
11 appointed to serve as a guardian for an individual with an
12 intellectual disability or for a mentally handicapped person,
13 is, as of the effective date of this chapter, deemed to be: (1)
14 A guardian, within the meaning of this chapter, if the order
15 appointing such person provides that the person so appointed
16 has responsibility only for the personal affairs of a mentally
17 incompetent, intellectually disabled or mentally handicapped
18 person; (2) a conservator, within the meaning of this chapter,
19 if the order appointing such person provides that the person
20 so appointed had responsibility only for managing the estate
21 and financial affairs of a mentally incompetent intellectually
22 disabled or mentally handicapped person; or (3) a guardian
23 and a conservator, within the meaning of this chapter, if the
24 order appointing such person does not set forth limitations of
25 responsibility for both the personal affairs and the financial
26 affairs of a mentally incompetent intellectually disabled, or
27 mentally handicapped person.

28 (c) After the effective date of this chapter, the circuit
29 courts have exclusive jurisdiction of all matters involving
30 determinations of mental incompetency, intellectual disability
31 or mental handicap, including the jurisdiction of any
32 proceedings pending as of that effective date. All orders
33 entered before the effective date of this chapter in those cases
34 shall remain in full force and effect until terminated, revoked
35 or modified as provided herein.

36 (d) All persons heretofore appointed to serve as a
37 committee or as a guardian retain their authority, powers and

38 duties in that capacity, except to the extent that their
39 authority, powers and duties as guardian or conservator under
40 the provisions of this chapter are more specifically
41 enumerated, in which event the committee or guardian has
42 the authority, powers and duties so enumerated.

43 Wherever in the Constitution, the Code of West Virginia,
44 Acts of the Legislature or elsewhere in law a reference is
45 made to a committee for an incompetent person, such
46 reference shall be read, construed and understood to mean
47 guardian and/or conservator as defined in this chapter.

48 (e) The provisions of this chapter providing for the
49 presentation of reports by guardians and the presentation of
50 accountings by conservators may not be retroactively applied,
51 and applicable law in effect before the effective date of this
52 chapter controls as to any reports or accountings to be made
53 or filed for any period before the effective date of this
54 chapter.

55 (f) As used in this section, “prior law” refers to article
56 eleven, chapter twenty-seven of this code, relating to the
57 appointment of committees for mentally incompetent
58 persons, and to article ten-a, chapter forty-four, relating to the
59 appointment of guardians for individuals with an intellectual
60 disability and mentally handicapped persons, as those articles
61 were in effect before the effective date of this chapter.

CHAPTER 49. CHILD WELFARE.

ARTICLE 4A. WEST VIRGINIA FAMILY SUPPORT PROGRAM.

§49-4A-6. Regional and state family support councils.

1 (a) Each regional family support agency shall establish a
2 regional family support council comprised of at least seven
3 members, of whom at least a majority shall be persons with
4 developmental disabilities or their parents or primary
5 caregivers. Each regional family support council shall meet
6 at least quarterly to advise the regional family support agency
7 on matters related to local implementation of the family
8 support program and to communicate information and
9 recommendations regarding the family support program to
10 the state Family Support Council.

11 (b) The Secretary of the Department of Health and
12 Human Resources shall appoint a state Family Support
13 Council comprised of at least twenty-two members, of whom
14 at least a majority shall be persons with developmental
15 disabilities or their parents or primary caregivers. A
16 representative elected by each regional council shall serve on
17 the state council. The state council shall also include a
18 representative from each of the following agencies: The state
19 Developmental Disabilities Council, the state Protection and
20 Advocacy Agency, the Center for Excellence in Disabilities,
21 the Office of Special Education, the Behavioral Health Care
22 Providers Association and the Early Intervention Interagency
23 Coordinating Council.

24 (c) The state council shall meet at least quarterly. The
25 state council will participate in the development of program
26 policies and procedures, annual contracts and perform such
27 other duties as are necessary for statewide implementation of
28 the family support program.

29 (d) Members of the state and regional councils who are
30 a member of the family or the primary caregiver of a
31 developmentally disabled person shall be reimbursed for
32 travel and lodging expenses incurred in attending official
33 meetings of their councils. Child care expenses related to the
34 developmentally disabled person shall also be reimbursed.
35 Members of regional councils who are eligible for expense

36 reimbursement shall be reimbursed by their respective
37 regional family support agencies.

59 administration of the secondary chemical test to be
60 administered may, upon the request of the arresting
61 law-enforcement officer and in his or her presence, conduct
62 the secondary test. The results of a test conducted pursuant
63 to this subsection may be used in evidence to the same extent
64 and in the same manner as if the test had been conducted by

83 to believe that person has committed an offense prohibited by
84 section eighteen, article seven, chapter twenty of this code,
85 relating to the operation of a motorboat, jet ski or other
86 motorized vessel, shall follow the provisions of this section

1 (a) The division's law-enforcement policies, practices
2 and programs are under the immediate supervision and
3 direction of the division law-enforcement officer selected by
4 the director and designated as chief natural resources police
5 officer as provided in section thirteen, article one of this
6 chapter.

7 (b) Under the supervision of the director, the chief natural
8 resources police officer shall organize, develop and maintain
9 law-enforcement practices, means and methods geared, timed

49 officers. The jurisdiction of the person appointed as a special
50 natural resources police officer, under this provision, shall be

64 revoke any appointment of an emergency natural resources
65 police officer or of a special natural resources police officer
66 at any time.

67 (g) Natural resources police officers are subject to
68 seasonal or other assignment and detail to duty whenever and
69 wherever required by the functions, services and needs of the
70 division.

71 (h) The chief natural resources police officer shall
72 designate the area of primary residence of each natural
73 resources police officer, including himself or herself. Since
74 the area of business activity of the division is actually
75 anywhere within the territorial confines of the State of West

76 Virginia, actual expenses incurred shall be paid whenever the
77 duties are performed outside the area of primary assignment
78 and still within the state.

79 (i) Natural resources police officers shall receive, in
80 addition to their base pay salary, a minimum monthly
81 subsistence allowance for their required telephone service,
82 dry cleaning or required uniforms, and meal expenses while
83 performing their regular duties in their area of primary
84 assignment in the amount of \$130 each month. This
85 subsistence allowance does not apply to special or emergency
86 natural resources police officers appointed under this section.

87 (j) After June 30, 2010, all those full time
88 law-enforcement officers employed by the Division of
89 Natural Resources as conservation officers shall be titled and
90 known as natural resources police officers. Wherever used

94 (k) Notwithstanding any provision of this code to the
95 contrary, the provisions of subdivision six, subsection c,
96 section twelve, article twenty-one, chapter eleven of this code
97 are inapplicable to pensions of natural resources police
98 officers paid through the Public Employees Retirement

on length of service.**

1 (a) Effective July 1, 2002, each natural resources police

3 based on length of service, including that heretofore and
4 hereafter served as a natural resources police officer as
5 follows: For five years of service with the division, a natural
6 resources police officer shall receive a salary increase of
7 \$600 per year payable during his or her next three years of

8 service and a like increase at three-year intervals thereafter,
9 with these increases to be cumulative. A salary increase shall
10 be based upon years of service as of July 1 of each year and
11 may not be recalculated until July 1 of the following year.

12 Conservation officers in service at the time the
13 amendment to this section becomes effective shall be given
14 credit for prior service and shall be paid salaries as the same
15 length of service will entitle them to receive under the
16 provisions hereof.

17 (b) This section does not apply to special or emergency
18 natural resources police officers appointed under the
19 authority of section one of this article.

**§20-7-1b. Designation of certain federal law-enforcement
officers as special natural resources police
officers.**

6 Engineers projects located within the State of West Virginia.

7 Accordingly, the director of the department of natural
8 resources may enter into a written agreement with a federal
9 agency providing for the appointment of employees of the
10 federal agency as special natural resources police officers and
11 setting forth the terms and conditions within which the
12 federal employees may exercise the powers and duties of
13 special natural resources police officers. The terms and
14 conditions in the agreement shall grant a special natural
15 resources police officer appointed pursuant to the agreement
16 the same powers and duties as prescribed for a full-time
17 salaried natural resources police officer of the department,

18 but shall limit a special natural resources police officer in the
19 exercise of his or her powers and duties to areas within the
20 boundaries of the federal units to which the officer is
21 assigned in his or her federal employment and to situations
22 outside the boundaries of the federal units where the exercise
23 is for the mutual aid of natural resources police officers as set
24 forth in the agreement.

25 Any federal employee whose duties involve the
26 enforcement of the criminal laws of the United States and
27 who possesses a valid law-enforcement certification issued
28 by a federal land management agency which certifies the
29 meeting of requirements at least equivalent to the
30 law-enforcement officer training requirements promulgated
31 pursuant to article twenty-nine, chapter thirty of this code,
32 may be certified under the provisions of said article
33 twenty-nine and appointed as a special natural resources
34 police officer under the provisions of this section. Any
35 special natural resources police officer so appointed may not
36 receive compensation or benefits from the state or any
37 political subdivisions thereof for the performance of his or
38 her duties as a special natural resources police officer.

**§20-7-1c. Natural resources police officer, ranks, salary

44 authority of section one of this article.

45 (d) Nothing in this section prohibits other pay increases
46 as provided under section two, article five, chapter five of
47 this code: *Provided*, That any across-the-board pay increase

21 (c) The disposal of law-enforcement service weapons,
22 when replaced due to routine wear, does not fall under the
23 jurisdiction of the agency for surplus property, within the
24 Purchasing Division of the Department of Administration.
25 The chief natural resources police officer may offer these

27 Natural Resources law-enforcement officer, at fair market

36 this subsection shall contain the provision that in the event of
37 public disaster or emergency where the reassignment to

CHAPTER 22. ENVIRONMENTAL RESOURCES.

ARTICLE 15A. THE A. JAMES MANCHIN REHABILITATION ENVIRONMENTAL ACTION PLAN.

§22-15A-19. **Recycling assessment fee; regulated motor carriers; dedication of proceeds; criminal penalties.**

1 (a) *Imposition.* -- A recycling assessment fee is hereby
2 levied and imposed upon the disposal of solid waste at all solid
3 waste disposal facilities in this state, to be collected at the rate of
4 \$2 per ton or part of a ton of solid waste. The fee imposed by
5 this section is in addition to all other fees levied by law.

6 (b) *Collection, return, payment and records.* -- The
7 person disposing of solid waste at the solid waste disposal
8 facility shall pay the fee imposed by this section, whether or
9 not that person owns the solid waste, and the fee shall be
10 collected by the operator of the solid waste facility who shall
11 remit it to the Tax Commissioner:

12 (1) The fee imposed by this section accrues at the time the
13 solid waste is delivered to the solid waste disposal facility;

14 (2) The operator shall remit the fee imposed by this
15 section to the Tax Commissioner on or before the fifteenth
16 day of the month next succeeding the month in which the fee
17 accrued. Upon remittance of the fee, the operator shall file
18 returns on forms and in the manner as prescribed by the Tax
19 Commissioner;

20 (3) The operator shall account to the state for all fees
21 collected under this section and shall hold them in trust for
22 the state until they are remitted to the Tax Commissioner;

23 (4) If any operator fails to collect the fee imposed by this
24 section, he or she is personally liable for the amount that he
25 or she failed to collect, plus applicable additions to tax,
26 penalties and interest imposed by article ten, chapter eleven
27 of this code;

28 (5) Whenever any operator fails to collect, truthfully
29 account for, remit the fee or file returns with the fee as
30 required in this section, the Tax Commissioner may serve
31 written notice requiring the operator to collect the fees which
32 become collectible after service of the notice, to deposit the
33 fees in a bank approved by the Tax Commissioner, in a
34 separate account, in trust for and payable to the Tax
35 Commissioner, and to keep the amount of the fees in the
36 account until remitted to the Tax Commissioner. The notice
37 remains in effect until a notice of cancellation is served on
38 the operator or owner by the Tax Commissioner;

39 (6) Whenever the owner of a solid waste disposal facility
40 leases the solid waste facility to an operator, the operator is
41 primarily liable for collection and remittance of the fee
42 imposed by this section and the owner is secondarily liable
43 for remittance of the fee imposed by this section. However,
44 if the operator fails, in whole or in part, to discharge his or
45 her obligations under this section, the owner and the operator
46 of the solid waste facility are jointly and severally
47 responsible and liable for compliance with the provisions of
48 this section;

49 (7) If the operator or owner responsible for collecting the
50 fee imposed by this section is an association or corporation,
51 the officers of the association or corporation are liable, jointly
52 and severally, for any default on the part of the association or
53 corporation, and payment of the fee and any additions to tax,
54 penalties and interest imposed by article ten, chapter eleven

56 association or corporation which they represent; and

57 (8) Each person disposing of solid waste at a solid waste
58 disposal facility and each person required to collect the fee
59 imposed by this section shall keep complete and accurate
60 records in the form required by the Tax Commissioner in
61 accordance with the rules of the Tax Commissioner.

62 (c) *Regulated motor carriers.* -- The fee imposed by this
63 section is a necessary and reasonable cost for motor carriers of
64 solid waste subject to the jurisdiction of the Public Service
65 Commission under chapter twenty-four-a of this code.
66 Notwithstanding any provision of law to the contrary, upon the
67 filing of a petition by an affected motor carrier, the Public
68 Service Commission shall, within fourteen days, reflect the cost
69 of the fee in the motor carrier's rates for solid waste removal
70 service. In calculating the amount of the fee to the motor carrier,
71 the Commission shall use the national average of pounds of
72 waste generated per person per day as determined by the United
73 States Environmental Protection Agency.

74 (d) *Definition.* -- For purposes of this section, "solid
75 waste disposal facility" means any approved solid waste
76 facility or open dump in this state and includes a transfer
77 station when the solid waste collected at the transfer station
78 is not finally disposed of at a solid waste facility within this
79 state that collects the fee imposed by this section.

80 Nothing in this section authorizes in any way the creation
81 or operation of or contribution to an open dump.

82 (e) *Exemptions.* -- The following transactions are exempt
83 from the fee imposed by this section:

84 (1) Disposal of solid waste at a solid waste facility by the
85 person who owns, operates or leases the solid waste disposal
86 facility if it is used exclusively to dispose of waste originally

89 cost-sharing or nonprofit basis;

90 (2) Reuse or recycling of any solid waste; and

91 (3) Disposal of residential solid waste by an individual
92 not in the business of hauling or disposing of solid waste on
93 the days and times designated by the Secretary by rule as
94 exempt from the fee imposed pursuant to section eleven,
95 article fifteen, chapter twenty-two of this code.

96 (f) *Procedure and administration.* -- Notwithstanding
97 section three, article ten, chapter eleven of this code, each
98 and every provision of the West Virginia Tax Procedure and
99 Administration Act set forth in article ten, chapter eleven of
100 this code applies to the fee imposed by this section with like
101 effect as if the act were applicable only to the fee imposed by
102 this section and were set forth in extenso in this section.

103 (g) *Criminal penalties.* -- Notwithstanding section two,
104 article nine, chapter eleven of this code, sections three
105 through seventeen, article nine, chapter eleven of this code
106 apply to the fee imposed by this section with like effect as if
107 the sections were the only fee imposed by this section and
108 were set forth in extenso in this section.

109 (h) *Dedication of proceeds.* -- The proceeds of the fee
110 collected pursuant to this section shall be deposited by the
111 Tax Commissioner, at least monthly, in a special revenue
112 account designated as the Recycling Assistance Fund which
113 is hereby continued and transferred to the Department of
114 Environmental Protection. The secretary shall allocate the
115 proceeds of the fund as follows:

121 article. The Secretary shall promulgate rules, in accordance

122 with chapter twenty-nine-a of this code, containing
123 application procedures, guidelines for eligibility, reporting
124 requirements and other matters considered appropriate:
125 *Provided*, That persons responsible for collecting, hauling or
126 disposing of solid waste who do not participate in the
127 collection and payment of the solid waste assessment fee
128 imposed by this section in addition to all other fees and taxes
129 levied by law for solid waste generated in this state which is
130 destined for disposal, are not eligible to receive grants under
131 the provisions of this article;

132 (2) Twelve and one-half percent of the total proceeds
133 shall be expended for personal services and benefit expenses
134 of full-time salaried natural resources police officers;

135 (3) Twelve and one-half percent of the total proceeds
136 shall be directly allocated to the solid waste planning fund;

137 (4) Twelve and one-half percent of the total proceeds
138 shall be transferred to the Solid Waste Reclamation and
139 Environmental Response Fund, established pursuant to
140 section eleven, article fifteen, chapter twenty-two of this
141 code, to be expended by the Department of Environmental
142 Protection to assist in the funding of the pollution prevention
143 and open dumps program (PPOD) which encourages
144 recycling, reuse, waste reduction and clean-up activities; and

145 (5) Twelve and one-half percent of the total proceeds
146 shall be deposited in the Hazardous Waste Emergency

- 5 diplomas and certificates of proficiency by those schools.

6 The certificates of proficiency shall include specific
7 information regarding the graduate's skills, competence and

33 delivery of a nontraditional curriculum, the establishment of
34 licensure requirements for alternative education program
35 teachers, and the establishment of performance measures for
36 school accreditation. This rule shall provide uniform
37 definitions of disruptive student behavior and uniform
38 standards for the placement of students in alternative settings

41 return to a regular classroom without engaging in further
42 disruptive behavior.

43 (c) The state board shall establish up to five pilot projects
44 at the elementary or middle school levels, or both, that
45 employ alternative schools or other placements for disruptive
46 students to learn appropriate behaviors so they can return to

48 environment. The state board shall report to the Legislative
49 Oversight Commission on Education Accountability by

58 of this code, and the student graduates or passes the General
59 Equivalency Development (GED) Tests within five years of
60 beginning ninth grade, that student shall be considered
61 graduated for the purposes of calculating the high school
62 graduation rate used for school accreditation and school
63 system approval, subject to the following:

64 (1) The student shall only be considered graduated to the
65 extent that this is not in conflict with any provision of federal
66 law relating to graduation rates;

67 (2) If the state board determines that this is in conflict
68 with a provision of federal law relating to graduation rates,
69 the state board shall request a waiver from the United States
70 Department of Education; and

71 (3) If the waiver is granted, notwithstanding the
72 provisions of subdivision (1) of this subsection, the student
73 graduating or passing the General Educational Development
74 (GED) Tests within five years shall be considered graduated.

75 (e) The state board shall promulgate a rule to support the

80 twenty-four, article one-b, chapter fifteen of this code, for
81 students who are at risk of not succeeding in the traditional
82 school structure. The rule shall set forth policies and
83 procedures applicable only to the Mountaineer Challenge
84 Academy that provide for, but are not limited to, the
85 following:

86 (1) Implementation of provisions set forth in section
87 twenty-four, article one-b, chapter fifteen of this code;

88 (2) Precedence of the policies and procedures designated by
89 the National Guard Bureau for the operation of the Mountaineer
90 Challenge Academy special alternative education program;

92 Mountaineer Challenge Academy special alternative
93 education program at full enrollment status in the referring
94 county for the purposes of funding and calculating attendance
95 and graduation rates, subject to the following:

96 (A) The student shall only be considered at full
97 enrollment status for the purposes of calculating attendance
98 and graduation rates to the extent that this is not in conflict
99 with any provision of federal law relating to attendance or
100 graduation rates;

101 (B) If the state board determines that this is in conflict
102 with a provision of federal law relating to attendance or
103 graduation rates, the state board shall request a waiver from
104 the United States Department of Education;

105 (C) If the waiver is granted, notwithstanding the
106 provisions of paragraph (A) of this subdivision, the student

107 shall be considered at full enrollment status in the referring
108 county for the purposes of calculating attendance and
109 graduation rates; and

110 (D) Consideration of the student at full enrollment status
111 in the referring county is for the purposes of funding and
112 calculating attendance and graduation rates only. For any
113 other purpose, a student participating in the academy is

124 Challenge Academy special alternative education program
125 who does not meet any other criteria for eligibility.

126 (f) Nothing in this section or the rules promulgated under
127 this section compels the Mountaineer Challenge Academy to

129 be subject to any other laws governing the public schools
130 except by its consent.

131 (g) The state board shall report to the Legislative
132 Oversight Commission on Education Accountability on or
133 before January 1 of each year on its efforts to cooperate with
134 and support the Mountaineer Challenge Academy pursuant
135 to this section and section twenty-four, article one-b, chapter
136 fifteen of this code.

CHAPTER 7

**(S. B. 2006 - By Senators Tomblin,
Mr. President, and Hall)
[By Request of the Executive]**

[Passed July 21, 2010; in effect from passage.]
[Approved by the Governor on July 26, 2010.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §18-2-38; and to amend said code by adding thereto a new article, designated §18-5C-1, §18-5C-2 and §18-5C-3, all relating to school teams and school committees; making legislative findings; requiring state board study; establishing purposes; requiring school application to create or augment collaborative teams by replacing certain school committees; providing that certain committees may not be reorganized; establishing certain authority not superceded; establishing contents of application; establishing local level approval process; providing for appeals of applications not approved by county; requiring state board approval; providing state board authority to waive certain state board rules; authorizing school to institute plan; and requiring state board legislative rules by certain date.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new section, designated §18-2-38; and that said code be amended by adding thereto a new article, designated §18-5C-1, §18-5C-2 and §18-5C-3, all to read as follows:

Article

2. State Board of Education.

5C. Committee Reorganization and Collaborative Team Waviers.

ARTICLE 2. STATE BOARD OF EDUCATION.**§18-2-38. School committees and school teams; legislative findings; state board study.**

1 (a) *Legislative findings.* --

2 (1) The Legislature finds that the ultimate purpose of
3 public education is to create the best possible environment to
4 foster the teaching and learning process and that this purpose
5 is best accomplished when professional educators are
6 involved in direct interaction with students.

7 (2) The Legislature finds further that a number of school
8 committees and school teams have been created over the
9 years, both by state board rule and by state statute, designed
10 to meet the needs of a specific time or place and that these
11 committees and teams sometimes linger long after the
12 specific purpose or need that created them has passed. The
13 time and paperwork required to keep these committees and
14 teams functioning may create a burden for school personnel
15 in certain circumstances.

16 (3) The Legislature finds further that a thorough study is
17 needed to determine the feasibility, effectiveness and
18 necessity of each of these committees and teams in relation
19 to one another and to the needs of the students and schools
20 they are intended to serve.

21 (b) *State board study.* --

22 (1) Therefore, in view of the findings in subsection (a) of
23 this section, it is the intent of the Legislature that the state
24 board undertake a study of each school committee or school
25 team created by statute or by state board rule and determine

26 its organizational goals, effectiveness in meeting those goals,
27 and viability in relation to the demands of time and
28 paperwork it places on principals, teachers and other school
29 personnel. The study further shall consider alternative ways
30 that the goals of these teams and committees may be met to
31 involve stakeholders in the education process while reducing
32 the time demands and the paperwork burden they place on
33 school personnel.

34 (2) The state board shall report its study findings and
35 recommendations, together with draft legislation to
36 implement the recommendations, to the Legislative Oversight
37 Commission on Education Accountability and the Joint
38 Standing Committee on Education by November 1, 2010.

ARTICLE 5C. COMMITTEE REORGANIZATION AND COLLABORATIVE TEAM WAIVERS.

§18-5C-1. Purpose.

§18-5C-2. Application to create or augment existing collaborative teams; content and approval
of application.

§18-5C-3. Rulemaking.

§18-5C-1. Purpose.

1 The purposes of this article are as follows:

2 (1) To facilitate and encourage teacher collaboration by
3 empowering schools to create alternative decision-making
4 processes that address school and classroom improvement.
5 The intent is to authorize reorganization or consolidation of
6 certain school committees and teams required by state board
7 rules, including the Strategic Planning Committee, the
8 Technology Team and the School Support Team; and

9 (2) To recognize that schools in this state differ greatly in
10 enrollment, grade configuration, demographics and student
11 needs and to provide teachers and principals with flexibility

12 to determine the types of committees and teams that are
13 needed to move the school forward.

§18-5C-2. Application to create or augment existing collaborative teams; contents and approval of application; grant of rule waivers for certain school-level committees required by state board rule.

1 (a) *Request for reorganization.* -- A school may submit
2 an application to the state board to create collaborative teams
3 that replace, or to augment its existing collaborative teams by
4 replacing, any or all of the following school-level committees
5 required by state board rule: The Strategic Planning
6 Committee, the Technology Team and the School Support
7 Team. Reorganization under this article may not replace the
8 Local School Improvement Council, the School Curriculum
9 Team, the Student Assistance Team or the Faculty Senate.
10 Reorganization under this article does not supercede the
11 authorization of the faculty senate with approval of the
12 principal to form a collaborative team as an alternative to the
13 school curriculum team pursuant to section six, article five-a
14 of this chapter.

15 (b) *Contents of application.* -- The application shall
16 include:

17 (1) A description of the collaborative teams, which shall
18 address all of the following:

19 (A) An emphasis on teacher collaboration and leadership;

20 (B) School and classroom effectiveness;

21 (C) Involvement and support of stakeholders; and

22 (D) A coherent learner-focused improvement plan;

23 (2) A list of the school-level committees that will be
24 replaced by the collaborative teams, an explanation of how
25 the existing membership of the committees replaced will
26 have representation in the reorganization, and how the roles,
27 responsibilities and tasks of the committees replaced will be
28 instituted in the reorganization;

29 (3) Evidence that the employees and stakeholders who
30 are involved in restructured collaborative teams have, or will
31 enter into, a process of professional learning that develops
32 the necessary knowledge and skills to enhance learner-
33 focused collaboration; and

34 (4) Evidence that employees and stakeholders have
35 researched viable improvement structures and processes and
36 have proposed an effective structure that addresses the
37 particular needs of the school, its students and employees.

38 (c) *Local-level approval.* -- Before submitting the waiver
39 application to the state board, a school shall take the
40 following steps:

41 (1) Present to the faculty senate a detailed explanation of
42 the proposed structure, roles and responsibilities addressed
43 by the reorganization plan;

44 (2) Provide for the chair of the faculty senate to conduct
45 a vote by secret ballot on the issues addressed in the
46 reorganization plan;

47 (3) Obtain a favorable vote for the reorganization plan
48 from at least eighty percent of the faculty senate members
49 present and voting after a quorum is established;

50 (4) Present to the local school improvement council a
51 detailed explanation of the proposed structure, roles and
52 responsibilities addressed by the reorganization plan;

53 (5) If the faculty senate vote is favorable and if it meets
54 the percentage threshold established in subdivision (3) of this
55 subsection, within one week of the vote taken by the faculty
56 senate, provide for the chair of the council to conduct a vote
57 on the issues addressed in the reorganization;

58 (6) Obtain a favorable vote for the reorganization plan
59 from at least eighty percent of the local school improvement
60 council members present and voting after a quorum is
61 established; and

62 (7) Obtain approval for the reorganization plan from the
63 county superintendent and the county board.

64 (d) *State board approval.* -- After meeting the
65 requirements of subsection (c) of this section, the school shall
66 submit its application to the state board. After review of the
67 waiver application, the state board may approve the waiver
68 of rules requiring the Strategic Planning Committee, the
69 Technology Team or the School Support Team. After the
70 state board has reviewed and approved a school's
71 reorganization plan, the school may institute the plan as
72 presented in its application.

§18-5C-3. Rulemaking.

1 By October 1, 2010, the state board shall promulgate a
2 legislative rule in accordance with article three-b, chapter
3 twenty-nine-a of this code to implement the provisions of this
4 article. The rule shall include a process for schools to appeal
5 to the state board for approval of an application under this
6 article for which approval has been denied by the county
7 superintendent or county board, or both.

26 1, 2025, an electric utility shall each year own credits in an
27 amount equal to at least twenty-five percent of the electric
28 energy sold by the electric utility to retail customers in this
29 state in the preceding calendar year.

30 (d) *Interim portfolio standards.* --

31 (1) For the period beginning January 1, 2015, and ending
32 December 31, 2019, an electric utility shall each year own
33 credits in an amount equal to at least ten percent of the
34 electric energy sold by the electric utility to retail customers
35 in this state in the preceding calendar year; and

36 (2) For the period beginning January 1, 2020, and ending
37 December 31, 2024, an electric utility shall each year own

38 credits in an amount equal to at least fifteen percent of the
39 electric energy sold by the electric utility to retail customers
40 in this state in the preceding calendar year.

41 (e) *Double-counting of credits prohibited.* -- Any portion
42 of electricity generated from an alternative or renewable
43 energy resource facility that is used to meet another state's
44 alternative energy, advanced energy, renewable energy or
45 similar energy portfolio standard may not be used to meet the
46 requirements of this section. An electric utility that is subject
47 to an alternative energy, advanced energy, renewable energy
48 or similar energy portfolio standard in any other state shall
49 list, in the alternative and renewable energy portfolio
50 standard compliance plan required under section six of this
51 article, any such requirements and shall indicate how it
52 satisfied those requirements. The electric utility shall provide
53 in the annual progress report required under section six of
54 this article any additional information required by the
55 commission to prevent double-counting of credits.

56 (f) *Carryover.* -- An electric utility may apply any credits
57 that are in excess of the alternative and renewable energy
58 portfolio standard in any given year to the requirements for
59 any future year portfolio standard: *Provided,* That the
60 electric utility determines to the satisfaction of the
61 commission that such credits were in excess of the portfolio
62 standard in a given year and that such credits have not
63 previously been used for compliance with a portfolio
64 standard.

65 (g) *Compliance assessments.* --

66 (1) On or after January 1, 2015, and each year thereafter,
67 the commission shall determine whether each electric utility
68 doing business in this state is in compliance with this section.
69 If, after notice and a hearing, the commission determines that
70 an electric utility has failed to comply with an alternative and
71 renewable energy portfolio standard, the commission shall

72 impose a compliance assessment on the electric utility which
73 shall equal at least the lesser of the following:

74 (A) Fifty dollars multiplied by the number of additional
75 credits that would be needed to meet an alternative and
76 renewable energy portfolio standard in a given year; or

77 (B) Two hundred percent of the average market value of
78 credits sold in a given year multiplied by the number of
79 additional credits needed to meet the alternative and
80 renewable energy portfolio standard for that year.

81 (2) Compliance assessments collected by the commission
82 pursuant to this subsection shall be deposited into the
83 Alternative and Renewable Energy Resources Research Fund
84 established in section eleven of this article.

85 (h) *Force majeure*. --

86 (1) Upon its own initiative or upon the request of an
87 electric utility, the commission may modify the portfolio
88 standard requirements of an electric utility in a given year or
89 years or recommend to the Legislature that the portfolio
90 standard requirements be eliminated if the commission
91 determines that alternative or renewable energy resources are
92 not reasonably available in the marketplace in sufficient
93 quantities for the electric utility to meet the requirements of
94 this article.

95 (2) In making its determination, the commission shall
96 consider whether the electric utility made good faith efforts
97 to acquire sufficient credits to comply with the requirements
98 of this article. Such good faith efforts shall include, but are
99 not limited to, banking excess credits, seeking credits through
100 competitive solicitations and seeking to acquire credits
101 through long-term contracts. The commission shall assess
102 the availability of credits on the open market. The
103 commission may also require that the electric utility solicit
104 credits before a request for modification may be granted.

105 (3) If an electric utility requests a modification of its
106 portfolio standard requirements, the commission shall make
107 a determination as to the request within sixty days.

108 (4) Commission modification of an electric utility's
109 portfolio standard requirements shall apply only to the
110 portfolio standard in the year or years modified by the
111 commission. Commission modification may not
112 automatically reduce an electric utility's alternative and
113 renewable energy portfolio standard requirements in future
114 years.

115 (5) If the commission modifies an electric utility's
116 portfolio standard requirements, the commission may also
117 require the electric utility to acquire additional credits in
118 subsequent years equivalent to the requirements reduced by
119 the commission in accordance with this subsection.

120 (i) *Termination* -- The provisions of this section shall
121 have no force and effect after June 30, 2026.

**§24-2F-9. Interagency agreements; alternative and renewable
energy resource planning assessment.**

1 (a) *Interagency agreements*. -- The commission may
2 enter into interagency agreements with the Department of
3 Environmental Protection and the Division of Energy to carry
4 out the responsibilities set forth in this article.

5 (b) *Alternative and renewable energy resource planning*
6 *assessment*. -- The commission, in cooperation with the
7 Department of Environmental Protection and the Division of
8 Energy, shall conduct an ongoing alternative and renewable
9 energy resource planning assessment for this state that shall,
10 at a minimum: (i) Identify current and operating alternative
11 and renewable energy resource facilities in this state; (ii)
12 assess the potential to add future generating capacity in this
13 state from alternative and renewable energy resource
14 facilities; (iii) assess the conditions of the alternative and

15 renewable energy resource marketplace, including costs
16 associated with alternative and renewable energy; (iv) assess
17 the economic impacts of this article on coal and coal mining
18 in West Virginia; (v) recommend methods to maintain or
19 increase the relative competitiveness of the alternative and
20 renewable energy resource market in this state; and (vi)
21 recommend to the Legislature additional compliance goals
22 for alternative and renewable energy portfolio standards
23 beyond 2025.

24 The commission shall report the initial results of its
25 assessment to the Governor, the President of the Senate and
26 the Speaker of the House of Delegates within three years of
27 the effective date of this article and shall report the ongoing
28 results of the assessment on a yearly basis thereafter, except
29 that on or before January 1, 2012, the commission, in
30 collaboration with the Public Energy Authority, shall report
31 the initial results of its assessment to the Joint Committee on
32 Government and Finance.

5 and overseas citizens, as defined by 42 U.S.C. §1973ff, et

9 the federal government under the Military and Overseas
10 Voter Empowerment Act Pub. L. No. 111-84 (2009). Pilot

20 submitted a proposal shall be notified by the Secretary of
21 State that the application has either been approved or denied.

22 (d) Following the primary election, the Secretary shall
23 evaluate the functional effectiveness of pilot programs
24 conducted under this article and shall terminate any program
25 that fails to adequately and securely ensure that absent
26 uniformed services voters and overseas voters have their
27 absentee ballots cast and counted in the primary election.

28 (e) Ninety days following the 2010 primary election and
29 ninety days following the 2010 general election, the
30 Secretary shall submit to the Legislature reports on the

53 confidentiality of members' personal data.
- 54 (B) System protects the security, integrity, and

73 (E) System provides mechanism for verifying that the
74 system is operating the way it is supposed to; this may
75 involve mathematical procedures or cryptographic protocols
76 that will reveal if ballots have been tampered with, audit
77 trails, or other mechanisms suggested by the vendor.

78 (F) System automatically verifies the number of ballots
79 sent in and the size and consistency of the database(s), and
80 warns the administrator and stops the voting until the
81 administrator manually authorizes it to continue.

15 court, upon verification of the act of pardon and after a
16 hearing to determine that good cause exists, may enter an
17 order directing that all public record of the petitioner's
18 conviction be expunged. For the purposes of this section,
19 “public record” or “record” does not include the records of
20 the Governor, the Legislature or the Secretary of State that
21 pertain to a grant of pardon. Such records that pertain to a
22 grant of pardon are not subject to an order of expungement.
23 The amendment to this section during the fourth
24 extraordinary session of the Legislature in the year 2009 is
25 not for the purpose of changing existing law, but is intended
26 to clarify the intent of the Legislature as to existing law
27 regarding expungement.

28 (b) The record expunged pursuant to the provisions of
29 this section may not be considered in an application to any
30 educational institution in this state or an application for any
31 licensure required by any professional organization in this
32 state.

33 (c) No person shall be eligible for expungement pursuant
34 to this section until one year after having been pardoned.

35 (d) No person shall be eligible for expungement pursuant
36 to this section until five years after the discharge of his or her
37 sentence upon the conviction for which he or she was
38 pardoned.

39 (e) No person shall be eligible for expungement of a
40 record of conviction of first degree murder, as defined in
41 section one, article two, chapter sixty-one of this code;
42 treason, as defined in section one, article one of said chapter;
43 kidnapping, as defined in section fourteen-a, article two of
44 said chapter; or any felony defined in article eight-b of said
45 chapter.

CHAPTER 61. CRIMES AND THEIR PUNISHMENT.

ARTICLE 11. GENERAL PROVISIONS CONCERNING CRIMES.

§61-11-26. Expungement of certain criminal convictions; procedures; effect.

1 (a) Any person convicted of a misdemeanor offense or
2 offenses arising from the same transaction committed while
3 he or she was between the ages of eighteen and twenty-six,
4 inclusive, may, pursuant to the provisions of this section,
5 petition the circuit court in which the conviction or
6 convictions occurred for expungement of the conviction or
7 convictions and the records associated therewith. The clerk
8 of the circuit court shall charge and collect in advance the
9 same fee as is charged for instituting a civil action pursuant
10 to subdivision (1), subsection (a), section eleven, article one,
11 chapter fifty-nine of this code for a petition for expungement.

12 (b) Expungement shall not be available for any conviction
13 of an offense listed in subsection (i) of this section. The relief

14 afforded by this subsection is only available to persons having
15 no other prior or subsequent convictions other than minor traffic
16 violations at the time the petition is filed: *Provided*, That at the
17 time the petition is filed and during the time the petition is
18 pending, petitioner may not be the subject of an arrest or any
19 other pending criminal proceeding. No person shall be eligible
20 for expungement pursuant to the provisions of subsection (a) of
21 this section until one year after the conviction, completion of
22 any sentence of incarceration or probation, whichever is later in
23 time.

24 (c) Each petition to expunge a conviction or convictions
25 pursuant to this section shall be verified under oath and
26 include the following information:

27 (1) Petitioner's current name and all other legal names or
28 aliases by which petitioner has been known at any time;

29 (2) All of petitioner's addresses from the date of the
30 offense or alleged offense in connection with which an
31 expungement order is sought to date of the petition;

32 (3) Petitioner's date of birth and social security number;

33 (4) Petitioner's date of arrest, the court of jurisdiction and
34 criminal complaint, indictment, summons or case number;

35 (5) The statute or statutes and offense or offenses for
36 which petitioner was charged and of which petitioner was
37 convicted;

38 (6) The names of any victim or victims, or that there were
39 no identifiable victims;

40 (7) Whether there is any current order for restitution,
41 protection, restraining order or other no contact order
42 prohibiting the petitioner from contacting the victims or
43 whether there has ever been a prior order for restitution,

44 protection or restraining order prohibiting the petitioner from
45 contacting the victim. If there is such a current order,
46 petitioner shall attach a copy of that order to his or her
47 petition;

48 (8) The court's disposition of the matter and punishment
49 imposed, if any;

50 (9) Why expungement is sought, such as, but not limited
51 to, employment or licensure purposes, and why it should be
52 granted;

53 (10) The steps the petitioner has taken since the time of
54 the offenses toward personal rehabilitation, including
55 treatment, work or other personal history that demonstrates
56 rehabilitation;

57 (11) Whether petitioner has ever been granted
58 expungement or similar relief regarding a criminal conviction
59 by any court in this state, any other state or by any federal
60 court; and

61 (12) Any supporting documents, sworn statements,
62 affidavits or other information supporting the petition to
63 expunge.

64 (d) A copy of the petition, with any supporting
65 documentation, shall be served by petitioner pursuant to the
66 rules of the trial court upon the Superintendent of the State
67 Police; the prosecuting attorney of the county of conviction;
68 the chief of police or other executive head of the municipal
69 police department wherein the offense was committed; the
70 chief law-enforcement officer of any other law-enforcement
71 agency which participated in the arrest of the petitioner; the
72 superintendent or warden of any institution in which the
73 petitioner was confined; the magistrate court or municipal
74 court which disposed of the petitioner's criminal charge; and
75 all other state and local government agencies whose records

76 would be affected by the proposed expungement. The
77 prosecutorial office that had jurisdiction over the offense or
78 offenses for which expungement is sought shall serve by first
79 class mail the petition for expungement, accompanying
80 documentation and any proposed expungement order to any
81 identified victims.

82 (e) Upon receipt of a petition for expungement, the
83 Superintendent of the State Police; the prosecuting attorney of
84 the county of conviction; the chief of police or other executive
85 head of the municipal police department wherein the offense
86 was committed; the chief law-enforcement officer of any other
87 law-enforcement agency which participated in the arrest of the
88 petitioner; the superintendent or warden of any institution in
89 which the petitioner was confined; the magistrate court or
90 municipal court which disposed of the petitioner's criminal
91 charge; all other state and local government agencies whose
92 records would be affected by the proposed expungement and
93 any other interested individual or agency that desires to oppose
94 the expungement shall, within thirty days of receipt of the
95 petition, file a notice of opposition with the court with
96 supporting documentation and sworn statements setting forth the
97 reasons for resisting the petition for expungement. A copy of
98 any notice of opposition with supporting documentation and
99 sworn statements shall be served upon the petitioner in
100 accordance with trial court rules. The petitioner may file a reply
101 no later than ten days after service of any notice of opposition to
102 the petition for expungement.

103 (f) The burden of proof shall be on the petitioner to prove
104 by clear and convincing evidence that: (1) The conviction or
105 convictions for which expungement is sought are the only
106 convictions against petitioner and that the conviction or
107 convictions are not excluded from expungement by
108 subsection (j) of this section; (2) that the requisite time period
109 has passed since the conviction or convictions or end of the
110 completion of any sentence of incarceration or probation; (3)
111 petitioner has no criminal charges pending against him or

112 her; (4) the expungement is consistent with the public
113 welfare; (5) petitioner has, by his or her behavior since the
114 conviction or convictions, evidenced that he or she has been
115 rehabilitated and is law-abiding; and (6) any other matter
116 deemed appropriate or necessary by the court to make a
117 determination regarding the petition for expungement.

118 (g) Within sixty days of the filing of a petition for
119 expungement the circuit court shall:

120 (1) Summarily grant the petition;

121 (2) Set the matter for hearing; or

122 (3) Summarily deny the petition if the court determines
123 that the petition is insufficient or, based upon supporting
124 documentation and sworn statements filed in opposition to
125 the petition, the court determines that the petitioner, as a
126 matter of law, is not entitled to expungement.

127 (h) If the court sets the matter for hearing, all interested
128 parties who have filed a notice of opposition shall be notified.
129 At the hearing, the court may inquire into the background of
130 the petitioner and shall have access to any reports or records
131 relating to the petitioner that are on file with any law-
132 enforcement authority, the institution of confinement, if any,
133 and parole authority or other agency which was in any way
134 involved with the petitioner's arrest, conviction, sentence and
135 post-conviction supervision, including any record of arrest or
136 conviction in any other state or federal court. The court may
137 hear testimony of witnesses and any other matter the court
138 deems proper and relevant to its determination regarding the
139 petition. The court shall enter an order reflecting its ruling on
140 the petition for expungement with appropriate findings of fact
141 and conclusions of law.

142 (i) No person shall be eligible for expungement of a
143 conviction and the records associated therewith pursuant to

144 the provisions of subsection (a) of this section for any
145 violation involving the infliction of serious physical injury;
146 involving the provisions of article eight-b of this chapter
147 where the petitioner was eighteen years old, or older, at the
148 time the violation occurred and the victim was twelve years
149 of age, or younger, at the time the violation occurred;
150 involving the use or exhibition of a deadly weapon or
151 dangerous instrument; of the provisions of subsection (b) or
152 (c), section nine, article two of this chapter where the victim
153 was a spouse, a person with whom the person seeking
154 expungement had a child in common or with whom the
155 person seeking expungement ever cohabitated prior to the
156 offense; any violation of the provisions of section twenty-
157 eight of said article; a conviction for driving under the
158 influence of alcohol, controlled substances or a conviction for
159 a violation of section three, article four, chapter seventeen-b
160 of this code or section nineteen, article eight of this chapter.

161 (j) If the court grants the petition for expungement, it
162 shall order the sealing of all records in the custody of the
163 court and expungement of any records in the custody of any
164 other agency or official, including law-enforcement records.
165 Every agency with records relating to the arrest, charge or
166 other matters arising out of the arrest or conviction that is
167 ordered to expunge records shall certify to the court within
168 sixty days of the entry of the expungement order that the
169 required expungement has been completed. All orders
170 enforcing the expungement procedure shall also be sealed.
171 For the purposes of this section, "records" do not include the
172 records of the Governor, the Legislature or the Secretary of
173 State that pertain to a grant of pardon. Such records that
174 pertain to a grant of pardon are not subject to an order of
175 expungement. The amendment to this section during the
176 fourth extraordinary session of the Legislature in the year
177 2009 is not for the purpose of changing existing law, but is
178 intended to clarify the intent of the Legislature as to existing
179 law regarding expungement.

180 (k) Upon expungement, the proceedings in the matter
181 shall be deemed never to have occurred. The court and other
182 agencies shall reply to any inquiry that no record exists on
183 the matter. The person whose record is expunged shall not
184 have to disclose the fact of the record or any matter relating
185 thereto on an application for employment, credit or other type
186 of application.

187 (l) Inspection of the sealed records in the court's
188 possession may thereafter be permitted by the court only
189 upon a motion by the person who is the subject of the records
190 or upon a petition filed by a prosecuting attorney that
191 inspection and possible use of the records in question are
192 necessary to the investigation or prosecution of a crime in
193 this state or another jurisdiction. If the court finds that the
194 interests of justice will be served by granting a petition to
195 inspect the sealed record, it may be granted.

Mr. President, and Caruth)
[By Request of the Executive]**

[Passed November 20, 2009; in effect from passage.]

[Approved by the Governor on December 7, 2009.]

AN ACT to amend and reenact §11-14C-5 and §11-14C-48 of the Code of West Virginia, 1931, as amended; and to amend and reenact §11-15-18b of said code, all relating to adjusting the minimum values for computations relating to the flat rate and variable rate of the motor fuel excise tax; increasing the annual minimum average wholesale price of motor fuel computation;

establishing variable restrictions on the average wholesale price of motor fuel computation; terminating the Motor Fuel Excise Tax Shortfall Reserve Fund; and transferring all moneys remaining in the fund to the State Road Fund for the purpose of reconstructing, renovating, maintaining or repairing secondary roads.

Be it enacted by the Legislature of West Virginia:

That §11-14C-5 and §11-14C-48 of the Code of West Virginia, 1931, as amended, be amended and reenacted; and that §11-15-18b of said code be amended and reenacted, all to read as follows:

Article

14C. Motor Fuel Excise Tax.

15. Consumers Sales and Service Tax.

ARTICLE 14C. MOTOR FUEL EXCISE TAX.

§11-14C-5. Taxes levied; rate.

§11-14C-48. Motor Fuel Excise Tax Shortfall State Road Fund support payment.

§11-14C-5. Taxes levied; rate.

1 (a) There is hereby levied on all motor fuel an excise tax
 2 composed of a flat rate equal to \$.205 per invoiced gallon
 3 plus a variable component comprised of either the tax
 4 imposed by section eighteen-b, article fifteen of this chapter
 5 or the tax imposed under section thirteen-a, article fifteen-a
 6 of this chapter, as applicable: *Provided*, That the motor fuel
 7 excise tax shall take effect January 1, 2004: *Provided*,
 8 *however*, That the variable component shall be equal to five
 9 percent of the average wholesale price of the motor fuel:
 10 *Provided further*, That the average wholesale price shall be
 11 no less than \$.97 per invoiced gallon and is computed as
 12 hereinafter prescribed in this section: *And provided further*,
 13 That on and after January 1, 2010, the average wholesale
 14 price shall be no less than \$2.34 per invoiced gallon and is
 15 computed as hereinafter prescribed in this section.

16 (b) *Determination of average wholesale price.* --

17 (1) To simplify determining the average wholesale price
18 of all motor fuel, the Tax Commissioner shall, effective with
19 the period beginning the first day of the month of the
20 effective date of the tax and each January 1 thereafter,
21 determine the average wholesale price of motor fuel for each
22 annual period on the basis of sales data gathered for the
23 preceding period of July 1 through October 31. Notification
24 of the average wholesale price of motor fuel shall be given by
25 the Tax Commissioner at least thirty days in advance of each
26 January 1 by filing notice of the average wholesale price in
27 the State Register and by any other means as the Tax
28 Commissioner considers reasonable.

29 (2) The “average wholesale price” means the single,
30 statewide average per gallon wholesale price, rounded to the
31 third decimal (thousandth of a cent), exclusive of state and
32 federal excise taxes on each gallon of motor fuel, as
33 determined by the Tax Commissioner from information
34 furnished by suppliers, importers and distributors of motor fuel
35 in this state, or other information regarding wholesale selling
36 prices as the Tax Commissioner may gather, or a combination
37 of information: *Provided*, That in no event shall the average
38 wholesale price be determined to be less than \$.97 per gallon
39 of motor fuel: *Provided, however*, That for calendar year 2009,
40 the average wholesale price of motor fuel shall not exceed the
41 average wholesale price of motor fuel for calendar year 2008
42 as determined pursuant to the notice filed by the Tax
43 Commissioner with the Secretary of State on November 21,
44 2007, and published in the State Register on November 30,
45 2007: *Provided further*, That on and after January 1, 2010, in
46 no event shall the average wholesale price be determined to be
47 less than \$2.34 per gallon of motor fuel: *And provided further*,
48 That on and after January 1, 2011, the average wholesale price
49 shall not vary by more than ten percent from the average
50 wholesale price of motor fuel as determined by the Tax
51 Commissioner for the previous calendar year.

52 (3) All actions of the Tax Commissioner in acquiring data
53 necessary to establish and determine the average wholesale
54 price of motor fuel, in providing notification of his or her
55 determination prior to the effective date of any change in
56 rate, and in establishing and determining the average
57 wholesale price of motor fuel may be made by the Tax
58 Commissioner without compliance with the provisions of
59 article three, chapter twenty-nine-a of this code.

60 (4) In any administrative or court proceeding brought to
61 challenge the average wholesale price of motor fuel as
62 determined by the Tax Commissioner, his or her
63 determination is presumed to be correct and shall not be set
64 aside unless it is clearly erroneous.

65 (c) There is hereby levied a floorstocks tax on motor fuel
66 held in storage outside the bulk transfer/terminal system as of
67 the close of the business day preceding January 1, 2004, and
68 upon which the tax levied by this section has not been paid.
69 For the purposes of this section, "close of the business day"
70 means the time at which the last transaction has occurred for
71 that day. The floorstocks tax is payable by the person in
72 possession of the motor fuel on January 1, 2004. The amount
73 of the floorstocks tax on motor fuel is equal to the sum of the
74 tax rate specified in subsection (a) of this section multiplied
75 by the gallons in storage as of the close of the business day
76 preceding January 1, 2004.

77 (1) Persons in possession of taxable motor fuel in storage
78 outside the bulk transfer/terminal system as of the close of
79 the business day preceding January 1, 2004, shall:

80 (A) Take an inventory at the close of the business day
81 preceding January 1, 2004, to determine the gallons in
82 storage for purposes of determining the floorstocks tax;

83 (B) Report no later than January 31, 2004, the gallons on
84 forms provided by the commissioner; and

85 (C) Remit the tax levied under this section no later than
86 June 1, 2004.

87 (2) In the event the tax due is paid to the commissioner
88 on or before January 31, 2004, the person remitting the tax
89 may deduct from their remittance five percent of the tax
90 liability due.

91 (3) In the event the tax due is paid to the commissioner
92 after June 1, 2004, the person remitting the tax shall pay, in
93 addition to the tax, a penalty in the amount of five percent of
94 the tax liability due.

95 (4) In determining the amount of floorstocks tax due
96 under this section, the amount of motor fuel in dead storage
97 may be excluded. There are two methods for calculating the
98 amount of motor fuel in dead storage:

99 (A) If the tank has a capacity of less than ten thousand
100 gallons, the amount of motor fuel in dead storage is two
101 hundred gallons and if the tank has a capacity of ten thousand
102 gallons or more, the amount of motor fuel in dead storage is
103 four hundred gallons; or

104 (B) Use the manufacturer's conversion table for the tank
105 after measuring the number of inches between the bottom of
106 the tank and the bottom of the mouth of the drainpipe:
107 *Provided*, That the distance between the bottom of the tank
108 and the bottom of the mouth of the draw pipe is presumed to
109 be six inches.

110 (d) Every licensee who, on the effective date of any rate
111 change, has in inventory any motor fuel upon which the tax
112 or any portion thereof has been previously paid shall take a
113 physical inventory and file a report thereof with the
114 commissioner, in the format as required by the commissioner,
115 within thirty days after the effective date of the rate change,

116 and shall pay to the commissioner at the time of filing the
117 report any additional tax due under the increased rate.

§11-14C-48. Motor Fuel Excise Tax Shortfall State Road Fund support payment.

1 There is hereby created in the State Treasury a special
2 fund to be known and designated as the Motor Fuel Excise
3 Tax Shortfall Reserve Fund to be administered by the Tax
4 Commissioner for the purposes provided by this section. The
5 fund shall consist of moneys transferred to the General
6 Revenue Fund pursuant to appropriation of the Legislature.
7 At the end of each fiscal year, during the fund's existence,
8 the moneys in the fund shall not expire to the General Fund,
9 but shall remain available for expenditure during the ensuing
10 fiscal year. The fund shall terminate on December 1, 2009.
11 Any moneys remaining in the fund on that termination date
12 shall be transferred to the State Road Fund and used only for
13 the purpose of reconstruction, renovation, maintenance and
14 repair of secondary roads.

ARTICLE 15. CONSUMERS SALES AND SERVICE TAX.

§11-15-18b. Tax on motor fuel effective January 1, 2004.

1 (a) *General.* -- Effective January 1, 2004, all sales of
2 motor fuel subject to the flat rate of the tax imposed by
3 section five, article fourteen-c of this chapter are subject to
4 the tax imposed by this article which shall comprise the
5 variable component of the tax imposed by said section and be
6 collected and remitted at the time the tax imposed by said
7 section is remitted. Sales of motor fuel upon which the tax
8 imposed by this article has been paid shall not thereafter be
9 again taxed under the provisions of this article. This section
10 is construed so that all gallons of motor fuel sold and
11 delivered, or delivered, in this state are taxed one time.

12 (b) *Measure of tax.* -- The measure of tax imposed by this
13 article on sales of motor fuel is the average wholesale price
14 as defined and determined in section five, article fourteen-c
15 of this chapter. For purposes of maintaining revenue for
16 highways, and recognizing that the tax imposed by this article
17 is generally imposed on gross proceeds from sales to ultimate
18 consumers, whereas the tax on motor fuel herein is imposed
19 on the average wholesale price of the motor fuel; in no case,
20 for the purposes of taxation under this article, shall the
21 average wholesale price be determined to be less than \$.97
22 per gallon of motor fuel for all gallons of motor fuel sold
23 during the reporting period, notwithstanding any provision of
24 this article to the contrary: *Provided*, That on and after
25 January 1, 2010, for the purpose of taxation under this article,
26 in no case shall the average wholesale price be determined to
27 be less than \$2.34 per gallon of motor fuel for all gallons of
28 motor fuel sold during the reporting period, notwithstanding
29 any provision of this article to the contrary.

30 (c) *Definitions.* -- For purposes of this article, the terms
31 “gasoline” and “special fuel” are defined as provided in
32 section two, article fourteen-c of this chapter. Other terms
33 used in this section have the same meaning as when used in
34 a similar context in said article.

35 (d) *Tax return and tax due.* -- The tax imposed by this
36 article on sales of motor fuel shall be paid by each taxpayer
37 on or before the last day of the calendar month by check,
38 bank draft, certified check or money order payable to the Tax
39 Commissioner for the amount of tax due for the preceding
40 month, notwithstanding any provision of this article to the
41 contrary: *Provided*, That the commissioner may require all or
42 certain taxpayers to file tax returns and payments
43 electronically. The return required by the commissioner shall
44 accompany the payment of tax: *Provided, however*, That if
45 no tax is due, the return required by the commissioner shall
46 be completed and filed on or before the last day of the month.

47 (e) *Compliance.* -- To facilitate ease of administration
48 and compliance by taxpayers, the Tax Commissioner shall
49 require persons liable for the tax imposed by this article on
50 sales of motor fuel to file a combined return and make a
51 combined payment of the tax due under this article on sales
52 of motor fuel and the tax due under article fourteen-c of this
53 chapter on motor fuel. In order to encourage use of a
54 combined return each month and the making of a single
55 payment each month for both taxes, the due date of the return
56 and tax due under said article is the last day of each month,
57 notwithstanding any provision in said article to the contrary.

58 (f) *Dedication of tax.* -- All tax collected under the
59 provisions of this section, after deducting the amount of any
60 refunds lawfully paid, shall be deposited in the Road Fund in
61 the State Treasurer's office and used only for the purpose of
62 construction, reconstruction, maintenance and repair of
63 highways and payment of principal and interest on state
64 bonds issued for highway purposes: *Provided,* That
65 notwithstanding any provision to the contrary, any tax
66 collected on the sale of aviation fuel after deducting the
67 amount of any refunds lawfully paid shall be deposited in the
68 State Treasurer's office and transferred to the State
69 Aeronautical Commission to be used for the purpose of
70 matching federal funds available for the reconstruction,
71 maintenance and repair of public airports and airport
72 runways.

73 (g) *Construction.* -- This section is not construed as
74 taxing any sale of motor fuel which this state is prohibited
75 from taxing under the constitution of this state or the
76 constitution or laws of the United States.

77 (h) *Effective date.* -- The provisions of this section take
78 effect on January 1, 2004. The provisions of this section
79 enacted during the 2007 legislative session take effect on
80 January 1, 2008.

28 with the provisions of former article six of this chapter or this
29 article shall be or remain mandatory and shall be governed by

43 sixteen through twenty-eight, inclusive, of this article, the
44 word “member” means any paid police officer or firefighter
45 who at time of appointment to a paid police or fire
46 department met the medical requirements of chapter 2-2 of

55 member’s deferred compensation under sections 125, 401(k),
56 414(h)(2) and 457 of the United States Internal Revenue
57 Code of 1986, as amended: *Provided*, That the remuneration
58 received by the member during any twelve-consecutive-
59 month period used in determining benefits which is in excess
60 of an amount which is twenty percent greater than the
61 “average adjusted salary” received by the member in the two
62 consecutive twelve-consecutive-month periods immediately
63 preceding the twelve-consecutive-month period used in
64 determining benefits shall be disregarded: *Provided*,
65 *however*, That the “average adjusted salary” means the

79 remuneration, such product shall equal “year-one adjusted
80 salary”; year-two total remuneration shall be multiplied by
81 the ratio of year-three base salary, exclusive of all overtime
82 and other remuneration, to year-two base salary, exclusive of
83 all overtime and other remuneration, such product shall equal
84 “year-two adjusted salary”; and the arithmetic average of
85 year-one adjusted salary and year-two adjusted salary shall
86 equal the average adjusted salary.

87 (e)(1) Any municipality, as that term is defined in section
88 two, article one of this chapter, or municipal subdivision as

89 defined in section two, article twenty-two-a of this chapter
90 may, by a majority vote of its governing body, close its
91 existing policemen's or firemen's pension and relief fund to
92 employees newly hired on or after January 1, 2010, if the
93 municipality enrolls those newly hired police officers or
94 firefighters in a retirement plan created in article twenty-two-
95 a of this chapter and approved and administered by the West
96 Virginia Consolidated Public Retirement Board. On and
97 after July 1, 2010, no new policemen's or firemen's pension

105 (2) Any municipality using the alternative method of
106 financing that elects to close an existing pension and relief
107 fund to new hires pursuant to this subsection shall also adopt
108 the optional method of financing the unfunded actuarial
109 accrued liability of the existing policemen's or firemen's
110 pension and relief fund as provided in subsection (e), section
111 twenty of this article.

112 (3) Except as provided in section thirty-two, article
113 twenty-two-a of this chapter, if the qualifying municipality
114 elects to close enrollment in an existing municipal pension
115 and relief fund to newly hired police officers and firefighters
116 pursuant to this section, all current active members, retirees
117 and other beneficiaries covered by the existing policemen's
118 or firemen's pension and relief fund shall remain covered by
119 that plan and shall be paid all benefits of that plan in
120 accordance with Part III of this article.

§8-22-17. Powers and duties of boards of trustees; training.

2 name and style of “The Board of Trustees of the Policemen’s
3 Pension and Relief Fund of (name of municipality)”, or “The
4 Board of Trustees of the Firemen’s Pension and Relief Fund
5 of (name of municipality)”, as the case may be, by which
6 names they may sue and be sued, plead and be impleaded,
7 contract and be contracted with, take and hold real and
8 personal property for the use of the policemen’s pension and
9 relief fund or the firemen’s pension and relief fund and have
10 and use a common seal. In the absence of a seal, the seal of
11 the president of the corporation shall be equivalent to a
12 common seal. A board of trustees may also in its corporate
13 name do and perform any and all other acts and business
14 pertaining to the trust created hereby or by any conveyance,
15 devise or dedication made for the uses and purposes of the
16 board.

17 (b) After June 30, 1981, any board of trustees and any
18 members of a board shall, as fund fiduciaries, discharge their
19 duties with respect to pension and relief funds solely in the
20 interest of the members and members’ beneficiaries for the
21 exclusive purpose of providing benefits to members and their
22 beneficiaries and defraying reasonable expenses of
23 administering the fund.

24 (c) The board of trustees of each fund shall deliver a copy
25 of the fund’s current rules, regulations and procedures to the
26 State Treasurer or oversight board established by section
27 eighteen-a of this article on or before March 1, 2010, and
28 thereafter within thirty days of any approved change in the
29 rules, regulations or procedures.

30 (d) Each member of a board of trustees shall attend
31 training in matters relating to trustee duties as may be
32 required by the oversight board pursuant to section eighteen-a
33 of this article.

§8-22-18a. West Virginia Municipal Pensions Oversight Board created; powers and duties; management; composition; terms; quorum; expenses; reports.

1 (a)(1) There is established, on the effective date of the
2 enactment of this section during the fourth extraordinary
3 session of the Legislature in 2009, the West Virginia
4 Municipal Pensions Oversight Board for the purpose of
5 monitoring and improving the performance of municipal
6 policemen's and firemen's pension and relief funds to assure
7 prudent administration, investment and management of the
8 funds. Management of the oversight board shall be vested
9 solely in the members of the oversight board. Duties of the
10 oversight board shall include, but not be limited to, assisting
11 municipal boards of trustees in performing their duties,
12 assuring the funds' compliance with applicable laws,
13 providing for actuarial studies, distributing tax revenues to
14 the funds, initiating or joining legal actions on behalf of
15 active or retired pension fund members or municipal boards
16 of trustees to protect interests of the members in the funds,
17 and taking other actions as may be reasonably necessary to
18 provide for the security and fiscal integrity of the pension
19 funds. The oversight board's authority to initiate legal action
20 does not preempt the authority of municipalities; municipal
21 policemen's and firemen's boards of trustees; or pension
22 fund active members, beneficiaries or others to initiate legal
23 action to protect interests in the funds. The oversight board
24 is created as a public body corporate. Establishment of the
25 oversight board does not relieve the municipal funds' boards
26 of trustees from their fiduciary and other duties to the funds,
27 nor does it create any liability for the funds on the part of the
28 state. Members and employees of the oversight board are not
29 liable personally, either jointly or severally, for debts or
30 obligations of the municipal pension and relief funds.
31 Members and employees of the oversight board have a
32 fiduciary duty toward the municipal pension and relief funds
33 and are liable for malfeasance or gross negligence.

34 Employees of the oversight board are nonclassified state
35 employees.

36 (2) The oversight board shall consist of nine members.
37 The executive director of the state's Investment Management
38 Board and the executive director of the state's Consolidated
39 Public Retirement Board, or their designees, shall serve as
40 voting ex-officio members. The other seven members shall
41 be citizens of the state who have been qualified electors of
42 the state for a period of at least one year next preceding their
43 appointment and shall be as follows: An active or retired
44 member of a municipal policemen's pension and relief fund
45 chosen from a list of three persons submitted to the Governor
46 by the state's largest professional municipal police officers
47 organization, an active or retired member of a municipal
48 firemen's pension and relief fund chosen from a list of three
49 persons submitted to the Governor by the state's largest
50 professional firefighters organization, an attorney
51 experienced in finance and investment matters related to
52 pensions management, two persons experienced in pension
53 funds management, one person who is a certified public
54 accountant experienced in auditing and one person chosen
55 from a list of three persons submitted to the Governor by the
56 state's largest association of municipalities.

57 (3) On the effective date of the enactment of this section
58 as amended during the fourth extraordinary session of the
59 Legislature in 2009, the Governor shall forthwith appoint the
60 members, with the advice and consent of the Senate. The
61 Governor may remove any member from the oversight board
62 for neglect of duty, incompetency or official misconduct.

63 (b) The oversight board has the power to:

64 (1) Enter into contracts, to sue and be sued, to implead
65 and be impleaded;

66 (2) Promulgate and enforce bylaws and rules for the
67 management and conduct of its affairs;

68 (3) Maintain accounts and invest those funds which the
69 oversight board is charged with receiving and distributing;

70 (4) Make, amend and repeal bylaws, rules and procedures
71 consistent with the provisions of this article and article
72 thirty-three of this code;

73 (5) Notwithstanding any other provision of law, retain or
74 employ, fix compensation, prescribe duties and pay expenses
75 of legal, accounting, financial, investment, management and
76 other staff, advisors or consultants as it considers necessary,
77 including the hiring of legal counsel and actuary; and

78 (6) Do all things necessary and appropriate to implement
79 and operate the board in performance of its duties. Expenses
80 shall be paid from the moneys in the Municipal Pensions
81 Security Fund created in section eighteen-b of this article or,
82 prior to the transition provided in section eighteen-b of this
83 article, the Municipal Pensions and Protection Fund:
84 *Provided*, That the board may request special appropriation
85 for special projects.

86 (c) Except for ex-officio members, the terms of oversight
87 board members shall be staggered initially from January 1,
88 2010. The Governor shall appoint initially one member for
89 a term of one year, one member for a term of two years, two
90 members for terms of three years, one member for a term of
91 four years and two members for terms of five years.
92 Subsequent appointments shall be for terms of five years. A
93 member serving two full consecutive terms may not be
94 reappointed for one year after completion of his or her second
95 full term. Each member shall serve until that member's
96 successor is appointed and qualified. Any member may be
97 removed by the Governor in case of incompetency, neglect

98 of duty, gross immorality or malfeasance in office. Any
99 vacancy on the oversight board shall be filled by appointment
100 by the Governor for the balance of the unexpired term.

101 (d) A majority of the full authorized membership of the
102 oversight board constitutes a quorum. The board shall meet
103 at least quarterly each year, but more often as duties require,
104 at times and places that it determines. The oversight board
105 shall elect a chairperson and a vice chairperson from their
106 membership who shall serve for terms of two years and shall
107 select annually a secretary/treasurer who may be either a
108 member or employee of the board. The oversight board shall
109 employ an executive director and other staff as needed and
110 shall fix their duties and compensation. The compensation of
111 the executive director shall be subject to approval of the
112 Governor. Except for any special appropriation as provided
113 in subsection (b) of this section, all personnel and other
114 expenses of the board shall be paid from revenue collected
115 and allocated for municipal policemen's or municipal
116 firemen's pension and relief funds pursuant to section
117 fourteen-d, article three, chapter thirty-three of this code and
118 distributed through the Municipal Pensions and Protection
119 Fund or the Municipal Pensions Security Fund created in
120 section eighteen-b of this article. Expenses during the initial
121 year of the board's operation shall be from proceeds of the
122 allocation for the municipal pensions and relief funds.
123 Expenditures in years thereafter shall be by appropriation
124 from the Municipal Pensions Security Fund. Money
125 allocated for municipal policemen's and firemen's pension
126 and relief funds to be distributed from the Municipal
127 Pensions and Protection Fund or the Municipal Pensions
128 Security Fund shall be first allocated to pay expenses of the
129 oversight board and the remainder in the fund distributed
130 among the various municipal pension and relief funds as
131 provided in section fourteen-d, article three, chapter thirty-
132 three of this code. The board is exempt from the provisions
133 of sections seven and eleven, article three, chapter twelve of

134 this code relating to compensation and expenses of members,
135 including travel expenses.

136 (e) Members of the oversight board shall serve the board
137 without compensation for their services: *Provided*, That no
138 public employee member may suffer any loss of salary or
139 wages on account of his or her service on the board. Each
140 member of the board shall be reimbursed, on approval of the
141 board, for any necessary expenses actually incurred by the
142 member in carrying out his or her duties. All reimbursement
143 of expenses shall be paid out of the Municipal Pensions
144 Security Fund.

145 (f) The board may contract with other state boards or
146 state agencies to share offices, personnel and other
147 administrative functions as authorized under this article:
148 *Provided*, That no provision of this subsection may be
149 construed to authorize the board to contract with other state
150 boards or state agencies to otherwise perform the duties or
151 exercise the responsibilities imposed on the board by this
152 code.

153 (g) The board shall propose rules for legislative approval
154 in accordance with the provisions of article three, chapter
155 twenty-nine-a of this code as necessary to implement the
156 provisions of this article, and may initially promulgate
157 emergency rules pursuant to the provisions of section fifteen,
158 article three, chapter twenty-nine-a of this code.

159 (h) The oversight board shall report annually to the
160 Legislature's Joint Committee on Government and Finance
161 and the Joint Committee on Pensions and Retirement
162 concerning the status of municipal policemen's and firemen's
163 pension and relief funds and shall present recommendations
164 for strengthening and protecting the funds and the benefit
165 interests of the funds' members.

166 (i) The oversight board shall cooperate with the West
167 Virginia Investment Management Board and the Board of
168 Treasury Investments to educate members of the local
169 pension boards of trustees on the services offered by the two
170 state investment boards. No later than October 31, 2013, the
171 board shall report to the Joint Committee on Government and
172 Finance and the Joint Committee on Pensions and Retirement
173 a detailed comparison of returns on long-term investments of
174 moneys held by or allocated to municipal pension and relief
175 funds managed by the West Virginia Investment
176 Management Board and those managed by others than the
177 Investment Management Board. The oversight board shall
178 also report at that time on short-term investment returns by
179 local pension boards using the West Virginia Board of
180 Treasury Investments compared to short-term investment
181 returns by those local boards of trustees not using the Board
182 of Treasury Investments.

183 (j) The oversight board shall establish minimum
184 requirements for training to be completed by each member of
185 the board of trustees of a municipal policemen's or firemen's
186 pension and relief fund. The requirements should include,
187 but not be limited to, training in ethics, fiduciary duty and
188 investment responsibilities.

189 (k) The Joint Committee on Pensions and Retirement
190 shall study deferred retirement option programs (DROPs) and
191 shall provide opportunities for professional police officer and
192 firefighter organizations to present information on DROPs to
193 the committee, to consider and evaluate elements of the
194 programs to assess how the programs may best serve the
195 public interest. The committee shall report any findings,
196 conclusions or recommendations, along with drafts of any
197 proposed legislation, to the Joint Committee on Government
198 and Finance by November 30, 2010.

§8-22-18b. Creation of Municipal Pensions Security Fund; transfer of certain powers, duties and functions of Treasurer's office to Municipal Pensions Oversight Board.

1 (a) The Legislature finds that an important part of
2 oversight of municipal policemen's and firemen's pension
3 and relief funds is monitoring the performance required of
4 the various funds to qualify to receive distribution of
5 insurance premium tax revenues provided by section
6 fourteen-d, article three, chapter thirty-three of this code.
7 The duties and functions of the State Treasurer's office with
8 respect to monitoring and distribution are transferred from
9 the State Treasurer's office to the West Virginia Municipal
10 Pensions Oversight Board effective January 1, 2010:
11 *Provided*, That until the oversight board is fully organized
12 and operating, some duties and functions being performed by
13 the State Treasurer's office prior to January 1, 2010, may be
14 continued by that office temporarily as necessary to effect an
15 orderly transition of responsibilities and provide for prompt
16 distribution of the insurance premium tax proceeds for
17 expenses of the oversight board and to the municipal
18 policemen's and firemen's pension and relief funds.

19 (b) There is hereby created in the State Treasury a
20 nonexpiring special revenue fund designated the West
21 Virginia Municipal Pensions Security Fund which shall be
22 administered by the West Virginia Municipal Pensions
23 Oversight Board solely for the purposes as provided in this
24 article and article three, chapter thirty-three of this code. All
25 earnings shall accrue to and be retained by the fund.

26 (c) Until the oversight board advises the Insurance
27 Commissioner and the State Treasurer in writing that the
28 oversight board is prepared to receive into and distribute
29 from the West Virginia Municipal Pensions Security Fund
30 premium tax revenues as provided in section fourteen-d,

31 article three, chapter thirty-three of this code and section
32 seven, article twelve-c of said chapter, the commissioner
33 shall continue to transfer the funds into the Municipal
34 Pensions and Protection Fund and the State Treasurer shall
35 continue to disburse funds to the qualifying municipal
36 pension and relief funds, and shall disburse funds as
37 necessary for the establishment and early operation of the
38 oversight board. The Insurance Commissioner, the State
39 Treasurer and oversight board shall share information freely
40 as required for efficient transfer of powers and duties related
41 to the premium tax revenues generated pursuant to chapter
42 thirty-three of this code to be allocated to the municipal
43 policemen's and firemen's pension and relief funds. When
44 the oversight board assumes full responsibility to receive
45 funds into and disburse funds from the Municipal Pensions
46 Security Fund, the State Treasurer shall transfer to it all funds
47 remaining in the Municipal Pensions and Protection Fund and
48 close the Municipal Pensions and Protection Fund.

§8-22-19. Levy to maintain fund.

1 (a)(1) In order for a municipal policemen's or firemen's
2 pension and relief fund to receive the allocable portion of
3 moneys from the Municipal Pensions and Protection Fund
4 established in section fourteen-d, article three, chapter thirty-
5 three of this code and funds from the Municipal Pensions
6 Security Fund created in section eighteen-b of this article, the
7 governing body of the municipality shall levy annually and
8 in the manner provided by law for other municipal levies and
9 include within the maximum levy or levies permitted by law
10 and, if necessary, in excess of any charter provision, a tax at
11 such rate as will, after crediting: (A) The amount of the
12 contributions received during the year from the members of
13 the respective paid police department or paid fire department;
14 and (B) the allocable portion of the Municipal Pensions and
15 Protection Fund established in section fourteen-d, article
16 three, chapter thirty-three of this code and funds from the

17 Municipal Pensions Security Fund created in section
18 eighteen-b of this article, provide funds equal to the amount
19 necessary to meet the minimum standards for actuarial
20 soundness as provided in section twenty of this article. The
21 amount shall be irrevocably contributed, accumulated and
22 invested as fund assets as described in sections twenty-one
23 and twenty-two of this article. One twelfth of each
24 municipality's annual contributions shall be deposited with
25 the municipality's pension trust funds as fund assets on at
26 least a monthly basis and any revenues received from any
27 source by a municipality which are specifically collected for
28 the purpose of allocation for deposit into the policemen's
29 pension and relief fund or firemen's pension and relief fund
30 shall be so deposited within five days of receipt by the
31 municipality. Heretofore surplus reserves accumulated
32 before the effective date of this section shall be irrevocably
33 contributed, aggregated and invested as fund assets described
34 in sections twenty-one and twenty-two of this article. Any
35 actuarial deficiency arising under this section and section
36 twenty of this article shall not be the obligation of the State
37 of West Virginia.

38 (2) The levies authorized under the provisions of this
39 section, or any part of them, may by the governing body be
40 laid in addition to all other municipal levies and, to that
41 extent, beyond the limit of levy imposed by the charter of the
42 municipality; and the levies shall supersede and if necessary
43 exclude levies for other purposes, where other purposes have
44 not already attained priority, and within the limitations on
45 taxes or tax levies imposed by the constitution and laws.

46 (b) The public corporations are authorized to take by gift,
47 grant, devise or bequest any money or real or personal
48 property on such terms as to the investment and expenditures
49 thereof as may be fixed by the grantor or determined by the
50 trustees.

51 (c) Notwithstanding provisions in section six of this
52 article, in addition to all other sums provided for pensions in
53 this section, it is the duty of every municipality in which any
54 fund or funds have been or shall be established to assess and
55 collect from each member of the paid police department or
56 paid fire department or both each month, the sum of seven
57 percent of the actual salary or compensation of such member;
58 and the amount so collected shall become a regular part of
59 the policemen's pension and relief fund, if collected from a
60 policeman, and of the firemen's pension and relief fund, if
61 collected from a fireman: *Provided*, That for members of the
62 funds who are police officers or firefighters newly hired on
63 or after January 1, 2010, the municipality shall assess and
64 collect nine and one-half percent of the actual salary or
65 compensation. Only those funds for which the board of
66 trustees has collected and paid the contributions as herein
67 provided and meeting minimum standards for actuarial
68 soundness shall be eligible to receive moneys from the
69 additional fire and casualty insurance premium tax as
70 provided in section fourteen-d, article three, chapter thirty-
71 three of this code: *Provided, however*, That the board of
72 trustees for each pension and relief fund may assess and
73 collect from each member of the paid police department or
74 paid fire department or both each month not more than an
75 additional two and one-half percent of the actual salary or
76 compensation of each member, but not to exceed nine and
77 one-half percent total contribution: *Provided further*, That if
78 any board of trustees decides to assess and collect any
79 additional amount pursuant to this subdivision above the
80 member contribution required by this section, then that board
81 of trustees may not reduce the additional amount until the
82 respective pension and relief fund no longer has any actuarial
83 deficiency: *And provided further*, That if any board of
84 trustees decides to assess and collect any additional amount,
85 any board of trustees decision and any additional amount is
86 not the liability of the State of West Virginia. Member
87 contributions shall be deposited in the pension and relief fund
88 within five days of being collected.

89 (d)(1) For the fiscal year beginning on July 1, 2010, and
90 subject to provisions of subsection (c), section eighteen-b of
91 this article and section fourteen-d, article three, chapter
92 thirty-three of this code and for each fiscal year thereafter,
93 the Municipal Pensions Oversight Board shall receive and
94 retain the moneys allocated to the Municipal Pensions
95 Security Fund until such time as the treasurer of the
96 municipality applies for the allocable portion and certifies in
97 writing to Municipal Pensions Oversight Board that:

98 (A) The municipality has irrevocably contributed the
99 amount required under this section and section twenty of this
100 article to the pension and relief fund for the required period;
101 and

102 (B) The board of trustees of the pension and relief fund
103 has made a report to the governing body of the municipality
104 and to the oversight board on the condition of its fund with
105 respect to the fiscal year.

106 (2) When the aforementioned application and
107 certification are made, the allocable portion of moneys from
108 the Municipal Pensions and Protection Fund, or the
109 Municipal Pensions Security Fund, once established, shall be
110 paid to the corresponding policemen's or firemen's pension
111 and relief fund. Payment to a municipal pension and relief
112 fund shall be made by electronic funds transfer.

113 (e) The State Auditor and the oversight board have the
114 power, and the duty as each considers necessary, to perform
115 or review audits on the pension and relief funds or to employ
116 an independent consulting actuary or accountant to determine
117 the compliance of the aforementioned certification with the
118 requirements of this section and section twenty of this article.
119 The expense of the audit or determination shall be paid from
120 the portion of the Municipal Pensions and Protection Fund
121 allocable to municipal policemen's and firemen's pension

122 and relief funds or from the Municipal Pensions Security
123 Fund pursuant to provisions of subsection (c), section
124 eighteen-b of this article. If the allocable portion of the
125 Municipal Pensions and Protection Fund or the Municipal
126 Pensions Security Fund is not paid to the pension and relief
127 fund within eighteen months, the portion is forfeited by the
128 pension and relief fund and is allocable to other eligible
129 municipal policemen's and firemen's pension and relief
130 funds in accordance with section fourteen-d, article three,
131 chapter thirty-three of this code.

§8-22-20. Actuary; actuarial valuation report; minimum standards for annual municipality contributions to the fund; definitions; actuarial review and audit.

1 (a) The oversight board shall contract with or employ a
2 qualified actuary to annually prepare an actuarial valuation
3 report on each pension and relief fund. The expense of the
4 actuarial report shall be paid from moneys in the Municipal
5 Pensions Security Fund. Uses of the actuarial valuations
6 from the qualified actuary shall include, but not be limited to,
7 determining a municipal policemen's or firemen's pension
8 and relief fund's eligibility to receive state money and to
9 provide supplemental benefits.

10 (b) The actuarial valuation report provided pursuant to
11 subsection (a) of this section shall consist of, but is not
12 limited to, the following disclosures: (1) The financial
13 objective of the fund and how the objective is to be attained;
14 (2) the progress being made toward realization of the
15 financial objective; (3) recent changes in the nature of the
16 fund, benefits provided or actuarial assumptions or methods;
17 (4) the frequency of actuarial valuation reports and the date
18 of the most recent actuarial valuation report; (5) the method
19 used to value fund assets; (6) the extent to which the
20 qualified actuary relies on the data provided and whether the

21 data was certified by the fund's auditor or examined by the
22 qualified actuary for reasonableness; (7) a description and
23 explanation of the actuarial assumptions and methods; and
24 (8) any other information the qualified actuary feels is
25 necessary or would be useful in fully and fairly disclosing the
26 actuarial condition of the fund.

27 (c)(1) Except as provided in subsection (e) of this section,
28 beginning June 30, 1991, and thereafter, the financial
29 objective of each municipality shall not be less than to
30 contribute to the fund annually an amount which, together
31 with the contributions from the members and the allocable
32 portion of the Municipal Pensions and Protection Fund for
33 municipal pension and relief funds established under section
34 fourteen-d, article three, chapter thirty-three of this code or a
35 municipality's allocation from the Municipal Pensions
36 Security Fund created in section eighteen-b of this article and
37 other income sources as authorized by law will be sufficient
38 to meet the normal cost of the fund and amortize any
39 actuarial deficiency over a period of not more than forty
40 years beginning from July 1, 1991: *Provided*, That in the
41 fiscal year ending June 30, 1991, the municipality may elect
42 to make its annual contribution to the fund using an
43 alternative contribution in an amount not less than: (i) One
44 hundred seven percent of the amount contributed for the
45 fiscal year ending June 30, 1990; or (ii) an amount equal to
46 the average of the contribution payments made in the five
47 highest fiscal years beginning with the fiscal year ending
48 1984, whichever is greater: *Provided, however*, That
49 contribution payments in subsequent fiscal years under this
50 alternative contribution method may not be less than one
51 hundred seven percent of the amount contributed in the prior
52 fiscal year: *Provided further*, That in order to avoid
53 penalizing municipalities and to provide flexibility when
54 making contributions, municipalities using the alternative
55 contribution method may exclude a one-time additional
56 contribution made in any one year in excess of the minimum

57 required by this section: *And provided further*, That the
58 governing body of any municipality may elect to provide an
59 employer continuing contribution of one percent more than
60 the municipality's required minimum under the alternative
61 contribution plan authorized in this subsection: *And provided*
62 *further*, That if any municipality decides to contribute an
63 additional one percent, then that municipality may not reduce
64 the additional contribution until the respective pension and
65 relief fund no longer has any actuarial deficiency: *And*
66 *provided further*, That any decision and any contribution
67 payment by the municipality is not the liability of the State of
68 West Virginia: *And provided further*, That if any
69 municipality or any pension fund board of trustees makes a
70 voluntary election and thereafter fails to contribute the
71 voluntarily increase as provided in this section and in
72 subdivision (4), subsection (b), section nineteen of this
73 article, then the board of trustees is not eligible to receive
74 funds allocated under section fourteen-d, article three,
75 chapter thirty-three of this code: *And provided further*, That
76 prior to using this alternative contribution method the actuary
77 of the fund shall certify in writing that the fund is projected
78 to be solvent under the alternative contribution method for
79 the next consecutive fifteen-year period. For purposes of
80 determining this minimum financial objective: (i) The value
81 of the fund's assets shall be determined on the basis of any
82 reasonable actuarial method of valuation which takes into
83 account fair market value; and (ii) all costs, deficiencies, rate
84 of interest and other factors under the fund shall be
85 determined on the basis of actuarial assumptions and methods
86 which, in aggregate, are reasonable (taking into account the
87 experience of the fund and reasonable expectations) and
88 which, in combination, offer the qualified actuary's best
89 estimate of anticipated experience under the fund: *And*
90 *provided further*, That any municipality which elected the
91 alternative funding method under this section and which has
92 an unfunded actuarial liability of not more than twenty-five
93 percent of fund assets, may, beginning September 1, 2003,

94 elect to revert to the standard funding method, which is to
95 contribute to the fund annually an amount which is not less
96 than an amount which, together with the contributions from
97 the members and the allocable portion of the Municipal
98 Pensions and Protection Fund for municipal pension and
99 relief funds established under section fourteen-d, article
100 three, chapter thirty-three of this code and other income
101 sources as authorized by law, will be sufficient to meet the
102 normal cost of the fund and amortize any actuarial deficiency
103 over a period of not more than forty years, beginning from
104 July 1, 1991.

105 (2) No municipality may anticipate or use in any manner
106 any state funds accruing to the police or firemen's pension
107 fund to offset the minimum required funding amount for any
108 fiscal year.

109 (3) Notwithstanding any other provision of this section or
110 article to the contrary, each municipality shall contribute
111 annually to the fund an amount which may not be less than
112 the normal cost, as determined by the actuarial report.

113 (4) The actuarial process, which includes the selection of
114 methods and assumptions, shall be reviewed by the qualified
115 actuary no less than once every five years. Furthermore, the
116 qualified actuary shall provide a report to the oversight board
117 with recommendations on any changes to the actuarial
118 process.

119 (5) The oversight board shall hire an independent
120 reviewing actuary to perform an actuarial audit of the work
121 performed by the qualified actuary no less than once every
122 seven years.

123 (d) For purposes of this section, the term "qualified
124 actuary" means only an actuary who is a member of the

125 Society of Actuaries or the American Academy of Actuaries.
126 The qualified actuary shall be designated a fiduciary and
127 shall discharge his or her duties with respect to a fund solely
128 in the interest of the members and members' beneficiaries of
129 that fund. In order for the standards of this section to be met,
130 the qualified actuary shall certify that the actuarial valuation
131 report is complete and accurate and that in his or her opinion
132 the technique and assumptions used are reasonable and meet
133 the requirements of this section.

134 (e)(1) Beginning January 1, 2010, municipalities may
135 choose the optional method of financing municipal
136 policemen's or firemen's pension and relief funds as outlined
137 in this subsection in lieu of the standard or alternative
138 methods as provided in subdivision (1), subsection (c) of this
139 section. The optional method provides an option to the
140 existing standard or alternative methods of financing the
141 funds.

142 (2) For those municipalities choosing the optional method
143 of finance, the minimum standard for annual municipality
144 contributions to each policemen's or firemen's pension and
145 relief fund shall be an amount which, together with the
146 contributions from the members and allocable portion of the
147 Municipal Pensions and Protection Fund or Municipal
148 Pensions Security Fund created in section eighteen-b of this
149 article, and other income sources as authorized by law, will
150 be sufficient to meet the normal cost of the fund and amortize
151 any actuarial deficiency over a period of not more than forty
152 years beginning January 1, 2010: *Provided*, That those
153 municipalities using the standard method of financing in
154 2009 shall continue to amortize their actuarial deficiencies
155 over a period of not more than forty years beginning July 1,
156 1991. The required contribution shall be determined each
157 plan year as described above by the actuary retained by the
158 oversight board, based on an actuarial valuation reflecting
159 actual demographic and investment experience and consistent

160 with the Actuarial Standards of Practice published by the
161 Actuarial Standards Board.

162 (3) A municipality choosing the optional method of
163 financing a policemen's or firemen's pension and relief fund
164 as provided in this subsection shall close the fund to police
165 officers or fire fighters newly hired on or after January 1,
166 2010, and provide for those employees to be members of the
167 Municipal Police Officers and Firefighters Retirement
168 System as established in article twenty-two-a of this chapter.

§8-22-20a. Hiring of actuary; preparation of actuarial valuations.

1 (a)(1) The Legislature finds that it is in the best interests
2 of the state and its municipalities to have accurate data
3 regarding the various municipal police and firemen's pension
4 and relief funds.

5 (2) The Legislature finds that the State Treasurer should
6 contract with an actuary as a consultant for the municipal
7 police and firemen's pension and relief funds and among
8 other duties the actuary shall determine if there is consistent
9 reporting from the various funds. The Legislature further
10 finds that the State Treasurer or oversight board should share
11 the results of the actuary's annual valuation with the
12 appropriate municipality.

13 (b) Except as hereinafter provided, beginning July 1,
14 2002, the State Treasurer shall select by competitive bid and
15 contract with a single qualified actuary. The actuary shall
16 serve as a consultant to the Treasurer with regard to the
17 operation of the municipal policemen's and firemen's
18 pension and relief funds and shall report annually to the
19 Treasurer with regard to all funds existing in this state by
20 virtue of this article. Costs associated with the actuary's
21 work shall be paid out of the Municipal Pensions and
22 Protection Fund established pursuant to section fourteen-d,

23 article three, chapter thirty-three of this code. The State
24 Treasurer shall provide the single qualified actuary until the
25 oversight board assumes the duty of providing for the
26 actuary. Thereafter, it shall be the duty of the Municipal
27 Pensions Oversight Board to contract for or to employ the
28 single qualified actuary which, at a minimum, shall serve as
29 a consultant to the oversight board and report annually to the
30 oversight board with regard to all municipal policemen's and
31 firemen's pension and relief funds existing in this state by
32 virtue of this article, and which shall be paid from moneys
33 deposited in the Municipal Pensions Security Fund. Copies
34 of the annual report prepared by the actuary shall be sent to
35 the Joint Committee on Government and Finance, the chair
36 of the House of Delegates Committee on Pensions and
37 Retirement and the chair of the Senate Committee on
38 Pensions. Each municipal pension and relief fund shall
39 receive a copy of the actuary's results related to that fund.

40 (c) With respect to each municipal policemen's or
41 firemen's pension and relief fund, the actuary shall complete
42 an annual valuation in accordance with actuarial standards of
43 practice promulgated by the actuarial standards board of the
44 American Academy of Actuaries. The report of the valuation
45 shall include: (1) A summary of the benefit provisions
46 evaluated; (2) a summary of the census data and financial
47 information used in the valuation; (3) a description of the
48 actuarial assumptions, actuarial costs method and asset
49 valuation method used in the valuation, including a statement
50 of the assumed rate of payroll growth and assumed rate of
51 growth or decline in the number of the fund members'
52 contributions to the pension fund; (4) a summary of findings
53 that includes a statement of the actuarial accrued pension
54 liabilities and unfunded actuarial accrued pension liabilities;
55 (5) a schedule showing the effect of any changes in the
56 benefit provisions, actuarial assumptions or cost methods
57 since the last annual actuarial valuation; (6) a statement of
58 whether contributions to the pension fund are in accordance

59 with the provisions of this chapter and whether they are
60 expected to be sufficient; and (7) any other matters
61 determined by the Treasurer or, on or after January 1, 2010,
62 the oversight board, to be necessary or appropriate.

63 (d)(1) The hiring of an actuary under the provisions of
64 this section shall not be construed to make the municipal
65 policemen's and firemen's pension and relief funds the
66 responsibility or obligation of the State of West Virginia.

67 (2) Any actuarial deficiency identified by the actuary
68 under this section or this article is not an obligation of the
69 State of West Virginia.

**§8-22-22. Investment of funds by boards of trustees; exercise of
discretion in making investments; report of
investment plan.**

1 (a) The board of trustees may invest a portion or all of the
2 fund assets in any of the pools, funds and securities managed
3 by the West Virginia Investment Management Board or West
4 Virginia Board of Treasury Investments or as otherwise
5 provided in this section. The board of trustees shall keep as
6 an available sum for the purpose of making regular
7 retirement, disability retirement, death benefit, payments and
8 administrative expenses in an estimated amount not to exceed
9 payments for a period of ninety days in short-term
10 investments. The board of trustees, in acquiring, investing,
11 reinvesting, exchanging, retaining, selling and managing
12 property for the benefit of the fund, shall do so in accordance
13 with the provisions of the Uniform Prudent Investor Act
14 codified as article six-c, chapter forty-four of this code.
15 Within the limitations of the Uniform Prudent Investor Act,
16 the board of trustees is authorized in its sole discretion to
17 invest and reinvest any funds received by it and not invested
18 with the West Virginia Investment Management Board or
19 West Virginia Board of Treasury Investments.

20 (b) The board of trustees of each fund may delegate
21 investment authority to equity mutual funds managers and/or
22 professional investment advisors registered with the
23 Securities and Exchange Commission, in accordance with the
24 Investment Advisors Act of 1940, and registered with the
25 appropriate state regulatory agencies, if applicable, and who
26 manage assets in excess of \$75 million.

27 (c) The board of trustees of each fund shall deliver to the
28 State Treasurer or oversight board on or before March 1,
29 2010, a copy of the pension and relief fund's investment
30 policy. A board of trustees shall submit to the oversight
31 board any change to the investment policy within thirty days
32 of the board's authorizing the change.

§8-22-22a. Restrictions on investments; disclosure of fees and costs.

1 (a) Moneys invested as permitted by section twenty-two
2 of this article and not invested with the West Virginia
3 Investment Management Board or the Board of Treasury
4 Investments are subject to the following restrictions and
5 conditions contained in this section:

6 (1) The board shall hold in nonreal estate equity
7 investments no more than seventy-five percent of the assets
8 managed by the board and no more than seventy-five percent
9 of the assets of any individual participant plan.

10 (2) The board shall hold in real estate equity investments
11 no more than twenty-five percent of the assets managed by
12 the board and no more than twenty-five percent of the assets
13 of any individual participant plan: *Provided*, That the
14 investment be made only on the recommendation by a
15 professional, third-party fiduciary investment adviser
16 registered with the Securities and Exchange Commission
17 under the Investment Advisors Act of 1940, as amended, on
18 the approval of the board or a committee designated by the

19 board, and on the execution of the transaction by a third-party
20 investment manager: *Provided, however,* That the board's
21 ownership interest in any fund is less than forty percent of the
22 fund's assets at the time of purchase: *Provided further,* That
23 the combined investment of institutional investors, other
24 public sector entities and educational institutions and their
25 endowments and foundations in the fund is in an amount
26 equal to or greater than fifty percent of the board's total
27 investment in the fund at the time of acquisition. For the
28 purposes of this subsection, "fund" means a real estate
29 investment trust traded on a major exchange of the United
30 States of America or a partnership, limited partnership,
31 limited liability company or other entity holding or investing
32 in related or unrelated real estate investments, at least three
33 of which are unrelated and the largest of which is not greater
34 than forty percent of the entity's holdings at the time of
35 purchase.

36 (3) The board shall hold in international securities no
37 more than thirty percent of the assets managed by the board
38 and no more than thirty percent of the assets of any
39 individual participant plan.

40 (4) The board may not at the time of purchase hold more
41 than five percent of the assets managed by the board in the
42 nonreal estate equity securities of any single company or
43 association: *Provided,* That if a company or association has
44 a market weighting of greater than five percent in the
45 Standard & Poor's 500 index of companies, the board may
46 hold securities of that nonreal estate equity equal to its
47 market weighting.

48 (5) No security may be purchased by the board unless the
49 type of security is on a list approved by the board. The board
50 may modify the securities list at any time, and shall review
51 the list annually.

52 (6) Notwithstanding the investment limitations set forth
53 in this section, it is recognized that the assets managed by the
54 board may temporarily exceed the investment limitations in
55 this section due to market appreciation, depreciation and
56 rebalancing limitations. Accordingly, the limitations on
57 investments set forth in this section shall not be considered to
58 have been violated if the board rebalances the assets it
59 manages to comply with the limitations set forth in this
60 section at least once every twelve months based on the latest
61 available market information and any other reliable market
62 data that the board considers advisable to take into
63 consideration, except for those assets authorized by
64 subdivision (2) of this subsection for which compliance with
65 the percentage limitations shall be measured at such time as
66 the investment is made.

67 (7) The board shall annually review, establish and
68 modify, if necessary, the board's investment objectives and
69 investment policy so as to provide for the financial security
70 of the trust funds giving consideration to the following:

- 71 (A) Preservation of capital;
- 72 (B) Diversification;
- 73 (C) Risk tolerance;
- 74 (D) Rate of return;
- 75 (E) Stability;
- 76 (F) Turnover;
- 77 (G) Liquidity; and
- 78 (H) Reasonable cost of fees.

79 (8) The board is expressly prohibited from investing in
80 any class, style or strategy of alternative investments
81 including a private equity fund such as a venture capital,
82 private real estate or buy-out fund; commodities fund;
83 distressed debt fund; mezzanine debt fund; hedge fund; or
84 fund consisting of any combination of private equity,
85 distressed or mezzanine debt, hedge funds, private real estate,
86 commodities and other types and categories of investment
87 permitted under this article;

88 (b) The board of trustees of each fund shall obtain an
89 independent performance evaluation of the funds at least
90 annually and the evaluation shall consist of comparisons with
91 other funds having similar investment objectives for
92 performance results with appropriate market indices; and

93 (c) Each entity conducting business for each pension fund
94 shall fully disclose all fees and costs of investing conducted
95 on a quarterly basis to the trustees of the fund and to the
96 oversight board. Entities conducting business in mutual
97 funds for and on behalf of each pension fund shall timely file
98 revised prospectus and normal quarterly and annual
99 Securities and Exchange Commission reporting documents
100 with the board of trustees of each pension fund.

**§8-22-23a. Eligibility for total and temporary disability
pensions and total and permanent disability
pensions; reporting; light duty.**

1 (a) All members applying for total and temporary or total
2 and permanent disability benefits after June 30, 1981, shall
3 be examined by at least two physicians under the direction of
4 the staff at Marshall University, West Virginia University,
5 Morgantown, or West Virginia University, Charleston:
6 *Provided*, That if a member's medical condition cannot be
7 agreed on by the two physicians, a third physician shall
8 examine the member: *Provided, however*, That beginning

9 January 1, 2010, and continuing thereafter, a member
10 applying for total and temporary or total and permanent
11 disability benefits shall be examined by two physicians, one
12 of which shall be chosen and paid by the member, and one of
13 which shall be chosen and paid by the oversight board. If the
14 two physicians disagree, the oversight board shall select and
15 pay for a third examining physician. Disability benefits shall
16 be awarded if in the opinion of two of the examining
17 physicians the member is by reason of the disability unable
18 to perform adequately the job duties required. Each medical
19 examination shall include the review of the member's
20 medical history, but an examining physician may not have
21 access to the disability examination report or disability
22 recommendation of another physician. The physicians shall
23 send copies of their reports to both the board of trustees of
24 the member's pension and relief fund and the oversight
25 board. The expense of the member's transportation to
26 medical examinations shall be paid by the board of trustees.
27 Medical expense shall not exceed the reasonable and
28 customary charges for similar services. Beginning January
29 1, 2010, and thereafter, if a member is charged with an
30 offense that has the potential to lead to the member's
31 termination, the member's municipal pensions and relief fund
32 board of trustees may not consider the member's eligibility
33 for disability benefits until after investigation of the charge is
34 completed and any disciplinary decision is implemented. No
35 later than January 1, 2011, and annually thereafter, each
36 board of trustees shall report to the oversight board the total
37 number of disability applications received during the prior
38 fiscal year, the status of each application as of the end of the
39 fiscal year, total applications granted and denied and the
40 percentage of disability-benefit recipients to the total number
41 of active members of the fund.

42 (b) Effective for members becoming eligible for total and
43 temporary disability benefits after June 30, 1981, initially or
44 previously under this subsection allowance for initial or

45 additional total and temporary disability payments, the
46 amount thereof to be determined as specified in section
47 twenty-four of this article shall be paid to the member during
48 the disability for a period not exceeding twenty-six weeks if
49 after a medical examination in accordance with subsection (a)
50 of this section two examining physicians report in writing to
51 the board of trustees that: (1) The member has become so
52 totally, physically or mentally disabled, from any reason, as
53 to render the member totally, physically or mentally,
54 incapacitated for employment as a police officer or
55 firefighter; and (2) it has not been determined if the disability
56 is permanent or it has been determined that the disability may
57 be alleviated or eliminated if the member follows a
58 reasonable medical treatment plan or reasonable medical
59 advice: *Provided*, That, in any event, a member is not eligible
60 for total and temporary disability payments following the
61 fourth consecutive 26-week period of total and temporary
62 disability unless subsequent disability results from a cause
63 unrelated to the cause of the four previous periods of total
64 and temporary disability. During the two-year period of total
65 and temporary disability, the department is required to restore
66 the member to his or her former position in the department at
67 any time the member is determined to no longer be disabled:
68 *Provided, however*, That the department may refill, on a
69 temporary basis, the position vacated by s the member after
70 the first twenty-six weeks of his or her temporary disability.

71 (c) Effective for members becoming eligible for total and
72 permanent disability benefits initially under this subsection
73 or becoming eligible for total and temporary disability
74 benefits under subsection (b) of this section after June 30,
75 1981, allowance for total and permanent disability payments,
76 the amount thereof to be determined as specified in section
77 twenty-four of this article, shall be paid to the member after
78 a medical examination in accordance with subsection (a) of
79 this section, two examining physicians report in writing to the
80 board of trustees that the member has become so totally,

81 physically or mentally, and permanently disabled, as a
82 proximate result of service rendered in the performance of his
83 or her duties in the department, as to render the member
84 totally, physically or mentally, and permanently incapacitated
85 for employment as a police officer or firefighter or, if the
86 member has been a member of either of the departments for
87 a period of not less than five consecutive years preceding the
88 disability, the member has become so totally, physically or
89 mentally, and permanently disabled, from any reason other
90 than service rendered in the performance of his or her duties
91 in the department, as to render the member totally, physically
92 or mentally, and permanently incapacitated for employment
93 as a police officer or firefighter. The phrase "totally,
94 physically or mentally, and permanently disabled" shall not
95 be construed to include a medical condition which may be
96 corrected if the member follows a reasonable medical
97 treatment plan or reasonable medical advice.

98 (d) Effective for members becoming eligible for total and
99 temporary disability benefits after June 30, 1981, under the
100 provisions of subsection (b) of this section, any payments for
101 total and temporary disability for a period during the
102 disability not exceeding twenty-six weeks shall cease at the
103 end of the 26-week period under the following conditions:

104 (1) The member fails to be examined as provided in
105 subsection (a) of this section; or (2) the member is examined
106 or reexamined as provided in said subsection and two
107 examining physicians report to the board of trustees that the
108 member's medical condition does not meet the requirements
109 of subsection (b) or (c) of this section. Effective for
110 members becoming eligible for total and temporary disability
111 benefits after June 30, 1981, under subsection (b) of this
112 section, subsequent to the member's receipt of total and
113 temporary disability payments for a period of two years, the
114 payments shall cease at the end of the two-year period under
115 the following conditions: (A) The member fails to be

116 examined as provided in subsection (a) of this section; or (B)
117 the member is examined or reexamined as provided in said
118 subsection and two examining physicians report to the board
119 of trustees that the member's medical condition does not
120 meet the requirements of subsection (c) of this section.

121 (e) Notwithstanding other provisions of this section to the
122 contrary, a member of a municipal policemen's or firemen's

2 paid police or fire department for the purpose of ascertaining
3 certain disability pension benefits, all retirement pension
4 benefits and certain death benefits, the following provisions
5 shall be applicable:

6 (1) Absence from the service because of sickness or

47 benefits from a policemen's or firemen's pension and relief
48 fund, shall continue to receive pension benefits, but on and
49 after July 1, 1985, the pension benefits shall be no less than
50 the amount of \$500 per month; and

51 (2) A former member who became entitled to disability

79 per month, until the individual attains the age of eighteen
80 years or marries, whichever first occurs, but in no event shall
81 the aggregate amount paid to the brothers and sisters exceed
82 \$100 per month. If at any time, because of the number of
83 dependents, all dependents cannot be paid in full as herein
84 provided, then each dependent shall receive a pro rata share
85 of the payments. In no case shall the payments to the

86 surviving spouse and children be cut below sixty-five percent
87 of the total amount paid to all dependents; and

88 (2) A surviving spouse, dependent child or children, or

12 all of the provisions of this article are void and of no force
13 and effect, and memberships in the system will be merged
14 into the Emergency Medical Services Retirement System
15 created in article five-v, chapter sixteen of this code. If

19 with the Internal Revenue Service of either retirement plan.
20 All business of the system shall be transacted in the name of
21 the West Virginia Municipal Police Officers and Firefighters

22 Retirement System. The board shall specify and adopt all

**§8-22A-5. Article to be liberally construed; board to administer
plan; federal qualification requirements.**

1 (a) The provisions of this article shall be liberally
2 construed so as to provide a general retirement system for

5 (b) The board shall administer the plan in accordance
6 with its terms and may construe the terms and determine all
7 questions arising in connection with the administration,
8 interpretation and application of the plan. The board may sue
9 and be sued, contract and be contracted with and conduct all
10 the business of the system in the name of the plan. The board
11 may employ those persons it considers necessary or desirable
12 to administer the plan. The board shall administer the plan
13 for the exclusive benefit of the members and their
14 beneficiaries subject to the specific provisions of the plan.

15 (c) The plan is intended to meet the federal qualification
16 requirements of Section 401(a) and related sections of the
17 Internal Revenue Code as applicable to governmental plans.
18 Notwithstanding any other provision of state law, the board
19 shall administer the plan to fulfill this intent for the exclusive
20 benefit of the members and their beneficiaries. Any
21 provision of this article referencing or relating to these
22 federal qualification requirements is effective as of the date
23 required by federal law. The board may propose rules for
24 promulgation and amend or repeal conflicting rules in
25 accordance with the authority granted to the board pursuant
26 to section one, article ten-d, chapter five of this code to
27 assure compliance with the requirements of this section.

§8-22A-6. Members.

1 (a) A police officer or firefighter first employed in
2 covered employment after the effective date of this article by
3 a municipality or municipal subdivision which has
4 established and maintained a policemen's pension and relief
5 fund or a firemen's pension and relief fund pursuant to
6 section sixteen, article twenty-two of this chapter and which
7 is a participating employer, shall be a member of this
8 retirement plan.

9 (b) Except as provided in section thirty-two of this article,
10 a police officer or firefighter who is a member of the
11 Municipal Police Officers and Firefighters Retirement
12 System may not have credit for covered employment in any
13 other retirement system applied as service credit in the
14 Municipal Police Officers and Firefighters Retirement
15 System.

16 (c) Notwithstanding any other provisions of this article,
17 any individual who is a leased employee is not eligible to
18 participate in the plan. For purposes of this plan, a "leased
19 employee" means any individual who performs services as an
20 independent contractor or pursuant to an agreement with an
21 employee leasing organization or similar organization. If a
22 question arises regarding the status of an individual as a
23 leased employee, the board has final power to decide the
24 question.

§8-22A-7. Creation of fund; investments; actuarial valuations.

1 (a) There is hereby created the West Virginia Municipal
2 Police Officers and Firefighters Retirement Fund for the
3 benefit of the members of the retirement system created
4 pursuant to this article and the dependents of any deceased or
5 retired member of the system.

6 (b) All moneys paid into and accumulated in the fund,
7 except amounts designated by the board for payment of
8 benefits as provided in this article, shall be held in trust and
9 invested in the Consolidated Pensions Fund administered by
10 the West Virginia Investment Management Board as
11 provided by law.

12 (c) The board shall employ a competent actuary or
13 actuarial firm to prepare an actuarial valuation of the assets
14 and liabilities of the fund. The actuarial valuation period
15 shall coincide with the fiscal year of the state.

**§8-22A-8. Members' contributions; employer contributions;
correction of errors.**

1 (a)(1) There shall be deducted from the monthly salary of
2 each member and paid into the fund an amount equal to eight
3 and one-half percent (or ten and one-half percent, if
4 applicable) of his or her monthly salary. An additional
5 amount shall be paid to the fund by the municipality or
6 municipal subdivision in which the member is employed in
7 covered employment in an amount determined by the board:
8 *Provided*, That in no year may the total of the employer
9 contributions provided in this section, to be paid by the
10 municipality or municipal subdivision, exceed ten and one-
11 half percent of the total payroll for the members in the
12 employ of the municipality or municipal subdivision. Any
13 active member who has concurrent employment in an
14 additional job or jobs and the additional employment requires
15 the police officer or firefighter to be a member of another
16 retirement system which is administered by the Consolidated
17 Public Retirement Board pursuant to article ten-d, chapter
18 five of this code shall contribute to the fund the sum of eight
19 and one-half percent (or ten and one-half percent, if
20 applicable) of his or her monthly salary earned as a municipal
21 police officer or firefighter as well as the sum of eight and
22 one-half percent (or ten and one-half percent, if applicable)

23 of his or her monthly salary earned from any additional
24 employment which additional employment requires the
25 police officer or firefighter to be a member of another
26 retirement system which is administered by the Consolidated
27 Public Retirement Board pursuant to article ten-d, chapter
28 five of this code. An additional amount as determined by the
29 board, not to exceed ten and one-half percent of the monthly
30 salary of each member, shall be paid to the fund by the
31 concurrent employer by which the member is employed.

32 (2) The board may, on the recommendation of the
33 board's actuary, increase the employees' contribution rate
34 from eight and one-half percent to ten and one-half percent
35 should the plan not be seventy percent funded by July 1,
36 2014. The board shall decrease the contribution rate to eight
37 and one-half percent on July 1 following the acceptance by
38 the board of an actuarial valuation determining that the plan
39 is seventy-five percent funded. If the plan funding level at a
40 later actuarial valuation date falls below seventy percent, the
41 employee rate of contribution shall be increased to ten and
42 one-half percent of salary until the seventy-five percent level
43 of funding is achieved. The board shall change the employee
44 contribution rate on July 1 following the board's acceptance
45 of the actuarial valuation. At no time may the rate of
46 employee contribution exceed the rate of employer
47 contribution.

48 (b) All required deposits shall be remitted to the board no
49 later than fifteen days following the end of the calendar
50 month for which the deposits are required. If the board on
51 the recommendation of the board actuary finds that the
52 benefits provided by this article can be actuarially funded
53 with a lesser contribution, then the board shall reduce the
54 required member and employer contributions proportionally.
55 Any municipality or municipal subdivision which fails to
56 make any payment due the Municipal Police Officers and
57 Firefighters Retirement Fund by the fifteenth day following

58 the end of each calendar month in which contributions are
59 due may be required to pay the actuarial rate of interest lost
60 on the total amount owed for each day the payment is
61 delinquent. Accrual of the loss of earnings owed by the
62 delinquent municipality or municipal subdivision commences
63 after the fifteenth day following the end of the calendar
64 month in which contributions are due and continues until
65 receipt of the delinquent amount. Interest compounds daily
66 and the minimum surcharge is \$50.

67 (c) If any change or employer error in the records of any
68 participating public employer or the retirement system results
69 in any member or retirant receiving from the system more or
70 less than he or she would have been entitled to receive had
71 the records been correct, the board shall correct the error and
72 as far as is practicable shall adjust the payment of the benefit
73 in a manner that the actuarial equivalent of the benefit to
74 which the member or retirant was correctly entitled shall be
75 paid. Any employer error resulting in an underpayment to
76 the retirement system may be corrected by the member or
77 retirant remitting the required employee contribution and the
78 participating public employer remitting the required
79 employer contribution. Interest shall accumulate in
80 accordance with the legislative rule 162 CSR 7 (retirement
81 board reinstatement interest) and any accumulating interest
82 owed on the employee and employer contributions resulting
83 from the employer error shall be the responsibility of the
84 participating public employer. The participating public
85 employer may remit total payment and the employee
86 reimburse the participating public employer through payroll
87 deduction over a period equivalent to the time period during
88 which the employer error occurred.

§8-22A-9. Retirement; commencement of benefits; insurance requirements during early period.

1 (a) To ensure the fiscal integrity of the retirement system
2 during the start-up phase, no member is entitled to retirement,
3 disability or death benefits under this retirement system until
4 January 1, 2013. Participating municipalities shall purchase
5 insurance for their new plan members to provide coverage in
6 an amount equal to disability coverage otherwise provided in
7 sections seventeen and eighteen of this article and death
8 benefits otherwise provided in sections twenty, twenty-two
9 and twenty-three of this article for claims arising before
10 January 1, 2013.

11 (b) A member may retire and commence to receive
12 retirement income payments on the first day of the calendar
13 month following written application for his or her voluntary
14 petition for retirement coincident with or next following the
15 later of the date the member ceases employment, or the date
16 the member attains early or normal retirement age, in an
17 amount as provided under this article: *Provided*, That
18 retirement income payments under this plan are subject to the
19 provisions of this article. On receipt of the petition, the board
20 shall promptly provide the member with an explanation of his
21 or her optional forms of retirement benefits and on receipt of
22 properly executed forms from the member, the board shall
23 process a member's request for and commence payments as
24 soon as administratively feasible.

§8-22A-10. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and regulations under that section to the
5 extent applicable to governmental plans (hereafter sometimes
6 referred to as the "415 limitation(s)" or "415 dollar
7 limitation(s)"), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any
9 annual benefit payable under this system shall be reduced or

10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this retirement system shall be
13 reduced as compared with the extent to which an annuity,
14 contributions or other benefits under any other defined
15 benefit plans or defined contribution plans required to be
16 taken into consideration under Section 415 of the Internal
17 Revenue Code shall be reduced, shall be proportional on a
18 percentage basis to the reductions made in such other plans
19 required to be so taken into consideration under Section 415,
20 unless a disproportionate reduction is determined by the
21 board to maximize the aggregate benefits payable to the
22 member. If the reduction is under this retirement system, the
23 board shall advise affected members of any additional
24 limitation on the annuities or other annual benefit required by
25 this section. The 415 limitations are incorporated herein by
26 reference, except to the extent the following provisions may
27 modify the default provisions thereunder:

28 (a) A member's annual benefit payable in any limitation
29 year from this retirement system shall in no event be greater
30 than the limit applicable at the annuity starting date, as
31 increased in subsequent years pursuant to Section 415(d) of
32 the Internal Revenue Code and the regulations thereunder.

33 (b) For purposes of this section, the "annual benefit"
34 means a benefit that is payable annually in the form of a
35 straight life annuity. Except as provided below, where a
36 benefit is payable in a form other than a straight life annuity,
37 the benefit shall be adjusted to an actuarially equivalent
38 straight life annuity that begins at the same time as such other
39 form of benefit, using factors prescribed in the 415 limitation
40 regulations, before applying the 415 limitations. No actuarial
41 adjustment to the benefit shall be made for: (1) Survivor
42 benefits payable to a surviving spouse under a qualified joint
43 and survivor annuity to the extent such benefits would not be
44 payable if the member's benefit were paid in another form;

45 (2) benefits that are not directly related to retirement benefits
46 (such as a qualified disability benefit, preretirement
47 incidental death benefits, and post-retirement medical
48 benefits); or (3) the inclusion in the form of benefit of an
49 automatic benefit increase feature, provided the form of
50 benefit is not subject to Section 417(e)(3) of the Internal
51 Revenue Code and would otherwise satisfy the limitations of
52 this article, and the plan provides that the amount payable
53 under the form of benefit in any limitation year shall not
54 exceed the limits of this article applicable at the annuity
55 starting date, as increased in subsequent years pursuant to
56 Section 415(d) of the Internal Revenue Code. For this
57 purpose an automatic benefit increase feature is included in
58 a form of benefit if the form of benefit provides for
59 automatic, periodic increases to the benefits paid in that form.

60 (c) *Adjustment for benefit forms not subject to Section*
61 *417(e)(3).* -- The straight life annuity that is actuarially
62 equivalent to the member's form of benefit shall be
63 determined under this subsection if the form of the member's
64 benefit is either: (1) A nondecreasing annuity (other than a
65 straight life annuity) payable for a period of not less than the
66 life of the member (or, in the case of a qualified preretirement
67 survivor annuity, the life of the surviving spouse); or (2) an
68 annuity that decreases during the life of the member merely
69 because of: (i) The death of the survivor annuitant (but only
70 if the reduction is not below fifty percent of the benefit
71 payable before the death of the survivor annuitant); or (ii) the
72 cessation or reduction of Social Security supplements or
73 qualified disability payments (as defined in Section
74 401(a)(11) of the Internal Revenue Code). The actuarially
75 equivalent straight life annuity is equal to the greater of: (I)
76 The annual amount of the straight life annuity (if any)
77 payable to the member under the plan commencing at the
78 same annuity starting date as the member's form of benefit;
79 and (II) the annual amount of the straight life annuity
80 commencing at the same annuity starting date that has the

81 same actuarial present value as the member's form of benefit,
82 computed using a five percent interest rate assumption and
83 the applicable mortality table defined in Treasury Regulation
84 §1.417(e)-1(d)(2) (Revenue Ruling 2001-62 or any
85 subsequent Revenue Ruling modifying the applicable
86 provisions of Revenue Ruling 2001-62) for that annuity
87 starting date.

88 (d) *Adjustment for benefit forms subject to Section*
89 *417(e)(3).* -- The straight life annuity that is actuarially
90 equivalent to the member's form of benefit shall be
91 determined under this subsection if the form of the member's
92 benefit is other than a benefit form described in subsection
93 (c) of this section. In this case, the actuarially equivalent
94 straight life annuity shall be determined as follows: The
95 actuarially equivalent straight life annuity is equal to the
96 greatest of: (1) The annual amount of the straight life annuity
97 commencing at the same annuity starting date that has the
98 same actuarial present value as the member's form of benefit,
99 computed using the interest rate specified in this retirement
100 system and the mortality table (or other tabular factor)
101 specified in this retirement system for adjusting benefits in
102 the same form; (2) the annual amount of the straight life
103 annuity commencing at the same annuity starting date that
104 has the same actuarial present value as the member's form of
105 benefit, computed using a five and one-half percent interest
106 rate assumption and the applicable mortality table defined in
107 Treasury Regulation §1.417(e)-1(d)(2) (Revenue Ruling
108 2001-62 or any subsequent Revenue Ruling modifying the
109 applicable provisions of Revenue Ruling 2001-62) for that
110 annuity starting date; and (3) the annual amount of the
111 straight life annuity commencing at the same annuity starting
112 date that has the same actuarial present value as the
113 member's form of benefit, computed using the applicable
114 interest rate defined in Treasury Regulation §1.417(e)-1(d)(3)
115 and the applicable mortality table defined in Treasury
116 Regulation §1.417(e)-1(d)(2) (the mortality table specified in
117 Revenue Ruling 2001-62 or any subsequent Revenue Ruling

118 modifying the applicable provisions of Revenue Ruling
119 2001-62), divided by 1.05.

120 (e) *Benefits payable prior to age sixty-two.* -- (1) Except
121 as provided in subdivisions (2) and (3) of this subsection, if
122 the member's retirement benefits become payable before age
123 sixty-two, the 415 dollar limitation prescribed by this section
124 shall be reduced in accordance with regulations issued by the
125 Secretary of the Treasury pursuant to the provisions of
126 Section 415(b) of the Internal Revenue Code, so that the
127 limitation (as so reduced) equals an annual straight life
128 benefit (when the retirement income benefit begins) which is
129 equivalent to an annual benefit in the amount of the
130 applicable dollar limitation of Section 415(b)(1)(A) of the
131 Internal Revenue Code (as adjusted pursuant to Section
132 415(d) of the Internal Revenue Code) beginning at age sixty-
133 two.

134 (2) The limitation reduction provided in subdivision (1)
135 of this subsection shall not apply if the member commencing
136 retirement benefits before age sixty-two is a qualified
137 participant. A qualified participant for this purpose is a
138 participant in a defined benefit plan maintained by a state, or
139 any political subdivision of a state, with respect to whom the
140 service taken into account in determining the amount of the
141 benefit under the defined benefit plan includes at least fifteen
142 years of service: (i) As a full-time employee of any police or
143 fire department organized and operated by the state or
144 political subdivision maintaining the defined benefit plan to
145 provide police protection, fire-fighting services or emergency
146 medical services for any area within the jurisdiction of such
147 state or political subdivision; or (ii) as a member of the armed
148 forces of the United States.

149 (3) The limitation reduction provided in subdivision (1)
150 of this subsection shall not be applicable to preretirement
151 disability benefits or preretirement death benefits.

152 (4) For purposes of adjusting the 415 dollar limitation for
153 benefit commencement before age sixty-two or after age
154 sixty-five, no adjustment is made to reflect the probability of
155 a member's death: (i) After the annuity starting date and
156 before age sixty-two; or (ii) after age sixty-five and before
157 the annuity starting date.

158 (f) *Adjustment when member has less than ten years of*
159 *participation.* -- In the case of a member who has less than
160 ten years of participation in the retirement system (within the
161 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
162 415 dollar limitation (as adjusted pursuant to Section 415(d)
163 of the Internal Revenue Code and subsection (e) of this
164 section) shall be reduced by multiplying the otherwise
165 applicable limitation by a fraction, the numerator of which is
166 the number of years of participation in the plan (or 1, if
167 greater), and the denominator of which is ten. This
168 adjustment shall not be applicable to preretirement disability
169 benefits or preretirement death benefits.

§8-22A-11. Federal law minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiary's interest and take precedence
3 over any inconsistent provisions of this plan. This section
4 applies to plan years beginning after December 31, 1986.
5 Notwithstanding anything in the plan to the contrary, the
6 payment of benefits under this article shall be determined and
7 made in accordance with Section 401(a)(9) of the Internal
8 Revenue Code and its regulations. For this purpose, the
9 following provisions apply:

10 (a) The payment of benefits under the plan to any
11 member shall be distributed to him or her not later than the
12 required beginning date, or be distributed to him or her
13 commencing not later than the required beginning date, in
14 accordance with regulations prescribed under Section

15 401(a)(9) of the Internal Revenue Code, over the life of the
16 member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent on, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the plan has been distributed, then the
25 remaining portion of that interest shall be distributed at least
26 as rapidly as under the method of distribution being used at
27 the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the plan shall be
30 distributed by December 31 of the calendar year containing
31 the fifth anniversary of the member's death, except as
32 follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life of that beneficiary or
35 over a period certain not greater than the life expectancy of
36 the beneficiary, commencing on or before December 31 of
37 the calendar year immediately following the calendar year in
38 which the member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall be no later
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)

46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§8-22A-12. Direct rollovers.

1 Notwithstanding any provision of this article to the
2 contrary that would otherwise limit a distributee's election
3 under this plan, a distributee may elect, at the time and in the
4 manner prescribed by the board, to have any portion of an
5 eligible rollover distribution paid directly to an eligible
6 retirement plan specified by the distributee in a direct
7 rollover. For purposes of this section, the following
8 definitions apply:

9 (1) "Eligible rollover distribution" means any distribution
10 of all or any portion of the balance to the credit of the
11 distributee, except that an eligible rollover distribution does
12 not include any of the following: (A) Any distribution that is
13 one of a series of substantially equal periodic payments not
14 less frequently than annually made for the life or life
15 expectancy of the distributee or the joint lives or the joint life
16 expectancies of the distributee and the distributee's
17 designated beneficiary, or for a specified period of ten years
18 or more; (B) any distribution to the extent the distribution is
19 required under Section 401(a)(9) of the Internal Revenue
20 Code; and (C) any hardship distribution described in Section
21 401(k)(2)(B)(i)(iv) of the Internal Revenue Code. A portion
22 of a distribution shall not fail to be an eligible rollover
23 distribution merely because the portion consists of after-tax
24 employee contributions which are not includable in gross
25 income. However, this portion may be paid only to an
26 individual retirement account or annuity described in Section
27 408(a) or (b) of the Internal Revenue Code, or to a qualified
28 trust described in Section 401(a) or to an annuity contract
29 described in Section 403(a) or 403(b) of the Internal Revenue
30 Code that agrees to separately account for amounts
31 transferred (including interest or earnings thereon), including

32 separately accounting for the portion of the distribution
33 which is includable in gross income and the portion of the
34 distribution which is not includable.

35 (2) “Eligible retirement plan” means an eligible plan
36 under Section 457(b) of the Internal Revenue Code which is
37 maintained by a state, political subdivision of a state, or any
38 agency or instrumentality of a state or political subdivision of
39 a state and which agrees to separately account for amounts
40 transferred into the plan from this plan, an individual
41 retirement account described in Section 408(a) of the Internal
42 Revenue Code, an individual retirement annuity described in
43 Section 408(b) of the Internal Revenue Code, an annuity plan
44 described in Section 403(a) of the Internal Revenue Code, an
45 annuity contract described in Section 403(b) of the Internal
46 Revenue Code, or a qualified plan described in Section
47 401(a) of the Internal Revenue Code that accepts the
48 distributee’s eligible rollover distribution: *Provided*, That in
49 the case of an eligible rollover distribution to a designated
50 beneficiary (other than a surviving spouse) as such term is
51 defined in Section 402(c)(11) of the Internal Revenue Code,
52 an eligible retirement plan is limited to an individual
53 retirement account or individual retirement annuity which
54 meets the conditions of Section 402(c)(11) of the Internal
55 Revenue Code.

56 (3) “Distributee” means an employee or former
57 employee. In addition, the employee’s or former employee’s
58 surviving spouse and the employee’s or former employee’s
59 spouse or former spouse who is the alternate payee under a
60 qualified domestic relations order, as defined in Section
61 414(p) of the Internal Revenue Code with respect to
62 governmental plans, are distributees with regard to the
63 interest of the spouse or former spouse. The term
64 “distributee” also includes a designated beneficiary (other
65 than a surviving spouse) as the term is defined in Section
66 402(c)(11) of the Internal Revenue Code.

67 (4) "Direct rollover" means a payment by the plan to the
68 eligible retirement plan.

§8-22A-13. Rollovers and transfers to repay withdrawn contributions.

1 (a) Notwithstanding any provision of this article to the
2 contrary that would otherwise prohibit or limit rollovers and
3 plan transfers to this system, the plan shall accept the
4 following rollovers and plan transfers on behalf of a member
5 solely for the purpose of the repayment of withdrawn or
6 refunded contributions, in whole and in part, with respect to
7 a previous forfeiture of service credit as otherwise provided
8 in this article: (1) One or more rollovers within the meaning
9 of Section 408(d)(3) of the Internal Revenue Code from an
10 individual retirement account described in Section 408(a) of
11 the Internal Revenue Code or from an individual retirement
12 annuity described in Section 408(b) of the Internal Revenue
13 Code; (2) one or more rollovers described in Section 402(c)
14 of the Internal Revenue Code from a retirement plan that is
15 qualified under Section 401(a) of the Internal Revenue Code
16 or from a plan described in Section 403(b) of the Internal
17 Revenue Code; (3) one or more rollovers described in
18 Section 457(e)(16) of the Internal Revenue Code from a
19 governmental plan described in Section 457 of the Internal
20 Revenue Code; or (4) direct trustee-to-trustee transfers or
21 rollovers from a plan that is qualified under Section 401(a) of
22 the Internal Revenue Code, from a plan described in Section
23 403(b) of the Internal Revenue Code or from a governmental
24 plan described in Section 457 of the Internal Revenue Code:
25 *Provided*, That any rollovers or transfers pursuant to this
26 section shall be accepted by the system only if made in cash
27 or other asset permitted by the board and only in accordance
28 with such policies, practices and procedures established by
29 the board from time to time. For purposes of this section,
30 "repayment of withdrawn or refunded contributions" means
31 the payment into the retirement system of the funds required

32 pursuant to this article for the reinstatement of service credit
33 previously forfeited on account of any refund or withdrawal
34 of contributions permitted in this article, as set forth in
35 Section 415(k)(3) of the Internal Revenue Code.

36 (b) Nothing in this section may be construed as
37 permitting rollovers or transfers into this system or any other
38 system administered by the retirement board other than as
39 specified in this section and no rollover or transfer shall be
40 accepted into the system in an amount greater than the
41 amount required for the repayment of withdrawn or refunded
42 contributions.

43 (c) Nothing in this section shall be construed as
44 permitting the repayment of withdrawn or refunded
45 contributions except as otherwise permitted in this article.

§8-22A-14. Retirement benefits.

1 This section describes when adjustment of a member's
2 accrued benefit to reflect the difference in age, in years and
3 months, between the member's annuity starting date and the
4 date the member attains normal retirement age shall be made.
5 This age adjustment, when required, shall be made based on
6 the normal form of benefit and shall be the actuarial
7 equivalent of the accrued benefit at the member's normal
8 retirement age. The member shall receive the age adjusted
9 retirement income in the normal form or in an actuarial
10 equivalent amount in an optional form as provided under this
11 article, subject to reduction if necessary to comply with the
12 maximum benefit limitations of Section 415 of the Internal
13 Revenue Code and section ten of this article. The first day of
14 the calendar month following the month of birth shall be used
15 in lieu of any birth date that does not fall on the first day of
16 a calendar month.

17 (a) *Normal retirement.* -- A member whose annuity
18 starting date is the date the member attains normal retirement

19 age is entitled to his or her accrued benefit without
20 adjustment for age at commencement.

21 (b) *Late retirement.* -- A member whose annuity starting
22 date is later than the date the member attains normal
23 retirement age shall receive retirement income payments in
24 the normal form without adjustment for age at
25 commencement, which is the benefit to which he or she is
26 entitled according to his or her accrued benefit based on his
27 or her final average salary and credited service at the time of
28 his or her actual retirement and following the completion of
29 an application for retirement as required by the board.

30 (c) Retirement benefits shall be paid monthly in an
31 amount equal to one twelfth of the retirement income
32 payments elected and at those times established by the board.
33 Notwithstanding any other provision of the plan, a member
34 who is married on the annuity starting date will receive his or
35 her retirement income payments in the form of a sixty-six and
36 two-thirds percent joint and survivor annuity with his or her
37 spouse unless prior to the annuity starting date the spouse
38 waives the form of benefit.

§8-22A-15. Annuity options.

1 Prior to the effective date of retirement, but not after that
2 date, a member may elect to receive retirement income
3 payments in the normal form, or the actuarial equivalent of
4 the normal form from the following options:

5 (a) *Option A -- Contingent joint and survivor annuity.* --
6 A life annuity payable during the joint lifetime of the member
7 and his or her beneficiary who must be a natural person with
8 an insurable interest in the member's life. On the death of
9 the member, the benefit shall continue as a life annuity to the
10 beneficiary in an amount equal to fifty percent, sixty-six and
11 two-thirds percent, seventy-five percent or one hundred

12 percent of the amount paid while both were living, as elected
13 by the member. If the beneficiary dies first, the monthly
14 amount of benefits may not be reduced, but shall be paid at
15 the amount that was in effect before the death of the
16 beneficiary. If the retiring member is married, the spouse
17 shall sign a waiver of benefit rights if the beneficiary is to be
18 other than the spouse.

19 (b) *Option B -- Ten years certain and life annuity.* -- A
20 life annuity payable during the member's lifetime but in any
21 event for a minimum of ten years. If the member dies before
22 the expiration of ten years, the remaining payments shall be
23 made to a designated beneficiary, if any, or otherwise to the
24 member's estate.

**§8-22A-16. Refunds to certain members on discharge or
resignation; deferred retirement; forfeitures.**

1 (a) Any member who terminates covered employment
2 and is not eligible to receive disability benefits under this
3 article is, by written request filed with the board, entitled to
4 receive from the fund the member's accumulated
5 contributions. Except as provided in subsection (b) of this
6 section, on withdrawal, the member shall forfeit his or her
7 accrued benefit and cease to be a member.

8 (b)(1) Any member who ceases employment in covered
9 employment and active participation in this plan and who
10 thereafter becomes reemployed in covered employment may
11 not receive any credited service for any prior accumulated
12 contributions withdrawn from the plan unless following his
13 or her return to covered employment and active participation
14 in this plan, the member redeposits in the fund the amount of
15 the accumulated contributions withdrawn from previous
16 covered employment, together with interest on the
17 accumulated contributions at the rate determined by the board
18 from the date of withdrawal to the date of redeposit. On

19 repayment he or she shall receive the same credit on account
20 of his or her former covered employment as if no refund had
21 been made.

22 (2) The repayment authorized by this subsection shall be
23 made in a lump sum within sixty months of the police
24 officer's or firefighter's reemployment in covered
25 employment.

26 (c) Every member who completes sixty months of regular
27 contributory service may, on cessation of covered
28 employment, either withdraw his or her accumulated
29 contributions in accordance with this section or choose not to
30 withdraw his or her accumulated contribution and receive
31 retirement income payments, if eligible, on attaining normal
32 retirement age.

33 (d) Notwithstanding any other provision of this article,
34 forfeitures under the plan may not be applied to increase the
35 benefits any member would otherwise receive under the plan.

**§8-22A-17. Awards and benefits for disability -- Duty related;
exception during early period.**

1 (a) Except as provided in subsection (a), section nine of
2 this article, any member who after the effective date of this
3 article and during covered employment: (1) Has been or
4 becomes totally disabled by injury, illness or disease; and (2)
5 the disability is a result of an occupational risk or hazard
6 inherent in or peculiar to the services required of members;
7 or (3) the disability was incurred while performing police
8 officer or firefighter functions during either scheduled work
9 hours or at any other time; and (4) in the opinion of two
10 physicians after medical examination, at least one of whom
11 shall be named by the board, the member is by reason of the
12 disability not only unable to perform his or her previous work
13 as a police officer or firefighter but also cannot, considering

14 his or her age, education and work experience, engage in any
15 other kind of substantial gainful employment which exists in
16 the state regardless of whether: (A) The work exists in the
17 immediate area in which the member lives; (B) a specific job
18 vacancy exists; or (C) the member would be hired if he or she
19 applied for work, is entitled to receive and shall be paid from
20 the fund in monthly installments during the lifetime of the
21 member or, if sooner, until the member attains normal
22 retirement age or until the disability sooner terminates, the
23 compensation under this section. For purposes of this article,
24 substantial gainful employment is the same definition as used
25 by the United States Social Security Administration.

26 (b) If the member is totally disabled, the member shall
27 receive ninety percent of his or her average full monthly
28 compensation for the twelve-month period preceding the
29 member's disability or the shorter period if the member has
30 not worked twelve months.

31 (c) If the member remains totally disabled until attaining
32 sixty-five years of age, the member shall then receive the
33 retirement benefit provided in sections fourteen and fifteen of
34 this article.

§8-22A-18. Awards and benefits for disability -- Due to other causes; exception during early period.

1 (a) Except as provided in subsection (a), section nine of
2 this article, any member who after the effective date of this
3 article and during covered employment: (1) Has been or
4 becomes totally disabled from any cause other than those set
5 forth in section seventeen of this article and not due to
6 vicious habits, intemperance or willful misconduct on his or
7 her part; and (2) in the opinion of two physicians after
8 medical examination, at least one of whom shall be named by
9 the board, he or she is by reason of the disability not only
10 unable to perform his or her previous work as a police officer

11 or firefighter but also cannot, considering his or her age,
12 education and work experience, engage in any other kind of
13 substantial gainful employment which exists in the state
14 regardless of whether: (A) The work exists in the immediate
15 area in which the member lives; (B) a specific job vacancy
16 exists; or (C) the member would be hired if he or she applied
17 for work, is entitled to receive and shall be paid from the
18 fund in monthly installments during the lifetime of the
19 member or, if sooner, until the member attains normal
20 retirement age or until the disability sooner terminates, the
21 compensation set forth in, either subsection (b) or (c) of this
22 section.

23 (b) If the member is totally disabled, he or she shall
24 receive sixty-six and two-thirds percent of his or her average
25 monthly compensation for the twelve-month period
26 preceding the disability, or the shorter period, if the member
27 has not worked twelve months.

28 (c) If the member remains totally disabled until attaining
29 sixty years of age, then the member shall receive the
30 retirement benefit provided in sections fourteen and fifteen of
31 this article.

**§8-22A-19. Same -- Physical examinations; recertification;
termination of disability.**

1 The board may require any member who has applied for
2 or is receiving disability benefits under this article to submit
3 to a physical examination, mental examination or both, by a
4 physician or physicians selected or approved by the board
5 and may cause all costs incident to the examination and
6 approved by the board to be paid from the fund. The costs
7 may include hospital, laboratory, X-ray, medical and
8 physicians' fees. A report of the findings of any physician
9 shall be submitted in writing to the board for its
10 consideration. If, from the report, independent information,

11 or from the report and any hearing on the report, the board
12 finds that the member is no longer totally disabled and is
13 engaged in or is able to engage in substantial gainful
14 employment, then the disability benefits shall cease. The
15 board shall require recertification annually for the first three
16 years of disability and thereafter at the discretion of the
17 board. For purposes of recertification the board may require
18 a disability retiree to undergo a medical examination to be
19 made by or under the direction of a physician designated by
20 the board, or to submit a statement signed by the disability
21 retiree's physician certifying continued disability, and may
22 require the retiree to submit copies of annual income tax
23 returns. If a retiree refuses to submit to medical
24 examinations or to provide statements or returns requested
25 for recertification, the board may discontinue disability until
26 the retiree complies.

**§8-22A-20. Awards and benefits to surviving spouse -- When
member dies in performance of duty, etc.;
exception during early period.**

1 (a) Except as provided in subsection (a), section nine of
2 this article, the surviving spouse of any member who, after
3 the effective date of this article while in covered
4 employment, has died or dies by reason of injury, illness or
5 disease resulting from an occupational risk or hazard inherent
6 in or peculiar to the service required of members, while the
7 member was or is engaged in the performance of his or her
8 duties as a police officer or firefighter, or the surviving
9 spouse of a member who dies from any cause while receiving
10 benefits pursuant to section seventeen of this article, is
11 entitled to receive and shall be paid from the fund benefits as
12 determined in this section. To the surviving spouse annually,
13 in equal monthly installments during his or her lifetime, an
14 amount equal to the greater of: (1) Two thirds of the annual
15 compensation received in the preceding twelve-month period
16 by the deceased member; or (2) if the member dies after his

17 or her normal retirement age, the monthly amount which the
18 spouse would have received had the member retired the day
19 before his or her death, elected a one hundred percent joint
20 and survivor annuity with the spouse as the joint annuitant,
21 and then died.

22 (b) Benefits for a surviving spouse received under this
23 section, section twenty-two and section twenty-three of this
24 article are in lieu of receipt of any other benefits under this
25 article for the spouse or any other person or under the
26 provisions of any other state retirement system based on the
27 member's covered employment.

§8-22A-21. Awards and benefits to surviving spouse -- When member dies from nonservice-connected causes.

1 (a) If a member who has been a member for at least ten
2 years, while in covered employment after the effective date
3 of this article, has died or dies from any cause other than
4 those specified in section twenty of this article and not due to
5 vicious habits, intemperance or willful misconduct on his or
6 her part, the fund shall pay annually in equal monthly
7 installments to the surviving spouse during his or her
8 lifetime, a sum equal to the greater of: (1) One-half of the
9 annual compensation received in the preceding twelve-month
10 employment period by the deceased member; or (2) if the
11 member dies after his or her normal retirement age, the
12 monthly amount which the spouse would have received had
13 the member retired the day before his or her death, elected a
14 one hundred percent joint and survivor annuity with the
15 spouse as the joint annuitant, and then died. If the member
16 is receiving disability benefits under this article at the time of
17 his or her death, the amount of the average monthly
18 compensation which the member was receiving in the plan
19 year prior to the initial disability shall be substituted for the
20 annual compensation in subdivision (1) of this subsection.

21 (b) Benefits for a surviving spouse received under this
22 section, or other sections of this article are in lieu of receipt
23 of any other benefits under this article for the spouse or any
24 other person or under the provisions of any other state
25 retirement system based on the member's covered
26 employment.

**§8-22A-22. Additional death benefits and scholarships --
Dependent children.**

1 (a) Except as provided in subsection (a), section nine of
2 this article, in addition to the spouse death benefits in this
3 article, the surviving spouse is entitled to receive and there
4 shall be paid to the spouse \$100 monthly for each dependent
5 child.

6 (b) If the surviving spouse dies or if there is no surviving
7 spouse, the fund shall pay monthly to each dependent child
8 a sum equal to one hundred percent of the spouse's
9 entitlement under this article divided by the number of
10 dependent children. If there is neither a surviving spouse nor
11 a dependent child, the fund shall pay in equal monthly
12 installments to the dependent parents of the deceased member
13 during their joint lifetimes a sum equal to the amount which
14 a surviving spouse, without children, would have received:
15 *Provided*, That when there is only one dependent parent
16 surviving, that parent is entitled to receive during his or her
17 lifetime one-half the amount which both parents, if living,
18 would have been entitled to receive: *Provided, however*, That
19 if there is no surviving spouse, dependent child or dependent
20 parent of the deceased member, the accumulated
21 contributions shall be paid to a named beneficiary or
22 beneficiaries: *Provided further*, That if there is no surviving
23 spouse, dependent child or dependent parent of the deceased
24 member, or any named beneficiary or beneficiaries, then the
25 accumulated contributions shall be paid to the estate of the
26 deceased member.

27 (c) Any person qualifying as a dependent child under this
28 section, in addition to any other benefits due under this or
29 other sections of this article, is entitled to receive a
30 scholarship to be applied to the career development education
31 of that person. This sum, up to but not exceeding \$6,000 per
32 year, shall be paid from the fund to any university or college
33 in this state or to any trade or vocational school or other
34 entity in this state approved by the board to offset the
35 expenses of tuition, room and board, books, fees or other
36 costs incurred in a course of study at any of these institutions
37 so long as the recipient makes application to the board on an
38 approved form and under rules provided by the board and
39 maintains scholastic eligibility as defined by the institution or
40 the board. The board may propose legislative rules for
41 promulgation in accordance with article three, chapter
42 twenty-nine-a of this code which define age requirements,
43 physical and mental requirements, scholastic eligibility,
44 disbursement methods, institutional qualifications and other
45 requirements as necessary and not inconsistent with this
46 section.

§8-22A-23. Burial benefit.

1 Except as provided in subsection (a), section nine of this
2 article, any member who dies as a result of any service-
3 related illness or injury after the effective date is entitled to
4 a lump sum burial benefit of \$5,000. If the member is
5 married, the burial benefit shall be paid to the member's
6 spouse. If the member is not married, the burial benefit shall
7 be paid to the member's estate for the purposes of paying
8 burial expenses, settling the member's final affairs, or both.

§8-22A-24. Double death benefits prohibited.

1 A surviving spouse is not entitled to receive simultaneous
2 death benefits under this article as a result of the death of two
3 or more members to whom the spouse was married. Any

4 spouse who becomes eligible for a subsequent death benefit
5 under this article while receiving a death benefit under this
6 article shall receive the higher benefit, but not both.

**§8-22A-25. Right to benefits not subject to execution, etc.;
assignments prohibited; deductions for group
insurance; setoffs for fraud; exception for
certain domestic relations orders; assets exempt
from taxes.**

1 The right of a person to any benefit provided in this
2 article shall not be subject to execution, attachment,
3 garnishment, the operation of bankruptcy or insolvency laws,
4 or other process whatsoever, nor shall any assignment thereof
5 be enforceable in any court except that the benefits or
6 contributions under this system shall be subject to “qualified
7 domestic relations orders” as that term is defined in Section
8 414(p) of the Internal Revenue Code as applicable to
9 governmental plans: *Provided*, That should a member be
10 covered by a group insurance or prepayment plan participated
11 in by a participating public employer, and should he or she be
12 permitted to, and elect to, continue such coverage as a
13 retirant, he or she may authorize the board of trustees to have
14 deducted from his or her annuity the payments required of
15 him or her to continue coverage under such group insurance
16 or prepayment plan: *Provided, however*, That a participating
17 public employer shall have the right of setoff for any claim
18 arising from embezzlement by, or fraud of, a member,
19 retirant or beneficiary. The assets of the retirement system
20 are exempt from state, county and municipal taxes.

§8-22A-26. Fraud; penalties; and repayment.

1 Any person who knowingly makes any false statement or
2 who falsifies or permits to be falsified any record of the
3 retirement system in any attempt to defraud that system is
4 guilty of a misdemeanor and, on conviction thereof, shall be

5 punished by a fine not to exceed \$1,000, by confinement in
6 jail not to exceed one year, or by both fine and confinement.
7 Any increased benefit received by any person as a result of
8 the falsification or fraud shall be returned to the fund on
9 demand by the board.

**§8-22A-27. Credit toward retirement for member's military
service; qualified military service.**

1 (a) Each member shall receive months of credited service
2 for months served in active military duty not to exceed
3 twenty-four months: *Provided*, That any employee may
4 purchase as much as an additional twelve months of service
5 for time served in active military duty that otherwise has not
6 been credited, by paying the actuarial reserve lump sum
7 purchase amount within three years after becoming vested.

8 (b) "Actuarial reserve lump sum purchase amount"
9 means the purchase annuity rate multiplied by the purchase
10 accrued benefit. The purchase annuity rate is the actuarial
11 lump sum annuity factor calculated on a monthly basis based
12 on the following actuarial assumptions: Interest rate of seven
13 and one-half percent; mortality of the 1983 group annuity
14 mortality table, male rates, applied on a unisex basis to all
15 members; if purchase age is under age fifty, a deferred
16 annuity factor with payments commencing at age fifty; and
17 if purchase age is fifty or over, an immediate annuity factor
18 with payments starting at the purchase age. The purchase
19 accrued benefit is two and three-fourths percent times the
20 purchase military service times the purchase average monthly
21 salary. The purchase military service is the amount of
22 military service being purchased by the employee as a
23 fraction of a year up to a one year maximum. The purchase
24 average monthly salary is the final average monthly salary of
25 the employee at the beginning of the month which is three
26 months prior to the purchase month as if the employee
27 terminated employment on that date. The purchase month is

28 the month in which the employee deposits the actuarial
29 reserve lump sum purchase amount into the plan trust fund in
30 full payment of the service being purchased. The purchase
31 age is the attained age of the employee in years and
32 completed months as of the first day of the purchase month.

33 (c) Members who are eligible to receive credited service
34 for periods of active military duty must substantiate to the
35 retirement board:

36 (1) That the member has served one or more periods of
37 active duty as substantiated by a federal form DD-214;

38 (2) That the member has been honorably discharged from
39 active military duty as substantiated by a federal form DD-
40 214; and

41 (3) That the member is receiving no benefits from any
42 other governmental retirement system, except those benefits
43 provided by federal law, for his or her active military duty.

44 (d) Any service credit allowed under this section may be
45 credited one time only for each municipal police officer or
46 municipal firefighter, regardless of any changes in job title or
47 responsibilities.

48 (e) Notwithstanding any provision of this section to the
49 contrary, contributions, benefits and service credit with
50 respect to qualified military service shall be provided in
51 accordance with Section 414(u) of the Internal Revenue
52 Code. For purposes of this section, "qualified military
53 service" has the same meaning as in Section 414(u) of the
54 Internal Revenue Code. The retirement board is authorized
55 to determine all questions and make all decisions relating to
56 this section and, pursuant to the authority granted to the
57 board in section one, article ten-d, chapter five of this code,
58 may promulgate rules relating to contributions, benefits and

59 service credit to comply with Section 414(u) of the Internal
60 Revenue Code.

61 (f) Any contribution under this section to purchase
62 service for time served in active military duty must satisfy the
63 special limitation rules described in Section 415(n) of the
64 Internal Revenue Code to the extent it is considered
65 permissive service credit, and shall be automatically reduced,
66 limited, or required to be paid over multiple years (consistent
67 with the time limits under this section for making such
68 contributions) if necessary to ensure such compliance. To the
69 extent the purchased service is qualified military service
70 within the meaning of Section 414(u) of the Internal Revenue
71 Code, the limitations of Section 415 of the Internal Revenue
72 Code shall be applied to the purchase as described in Section
73 414(u)(1)(B) of the Internal Revenue Code.

74 (g) The retirement board may propose legislative rules
75 for promulgation in accordance with the provisions of article
76 three, chapter twenty-nine-a of this code to administer the
77 provisions of this section.

78 (h) Notwithstanding the preceding provisions of this
79 section, contributions, benefits and service credit with respect
80 to qualified military service shall be provided in accordance
81 with Section 414(u) of the Internal Revenue Code. For
82 purposes of this section, "qualified military service" has the
83 same meaning as in Section 414(u) of the Internal Revenue
84 Code.

**§8-22A-28. How a municipality or municipal subdivision
becomes a participating public employer; duty
to request referendum on Social Security
coverage.**

1 (a) Subject to section sixteen, article twenty-two of this
2 chapter, any municipality or municipal subdivision

3 employing municipal police officers or firefighters may by a
4 majority of the members of its governing body eligible to
5 vote, elect to become a participating public employer and
6 thereby include its police officers and firefighters in the
7 membership of the plan. The clerk or secretary of each
8 municipality or municipal subdivision electing to become a
9 participating public employer shall certify the determination
10 of the municipality or municipal subdivision by corporate
11 resolution to the Consolidated Public Retirement Board
12 within ten days from and after the vote of the governing
13 body. Separate resolutions are required for municipal police
14 officers and municipal firefighters. Once a municipality or
15 municipal subdivision elects to participate in the plan, the
16 action is final and it may not, at a later date, elect to terminate
17 its participation in the plan.

18 (b) After April 1, 2010, and before July 1, 2010, the
19 participating employers shall jointly submit a plan to the
20 State Auditor, pursuant to section five, article seven, chapter
21 five of this code, to extend Social Security benefits to
22 members of the retirement system.

**§8-22A-29. Effective date; special starting date for benefits;
provisions governing health care benefits for
retirees age fifty to fifty-five.**

1 (a) The effective date of this article is January 1, 2010.
2 No payout of any benefits may be made by the retirement
3 system to any person prior to January 1, 2013, except as
4 provided in subsection (a), section nine of this article.

5 (b) The Director of the Public Employees Insurance
6 Agency shall include in the insurance plan document filed in
7 the office of the Secretary of State as 151 CSR 1 provisions
8 governing health insurance benefits for retirees under the
9 plan who are enrolled by their employers in insurance
10 provided by the Public Employees Insurance Agency.

§8-22A-30. Limitation of employer liability.

1 No municipality or municipal subdivision which has
2 timely met all of its obligations under this article is liable for
3 any payments or contributions to the retirement plan which
4 are owed to the plan by another participating employer.

§8-22A-31. Benefits not forfeited if system terminates.

1 If the retirement system is terminated or contributions are
2 completely discontinued, the rights of all members to benefits
3 accrued or contributions made to the date of the termination
4 or discontinuance, to the extent then funded, are not forfeited.

§8-22A-32. Membership retroactive in certain circumstances.

1 Notwithstanding all other provisions relating to this
2 article and article twenty-two of this chapter, any police
3 officer or firefighter hired by a participating public employer
4 on or after June 1, 2009, and before January 1, 2010, who
5 received notice at the time of employment that he or she may
6 be placed in a new retirement system created by legislation
7 and who has been enrolled in but received no benefits from
8 a municipal policemen's or firemen's pension and relief fund
9 shall, if permitted by applicable federal law, be enrolled in
10 the Municipal Police Officers and Firefighters Retirement
11 System upon acceptance by the Consolidated Public
12 Retirement Board of the resolution of the municipality
13 required by section twenty-eight of this article. Employee
14 and employer contributions made by or on behalf of the
15 employee to the municipal pension and relief fund pursuant
16 to article twenty-two of this chapter shall be transferred
17 within sixty days to the retirement system created in this
18 article and the employee subject to the transfer shall receive
19 service credit for time worked while a member of the
20 municipal pension and relief fund.

CHAPTER 33. INSURANCE.**Article**

3. Licensing, Fees and Taxation of Insurers.
12C. Surplus Line.

ARTICLE 3. LICENSING, FEES AND TAXATION OF INSURERS.**§33-3-14d. Additional fire and casualty insurance premium tax; allocation of proceeds; effective date.**

1 (a) (1) For the purpose of providing additional revenue
2 for municipal policemen's and firemen's pension and relief
3 funds and the Teachers Retirement System Reserve Fund and
4 for volunteer and part-volunteer fire companies and
5 departments, there is hereby levied and imposed an additional
6 premium tax equal to one percent of taxable premiums for
7 fire insurance and casualty insurance policies. For purposes
8 of this section, casualty insurance does not include insurance
9 on the life of a debtor pursuant to or in connection with a
10 specific loan or other credit transaction or insurance on a
11 debtor to provide indemnity for payments becoming due on
12 a specific loan or other credit transaction while the debtor is
13 disabled as defined in the policy.

14 (2) All moneys collected from this additional tax shall be
15 received by the commissioner and paid by him or her into a
16 special account in the State Treasury, designated the
17 Municipal Pensions and Protection Fund: *Provided*, That on
18 or after January 1, 2010, the commissioner shall pay ten
19 percent of the amount collected to the Teachers Retirement
20 System Reserve Fund created in section eighteen, article
21 seven-a, chapter eighteen of this code, twenty-five percent of
22 the amount collected to the Fire Protection Fund created in
23 section thirty-three of this article for allocation by the
24 Treasurer to volunteer and part-volunteer fire companies and
25 departments and sixty-five percent of the amount collected to

26 the Municipal Pensions and Protection Fund: *Provided,*
27 *however,* That upon notification by the Municipal Pensions
28 Oversight Board pursuant to the provisions of section
29 eighteen-b, article twenty-two, chapter eight of this code, on
30 or after January 1, 2010, or as soon thereafter as the
31 Municipal Pensions Oversight Board is prepared to receive
32 the funds, sixty-five percent of the amount collected by the
33 commissioner shall be deposited in the Municipal Pensions
34 Security Fund created in section eighteen-b, article twenty-
35 two, chapter eight of this code. The net proceeds of this tax
36 after appropriation thereof by the Legislature is distributed in
37 accordance with the provisions of this section, except for
38 distribution from proceeds pursuant to subsection (d), section
39 eighteen-a, article twenty-two, chapter eight of this code.

40 (b) (1) Before the first day of August of each year, the
41 treasurer of each municipality in which a municipal
42 policemen's or firemen's pension and relief fund is
43 established shall report to the State Treasurer the average
44 monthly number of members who worked at least one
45 hundred hours per month and the average monthly number of
46 retired members of municipal policemen's or firemen's
47 pension and relief fund or the Municipal Police Officers and
48 Firefighters Retirement System during the preceding fiscal
49 year: *Provided,* That beginning in the year 2010 and
50 continuing thereafter, the report shall be made to the
51 oversight board created in section eighteen-a, article twenty-
52 two, chapter eight of this code. These reports received by the
53 oversight board shall be provided annually to the State
54 Treasurer by September 1.

55 (2) Before the first day of September of each calendar
56 year, the State Treasurer, or the Municipal Pensions
57 Oversight Board, once in operation, shall allocate and
58 authorize for distribution the revenues in the Municipal
59 Pensions and Protection Fund which were collected during
60 the preceding calendar year for the purposes set forth in this

61 section. Before the first day of September of each calendar
62 year and after the Municipal Pensions Oversight Board has
63 notified the Treasurer and commissioner pursuant to section
64 eighteen-b, article twenty-two, chapter eight of this code, the
65 Municipal Pensions Oversight Board shall allocate and
66 authorize for distribution the revenues in the Municipal
67 Pensions Security Fund which were collected during the
68 preceding calendar year for the purposes set forth in this
69 section. In any year the actuarial report required by section
70 twenty, article twenty-two, chapter eight of this code
71 indicates no actuarial deficiency in the municipal
72 policemen's or firemen's pension and relief fund, no
73 revenues may be allocated from the Municipal Pensions and
74 Protection Fund or the Municipal Pensions Security Fund to
75 that fund. The revenues from the Municipal Pensions and
76 Protection Fund shall then be allocated to all other pension
77 and relief funds which have an actuarial deficiency.

78 (3) The moneys, and the interest earned thereon, in the
79 Municipal Pensions and Protection Fund allocated to
80 volunteer and part-volunteer fire companies and departments
81 shall be allocated and distributed quarterly to the volunteer
82 fire companies and departments. Before each distribution
83 date, the State Fire Marshal shall report to the State Treasurer
84 the names and addresses of all volunteer and part-volunteer
85 fire companies and departments within the state which meet
86 the eligibility requirements established in section eight-a,
87 article fifteen, chapter eight of this code.

88 (c)(1) Each municipal pension and relief fund shall have
89 allocated and authorized for distribution a pro rata share of
90 the revenues allocated to municipal policemen's and
91 firemen's pension and relief funds based on the
92 corresponding municipality's average monthly number of
93 police officers and firefighters who worked at least one
94 hundred hours per month during the preceding fiscal year.
95 On and after July 1, 1997, from the growth in any moneys

96 collected pursuant to the tax imposed by this section and
97 interest thereon there shall be allocated and authorized for
98 distribution to each municipal pension and relief fund, a pro
99 rata share of the revenues allocated to municipal policemen's
100 and firemen's pension and relief funds based on the
101 corresponding municipality's average number of police
102 officers and firefighters who worked at least one hundred
103 hours per month and average monthly number of retired
104 police officers and firefighters. For the purposes of this
105 subsection, the growth in moneys collected from the tax
106 collected pursuant to this section is determined by subtracting
107 the amount of the tax collected during the fiscal year ending
108 June 30, 1996, from the tax collected during the fiscal year
109 for which the allocation is being made and interest thereon.
110 All moneys received by municipal pension and relief funds
111 under this section may be expended only for those purposes
112 described in sections sixteen through twenty-eight, inclusive,
113 article twenty-two, chapter eight of this code.

114 (2) Each volunteer fire company or department shall
115 receive an equal share of the revenues allocated for volunteer
116 and part-volunteer fire companies and departments.

117 (3) In addition to the share allocated and distributed in
118 accordance with subdivision (1) of this subsection, each
119 municipal fire department composed of full-time paid
120 members and volunteers and part-volunteer fire companies
121 and departments shall receive a share equal to the share
122 distributed to volunteer fire companies under subdivision (2)
123 of this subsection reduced by an amount equal to the share
124 multiplied by the ratio of the number of full-time paid fire
125 department members who are also members of a municipal
126 firemen's pension and relief fund or the Municipal Police
127 Officers and Firefighters Retirement System to the total
128 number of members of the fire department.

129 (d) The allocation and distribution of revenues provided
130 for in this section are subject to the provisions of section
131 twenty, article twenty-two, and sections eight-a and eight-b,
132 article fifteen, chapter eight of this code.

ARTICLE 12C. SURPLUS LINE.

§33-12C-7. Surplus lines tax.

1 (a) In addition to the full amount of gross premiums
2 charged by the insurer for the insurance, every person
3 licensed pursuant to section eight of this article shall collect
4 and pay to the commissioner a sum equal to four percent of
5 the gross premiums and gross fees charged, less any return
6 premiums, for surplus lines insurance provided by the
7 licensee pursuant to the license. Where the insurance covers
8 properties, risks or exposures located or to be performed both
9 in and out of this state, the sum payable shall be computed on
10 that portion of the gross premiums allocated to this state
11 pursuant to subsection (g) of this section less the amount of
12 gross premiums allocated to this state and returned to the
13 insured due to cancellation of policy. The tax on any portion
14 of the premium unearned at termination of insurance having
15 been credited by the state to the licensee shall be returned to
16 the policyholder directly by the surplus lines licensee or
17 through the producing broker, if any.

18 (b) The individual insurance producer may not:

19 (1) Pay directly or indirectly the tax or any portion
20 thereof, either as an inducement to the policyholder to
21 purchase the insurance or for any other reason; or

22 (2) Rebate all or part of the tax or the surplus lines
23 licensee's commission, either as an inducement to the
24 policyholder to purchase the insurance or for any reason.

25 (c) The surplus lines licensee may charge the prospective
26 policyholder a fee for the cost of underwriting, issuing,
27 processing, inspecting, service or auditing the policy for
28 placement with the surplus lines insurer if:

29 (1) The service is required by the surplus lines insurer;

30 (2) The service is actually provided by the individual
31 insurance producer or the cost of the service is actually
32 incurred by the surplus lines licensee; and

33 (3) The provision or cost of the service is reasonable,
34 documented and verifiable.

35 (d) The surplus lines licensee shall make a clear and
36 conspicuous written disclosure to the policyholder of:

37 (1) The total amount of premium for the policy;

38 (2) Any fee charged;

39 (3) The total amount of any fee charged; and

40 (4) The total amount of tax on the premium and fee.

41 (e) The clear and conspicuous written disclosure required
42 by subdivision (4) of this subsection is subject to the record
43 maintenance requirements of section eight of this article.

44 (f) This tax is imposed for the purpose of providing
45 additional revenue for municipal policemen's and firemen's
46 pension and relief funds and additional revenue for volunteer
47 and part-volunteer fire companies and departments. This tax
48 is required to be paid and remitted, on a calendar year basis
49 and in quarterly estimated installments due and payable on or
50 before the twenty-fifth day of the month succeeding the close
51 of the quarter in which they accrued, except for the fourth

52 quarter, in respect of which taxes shall be due and payable
53 and final computation of actual total liability for the prior
54 calendar year shall be made, less credit for the three quarterly
55 estimated payments prior made, and filed with the annual
56 return to be made on or before March 1 of the succeeding
57 year. Provisions of this chapter relating to the levy,
58 imposition and collection of the regular premium tax are
59 applicable to the levy, imposition and collection of this tax to
60 the extent that the provisions are not in conflict with this
61 section.

62 All taxes remitted to the commissioner pursuant to this
63 subsection shall be paid by him or her into a special account
64 in the State Treasury, designated Municipal Pensions and
65 Protection Fund, or pursuant to section eighteen-b, article
66 twenty-two, chapter eight of this code, the Municipal
67 Pensions Security Fund, and after appropriation by the
68 Legislature, shall be distributed in accordance with the
69 provisions of subsection (c), section fourteen-d, article three
70 of this chapter. The surplus lines licensee shall return to the
71 policyholder the tax on any unearned portion of the premium
72 returned to the policyholder because of cancellation of
73 policy.

74 (g) If a surplus lines policy procured through a surplus
75 lines licensee covers properties, risks or exposures only
76 partially located or to be performed in this state, the tax due
77 shall be computed on the portions of the premiums which are
78 attributable to the properties, risks or exposures located or to
79 be performed in this state. In determining the amount of
80 premiums taxable in this state, all premiums written,
81 procured or received in this state shall be considered written
82 on properties, risks or exposures located or to be performed
83 in this state, except premiums which are properly allocated or
84 apportioned and reported as taxable premiums of a reciprocal
85 state. In no event shall the tax payable to this state be less
86 than the tax due pursuant to subsection (h) of this section;

87 provided, however, in the event that the amount of tax due
88 under this provision is less than \$50 in any jurisdiction, it
89 shall be payable in the jurisdiction in which the affidavit
90 required in section eleven is filed. The commissioner may,
91 at least annually furnish to the commissioner of a reciprocal
92 state, as defined in subsection (q), section three of this article,
93 a copy of all filings reporting an allocation of taxes as
94 required by this subsection.

95 (h) In determining the amount of gross premiums taxable
96 in this state for a placement of surplus lines insurance
97 covering properties, risks or exposures only partially located
98 or to be performed in this state, the tax due shall be computed
99 on the portions of the premiums which are attributable to
100 properties, risks or exposures located or to be performed in
101 this state and which relates to the kinds of insurance being
102 placed as determined by reference to the model allocation
103 schedule and reporting form.

104 (1) If a policy covers more than one classification:

105 (A) For any portion of the coverage identified by a
106 classification on the allocation schedule, the tax shall be
107 computed by using the allocation schedule for the
108 corresponding portion of the premium;

109 (B) For any portion of the coverage not identified by a
110 classification on the allocation schedule, the tax shall be
111 computed by using an alternative equitable method of
112 allocation for the property or risk;

113 (C) For any portion of the coverage where the premium
114 is indivisible, the tax shall be computed by using the method
115 of allocation which pertains to the classification describing
116 the predominant coverage.

117 (2) If the information provided by the surplus lines
118 licensee is insufficient to substantiate the method of

119 allocation used by the surplus lines licensee, or if the
120 commissioner determines that the licensee's method is
121 incorrect, the commissioner shall determine the equitable and
122 appropriate amount of tax due to this state as follows:

123 (A) By use of the allocation schedule where the risk is
124 appropriately identified in the schedule;

125 (B) Where the allocation schedule does not identify a
126 classification appropriate to the coverage, the commissioner
127 may give significant weight to documented evidence of the
128 underwriting bases and other criteria used by the insurer.
129 The commissioner may also consider other available
130 information to the extent sufficient and relevant, including
131 the percentage of the insured's physical assets in this state,
132 the percentage of the insured's sales in this state, the
133 percentage of income or resources derived from this state,
134 and the amount of premium tax paid to another jurisdiction
135 for the policy.

136 (i) Collection of tax.

137 If the tax owed by a surplus lines licensee under this
138 section has been collected and is not paid within the time
139 prescribed, the same shall be recoverable in a suit brought by
140 the commissioner against the surplus lines licensee. The
141 commissioner may charge interest for any unpaid tax, fee,
142 financial assessment or penalty, or portion thereof: *Provided*,
143 That interest may not be charged on interest. Interest shall be
144 calculated using the annual rates which are established by the
145 Tax Commissioner pursuant to section seventeen-a of article
146 ten, chapter eleven of this code and shall accrue daily.

3 retirement annuity for certain retirants (or their beneficiaries)
4 who are credited with twenty or more years of credited
5 service; that such program constitutes a public purpose; and
6 that the exclusions of credited service while an elected public
7 official or while a temporary legislative employee are
8 reasonable and equitable exclusions for purposes of
9 determining eligibility for such minimum benefits. For
10 purposes of this section:

11 (1) "Elected public official" means any member of the
12 Legislature or any member of the legislative body of any
13 political subdivision; and

14 (2) "Temporary legislative employee" means any
15 employee of the Clerk of the House of Delegates, the Clerk
16 of the Senate, the Legislature or a committee thereof whose

17 employment is classified as temporary and who is employed
18 to perform services required by the Clerk of the House of
19 Delegates, the Clerk of the Senate, the Legislature or a
20 committee thereof, as the case may be, for regular sessions,
21 extraordinary sessions and/or interim meetings of the
22 Legislature.

23 If the retirement annuity of a retirant (or, if applicable, his
24 or her beneficiary) with at least twenty years of credited
25 service as of the effective date of this section is less than
26 \$500 per month (including any supplemental benefits or
27 incentives provided by this article), then the monthly
28 retirement benefit for any such retired member (or if
29 applicable, his or her beneficiary) shall be increased to \$500
30 per month: *Provided*, That any year of credited service while
31 an elected public official or a temporary legislative employee
32 shall not be taken into account for purposes of this section.

33 The payment of any minimum benefit under this section
34 shall be in lieu of, and not in addition to, the payments of any
35 retirement benefit or supplemental benefit or incentives
36 otherwise provided by law: *Provided*, That the minimum
37 benefit provided herein shall be subject to any limitations
38 thereon under Section 415 of the Internal Revenue Code of
39 1986, as amended, and section twenty-seven-a of this article.

40 Any minimum benefit conferred herein shall not be
41 retroactive to the time of retirement and shall apply only to
42 members who have retired prior to the effective date of this
43 section, or, if applicable, to beneficiaries receiving benefits
44 under the retirement system prior to the effective date.

§5-10-27a. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and regulations promulgated thereunder to the

5 extent applicable to governmental plans (hereafter sometimes
6 referred to as the “415 limitation(s)” or “415 dollar
7 limitation(s)”), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any
9 annual benefit payable under this system shall be reduced or
10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this retirement system shall be
13 reduced, as compared to the extent to which an annuity,
14 contributions or other benefits under any other defined
15 benefit plans or defined contribution plans required to be
16 taken into consideration under Section 415 of the Internal
17 Revenue Code shall be reduced, shall be proportional on a
18 percentage basis to the reductions made in such other plans
19 administered by the board and required to be so taken into
20 consideration under Section 415, unless a disproportionate
21 reduction is determined by the board to maximize the
22 aggregate benefits payable to the member. If the reduction is
23 under this retirement system, the board shall advise affected
24 members of any additional limitation on the annuities or
25 other annual benefit required by this section. For purposes of
26 the 415 limitations, the “limitation year” shall be the calendar
27 year. The 415 limitations are incorporated herein by
28 reference, except to the extent the following provisions may
29 modify the default provisions thereunder:

30 (a) The annual adjustment to the 415 dollar limitations
31 made by Section 415(d) of the Internal Revenue Code and the
32 regulations thereunder shall apply for each limitation year.
33 The annual adjustments to the dollar limitations under
34 Section 415(d) of the Internal Revenue Code which become
35 effective: (i) After a retirant’s severance from employment
36 with the employer; or (ii) after the annuity starting date in the
37 case of a retirant who has already commenced receiving
38 benefits, will apply with respect to a retirant’s annual benefit
39 in any limitation year. A retirant’s annual benefit payable in
40 any limitation year from this retirement system shall in no
41 event be greater than the limit applicable at the annuity

42 starting date, as increased in subsequent years pursuant to
43 Section 415(d) of the Internal Revenue Code and the
44 regulations thereunder.

45 (b) For purposes of this section, the “annual benefit”
46 means a benefit that is payable annually in the form of a
47 straight life annuity. Except as provided below, where a
48 benefit is payable in a form other than a straight life annuity,
49 the benefit shall be adjusted to an actuarially equivalent
50 straight life annuity that begins at the same time as such other
51 form of benefit, using factors prescribed in the 415 limitation
52 regulations, before applying the 415 limitations. No actuarial
53 adjustment to the benefit shall be made for: (1) Survivor
54 benefits payable to a surviving spouse under a qualified joint
55 and survivor annuity to the extent such benefits would not be
56 payable if the member’s benefit were paid in another form;
57 (2) benefits that are not directly related to retirement benefits
58 (such as a qualified disability benefit, preretirement
59 incidental death benefits, and post-retirement medical
60 benefits); or (3) the inclusion in the form of benefit of an
61 automatic benefit increase feature, provided the form of
62 benefit is not subject to Section 417(e)(3) of the Internal
63 Revenue Code and would otherwise satisfy the limitations of
64 this article, and the plan provides that the amount payable
65 under the form of benefit in any limitation year shall not
66 exceed the limits of this article applicable at the annuity
67 starting date, as increased in subsequent years pursuant to
68 Section 415(d) of the Internal Revenue Code. For this
69 purpose an automatic benefit increase feature is included in
70 a form of benefit if the form of benefit provides for
71 automatic, periodic increases to the benefits paid in that form.

72 (c) *Adjustment for benefit forms not subject to Section*
73 *417(e)(3).* -- The straight life annuity that is actuarially
74 equivalent to the member’s form of benefit shall be
75 determined under this subsection if the form of the member’s
76 benefit is either: (1) A nondecreasing annuity (other than a
77 straight life annuity) payable for a period of not less than the

78 life of the member (or, in the case of a qualified preretirement
79 survivor annuity, the life of the surviving spouse); or (2) an
80 annuity that decreases during the life of the member merely
81 because of: (i) The death of the survivor annuitant (but only
82 if the reduction is not below fifty percent of the benefit
83 payable before the death of the survivor annuitant); or (ii) the
84 cessation or reduction of Social Security supplements or
85 qualified disability payments (as defined in Section 411(a)(9)
86 of the Internal Revenue Code). The actuarially equivalent
87 straight life annuity is equal to the greater of: (I) The annual
88 amount of the straight life annuity (if any) payable to the
89 member under the plan commencing at the same annuity
90 starting date as the member's form of benefit; and (II) the
91 annual amount of the straight life annuity commencing at the
92 same annuity starting date that has the same actuarial present
93 value as the member's form of benefit, computed using a five
94 percent interest rate assumption and the applicable mortality
95 table defined in Treasury Regulation §1.417(e)-1(d)(2)
96 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
97 modifying the applicable provisions of Revenue Ruling
98 2001-62) for that annuity starting date.

99 (d) *Adjustment for benefit forms subject to Section*
100 *417(e)(3).* -- The straight life annuity that is actuarially
101 equivalent to the member's form of benefit shall be
102 determined under this subsection if the form of the member's
103 benefit is other than a benefit form described in subsection
104 (c) of this section. In this case, the actuarially equivalent
105 straight life annuity shall be determined as follows: The
106 actuarially equivalent straight life annuity is equal to the
107 greatest of: (1) The annual amount of the straight life annuity
108 commencing at the same annuity starting date that has the
109 same actuarial present value as the member's form of benefit,
110 computed using the interest rate specified in this retirement
111 system and the mortality table (or other tabular factor)
112 specified in this retirement system for adjusting benefits in
113 the same form; (2) the annual amount of the straight life

114 annuity commencing at the same annuity starting date that
115 has the same actuarial present value as the member's form of
116 benefit, computed using a five and a half percent interest rate
117 assumption and the applicable mortality table defined in
118 Treasury Regulation §1.417(e)-1(d)(2) (Revenue Ruling
119 2001-62 or any subsequent Revenue Ruling modifying the
120 applicable provisions of Revenue Ruling 2001-62) for that
121 annuity starting date; and (3) the annual amount of the
122 straight life annuity commencing at the same annuity starting
123 date that has the same actuarial present value as the
124 member's form of benefit, computed using the applicable
125 interest rate defined in Treasury Regulation §1.417(e)-1(d)(3)
126 and the applicable mortality table defined in Treasury
127 Regulation §1.417(e)-1(d)(2) (the mortality table specified in
128 Revenue Ruling 2001-62 or any subsequent Revenue Ruling
129 modifying the applicable provisions of Revenue Ruling
130 2001-62), divided by 1.05.

131 (e) *Benefits payable prior to age sixty-two.* --

132 (1) Except as provided in subdivisions (2) and (3) of this
133 subsection, if the member's retirement benefits become
134 payable before age sixty-two, the 415 dollar limitation
135 prescribed by this section shall be reduced in accordance with
136 regulations issued by the Secretary of the Treasury pursuant
137 to the provisions of Section 415(b) of the Internal Revenue
138 Code, so that the limitation (as so reduced) equals an annual
139 straight life benefit (when the retirement income benefit
140 begins) which is equivalent to an annual benefit in the
141 amount of the applicable dollar limitation of Section
142 415(b)(1)(A) of the Internal Revenue Code (as adjusted
143 pursuant to Section 415(d) of the Internal Revenue Code)
144 beginning at age sixty-two.

145 (2) The limitation reduction provided in subdivision (1)
146 of this subsection shall not apply if the member commencing
147 retirement benefits before age sixty-two is a qualified

148 participant. A qualified participant for this purpose is a
149 participant in a defined benefit plan maintained by a state, or
150 any political subdivision of a state, with respect to whom the
151 service taken into account in determining the amount of the
152 benefit under the defined benefit plan includes at least fifteen
153 years of service: (i) As a full-time employee of any police or
154 fire department organized and operated by the state or
155 political subdivision maintaining the defined benefit plan to
156 provide police protection, fire-fighting services or emergency
157 medical services for any area within the jurisdiction of such
158 state or political subdivision; or (ii) as a member of the armed
159 forces of the United States.

160 (3) The limitation reduction provided in subdivision (1)
161 of this subsection shall not be applicable to preretirement
162 disability benefits or preretirement death benefits.

163 (4) For purposes of adjusting the 415 dollar limitation for
164 benefit commencement before age sixty-two or after age
165 sixty-five (if the plan provides for such adjustment), no
166 adjustment is made to reflect the probability of a member's
167 death: (i) After the annuity starting date and before age sixty-
168 two; or (ii) after age sixty-five and before the annuity starting
169 date.

170 (f) *Adjustment when member has less than ten years of*
171 *participation.* -- In the case of a member who has less than
172 ten years of participation in the retirement system (within the
173 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
174 415 dollar limitation (as adjusted pursuant to Section 415(d)
175 of the Internal Revenue Code and subsection (e) of this
176 section) shall be reduced by multiplying the otherwise
177 applicable limitation by a fraction, the numerator of which is
178 the number of years of participation in the plan (or one, if
179 greater), and the denominator of which is ten. This
180 adjustment shall not be applicable to preretirement disability
181 benefits or preretirement death benefits.

182 (g) The application of the provisions of this section shall
183 not cause the maximum annual benefit provided to a member
184 to be less than the member's accrued benefit as of December
185 31, 2008 (the end of the limitation year that is immediately
186 prior to the effective date of the final regulations for this
187 retirement system as defined in Treasury Regulation
188 §1.415(a)-1(g)(2)), under provisions of the retirement system
189 that were both adopted and in effect before April 5, 2007,
190 provided that such provisions satisfied the applicable
191 requirements of statutory provisions, regulations, and other
192 published guidance relating to Section 415 of the Internal
193 Revenue Code in effect as of the end of December 31, 2008,
194 as described in Treasury Regulation §1.415(a)-1(g)(4). If
195 additional benefits are accrued for a member under this
196 retirement system after January 1, 2009, then the sum of the
197 benefits described under the first sentence of this subsection
198 and benefits accrued for a member after January 1, 2009,
199 must satisfy the requirements of Section 415, taking into
200 account all applicable requirements of the final 415 Treasury
201 Regulations.

§5-10-27b. Federal law minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiary's interest and take precedence
3 over any inconsistent provisions of this code. This provision
4 applies to plan years beginning after December 31, 1986.
5 Notwithstanding anything in this code to the contrary, the
6 payment of benefits under this article shall be determined and
7 made in accordance with Section 401(a)(9) of the Internal
8 Revenue Code and the federal regulations promulgated
9 thereunder. For this purpose, the following provisions apply:

10 (a) The payment of benefits under the retirement system
11 to any member shall be distributed to him or her not later
12 than the required beginning date, or be distributed to him or

13 her commencing not later than the required beginning date,
14 in accordance with regulations prescribed under Section
15 401(a)(9) of the Internal Revenue Code, over the life of the
16 member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent upon, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the retirement system has been distributed,
25 then the remaining portion of that interest shall be distributed
26 at least as rapidly as under the method of distribution being
27 used at the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the retirement
30 system will be distributed by December 31 of the calendar
31 year containing the fifth anniversary of the member's death,
32 except as follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life of that beneficiary or
35 over a period certain not greater than the life expectancy of
36 that beneficiary, commencing on or before December 31 of
37 the calendar year immediately following the calendar year in
38 which the member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall be no later
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)
46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§5-10-27c. Direct rollovers.

1 (a) Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise limit a distributee's election under this
5 system, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution paid directly to an eligible retirement
8 plan specified by the distributee in a direct rollover. For
9 purposes of this section, the following definitions apply:

10 (1) "Eligible rollover distribution" means any distribution
11 of all or any portion of the balance to the credit of the
12 distributee, except that an eligible rollover distribution does
13 not include any of the following: (i) Any distribution that is
14 one of a series of substantially equal periodic payments not
15 less frequently than annually made for the life or life
16 expectancy of the distributee or the joint lives or the joint life
17 expectancies of the distributee and the distributee's
18 designated beneficiary, or for a specified period of ten years
19 or more; (ii) any distribution to the extent the distribution is
20 required under Section 401(a)(9) of the Internal Revenue
21 Code; (iii) the portion of any distribution that is not
22 includable in gross income determined without regard to the
23 exclusion for net unrealized appreciation with respect to
24 employer securities; and (iv) any hardship distribution
25 described in Section 401(k)(2)(B)(i)(iv) of the Internal
26 Revenue Code. For distributions after December 31, 2001,
27 a portion of a distribution shall not fail to be an eligible
28 rollover distribution merely because the portion consists of
29 after-tax employee contributions which are not includable in

30 gross income. However, this portion may be paid only to an
31 individual retirement account or annuity described in Section
32 408(a) or (b) of the Internal Revenue Code, or (for taxable
33 years beginning before January 1, 2007) to a qualified trust
34 which is part of a defined contribution plan described in
35 Section 401(a) or (for taxable years beginning after
36 December 31, 2006) to a qualified trust or to an annuity
37 contract described in Section 403(a) or (b) of the Internal
38 Revenue Code that agrees to separately account for amounts
39 transferred (including interest or earnings thereon), including
40 separately accounting for the portion of the distribution
41 which is includable in gross income and the portion of the
42 distribution which is not so includable, or (for taxable years
43 beginning after December 31, 2007) to a Roth IRA described
44 in Section 408A of the Internal Revenue Code.

45 (2) “Eligible retirement plan” means an individual
46 retirement account described in Section 408(a) of the Internal
47 Revenue Code, an individual retirement annuity described in
48 Section 408(b) of the Internal Revenue Code, an annuity plan
49 described in Section 403(a) of the Internal Revenue Code or
50 a qualified plan described in Section 401(a) of the Internal
51 Revenue Code that accepts the distributee’s eligible rollover
52 distribution: *Provided*, That in the case of an eligible rollover
53 distribution prior to January 1, 2002, to the surviving spouse,
54 an eligible retirement plan is limited to an individual
55 retirement account or individual retirement annuity. For
56 distributions after December 1, 2001, an eligible retirement
57 plan also means an annuity contract described in Section
58 403(b) of the Internal Revenue Code and an eligible plan
59 under Section 457(b) of the Internal Revenue Code which is
60 maintained by a state, political subdivision of a state, or any
61 agency or instrumentality of a state or political subdivision of
62 a state and which agrees to separately account for amounts
63 transferred into the plan from this system. For distributions
64 after December 31, 2007, an eligible retirement plan also
65 means a Roth IRA described in Section 408A of the Internal

66 Revenue Code: *Provided*, That in the case of an eligible
67 rollover distribution after December 31, 2007, to a designated
68 beneficiary (other than a surviving spouse) as such term is
69 defined in Section 402(c)(11) of the Internal Revenue Code,
70 an eligible retirement plan is limited to an individual
71 retirement account or individual retirement annuity which
72 meets the conditions of Section 402(c)(11) of the Internal
73 Revenue Code.

74 (3) "Distributee" means an employee or former
75 employee. In addition, the employee's or former employee's
76 surviving spouse and the employee's or former employee's
77 spouse or former spouse who is the alternate payee under a
78 qualified domestic relations order, as defined in Section
79 414(p) of the Internal Revenue Code with respect to
80 governmental plans, are distributees with regard to the
81 interest of the spouse or former spouse. For distributions
82 after December 31, 2007, "distributee" also includes a
83 designated beneficiary (other than a surviving spouse) as
84 such term is defined in Section 402(c)(11) of the Internal
85 Revenue Code.

86 (4) "Direct rollover" means a payment by the retirement
87 system to an eligible retirement plan.

88 (b) Nothing in this section may be construed as
89 permitting rollovers into this system or any other system
90 administered by the retirement board.

**§5-10-27d. Rollovers and transfers to purchase service credit or
repay withdrawn contributions.**

1 (a) This section applies to rollovers and transfers as
2 specified in this section made on or after January 1, 2002.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise prohibit or limit rollovers and plan
5 transfers to this system, the retirement system shall accept the

6 following rollovers and plan transfers on behalf of a member
7 solely for the purpose of purchasing permissive service
8 credit, in whole or in part, as otherwise provided in this
9 article or for the repayment of withdrawn or refunded
10 contributions, in whole or in part, with respect to a previous
11 forfeiture of service credit as otherwise provided in this
12 article: (i) One or more rollovers within the meaning of
13 Section 408(d)(3) of the Internal Revenue Code from an
14 individual retirement account described in Section 408(a) of
15 the Internal Revenue Code or from an individual retirement
16 annuity described in Section 408(b) of the Internal Revenue
17 Code; (ii) one or more rollovers described in Section 402(c)
18 of the Internal Revenue Code from a retirement plan that is
19 qualified under Section 401(a) of the Internal Revenue Code
20 or from a plan described in Section 403(b) of the Internal
21 Revenue Code; (iii) one or more rollovers described in
22 Section 457(e)(16) of the Internal Revenue Code from a
23 governmental plan described in Section 457 of the Internal
24 Revenue Code; or (iv) direct trustee-to-trustee transfers or
25 rollovers from a plan that is qualified under Section 401(a) of
26 the Internal Revenue Code, from a plan described in Section
27 403(b) of the Internal Revenue Code or from a governmental
28 plan described in Section 457 of the Internal Revenue Code:
29 *Provided*, That any rollovers or transfers pursuant to this
30 section shall be accepted by the system only if made in cash
31 or other asset permitted by the board and only in accordance
32 with policies, practices and procedures established by the
33 board from time to time. For purposes of this article, the
34 following definitions and limitations apply:

35 (1) "Permissive service credit" means service credit
36 which is permitted to be purchased under the terms of the
37 retirement system by voluntary contributions in an amount
38 which does not exceed the amount necessary to fund the
39 benefit attributable to the period of service for which the
40 service credit is being purchased, all as defined in Section
41 415(n)(3)(A) of the Internal Revenue Code: *Provided*, That

42 no more than five years of “nonqualified service credit”, as
43 defined in Section 415(n)(3)(C) of the Internal Revenue
44 Code, may be included in the permissive service credit
45 allowed to be purchased (other than by means of a rollover or
46 plan transfer), and no nonqualified service credit may be
47 included in any such purchase (other than by means of a
48 rollover or plan transfer) before the member has at least five
49 years of participation in the retirement system.

50 (2) “Repayment of withdrawn or refunded contributions”
51 means the payment into the retirement system of the funds
52 required pursuant to this article for the reinstatement of
53 service credit previously forfeited on account of any refund
54 or withdrawal of contributions permitted in this article, as set
55 forth in Section 415(k)(3) of the Internal Revenue Code.

56 (3) Any contribution (other than by means of a rollover
57 or plan transfer) to purchase permissive service credit under
58 any provision of this article must satisfy the special limitation
59 rules described in Section 415(n) of the Internal Revenue
60 Code and shall be automatically reduced, limited or required
61 to be paid over multiple years if necessary to ensure such
62 compliance. To the extent any such purchased permissive
63 service credit is qualified military service within the meaning
64 of Section 414(u) of the Internal Revenue Code, the
65 limitations of Section 415 of the Internal Revenue Code shall
66 be applied to such purchase as described in Section
67 414(u)(1)(B) of the Internal Revenue Code.

68 (4) For purposes of Section 415(b) of the Internal
69 Revenue Code, the annual benefit attributable to any rollover
70 contribution accepted pursuant to this section shall be
71 determined in accordance with Treasury Regulation
72 §1.415(b)-1(b)(2)(v), and the excess, if any, of the annuity
73 payments attributable to any rollover contribution provided
74 under the retirement system over the annual benefit so
75 determined shall be taken into account when applying the

76 accrued benefit limitations of Section 415(b) of the Internal
77 Revenue Code and section twenty-seven-a of this article.

78 (b) Nothing in this section shall be construed as
79 permitting rollovers or transfers into this system or any other
80 system administered by the retirement board other than as
81 specified in this section and no rollover or transfer shall be
82 accepted into the system in an amount greater than the
83 amount required for the purchase of permissive service credit
84 or repayment of withdrawn or refunded contributions.

85 (c) Nothing in this section shall be construed as
86 permitting the purchase of service credit or repayment of
87 withdrawn or refunded contributions except as otherwise
88 permitted in this article.

**§5-10-29. Members' deposit fund; members' contributions;
forfeitures.**

1 (a) The members' deposit fund is hereby created. It shall
2 be the fund in which shall be accumulated, at regular interest,
3 the contributions deducted from the compensation of
4 members, and from which refunds of accumulated
5 contributions shall be paid and transfers made as provided in
6 this section.

7 (b) The contributions of a member to the retirement
8 system (including any member of the Legislature, except as
9 otherwise provided in subsection (g) of this section) shall be
10 a sum of not less than three and five-tenths percent of his or
11 her annual compensations but not more than four and five-
12 tenths percent of his or her annual compensations, as
13 determined by the board of trustees. The said contributions
14 shall be made notwithstanding that the minimum salary or
15 wages provided by law for any member shall be thereby
16 changed. Each member shall be deemed to consent and agree
17 to the deductions made and provided for herein. Payment of

18 a member's compensation less said deductions shall be a full
19 and complete discharge and acquittance of all claims and
20 demands whatsoever for services rendered by him or her to
21 a participating public employer, except as to benefits
22 provided by this article.

23 (c) The officer or officers responsible for making up the
24 payrolls for payroll units of the state government and for each
25 of the other participating public employers shall cause the
26 contributions, provided in subsection (b) of this section, to be
27 deducted from the compensations of each member in the
28 employ of the participating public employer, on each and
29 every payroll, for each and every payroll period, from the
30 date the member enters the retirement system to the date his
31 or her membership terminates. When deducted, each of said
32 amounts shall be paid by the participating public employer to
33 the retirement system; said payments to be made in such
34 manner and form, and in such frequency, and shall be
35 accompanied by such supporting data, as the board of
36 trustees shall from time to time prescribe. When paid to the
37 retirement system, each of said amounts shall be credited to
38 the members' deposit fund account of the member from
39 whose compensations said contributions were deducted.

40 (d) In addition to the contributions deducted from the
41 compensations of a member, as heretofore provided, a
42 member shall deposit in the members' deposit fund, by a
43 single contribution or by an increased rate of contribution as
44 approved by the board of trustees, the amounts he or she may
45 have withdrawn therefrom and not repaid thereto, together
46 with regular interest from the date of withdrawal to the date
47 of repayment. In no case shall a member be given credit for
48 service rendered prior to the date he or she withdrew his or
49 her contributions or accumulated contributions, as the case
50 may be, until he or she returns to the members' deposit fund
51 all amounts due the said fund by him or her.

52 (e) Upon the retirement of a member, or if a survivor
53 annuity becomes payable on account of his or her death, in
54 either event his or her accumulated contributions standing to
55 his or her credit in the members' deposit fund shall be
56 transferred to the retirement reserve fund.

57 (f) In the event an employee's membership in the
58 retirement system terminates and no annuity becomes or will
59 become payable on his or her account, any accumulated
60 contributions standing to his or her credit in the members'
61 deposit fund, unclaimed by the said employee, or his or her
62 legal representative, within three years from and after the
63 date his or her membership terminated, shall be transferred to
64 the income fund.

65 (g) Any member of the Legislature who is a member of
66 the retirement system and with respect to whom the term
67 "final average salary" includes a multiple of eight, pursuant
68 to the provisions of subdivision (15), section two of this
69 article, shall contribute to the retirement system on the basis
70 of his or her legislative compensation the sum of \$540 each
71 year he or she participates in the retirement system as a
72 member of the Legislature.

73 (h) Notwithstanding any other provisions of this article,
74 forfeitures under the system shall not be applied to increase
75 the benefits any member would otherwise receive under the
76 system.

§7-14D-11. Retirement benefits.

§7-14D-2. Definitions.

1 As used in this article, unless a federal law or regulation
2 or the context clearly requires a different meaning:

3 (a) “Accrued benefit” means on behalf of any member
4 two and one-quarter percent of the member’s final average
5 salary multiplied by the member’s years of credited service.
6 A member’s accrued benefit may not exceed the limits of
7 Section 415 of the Internal Revenue Code and is subject to
8 the provisions of section nine-a of this article.

9 (b) “Accumulated contributions” means the sum of all
10 amounts deducted from the compensation of a member, or
11 paid on his or her behalf pursuant to article ten-c, chapter five
12 of this code, either pursuant to section seven of this article or
13 section twenty-nine, article ten, chapter five of this code as a
14 result of covered employment together with regular interest
15 on the deducted amounts.

16 (c) “Active member” means a member who is active and
17 contributing to the plan.

18 (d) “Active military duty” means full-time active duty
19 with any branch of the armed forces of the United States,
20 including service with the National Guard or reserve military
21 forces when the member has been called to active full-time
22 duty and has received no compensation during the period of
23 that duty from any board or employer other than the armed
24 forces.

25 (e) “Actuarial equivalent” means a benefit of equal value
26 computed upon the basis of the mortality table and interest
27 rates as set and adopted by the retirement board in

28 accordance with the provisions of this article: *Provided*, That
29 when used in the context of compliance with the federal
30 maximum benefit requirements of Section 415 of the Internal
31 Revenue Code, “actuarial equivalent” shall be computed
32 using the mortality tables and interest rates required to
33 comply with those requirements.

34 (f) “Annual compensation” means the wages paid to the
35 member during covered employment within the meaning of
36 Section 3401(a) of the Internal Revenue Code, but
37 determined without regard to any rules that limit the
38 remuneration included in wages based upon the nature or
39 location of employment or services performed during the
40 plan year plus amounts excluded under Section 414(h)(2) of
41 the Internal Revenue Code and less reimbursements or other
42 expense allowances, cash or noncash fringe benefits or both,
43 deferred compensation and welfare benefits. Annual
44 compensation for determining benefits during any
45 determination period may not exceed the maximum
46 compensation allowed as adjusted for cost of living in
47 accordance with section seven, article ten-d, chapter five of
48 this code and Section 401(a)(17) of the Internal Revenue
49 Code.

55 employment and reached early or normal retirement age.

56 (i) “Base salary” means a member’s cash compensation
57 exclusive of overtime from covered employment during the
58 last twelve months of employment. Until a member has
59 worked twelve months, annualized base salary is used as base
60 salary.

61 (j) "Board" means the Consolidated Public Retirement
62 Board created pursuant to article ten-d, chapter five of this
63 code.

64 (k) "County commission" has the meaning ascribed to it
65 in section one, article one, chapter seven of this code.

66 (l) "Covered employment" means either: (1) Employment
67 as a deputy sheriff and the active performance of the duties
68 required of a deputy sheriff; or (2) the period of time which
69 active duties are not performed but disability benefits are
70 received under section fourteen or fifteen of this article; or
71 (3) concurrent employment by a deputy sheriff in a job or
72 jobs in addition to his or her employment as a deputy sheriff
73 where the secondary employment requires the deputy sheriff
74 to be a member of another retirement system which is
75 administered by the Consolidated Public Retirement Board
76 pursuant to article ten-d, chapter five of this code: *Provided*,
77 That the deputy sheriff contributes to the fund created in
78 section six of this article the amount specified as the deputy
79 sheriff's contribution in section seven of this article.

80 (m) "Credited service" means the sum of a member's
81 years of service, active military duty, disability service and
82 annual leave service.

84 county law-enforcement deputy sheriff in this state and as
85 defined by section two, article fourteen of this chapter.

88 (A) A natural child of the member;

89 (B) A legally adopted child of the member;

90 (C) A child who at the time of the member's death was
91 living with the member while the member was an adopting
92 parent during any period of probation; or

93 (D) A stepchild of the member residing in the member's
94 household at the time of the member's death; or

95 (2) Any unmarried child under age twenty-three:

97 accredited college or university;

98 (B) Who was claimed as a dependent by the member for
99 federal income tax purposes at the time of the member's
100 death; and

101 (C) Whose relationship with the member is described in
102 subparagraph (A), (B) or (C), paragraph (1) of this
103 subdivision.

104 (p) "Dependent parent" means the father or mother of the

107 death.

108 (q) "Disability service" means service credit received by
109 a member, expressed in whole years, fractions thereof or
110 both, equal to one half of the whole years, fractions thereof
111 or both, during which time a member receives disability
112 benefits under section fourteen or fifteen of this article.

113 (r) "Early retirement age" means age forty or over and
114 completion of twenty years of service.

115 (s) "Employer error" means an omission,
116 misrepresentation, or violation of relevant provisions of the
117 West Virginia Code or of the West Virginia Code of State

118 Regulations or the relevant provisions of both the West
119 Virginia Code and of the West Virginia Code of State
120 Regulations by the participating public employer that has
121 resulted in an underpayment or overpayment of contributions
122 required. A deliberate act contrary to the provisions of this
123 section by a participating public employer does not constitute
124 employer error.

125 (t) "Effective date" means July 1, 1998.

126 (u) "Final average salary" means the average of the
127 highest annual compensation received for covered
128 employment by the member during any five consecutive plan
129 years within the member's last ten years of service. If the
130 member did not have annual compensation for the five full
131 plan years preceding the member's attainment of normal
132 retirement age and during that period the member received
133 disability benefits under section fourteen or fifteen of this
134 article then "final average salary" means the average of the
135 monthly salary determined paid to the member during that
136 period as determined under section seventeen of this article
137 multiplied by twelve.

138 (v) "Fund" means the West Virginia Deputy Sheriff
139 Retirement Fund created pursuant to section six of this
140 article.

141 (w) "Hour of service" means:

142 (1) Each hour for which a member is paid or entitled to
143 payment for covered employment during which time active
144 duties are performed. These hours shall be credited to the
145 member for the plan year in which the duties are performed;
146 and

147 (2) Each hour for which a member is paid or entitled to
148 payment for covered employment during a plan year but

149 where no duties are performed due to vacation, holiday,
150 illness, incapacity including disability, layoff, jury duty,
151 military duty, leave of absence or any combination thereof
152 and without regard to whether the employment relationship
153 has terminated. Hours under this paragraph shall be
154 calculated and credited pursuant to West Virginia Division of
155 Labor rules. A member will not be credited with any hours
156 of service for any period of time he or she is receiving
157 benefits under section fourteen or fifteen of this article; and

158 (3) Each hour for which back pay is either awarded or
159 agreed to be paid by the employing county commission,
160 irrespective of mitigation of damages. The same hours of
161 service shall not be credited both under this paragraph and
162 paragraph (1) or (2) of this subdivision. Hours under this
163 paragraph shall be credited to the member for the plan year
164 or years to which the award or agreement pertains rather than
165 the plan year in which the award, agreement or payment is
166 made.

167 (x) "Member" means a person first hired as a deputy
168 sheriff after the effective date of this article, as defined in
169 subsection (r) of this section, or a deputy sheriff first hired
170 prior to the effective date and who elects to become a
171 member pursuant to section five or seventeen of this article.
172 A member shall remain a member until the benefits to which
173 he or she is entitled under this article are paid or forfeited or
174 until cessation of membership pursuant to section five of this
175 article.

176 (y) "Monthly salary" means the portion of a member's
177 annual compensation which is paid to him or her per month.

178 (z) "Normal form" means a monthly annuity which is one
179 twelfth of the amount of the member's accrued benefit which
180 is payable for the member's life. If the member dies before
181 the sum of the payments he or she receives equals his or her

182 accumulated contributions on the annuity starting date, the
183 named beneficiary shall receive in one lump sum the
184 difference between the accumulated contributions at the
185 annuity starting date and the total of the retirement income
186 payments made to the member.

187 (aa) "Normal retirement age" means the first to occur of
188 the following: (1) Attainment of age fifty years and the
189 completion of twenty or more years of service; (2) while still
190 in covered employment, attainment of at least age fifty years
191 and when the sum of current age plus years of service equals
192 or exceeds seventy years; (3) while still in covered
193 employment, attainment of at least age sixty years and
194 completion of five years of service; or (4) attainment of age
195 sixty-two years and completion of five or more years of
196 service.

197 (bb) "Partially disabled" means a member's inability to
198 engage in the duties of deputy sheriff by reason of any
199 medically determinable physical or mental impairment that
200 can be expected to result in death or that has lasted or can be
201 expected to last for a continuous period of not less than
202 twelve months. A member may be determined partially
203 disabled for the purposes of this article and maintain the
204 ability to engage in other gainful employment which exists
205 within the state but which ability would not enable him or her
206 to earn an amount at least equal to two thirds of the average
207 annual compensation earned by all active members of this
208 plan during the plan year ending as of the most recent June
209 30, as of which plan data has been assembled and used for
210 the actuarial valuation of the plan.

211 (cc) "Public Employees Retirement System" means the
212 West Virginia Public Employees Retirement System created
213 by article ten, chapter five of this code.

214 (dd) "Plan" means the West Virginia Deputy Sheriff
215 Death, Disability and Retirement Plan established by this
216 article.

217 (ee) "Plan year" means the twelve-month period
218 commencing on July 1 of any designated year and ending the
219 following June 30.

220 (ff) "Qualified public safety employee" means any
221 employee of a participating state or political subdivision who
222 provides police protection, fire-fighting services or
223 emergency medical services for any area within the
224 jurisdiction of the state or political subdivision, or such other
225 meaning given to the term by Section 72(t)(10)(B) of the
226 Internal Revenue Code or by Treasury Regulation §1.401(a)-
227 1(b)(2)(v) as they may be amended from time to time.

228 (gg) "Regular interest" means the rate or rates of interest
229 per annum, compounded annually, as the board adopts in
230 accordance with the provisions of this article.

231 (hh) "Required beginning date" means April 1 of the
232 calendar year following the later of: (i) The calendar year in
233 which the member attains age seventy and one-half; or (ii)
234 the calendar year in which he or she retires or otherwise
235 separates from covered employment.

236 (ii) "Retirement income payments" means the annual
237 retirement income payments payable under the plan.

238 (jj) "Spouse" means the person to whom the member is
239 legally married on the annuity starting date.

240 (kk) "Surviving spouse" means the person to whom the
241 member was legally married at the time of the member's
242 death and who survived the member.

243 (ll) "Totally disabled" means a member's inability to
 244 engage in substantial gainful activity by reason of any
 245 medically determined physical or mental impairment that can
 246 be expected to result in death or that has lasted or can be
 247 expected to last for a continuous period of not less than
 248 twelve months. For purposes of this subdivision:

249 (1) A member is totally disabled only if his or her
 250 physical or mental impairment or impairments are so severe
 251 that he or she is not only unable to perform his or her
 252 previous work as a deputy sheriff but also cannot,
 253 considering his or her age, education and work experience,
 254 engage in any other kind of substantial gainful employment
 255 which exists in the state regardless of whether: (A) The work
 256 exists in the immediate area in which the member lives; (B)
 257 a specific job vacancy exists; or (C) the member would be
 258 hired if he or she applied for work.

259 (2) "Physical or mental impairment" is an impairment
 260 that results from an anatomical, physiological or
 261 psychological abnormality that is demonstrated by medically
 262 accepted clinical and laboratory diagnostic techniques. A
 263 member's receipt of Social Security disability benefits
 264 creates a rebuttable presumption that the member is totally
 265 disabled for purposes of this plan. Substantial gainful
 266 employment rebuts the presumption of total disability.

267 (mm) "*Year of service*". -- A member shall, except in his
 268 or her first and last years of covered employment, be credited
 269 with year of service credit based upon the hours of service
 270 performed as covered employment and credited to the
 271 member during the plan year based upon the following
 272 schedule:

273	Hours of Service	Years of Service Credited
274	Less than 500	0

2646	RETIREMENT SYSTEMS	[Ch. 10
275	500 to 999	1/3
276	1,000 to 1,499	2/3
277	1,500 or more	1

278 During a member's first and last years of covered
279 employment, the member shall be credited with one twelfth
280 of a year of service for each month during the plan year in
281 which the member is credited with an hour of service. A
282 member is not entitled to credit for years of service for any
283 time period during which he or she received disability
284 payments under section fourteen or fifteen of this article.
285 Except as specifically excluded, years of service include
286 covered employment prior to the effective date. Years of
287 service which are credited to a member prior to his or her
288 receipt of accumulated contributions upon termination of
289 employment pursuant to section thirteen of this article or
290 section thirty, article ten, chapter five of this code, shall be
291 disregarded for all purposes under this plan unless the
292 member repays the accumulated contributions with interest
293 pursuant to section thirteen of this article or had prior to the
294 effective date made the repayment pursuant to section
295 eighteen, article ten, chapter five of this code.

**§7-14D-3. Creation and administration of West Virginia
Deputy Sheriffs Retirement System;
specification of actuarial assumptions.**

1 There is hereby created the West Virginia Deputy
2 Sheriffs Retirement System. The purpose of this system is to
3 provide for the orderly retirement of deputy sheriffs who
4 become superannuated because of age or permanent
5 disability and to provide certain survivor death benefits, and
6 it is contemplated that substantially all of the members of the
7 retirement system shall be qualified public safety employees
8 as defined in section two of this article. The retirement

9 system constitutes a body corporate. All business of the
10 system shall be transacted in the name of the West Virginia
11 Deputy Sheriffs Retirement System. The board shall specify
12 and adopt all actuarial assumptions for the plan at its first
13 meeting of every calendar year or as soon thereafter as may
14 be practicable, which assumptions shall become part of the
15 plan.

§7-14D-9. Retirement; commencement of benefits.

1 A member may retire and commence to receive
2 retirement income payments on the first day of the calendar
3 month following the board's receipt of the member's
4 voluntary written application for retirement or the required
5 beginning date, if earlier. Before receiving retirement
6 income payments, the member shall have ceased covered
7 employment and reached early or normal retirement age. The
8 retirement income payments shall be in an amount as
9 provided under section eleven of this article: *Provided*, That
10 retirement income payments under this plan shall be subject
11 to the provisions of this article. Upon receipt of the
12 application, the board shall promptly provide the member
13 with an explanation of his or her optional forms of retirement
14 benefits and upon receipt of properly executed forms from
15 the member, the board shall process the member's request
16 and commence payments as soon as administratively feasible.

§7-14D-9a. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and regulations under that section, to the
5 extent applicable to governmental plans (hereafter sometimes
6 referred to as the "415 limitation(s)" or "415 dollar
7 limitation(s)"), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any

9 annual benefit payable under this system shall be reduced or
10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this retirement system shall be
13 reduced, as compared to the extent to which an annuity,
14 contributions or other benefits under any other defined
15 benefit plans or defined contribution plans required to be
16 taken into consideration under Section 415 of the Internal
17 Revenue Code shall be reduced, shall be proportional on a
18 percentage basis to the reductions made in such other plans
19 administered by the board and required to be so taken into
20 consideration under Section 415, unless a disproportionate
21 reduction is determined by the board to maximize the
22 aggregate benefits payable to the member. If the reduction is
23 under this retirement system, the board shall advise affected
24 members of any additional limitation on the annuities or
25 other annual benefit required by this section. For purposes of
26 the 415 limitations, the "limitation year" shall be the calendar
27 year. The 415 limitations are incorporated herein by
28 reference, except to the extent the following provisions may
29 modify the default provisions thereunder:

30 (a) The annual adjustment to the 415 dollar limitations
31 made by Section 415(d) of the Internal Revenue Code and the
32 regulations thereunder shall apply for each limitation year.
33 The annual adjustments to the dollar limitations under
34 Section 415(d) of the Internal Revenue Code which become
35 effective: (i) After a retirant's severance from employment
36 with the employer; or (ii) after the annuity starting date in the
37 case of a retirant who has already commenced receiving
38 benefits, will apply with respect to a retirant's annual benefit
39 in any limitation year. A retirant's annual benefit payable in
40 any limitation year from this retirement system shall in no
41 event be greater than the limit applicable at the annuity
42 starting date, as increased in subsequent years pursuant to
43 Section 415(d) of the Internal Revenue Code and the
44 regulations thereunder.

45 (b) For purposes of this section, the “annual benefit”
46 means a benefit that is payable annually in the form of a
47 straight life annuity. Except as provided below, where a
48 benefit is payable in a form other than a straight life annuity,
49 the benefit shall be adjusted to an actuarially equivalent
50 straight life annuity that begins at the same time as such other
51 form of benefit, using factors prescribed in the 415 limitation
52 regulations, before applying the 415 limitations. No actuarial
53 adjustment to the benefit shall be made for: (1) Survivor
54 benefits payable to a surviving spouse under a qualified joint
55 and survivor annuity to the extent such benefits would not be
56 payable if the member’s benefit were paid in another form;
57 (2) benefits that are not directly related to retirement benefits
58 (such as a qualified disability benefit, preretirement
59 incidental death benefits, and post-retirement medical
60 benefits); or (3) the inclusion in the form of benefit of an
61 automatic benefit increase feature, provided the form of
62 benefit is not subject to Section 417(e)(3) of the Internal
63 Revenue Code and would otherwise satisfy the limitations of
64 this article, and the plan provides that the amount payable
65 under the form of benefit in any limitation year shall not
66 exceed the limits of this article applicable at the annuity
67 starting date, as increased in subsequent years pursuant to
68 Section 415(d) of the Internal Revenue Code. For this
69 purpose an automatic benefit increase feature is included in
70 a form of benefit if the form of benefit provides for
71 automatic, periodic increases to the benefits paid in that form.

72 (c) *Adjustment for benefit forms not subject to Section*
73 *417(e)(3).* -- The straight life annuity that is actuarially
74 equivalent to the member’s form of benefit shall be
75 determined under this subsection if the form of the member’s
76 benefit is either: (1) A nondecreasing annuity (other than a
77 straight life annuity) payable for a period of not less than the
78 life of the member (or, in the case of a qualified preretirement
79 survivor annuity, the life of the surviving spouse); or (2) an
80 annuity that decreases during the life of the member merely

81 because of: (i) The death of the survivor annuitant (but only
82 if the reduction is not below fifty percent of the benefit
83 payable before the death of the survivor annuitant); or (ii) the
84 cessation or reduction of Social Security supplements or
85 qualified disability payments (as defined in Section 411(a)(9)
86 of the Internal Revenue Code). The actuarially equivalent
87 straight life annuity is equal to the greater of: (I) The annual
88 amount of the straight life annuity (if any) payable to the
89 member under the plan commencing at the same annuity
90 starting date as the member's form of benefit; and (II) the
91 annual amount of the straight life annuity commencing at the
92 same annuity starting date that has the same actuarial present
93 value as the member's form of benefit, computed using a five
94 percent interest rate assumption and the applicable mortality
95 table defined in Treasury Regulation §1.417(e)-1(d)(2)
96 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
97 modifying the applicable provisions of Revenue Ruling
98 2001-62) for that annuity starting date.

99 (d) *Adjustment for benefit forms subject to Section*
100 *417(e)(3).* -- The straight life annuity that is actuarially
101 equivalent to the member's form of benefit shall be
102 determined under this subsection if the form of the member's
103 benefit is other than a benefit form described in subdivision
104 (c) of this section. The actuarially equivalent straight life
105 annuity shall be determined as follows: The actuarially
106 equivalent straight life annuity is equal to the greatest of: (1)
107 The annual amount of the straight life annuity commencing
108 at the same annuity starting date that has the same actuarial
109 present value as the member's form of benefit, computed
110 using the interest rate specified in this retirement system and
111 the mortality table (or other tabular factor) specified in this
112 retirement system for adjusting benefits in the same form; (2)
113 the annual amount of the straight life annuity commencing at
114 the same annuity starting date that has the same actuarial
115 present value as the member's form of benefit, computed
116 using a five and a half percent interest rate assumption and

117 the applicable mortality table defined in Treasury Regulation
118 §1.417(e)-1(d)(2) (Revenue Ruling 2001-62 or any
119 subsequent Revenue Ruling modifying the applicable
120 provisions of Revenue Ruling 2001-62) for that annuity
121 starting date; and (3) the annual amount of the straight life
122 annuity commencing at the same annuity starting date that
123 has the same actuarial present value as the member's form of
124 benefit, computed using the applicable interest rate defined
125 in Treasury Regulation §1.417(e)-1(d)(3) and the applicable
126 mortality table defined in Treasury Regulation §1.417(e)-
127 1(d)(2) (the mortality table specified in Revenue Ruling
128 2001-62 or any subsequent Revenue Ruling modifying the
129 applicable provisions of Revenue Ruling 2001-62), divided
130 by 1.05.

131 (e) *Benefits payable prior to age sixty-two.* --

132 (1) Except as provided in paragraphs (2) and (3) of this
133 subdivision, if the member's retirement benefits become
134 payable before age sixty-two, the 415 dollar limitation
135 prescribed by this section shall be reduced in accordance with
136 regulations issued by the Secretary of the Treasury pursuant
137 to the provisions of Section 415(b) of the Internal Revenue
138 Code, so that the limitation (as so reduced) equals an annual
139 straight life benefit (when the retirement income benefit
140 begins) which is equivalent to an annual benefit in the
141 amount of the applicable dollar limitation of Section
142 415(b)(1)(A) of the Internal Revenue Code (as adjusted
143 pursuant to Section 415(d) of the Internal Revenue Code)
144 beginning at age sixty-two.

145 (2) The limitation reduction provided in paragraph (1) of
146 this subdivision shall not apply if the member commencing
147 retirement benefits before age sixty-two is a qualified
148 participant. A qualified participant for this purpose is a
149 participant in a defined benefit plan maintained by a state, or
150 any political subdivision of a state, with respect to whom the

151 service taken into account in determining the amount of the
152 benefit under the defined benefit plan includes at least fifteen
153 years of service: (i) As a full-time employee of any police or
154 fire department organized and operated by the state or
155 political subdivision maintaining the defined benefit plan to
156 provide police protection, fire-fighting services or emergency
157 medical services for any area within the jurisdiction of such
158 state or political subdivision; or (ii) as a member of the armed
159 forces of the United States.

160 (3) The limitation reduction provided in paragraph (1) of
161 this subdivision shall not be applicable to preretirement
162 disability benefits or preretirement death benefits.

163 (4) For purposes of adjusting the 415 dollar limitation for
164 benefit commencement before age sixty-two or after age
165 sixty-five (if the plan provides for such adjustment), no
166 adjustment is made to reflect the probability of a member's
167 death: (i) After the annuity starting date and before age sixty-
168 two; or (ii) after age sixty-five and before the annuity starting
169 date.

170 (f) *Adjustment when member has less than ten years of*
171 *participation.* -- In the case of a member who has less than
172 ten years of participation in the retirement system (within the
173 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
174 415 dollar limitation (as adjusted pursuant to Section 415(d)
175 of the Internal Revenue Code and subdivision (e) of this
176 section) shall be reduced by multiplying the otherwise
177 applicable limitation by a fraction, the numerator of which is
178 the number of years of participation in the plan (or one, if
179 greater), and the denominator of which is ten. This
180 adjustment shall not be applicable to preretirement disability
181 benefits or preretirement death benefits.

182 (g) The application of the provisions of this section shall
183 not cause the maximum annual benefit provided to a member

184 to be less than the member's accrued benefit as of December
185 31, 2008 (the end of the limitation year that is immediately
186 prior to the effective date of the final regulations for this
187 retirement system as defined in Treasury Regulation
188 §1.415(a)-1(g)(2)), under provisions of the retirement system
189 that were both adopted and in effect before April 5, 2007,
190 provided that such provisions satisfied the applicable
191 requirements of statutory provisions, regulations, and other
192 published guidance relating to Section 415 of the Internal
193 Revenue Code in effect as of December 31, 2008, as
194 described in Treasury Regulation §1.415(a)-1(g)(4). If
195 additional benefits are accrued for a member under this
196 retirement system after January 1, 2009, then the sum of the
197 benefits described under the first sentence of this subsection
198 and benefits accrued for a member after January 1, 2009,
199 must satisfy the requirements of Section 415, taking into
200 account all applicable requirements of the final 415 Treasury
201 Regulations.

§7-14D-9b. Federal law minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiary's interest and take precedence
3 over any inconsistent provisions of this plan. This section
4 applies to plan years beginning after December 31, 1986.
5 Notwithstanding anything in the plan to the contrary, the
6 payment of benefits under this article shall be determined and
7 made in accordance with Section 401(a)(9) of the Internal
8 Revenue Code and the regulations thereunder. For this
9 purpose, the following provisions apply:

10 (a) The payment of benefits under the plan to any
11 member shall be distributed to him or her not later than the
12 required beginning date, or be distributed to him or her
13 commencing not later than the required beginning date, in
14 accordance with regulations prescribed under Section
15 401(a)(9) of the Internal Revenue Code, over the life of the

16 member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent upon, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the plan has been distributed, then the
25 remaining portion of that interest shall be distributed at least
26 as rapidly as under the method of distribution being used at
27 the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the plan shall be
30 distributed by December 31 of the calendar year containing
31 the fifth anniversary of the member's death, except as
32 follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life of that beneficiary or
35 over a period certain not greater than the life expectancy of
36 the beneficiary, commencing on or before December 31 of
37 the calendar year immediately following the calendar year in
38 which the member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall be no later
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)

46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§7-14D-9c. Direct rollovers.

1 Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise limit a distributee's election under this
5 plan, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution paid directly to an eligible retirement
8 plan specified by the distributee in a direct rollover. For
9 purposes of this section, the following definitions apply:

10 (1) "Eligible rollover distribution" means any distribution
11 of all or any portion of the balance to the credit of the
12 distributee, except that an eligible rollover distribution does
13 not include any of the following: (A) Any distribution that is
14 one of a series of substantially equal periodic payments not
15 less frequently than annually made for the life or life
16 expectancy of the distributee or the joint lives or the joint life
17 expectancies of the distributee and the distributee's
18 designated beneficiary, or for a specified period of ten years
19 or more; (B) any distribution to the extent the distribution is
20 required under Section 401(a)(9) of the Internal Revenue
21 Code; (C) the portion of any distribution that is not
22 includable in gross income determined without regard to the
23 exclusion for net unrealized appreciation with respect to
24 employer securities; (D) any hardship distribution described
25 in Section 401(k)(2)(B)(i)(iv) of the Internal Revenue Code.
26 For distributions after December 31, 2001, a portion of a
27 distribution shall not fail to be an eligible rollover
28 distribution merely because the portion consists of after-tax
29 employee contributions which are not includable in gross
30 income. However, this portion may be paid only to an
31 individual retirement account or annuity described in Section

32 408(a) or (b) of the Internal Revenue Code, or (for taxable
33 years beginning before January 1, 2007) to a qualified trust
34 which is part of a defined contribution plan described in
35 Section 401(a) or (for taxable years beginning after
36 December 31, 2006) to a qualified trust or to an annuity
37 contract described in Section 403(a) or (b) of the Internal
38 Revenue Code that agrees to separately account for amounts
39 transferred (including interest or earnings thereon), including
40 separately accounting for the portion of the distribution
41 which is includable in gross income and the portion of the
42 distribution which is not so includable, or (for taxable years
43 beginning after December 31, 2007) to a Roth IRA described
44 in Section 408A of the Internal Revenue Code.

45 (2) "Eligible retirement plan" means an individual
46 retirement account described in Section 408(a) of the Internal
47 Revenue Code, an individual retirement annuity described in
48 Section 408(b) of the Internal Revenue Code, an annuity plan
49 described in Section 403(a) of the Internal Revenue Code or
50 a qualified plan described in Section 401(a) of the Internal
51 Revenue Code that accepts the distributee's eligible rollover
52 distribution: *Provided*, That in the case of an eligible rollover
53 distribution prior to January 1, 2002, to the surviving spouse,
54 an eligible retirement plan is limited to an individual
55 retirement account or individual retirement annuity. For
56 distributions after December 31, 2001, an eligible retirement
57 plan also means an annuity contract described in Section
58 403(b) of the Internal Revenue Code and an eligible plan
59 under Section 457(b) of the Internal Revenue Code which is
60 maintained by a state, political subdivision of a state, or any
61 agency or instrumentality of a state or political subdivision of
62 a state and which agrees to separately account for amounts
63 transferred into the plan from this system. For distributions
64 after December 31, 2007, an eligible retirement plan also
65 means a Roth IRA described in Section 408A of the Internal
66 Revenue Code: *Provided, however*, That in the case of an
67 eligible rollover distribution after December 31, 2007, to a

68 designated beneficiary (other than a surviving spouse) as
69 such term is defined in Section 402(c)(11) of the Internal
70 Revenue Code, an eligible retirement plan is limited to an
71 individual retirement account or individual retirement annuity
72 which meets the conditions of Section 402(c)(11) of the
73 Internal Revenue Code.

74 (3) "Distributee" means an employee or former
75 employee. In addition, the employee's or former employee's
76 surviving spouse and the employee's or former employee's
77 spouse or former spouse who is the alternate payee under a
78 qualified domestic relations order, as defined in Section
79 414(p) of the Internal Revenue Code with respect to
80 governmental plans, are distributees with regard to the
81 interest of the spouse or former spouse. For distributions
82 after December 31, 2007, "distributee" also includes a
83 designated beneficiary (other than a surviving spouse) as
84 such term is defined in Section 402(c)(11) of the Internal
85 Revenue Code.

86 (4) "Direct rollover" means a payment by the plan to the
87 eligible retirement plan.

**§7-14D-9d. Rollovers and transfers to purchase service credit or
repay withdrawn contributions.**

1 (a) This section applies to rollovers and transfers as
2 specified in this section made on or after January 1, 2002.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise prohibit or limit rollovers and plan
5 transfers to this system, the retirement system shall accept the
6 following rollovers and plan transfers on behalf of a member
7 solely for the purpose of purchasing permissive service
8 credit, in whole or in part, as otherwise provided in this
9 article or for the repayment of withdrawn or refunded
10 contributions, in whole and in part, with respect to a previous
11 forfeiture of service credit as otherwise provided in this

12 article: (i) One or more rollovers within the meaning of
13 Section 408(d)(3) of the Internal Revenue Code from an
14 individual retirement account described in Section 408(a) of
15 the Internal Revenue Code or from an individual retirement
16 annuity described in Section 408(b) of the Internal Revenue
17 Code; (ii) one or more rollovers described in Section 402(c)
18 of the Internal Revenue Code from a retirement plan that is
19 qualified under Section 401(a) of the Internal Revenue Code
20 or from a plan described in Section 403(b) of the Internal
21 Revenue Code; (iii) one or more rollovers described in
22 Section 457(e)(16) of the Internal Revenue Code from a
23 governmental plan described in Section 457 of the Internal
24 Revenue Code; or (iv) direct trustee-to-trustee transfers or
25 rollovers from a plan that is qualified under Section 401(a) of
26 the Internal Revenue Code, from a plan described in Section
27 403(b) of the Internal Revenue Code or from a governmental
28 plan described in Section 457 of the Internal Revenue Code:
29 *Provided*, That any rollovers or transfers pursuant to this
30 section shall be accepted by the system only if made in cash
31 or other asset permitted by the board and only in accordance
32 with such policies, practices and procedures established by
33 the board from time to time. For purposes of this article, the
34 following definitions and limitations apply:

35 (1) "Permissive service credit" means service credit
36 which is permitted to be purchased under the terms of the
37 retirement system by voluntary contributions in an amount
38 which does not exceed the amount necessary to fund the
39 benefit attributable to the period of service for which the
40 service credit is being purchased, all as defined in Section
41 415(n)(3)(A) of the Internal Revenue Code: *Provided*, That
42 no more than five years of "nonqualified service credit", as
43 defined in Section 415(n)(3)(C) of the Internal Revenue
44 Code, may be included in the permissive service credit
45 allowed to be purchased (other than by means of a rollover or
46 plan transfer), and no nonqualified service credit may be
47 included in any such purchase (other than by means of a

48 rollover or plan transfer) before the member has at least five
49 years of participation in the retirement system.

50 (2) "Repayment of withdrawn or refunded contributions"
51 means the payment into the retirement system of the funds
52 required pursuant to this article for the reinstatement of
53 service credit previously forfeited on account of any refund
54 or withdrawal of contributions permitted in this article, as set
55 forth in Section 415(k)(3) of the Internal Revenue Code.

56 (3) Any contribution (other than by means of a rollover
57 or plan transfer) to purchase permissive service credit under
58 any provision of this article must satisfy the special limitation
59 rules described in Section 415(n) of the Internal Revenue
60 Code, and shall be automatically reduced, limited, or required
61 to be paid over multiple years if necessary to ensure such
62 compliance. To the extent any such purchased permissive
63 service credit is qualified military service within the meaning
64 of Section 414(u) of the Internal Revenue Code, the
65 limitations of Section 415 of the Internal Revenue Code shall
66 be applied to such purchase as described in Section
67 414(u)(1)(B) of the Internal Revenue Code.

68 (4) For purposes of Section 415(b) of the Internal
69 Revenue Code, the annual benefit attributable to any rollover
70 contribution accepted pursuant to this section shall be
71 determined in accordance with Treasury Regulation
72 §1.415(b)-1(b)(2)(v), and the excess, if any, of the annuity
73 payments attributable to any rollover contribution provided
74 under the retirement system over the annual benefit so
75 determined shall be taken into account when applying the
76 accrued benefit limitations of Section 415(b) of the Internal
77 Revenue Code and section nine-a of this article.

78 (b) Nothing in this section shall be construed as
79 permitting rollovers or transfers into this system or any other
80 system administered by the retirement board other than as

81 specified in this section and no rollover or transfer shall be
82 accepted into the system in an amount greater than the
83 amount required for the purchase of permissive service credit
84 or repayment of withdrawn or refunded contributions.

85 (c) Nothing in this section shall be construed as
86 permitting the purchase of service credit or repayment of
87 withdrawn or refunded contributions except as otherwise
88 permitted in this article.

§7-14D-11. Retirement benefits.

1 This section provides for a member's accrued benefit
2 payable starting at the member's annuity starting date which
3 follows the completion of a written application for the
4 commencement of benefits. The member shall receive the
5 accrued retirement benefit in the normal form or in an
6 actuarial equivalent amount in an optional form as provided
7 under section twelve of this article, subject to reduction if
8 necessary to comply with the maximum benefit provisions of
9 Section 415 of the Internal Revenue Code and section nine-a
10 of this article. The first day of the calendar month following
11 the calendar month of birth shall be used in lieu of any birth
12 date that does not fall on the first day of a calendar month.

13 (a) *Normal retirement.* -- A member whose annuity
14 starting date is the date the member attains normal retirement
15 age or later is entitled to his or her accrued retirement benefit
16 based on years of service and final average salary at
17 termination of employment.

18 (b) *Early retirement.* -- A member who ceases covered
19 employment and has attained early retirement age while in
20 covered employment may elect to receive retirement income
21 payments commencing on the first day of the month
22 coincident with or following the date the member ceases
23 covered employment. "Normal retirement age" for such a
24 member is the first day of the calendar month coincident with

25 or next following the month in which the member attains the
 26 age of fifty years. If the member's annuity starting date is
 27 prior to the date the member attains normal retirement age,
 28 his or her accrued benefit is reduced to the actuarial
 29 equivalent benefit amount based on the years and months by
 30 which his or her annuity starting date precedes the date he or
 31 she attains normal retirement age.

32 (c) Retirement benefits shall be paid monthly in an
 33 amount equal to one twelfth of the retirement income
 34 payments elected and at those times established by the board.
 35 Notwithstanding any other provision of the plan, a member
 36 who is married on the annuity starting date will receive his or
 37 her retirement income payments in the form of a sixty-six and
 38 two-thirds percent joint and survivor annuity with his or her
 39 spouse unless prior to the annuity starting date the spouse
 40 waives the form of benefit.

Fund; designating the Consolidated Public
Retirement Board as administrator of fund.**

1 (a) There is continued the Death, Disability and
2 Retirement Fund created for the benefit of members, retirants
3 and any dependents of retirants or deceased members of the
4 fund. It is contemplated that substantially all of the members
5 of the retirement system shall be qualified public safety
6 employees as defined in section twenty-five-b of this article.

7 (b) There shall be deducted from the monthly payroll of
8 each employee and paid into the fund six percent of the
9 amount of his or her salary: *Provided*, That beginning on July
10 1, 1994, there shall be deducted from the monthly payroll of
11 each employee and paid into the fund seven and one-half
12 percent of the amount of his or her salary: *Provided*,
13 *however*, That on and after July 1, 1995, there shall be
14 deducted from the monthly payroll of each employee and
15 paid into the fund nine percent of the amount of his or her
16 salary. An additional twelve percent of the monthly salary of
17 each employee shall be paid by the State of West Virginia
18 monthly into the fund out of the annual appropriation for the
19 agency: *Provided further*, That beginning on July 1, 1995,
20 the agency shall pay thirteen percent of the monthly salary of
21 each employee into the fund: *And provided further*, That
22 beginning on July 1, 1996, the agency shall pay fourteen
23 percent of the monthly salary of each employee into the fund:
24 *And provided further*, That on and after July 1, 1997, the
25 agency shall pay fifteen percent of the monthly salary of each
26 employee into the fund. There shall also be paid into the
27 fund amounts that have previously been collected by the
28 superintendent of the agency on account of payments to
29 employees for court attendance and mileage, rewards for
30 apprehending wanted persons, fees for traffic accident reports
31 and photographs, fees for criminal investigation reports and
32 photographs, fees for criminal history record checks, fees for
33 criminal history record reviews and challenges or from any
34 other sources designated by the superintendent. All moneys
35 payable into the fund shall be deposited in the State Treasury
36 and the board shall keep a separate account thereof.

37 (c) Notwithstanding any other provisions of this article,
38 forfeitures under the fund shall not be applied to increase the
39 benefits any member would otherwise receive under the fund.

40 (d) The moneys in this fund, and the right of a member to
41 a retirement allowance, to the return of contributions, or to
42 any benefit under the provisions of this article, are exempt
43 from any state or municipal tax; are not subject to execution,
44 garnishment, attachment or any other process whatsoever,
45 with the exception that the benefits or contributions under the
46 fund are subject to “qualified domestic relations orders” as
47 that term is defined in Section 414(p) of the Internal Revenue
48 Code with respect to governmental plans; and are
49 unassignable except as is provided in this article. The fund
50 shall be administered by the board created pursuant to article
51 ten-d, chapter five of this code.

52 (e) All moneys paid into and accumulated in the fund,
53 except amounts designated or set aside by the awards, shall
54 be invested by the West Virginia Investment Management
55 Board as provided by law.

§15-2-27. Retirement; awards and benefits; leased employees.

1 (a) The board shall retire any member of the fund who
2 has filed with the board his or her voluntary petition in
3 writing for retirement and:

4 (1) Has or shall have completed twenty-five years of
5 service as a member of the fund (including military service
6 credit granted under the provisions of section twenty-eight of
7 this article);

8 (2) Has or shall have attained the age of fifty years and
9 has or shall have completed twenty years of service as a
10 member of the fund (excluding military service credit granted
11 under section twenty-eight of this article); or

12 (3) Being under the age of fifty years has or shall have
13 completed twenty years of service as a member of the fund
14 (excluding military service credit granted under section
15 twenty-eight of this article).

16 (b) When the board retires any member under any of the
17 provisions of this section, the member is entitled to receive
18 annually and shall be paid from the fund in equal monthly
19 installments during his or her lifetime while in status of
20 retirement, one or the other of two amounts, whichever is the
21 greater, subject to reduction if necessary to comply with the
22 maximum benefit provisions of Section 415 of the Internal
23 Revenue Code and section forty-four of this article:

24 (1) An amount equal to five and one-half percent of the
25 aggregate of salary paid to the employee during the whole
26 period of service as an employee of the agency; or

27 (2) The sum of \$6,000.

28 When a member has or shall have served twenty years or
29 longer but less than twenty-five years as a member of the
30 fund and is retired under any of the provisions of this section
31 before he or she has attained the age of fifty years, payment
32 of monthly installments of the amount of retirement award to
33 the member shall commence on the day following the date he
34 or she attains the age of fifty years. Beginning on July 15,
35 1994, in no event may the provisions of section thirteen,
36 article sixteen, chapter five of this code be applied in
37 determining eligibility to retire with either immediate or
38 deferred commencement of benefit.

39 (c) A member meeting the age and service requirements
40 of this section who terminates employment at two thousand
41 four hundred hours may begin to receive retirement annuity
42 payments immediately upon termination of employment.
43 Any member meeting the age and service requirements of
44 this section who terminates employment at a time of day

45 other than two thousand four hundred hours shall receive a
46 pro rata share of a full day's amount for that day. Upon
47 receipt of properly executed forms from the agency and the
48 member, the board shall process the member's retirement
49 petition and commence annuity payments as soon as
50 administratively feasible.

51 (d) Any individual who is a leased employee is not
52 eligible to participate in the fund. For purposes of this fund,
53 a "leased employee" means any individual who performs
54 services as an independent contractor or pursuant to an
55 agreement with an employee leasing organization or other
56 similar organization. If a question arises regarding the status
57 of an individual as a leased employee, the board has final
58 power to decide the question.

**§15-2-37. Refunds to certain employees upon discharge or
resignation; deferred retirement.**

1 (a) Any employee who is discharged by order of the
2 superintendent or otherwise terminates employment with the
3 agency, at the written request of the member to the board, is
4 entitled to receive from the fund a sum equal to the aggregate
5 of the principal amount of moneys deducted from his or her
6 salary and paid into the fund plus four percent interest
7 compounded thereon calculated annually as provided and
8 required by this article.

9 (b) Any member withdrawing contributions who may
10 thereafter be reemployed by the agency shall not receive any
11 prior service credit in the fund on account of former service.
12 The employee may redeposit in the fund established in article
13 two-a of this chapter the amount of the refund, together with
14 interest thereon at the rate of seven and one-half percent per
15 annum from the date of withdrawal to the date of redeposit,
16 in which case he or she shall receive the same credit on
17 account of his or her former service as if no refund had been

18 made. He or she shall become a member of the retirement
19 system established in article two-a of this chapter.

20 (c) Every employee who completes ten years of service
21 with the agency is eligible, upon separation of employment,
22 either to withdraw his or her contributions in accordance with
23 subsection (a) of this section or to choose not to withdraw his
24 or her accumulated contributions with interest. Upon
25 attainment of age sixty-two, a member who chooses not to
26 withdraw his or her contributions is eligible to receive a
27 retirement annuity. Any member choosing to receive the
28 deferred annuity under this subsection is not eligible to
29 receive the annual annuity adjustment provided in section
30 twenty-seven-a of this article. When the board retires any
31 member under any of the provisions of this section, the
32 member is entitled to receive annually and shall be paid from
33 the fund in equal monthly installments during the lifetime of
34 the member while in status of retirement one or the other of
35 two amounts, whichever is greater, subject to reduction if
36 necessary to comply with the maximum benefit provisions of
37 Section 415 of the Internal Revenue Code and section forty-
38 four of this article:

39 (1) An amount equal to five and one-half percent of the
40 aggregate of salary paid to the employee during the whole
41 period of service as an employee of the agency; or

42 (2) The sum of \$6,000.

43 (d) A member may choose, in lieu of a life annuity
44 available under the provisions of subsection (c) of this
45 section, an annuity in a reduced amount payable during the
46 member's lifetime, with one half of the reduced monthly
47 amount paid to his or her surviving spouse, for the spouse's
48 remaining lifetime after the death of the retirant. Reduction
49 of this monthly benefit amount shall be calculated to be of
50 equal actuarial value to the life annuity the member could
51 otherwise have chosen.

52 (e) A member retiring under the provisions of this section
53 may receive retirement annuity payments on the day
54 following his or her attaining age sixty-two. Upon receipt of
55 properly executed forms from the agency and the member,
56 the board shall process the member's retirement benefit and
57 commence annuity payments as soon as administratively
58 feasible.

§15-2-44. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the fund in compliance
3 with the limitations of Section 415 of the Internal Revenue
4 Code and regulations under that section to the extent
5 applicable to governmental plans (hereafter sometimes
6 referred to as the "415 limitation(s)" or "415 dollar
7 limitation(s)"), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any
9 annual benefit payable under this system shall be reduced or
10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this fund shall be reduced, as
13 compared with the extent to which an annuity, contributions
14 or other benefits under any other defined benefit plans or
15 defined contribution plans required to be taken into
16 consideration under Section 415 of the Internal Revenue
17 Code shall be reduced, shall be proportional on a percentage
18 basis to the reductions made in such other plans administered
19 by the board and required to be so taken into consideration
20 under Section 415, unless a disproportionate reduction is
21 determined by the board to maximize the aggregate benefits
22 payable to the member. If the reduction is under this fund,
23 the board shall advise affected members or retirants of any
24 additional limitation on the annuities or other annual benefit
25 required by this section. For purposes of the 415 limitations,
26 the "limitation year" shall be the calendar year. The 415
27 limitations are incorporated herein by reference, except to the

28 extent the following provisions may modify the default
29 provisions thereunder:

30 (a) The annual adjustment to the 415 dollar limitations
31 made by Section 415(d) of the Internal Revenue Code and the
32 regulations thereunder shall apply for each limitation year.
33 The annual adjustments to the dollar limitations under
34 Section 415(d) of the Internal Revenue Code which become
35 effective: (i) After a retirant's severance from employment
36 with the employer; or (ii) after the annuity starting date in the
37 case of a retirant who has already commenced receiving
38 benefits, will apply with respect to a retirant's annual benefit
39 in any limitation year. A retirant's annual benefit payable in
40 any limitation year from this retirement fund shall in no event
41 be greater than the limit applicable at the annuity starting
42 date, as increased in subsequent years pursuant to Section
43 415(d) of the Internal Revenue Code and the regulations
44 thereunder.

45 (b) For purposes of this section, the "annual benefit"
46 means a benefit that is payable annually in the form of a
47 straight life annuity. Except as provided below, where a
48 benefit is payable in a form other than a straight life annuity,
49 the benefit shall be adjusted to an actuarially equivalent
50 straight life annuity that begins at the same time as such other
51 form of benefit, using factors prescribed in the 415 limitation
52 regulations, before applying the 415 limitations. No actuarial
53 adjustment to the benefit shall be made for: (1) Survivor
54 benefits payable to a surviving spouse under a qualified joint
55 and survivor annuity to the extent such benefits would not be
56 payable if the member's benefit were paid in another form;
57 (2) benefits that are not directly related to retirement benefits
58 (such as a qualified disability benefit, preretirement
59 incidental death benefits, and post-retirement medical
60 benefits); or (3) the inclusion in the form of benefit of an
61 automatic benefit increase feature, provided the form of
62 benefit is not subject to Section 417(e)(3) of the Internal

63 Revenue Code and would otherwise satisfy the limitations of
64 this article, and the plan provides that the amount payable
65 under the form of benefit in any limitation year shall not
66 exceed the limits of this article applicable at the annuity
67 starting date, as increased in subsequent years pursuant to
68 Section 415(d) of the Internal Revenue Code. For this
69 purpose an automatic benefit increase feature is included in
70 a form of benefit if the form of benefit provides for
71 automatic, periodic increases to the benefits paid in that form.

72 (c) *Adjustment for benefit forms not subject to Section*
73 *417(e)(3).* -- The straight life annuity that is actuarially
74 equivalent to the member's form of benefit shall be
75 determined under this subsection if the form of the member's
76 benefit is either: (1) A nondecreasing annuity (other than a
77 straight life annuity) payable for a period of not less than the
78 life of the member (or, in the case of a qualified preretirement
79 survivor annuity, the life of the surviving spouse); or (2) an
80 annuity that decreases during the life of the member merely
81 because of: (i) The death of the survivor annuitant (but only
82 if the reduction is not below fifty percent of the benefit
83 payable before the death of the survivor annuitant); or (ii) the
84 cessation or reduction of Social Security supplements or
85 qualified disability payments (as defined in Section 411(a)(9)
86 of the Internal Revenue Code). The actuarially equivalent
87 straight life annuity is equal to the greater of: (I) The annual
88 amount of the straight life annuity (if any) payable to the
89 member under the plan commencing at the same annuity
90 starting date as the member's form of benefit; and (II) the
91 annual amount of the straight life annuity commencing at the
92 same annuity starting date that has the same actuarial present
93 value as the member's form of benefit, computed using a five
94 percent interest rate assumption and the applicable mortality
95 table defined in Treasury Regulation §1.417(e)-1(d)(2)
96 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
97 modifying the applicable provisions of Revenue Ruling
98 2001-62) for that annuity starting date.

99 (d) *Adjustment for benefit forms subject to Section*
100 *417(e)(3).* -- The straight life annuity that is actuarially
101 equivalent to the member's form of benefit shall be
102 determined under this subsection if the form of the member's
103 benefit is other than a benefit form described in subdivision
104 (c) of this section. In this case, the actuarially equivalent
105 straight life annuity shall be determined as follows: The
106 actuarially equivalent straight life annuity is equal to the
107 greatest of: (1) The annual amount of the straight life annuity
108 commencing at the same annuity starting date that has the
109 same actuarial present value as the member's form of benefit,
110 computed using the interest rate specified in this retirement
111 fund and the mortality table (or other tabular factor) specified
112 in this retirement fund for adjusting benefits in the same
113 form; (2) the annual amount of the straight life annuity
114 commencing at the same annuity starting date that has the
115 same actuarial present value as the member's form of benefit,
116 computed using a five and a half percent interest rate
117 assumption and the applicable mortality table defined in
118 Treasury Regulation §1.417(e)-1(d)(2) (Revenue Ruling
119 2001-62 or any subsequent Revenue Ruling modifying the
120 applicable provisions of Revenue Ruling 2001-62) for that
121 annuity starting date; and (3) the annual amount of the
122 straight life annuity commencing at the same annuity starting
123 date that has the same actuarial present value as the
124 member's form of benefit, computed using the applicable
125 interest rate defined in Treasury Regulation §1.417(e)-1(d)(3)
126 and the applicable mortality table defined in Treasury
127 Regulation §1.417(e)-1(d)(2) (the mortality table specified in
128 Revenue Ruling 2001-62 or any subsequent Revenue Ruling
129 modifying the applicable provisions of Revenue Ruling
130 2001-62), divided by 1.05.

131 (e) *Benefits payable prior to age sixty-two.* --

132 (1) Except as provided in paragraphs (2) and (3) of this
133 subdivision, if the member's retirement benefits become
134 payable before age sixty-two, the 415 dollar limitation

135 prescribed by this section shall be reduced in accordance with
136 regulations issued by the Secretary of the Treasury pursuant
137 to the provisions of Section 415(b) of the Internal Revenue
138 Code, so that the limitation (as so reduced) equals an annual
139 straight life benefit (when the retirement income benefit
140 begins) which is equivalent to an annual benefit in the
141 amount of the applicable dollar limitation of Section
142 415(b)(1)(A) of the Internal Revenue Code (as adjusted
143 pursuant to Section 415(d) of the Internal Revenue Code)
144 beginning at age sixty-two.

145 (2) The limitation reduction provided in paragraph (1) of
146 this subdivision shall not apply if the member commencing
147 retirement benefits before age sixty-two is a qualified
148 participant. A qualified participant for this purpose is a
149 participant in a defined benefit plan maintained by a state, or
150 any political subdivision of a state, with respect to whom the
151 service taken into account in determining the amount of the
152 benefit under the defined benefit plan includes at least fifteen
153 years of service: (i) As a full-time employee of any police or
154 fire department organized and operated by the state or
155 political subdivision maintaining the defined benefit plan to
156 provide police protection, fire-fighting services or emergency
157 medical services for any area within the jurisdiction of such
158 state or political subdivision; or (ii) as a member of the armed
159 forces of the United States.

160 (3) The limitation reduction provided in paragraph (1) of
161 this subdivision shall not be applicable to preretirement
162 disability benefits or preretirement death benefits.

163 (4) For purposes of adjusting the 415 dollar limitation for
164 benefit commencement before age sixty-two or after age
165 sixty-five (if the plan provides for such adjustment), no
166 adjustment is made to reflect the probability of a member's
167 death: (i) After the annuity starting date and before age sixty-
168 two; or (ii) after age sixty-five and before the annuity starting
169 date.

170 (f) *Adjustment when member has less than ten years of*
171 *participation.* -- In the case of a member who has less than
172 ten years of participation in the retirement fund (within the
173 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
174 415 dollar limitation (as adjusted pursuant to Section 415(d)
175 of the Internal Revenue Code and subdivision (e) of this
176 section) shall be reduced by multiplying the otherwise
177 applicable limitation by a fraction, the numerator of which is
178 the number of years of participation in the plan (or one, if
179 greater), and the denominator of which is ten. This
180 adjustment shall not be applicable to preretirement disability
181 benefits or preretirement death benefits.

182 (g) The application of the provisions of this section shall
183 not cause the maximum annual benefit provided to a member
184 to be less than the member's accrued benefit as of December
185 31, 2008 (the end of the limitation year that is immediately
186 prior to the effective date of the final regulations for this
187 retirement system as defined in Treasury Regulation
188 §1.415(a)-1(g)(2)), under provisions of the retirement system
189 that were both adopted and in effect before April 5, 2007,
190 provided that such provisions satisfied the applicable
191 requirements of statutory provisions, regulations, and other
192 published guidance relating to Section 415 of the Internal
193 Revenue Code in effect as of December 31, 2008, as
194 described in Treasury Regulation §1.415(a)-1(g)(4). If
195 additional benefits are accrued for a member under this
196 retirement system after January 1, 2009, then the sum of the
197 benefits described under the first sentence of this subsection
198 and benefits accrued for a member after January 1, 2009,
199 must satisfy the requirements of Section 415, taking into
200 account all applicable requirements of the final 415 Treasury
201 Regulations.

§15-2-45. Federal law minimum required distributions.

1 The requirements of this section apply to any
2 distribution of a member's or beneficiary's interest and

3 take precedence over any inconsistent provisions of this
4 code. This section applies to plan years beginning after
5 December 31, 1998. Notwithstanding anything in the
6 retirement system to the contrary, the payment of benefits
7 under this article shall be determined and made in
8 accordance with Section 401(a)(9) of the Internal Revenue
9 Code and the regulations thereunder. For this purpose, the
10 following provisions apply:

11 (a) The payment of benefits under the fund to any
12 member shall be distributed to him or her not later than the
13 required beginning date, or be distributed to him or her
14 commencing not later than the required beginning date, in
15 accordance with regulations prescribed under Section
16 401(a)(9) of the Internal Revenue Code, over the life of the
17 member or over the lives of the member and his or her
18 beneficiary, or over a period not extending beyond the life
19 expectancy of the member and his or her beneficiary. For
20 purposes of this section, the term "required beginning date"
21 means April 1 of the calendar year following the later of: (i)
22 The calendar year in which the member attains age seventy
23 and one-half; or (ii) the calendar year in which the member
24 retires or otherwise ceases providing covered service under
25 this fund. Benefit payments under this section shall not be
26 delayed pending, or contingent upon, receipt of an
27 application for retirement from the member.

28 (b) If a member dies after distribution to him or her has
29 commenced pursuant to this section but before his or her
30 entire interest in the retirement system has been distributed,
31 then the remaining portion of that interest shall be distributed
32 at least as rapidly as under the method of distribution being
33 used at the date of his or her death.

34 (c) If a member dies before distribution to him or her has
35 commenced, then his or her entire interest in the fund shall be
36 distributed by December 31 of the calendar year containing

37 the fifth anniversary of the member's death, except as
38 follows:

39 (1) If a member's interest is payable to a beneficiary,
40 distributions may be made over the life of that beneficiary or
41 over a period certain not greater than the life expectancy of
42 the beneficiary commencing on or before December 31 of the
43 calendar year immediately following the calendar year in
44 which the participant died; or

45 (2) If the member's beneficiary is the surviving spouse,
46 the date distributions are required to begin shall be no later
47 than the later of:

48 (A) December 31 of the calendar year in which the
49 member would have attained age seventy and one-half; or

50 (B) The earlier of: (i) December 31 of the calendar year
51 following the calendar year in which the member died; or (ii)
52 December 31 of the calendar year following the calendar year
53 in which the spouse died.

§15-2-46. Direct rollovers.

1 (a) Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise limit a distributee's election under this
5 fund, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution that is equal to at least \$500 paid directly
8 to an eligible retirement plan specified by the distributee in
9 a direct rollover. For purposes of this section, the following
10 definitions apply:

11 (1) "Eligible rollover distribution" means any distribution
12 of all or any portion of the balance to the credit of the
13 distributee, except that an eligible rollover distribution does

14 not include any of the following: (i) Any distribution that is
15 one of a series of substantially equal periodic payments not
16 less frequently than annually made for the life or life
17 expectancy of the distributee or the joint lives or the joint life
18 expectancies of the distributee and the distributee's
19 designated beneficiary, or for a specified period of ten years
20 or more; (ii) any distribution to the extent the distribution is
21 required under Section 401(a)(9) of the Internal Revenue
22 Code; (iii) the portion of any distribution that is not
23 includable in gross income determined without regard to the
24 exclusion for net unrealized appreciation with respect to
25 employer securities; (iv) any hardship distribution described
26 in Section 401(k)(2)(B)(i)(iv) of the Internal Revenue Code;
27 and (v) any other distribution or distributions that are
28 reasonably expected to total less than \$200 during a year.
29 For distributions after December 31, 2001, a portion of a
30 distribution shall not fail to be an eligible rollover
31 distribution merely because the portion consists of after-tax
32 employee contributions which are not includable in gross
33 income. However, this portion may be paid only to an
34 individual retirement account or annuity described in Section
35 408(a) or (b) of the Internal Revenue Code, or (for taxable
36 years beginning before January 1, 2007) to a qualified trust
37 which is part of a defined contribution plan described in
38 Section 401(a) or (for taxable years beginning after
39 December 31, 2006) to a qualified trust or to an annuity
40 contract described in Section 403(a) or(b) of the Internal
41 Revenue Code that agrees to separately account for amounts
42 transferred (including interest or earnings thereon), including
43 separately accounting for the portion of the distribution
44 which is includable in gross income and the portion of the
45 distribution which is not so includable, or (for taxable years
46 beginning after December 31, 2007) to a Roth IRA described
47 in Section 408A of the Internal Revenue Code.

48 (2) "Eligible retirement plan" means an individual
49 retirement account described in Section 408(a) of the Internal
50 Revenue Code, an individual retirement annuity described in

51 Section 408(b) of the Internal Revenue Code, an annuity plan
52 described in Section 403(a) of the Internal Revenue Code, or
53 a qualified plan described in Section 401(a) of the Internal
54 Revenue Code, that accepts the distributee's eligible rollover
55 distribution: *Provided, however,* That in the case of an
56 eligible rollover distribution prior to January 1, 2002, to the
57 surviving spouse, an eligible retirement plan is limited to an
58 individual retirement account or individual retirement
59 annuity. For distributions after December 31, 2001, an
60 eligible retirement plan also means an annuity contract
61 described in Section 403(b) of the Internal Revenue Code and
62 an eligible plan under Section 457(b) of the Internal Revenue
63 Code which is maintained by a state, political subdivision of
64 a state, or any agency or instrumentality of a state or political
65 subdivision of a state and which agrees to separately account
66 for amounts transferred into the plan from this system. For
67 distributions after December 31, 2007, an eligible retirement
68 plan also means a Roth IRA described in Section 408A of the
69 Internal Revenue Code: *Provided,* That in the case of an
70 eligible rollover distribution after December 31, 2007, to a
71 designated beneficiary (other than a surviving spouse) as
72 such term is defined in Section 402(c)(11) of the Internal
73 Revenue Code, an eligible retirement plan is limited to an
74 individual retirement account or individual retirement annuity
75 which meets the conditions of Section 402(c)(11) of the
76 Internal Revenue Code.

77 (3) "Distributee" means a member. In addition, the
78 member's surviving spouse and the member's spouse or
79 former spouse who is the alternate payee under a qualified
80 domestic relations order, as defined in Section 414(p) of the
81 Internal Revenue Code with respect to governmental plans,
82 are distributees with regard to the interest of the spouse or
83 former spouse. For distributions after December 31, 2007,
84 "distributee" also includes a designated beneficiary (other

86 402(c)(11) of the Internal Revenue Code.

87 (4) “Direct rollover” means a payment by the system to
88 the eligible retirement plan.

90 permitting rollovers into this fund or any other retirement
91 system administered by the board.

69 positions as deputy sheriffs, police officers, marshals,

140 the date of termination of employment or retirement from the

141 agency. If a member returns to active employment with the
142 agency following a previous termination of employment with
143 the agency and the member has not received a refund of

145 section eight of this article, service shall be calculated
146 separately for each period of continuous employment and
147 years of service shall be the total service for all periods of
148 employment. Years of service shall exclude any periods of
149 employment with the agency for which a refund of

**§15-2A-3. Continuation and administration of West Virginia
State Police Retirement System; leased employees;
federal qualification requirements.**

1 (a) The West Virginia State Police Retirement System is
2 continued. It is contemplated that substantially all of the
3 members of the retirement system shall be qualified public
4 safety employees as defined in section two of this article.
5 Any West Virginia state trooper employed by the agency on
6 or after the effective date of this article shall be a member of
7 this retirement system and may not qualify for membership
8 in any other retirement system administered by the board so
9 long as he or she remains employed by the State Police.

10 (b) Any individual who is a leased employee shall not be
11 eligible to participate in the system. For purposes of this
12 system, a "leased employee" means any individual who
13 performs services as an independent contractor or pursuant to
14 an agreement with an employee leasing organization or other
15 similar organization. If a question arises regarding the status
16 of an individual as a leased employee, the board has final
17 power to decide the question.

18 (c) The board created pursuant to article ten-d, chapter
19 five of this code shall administer the retirement system. The
20 board may sue and be sued, contract and be contracted with
21 and conduct all the business of the system in the name of the
22 West Virginia State Police Retirement System.

23 (d) This fund is intended to meet the federal qualification
24 requirements of Section 401(a) and related sections of the
25 Internal Revenue Code as applicable to governmental plans.
26 Notwithstanding any other provision of state law, the board
27 shall administer the retirement system to fulfill this intent for
28 the exclusive benefit of the employees, members, retirants
29 and their beneficiaries. Any provision of this article
30 referencing or relating to these federal qualification
31 requirements shall be effective as of the date required by
32 federal law. The board may promulgate rules and amend or
33 repeal conflicting rules in accordance with the authority
34 granted to the board pursuant to section one, article ten-d,
35 chapter five of this code to assure compliance with this
36 section.

§15-2A-6. Retirement; commencement of benefits.

1 (a) A member may retire with full benefits upon attaining
2 the age of fifty and completing twenty-five or more years of
3 service or attaining the age of fifty-two and completing
4 twenty years or more of service by filing with the board his
5 or her voluntary application in writing for retirement. A
6 member who is less than age fifty-two may retire upon
7 completing twenty years or more of service: *Provided*, That
8 he or she will receive a reduced benefit that is of equal
9 actuarial value to the benefit the member would have
10 received if the member deferred commencement of his or her
11 accrued retirement benefit to the age of fifty-two.

12 (b) When the board retires a member with full benefits
13 under the provisions of this section, the board, by order in

14 writing, shall make a determination that the member is
15 entitled to receive an annuity equal to two and three-fourths
16 percent of his or her final average salary multiplied by the
17 number of years, and fraction of a year, of his or her service
18 at the time of retirement, subject to reduction if necessary to
19 comply with the maximum benefit provisions of Section 415
20 of the Internal Revenue Code and section six-a of this article.
21 The retirant's annuity shall begin the first day of the calendar
22 month following the month in which the member's
23 application for the annuity is filed with the board on or after
24 his or her attaining age and service requirements and
25 termination of employment.

26 (c) In no event may the provisions of section thirteen,
27 article sixteen, chapter five of this code be applied in
28 determining eligibility to retire with either a deferred or
29 immediate commencement of benefit.

§15-2A-6a. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and Treasury Regulations under that section
5 to the extent applicable to governmental plans (hereafter
6 sometimes referred to as the "415 limitation(s)" or "415
7 dollar limitation(s)"), so that the annual benefit payable under
8 this system to a member shall not exceed those limitations.
9 Any annual benefit payable under this system shall be
10 reduced or limited if necessary to an amount which does not
11 exceed those limitations. The extent to which any annuity or
12 other annual benefit payable under this retirement system
13 shall be reduced, as compared with the extent to which an
14 annuity, contributions or other benefits under any other
15 defined benefit plans or defined contribution plans required
16 to be taken into consideration under Section 415 of the
17 Internal Revenue Code shall be reduced, shall be proportional

18 on a percentage basis to the reductions made in such other
19 plans administered by the board and required to be so taken
20 into consideration under Section 415, unless a
21 disproportionate reduction is determined by the board to
22 maximize the aggregate benefits payable to the member. If
23 the reduction is under this retirement system, the board shall
24 advise affected members or retirants of any additional
25 limitation on the annuities or other annual benefit required by
26 this section. For purposes of the 415 limitations, the
27 “limitation year” shall be the calendar year. The 415
28 limitations are incorporated herein by reference, except to the
29 extent the following provisions may modify the default
30 provisions thereunder:

31 (a) The annual adjustment to the 415 dollar limitations
32 made by Section 415(d) of the Internal Revenue Code and the
33 regulations thereunder shall apply for each limitation year.
34 The annual adjustments to the dollar limitations under
35 Section 415(d) of the Internal Revenue Code which become
36 effective: (i) After a retirant’s severance from employment
37 with the employer; or (ii) after the annuity starting date in the
38 case of a retirant who has already commenced receiving
39 benefits, will apply with respect to a retirant’s annual benefit
40 in any limitation year. A retirant’s annual benefit payable in
41 any limitation year from this retirement system shall in no
42 event be greater than the limit applicable at the annuity
43 starting date, as increased in subsequent years pursuant to
44 Section 415(d) of the Internal Revenue Code and the
45 regulations thereunder.

46 (b) For purposes of this section, the “annual benefit”
47 means a benefit that is payable annually in the form of a
48 straight life annuity. Except as provided below, where a
49 benefit is payable in a form other than a straight life annuity,
50 the benefit shall be adjusted to an actuarially equivalent
51 straight life annuity that begins at the same time as such other

52 form of benefit, using factors prescribed in the 415 limitation
53 regulations, before applying the 415 limitations. No actuarial
54 adjustment to the benefit shall be made for: (1) Survivor
55 benefits payable to a surviving spouse under a qualified joint
56 and survivor annuity to the extent such benefits would not be
57 payable if the member's benefit were paid in another form;
58 (2) benefits that are not directly related to retirement benefits
59 (such as a qualified disability benefit, preretirement
60 incidental death benefits, and post-retirement medical
61 benefits); or (3) the inclusion in the form of benefit of an
62 automatic benefit increase feature, provided the form of
63 benefit is not subject to Section 417(e)(3) of the Internal
64 Revenue Code and would otherwise satisfy the limitations of
65 this article, and the plan provides that the amount payable
66 under the form of benefit in any limitation year shall not
67 exceed the limits of this article applicable at the annuity
68 starting date, as increased in subsequent years pursuant to
69 Section 415(d) of the Internal Revenue Code. For this
70 purpose an automatic benefit increase feature is included in
71 a form of benefit if the form of benefit provides for
72 automatic, periodic increases to the benefits paid in that form.

73 (c) *Adjustment for benefit forms not subject to Section*
74 *417(e)(3).* -- The straight life annuity that is actuarially
75 equivalent to the member's form of benefit shall be
76 determined under this subsection if the form of the member's
77 benefit is either: (1) A nondecreasing annuity (other than a
78 straight life annuity) payable for a period of not less than the
79 life of the member (or, in the case of a qualified preretirement
80 survivor annuity, the life of the surviving spouse); or (2) an
81 annuity that decreases during the life of the member merely
82 because of: (i) The death of the survivor annuitant (but only
83 if the reduction is not below fifty percent of the benefit
84 payable before the death of the survivor annuitant); or (ii) the
85 cessation or reduction of Social Security supplements or
86 qualified disability payments (as defined in Section 411(a)(9)
87 of the Internal Revenue Code). The actuarially equivalent

88 straight life annuity is equal to the greater of: (I) The annual
89 amount of the straight life annuity (if any) payable to the
90 member under the plan commencing at the same annuity
91 starting date as the member's form of benefit; and (II) the
92 annual amount of the straight life annuity commencing at the
93 same annuity starting date that has the same actuarial present
94 value as the member's form of benefit, computed using a five
95 percent interest rate assumption and the applicable mortality
96 table defined in Treasury Regulation §1.417(e)-1(d)(2)
97 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
98 modifying the applicable provisions of Revenue Ruling
99 2001-62) for that annuity starting date.

100 (d) *Adjustment for benefit forms subject to Section*
101 *417(e)(3).* -- The straight life annuity that is actuarially
102 equivalent to the member's form of benefit shall be
103 determined under this subsection if the form of the member's
104 benefit is other than a benefit form described in subdivision
105 (c) of this section. In this case, the actuarially equivalent
106 straight life annuity shall be determined as follows: The
107 actuarially equivalent straight life annuity is equal to the
108 greatest of: (1) The annual amount of the straight life annuity
109 commencing at the same annuity starting date that has the
110 same actuarial present value as the member's form of benefit,
111 computed using the interest rate specified in this retirement
112 system and the mortality table (or other tabular factor)
113 specified in this retirement system for adjusting benefits in
114 the same form; (2) the annual amount of the straight life
115 annuity commencing at the same annuity starting date that
116 has the same actuarial present value as the member's form of
117 benefit, computed using a five and a half percent interest rate
118 assumption and the applicable mortality table defined in
119 Treasury Regulation §1.417(e)-1(d)(2) (Revenue Ruling
120 2001-62 or any subsequent Revenue Ruling modifying the
121 applicable provisions of Revenue Ruling 2001-62) for that
122 annuity starting date; and (3) the annual amount of the
123 straight life annuity commencing at the same annuity starting

124 date that has the same actuarial present value as the
125 member's form of benefit, computed using the applicable
126 interest rate defined in Treasury Regulation §1.417(e)-1(d)(3)
127 and the applicable mortality table defined in Treasury
128 Regulation §1.417(e)-1(d)(2) (the mortality table specified in
129 Revenue Ruling 2001-62 or any subsequent Revenue Ruling
130 modifying the applicable provisions of Revenue Ruling
131 2001-62), divided by 1.05.

132 (e) *Benefits payable prior to age sixty-two.* --

133 (1) Except as provided in paragraphs (2) and (3) of this
134 subdivision, if the member's retirement benefits become
135 payable before age sixty-two, the 415 dollar limitation
136 prescribed by this section shall be reduced in accordance with
137 regulations issued by the Secretary of the Treasury pursuant
138 to the provisions of Section 415(b) of the Internal Revenue
139 Code, so that the limitation (as so reduced) equals an annual
140 straight life benefit (when the retirement income benefit
141 begins) which is equivalent to an annual benefit in the
142 amount of the applicable dollar limitation of Section
143 415(b)(1)(A) of the Internal Revenue Code (as adjusted
144 pursuant to Section 415(d) of the Internal Revenue Code)
145 beginning at age sixty-two.

146 (2) The limitation reduction provided in paragraph (1) of
147 this subdivision shall not apply if the member commencing
148 retirement benefits before age sixty-two is a qualified
149 participant. A qualified participant for this purpose is a
150 participant in a defined benefit plan maintained by a state, or
151 any political subdivision of a state, with respect to whom the
152 service taken into account in determining the amount of the
153 benefit under the defined benefit plan includes at least fifteen
154 years of service: (i) As a full-time employee of any police or
155 fire department organized and operated by the state or
156 political subdivision maintaining the defined benefit plan to
157 provide police protection, fire-fighting services or emergency
158 medical services for any area within the jurisdiction of such

159 state or political subdivision; or (ii) as a member of the armed
160 forces of the United States.

161 (3) The limitation reduction provided in paragraph (1) of
162 this subdivision shall not be applicable to preretirement
163 disability benefits or preretirement death benefits.

164 (4) For purposes of adjusting the 415 dollar limitation for
165 benefit commencement before age sixty-two or after age
166 sixty-five (if the plan provides for such adjustment), no
167 adjustment is made to reflect the probability of a member's
168 death: (i) After the annuity starting date and before age sixty-
169 two; or (ii) after age sixty-five and before the annuity starting
170 date.

171 (f) *Adjustment when member has less than ten years of*
172 *participation.* -- In the case of a member who has less than
173 ten years of participation in the retirement system (within the
174 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
175 415 dollar limitation (as adjusted pursuant to Section 415(d)
176 of the Internal Revenue Code and subdivision (e) of this
177 section) shall be reduced by multiplying the otherwise
178 applicable limitation by a fraction, the numerator of which is
179 the number of years of participation in the plan (or one, if
180 greater), and the denominator of which is ten. This
181 adjustment shall not be applicable to preretirement disability
182 benefits or preretirement death benefits.

183 (g) The application of the provisions of this section shall
184 not cause the maximum annual benefit provided to a member
185 to be less than the member's accrued benefit as of December
186 31, 2008 (the end of the limitation year that is immediately
187 prior to the effective date of the final regulations for this
188 retirement system as defined in Treasury Regulation
189 §1.415(a)-1(g)(2)), under provisions of the retirement system
190 that were both adopted and in effect before April 5, 2007,
191 provided that such provisions satisfied the applicable

192 requirements of statutory provisions, regulations and other
193 published guidance relating to Section 415 of the Internal
194 Revenue Code in effect as of the end of December 31, 2008,
195 as described in Treasury Regulation §1.415(a)-1(g)(4). If
196 additional benefits are accrued for a member under this
197 retirement system after January 1, 2009, then the sum of the
198 benefits described under the first sentence of this subsection
199 and benefits accrued for a member after January 1, 2009,
200 must satisfy the requirements of Section 415, taking into
201 account all applicable requirements of the final 415 Treasury
202 Regulations.

§15-2A-6b. Federal law minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's interest and take precedence over any
3 inconsistent provisions of this retirement system. This
4 section applies to plan years beginning after December 31,
5 1986. Notwithstanding anything in the retirement system to
6 the contrary, the payment of benefits under this article shall
7 be determined and made in accordance with Section
8 401(a)(9) of the Internal Revenue Code and the regulations
9 thereunder. For this purpose, the following provisions apply:

10 (a) The payment of benefits under the retirement system
11 to any member shall be distributed to him or her not later
12 than the required beginning date, or be distributed to him or
13 her commencing not later than the required beginning date,
14 in accordance with regulations prescribed under Section
15 401(a)(9) of the Internal Revenue Code, over the life of the
16 member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent upon, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the retirement system has been distributed,
25 then the remaining portion of that interest shall be distributed
26 at least as rapidly as under the method of distribution being
27 used at the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the retirement
30 system shall be distributed by December 31 of the calendar
31 year containing the fifth anniversary of the member's death,
32 except as follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life of that beneficiary or
35 over a period certain not greater than the life expectancy of
36 the beneficiary commencing on or before December 31 of the
37 calendar year immediately following the calendar year in
38 which the member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall be no later
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)
46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§15-2A-6c. Direct rollovers.

1 (a) Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary

4 that would otherwise limit a distributee's election under this
5 system, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution paid directly to an eligible retirement
8 plan specified by the distributee in a direct rollover. For
9 purposes of this section, the following definitions apply:

10 (1) "Eligible rollover distribution" means any distribution
11 of all or any portion of the balance to the credit of the
12 distributee, except that an eligible rollover distribution does
13 not include any of the following: (i) Any distribution that is
14 one of a series of substantially equal periodic payments not
15 less frequently than annually made for the life or life
16 expectancy of the distributee or the joint lives or the joint life
17 expectancies of the distributee and the distributee's
18 designated beneficiary or for a specified period of ten years
19 or more; (ii) any distribution to the extent the distribution is
20 required under Section 401(a)(9) of the Internal Revenue
21 Code; (iii) the portion of any distribution that is not
22 includable in gross income determined without regard to the
23 exclusion for net unrealized appreciation with respect to
24 employer securities; and (iv) any hardship distribution
25 described in Section 401(k)(2)(B)(i)(iv) of the Internal
26 Revenue Code. For distributions after December 31, 2001,
27 a portion of a distribution shall not fail to be an eligible
28 rollover distribution merely because the portion consists of
29 after-tax employee contributions which are not includable in
30 gross income. However, this portion may be paid only to an
31 individual retirement account or annuity described in Section
32 408(a) or (b) of the Internal Revenue Code or (for taxable
33 years beginning before January 1, 2007) to a qualified trust
34 which is part of a defined contribution plan described in
35 Section 401(a) or (for taxable years beginning after
36 December 31, 2006) to a qualified trust or to an annuity
37 contract described in Section 403(a) or (b) of the Internal
38 Revenue Code that agrees to separately account for amounts
39 transferred (including interest or earnings thereon), including

40 separately accounting for the portion of the distribution
41 which is includable in gross income and the portion of the
42 distribution which is not so includable, or (for taxable years
43 beginning after December 31, 2007) to a Roth IRA described
44 in Section 408A of the Internal Revenue Code.

45 (2) “Eligible retirement plan” means an individual
46 retirement account described in Section 408(a) of the Internal
47 Revenue Code, an individual retirement annuity described in
48 Section 408(b) of the Internal Revenue Code, an annuity plan
49 described in Section 403(a) of the Internal Revenue Code or
50 a qualified plan described in Section 401(a) of the Internal
51 Revenue Code that accepts the distributee’s eligible rollover
52 distribution: *Provided*, That in the case of an eligible rollover
53 distribution prior to January 1, 2002, to the surviving spouse,
54 an eligible retirement plan is limited to an individual
55 retirement account or individual retirement annuity. For
56 distributions after December 31, 2001, an eligible retirement
57 plan also means an annuity contract described in Section
58 403(b) of the Internal Revenue Code and an eligible plan
59 under Section 457(b) of the Internal Revenue Code which is
60 maintained by a state, political subdivision of a state or any
61 agency or instrumentality of a state or political subdivision of
62 a state and which agrees to separately account for amounts
63 transferred into the plan from this system. For distributions
64 after December 31, 2007, an eligible retirement plan also
65 means a Roth IRA described in Section 408A of the Internal
66 Revenue Code: *Provided, however*, That in the case of an
67 eligible rollover distribution after December 31, 2007, to a
68 designated beneficiary (other than a surviving spouse) as
69 such term is defined in Section 402(c)(11) of the Internal
70 Revenue Code, an eligible retirement plan is limited to an
71 individual retirement account or individual retirement annuity
72 which meets the conditions of Section 402(c)(11) of the
73 Internal Revenue Code.

74 (3) “Distributee” means an employee or former
75 employee. In addition, the employee’s or former employee’s

76 surviving spouse and the employee's or former employee's
77 spouse or former spouse who is the alternate payee under a
78 qualified domestic relations order, as defined in Section
79 414(p) of the Internal Revenue Code with respect to
80 governmental plans, are distributees with regard to the
81 interest of the spouse or former spouse. For distributions
82 after December 31, 2007, "distributee" also includes a
83 designated beneficiary (other than a surviving spouse) as
84 such term is defined in Section 402(c)(11) of the Internal
85 Revenue Code.

86 (4) "Direct rollover" means a payment by the system to
87 the eligible retirement plan.

88 (b) Nothing in this section may be construed as
89 permitting rollovers into this system or any other retirement
90 system administered by the board.

**§15-2A-6d. Rollovers and transfers to purchase service credit or
repay withdrawn contributions.**

1 (a) This section applies to rollovers and transfers as
2 specified in this section made on or after January 1, 2002.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise prohibit or limit rollovers and plan
5 transfers to this system, the retirement system shall accept the
6 following rollovers and plan transfers on behalf of an
7 employee solely for the purpose of purchasing permissive
8 service credit, in whole and in part, as otherwise provided in
9 this article or for the repayment of withdrawn or refunded
10 contributions, in whole and in part, with respect to a previous
11 forfeiture of service credit as otherwise provided in this
12 article: (i) One or more rollovers within the meaning of
13 Section 408(d)(3) of the Internal Revenue Code from an
14 individual retirement account described in Section 408(a) of
15 the Internal Revenue Code or from an individual retirement
16 annuity described in Section 408(b) of the Internal Revenue

17 Code; (ii) one or more rollovers described in Section 402 (c)
18 of the Internal Revenue Code from a retirement plan that is
19 qualified under Section 401(a) of the Internal Revenue Code
20 or from a plan described in Section 403(b) of the Internal
21 Revenue Code; (iii) one or more rollovers described in
22 Section 457(e)(16) of the Internal Revenue Code from a
23 governmental plan described in Section 457 of the Internal
24 Revenue Code; or (iv) direct trustee-to-trustee transfers or
25 rollovers from a plan that is qualified under Section 401(a) of
26 the Internal Revenue Code from a plan described in Section
27 403(b) of the Internal Revenue Code or from a governmental
28 plan described in Section 457 of the Internal Revenue Code:
29 *Provided*, That any rollovers or transfers pursuant to this
30 section shall be accepted by the system only if made in cash
31 or other asset permitted by the board and only in accordance
32 with the policies, practices and procedures established by the
33 board from time to time. For purposes of this article, the
34 following definitions and limitations apply:

35 (1) "Permissive service credit" means service credit
36 which is permitted to be purchased under the terms of the
37 retirement system by voluntary contributions in an amount
38 which does not exceed the amount necessary to fund the
39 benefit attributable to the period of service for which the
40 service credit is being purchased, all as defined in Section
41 415(n)(3)(A) of the Internal Revenue Code: *Provided*, That
42 no more than five years of "nonqualified service credit", as
43 defined in Section 415(n)(3)(C) of the Internal Revenue
44 Code, may be included in the permissive service credit
45 allowed to be purchased (other than by means of a rollover or
46 plan transfer), and no nonqualified service credit may be
47 included in any such purchase (other than by means of a
48 rollover or plan transfer) before the member has at least five
49 years of participation in the retirement system.

50 (2) "Repayment of withdrawn or refunded contributions"
51 means the payment into the retirement system of the funds

52 required pursuant to this article for the reinstatement of
53 service credit previously forfeited on account of any refund
54 or withdrawal of contributions permitted in this article, as set
55 forth in Section 415(k)(3) of the Internal Revenue Code.

56 (3) Any contribution (other than by means of a rollover
57 or plan transfer) to purchase permissive service credit under
58 any provision of this article must satisfy the special limitation
59 rules described in Section 415(n) of the Internal Revenue
60 Code, and shall be automatically reduced, limited or required
61 to be paid over multiple years if necessary to ensure such
62 compliance. To the extent any such purchased permissive
63 service credit is qualified military service within the meaning
64 of Section 414(u) of the Internal Revenue Code, the
65 limitations of Section 415 of the Internal Revenue Code shall
66 be applied to such purchase as described in Section
67 414(u)(1)(B) of the Internal Revenue Code.

68 (4) For purposes of Section 415(b) of the Internal
69 Revenue Code, the annual benefit attributable to any rollover
70 contribution accepted pursuant to this section shall be
71 determined in accordance with Treasury Regulation
72 §1.415(b)-1(b)(2)(v), and the excess, if any, of the annuity
73 payments attributable to any rollover contribution provided
74 under the retirement system over the annual benefit so
75 determined shall be taken into account when applying the
76 accrued benefit limitations of Section 415(b) of the Internal
77 Revenue Code and section six-a of this article.

78 (b) Nothing in this section shall be construed as
79 permitting rollovers or transfers into this system or any other
80 system administered by the board other than as specified in
81 this section and no rollover or transfer shall be accepted into
82 the system in an amount greater than the amount required for
83 the purchase of permissive service credit or repayment of
84 withdrawn or refunded contributions.

85 (c) Nothing in this section shall be construed as
86 permitting the purchase of service credit or repayment of
87 withdrawn or refunded contributions except as otherwise
88 permitted in this chapter.

§15-2A-8. Refunds to certain members upon discharge of resignation; deferred retirement.

1 (a) Any employee who is discharged by order of the
2 superintendent or otherwise terminates employment with the
3 agency is, at the written request of the member to the board,
4 entitled to receive from the fund a sum equal to the aggregate
5 of the principal amount of moneys deducted from his or her
6 base salary and paid into the fund plus four percent interest
7 compounded thereon calculated annually as provided and
8 required by this article.

9 (b) Any member withdrawing contributions who may
10 thereafter be reemployed by the agency shall not receive any
11 prior service credit in the fund on account of former service.
12 The employee may redeposit in the fund established by this
13 article the amount of the refund, together with interest
14 thereon at the rate of seven and one-half percent per annum
15 from the date of withdrawal to the date of redeposit, in which
16 case he or she shall receive the same credit on account of his
17 or her former service as if no refund had been made.

18 (c) Every employee who completes ten years of service
19 with the agency is eligible, upon separation of employment,
20 to either withdraw his or her contributions in accordance with
21 subsection (a) of this section or to choose not to withdraw his
22 or her accumulated contributions. Upon attainment of age
23 sixty-two, a member who chooses not to withdraw his or her
24 contributions is eligible to receive a retirement annuity. The
25 annuity shall be payable during the lifetime of the retirant and
26 shall be in the amount of his or her accrued retirement benefit
27 as determined under section six of this article, subject to

28 reduction if necessary to comply with the maximum benefit
29 provisions of Section 415 of the Internal Revenue Code and
30 section six-a of this article. The retirant may choose, in lieu
31 of a life annuity, an annuity in a reduced amount payable
32 during the retirant's lifetime, with one half of the reduced
33 monthly amount paid to his or her surviving spouse for the
34 spouse's remaining lifetime after the death of the retirant.
35 Reduction of the monthly benefit amount shall be calculated
36 to be of equal actuarial value to the life annuity the retirant
37 could otherwise have chosen. Any retirant choosing to
38 receive the deferred annuity under this subsection is not
39 eligible to receive the annual annuity adjustment provided in
40 section seven of this article. A retiring member under the
41 provisions of this section may receive retirement annuity
42 payments on the first day of the month following his or her
43 attaining age sixty-two and upon receipt of the application for
44 retirement. The board shall promptly provide the member
45 with an explanation of his or her optional forms of retirement
46 benefits and, upon receipt of properly executed forms from
47 the agency and member, the board shall process the
48 member's request for and commence payments as soon as
49 administratively feasible.

2 or the context clearly requires a different meaning:

3 (a) “Accrued benefit” means on behalf of any member
4 two and six-tenths percent per year of the member’s final
5 average salary for the first twenty years of credited service.
6 Additionally, two percent per year for twenty-one through
7 twenty-five years and one percent per year for twenty-six
8 through thirty years will be credited with a maximum benefit
9 of sixty-seven percent. A member’s accrued benefit may not
10 exceed the limits of Section 415 of the Internal Revenue
11 Code and is subject to the provisions of section twelve of this
12 article.

13 (1) The board may upon the recommendation of the
14 board’s actuary increase the employees’ contribution rate to
15 ten and five-tenths percent should the funding of the plan not
16 reach seventy percent funded by July 1, 2012. The board
17 shall decrease the contribution rate to eight and one-half
18 percent once the plan funding reaches the seventy percent
19 support objective as of any later actuarial valuation date.

20 (2) Upon reaching the seventy-five percent actuarial
21 funded level, as of an actuarial valuation date, the board shall
22 increase the two and six-tenths percent to two and three-
23 quarter percent for the first twenty years of credited service.
24 The maximum benefit will also be increased from sixty-seven
25 percent to seventy percent.

26 (b) “Accumulated contributions” means the sum of all
27 retirement contributions deducted from the compensation of
28 a member, or paid on his or her behalf as a result of covered
29 employment, together with regular interest on the deducted
30 amounts.

31 (c) “Active military duty” means full-time active duty with
32 any branch of the armed forces of the United States, including

37 (d) “Actuarial equivalent” means a benefit of equal value
38 computed upon the basis of the mortality table and interest
39 rates as set and adopted by the board in accordance with the
40 provisions of this article: *Provided*, That when used in the
41 context of compliance with the federal maximum benefit
42 requirements of Section 415 of the Internal Revenue Code,
43 “actuarial equivalent” shall be computed using the mortality
44 tables and interest rates required to comply with those
45 requirements.

46 (e) “Annual compensation” means the wages paid to the
47 member during covered employment within the meaning of
48 Section 3401(a) of the Internal Revenue Code, but
49 determined without regard to any rules that limit the

51 location of employment or services performed during the
52 plan year plus amounts excluded under Section 414(h)(2) of
53 the Internal Revenue Code and less reimbursements or other
54 expense allowances, cash or noncash fringe benefits or both,
55 deferred compensation and welfare benefits. Annual
56 compensation for determining benefits during any
57 determination period may not exceed the maximum

68 “retirement” means the first day of the month following or
69 coincident with the latter of the last day the member worked

83 performed but disability benefits are received under this
84 article; or (3) concurrent employment by an emergency
85 medical services officer in a job or jobs in addition to his or
86 her employment as an emergency medical services officer
87 where the secondary employment requires the emergency
88 medical services officer to be a member of another retirement
89 system which is administered by the Consolidated Public
90 Retirement Board pursuant to this code: *Provided*, That the
91 emergency medical services officer contributes to the fund
92 created in this article the amount specified as the member’s
93 contribution in section eight of this article.

94 (k) “Credited service” means the sum of a member’s

114 subdivision.

133 West Virginia Office of Emergency Medical Services. This
134 definition is construed to include employed ambulance
135 providers and other services such as law enforcement, rescue
136 or fire department personnel who primarily perform these
137 functions and are not provided any other credited service
138 benefits or retirement plans. These persons may hold the

145 highest annual compensation received for covered
146 employment by the member during any five consecutive plan
147 years within the member’s last ten years of service while
148 employed, prior to any disability payment. If the member did
149 not have annual compensation for the five full plan years
150 preceding the member’s attainment of normal retirement age
151 and during that period the member received disability
152 benefits under this article, then “final average salary” means

168 duties are performed. These hours shall be credited to the
169 member for the plan year in which the duties are performed;
170 and

171 (2) Each hour for which a member is paid or entitled to
172 payment for covered employment during a plan year but
173 where no duties are performed due to vacation, holiday,
174 illness, incapacity including disability, layoff, jury duty,

176 and without regard to whether the employment relationship
177 has terminated. Hours under this subdivision shall be
178 calculated and credited pursuant to West Virginia Division of
179 Labor rules. A member will not be credited with any hours
180 of service for any period of time he or she is receiving
181 benefits under section nineteen or twenty of this article; and

182 (3) Each hour for which back pay is either awarded or
183 agreed to be paid by the employing county commission or
184 political subdivision, irrespective of mitigation of damages.
185 The same hours of service shall not be credited both under
186 paragraph (1) or (2) of this subdivision and under this
187 paragraph. Hours under this paragraph shall be credited to
188 the member for the plan year or years to which the award or
189 agreement pertains, rather than the plan year in which the
190 award, agreement or payment is made.

191 (v) "Member" means a person first hired as an emergency
192 medical services officer by an employer which is a
193 participating public employer of the Public Employees
194 Retirement System or the Emergency Medical Services

204 compensation received by a member during the month.

205 (x) "Normal form" means a monthly annuity which is one

208 the sum of the payments he or she receives equals his or her
209 accumulated contributions on the annuity starting date, the
210 named beneficiary shall receive in one lump sum the
211 difference between the accumulated contributions at the
212 annuity starting date and the total of the retirement income
213 payments made to the member.

221 (3) While still in covered employment, attainment of at
222 least age sixty years and completion of ten years of regular
223 contributory service; or

224 (4) Attainment of age sixty-two years and completion of
225 five or more years of regular contributory service.

226 (z) "Political subdivision" means a county, city or town
227 in the state; any separate corporation or instrumentality
228 established by one or more counties, cities or towns, as
229 permitted by law; any corporation or instrumentality
230 supported in most part by counties, cities or towns; and any
231 public corporation charged by law with the performance of a
232 governmental function and whose jurisdiction is coextensive
233 with one or more counties, cities or towns: *Provided*, That
234 any public corporation established under section four, article
235 fifteen, chapter seven of this code is considered a political
236 subdivision solely for the purposes of this article.

237 (aa) "Public Employees Retirement System" means the
238 West Virginia Public Employees Retirement System created
239 by West Virginia Code.

240 (bb) "Plan" means the West Virginia Emergency Medical
241 Services Retirement System established by this article.

242 (cc) "Plan year" means the twelve-month period
243 commencing on January 1 of any designated year and ending
244 December 31.

245 (dd) "Qualified public safety employee" means any
246 employee of a participating state or political subdivision who
247 provides police protection, fire-fighting services or
248 emergency medical services for any area within the
249 jurisdiction of the state or political subdivision, or such other
250 meaning given to the term by Section 72(t)(10)(B) of the
251 Internal Revenue Code or by Treasury Regulation §1.401(a)-
252 1(b)(2)(v) as they may be amended from time to time.

253 (ee) "Regular contributory service" means a member's
254 credited service excluding active military duty, disability
255 service and accrued annual and sick leave service.

256 (ff) "Regular interest" means the rate or rates of interest
257 per annum, compounded annually, as the board adopts in
258 accordance with the provisions of this article.

259 (gg) "Required beginning date" means April 1 of the
260 calendar year following the later of: (1) The calendar year in
261 which the member attains age seventy and one-half; or (2) the
262 calendar year in which he or she retires or otherwise
263 separates from covered employment; or (3) for members who
264 are covered under the Public Employees Retirement System,
265 their service shall be recognized upon transfer of assets from
266 the Public Employees Retirement System according to the
267 provisions of section nine of this article. Prior service for
268 members not covered under the Public Employees
269 Retirement System shall be recognized only upon repayment
270 of amounts covered under the provisions of section six of this
271 article.

272 (hh) "Retirement income payments" means the monthly
273 retirement income payments payable under the plan.

274 (ii) "Spouse" means the person to whom the member is
275 legally married on the annuity starting date.

276 (jj) "Surviving spouse" means the person to whom the
277 member was legally married at the time of the member's
278 death and who survived the member.

279 (kk) "Totally disabled" means a member's inability to
280 engage in substantial gainful activity by reason of any
281 medically determined physical or mental impairment that can
282 be expected to result in death or that has lasted or can be
283 expected to last for a continuous period of not less than
284 twelve months.

285 For purposes of this subsection:

286 (1) A member is totally disabled only if his or her
287 physical or mental impairment or impairments is so severe
288 that he or she is not only unable to perform his or her
289 previous work as an emergency medical services officer but
290 also cannot, considering his or her age, education and work
291 experience, engage in any other kind of substantial gainful
292 employment which exists in the state regardless of whether:
293 (A) The work exists in the immediate area in which the
294 member lives; (B) a specific job vacancy exists; or (C) the
295 member would be hired if he or she applied for work. For
296 purposes of this article, "substantial gainful employment" is
297 the same definition as used by the United States Social
298 Security Administration.

299 (2) "Physical or mental impairment" is an impairment
300 that results from an anatomical, physiological or
301 psychological abnormality that is demonstrated by medically
302 accepted clinical and laboratory diagnostic techniques. The
303 board may require submission of a member's annual tax
304 return for purposes of monitoring the earnings limitation.

305 (ll) "Year of service" means a member shall, except in his
306 or her first and last years of covered employment, be credited
307 with years of service credit based upon the hours of service
308 performed as covered employment and credited to the
309 member during the plan year based upon the following
310 schedule:

311	Hours of Service	Year of Service
312	Less than 500	0
313	500 to 999	1/3
314	1,000 to 1,499	2/3
315	1,500 or more	1

316 During a member's first and last years of covered
317 employment, the member shall be credited with one twelfth
318 of a year of service for each month during the plan year in
319 which the member is credited with an hour of service for
320 which contributions were received by the fund. A member is
321 not entitled to credit for years of service for any time period
322 during which he or she received disability payments under
323 section nineteen or twenty of this article. Except as
324 specifically excluded, years of service include covered
325 employment prior to the effective date.

326 Years of service which are credited to a member prior to
327 his or her receipt of accumulated contributions upon
328 termination of employment pursuant to section eighteen of
329 this article or section thirty, article ten, chapter five of this
330 code shall be disregarded for all purposes under this plan
331 unless the member repays the accumulated contributions with
332 interest pursuant to section eighteen of this article or has prior
333 to the effective date made the repayment pursuant to section
334 eighteen, article ten, chapter five of this code.

**§16-5V-4. Creation and administration of West Virginia
Emergency Medical Services Retirement
System; specification of actuarial assumptions.**

1 There is hereby created the West Virginia Emergency
2 Medical Services Retirement System. The purpose of this
3 system is to provide for the orderly retirement of emergency
4 medical services officers who become superannuated because
5 of age or permanent disability and to provide certain survivor
6 death benefits, and it is contemplated that substantially all of
7 the members of the retirement system shall be qualified
8 public safety employees as defined in section two of this
9 article. The retirement system shall come into effect January
10 1, 2008: *Provided*, That at least seventy percent of all eligible
11 emergency medical services officers and at least eighty-five
12 percent of the eligible emergency medical services officers
13 who are currently active members of the Public Employees

14 Retirement System elect to participate in this plan by
15 December 31, 2007. If this level of participation is not
16 reached, then all of the provisions of this article are void and
17 of no force and effect. All business of the system shall be
18 transacted in the name of the West Virginia Emergency
19 Medical Services Retirement System. The board shall
20 specify and adopt all actuarial assumptions for the plan at its
21 first meeting of every calendar year or as soon thereafter as
22 may be practicable, which assumptions shall become part of
23 the plan.

§16-5V-12. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and regulations under that section, to the
5 extent applicable to governmental plans (hereafter sometimes
6 referred to as the “415 limitation(s)” or “415 dollar
7 limitation(s)”), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any
9 annual benefit payable under this system shall be reduced or
10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this retirement system shall be
13 reduced as compared with the extent to which an annuity,
14 contributions or other benefits under any other defined
15 benefit plans or defined contribution plans required to be
16 taken into consideration under Section 415 of the Internal
17 Revenue Code shall be reduced, shall be proportional on a
18 percentage basis to the reductions made in such other plans
19 administered by the board and required to be so taken into
20 consideration under Section 415, unless a disproportionate
21 reduction is determined by the board to maximize the
22 aggregate benefits payable to the member. If the reduction is
23 under this retirement system, the board shall advise affected
24 members of any additional limitation on the annuities or
25 other annual benefit required by this section. For purposes of

26 the 415 limitations, the “limitation year” shall be the calendar
27 year. The 415 limitations are incorporated herein by
28 reference, except to the extent the following provisions may
29 modify the default provisions thereunder:

30 (a) The annual adjustment to the 415 dollar limitations
31 made by Section 415(d) of the Internal Revenue Code and the
32 regulations thereunder shall apply for each limitation year.
33 The annual adjustments to the dollar limitations under
34 Section 415(d) of the Internal Revenue Code which become
35 effective: (i) After a retirant’s severance from employment
36 with the employer; or (ii) after the annuity starting date in the
37 case of a retirant who has already commenced receiving
38 benefits, will apply with respect to a retirant’s annual benefit
39 in any limitation year. A retirant’s annual benefit payable in
40 any limitation year from this retirement system shall in no
41 event be greater than the limit applicable at the annuity
42 starting date, as increased in subsequent years pursuant to
43 Section 415(d) of the Internal Revenue Code and the
44 regulations thereunder.

45 (b) For purposes of this section, the “annual benefit”
46 means a benefit that is payable annually in the form of a
47 straight life annuity. Except as provided below, where a
48 benefit is payable in a form other than a straight life annuity,
49 the benefit shall be adjusted to an actuarially equivalent
50 straight life annuity that begins at the same time as such other
51 form of benefit, using factors prescribed in the 415 limitation
52 regulations, before applying the 415 limitations. No actuarial
53 adjustment to the benefit shall be made for: (1) Survivor
54 benefits payable to a surviving spouse under a qualified joint
55 and survivor annuity to the extent such benefits would not be
56 payable if the member’s benefit were paid in another form;
57 (2) benefits that are not directly related to retirement benefits
58 (such as a qualified disability benefit, preretirement
59 incidental death benefits, and post-retirement medical
60 benefits); or (3) the inclusion in the form of benefit of an
61 automatic benefit increase feature, provided the form of

62 benefit is not subject to Section 417(e)(3) of the Internal
63 Revenue Code and would otherwise satisfy the limitations of
64 this article, and the plan provides that the amount payable
65 under the form of benefit in any limitation year shall not
66 exceed the limits of this article applicable at the annuity
67 starting date, as increased in subsequent years pursuant to
68 Section 415(d) of the Internal Revenue Code. For this
69 purpose an automatic benefit increase feature is included in
70 a form of benefit if the form of benefit provides for
71 automatic, periodic increases to the benefits paid in that form.

72 (c) *Adjustment for benefit forms not subject to Section*
73 *417(e)(3).* -- The straight life annuity that is actuarially
74 equivalent to the member's form of benefit shall be
75 determined under this subsection if the form of the member's
76 benefit is either: (1) A nondecreasing annuity (other than a
77 straight life annuity) payable for a period of not less than the
78 life of the member (or, in the case of a qualified preretirement
79 survivor annuity, the life of the surviving spouse); or (2) an
80 annuity that decreases during the life of the member merely
81 because of: (i) The death of the survivor annuitant (but only
82 if the reduction is not below fifty percent of the benefit
83 payable before the death of the survivor annuitant); or (ii) the
84 cessation or reduction of Social Security supplements or
85 qualified disability payments (as defined in Section 411(a)(9)
86 of the Internal Revenue Code). The actuarially equivalent
87 straight life annuity is equal to the greater of: (I) The annual
88 amount of the straight life annuity (if any) payable to the
89 member under the plan commencing at the same annuity
90 starting date as the member's form of benefit; and (II) the
91 annual amount of the straight life annuity commencing at the
92 same annuity starting date that has the same actuarial present
93 value as the member's form of benefit, computed using a five
94 percent interest rate assumption and the applicable mortality
95 table defined in Treasury Regulation §1.417(e)-1(d)(2)
96 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
97 modifying the applicable provisions of Revenue Ruling
98 2001-62) for that annuity starting date.

99 (d) *Adjustment for benefit forms subject to Section*
100 *417(e)(3).* -- The straight life annuity that is actuarially
101 equivalent to the member's form of benefit shall be
102 determined under this subsection if the form of the member's
103 benefit is other than a benefit form described in subdivision
104 (c) of this section. In this case, the actuarially equivalent
105 straight life annuity shall be determined as follows: The
106 actuarially equivalent straight life annuity is equal to the
107 greatest of: (1) The annual amount of the straight life annuity
108 commencing at the same annuity starting date that has the
109 same actuarial present value as the member's form of benefit,
110 computed using the interest rate specified in this retirement
111 system and the mortality table (or other tabular factor)
112 specified in this retirement system for adjusting benefits in
113 the same form; (2) the annual amount of the straight life
114 annuity commencing at the same annuity starting date that
115 has the same actuarial present value as the member's form of
116 benefit, computed using a five and a half percent interest rate
117 assumption and the applicable mortality table defined in
118 Treasury Regulation §1.417(e)-1(d)(2) (Revenue Ruling
119 2001-62 or any subsequent Revenue Ruling modifying the
120 applicable provisions of Revenue Ruling 2001-62) for that
121 annuity starting date; and (3) the annual amount of the
122 straight life annuity commencing at the same annuity starting
123 date that has the same actuarial present value as the
124 member's form of benefit, computed using the applicable
125 interest rate defined in Treasury Regulation §1.417(e)-1(d)(3)
126 and the applicable mortality table defined in Treasury
127 Regulation §1.417(e)-1(d)(2) (the mortality table specified in
128 Revenue Ruling 2001-62 or any subsequent Revenue Ruling
129 modifying the applicable provisions of Revenue Ruling
130 2001-62), divided by 1.05.

131 (e) *Benefits payable prior to age sixty-two.* --

132 (1) Except as provided in paragraphs (2) and (3) of this
133 subdivision, if the member's retirement benefits become
134 payable before age sixty-two, the 415 dollar limitation

135 prescribed by this section shall be reduced in accordance with
136 regulations issued by the Secretary of the Treasury pursuant
137 to the provisions of Section 415(b) of the Internal Revenue
138 Code, so that the limitation (as so reduced) equals an annual
139 straight life benefit (when the retirement income benefit
140 begins) which is equivalent to an annual benefit in the
141 amount of the applicable dollar limitation of Section
142 415(b)(1)(A) of the Internal Revenue Code (as adjusted
143 pursuant to Section 415(d) of the Internal Revenue Code)
144 beginning at age sixty-two.

145 (2) The limitation reduction provided in paragraph (1) of
146 this subdivision shall not apply if the member commencing
147 retirement benefits before age sixty-two is a qualified
148 participant. A qualified participant for this purpose is a
149 participant in a defined benefit plan maintained by a state, or
150 any political subdivision of a state, with respect to whom the
151 service taken into account in determining the amount of the
152 benefit under the defined benefit plan includes at least fifteen
153 years of service: (i) As a full-time employee of any police or
154 fire department organized and operated by the state or
155 political subdivision maintaining the defined benefit plan to
156 provide police protection, fire-fighting services or emergency
157 medical services for any area within the jurisdiction of such
158 state or political subdivision; or (ii) as a member of the armed
159 forces of the United States.

160 (3) The limitation reduction provided in paragraph (1) of
161 this subdivision shall not be applicable to preretirement
162 disability benefits or preretirement death benefits.

163 (4) For purposes of adjusting the 415 dollar limitation for
164 benefit commencement before age sixty-two or after age
165 sixty-five (if the plan provides for such adjustment), no
166 adjustment is made to reflect the probability of a member's
167 death: (i) After the annuity starting date and before age sixty-
168 two; or (ii) after age sixty-five and before the annuity starting
169 date.

170 (f) *Adjustment when member has less than ten years of*
171 *participation.* -- In the case of a member who has less than
172 ten years of participation in the retirement system (within the
173 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
174 415 dollar limitation (as adjusted pursuant to Section 415(d)
175 of the Internal Revenue Code and subdivision (e) of this
176 section) shall be reduced by multiplying the otherwise
177 applicable limitation by a fraction, the numerator of which is
178 the number of years of participation in the plan (or one, if
179 greater), and the denominator of which is ten. This
180 adjustment shall not be applicable to preretirement disability
181 benefits or preretirement death benefits.

182 (g) The application of the provisions of this section shall
183 not cause the maximum annual benefit provided to a member
184 to be less than the member's accrued benefit as of December
185 31, 2008 (the end of the limitation year that is immediately
186 prior to the effective date of the final regulations for this
187 retirement system as defined in Treasury Regulation
188 §1.415(a)-1(g)(2)), under provisions of the retirement system
189 that were both adopted and in effect before April 5, 2007,
190 provided that such provisions satisfied the applicable
191 requirements of statutory provisions, regulations and other
192 published guidance relating to Section 415 of the Internal
193 Revenue Code in effect as of December 31, 2008, as
194 described in Treasury Regulation §1.415(a)-1(g)(4). If
195 additional benefits are accrued for a member under this
196 retirement system after January 1, 2009, then the sum of the
197 benefits described under the first sentence of this subdivision
198 and benefits accrued for a member after January 1, 2009,
199 must satisfy the requirements of Section 415, taking into
200 account all applicable requirements of the final 415 Treasury
201 Regulations.

§16-5V-13. Federal law minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiary's interest and take precedence

3 over any inconsistent provisions of this plan. This section
4 applies to plan years beginning after December 31, 1986.
5 Notwithstanding anything in the plan to the contrary, the
6 payment of benefits under this article shall be determined and
7 made in accordance with Section 401(a)(9) of the Internal
8 Revenue Code and its regulations. For this purpose, the
9 following provisions apply:

10 (a) The payment of benefits under the plan to any
11 member shall be distributed to him or her not later than the
12 required beginning date, or be distributed to him or her
13 commencing not later than the required beginning date, in
14 accordance with regulations prescribed under Section
15 401(a)(9) of the Internal Revenue Code, over the life of the
16 member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent upon, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the plan has been distributed, then the
25 remaining portion of that interest shall be distributed at least
26 as rapidly as under the method of distribution being used at
27 the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the plan shall be
30 distributed by December 31 of the calendar year containing
31 the fifth anniversary of the member's death, except as
32 follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life of that beneficiary or
35 over a period certain not greater than the life expectancy of
36 the beneficiary, commencing on or before December 31 of

37 the calendar year immediately following the calendar year in
38 which the member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall be no later
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)
46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§16-5V-14. Direct rollovers.

1 Notwithstanding any provision of this article to the
2 contrary that would otherwise limit a distributee's election
3 under this plan, a distributee may elect, at the time and in the
4 manner prescribed by the board, to have any portion of an
5 eligible rollover distribution paid directly to an eligible
6 retirement plan specified by the distributee in a direct
7 rollover. For purposes of this section, the following
8 definitions apply:

9 (1) "Eligible rollover distribution" means any distribution
10 of all or any portion of the balance to the credit of the
11 distributee, except that an eligible rollover distribution does
12 not include any of the following: (A) Any distribution that is
13 one of a series of substantially equal periodic payments not
14 less frequently than annually made for the life or life
15 expectancy of the distributee or the joint lives or the joint life
16 expectancies of the distributee and the distributee's
17 designated beneficiary, or for a specified period of ten years
18 or more; (B) any distribution to the extent the distribution is
19 required under Section 401(a)(9) of the Internal Revenue
20 Code; and (C) any hardship distribution described in Section

21 401(k)(2)(B)(i)(iv) of the Internal Revenue Code. A portion
22 of a distribution shall not fail to be an eligible rollover
23 distribution merely because the portion consists of after-tax
24 employee contributions which are not includable in gross
25 income. However, this portion may be paid only to an
26 individual retirement account or annuity described in Section
27 408(a) or (b) of the Internal Revenue Code (including a Roth
28 IRA described in Section 408A of the Internal Revenue
29 Code), or to a qualified trust or to an annuity contract
30 described in Section 403(a) or (b) of the Internal Revenue
31 Code that agrees to separately account for amounts
32 transferred (including interest or earnings thereon), including
33 separately accounting for the portion of the distribution
34 which is includable in gross income and the portion of the
35 distribution which is not so includable.

36 (2) "Eligible retirement plan" means an eligible plan
37 under Section 457(b) of the Internal Revenue Code which is
38 maintained by a state, political subdivision of a state, or any
39 agency or instrumentality of a state or political subdivision of
40 a state and which agrees to separately account for amounts
41 transferred into such plan from this plan, an individual
42 retirement account described in Section 408(a) of the Internal
43 Revenue Code, an individual retirement annuity described in
44 Section 408(b) of the Internal Revenue Code, a Roth IRA
45 described in Section 408A of the Internal Revenue Code, an
46 annuity plan described in Section 403(a) of the Internal
47 Revenue Code, an annuity contract described in Section
48 403(b) of the Internal Revenue Code, or a qualified plan
49 described in Section 401(a) of the Internal Revenue Code that
50 accepts the distributee's eligible rollover distribution:
51 *Provided*, That in the case of an eligible rollover distribution
52 to a designated beneficiary (other than a surviving spouse) as
53 such term is defined in Section 402(c)(11) of the Internal
54 Revenue Code, an eligible retirement plan is limited to an
55 individual retirement account or individual retirement annuity
56 which meets the conditions of Section 402(c)(11) of the
57 Internal Revenue Code.

58 (3) "Distributee" means an employee or former
59 employee. In addition, the employee's or former employee's
60 surviving spouse and the employee's or former employee's
61 spouse or former spouse who is the alternate payee under a
62 qualified domestic relations order, as defined in Section
63 414(p) of the Internal Revenue Code with respect to
64 governmental plans, are distributees with regard to the
65 interest of the spouse or former spouse. The term
66 "distributee" also includes a designated beneficiary (other
67 than a surviving spouse) as such term is defined in Section
68 402(c)(11) of the Internal Revenue Code.

69 (4) "Direct rollover" means a payment by the plan to the
70 eligible retirement plan.

**§16-5V-14a. Rollovers and transfers to purchase service credit
or repay withdrawn contributions.**

1 (a) Notwithstanding any provision of this article to the
2 contrary that would otherwise prohibit or limit rollovers and
3 plan transfers to this system, the plan shall accept the
4 following rollovers and plan transfers on behalf of a member
5 solely for the purpose of purchasing permissive service
6 credit, in whole or in part, as otherwise provided in this
7 article or for the repayment of withdrawn or refunded
8 contributions, in whole and in part, with respect to a previous
9 forfeiture of service credit as otherwise provided in this
10 article: (A) One or more rollovers within the meaning of
11 Section 408(d)(3) of the Internal Revenue Code from an
12 individual retirement account described in Section 408(a)
13 of the Internal Revenue Code or from an individual retirement
14 annuity described in Section 408(b) of the Internal Revenue
15 Code; (B) one or more rollovers described in Section 402(c)
16 of the Internal Revenue Code from a retirement plan that is
17 qualified under Section 401(a) of the Internal Revenue Code
18 or from a plan described in Section 403(b) of the Internal
19 Revenue Code; (C) one or more rollovers described in
20 Section 457(e)(16) of the Internal Revenue Code from a

21 governmental plan described in Section 457 of the Internal
22 Revenue Code; or (D) direct trustee-to-trustee transfers or
23 rollovers from a plan that is qualified under Section 401(a) of
24 the Internal Revenue Code, from a plan described in Section
25 403(b) of the Internal Revenue Code or from a governmental
26 plan described in Section 457 of the Internal Revenue Code:
27 *Provided*, That any rollovers or transfers pursuant to this
28 section shall be accepted by the system only if made in cash
29 or other asset permitted by the board and only in accordance
30 with such policies, practices and procedures established by
31 the board from time to time. For purposes of this article, the
32 following definitions and limitations apply:

33 (1) "Permissive service credit" means service credit
34 which is permitted to be purchased under the terms of the
35 retirement system by voluntary contributions in an amount
36 which does not exceed the amount necessary to fund the
37 benefit attributable to the period of service for which the
38 service credit is being purchased, all as defined in Section
39 415(n)(3)(A) of the Internal Revenue Code: *Provided*, That
40 no more than five years of "nonqualified service credit", as
41 defined in Section 415(n)(3)(C) of the Internal Revenue
42 Code, may be included in the permissive service credit
43 allowed to be purchased (other than by means of a rollover or
44 plan transfer), and no nonqualified service credit may be
45 included in any such purchase (other than by means of a
46 rollover or plan transfer) before the member has at least five
47 years of participation in the retirement system.

48 (2) "Repayment of withdrawn or refunded contributions"
49 means the payment into the retirement system of the funds
50 required pursuant to this article for the reinstatement of
51 service credit previously forfeited on account of any refund
52 or withdrawal of contributions permitted in this article, as set
53 forth in Section 415(k)(3) of the Internal Revenue Code.

54 (3) Any contribution (other than by means of a rollover
55 or plan transfer) to purchase permissive service credit under

56 any provision of this article must satisfy the special limitation
57 rules described in Section 415(n) of the Internal Revenue
58 Code, and shall be automatically reduced, limited or required
59 to be paid over multiple years if necessary to ensure such
60 compliance. To the extent any such purchased permissive
61 service credit is qualified military service within the meaning
62 of Section 414(u) of the Internal Revenue Code, the
63 limitations of Section 415 of the Internal Revenue Code shall
64 be applied to such purchase as described in Section
65 414(u)(1)(B) of the Internal Revenue Code.

66 (4) For purposes of Section 415(b) of the Internal
67 Revenue Code, the annual benefit attributable to any rollover
68 contribution accepted pursuant to this section shall be
69 determined in accordance with Treasury Regulation
70 §1.415(b)-1(b)(2)(v), and the excess, if any, of the annuity
71 payments attributable to any rollover contribution provided
72 under the retirement system over the annual benefit so
73 determined shall be taken into account when applying the
74 accrued benefit limitations of Section 415(b) of the Internal
75 Revenue Code and section twelve of this article.

76 (b) Nothing in this section may be construed as
77 permitting rollovers or transfers into this system or any other
78 system administered by the retirement board other than as
79 specified in this section and no rollover or transfer shall be
80 accepted into the system in an amount greater than the
81 amount required for the purchase of permissive service credit
82 or repayment of withdrawn or refunded contributions.

83 (c) Nothing in this section shall be construed as
84 permitting the purchase of service credit or repayment of
85 withdrawn or refunded contributions except as otherwise
86 permitted in this article.

§16-5V-16. Retirement benefits.

1 This section describes when adjustment of a member's
2 accrued benefit to reflect the difference in age, in years and
3 months, between the member's annuity starting date and the
4 date the member attains normal retirement age shall be made.
5 This age adjustment, when required, shall be made based
6 upon the normal form of benefit and shall be the actuarial
7 equivalent of the accrued benefit at the member's normal
8 retirement age. The member shall receive the age adjusted
9 retirement income in the normal form or in an actuarial
10 equivalent amount in an optional form as provided under this
11 article, subject to reduction if necessary to comply with the
12 maximum benefit provisions of Section 415 of the Internal
13 Revenue Code and section twelve of this article. The first
14 day of the calendar month following the month of birth shall
15 be used in lieu of any birth date that does not fall on the first
16 day of a calendar month.

17 (a) *Normal retirement.* -- A member whose annuity
18 starting date is the date the member attains normal retirement
19 age, is entitled to his or her accrued benefit without
20 adjustment for age at commencement.

21 (b) *Early retirement.* -- A member who ceases covered
22 employment and has attained early retirement age while in
23 covered employment may elect in writing by completion of
24 an application for retirement required by and submitted to the
25 board, to receive retirement income payments commencing
26 on the first day of the month coincident with or following the
27 date the member ceases covered employment and submits the
28 proper application to the board. "Normal retirement age" for
29 such a member is the first day of the calendar month
30 coincident with or next following the month in which the
31 member attains the age of fifty years. If the member's
32 annuity starting date is prior to the date the member attains
33 normal retirement age, his or her accrued benefit is reduced
34 to the actuarial equivalent benefit amount based on the years
35 and months by which his or her annuity starting date precedes
36 the date he or she attains normal retirement age.

37 (c) *Late retirement.* -- A member whose annuity starting
38 date is later than the date the member attains normal
39 retirement age shall receive retirement income payments in
40 the normal form without adjustment for age at
41 commencement, which is the benefit to which he or she is
42 entitled according to his or her accrued benefit based on his
43 or her final average salary and credited service at the time of
44 his or her actual retirement and following the completion of
45 an application for retirement as required by the board.

46 (d) Retirement benefits shall be paid monthly in an
47 amount equal to one twelfth of the retirement income
48 payments elected and at those times established by the board.
49 Notwithstanding any other provision of the plan, a member
50 who is married on the annuity starting date will receive his or
51 her retirement income payments in the form of a sixty-six and
52 two-thirds percent joint and survivor annuity with his or her
53 spouse unless prior to the annuity starting date the spouse
54 waives the form of benefit.

**§16-5V-18. Refunds to certain members upon discharge or
resignation; deferred retirement; forfeitures.**

1 (a) Any member who terminates covered employment
2 and is not eligible to receive disability benefits under this
3 article is, by written request filed with the board, entitled to
4 receive from the fund the member's accumulated
5 contributions. Except as provided in subsection (b) of this
6 section, upon withdrawal, the member shall forfeit his or her
7 accrued benefit and cease to be a member.

8 (b) Any member who ceases employment in covered
9 employment and active participation in this plan and who
10 thereafter becomes reemployed in covered employment may
11 not receive any credited service for any prior withdrawn
12 accumulated contributions from either this plan or the Public
13 Employees Retirement System unless following his or her
14 return to covered employment and active participation in this

15 plan, the member redeposits in the fund the amount of the
16 accumulated contributions withdrawn from previous covered
17 employment, together with interest on the accumulated
18 contributions at the rate determined by the board from the
19 date of withdrawal to the date of redeposit. Upon repayment
20 he or she shall receive the same credit on account of his or
21 her former covered employment as if no refund had been
22 made.

23 The repayment authorized by this subsection shall be
24 made in a lump sum within sixty months of the emergency
25 medical services officer's reemployment in covered
26 employment or, if later, within sixty months of the effective
27 date of this article.

28 (c) A member of this plan who has elected to transfer
29 from the Public Employees Retirement System into this plan
30 pursuant to subsection (b), section six of this article may not,
31 after having transferred into and become an active member of
32 this plan, reinstate to his or her credit in this plan any service
33 credit relating to periods of nonemergency medical services
34 officer service withdrawn from the Public Employees
35 Retirement System prior to his or her elective transfer into
36 this plan.

37 (d) Every member who completes sixty months of regular
38 contributory service may, upon cessation of covered
39 employment, either withdraw his or her accumulated
40 contributions in accordance with this section or choose not to
41 withdraw his or her accumulated contribution and receive
42 retirement income payments, if eligible, upon attaining early
43 or normal retirement age.

44 (e) Notwithstanding any other provision of this article,
45 forfeitures under the plan may not be applied to increase the
46 benefits any member would otherwise receive under the plan.

45 (e) Each contributor shall file with the retirement board
46 or with the employer to be forwarded to the retirement board
47 an enrollment form showing the contributor's date of birth

50 participating public employer or the retirement system results
51 in any member receiving from the system more or less than
52 he or she would have been entitled to receive had the records

61 Interest shall accumulate in accordance with the legislative
62 rule, Retirement Board Reinstatement Interest, 162 CSR 7,

69 to the time period during which the employer error occurred.

70 (g) Notwithstanding any other provisions of this article,

72 to increase the benefits any member would otherwise receive
73 under the retirement system.

§18-7A-26. Computation of annuities.

1 (a) Annuitants whose annuities were approved by the
2 retirement board effective before July 1, 1980, shall be paid
3 the annuities which were approved by the retirement board.

4 (b) Annuities approved by the board effective after June
5 30, 1980, shall be computed as provided in this section.

6 (c) Upon establishment of eligibility for a retirement
7 allowance, a member shall be granted an annuity which shall
8 be the sum of the following, subject to reduction if necessary
9 to comply with the maximum benefit provisions of Section
10 415 of the Internal Revenue Code and section twenty-eight-a
11 of this article:

12 (1) Two percent of the member's average salary
13 multiplied by his or her total service credit as a teacher. In
14 this subdivision "average salary" means the average of the
15 highest annual salaries received by the member during any
16 five years contained within his or her last fifteen years of
17 total service credit: *Provided*, That the highest annual salary
18 used in this calculation for certain members employed by the
19 West Virginia Higher Education Policy Commission under
20 its control shall be \$4,800, as provided by section fourteen-a
21 of this article;

22 (2) The actuarial equivalent of the voluntary deposits of
23 the member in his or her individual account up to the time of
24 his or her retirement, with regular interest.

25 (d) The disability annuities of all teachers retired for
26 disability shall be based upon a disability table prepared by
27 a competent actuary approved by the board.

28 (e) Upon the death of an annuitant who qualified for an
29 annuity as the surviving spouse of an active member or
30 because of permanent disability, the estate of the deceased or
31 beneficiary designated for such purpose shall be paid the
32 difference, if any, between the member's contributions with
33 regular interest thereon, and the sum of the annuity payments.
34 Upon the death of a spouse who was named as the member's
35 survivor, a retirant may elect an annuity option approved by
36 the board in an amount adjusted on a fair basis to be of equal
37 actuarial value as the annuity prospectively in effect relative
38 to the surviving member at the time the new option is elected.

39 (f) All annuities shall be paid in twelve monthly
40 payments. In computing the monthly payments, fractions of
41 a cent shall be considered a cent. The monthly payments
42 shall cease with the payment for the month within which the
43 beneficiary dies, and shall begin with the payment for the
44 month succeeding the month within which the annuitant
45 became eligible under this article for the annuity granted; in
46 no case, however, shall an annuitant receive more than four
47 monthly payments which are retroactive after the board
48 receives his or her application for annuity. The monthly
49 payments shall be made on the twenty-fifth day of each
50 month, except the month of December, when the payment
51 shall be made on December 18. If the date of payment falls
52 on a holiday, Saturday or Sunday, then the payment shall be
53 made on the preceding workday.

54 (g) In case the retirement board receives data affecting
55 the approved annuity of a retired teacher, the annuity shall be
56 changed in accordance with the data, the change being
57 effective with the payment for the month within which the
58 board received the new data.

59 (h) Any person who has attained the age of sixty-five and
60 who has served at least twenty-five years as a teacher prior to
61 July 1, 1941, is eligible for prior service credit and for prior
62 service pensions as prescribed in this section.

**§18-7A-26r. Minimum benefit for certain retired members;
legislative declaration; state interest and public
purpose.**

1 The Legislature hereby finds and declares that an
2 important state interest exists in providing a minimum
3 retirement annuity for certain retired members who are
4 credited with twenty or more years of total service; that such
5 program constitutes a public purpose; and that the exclusion
6 of total service for certain employees of institutions of higher
7 education is a reasonable and equitable exclusion for
8 purposes of determining eligibility for such minimum
9 benefits.

10 If the retirement annuity of a retired member (or if
11 applicable, a spouse thereof) with at least twenty years of
12 total service is less than \$500 per month (including any
13 supplemental or additional benefits provided by this article),
14 then the monthly retirement annuity for any such retired
15 member shall be increased to \$500 per month: *Provided*, That
16 any year of service while an employee of an institution of
17 higher education shall not be taken into account for purposes
18 of this section if his or her salary is capped under the
19 retirement system at \$4,800 per year pursuant to section
20 fourteen-a of this article.

21 The payment of any minimum benefit under this section
22 shall be in lieu of, and not in addition to, the payments of any
23 retirement annuity or supplemental or additional benefits
24 otherwise provided by this article: *Provided*, That the
25 minimum benefit provided herein shall be subject to any
26 limitations thereon under §415 of the Internal Revenue Code

27 of 1986, as the same may be amended, and section twenty-
28 eight-a of this article.

29 Any minimum benefit conferred herein shall not be
30 retroactive to the time of retirement and shall apply only to
31 members who have retired prior to the effective date of this
32 section, or, if applicable, to beneficiaries receiving benefits
33 under the retirement system prior to the effective date.

34 The minimum benefit provided herein shall be subject to
35 a recommendation by the Governor for such minimum
36 benefit through the delivery of an executive message to the
37 Legislature and an appropriation by the Legislature for such
38 minimum benefit, such appropriation to be made over a
39 continuous six-year period following the effective date of this
40 section.

§18-7A-28a. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and regulations under that section to the
5 extent applicable to governmental plans (hereafter sometimes
6 referred to as the “415 limitation(s)” or “415 dollar
7 limitation(s)”), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any
9 annual benefit payable under this system shall be reduced or
10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this retirement system shall be
13 reduced, as compared with the extent to which an annuity,
14 contributions or other benefits under any other defined
15 benefit plans or defined contribution plans required to be
16 taken into consideration under Section 415 of the Internal
17 Revenue Code shall be reduced, shall be proportional on a
18 percentage basis to the reductions made in such other plans

19 administered by the board and required to be so taken into
20 consideration under Section 415, unless a disproportionate
21 reduction is determined by the board to maximize the
22 aggregate benefits payable to the member. If the reduction is
23 under this retirement system, the board shall advise affected
24 members of any additional limitation on the annuities or
25 other annual benefit required by this section. For purposes of
26 the 415 limitations, the "limitation year" shall be the calendar
27 year. The 415 limitations are incorporated herein by
28 reference, except to the extent the following provisions may
29 modify the default provisions thereunder:

30 (a) The annual adjustment to the 415 dollar limitations
31 made by Section 415(d) of the Internal Revenue Code and the
32 regulations thereunder shall apply for each limitation year.
33 The annual adjustments to the dollar limitations under
34 Section 415(d) of the Internal Revenue Code which become
35 effective: (i) After a retirant's severance from employment
36 with the employer; or (ii) after the annuity starting date in the
37 case of a retirant who has already commenced receiving
38 benefits, will apply with respect to a retirant's annual benefit
39 in any limitation year. A retirant's annual benefit payable in
40 any limitation year from this retirement system shall in no
41 event be greater than the limit applicable at the annuity
42 starting date, as increased in subsequent years pursuant to
43 Section 415(d) of the Internal Revenue Code and the
44 regulations thereunder.

45 (b) For purposes of this section, the "annual benefit"
46 means a benefit that is payable annually in the form of a
47 straight life annuity. Except as provided below, where a
48 benefit is payable in a form other than a straight life annuity,
49 the benefit shall be adjusted to an actuarially equivalent
50 straight life annuity that begins at the same time as such other
51 form of benefit, using factors prescribed in the 415 limitation
52 regulations, before applying the 415 limitations. No actuarial
53 adjustment to the benefit shall be made for: (1) Survivor
54 benefits payable to a surviving spouse under a qualified joint

55 and survivor annuity to the extent such benefits would not be
56 payable if the member's benefit were paid in another form;
57 (2) benefits that are not directly related to retirement benefits
58 (such as a qualified disability benefit, preretirement
59 incidental death benefits and post-retirement medical
60 benefits); or (3) the inclusion in the form of benefit of an
61 automatic benefit increase feature, provided the form of
62 benefit is not subject to Section 417(e)(3) of the Internal
63 Revenue Code and would otherwise satisfy the limitations of
64 this article, and the plan provides that the amount payable
65 under the form of benefit in any limitation year shall not
66 exceed the limits of this article applicable at the annuity
67 starting date, as increased in subsequent years pursuant to
68 Section 415(d) of the Internal Revenue Code. For this
69 purpose an automatic benefit increase feature is included in
70 a form of benefit if the form of benefit provides for
71 automatic, periodic increases to the benefits paid in that form.

72 (c) *Adjustment for benefit forms not subject to Section*
73 *417(e)(3).* -- The straight life annuity that is actuarially
74 equivalent to the member's form of benefit shall be
75 determined under this subsection if the form of the member's
76 benefit is either: (1) A nondecreasing annuity (other than a
77 straight life annuity) payable for a period of not less than the
78 life of the member (or, in the case of a qualified preretirement
79 survivor annuity, the life of the surviving spouse); or (2) an
80 annuity that decreases during the life of the member merely
81 because of: (i) The death of the survivor annuitant (but only
82 if the reduction is not below fifty percent of the benefit
83 payable before the death of the survivor annuitant); or (ii) the
84 cessation or reduction of Social Security supplements or
85 qualified disability payments (as defined in Section 411(a)(9)
86 of the Internal Revenue Code). The actuarially equivalent
87 straight life annuity is equal to the greater of: (I) The annual
88 amount of the straight life annuity (if any) payable to the
89 member under the plan commencing at the same annuity
90 starting date as the member's form of benefit; and (II) the
91 annual amount of the straight life annuity commencing at the

92 same annuity starting date that has the same actuarial present
93 value as the member's form of benefit, computed using a five
94 percent interest rate assumption and the applicable mortality
95 table defined in Treasury Regulation §1.417(e)-1(d)(2)
96 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
97 modifying the applicable provisions of Revenue Ruling
98 2001-62) for that annuity starting date.

99 (d) *Adjustment for benefit forms subject to Section*
100 *417(e)(3).* -- The straight life annuity that is actuarially
101 equivalent to the member's form of benefit shall be
102 determined under this subsection if the form of the member's
103 benefit is other than a benefit form described in subdivision
104 (c) of this section. In this case, the actuarially equivalent
105 straight life annuity shall be determined as follows: The
106 actuarially equivalent straight life annuity is equal to the
107 greatest of: (1) The annual amount of the straight life annuity
108 commencing at the same annuity starting date that has the
109 same actuarial present value as the member's form of benefit,
110 computed using the interest rate specified in this retirement
111 system and the mortality table (or other tabular factor)
112 specified in this retirement system for adjusting benefits in
113 the same form; (2) the annual amount of the straight life
114 annuity commencing at the same annuity starting date that
115 has the same actuarial present value as the member's form of
116 benefit, computed using a five and a half percent interest rate
117 assumption and the applicable mortality table defined in
118 Treasury Regulation §1.417(e)-1(d)(2) (Revenue Ruling
119 2001-62 or any subsequent Revenue Ruling modifying the
120 applicable provisions of Revenue Ruling 2001-62) for that
121 annuity starting date; and (3) the annual amount of the
122 straight life annuity commencing at the same annuity starting
123 date that has the same actuarial present value as the
124 member's form of benefit, computed using the applicable
125 interest rate defined in Treasury Regulation §1.417(e)-1(d)(3)
126 and the applicable mortality table defined in Treasury
127 Regulation §1.417(e)-1(d)(2) (the mortality table specified in

128 Revenue Ruling 2001-62 or any subsequent Revenue Ruling
129 modifying the applicable provisions of Revenue Ruling
130 2001-62), divided by 1.05.

131 (e) *Benefits payable prior to age sixty-two.* --

132 (1) Except as provided in paragraphs (2) and (3) of this
133 subdivision, if the member's retirement benefits become
134 payable before age sixty-two, the 415 dollar limitation
135 prescribed by this section shall be reduced in accordance with
136 regulations issued by the Secretary of the Treasury pursuant
137 to the provisions of Section 415(b) of the Internal Revenue
138 Code, so that the limitation (as so reduced) equals an annual
139 straight life benefit (when the retirement income benefit
140 begins) which is equivalent to an annual benefit in the
141 amount of the applicable dollar limitation of Section
142 415(b)(1)(A) of the Internal Revenue Code (as adjusted
143 pursuant to Section 415(d) of the Internal Revenue Code)
144 beginning at age sixty-two.

145 (2) The limitation reduction provided in paragraph (1) of
146 this subdivision shall not apply if the member commencing
147 retirement benefits before age sixty-two is a qualified
148 participant. A qualified participant for this purpose is a
149 participant in a defined benefit plan maintained by a state, or
150 any political subdivision of a state, with respect to whom the
151 service taken into account in determining the amount of the
152 benefit under the defined benefit plan includes at least fifteen
153 years of service: (i) As a full-time employee of any police or
154 fire department organized and operated by the state or
155 political subdivision maintaining the defined benefit plan to
156 provide police protection, fire-fighting services or emergency
157 medical services for any area within the jurisdiction of such
158 state or political subdivision; or (ii) as a member of the armed
159 forces of the United States.

160 (3) The limitation reduction provided in paragraph (1) of
161 this subdivision shall not be applicable to preretirement
162 disability benefits or preretirement death benefits.

163 (4) For purposes of adjusting the 415 dollar limitation for
164 benefit commencement before age sixty-two or after age
165 sixty-five (if the plan provides for such adjustment), no
166 adjustment is made to reflect the probability of a member's
167 death: (i) After the annuity starting date and before age sixty-
168 two; or (ii) after age sixty-five and before the annuity starting
169 date.

170 (f) *Adjustment when member has less than ten years of*
171 *participation.* -- In the case of a member who has less than
172 ten years of participation in the retirement system (within the
173 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
174 415 dollar limitation (as adjusted pursuant to Section 415(d)
175 of the Internal Revenue Code and subdivision (e) of this
176 section) shall be reduced by multiplying the otherwise
177 applicable limitation by a fraction, the numerator of which is
178 the number of years of participation in the plan (or one, if
179 greater), and the denominator of which is ten. This
180 adjustment shall not be applicable to preretirement disability
181 benefits or preretirement death benefits.

182 (g) The application of the provisions of this section shall not
183 cause the maximum annual benefit provided to a member to be
184 less than the member's accrued benefit as of December 31, 2008
185 (the end of the limitation year that is immediately prior to the
186 effective date of the final regulations for this retirement system
187 as defined in Treasury Regulation §1.415(a)-1(g)(2)), under
188 provisions of the retirement system that were both adopted and
189 in effect before April 5, 2007, provided that such provisions
190 satisfied the applicable requirements of statutory provisions,
191 regulations and other published guidance relating to Section 415
192 of the Internal Revenue Code in effect as of December 31, 2008,
193 as described in Treasury Regulation §1.415(a)-1(g)(4). If

194 additional benefits are accrued for a member under this
195 retirement system after January 1, 2009, then the sum of the
196 benefits described under the first sentence of this subdivision
197 and benefits accrued for a member after January 1, 2009, must
198 satisfy the requirements of Section 415, taking into account all
199 applicable requirements of the final 415 Treasury Regulations.

§18-7A-28b. Federal law minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiary's interest and take precedence
3 over any inconsistent provisions of this retirement system.
4 This section applies to plan years beginning after December
5 31, 1986. Notwithstanding anything in the retirement system
6 to the contrary, the payment of benefits under this article
7 shall be determined and made in accordance with Section
8 401(a)(9) of the Internal Revenue Code and the regulations
9 thereunder. For this purpose, the following provisions apply:

10 (a) The payment of benefits under the retirement system
11 to any member shall be distributed to him or her not later
12 than the required beginning date, or be distributed to him or
13 her commencing not later than the required beginning date,
14 in accordance with regulations prescribed under Section
15 401(a)(9) of the Internal Revenue Code, over the life of the
16 member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent upon, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the retirement system has been distributed,
25 then the remaining portion of that interest shall be distributed

26 at least as rapidly as under the method of distribution being
27 used at the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the retirement
30 system shall be distributed by December 31 of the calendar
31 year containing the fifth anniversary of the member's death,
32 except as follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life or over a period
35 certain not greater than the life expectancy of the beneficiary
36 commencing on or before December 31 of the calendar year
37 immediately following the calendar year in which the
38 member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall not be earlier
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)
46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§18-7A-28c. Direct rollovers.

1 (a) Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise limit a distributee's election under this
5 system, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution paid directly to an eligible retirement

8 plan specified by the distributee in a direct rollover. For
9 purposes of this section, the following definitions apply:

10 (1) “Eligible rollover distribution” means any distribution
11 of all or any portion of the balance to the credit of the
12 distributee, except that an eligible rollover distribution does
13 not include any of the following: (A) Any distribution that is
14 one of a series of substantially equal periodic payments not
15 less frequently than annually made for the life or life
16 expectancy of the distributee or the joint lives or the joint life
17 expectancies of the distributee and the distributee’s
18 designated beneficiary, or for a specified period of ten years
19 or more; (B) any distribution to the extent the distribution is
20 required under Section 401(a)(9) of the Internal Revenue
21 Code; (C) the portion of any distribution that is not
22 includable in gross income determined without regard to the
23 exclusion for net unrealized appreciation with respect to
24 employer securities; and (D) any hardship distribution
25 described in Section 401(k)(2)(B)(i)(iv) of the Internal
26 Revenue Code. For distributions after December 31, 2001,
27 a portion of a distribution shall not fail to be an eligible
28 rollover distribution merely because the portion consists of
29 after-tax employee contributions which are not includable in
30 gross income. However, this portion may be paid only to an
31 individual retirement account or annuity described in Section
32 408(a) or (b) of the Internal Revenue Code, or (for taxable
33 years beginning before January 1, 2007) to a qualified trust
34 which is part of a defined contribution plan described in
35 Section 401(a) or (for taxable years beginning after
36 December 31, 2006) to a qualified trust or to an annuity
37 contract described in Section 403(a) or (b) of the Internal
38 Revenue Code that agrees to separately account for amounts
39 transferred (including interest or earnings thereon), including
40 separately accounting for the portion of the distribution
41 which is includable in gross income and the portion of the
42 distribution which is not so includable, or (for taxable years

43 beginning after December 31, 2007) to a Roth IRA described
44 in Section 408A the Internal Revenue Code.

45 (2) “Eligible retirement plan” means an individual
46 retirement account described in Section 408(a) of the Internal
47 Revenue Code, an individual retirement annuity described in
48 Section 408(b) of the Internal Revenue Code, an annuity plan
49 described in Section 403(a) of the Internal Revenue Code, or
50 a qualified plan described in Section 401(a) of the Internal
51 Revenue Code, that accepts the distributee’s eligible rollover
52 distribution: *Provided*, That in the case of an eligible rollover
53 distribution prior to January 1, 2002, to the surviving spouse,
54 an eligible retirement plan is limited to an individual
55 retirement account or individual retirement annuity. For
56 distributions after December 31, 2001, an eligible retirement
57 plan also means an annuity contract described in Section
58 403(b) of the Internal Revenue Code and an eligible plan
59 under Section 457(b) of the Internal Revenue Code which is
60 maintained by a state, political subdivision of a state, or any
61 agency or instrumentality of a state or political subdivision of
62 a state and which agrees to separately account for amounts
63 transferred into the plan from this system. For distributions
64 after December 31, 2007, an eligible retirement plan also
65 means a Roth IRA described in Section 408A of the Internal
66 Revenue Code: *Provided, however*, That in the case of an
67 eligible rollover distribution after December 31, 2007, to a
68 designated beneficiary (other than a surviving spouse) as
69 such term is defined in Section 402(c)(11) of the Internal
70 Revenue Code, an eligible retirement plan is limited to an
71 individual retirement account or individual retirement annuity
72 which meets the conditions of Section 402(c)(11) of the
73 Internal Revenue Code.

74 (3) “Distributee” means an employee or former
75 employee. In addition, the employee’s or former employee’s
76 surviving spouse and the employee’s or former employee’s
77 spouse or former spouse who is the alternate payee under a

78 qualified domestic relations order, as defined in Section
79 414(p) of the Internal Revenue Code, as applicable to
80 governmental plans, are distributees with regard to the
81 interest of the spouse or former spouse. For distributions
82 after December 31, 2007, “distributee” also includes a
83 designated beneficiary (other than a surviving spouse) as
84 such term is defined in Section 402(c)(11) of the Internal
85 Revenue Code.

86 (4) “Direct rollover” means a payment by the system to
87 the eligible retirement plan.

88 (b) Nothing in this section may be construed as
89 permitting rollovers into this system or any other retirement
90 system administered by the board.

**§18-7A-28d. Rollovers and transfers to purchase service credit
or repay withdrawn contributions.**

1 (a) This section applies to rollovers and transfers as
2 specified in this section made on or after January 1, 2002.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise prohibit or limit rollovers and plan
5 transfers to this system, the retirement system shall accept the
6 following rollovers and plan transfers on behalf of a member
7 solely for the purpose of purchasing permissive service
8 credit, in whole or in part, as otherwise provided in this
9 article or for the repayment of withdrawn or refunded
10 contributions, in whole or in part, with respect to a previous
11 forfeiture of service credit as otherwise provided in this
12 article: (i) One or more rollovers within the meaning of
13 Section 408(d)(3) of the Internal Revenue Code from an
14 individual retirement account described in Section 408(a) of
15 the Internal Revenue Code or from an individual retirement
16 annuity described in Section 408(b) of the Internal Revenue
17 Code; (ii) one or more rollovers described in Section 402(c)
18 of the Internal Revenue Code from a retirement plan that is

19 qualified under Section 401(a) of the Internal Revenue Code
20 or from a plan described in Section 403(b) of the Internal
21 Revenue Code; (iii) one or more rollovers described in
22 Section 457(e)(16) of the Internal Revenue Code from a
23 governmental plan described in Section 457 of the Internal
24 Revenue Code; or (iv) direct trustee-to-trustee transfers or
25 rollovers from a plan that is qualified under Section 401(a) of
26 the Internal Revenue Code, from a plan described in Section
27 403(b) of the Internal Revenue Code or from a governmental
28 plan described in Section 457 of the Internal Revenue Code:
29 *Provided*, That any rollovers or transfers pursuant to this
30 section shall be accepted by the system only if made in cash
31 or other asset permitted by the board and only in accordance
32 with the policies, practices and procedures established by the
33 board from time to time. For purposes of this article, the
34 following definitions and limitations apply:

35 (1) "Permissive service credit" means service credit
36 which is permitted to be purchased under the terms of the
37 retirement system by voluntary contributions in an amount
38 which does not exceed the amount necessary to fund the
39 benefit attributable to the period of service for which the
40 service credit is being purchased, all as defined in Section
41 415(n)(3)(A) of the Internal Revenue Code: *Provided*, That
42 no more than five years of "nonqualified service credit", as
43 defined in Section 415(n)(3)(C) of the Internal Revenue
44 Code, may be included in the permissive service credit
45 allowed to be purchased (other than by means of a rollover or
46 plan transfer), and no nonqualified service credit may be
47 included in any such purchase (other than by means of a
48 rollover or plan transfer) before the member has at least five
49 years of participation in the retirement system.

50 (2) "Repayment of withdrawn or refunded contributions"
51 means the payment into the retirement system of the funds
52 required pursuant to this article for the reinstatement of
53 service credit previously forfeited on account of any refund

54 or withdrawal of contributions permitted in this article, as set
55 forth in Section 415(k)(3) of the Internal Revenue Code.

56 (3) Any contribution (other than by means of a rollover
57 or plan transfer) to purchase permissive service credit under
58 any provision of this article must satisfy the special limitation
59 rules described in Section 415(n) of the Internal Revenue
60 Code, and shall be automatically reduced, limited or required
61 to be paid over multiple years if necessary to ensure such
62 compliance. To the extent any such purchased permissive
63 service credit is qualified military service within the meaning
64 of Section 414(u) of the Internal Revenue Code, the
65 limitations of Section 415 of the Internal Revenue Code shall
66 be applied to such purchase as described in Section
67 414(u)(1)(B) of the Internal Revenue Code.

68 (4) For purposes of Section 415(b) of the Internal
69 Revenue Code, the annual benefit attributable to any rollover
70 contribution accepted pursuant to this section shall be
71 determined in accordance with Treasury Regulation
72 §1.415(b)-1(b)(2)(v), and the excess, if any, of the annuity
73 payments attributable to any rollover contribution provided
74 under the retirement system over the annual benefit so
75 determined shall be taken into account when applying the
76 accrued benefit limitations of Section 415(b) of the Internal
77 Revenue Code and section twenty-eight-a of this article.

78 (b) Nothing in this section shall be construed as
79 permitting rollovers or transfers into this system or any other
80 system administered by the retirement board other than as
81 specified in this section and no rollover or transfer shall be
82 accepted into the system in an amount greater than the
83 amount required for the purchase of permissive service credit
84 or repayment of withdrawn or refunded contributions.

85 (c) Nothing in this section shall be construed as
86 permitting the purchase of service credit or repayment of

87 withdrawn or refunded contributions except as otherwise
88 permitted in this article.

ARTICLE 7B. TEACHERS' DEFINED CONTRIBUTION RETIREMENT SYSTEM.

§18-7B-2. Definitions.

§18-7B-12a. Federal minimum required distributions.

§18-7B-13. Amount of annuity payments; federal law maximum benefit limitations.

§18-7B-13b. Direct rollovers.

§18-7B-2. Definitions.

1 As used in this article, unless the context clearly requires
2 a different meaning:

3 (1) "Annual addition" means, for purposes of the
4 limitations under Section 415(c) of the Internal Revenue
5 Code, the sum credited to a member's account for any
6 limitation year of: (A) Employer contributions; (B) employee
7 contributions; and (C) forfeitures. Repayment of cashouts or
8 contributions as described in Section 415(k)(3) of the Internal
9 Revenue Code, rollover contributions and picked-up
10 employee contributions to a defined benefit plan shall not be
11 treated as annual additions, consistent with the requirements
12 of Treasury Regulation §1.415(c)-1.

13 (2) "Annuity account" or "annuity" means an account
14 established for each member to record the deposit of member
15 contributions and employer contributions and interest,
16 dividends or other accumulations credited on behalf of the
17 member;

18 (3) "Compensation" means the full compensation actually
19 received by members for service whether or not a part of the
20 compensation is received from other funds, federal or
21 otherwise, than those provided by the state or its
22 subdivisions: *Provided*, That annual compensation for
23 determining contributions during any determination period

24 may not exceed the maximum compensation allowed as

§18-7B-12a. Federal minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiary's interest and take precedence
3 over any inconsistent provisions of this defined contribution
4 system. This section applies to plan years beginning after
5 December 31, 1986. Notwithstanding anything in this system
6 to the contrary, the payment of benefits under this article
7 shall be determined and made in accordance with Section
8 401(a)(9) of the Internal Revenue Code and the regulations
9 thereunder, including without limitation the incidental death
10 benefit provisions of Section 401(a)(9)(G) of the Internal
11 Revenue Code and the regulations thereunder. For this
12 purpose, the following provisions apply:

13 (a) The payment of benefits under the defined
14 contribution system to any member shall be distributed to
15 him or her not later than the required beginning date, or be
16 distributed to him or her commencing not later than the
17 required beginning date, in accordance with regulations
18 prescribed under Section 401(a)(9) of the Internal Revenue
19 Code, over the life of the member or over the lives of the
20 member and his or her beneficiary or over a period not
21 extending beyond the life expectancy of the member and his
22 or her beneficiary. Benefit payments under this section shall
23 not be delayed pending, or contingent upon, receipt of an
24 application for retirement from the member.

25 (b) If a member dies after distribution to him or her has
26 commenced pursuant to this section but before his or her
27 entire interest in the system has been distributed, then the
28 remaining portion of that interest shall be distributed at least

29 as rapidly as under the method of distribution being used at
30 the date of his or her death.

31 (c) If a member dies before distribution to him or her has
32 commenced, then his or her entire interest in the system shall
33 be distributed by December 31 of the calendar year
34 containing the fifth anniversary of the member's death,
35 except as follows:

36 (1) If a member's interest is payable to a beneficiary,
37 distributions may be made over the life of that beneficiary or
38 over a period certain not greater than the life expectancy of
39 the beneficiary commencing on or before December 31 of the
40 calendar year immediately following the calendar year in
41 which the participant died; or

42 (2) If the member's beneficiary is the surviving spouse,
43 the date distributions are required to begin shall be no later
44 than the later of:

45 (A) December 31 of the calendar year in which the
46 member would have attained age seventy and one-half years;
47 or

48 (B) The earlier of: (i) December 31 of the calendar year
49 in which the member died; or (ii) December 31 of the
50 calendar year following the calendar year in which the spouse
51 died.

52 (d) For purposes of this section, any amount paid to a
53 child of a member will be treated as if it had been paid to the
54 surviving spouse of the member if the remaining amount
55 becomes payable to the surviving spouse when the child
56 reaches the age of majority.

**§18-7B-13. Amount of annuity payments; federal law maximum
benefit limitations.**

1 (a) The amount of annuity payments a retired member
2 shall receive shall be based solely upon the balance in the
3 member's annuity account at the date of retirement, the
4 retirement option selected, or in the event of an annuity
5 option being selected, the actuarial life expectancy of the
6 member and such other factors as normally govern annuity
7 payments.

8 (b) The board, or its designee, is authorized upon
9 retirement of a member, with the approval of that member, to
10 purchase an annuity with the balance of the member's
11 account. Upon delivery of the annuity to the member upon
12 his or her retirement, the member shall execute a release
13 surrendering any claim the member may have against the
14 retirement trust.

15 (c) Notwithstanding any other provision of this article or
16 state law, the board shall administer the retirement system in
17 compliance with the limitations of Section 415 of the Internal
18 Revenue Code (as such limitations are adjusted for cost of
19 living in accordance with Section 415(d) of the Internal
20 Revenue Code) and Treasury Regulations thereunder to the
21 extent applicable to governmental plans (hereafter sometimes
22 referred to as the "415 limitation(s)" or "415 annual addition
23 limitation(s)") so that an annual addition made under this
24 system shall not exceed those limitations. Any annual
25 addition made under this system shall be reduced or limited
26 if necessary to an amount which does not exceed those
27 limitations. The extent to which an annual addition under
28 this retirement system shall be reduced, as compared to the
29 extent which an annual addition under any other defined
30 benefit plans or defined contribution plans required to be
31 taken into consideration under Section 415 of the Internal
32 Revenue Code shall be reduced, shall be proportional on a
33 percentage basis to the reductions made in such other plans
34 administered by the board and required to be so taken into
35 consideration under Section 415, unless a disproportionate

36 reduction is determined by the board to maximize the
37 aggregate benefits payable to the member. If the reduction is
38 under this retirement system, the board shall advise affected
39 members of any additional limitation on the annual addition
40 required by this section. The 415 limitations shall apply as
41 if the total annual additions under all defined contribution
42 plans in which a member has been a member were payable
43 from one plan for any member who has at any time been a
44 member in any other defined contribution plan maintained by
45 the member's participating employer. For purposes of the
46 415 limitations, the "limitation year" shall be the calendar
47 year.

48 (d) Solely for purposes of calculating and applying the
49 415 limitations, a member's compensation for a limitation
50 year is defined to be wages within the meaning of Section
51 3401(a) of the Internal Revenue Code (including amounts
52 that would be included in wages but for an election under
53 Section 125(a), 132(f)(4), 402(e)(3), 402(h)(1)(B), 402(k) or
54 457(b) of the Internal Revenue Code), plus all other
55 payments of compensation to a member by a participating
56 employer (in the course of the employer's trade or business)
57 for which the employer is required to furnish the employee a
58 written statement under Sections 6041(d), 6051(a)(3) and
59 6052 of the Internal Revenue Code, and determined without
60 regard to any rules that limit the remuneration included in
61 wages based upon the nature or location of employment or
62 services performed. In addition:

63 (1) For limitation years beginning on or after January 1,
64 2009, compensation for a limitation year shall also include:

65 (A) Compensation paid by the later of two and one-half
66 months after a member's severance from employment with
67 the employer or the end of the limitation year that includes
68 the date of the member's severance from employment with
69 the employer maintaining the plan, if the payment is regular
70 compensation for services during the member's regular

71 working hours, or compensation for services outside the
72 employee's regular working hours (such as overtime or shift
73 differential), commissions, bonuses, or other similar
74 payments and, absent a severance from employment, the
75 payments would have been paid to the member while the
76 member continued in employment with the employer;

77 (B) Back pay, within the meaning of Treasury Regulation
78 §1.415(c)-2(g)(8), for the limitation year to which the back
79 pay relates, but only to the extent the back pay represents
80 wages and compensation that would otherwise be included in
81 compensation under this definition; and

82 (C) For an employee in qualified military service (within
83 the meaning of Section 414(u)(5) of the Internal Revenue
84 Code), compensation such employee would have received
85 during such period if the employee were not in qualified
86 military service, to the extent required pursuant to Section
87 414(u)(7) of the Internal Revenue Code.

88 (2) For limitation years beginning on or after January 1,
89 2009, compensation for a limitation year may not exceed the
90 maximum compensation allowed as adjusted for cost of
91 living in accordance with section seven, article ten-d, chapter
92 five of this code and Section 401(a)(17) of the Internal
93 Revenue Code.

§18-7B-13b. Direct rollovers.

1 (a) Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise limit a distributee's election under this
5 system, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution that is equal to at least \$500 paid directly
8 to an eligible retirement plan specified by the distributee in

9 a direct rollover. For purposes of this section, the following
10 definitions apply:

11 (1) “Eligible rollover distribution” means any distribution
12 of all or any portion of the balance to the credit of the
13 distributee, except that an eligible rollover distribution does
14 not include any of the following: (i) Any distribution that is
15 one of a series of substantially equal periodic payments not
16 less frequently than annually made for the life or life
17 expectancy of the distributee or the joint lives or the joint life
18 expectancies of the distributee and the distributee’s
19 designated beneficiary, or for a specified period of ten years
20 or more; (ii) any distribution to the extent such distribution is
21 required under Section 401(a)(9) of the Internal Revenue
22 Code; (iii) the portion of any distribution that is not
23 includable in gross income determined without regard to the
24 exclusion for net unrealized appreciation with respect to
25 employer securities; (iv) any hardship distribution described
26 in Section 401(k)(2)(B)(i)(iv) of the Internal Revenue Code;
27 and (v) any other distribution or distributions reasonably
28 expected to total less than \$200 during a year. For
29 distributions after December 31, 2001, a portion of a
30 distribution shall not fail to be an eligible rollover
31 distribution merely because the portion consists of after-tax
32 employee contributions which are not includable in gross
33 income. However, this portion may be paid only to an
34 individual retirement account or annuity described in Section
35 408(a) or (b) of the Internal Revenue Code, or (for taxable
36 years beginning before January 1, 2007) to a qualified trust
37 which is part of a defined contribution plan described in
38 Section 401(a) or (for taxable years beginning after December
39 31, 2006) to a qualified trust or to an annuity contract
40 described in Section 403(a) or (b) of the Internal Revenue
41 Code that agrees to separately account for amounts
42 transferred (including interest or earnings thereon), including
43 separately accounting for the portion of the distribution
44 which is includable in gross income and the portion of the

45 distribution which is not so includable, or (for taxable years
46 beginning after December 31, 2007) to a Roth IRA described
47 in Section 408A of the Internal Revenue Code.

48 (2) “Eligible retirement plan” means an individual
49 retirement account described in Section 408(a) of the Internal
50 Revenue Code, an individual retirement annuity described in
51 Section 408(b) of the Internal Revenue Code, an annuity plan
52 described in Section 403(a) of the Internal Revenue Code or
53 a qualified plan described in Section 401(a) of the Internal
54 Revenue Code that accepts the distributee’s eligible rollover
55 distribution: *Provided*, That in the case of an eligible rollover
56 distribution prior to January 1, 2002, to the surviving spouse,
57 an eligible retirement plan is limited to an individual
58 retirement account or individual retirement annuity. For
59 distributions after December 31, 2001, an eligible retirement
60 plan shall also mean an annuity contract described in Section
61 403(b) of the Internal Revenue Code and an eligible plan
62 under Section 457(b) of the Internal Revenue Code which is
63 maintained by a state, political subdivision of a state or any
64 agency or instrumentality of a state or political subdivision of
65 a state and which agrees to separately account for amounts
66 transferred into the plan from this system. For distributions
67 after December 31, 2007, an eligible retirement plan also
68 means a Roth IRA described in Section 408A of the Internal
69 Revenue Code: *Provided, however*, That in the case of an
70 eligible rollover distribution after December 31, 2007, to a
71 designated beneficiary (other than a surviving spouse) as
72 such term is defined in Section 402(c)(11) of the Internal
73 Revenue Code, an eligible retirement plan is limited to an
74 individual retirement account or individual retirement annuity
75 which meets the conditions of Section 402(c)(11) of the
76 Internal Revenue Code.

77 (3) “Distributee” means an employee or former
78 employee. In addition, the employee’s or former employee’s
79 surviving spouse and the employee’s or former employee’s

80 spouse or former spouse who is the alternate payee under a
81 qualified domestic relations order, as defined in Section
82 414(p) of the Internal Revenue Code with respect to
83 governmental plans, are distributees with regard to the
84 interest of the spouse or former spouse. For distributions
85 after December 31, 2007, “distributee” also includes a
86 designated beneficiary (other than a surviving spouse) as
87 such term is defined in Section 402(c)(11) of the Internal
88 Revenue Code.

89 (4) “Direct rollover” means a payment by the system to
90 the eligible retirement plan.

91 (b) Nothing in this section may be construed as
92 permitting rollovers into this retirement system or any other
93 retirement system administered by the board.

CHAPTER 51. COURTS AND THEIR OFFICERS.

ARTICLE 9. RETIREMENT SYSTEM FOR JUDGES OF COURTS OF RECORD.

- §51-9-1a. Definitions.
- §51-9-12a. Federal law maximum benefit limitations.
- §51-9-12b. Federal minimum required distributions.
- §51-9-12c. Direct rollovers.

§51-9-1a. Definitions.

1 (a) As used in this article, the term “judge”, “judge of any
2 court of record” or “judge of any court of record of this state”
3 means, refers to and includes judges of the several circuit
4 courts and justices of the Supreme Court of Appeals. For
5 purposes of this article, the terms do not mean, refer to or
6 include family court judges.

7 (b) “Actuarially equivalent” or “of equal actuarial value”
8 means a benefit of equal value computed upon the basis of
9 the mortality table and interest rates as set and adopted by the

10 retirement board in accordance with the provisions of this
11 article: *Provided*, That when used in the context of
12 compliance with the federal maximum benefit requirements
13 of Section 415 of the Internal Revenue Code, “actuarially
14 equivalent” shall be computed using the mortality tables and
15 interest rates required to comply with those requirements.

16 (c) “Beneficiary” means any person, except a member,
17 who is entitled to an annuity or other benefit payable by the
18 retirement system.

19 (d) “Board” means the Consolidated Public Retirement
20 Board created pursuant to article ten-d, chapter five of this
21 code.

22 (e) “Final average salary” means the average of the
23 highest thirty-six consecutive months’ compensation received
24 by the member as a judge of any court of record of this state.

25 (f) “Internal Revenue Code” means the Internal Revenue

30 following June 30.

31 (i) “Required beginning date” means April 1 of the
32 calendar year following the later of: (i) The calendar year in
33 which the member attains age seventy and one-half; or (ii)
34 the calendar year in which the member retires or otherwise
35 separates from covered employment.

36 (j) “Retirement system” or “system” means the Judges’
37 Retirement System created and established by this article.
38 Notwithstanding any other provision of law to the contrary,

39 the provisions of this article are applicable only to circuit
40 judges and justices of the Supreme Court of Appeals in the
41 manner specified in this article. No service as a family court
42 judge may be construed to qualify a person to participate in
43 the Judges' Retirement System or used in any manner as
44 credit toward eligibility for retirement benefits under the
45 Judges' Retirement System.

§51-9-12a. Federal law maximum benefit limitations.

1 Notwithstanding any other provision of this article or
2 state law, the board shall administer the retirement system in
3 compliance with the limitations of Section 415 of the Internal
4 Revenue Code and regulations under that section, to the
5 extent applicable to governmental plans (hereafter sometimes
6 referred to as the "415 limitation(s)" or "415 dollar
7 limitation(s)"), so that the annual benefit payable under this
8 system to a member shall not exceed those limitations. Any
9 annual benefit payable under this system shall be reduced or
10 limited if necessary to an amount which does not exceed
11 those limitations. The extent to which any annuity or other
12 annual benefit payable under this retirement system shall be
13 reduced as compared with the extent to which an annuity,
14 contributions or other benefits under any other defined
15 benefit plans or defined contribution plans required to be
16 taken into consideration under Section 415 of the Internal
17 Revenue Code shall be reduced, shall be proportional on a
18 percentage basis to the reductions made in such other plans
19 administered by the board and required to be so taken into
20 consideration under Section 415, unless a disproportionate
21 reduction is determined by the board to maximize the
22 aggregate benefits payable to the member. If the reduction is
23 under this retirement system, the board shall advise affected
24 members of any additional limitation on the annuities or
25 other annual benefit required by this section. For purposes of
26 the 415 limitations, the "limitation year" shall be the calendar
27 year. The 415 limitations are incorporated herein by

28 reference, except to the extent the following provisions may
29 modify the default provisions thereunder:

30 (a) The annual adjustment to the 415 dollar limitations
31 made by Section 415(d) of the Internal Revenue Code and the
32 regulations thereunder shall apply for each limitation year.
33 The annual adjustments to the dollar limitations under
34 Section 415(d) of the Internal Revenue Code which become
35 effective: (i) After a retirant's severance from employment
36 with the employer; or (ii) after the annuity starting date in the
37 case of a retirant who has already commenced receiving
38 benefits, will apply with respect to a retirant's annual benefit
39 in any limitation year. A retirant's annual benefit payable in
40 any limitation year from this retirement system shall in no
41 event be greater than the limit applicable at the annuity
42 starting date, as increased in subsequent years pursuant to
43 Section 415(d) of the Internal Revenue Code and the
44 regulations thereunder.

45 (b) For purposes of this section, the "annual benefit"
46 means a benefit that is payable annually in the form of a
47 straight life annuity. Except as provided below, where a
48 benefit is payable in a form other than a straight life annuity,
49 the benefit shall be adjusted to an actuarially equivalent
50 straight life annuity that begins at the same time as such other
51 form of benefit, using factors prescribed in the 415 limitation
52 regulations, before applying the 415 limitations. No actuarial
53 adjustment to the benefit shall be made for: (1) Survivor
54 benefits payable to a surviving spouse under a qualified joint
55 and survivor annuity to the extent such benefits would not be
56 payable if the member's benefit were paid in another form;
57 (2) benefits that are not directly related to retirement benefits
58 (such as a qualified disability benefit, preretirement
59 incidental death benefits and post-retirement medical
60 benefits); or (3) the inclusion in the form of benefit of an
61 automatic benefit increase feature, provided the form of
62 benefit is not subject to Section 417(e)(3) of the Internal
63 Revenue Code and would otherwise satisfy the limitations of

64 this article, and the plan provides that the amount payable
65 under the form of benefit in any limitation year shall not
66 exceed the limits of this article applicable at the annuity
67 starting date, as increased in subsequent years pursuant to
68 Section 415(d) of the Internal Revenue Code. For this
69 purpose an automatic benefit increase feature is included in
70 a form of benefit if the form of benefit provides for
71 automatic, periodic increases to the benefits paid in that form.

72 (c) *Adjustment for benefit forms not subject to Section*
73 *417(e)(3).* -- The straight life annuity that is actuarially
74 equivalent to the member's form of benefit shall be
75 determined under this subsection if the form of the member's
76 benefit is either: (1) A nondecreasing annuity (other than a
77 straight life annuity) payable for a period of not less than the
78 life of the member (or, in the case of a qualified preretirement
79 survivor annuity, the life of the surviving spouse); or (2) an
80 annuity that decreases during the life of the member merely
81 because of: (i) The death of the survivor annuitant (but only
82 if the reduction is not below fifty percent of the benefit
83 payable before the death of the survivor annuitant); or (ii) the
84 cessation or reduction of Social Security supplements or
85 qualified disability payments (as defined in Section 411(a)(9)
86 of the Internal Revenue Code). The actuarially equivalent
87 straight life annuity is equal to the greater of: (I) The annual
88 amount of the straight life annuity (if any) payable to the
89 member under the plan commencing at the same annuity
90 starting date as the member's form of benefit; and (II) the
91 annual amount of the straight life annuity commencing at the
92 same annuity starting date that has the same actuarial present
93 value as the member's form of benefit, computed using a five
94 percent interest rate assumption and the applicable mortality
95 table defined in Treasury Regulation §1.417(e)-1(d)(2)
96 (Revenue Ruling 2001-62 or any subsequent Revenue Ruling
97 modifying the applicable provisions of Revenue Ruling
98 2001-62) for that annuity starting date.

99 (d) *Adjustment for benefit forms subject to Section*
100 *417(e)(3).* -- The straight life annuity that is actuarially
101 equivalent to the member's form of benefit shall be
102 determined under this subsection if the form of the member's
103 benefit is other than a benefit form described in subdivision
104 (c) of this section. The actuarially equivalent straight life
105 annuity shall be determined as follows: The actuarially
106 equivalent straight life annuity is equal to the greatest of: (1)
107 The annual amount of the straight life annuity commencing
108 at the same annuity starting date that has the same actuarial
109 present value as the member's form of benefit, computed
110 using the interest rate specified in this retirement system and
111 the mortality table (or other tabular factor) specified in this
112 retirement system for adjusting benefits in the same form; (2)
113 the annual amount of the straight life annuity commencing at
114 the same annuity starting date that has the same actuarial
115 present value as the member's form of benefit, computed
116 using a five and a half percent interest rate assumption and
117 the applicable mortality table defined in Treasury Regulation
118 §1.417(e)-1(d)(2) (Revenue Ruling 2001-62 or any
119 subsequent Revenue Ruling modifying the applicable
120 provisions of Revenue Ruling 2001-62) for that annuity
121 starting date; and (3) the annual amount of the straight life
122 annuity commencing at the same annuity starting date that
123 has the same actuarial present value as the member's form of
124 benefit, computed using the applicable interest rate defined
125 in Treasury Regulation §1.417(e)-1(d)(3) and the applicable
126 mortality table defined in Treasury Regulation §1.417(e)-
127 1(d)(2) (the mortality table specified in Revenue Ruling
128 2001-62 or any subsequent Revenue Ruling modifying the
129 applicable provisions of Revenue Ruling 2001-62), divided
130 by 1.05.

131 (e) *Benefits payable prior to age sixty-two.* --

132 (1) Except as provided in paragraphs (2) and (3) of this
133 subdivision, if the member's retirement benefits become
134 payable before age sixty-two, the 415 dollar limitation

135 prescribed by this section shall be reduced in accordance with
136 regulations issued by the Secretary of the Treasury pursuant
137 to the provisions of Section 415(b) of the Internal Revenue
138 Code, so that the limitation (as so reduced) equals an annual
139 straight life benefit (when the retirement income benefit
140 begins) which is equivalent to an annual benefit in the
141 amount of the applicable dollar limitation of Section
142 415(b)(1)(A) of the Internal Revenue Code (as adjusted
143 pursuant to Section 415(d) of the Internal Revenue Code)
144 beginning at age sixty-two.

145 (2) The limitation reduction provided in paragraph (1) of
146 this subdivision shall not apply if the member commencing
147 retirement benefits before age sixty-two is a qualified
148 participant. A qualified participant for this purpose is a
149 participant in a defined benefit plan maintained by a state, or
150 any political subdivision of a state, with respect to whom the
151 service taken into account in determining the amount of the
152 benefit under the defined benefit plan includes at least fifteen
153 years of service: (i) As a full-time employee of any police or
154 fire department organized and operated by the state or
155 political subdivision maintaining the defined benefit plan to
156 provide police protection, fire-fighting services or emergency
157 medical services for any area within the jurisdiction of such
158 state or political subdivision; or (ii) as a member of the armed
159 forces of the United States.

160 (3) The limitation reduction provided in paragraph (1) of
161 this subdivision shall not be applicable to preretirement
162 disability benefits or preretirement death benefits.

163 (4) For purposes of adjusting the 415 dollar limitation for
164 benefit commencement before age sixty-two or after age
165 sixty-five (if the plan provides for such adjustment), no
166 adjustment is made to reflect the probability of a member's
167 death: (i) After the annuity starting date and before age sixty-
168 two; or (ii) after age sixty-five and before the annuity starting
169 date.

170 (f) *Adjustment when member has less than ten years of*
171 *participation.* -- In the case of a member who has less than
172 ten years of participation in the retirement system (within the
173 meaning of Treasury Regulation §1.415(b)-1(g)(1)(ii)), the
174 415 dollar limitation (as adjusted pursuant to Section 415(d)
175 of the Internal Revenue Code and subdivision (e) of this
176 section) shall be reduced by multiplying the otherwise
177 applicable limitation by a fraction, the numerator of which is
178 the number of years of participation in the plan (or one, if
179 greater), and the denominator of which is ten. This
180 adjustment shall not be applicable to preretirement disability
181 benefits or preretirement death benefits.

182 (g) The application of the provisions of this section shall
183 not cause the maximum annual benefit provided to a member
184 to be less than the member's accrued benefit as of December
185 31, 2008 (the end of the limitation year that is immediately
186 prior to the effective date of the final regulations for this
187 retirement system as defined in Treasury Regulation
188 §1.415(a)-1(g)(2)), under provisions of the retirement system
189 that were both adopted and in effect before April 5, 2007,
190 provided that such provisions satisfied the applicable
191 requirements of statutory provisions, regulations, and other
192 published guidance relating to Section 415 of the Internal
193 Revenue Code in effect as of December 31, 2008, as
194 described in Treasury Regulation §1.415(a)-1(g)(4). If
195 additional benefits are accrued for a member under this
196 retirement system after January 1, 2009, then the sum of the
197 benefits described under the first sentence of this subdivision
198 and benefits accrued for a member after January 1, 2009,
199 must satisfy the requirements of Section 415, taking into
200 account all applicable requirements of the final 415 Treasury
201 Regulations.

§51-9-12b. Federal minimum required distributions.

1 The requirements of this section apply to any distribution
2 of a member's or beneficiaries' interest and take precedence

3 over any inconsistent provisions of this retirement system.
4 This section applies to plan years beginning after December
5 31, 1986. Notwithstanding anything in the retirement system
6 to the contrary, the payment of benefits under this article
7 shall be determined and made in accordance with Section
8 401(a)(9) of the Internal Revenue Code and the regulations
9 thereunder. For this purpose, the following provisions apply:

10 (a) The payment of benefits under the retirement system
11 to any member shall be distributed to him or her not later
12 than the required beginning date, or be distributed to him or
13 her commencing not later than the required beginning date,
14 in accordance with Treasury Regulations prescribed under
15 Section 401(a)(9) of the Internal Revenue Code, over the life
16 of the member or over the lives of the member and his or her
17 beneficiary or over a period not extending beyond the life
18 expectancy of the member and his or her beneficiary. Benefit
19 payments under this section shall not be delayed pending, or
20 contingent upon, receipt of an application for retirement from
21 the member.

22 (b) If a member dies after distribution to him or her has
23 commenced pursuant to this section but before his or her
24 entire interest in the retirement system has been distributed,
25 then the remaining portion of that interest shall be distributed
26 at least as rapidly as under the method of distribution being
27 used at the date of his or her death.

28 (c) If a member dies before distribution to him or her has
29 commenced, then his or her entire interest in the retirement
30 system shall be distributed by December 31 of the calendar
31 year containing the fifth anniversary of the member's death,
32 except as follows:

33 (1) If a member's interest is payable to a beneficiary,
34 distributions may be made over the life of that beneficiary or
35 over a period certain not greater than the life expectancy of
36 the beneficiary commencing on or before December 31 of the

37 calendar year immediately following the calendar year in
38 which the member died; or

39 (2) If the member's beneficiary is the surviving spouse,
40 the date distributions are required to begin shall be no later
41 than the later of:

42 (A) December 31 of the calendar year in which the
43 member would have attained age seventy and one-half; or

44 (B) The earlier of: (i) December 31 of the calendar year
45 following the calendar year in which the member died; or (ii)
46 December 31 of the calendar year following the calendar year
47 in which the spouse died.

§51-9-12c. Direct rollovers.

1 (a) Except where otherwise stated, this section applies to
2 distributions made on or after January 1, 1993.
3 Notwithstanding any provision of this article to the contrary
4 that would otherwise limit a distributee's election under this
5 system, a distributee may elect, at the time and in the manner
6 prescribed by the board, to have any portion of an eligible
7 rollover distribution that is equal to at least \$500 paid directly
8 to an eligible retirement plan specified by the distributee in
9 a direct rollover. For purposes of this section, the following
10 definitions apply:

11 (1) "Eligible rollover distribution" means any distribution
12 of all or any portion of the balance to the credit of the
13 distributee, except that an eligible rollover distribution does
14 not include any of the following: (i) Any distribution that is
15 one of a series of substantially equal periodic payments not
16 less frequently than annually made for the life or life
17 expectancy of the distributee or the joint lives or the joint life
18 expectancies of the distributee and the distributee's
19 designated beneficiary, or for a specified period of ten years
20 or more; (ii) any distribution to the extent such distribution is

21 required under Section 401(a)(9) of the Internal Revenue
22 Code; (iii) the portion of any distribution that is not
23 includable in gross income determined without regard to the
24 exclusion for net unrealized appreciation with respect to
25 employer securities; (iv) any hardship distribution described
26 in Section 401(k)(2)(B)(i)(iv) of the Internal Revenue Code;
27 and (v) any other distribution or distributions expected to
28 total less than \$200 during a year. For distributions after
29 December 31, 2001, a portion of a distribution shall not fail
30 to be an eligible rollover distribution merely because the
31 portion consists of after-tax employee contributions which
32 are not includable in gross income. However, this portion
33 may be paid only to an individual retirement account or
34 annuity described in Section 408(a) or (b) of the Internal
35 Revenue Code, or (for taxable years beginning before
36 January 1, 2007) to a qualified trust which is part of a defined
37 contribution plan described in Section 401(a) or (for taxable
38 years beginning after December 31, 2006) to a qualified trust
39 or to an annuity contract described in Section 403(a) or (b) of
40 the Internal Revenue Code that agrees to separately account
41 for amounts transferred (including interest or earnings
42 thereon), including separately accounting for the portion of
43 the distribution which is includable in gross income and the
44 portion of the distribution which is not so includable, or (for
45 taxable years beginning after December 31, 2007) to a Roth
46 IRA described in Section 408A of the Internal Revenue
47 Code.

48 (2) "Eligible retirement plan" means an individual
49 retirement account described in Section 408(a) of the Internal
50 Revenue Code, an individual retirement annuity described in
51 Section 408(b) of the Internal Revenue Code, an annuity plan
52 described in Section 403(a) of the Internal Revenue Code, or
53 a qualified plan described in Section 401(a) of the Internal
54 Revenue Code, that accepts the distributee's eligible rollover
55 distribution: *Provided*, That in the case of an eligible rollover
56 distribution prior to January 1, 2002, to the surviving spouse,
57 an eligible retirement plan is limited to an individual

58 retirement account or individual retirement annuity. For
59 distributions after December 31, 2001, an eligible retirement
60 plan also means an annuity contract described in Section
61 403(b) of the Internal Revenue Code and an eligible plan
62 under Section 457(b) of the Internal Revenue Code which is
63 maintained by a state, political subdivision of a state, or any
64 agency or instrumentality of a state or political subdivision of
65 a state and which agrees to separately account for amounts
66 transferred into the plan from this system. For distributions
67 after December 31, 2007, an eligible retirement plan also
68 means a Roth IRA described in Section 408A of the Internal
69 Revenue Code: *Provided, however,* That in the case of an
70 eligible rollover distribution after December 31, 2007, to a
71 designated beneficiary (other than a surviving spouse) as
72 such term is defined in Section 402(c)(11) of the Internal
73 Revenue Code, an eligible retirement plan is limited to an
74 individual retirement account or individual retirement annuity
75 which meets the conditions of Section 402(c)(11) of the
76 Internal Revenue Code.

77 (3) “Distributee” means a judge or former judge. In
78 addition, the judge’s or former judge’s surviving spouse and
79 the judge’s or former judge’s spouse or former spouse who
80 is the alternate payee under a qualified domestic relations
81 order, as defined in Section 414(p) of the Internal Revenue
82 Code, with respect to governmental plans, are distributees
83 with regard to the interest of the spouse or former spouse.
84 For distributions after December 31, 2007, “distributee” also
85 includes a designated beneficiary (other than a surviving
86 spouse) as such term is defined in Section 402(c)(11) of the
87 Internal Revenue Code.

88 (4) “Direct rollover” means a payment by the system to
89 the eligible retirement plan.

90 (b) Nothing in this section may be construed as
91 permitting rollovers into this system or any other system
92 administered by the board.
