Members of the Committee:

In reviewing the proposals for redistricting, House Congressional Plan #8 illustrates my support for an east/west division for the House of Representatives.

In regards to the State Senate redistricting, since I am a resident of Hardy County I would support proposals that that would group the Potomac Highlands counties into one district. I think that proposal Syplolt #1 would accomplish that. With that in mind, I also like Trump #2 and Trump #3.

The House of Delegates maps looks good. I appreciate the fact that we now have all single-member districts in West Virginia.

Regzrds,
