### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jefferson County Council on Aging, Inc., as of September 30 2016, the results of its operations, the changes in its net assets, the statement of functional expenses, schedule of revenue and support and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying detailed statements of financial position and statement of activities are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Jefferson County Council on Aging's internal control over financial reporting and compliance.

Jefferson County, West Virginia

Notes to the Consolidated Financial Statements  
For the Year Ended September 30, 2016

## Note 1 – Summary of Significant Accounting Policies

### A. Description of the Entity

The Jefferson County Council on Aging (the Organization), is a nonprofit organization whose purpose is to improve the quality of life for senior citizens in Jefferson County, West Virginia. The Organization studies and documents the needs of seniors citizens, to encourage, promote and aid in the establishment of programs for senior citizens, to conduct programs of public education in the problems of aging, to utilize opportunities to establish demonstration programs, and to implement state and local programs for the aging that no other agency is implementing.

The Organization also operates the Jefferson Center in Jefferson County, West Virginia, which was organized to provide services (including Day-Habilitation, Pre-Vocation and Supported Employment) to clients with Mental Retardation and/or Developmental Disabilities, in a non-residential setting. Operations commenced on or before January 2010.

This summary of significant accounting policies of Jefferson County on Aging is presented to assist in understanding the Organization's financial statements. The financial statements and notes are the representation of management, who is responsible for their integrity and objectivity.

### B. Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The financial statements of Jefferson County Council on Aging have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

### C. Financial Statement Presentation

The financial statements presented for the year ended September 30, 2015 reflect the provisions of ASC 958, NPO Entities (formerly FASB Statement No 116, *Accounting for Contributions Received and Contributions Made*, and No. 117, *Financial Statements of Non-Profit Organizations*). ASC 958, establishes accounting standards for the treatment of contributions and pledges and requires uniform financial statement classification by not-for-profit organizations of donor imposed restrictions into permanently restricted, temporarily restricted or unrestricted net assets.

D Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities.

Expenses are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

E Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reporting of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.

Actual results could differ from those estimates.

F Property, Plant and Equipment

Property, plant and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The Organization has adopted a \$1,000 capitalization policy whereby all property, plant and equipment over \$1,000 is depreciated using the straight line method over its estimated useful life. In addition, all property, plant and equipment purchased with grant monies must be used and disposed of in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

G Income Taxes

The Organization is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue Code and, therefore, has no provision for Federal income taxes. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualified for the charitable contribution deduction under Section 170 (b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(1).

The Financial Accounting Standards Board (FASB) has issued ASC 740-10, *Income Taxes* (formerly FIN 48, *Accounting for Uncertainty in Income Taxes*), which requires entities to disclose known or anticipated positions of income tax uncertainty. The Organization is not aware of any uncertain income tax positions as of January 13, 2017. The Organization could be subject to examination by the Internal Revenue Service or other applicable tax jurisdictions.

H Revenues

Revenues are recognized in the accompanying financial statements as follows:

1. Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which that support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

2. Federal Grants

Grant monies are received on a reimbursement basis; this is utilized from Title III-B, Title III-D, Title III-E, Title III-F, and Title VII grants. Upon completion of a grant year, any unexpected money has to be approved for carryover to the next grant year, but if approval is denied, the money must be returned to the grantor.

Title III-C monies are received on a meal reimbursement basis but not to exceed the total grant award. Upon completion of the grant year, any expended monies are restricted for future Title III-C program operating expenses.

The funds from various funding sources under reimbursement contracts are recognized as revenue in the accounting period in which the grant is earned.

3. Interest Income

Interest income is recognized in the accounting period when it is earned. The Organization maintains funds received from various sources in interest bearing certificates of deposits and savings accounts.

4. Donations

Donations are recognized as unrestricted, restricted or temporarily restricted according to their designation in the period in which they are received.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Jefferson County Council on Aging, Inc.  
Ranson, West Virginia

We have audited, in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Jefferson County Council on Aging, Inc. (a nonprofit organization), which comprise of the statement of financial position, as of September 30, 2016, and the related statements of activities, statement of functional expenses, statement of revenue and support, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 13, 2017.

### ***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the Jefferson County Council on Aging, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Jefferson County Council on Aging, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal controls exists when the design or operation does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of internal control deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected in a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify and deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of reasonably assuring whether Jefferson County Council on Aging, Inc's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
