The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.

She had forged license documents and ASHA certification cards since January 4, 2002 when her provisional license expired. She did not apply or receive a professional license to practice Speech-Language Pathology in the State of WV.

Disciplinary Action: Since Ms. Bosley was practicing without a valid license, the WV Board does not have jurisdiction. A Cease and Desist letter was sent to Ms. Bosley on June 25, 2010 and all documents relating to the case were turned over to the WV State Police for investigation.

U.S. Attorney's Office prosecuted. Plea agreement reached – sentenced on April 27, 2012. 5 Years Probation - \$240,000 in restitution to Genesis Rehabilitation Corp. @ \$50 per month.

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

Case #36 – Reported to NPDB 03/22/2012

Complainant: WV Board of Speech and Audiology

Nature of Complaint: Unlicensed Provisional (CFY) practice

The Board found Ms. McCullough to be in violation of WV Code and WV Code Rules by practicing without a Provisional SLP License from January 17, 2011 through January 6, 2012. Ms. McCullough is in violation of WV Code §§30-32-17 (b)(4), (b)(9) and (b)(13), and WV Code Rule §§29-5-2.6.a.1 and 2.7.b.2

Some leniency was given to Ms. McCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.
- Ms. McCullough completed her Clinical Fellowship Year and received her CCC from ASHA. Because she received her CCC, per our Law and Rules her professional license was granted on January 9, 2012.

Disciplinary Action: February 29, 2012 – Consent Decree Signed

3. Letter of reprimand for the licensee's file.
4. Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

The licensee declined and requested a hearing. The case was heard before an Administrative Law Judge on December 9, 2014 at the Board office. The decision, dated April 10, 2015, sustained the Board's findings and denied any objections or defenses by the Respondent (licensee).

Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

Complainant: Ms. Delores Czap

Name: Deborah Albaugh, A-0271

The response was received from the Audiologist on May 3, 2017 and provided:

- Signed repair authorizations by Ms. Czap for each repair in question
- Ms. Czap made regular payments for each repair she authorized
- Copies of the most recent insurance/Medicare cards provided by the Ms. Czap when she checked in on the visits. No Medicaid card was provided.

The Board voted to dismiss the complaint on May 3, 2017 for lack of just cause. A letter was sent to Ms. Czap re: the dismissal of the complaint. Ms. Czap called after receiving the letter and could not understand why because her hearing aids were under warranty at the time of the repairs. The Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

- Hearing aids were purchased May. 2011 with the Peace of Mind warranty. The standard warranty is two (2) years. The Peace of Mind warranty adds one additional year for a total of three (3) years.
- The Peace of Mind was in effect until June 13, 2014.
- The hearing aids were sent for repair in December, 2015 (out of warranty) and August, 2016 (out of warranty)

A letter with the above information was sent to Ms. Czap on July 24, 2017 The original dismissal of the case remains May 3, 2017.

West Virginia Board of Examiners for Speech-Language Pathology and Audiology

August 27, 2014

Board Meeting

Time: 5:30 PM
Location: Conference Call Meeting
Board Office
99 Edmiston Way – Suite 214
Buckhannon, WV 26201

Present: Board President, Michael Zagarella
Board Member, Vernon Mullins
Board Member, Joe E. Richards
Board Member, Erin Ball
Board Secretary, Vickie Pullins (called in after Complaint #40 discussion)
Greg Foster, Asst. Attorney General – Board Counsel
Administrative Services Mgr., Patricia Nesbitt

The meeting was called to order at 5:30 PM by the Board President, Michael Zagarella.

The minutes of the May 15, 2014 Board Meeting were read. Joe Richards made a motion the minutes be accepted and approved. Erin Ball seconded the motion. Motion carried.

The financial report for July 31, 2014 was submitted for review. (copy attached). The cash balance as of July 31, 2014 is \$163,852.93. Mike Zagarella made a motion the financial report be accepted as presented. Erin Ball seconded the motion. Motion carried.

OLD BUSINESS

Complaint #40 was discussed. The Board was notified in writing by the licensee's legal counsel; the settlement agreement offered by the Board would not be accepted. A hearing was also requested. Greg Foster, Board Counsel, had previously advised the Board, the licensee would accept a settlement only if the six (6) month probation and letter of reprimand were taken off the table. All Board Members agreed the Board's settlement agreement was more than fair and the complaint would proceed to a hearing.

Based on Greg Foster's recommendation, the Board agreed to contract an Administrative Law Judge to hear the case.

Joe Richards made a motion to notify the licensee and her counsel in writing, the Board's decision to reject her proposed disciplinary actions for a settlement agreement and the complaint will be heard by an Administrative Law Judge. Vern Mullins seconded the motion. Motion carried.

NEW BUSINESS

Complaint #41 was discussed out of order from the agenda so Greg Foster could participate and offer advice. After a short discussion, it was determined additional information is required, i.e., patient daily notes, for the Board to decide if there is probable cause to pursue.

Patty Nesbitt will call for the “daily note” information. Patty Nesbitt will also try to locate the Gentiva employee who signed the complaint but is no longer employed by Gentiva.

The complaint was tabled for the collection of additional information.

OLD BUSINESS

Patty Nesbitt discussed the PERD Sunrise Review report presented to the Joint Committee on Government Organization in Bridgeport earlier today, 08/27/2014. The report recommends licensure not be a requirement for SLPs and AUDs working in the public school system and also recommends the legislature “add back” the exemption in the law for the same.

It was also reported that the SLPAs currently attending the distance learning program with the University of Cincinnati did not have the required supervision because (1) they are supervised through the University’s clinical practicum and (2) they work under a WV Dept. of Education waiver as Speech-Language Pathologists while completing their Master’s Degree. The University of Cincinnati took their lead re: supervision from Marshall University and WVU because their clinical practicum supervisors are not required to hold state license. Vickie Pullins will follow up to confirm that information.

Patty Nesbitt reported the Jurisprudence Exam seems to be working fine. At this point, only a small number of active licensees have taken the quiz.

Patty Nesbitt reported, as recommended by the Legislative Review, the following has been added to the Board’s licensee database:

- Jurisprudence Exam – yes or no
- License Denied – yes & space for reason for denial
- ASHA CCC – yes or no
- Reciprocity – yes or no
- Education Level – Associates, Bachelors, Masters or Doctorate
- College/University – Space for Name

An Audiology Assistant worked without a renewed registration from January 1, 2014 – June 20, 2014. She is no longer associated with the Audiologist. Mike Zagarella will write a letter to the Audiologist explaining the registration and renewal process for future reference.

An inquiry was received from Pamela Holland at Marshall University regarding the number of required Audiology hours for a Speech-Language Pathology as written in the Board’s legislative rules. Currently, the legislative rules required 30 hours in two areas. Marshall requires 20 Audiology hours for Speech-Language Pathology. The discussion was tabled until the Board Members have an opportunity to research the discrepancy and a solution.

The members discussed the sponsorship for the National Conference. Vickie made a motion to send a \$1500 sponsorship to the National Assn. for the Salt Lake City Conference in October. Vern seconded the motion. Motion carried.

The Board discussed the nominees for the National Assn. Board of Director vacancies. The board will cast a vote for Mike Zagarella and Glen Haguespack, Louisiana.

Vickie Pullins made a motion to adjourn. Vern Mullins seconded the motion. Meeting adjourned at 7:07 PM

Respectfully submitted,

Patricia J. Nesbitt

Board Meeting

Time: 1:00 PM
Location: Board Office
99 Edmiston Way – 2nd Floor Conference Room
Buckhannon, WV 26201

Present: Board President, Michael Zagarella
Board Secretary, Vickie Pullins
Board Member, Vernon Mullins
Board Member, Erin Ball
Mr. Greg Foster, Attorney – WV Attorney General's Office
Ashley Hall, Regional Manager, Gentiva Home Health – via telephone call
Administrative Services Mgr., Patricia Nesbitt

The meeting was called to order at 1:24 PM by the Board President, Michael Zagarella.

Complaint #41 (Old Business) was discussed out of order because of a pre-arranged telephone call with Ashley Hall, Gentiva Home Health, complainant.

A telephone call was placed to Ashley Hall, Gentiva Home Health, for the purpose of gathering information regarding Complaint #41. Gentiva Home Health filed a complaint against a Speech-Language Pathologist claiming she falsified Daily Notes for therapy services not provided and then deleted at least one patient Daily Note when questioned re: whether the therapy was provided.

The complaint was discussed after the telephone call with Ashley Hall ended. It was decided additional information would be required to move forward with the complaint. Erin Ball agreed to call Ashley Hall for the patient and/or caregivers' telephone numbers so they can be contacted for additional information.

The minutes of the August 27, 2014 Board Meeting were read. Vickie Pullins made a motion the minutes be accepted and approved. Erin Ball seconded the motion. Motion carried.

The financial report for November 30, 2014 was submitted for review. (copies attached). The cash balance as of November 30, 2014 is \$181,315.67. Receiving reports for July – November PCard payments were submitted for approval. The Board unanimously approved the financial report and PCard receiving reports.

OLD BUSINESS

The provisional license application submitted by an India Master's Program graduate was discussed. The Board agreed additional information is required before a decision can be made. The applicant must:

- Submit a foreign credentials evaluation from a credentialing agency approved by ASHA. The evaluation submitted with the application will not be accepted.
- Show proof of a WV address
- Submit the name of her clinical fellowship supervisor

Once all has been submitted, the Board will ask that she meet with the Board before a decision is made.

The Board discussed the request from Joseph Garcia for license reinstatement. Mr. Garcia (complaint #37) was in violation of one requirement of the Consent Decree effective May 7, 2012. After a discussion, the Board agreed Mr. Garcia's license would be reinstated with the following stipulations:

- No supervision of provisional licensees and/or assistants for a period of one year beginning 01/01/2015
- Submission of Self-Supervision Quarterly Reports for 1 year.

A discrepancy in Audiology clinical practicum hour requirements stated in our Legislative Rule for a Speech-Language Pathologist vs. Marshall's Speech-Language Pathology curriculum was brought to the Board's attention. The Board's Legislative Rule requires 30 hours in Audiology of the required 400 clock hours. The same is true of Audiology in the reverse. Marshall University requires 20 of the 400 clock hours in Audiology for completion of the Speech Pathology practicum.

The issue will be finalized at the Board meeting held at the WVSHA spring conference.

Vernon Mullins submitted written questions (copy attached) regarding the practicality of registering Audiology Assistants. After reviewing the guidelines/Legislative Rules for Audiology Assistants, he concluded the Rules are, for the most part, non-existent for specific duties an Audiology Assistant can or cannot perform.

NEW BUSINESS

Greg Foster presented a brief update on the issue of Brickstreet Worker's Compensation Insurance requiring all claims for hearing aids be provided by Starkey. The letters received by the Board from WV Audiologists were forwarded to Greg Foster, Asst. Atty. General. He, in turn, requested the Consumer Protection Div. of the Attorney General's office research the claim of "anti-trust". He reported he has nothing new to report. The Consumer Protection Div. is researching the issue.

Patty Nesbitt presented a brief overview of the final Purchasing Review of the Board received November 14, 2014. The review stated one (1) non-conformity with Purchasing Division laws, rules and/or regulations.

Patty Nesbitt reported the Annual Report for the Board for fiscal years 2013 – 2014 was submitted to the Legislature. The annual report is due no later than December 31st of each year.

Patty Nesbitt gave a brief review of the Auditor's Annual Board Training held on December 4, 2014.

Vickie Pullins made a motion to adjourn. Erin Ball seconded the motion. Meeting adjourned at 3:29 pm

Respectfully submitted,

Patricia J. Nesbitt, Administrative Services Manager

OLD BUSINESS

Patty Nesbitt reported 14 public school SLP licenses and 2 public school provisional SLP licenses were received and processed since the beginning of the school year in response to the new Medicaid billing policy.

NEW BUSINESS

The Board discussed an application received from a Speech Pathologist who provides services in the public schools. The applicant passed the Praxis (NTE) and has a Master's degree from the California University of PA. She did not, however, complete a clinical fellowship when she began working in the schools.

Joe Richards made a motion that the application is not approved for a SLP license because all requirements, as outlined in §30-32 & §29-1, are not met. The applicant does have the option of applying for a provisional license to complete a clinical fellowship year. At that point, she could apply for a SLP license. Vern Mullins seconded the motion. Motion carried.

A WV provisional licensee, currently working in the Ohio school system, contacted her previous clinical practicum supervisor at Wheeling Hospital regarding the possibility of providing services on a PRN basis.

Because the minimum number of work hours for completion of a WV PPE/CFY is 15 hours, it is doubtful any of the hours worked at Wheeling Hospital could be counted toward the completion of a WV PPE.

Joe Richards made a motion to adjourn. Vickie Pullins seconded the motion. Motion carried.

OLD BUSINESS

Joe Richards presented a report on the meeting with Delegate Howell, Chair of the House Government Organization Committee, on February 9, 2016. Vickie Pullins and Patty Nesbitt also attended the meeting via conference call.

The purpose of the meeting was to discuss the active market participation of the Board members and the US Supreme Court decision in the FTC vs. NC Dental Board case.

A decision was made and agreed to by Delegate Howell that the Board of Speech and Audiology has a non-active market participation because Speech Pathology and Audiology are two separate and distinct professions with separate and distinct scopes of practice.

Restructuring the Board with additional citizen members will not be necessary, as long as a dual licensee does not serve on the Board. If a Speech Pathology or an Audiology Board member applies for and receives dual licensure, they will be required to resign from the Board.

Patty Nesbitt presented a licensure report update. It was as follows:

- Audiology licensees	160
- Speech Pathology licensees	868 – 28 Public School SLPs since Aug.1, 2015
- Provisional licensees	32
- SLPA	7 – 5 Public School SLPAs
TOTAL	1067

The Board discussed if a Rules changes is required for specific requirements during a Postgraduate Professional Experience. It was decided a Rules change is not required but a Position Statement listing the responsibilities of a supervisor would be very beneficial. The statement should be posted on the website and/or included in a mailing.
