Honorable James Justice  
Governor of the State of West Virginia  
1900 Kanawha Boulevard East  
Charleston, WV 25305

Honorable Governor Justice:

Presented herewith is the Annual Report for the West Virginia Board of Examiners for Speech-Language Pathology and Audiology (herein after the “Board”) relevant to the fiscal year 2022 through 2023.

The Board’s mission is the safeguarding of public health by assuring the maintenance of academic and clinical requirements and qualifications of professional, provisional, and assistant Speech-Language Pathologists and Audiologists serving the people of the Great State of West Virginia. Beginning this physical year, the Legislature and by your signature our Board was also given the task of overseeing the State’s licensed Hearing Aid Dealers, whose board was facing sunset; such oversight is still a work in progress given that Board was apparently dysfunctional for quite some time.

(2.)

Honorable Governor Justice

The Board is charged with the administration and enforcement of provisions set forth in West Virginia Code and West Virginia Rule CRS29 Series 1-5 relating to the licensure and regulation of Speech-Language Pathologists and Audiologists. As mentioned above we are now also charged with the administration of enforcement and West Virginia Code 30-26 and West Virginia Rule 8CSR Series 1-5. A roster of the complaints received during this report period is herewith in the “Complaint Log” on pages 23-47.

The Board Consists of 7 members appointed by the Governor: Three licensed as Speech-Language Pathologists (Board Secretary Vickie Pullins, MA of Raleigh County appointed July 19, 2000, Amber Settles, MA of Kanawha County, appointed March 15, 2023 and Heather Waselchalk, MA, of Kanawha County appointed March 15, 2023). Two members licensed as Audiologists (Dr. Michael J. Zagarella, Jefferson County, appointed: appointed July 19, 2000 and Board President Dr. Vernon Mullins, Logan County, appointed September 26, 2013), one citizen member (Joe E. Richards, M.A., Kanawha County, appointed November 12, 2010) and one member licensed as a Hearing Aid Dealer (Amanda Bonner, Cabell County Appointed 6/30/2023). Each member may serve two (2) three (3) year terms or until successors have been appointed by the Governor.

(3.)

Honorable James Justice

A major project for the Board this year concerned passage of HB4333 whereby the Board of Hearing Aid Dealers was terminated as June 30, 2023. That bill assigned the administration and enforcement of licensed hearing aid dealers serving West Virginia consumers. The Board authorized a committee of three Board members plus one audiologist and one hearing aid Dealer. That committee charged to gather ideas and form concepts of effective administration of hearing aid dealers within the Board's code section and such that the incorporation of the hearing aid dealers would be in harmony with the Board and more importantly with the consumers of West Virginia. The result of the Board's efforts was approved in a regular Board meeting on October 26, 2022 to be published for public responses.

During the review of public responses, a majority of our Board voted to reject the proposal to require an increase of educational background from "GED"/high school diploma to an Associate's degree in a medical arts related field; further those Board members then objected to placing restrictions upon the scope of practice of licensed hearing aid dealers, such restrictions intended to avoid exceeding the entry education level and competence level for some audiology and otology treatment and diagnostic procedures; thus maintaining the scope of practice for hearing aid dealers as inferred from their previous West Virginia Code. Since such changes we substantial, thus requiring republication for public comments, our Board failed to present the proposed Code and Rules to the Legislature in time to be considered in the 2024 session. Rule changes and Fee Scheduled changes for licensed hearing aid dealers are delayed also since such need to be in harmony with any code changes.

The Board has also actively followed the progress of the Interstate Compact for Speech-Language Pathology and Audiology (ASLP-IC) with two of our members, Dr. Michael Zagarella, and Ms. Vickie Pullins serving, on the compact Rules Committee. West Virginia was the first to agree to the compact as approved by the West Virginia Legislature in 2020. Speech Pathology professionals licensed in member states will be able to apply to the compact for licensure reciprocity among the member states. The member states licensure boards will be notified and the law and rules of the member state in which the patient served shall apply to the practitioner. The compact should be implemented during calendar year 2024.

(4.)

Honorable James Justice

The West Virginia Board of Examiners for Speech-Language Pathology and Audiology continues to be active in safeguarding the public health of our licensed West Virginia providers.

Respectfully,

Vernon N. Mullins, A.u.D.  
President of the Board

(5.)

**Case #31: - Not reportable to NPDB**

**Complainant: Charles A. Mordecai**

**Date: January 7, 2010**

**Name of Licensee: Rene' Donley, Audiologist**

**Nature of Complaint: Fraudulent information documented in his records. Patient claims he has been previously diagnosed with vertigo by other doctors and is trying to get VA Disability Compensation. The diagnosis of vertigo is not in Mr. Mordecai's VA medical records and he is claiming Dr. Donley purposely falsified his records. Rene' Donley's response does not support the diagnosis of vertigo and claims the examination requested from VA Administration in Huntington, WV was for Meniere's Syndrome. The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV, and standard VA protocol must be followed.**

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations, and procedures.

**Case #32: - Reported to NPDB 08/06/2010**

**Complainant: WV Board of Speech and Audiology**

**Date: June 24, 2010**

**Name: Lisa Ann Bosley, P/SLP-0225**

**Nature of complaint: Discovered through the standard verification process, Ms. Bosley had been practicing without a license since January, 2002. She had forged license documents and ASHA certification cards since January 4, 2002 when her provisional license expired. She did not apply or receive a professional license to practice Speech-Language Pathology in the State of WV.**

**Disciplinary Action: Since Ms. Bosley was practicing without a valid license, the WV Board does not have jurisdiction. A Cease and Desist letter was sent to Ms. Bosley on June 25, 2010 and all documents relating to the case were turned over to the WV State Police for investigation.**

**U.S. Attorney's Office prosecuted. Plea agreement reached – sentenced on April 27, 2012. 5 Years Probation - \$240,000 in restitution to Genesis Rehabilitation Corp. @ \$50 per month.**

**Case #33 – Reported to NPDB 09/16/2011**

**Complainant: WV Board of Speech and Audiology**

**Nature of complaint: Unlicensed provisional (CFY) practice**

**Some leniency was given to Ms. Hitt for the following reasons:**

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

**Disciplinary Action: August 26, 2011 – Consent Decree Signed**

**License # SLP-1281 – Letter of Reprimand valid for one (1) year and will be expunged after the designated timeframe has expired. The following additional requirements also apply:**

- Complete a Board approved Ethics Seminar/Course in addition to the twenty (20) Continuing Education Requirements for license renewal in 2012. Completion of the course will be completed within ninety (90) days.

- 

**Case #34 – Reported to NPDB 09/15/2011**

**Complainant: WV Board of Speech and Audiology**

**Nature of complaint: Supervision and co-signing of unlicensed provisional (CFY) services provided**

**Name: Marianne LeDonne, SLP-0157**

The Board found Ms. LeDonne to be in violation of several articles of WV Code and WV Code Rules, i.e., 1) aiding and abetting unlicensed practice, 2) fraud and deceit, 3) dishonorable, immoral, or unprofessional conduct, 4) "engage in any scheme or artifice to defraud in connection with obtaining payment or reimbursement for services." 5) dishonesty, fraud, deceit, misrepresentation, or any form of conduct that adversely reflects on the profession.

Ms. LeDonne co-signed documents for evaluations, treatments, etc. provided by an unlicensed provisional Speech-Language Pathologist.

Ms. LeDonne is in violation of the WV Code §§30-32-17 (b)(4), (b)(5), (b)(9) and (b)(13) and WV Code Rule §§29-5-2.6a.3 and 2.7.b.2.

**Disciplinary Action: August 22, 2011 – Consent Decree Signed**

**License #SLP-0157 placed on probation for a period of two (2) years with the following additional requirements:**

- Shall not provide supervision of, including but not limited to, CFY/Provisional licensees or speech assistants for a period of two (2) years.
- Shall inform employer(s) of the probationary status of her Speech-Language Pathology license and show proof of the same to the Board.
- Shall provide documentation to the Board of formal training in supervision
- Shall provide quarterly self-reports to the Board
- Pay a fine of \$500.00

**Case #35 – Dismissed**

**Complainant: Mark Halburn**

**Nature of complaint: Patient had to wait ½ hour to be seen. Left without exam and says was refused an appointment later in the day.**

**Name: Gregory Simmerman, A-0062**

The Board dismissed this case for lack of probable cause. Gregory Simmerman did not violate the State of West Virginia Statute or Rules governing the practice of Speech-Language Pathology and Audiology.

**Case #36 – Reported to NPDB 03/22/2012**

**Complainant: WV Board of Speech and Audiology**

**Nature of Complaint: Unlicensed Provisional (CFY) practice**

**Name: Vanessa Marie McCullough**

The Board found Ms. McCullough to be in violation of WV Code and WV Code Rules by practicing without a Provisional SLP License from January 17, 2011 through January 6, 2012.

Ms. McCullough is in violation of WV Code §§30-32-17 (b)(4), (b)(9) and (b)(13), and WV Code Rule §§29-5-2.6.a.1 and 2.7.b.2

Some leniency was given to Ms. McCullough for the following reasons:

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.
- Ms. McCullough completed her Clinical Fellowship Year and received her CCC from ASHA. Because she received her CCC, per our Law and Rules her professional license was granted on January 9, 2012.

**Disciplinary Action: February 29, 2012 – Consent Decree Signed  
License # SLP-1358 –**

- Letter of Reprimand valid for one (1) year, to be expunged after the designated timeframe has expired. The following additional requirements also apply:

**Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017**

**Complainant: Lara Ann Hartzell, PT – WV Birth to Three**

**Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.**

**Name: Stacy Bastin, SLP-0710**

**Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.**

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

**A SECOND CONSENT AGREEMENT WAS SIGNED BY MS. GALLAHER ON MARCH 12, 2020 AND WAS EFFECTIVE MARCH 23, 2020.**

At a Board Meeting held December 12, 2019, the Board reviewed and considered all available information, including reports and information supplied by Ms. Gallaher and an oral report from the probation supervisor. The Board found probable cause, by a majority vote taken at the meeting, to believe that Ms. Gallaher failed to comply with the terms of the Consent Agreement and Order and Supervisory Agreement previously entered in Case #52, which is a violation of the Board's governing statutes and rules.

The Board's Order is:

- Suspension of License #SLP-0727 for a period of one (1) year from the effective date of the Consent Agreement.
- Following the expiration of the one-year suspension period, and as a condition to her license being reactivated, Ms. Gallaher must submit to a physical and mental examination by one or more Board-approved health care providers, at her own expense, and be deemed fit to perform the necessary duties and responsibilities of a licensed speech-language pathologist and to practice in compliance with the Board's governing statutes and rules.

## **OLD BUSINESS**

Interstate Compact – The Board’s position on the Interstate Compact was discussed. Vickie Pullins presented a summary of the information from the ASLP-IC Legislative Summit in Washington, DC on August 19<sup>th</sup> & 20<sup>th</sup>.

The WV Audiology Assn. Conference is the last week of October. Vern Mullins and Mike Zagarella will discuss with the attendees for their feedback and report back to the Board. The Board’s position was tabled until the next Board Meeting.

Rule 29-1 & 29-4 Modification Status – Patty Nesbitt reported 29-1 was originally on the Interim Committee Schedule for September but because 29-4 modification is currently out for public comment, 29-1 was pulled from September’s agenda so the Legislative Rules Committee can review both modifications at the same time. Public Comment ends for 29-4 on Friday, September 20, 2019.

Regulatory Software – Patty Nesbitt reported the board has a purchase order for the InLumon regulatory software. InLumon will not begin “building” our software package until November 1, 2019.

## **NEW BUSINESS**

Patty Nesbitt reported, that based on information brought to the Board office’s attention by an applicant after completing a Postgraduate Professional Experience, the Board can no longer require 10 hours of continuing education while holding a provisional license for completion of the Professional Experience. The requirement is not stated in Rule 29-1 so it cannot be required by the Board.

The wv.gov email accounts have become very cumbersome for the Board Members because they use them so rarely. When the accounts are not accessed on a regular basis, passwords are deleted, accounts are locked because of non-use., etc. After researching a secure encrypted service, Patty Nesbitt recommended the Board Members set up email accounts with ProtonMail. Instructions for setting up an account will be sent to the Board Members.

A question from an unlicensed school speech pathologist, regarding the requirement for completing billing information for Medicaid services provided, was received by the Board office. Since the SLP is unlicensed, they are considered a SSLPA by the Dept. of Education and cannot bill Medicaid. Vickie Pullins spoke to LeeAnn Brammer regarding the issue. All unbillable services provided are totaled at the end of the year for a cost settlement. Medicaid then reimburses the Dept. of Education for those services.

A request was received to share expenses for Keith Fisher, Board Attorney, to attend the FARB Regulatory Law Seminar in St. Louis, MO the first week of October. Mike Zagarella made a motion to contribute a maximum of \$500 toward travel and registration expenses. Vickie Pullins seconded the motion. Motion carried.

Erin Browning summarized the accomplishments of the WVU summer intern, Natalie Thorpe. Overall, it was a positive experience for all involved.

Vickie Pullins made a motion to adjourn. The next tentative meeting date is December 4, 2019. Joe Richards seconded the motion. Meeting adjourned at 7:15 PM.

## **OLD BUSINESS**

Interstate Compact – Vickie Pullins discussed her meeting yesterday, December 11<sup>th</sup> with Senator Eric Tarr. Senator Tarr has agreed to sponsor the Interstate Compact bill in the Senate and suggested Vickie contact Delegate Amy Summers to sponsoring the bill in the House. The feedback received was very positive and optimistic.

He found it very interesting and definitely felt it was worth the time and money.

Each board's contribution for Keith's attendance was \$389.71.

## **NEW BUSINESS**

President Erin Browning called the meeting to order at 5:00 PM.

Keith Fisher explained the Governor's Executive Order 07-20 authorizes state agencies to suspend rules during the State of Emergency. If the Board suspends the following, it will allow provisional licensees and speech and audiology assistants to provide telepractice services during the COVID-19 state of emergency:

29-1-15.5.2. Telepractice services shall not be provided by:

29-1-15.5.2.a. Speech Pathologists with a provisional license while completing a postgraduate professional experience/clinical fellowship year.

29-1-15.5.2.b. Speech Pathology or Audiology Assistants.

Erin Browning suggested also adding that all other requirements for provisional licensees and assistants are unaffected and still apply to the telepractice setting. Keith Fisher agreed.

Keith Fisher will write the letter for the Board to submit to the Secretary of State notifying him of the Board's suspension of the Rule. The Secretary of State will post the suspension on their website under the Administrative Law Department. The information will also be sent to all licensees via email and posted on the Board website.

President Erin Browning called the meeting to order at 5:00 PM.

The Board discussed the pros and cons of opening up the practice of telepractice across state lines to licensed providers in their home state. Keith Fisher explained the option of requesting an Executive Order from the Governor to suspend the current limitation of five days specified in our Code. The five day period in a calendar year allows licensed speech pathologists and audiologists from other states to provide services in West Virginia without applying for a license. The providers must, however, register with the Board.

Vickie Pullins made a motion to allow out of state licensees to provide telepractice services throughout the period of the pandemic as long as they register with our Board office.

Mike Zagarella stipulated the motion should include providing telepractice services to existing patients only and throughout the state of emergency instead of the pandemic. Vickie Pullins amended her motion to allow out of state licensees to provide telepractice services to existing patients through the duration of the state of emergency. Because the statute does not stipulate “existing patients/clients”, it will probably not be possible to stipulate the same in the Executive Order.

Vickie Pullins amended the motion to allow practitioners to provide telepractice services in WV during the duration of the state of emergency if they hold a license in their home state. They must also register with the Board. Mike Zagarella seconded the motion. Vernon Mullins and Joe Richards abstained. Motion carried with 3 years.

Keith Fisher will write the letter to the Governor requesting an Executive Order per the above motion.

The board had a lengthy discussion regarding the license requirement for public school speech pathologists providing telepractice because of the COVID-19 pandemic. Vickie Pullins made a motion to suspend the

application fee of \$100 through June 30<sup>th</sup> for any public school speech pathologist who meets the requirements for licensure. The license fee will be reduced to \$50 so continuity of services to the students of WV can continue. Mike Zagarella seconded the motion. Four members voted yes. Joe Richards voted no. Motion carried. Patty Nesbitt will prepare an emergency rule for submission to the Secretary of State's office.

Vernon Mullins made a motion to adjourn. Vickie Pullins seconded the motion. The meeting adjourned at 6:37 PM

## **OLD BUSINESS**

The Rule suspension approved by the Board allowing Provisional licensees and Assistants to provide telepractice therapy services during the state of emergency was discussed. Because the state of emergency is still in effect, the Rule suspension will remain in effect/

The Rule suspending the application and license fees for Department of Education Speech-Language Pathologists to provide telepractice services expired on June 30, 2020 and is no longer in effect.

Patty Nesbitt will notify the Secretary of State's office of the above. She will also delete the Rule suspension re: Department of Education from the Board's website.

Patty Nesbitt also reported there are currently 41 Speech-Language Pathologists with current out of state licenses registered to provide telepractice therapy services during the COVID-19 state of emergency, per the Governor's Executive Order 26-20.

The Interstate Compact progress was discussed. There are currently 6 states that have passed legislation for the compact. A total of 10 states are required for the compact to be operational.

The Legislative Auditor has recommended the Board's website include a "Frequently Ask Questions" link. Erin Browning & Patty Nesbitt will explore what other states' board websites include and report back to the Board.

### **NEW BUSINESS**

Moving the Board Office to Charleston when/after Patty Nesbitt retires next year was discussed, as well as the request from House Government Organization to send a written assessment of the positives and negatives of being part of a Multi-Professional Licensing Agency. Patty Nesbitt participated in a Zoom Meeting re: the same subject with Government Organization Joint Committee Counsel, House Government Organization Legislative Analyst and House Government Organization Chief of Staff on June 18<sup>th</sup>.

## OLD BUSINESS

The contract with inLumon was discussed. Patty Nesbitt was notified inLumon would not be able to meet the deadline promised for the upcoming license renewal. Vernon Mullins made a motion to terminate the contract per our attorney's recommendations. Joe Richards seconded the motion. Motion carried.

The cancelled airline ticket purchased for Vickie Pullins travel to the NCSB meeting in March was discussed. The meeting was cancelled because of COVID but the travel agency (National Travel) will not refund the ticket because it was cancelled by the traveler and not the airline. It is possible to use the ticket up to December 31, 2021. Vickie Pullins is going to reach out to American Airlines for a refund. The issue was tabled until the next meeting.

The Umbrella Board assessment request was briefly discussed. The final document was accepted by the Board and will be submitted to the Joint Committee on Government Organization.

## NEW BUSINESS

Vern Mullins wanted to reiterate, in case the request is made, that the Board members agree that extensions, etc., will not be granted, due to COVID-19, for the license renewal continuing education requirement. Even though in person sessions were cancelled there are many opportunities online. All members agreed.

An Audiology licensee contacted the Board regarding programming hearing aids virtually/online. She had been ask by her employer to program the hearing aids that are sold online using online hearing tests. She does not feel it is in the best interest of the patient and wanted to know if the Board could provide any information to help her case. The Board's WV Code & Code Rules do not state anything specific that relates to this issue. The Board made the decision to respond to her with a letter stating, based on the information she provided, fitting hearing aids virtually does violate our law and rules. Michael Zagarella will write the letter for the Board President's signature.

Patty Nesbitt reviewed the Purchasing Audit. This year's audit produced a 92% with (1) infraction. All purchases for statewide contract items from the Office Depot require an ADO (Agency Delivery Order) which was not completed.

The Financial Report and PCard Reports were presented. The cash balance, as of March 31, 2021 is \$336,630.20. The PCard Expense Reports were presented. Patty Nesbitt explained the postage fees are higher than usual because the notification letters for the continuing education audit required certified/return receipt mailing. Vickie Pullins seconded the motion. Motion carried.

CE Audit – Vickie Pullins made a motion that the licensees who responded to the CE Audit but fell short by a few hours will be offered a Consent Agreement for a letter of reprimand, a \$75 late fee and notation that

the non-compliance is mandated to be reported to the National Practitioners Database. It will also be noted that any CEs completed in 2021 for the audit cannot be used for the licensing period 2021-2022. Those that did not comply will be sent an email requiring submission of their CEs within five days and will be followed up with a Consent Agreement with the same terms as above. Vern Mullins seconded the motion. Motion carried.

### OLD BUSINESS

License Renewal Report - Patty Nesbitt reviewed the license renewal numbers with the Board. The report also includes new licensees since January 1, 2021, # of late & reinstatement fees paid and the # of active military license renewals processed. This report is updated through the end of June and will be included in the Annual Report submitted to the Legislature and Governor's office by the end of 2021.

ASHA Committee of Ambassadors - Erin Browning, the WV SLP representative for the ASHA Committee of Ambassadors, formerly the ASHA Advisory Council, explained the mission is to develop better relationships with licensing boards, associations and state & federal governments. The AUD WV representative is Jeremy Donai. Erin did participate in the virtual meetings held with the staffs of the WV representatives in Washington, DC advocating for the professions.

### NEW BUSINESS

Emergency Rule §29-1 - The proposed Emergency Rule mandated by HB 2024 passed by the Legislature and signed by the Governor on 04/09/2021 was discussed. The schedule of fees and continuing education requirements for registration of Interstate Telepractice Practitioners were discussed.

The University is collaborating with the WV Dept of Education on the program. Assistants provide services in public school and since the WV does not have universal licensure and Board does not have jurisdiction in the school system, there is no reason to change our requirement to include certification for an Assistant. Patty Nesbitt will respond to the letter with the Board response.

Regulatory Software – Patty Nesbitt is revisiting the implementation of a regulatory software system and reviewed a presentation with Thentia. Information from other state boards, as well as WV boards who have the software in place will be collected and reviewed by the Board for a final decision.

Respectfully submitted,

President Vernon Mullins called the meeting to order at 5:00PM.

Michael Zagarella introduced Gregg Thornton, Executive Director of the Ohio Speech and Hearing Professionals Board. Because there is a possibility the WV legislature will consolidate the Hearing Aid Dealers and Fitters Board with Speech-Pathology and Audiology during the current legislative session, Gregg Thornton was asked to provide information on Ohio's experiences before, during and after their consolidation in 2018. The information provided was important and very helpful to the Board members and are very appreciative of the information Mr. Thornton provided.

President Mullins requested a motion to move Old Business Item #1 to the end of the meeting. Vickie Pullins made the motion. Motion carried. Item #1 will be heard at the end of the meeting.

Patty Nesbitt requested the approval of minutes for the January 11, 2022 meeting be tabled because of omissions and required corrections. Joe Richard made a motion to table the minutes to a future meeting. Motion carried.

The Finance Report and PCard Expense Report were presented. Vickie Pullins made a motion to approve the Financial report as presented and the PCard Expense report as amended. Joe Richards seconded the motion. Motion carried.

Vickie Pullins gave an update on the FARB, Federal Assn. of Regulatory Boards, conference. Some of the topics covered were websites and the ease of applying for a license, frequently ask questions page, and a consumer Bill of Rights.

Diversity, Diversity, Diversity was a hot topic throughout the conference. Board members also need to “show up” at Association meetings, Universities, etc. For a small Board in a small State, Vickie came away from the conference feeling WV is and has been doing some very good things and are ahead of many much larger states with policies and procedures.

Patty Nesbitt discussed the possible upcoming issue with the copier we are currently leasing. The lease expires on February 28, 2022 but the State has not awarded a new contract so there are currently no copiers available on a statewide contract. If the issue is not resolved within the next week or so, Mike Zagarella made a motion to allow Patty Nesbitt to lease a copier off contract. Vickie Pullins seconded the motion. Motion carried.

Patty Nesbitt discussed the issues with printing of licenses with signatures of Vernon Mullins as President and Vickie Pullins as Secretary of the Board. A waiver has been received from Correctional Industries so we can go elsewhere to have the licenses printed. It does look as if the Board will still buy the parchment cardstock from Correctional Industries because it is not available elsewhere. We are hopeful it will all be finalized by the end of February.

Patty Nesbitt discussed the purchase and installation of new regulatory software. It will be most likely be after the first of the year 2023.

Patty Nesbitt summarized the Legislative bills introduced this session with references to Chapter 30 Boards.

Vickie Pullins recused herself and left the meeting before going into Executive Session.

Joe Richards made a motion to go into Executive Session. Mike Zagarella seconded the motion. Executive session began at 6:08 PM

Mike Zagarella made a motion to end Executive Session. Joe Richards seconded the motion. Motion carried. Executive Session ended 6:47PM

Mike Zagarella made a motion to postpone decision on the content of the Consent Agreement until revisions are reviewed at the 02/28/2022 meeting. Joe seconded the motion. Motion Carried.
