Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in

the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

Case #48 – Not Reportable to NPDB – Dismissed – May 3, 2017

Complainant: Ms. Delores Czap

Nature of Complaint: Two separate issues – same complaint number. Initial complaint referenced charge to fix hearing aids and the fee would have been covered by her Ohio Medicaid card but she was not given the correct information re: whether the Audiologist was a Medicaid provider.

Name: Deborah Albaugh, A-0271

The response was received from the Audiologist on May 3, 2017 and provided:

- Signed repair authorizations by Ms. Czap for each repair in question
- Ms. Czap made regular payments for each repair she authorized
- Copies of the most recent insurance/Medicare cards provided by the Ms. Czap when she checked in on the visits. No Medicaid card was provided.
- Ms. Albaugh is not a participating provider of Medicaid.

Ms. Albaugh practices in West Virginia and Pennsylvania. If she was a Medicaid provider, Ms. Czap is an Ohio resident with Ohio Medicaid.

The Board voted to dismiss the complaint on May 3, 2017 for lack of just cause. A letter was sent to Ms. Czap re: the dismissal of the complaint. Ms. Czap called after receiving the letter and could not understand why because her hearing aids were under warranty at the time of the repairs. The Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

- Hearing aids were purchased May. 2011 with the Peace of Mind warranty. The standard warranty is two (2) years. The Peace of Mind warranty adds one additional year for a total of three (3) years.
- The Peace of Mind was in effect until June 13, 2014.
- The hearing aids were sent for repair in December, 2015 (out of warranty) and August, 2016 (out of warranty)

A letter with the above information was sent to Ms. Czap on July 24, 2017 The original dismissal of the case remains May 3, 2017.

Vickie Pullins reviewed the National Council of State Boards conference that was held in Charlotte, North Carolina. Vickie Pullins suggested the Board to open the WV Code and Rules to make changes to the Hearing Aid Dealers, the Board needs to include the difference in over-the-counter hearing aids verses prescription hearing aids. Vickie Pullins recommended Pam Coughlin to reach out to the Attorney Generals office and see how long we must keep our recordings for our Board meetings. She mentioned Artificial Intelligence is working hard to protect the Praxis by having human proctors during the exam.

Vickie Pullins updated the Board on the Interstate Compact. The Compact should have an Executive Director within the next 2 weeks. The data software for the Compact will be around 1 million dollars and they are hoping the Department of Defense will help with the funding. She also mentioned even though we were the first to pass the Compact in the Nation, we may not be a part of the Compact until we have background checks done on licensees. Vickie Pullins stated this is another thing we need to add when we open the Code. Once the data system is up and running, they will start uploading states.

Vickie Pullins stated she is up for President for the National Council of Regulatory Boards.

Vernon Mullins asked what the cost is for background checks on licensees. Vickie Pullins stated the cost is approximately \$50 per licensee and that all our licensees must have the background before we can join he Interstate Compact.

Heather Waselchalk mentioned she has been seeing information on social media that once the Interstate Compact is up and running, ASHA will be obsolete. Vickie Pullins stated people do not know the difference between Occupational Boards and American Speech-Language- Hearing Association (ASHA). Mrs. Pullins explained Occupational Boards supports the Consumer and ASHA supports the Professional.

The International Licensing Examination for Hearing Healthcare Professionals Agreement was discussed. The agreement is to allow them to administer the International Licensing Exam that the Hearing Aid Dealers must pass to be licensed. Amanda Bonner stated there are several testing locations in West Virginia that IHS uses and there is no cost to the Board because the individuals pay all fees. Pam Coughlin stated the agreement is for 5 years. Amanda Bonner made a motion except the International Licensing Examination for Hearing Healthcare Professionals agreement. Amber Settles seconded the motion. Motion carried.

The Board discussed reciprocity for Hearing Aid Dealers. Vernon Mullins recommended we follow the same rules and code the Speech Pathologist and Audiology requirements when it comes to reciprocity. Licensee would have to present proof of current licensure and that state needs to have substantially equivalent standards to ours. Amanda Bonner stated the licensees that seek reciprocity for Hearing Aid Dealer will need to take the State Jurisprudence Exam and pay the \$50 fee. Vickie Pullins recommended we put the State test for Hearing Aid Dealers on our website like we have for the SLP's and

Audiologists. Michael Zagarella states the Jurisprudence Exam to force licensees to look at the WV Code and Legislative Rules.

Vickie Pullins suggested we add Test of English as a Foreign Language (TOEFL) to our Rules and Code. It is a standardize test that measures the English skills: reading, listening, speaking, and writing. Mrs. Pullins stated that other State Boards that have TOEFL, set a percentage score the test taker must get before they pass the test.

The Board had a brief discussion on how to conduct the Hearing Aid Dealer Practical test. Amanda Bonner volunteered to send the Board members the paperwork for the Practical and State Test for Hearing Aid Dealers. The Board members are going to review the tests and discuss how they will conduct the Practical Test at the next Board meeting.

Pam Coughlin reviewed the 23-01 Hearing Aid Dealer complaint that is closed with the Board. Ms. Coughlin stated the attorney for the licensee stated the parties have settled and the licensee no longer wants to pursue the complaint against the Hearing Aid Dealer company. The attorney will email the final paperwork in the next couple weeks.

There was a brief discussion on over-the-counter Hearing Aids and Prescription hearing aids.

The March 18, 2024, meeting of the West Virginia Board of Speech-Language Pathology and Audiology was called to order in the Board office at 99 Edmiston Way, Buckhannon, West Virginia, via Zoom at 5:30 PM by Board President Vickie Pullins. Agenda and Zoom invitation were put on the Boards website for the public to attend via telephone.

Pam Coughlin informed the members that we have two hearing aid dealer trainees that passed the ILE test and is ready for the practical. Vickie Pullins stated the board needs to put in place a structural schedule for the hearing aid dealer testing.

Dr. Michael Squires discussed the difference in the testing for Audiology and Hearing Aid Dealer. He recommended we set a date and time once a month for the practical exam. Amanda Bonner and Ruth Rowan agreed with Dr. Squires proctoring the practical once a month. Vickie Pullins recommended they do one month in Parkersburg and the next month in Huntington. Amanda Bonner and Dr. Squires agreed.

Amanda Bonner suggested that she and Dr. Michael Squires review the practical exam material together, that way whoever is proctoring the exam, they will know more about the material that the trainee's study while they have their permit.

Dr. Michael Squires stated as a board we need to set high expectations for hearing aid dealer trainees so that way they will have skills, confidence, and morals as they become a Hearing Aid Dealer. Vickie Pullins agreed with Dr. Squires and stated as a board, we are here to protect the consumers. It is the board's job to make sure we are not passing trainees that will do harm to the public.

Vickie Pullins and Ruth Rowan agreed that the integrity that Dr. Michael Squires and Amanda Bonner bring to the board, will create a congruent work for the trainees taking the practical.

Dr. Michael Squires recommended that he and Amanda Bonner have backups if they are unable to proctor the practical. They will come up with a guidebook for the Audiologists or Hearing Aid Dealer that will fill in for them when they are not available.

After discussion on the dates for the practical exam, Amanada Bonner agreed to proctor the practical Wednesday, April 3, 2024 in Huntington at her office and Dr. Michael Squires will proctor the practical Friday, May 3, 2024 at his office in Parkersburg. Moving forward, the board will post practical exams dates and locations on our website, along with the materials the trainee needs to bring.

Pam Coughlin will get the two trainees scheduled for the practical and then inform Dr. Michael Squires and Amanda. Bonner.

Vickie Pullins mentioned we will need to have a in person Board meeting in April to start working on the proposed rules for hearing aid dealers and add background checks to our Code and Rules.

Pam Coughlin reviewed a hearing aid dealer trainee application that she received on March 18, 2024. The applicant was on supervised probation from October 5, 2020 to October 5, 2021 for conspiracy to commit possession with intent to deliver controlled substance "Marijuana". The board members agreed the applicant did their time and deserves a second chance. Members approved to issue a hearing aid dealer trainee permit.

Dr. Michael Squires explained our licensure does not acknowledge "Audioprosthologist" which creates a marketing confusion to the consumer. Amanda Bonner stated that Hearing Aid Fitters have to be licensed with the Board and certified to use additional credentialing like, Audioprosthology and Hearing Instrument Specialist (HIS).
