INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Jackson County Commission on Aging, Inc.
Ripley, West Virginia

We have audited the accompanying statements of financial position of Jackson County Commission on Aging, Inc. (a nonprofit organization) as of September 30, 2011, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jackson County Commission on Aging, Inc. as of September 30, 2011, and the changes in its net assets and its cash flows for the year then ended, in conformity with auditing standards generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 11, 2012, on our consideration of Jackson County Commission on Aging, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Assets, liabilities, revenues and expenses are recognized on the accrual basis of accounting. Under the accrual basis of accounting, revenue is recognized when earned and expenses are recognized as they are incurred.

Property and Depreciation

It is the Organization's policy to capitalize property and equipment with cost criteria greater than \$2,500. All items below this threshold are expensed when purchased. Property and equipment are depreciated using the straight line method. The estimated useful lives of the related assets are as follows:

Building	39 years
Equipment	5 - 10 years
Vehicles	5 years

Maintenance and Repairs

Minor renewals and replacements are charged against income-major renewals and replacements are charged to appropriate asset accounts.

Income Tax

Jackson County Commission on Aging, Inc. is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. However, certain activities are considered unrelated to the Organization's exempt purpose and the Organization reports those activities as unrelated business income. As such, the Organization, if necessary, will record a provision for federal income taxes.

The Organization's Forms 990, Return of Organization Exempt from Income Tax, are generally subject to examination by the Internal Revenue Service for three years after they are filed.

Estimates

In preparing financial statements management must make estimates based on future events that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activity. Accordingly, all costs have been allocated among the programs. No Schedule of Functional Expenses is provided because substantially all cost is considered to be part of program cost.

Accrued Vacation

In accordance with the Organization's personnel policies, employees earn vacation time throughout the year. Vacation time earned but not taken at the time of an employee's termination will be paid to the employee. Therefore, all unpaid vacation expense as of the end of each fiscal year is accrued under the rules of a vested plan.

Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. At September 30, 2011 the Organization had unrestricted and temporarily restricted net assets and did not have any permanently restricted net assets.

Temporarily Restricted Net Assets

The Organization reports grants and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Inventory

In accordance with grant award budgets approved by funding sources, inventory is recorded at cost as an asset in the period during which it is purchased.

Donated Services, Space and Other

Donated hourly services are valued at the federal established minimum wage or the fair value of skilled services. Donated space is valued at the estimated fair rental value. Donated other is valued at the estimated fair market value at the date of receipt. The Organization does not record donated services, space and other in excess of the amount required to meet grant matching agreements.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Jackson County Commission on Aging, Inc.
Ripley, West Virginia

We have audited the financial statements of Jackson County Commission on Aging, Inc. (a nonprofit organization) as of and for the year ended September 30, 2011, and have issued our report thereon dated June 11, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Jackson County Commission on Aging, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Jackson County Commission on Aging, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

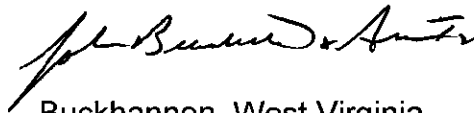

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designated to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Jackson County Commission on Aging, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of Jackson County Commission on Aging, Inc. in a separate letter dated June 11, 2012.

This report is intended solely for the information and use of the audit committee, management, others within the organization and federal awarding agencies and pass-thru entities and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Board of Directors
and Senior Management
Jackson County Commission on Aging, Inc.
Ripley, West Virginia

In planning and performing our audit of the financial statements of Jackson County Commission on Aging, Inc. for the year ended September 30, 2011, in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

However, during our audit we became aware of some matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. A separate letter dated June 11, 2012 contains our communication of significant deficiencies or material weaknesses in the Organization's internal control. This letter does not affect our report dated June 11, 2012, on the financial statements of Jackson County Commission on Aging, Inc.

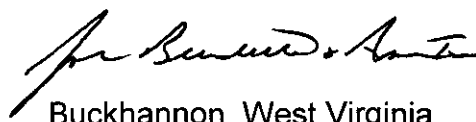

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various Organization personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Organizational Structure

The size of the Organization's accounting and administrative staff precludes certain internal controls that would be preferred if the office staff were large enough to provide optimum segregation of duties. This situation dictates that the Board of Directors remain involved in the financial affairs of the Organization to provide oversight and independent review functions.

We wish to thank the Executive Director and her staff for their support and assistance during our audit.

This report is intended solely for the information and use of management, Board of Directors, and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.
