Rene' Donley's response does not support the diagnosis of vertigo and claims the examination requested from VA Administration in Huntington, WV was for Meniere's Syndrome. The examination was a Compensation and Pension Evaluation – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.

She had forged license documents and ASHA certification cards since January 4, 2002 when her provisional license expired. She did not apply or receive a professional license to practice Speech-Language Pathology in the State of WV.

Disciplinary Action: Since Ms. Bosley was practicing without a valid license, the WV Board does not have jurisdiction. A Cease and Desist letter was sent to Ms. Bosley on June 25, 2010 and all documents relating to the case were turned over to the WV State Police for investigation.
