INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management
Bi-County Nutrition Program, Inc.
Nutter Fort, West Virginia

Report on Financial Statements

We have audited the accompanying financial statements of Bi-County Nutrition Program, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial

statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

We did not observe the physical inventory at September 30, 2018, stated at \$19,888. We were unable to satisfy ourselves about inventory quantities by means of other auditing procedures. Consequently, we were not able to determine whether any adjustments to those amounts were necessary.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of the Bi-County Nutrition Program, Inc. as of September 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of federal and state funds and notes to schedule of federal and state funds is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 5, 2019, on our consideration of the Bi-County Nutrition Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Bi-County Nutrition Program, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Bi-County Nutrition Program, Inc.'s internal control over financial reporting and compliance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
*GOVERNMENT AUDITING STANDARDS***

The Board of Directors and Management
Bi-County Nutrition Program, Inc.
Nutter Fort, West Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bi-County Nutrition Program, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 5, 2019. Our opinion was qualified as we were unable to obtain appropriate audit documentation concerning quantities of inventory on hand at September 30, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bi-County Nutrition Program, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Bi-County Nutrition Program, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Bi-County Nutrition Program, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and responses at item #2018-001 that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bi-County Nutrition Program, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Bi-County Nutrition Program, Inc.'s Response to Finding

Bi-County Nutrition Program, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and responses. Bi-County Nutrition Program, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**BI-COUNTY NUTRITION PROGRAM, INC.
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED SEPTEMBER 30, 2018**

#2018-001 Segregation of Duties

Criteria: Internal control should be implemented to the degree possible to assign to different individuals the responsibility for approving, executing and recording transactions and custody of the resulting asset arising from the transaction.

Condition: Responsibility for approving, executing and recording transactions and custody of the resulting asset arising from the transaction should be assigned to different individuals.

Cause: Responsibilities for approving, executing, and recording transactions and custody of the resulting asset arising from the transaction are not assigned to different individuals.

Effect: The lack of complete segregation of duties increases the risk that errors or irregularities in recording, processing, summarizing and reporting financial data could occur and not be detected in a timely manner.

Recommendation: Responsibilities of approval, execution, recording and custody be distributed among the accounting staff to the degree possible. We recommend that the Board should remain involved in the financial affairs of the Organization to provide oversight and independent review functions and to continue exercising due diligence and professional skepticism in relation to the Organization's financial operations.

Views of Responsible Officials and Planned Corrective Action: To the extent possible, the Organization has segregated its duties. Any further segregation of duties would not be economically feasible.

Status: This condition was reported in the prior year as audit finding #2017-001.
