## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
The Recovery Point of Huntington, Inc.

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of The Recovery Point of Huntington, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Recovery Point of Huntington, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Recovery Point of Huntington, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Recovery Point of Huntington, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Recovery Point of Huntington, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Recovery Point of Huntington, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of state grant receipts and expenditures and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of state grant receipts and expenditures and schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 24, 2023, on our consideration of The Recovery Point of Huntington, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Recovery Point of Huntington, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Recovery Point of Huntington, Inc.'s internal control over financial reporting and compliance.

## THE RECOVERY POINT OF HUNTINGTON, INC.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

## 1. Summary of significant accounting policies:

## A. Organization:

The Recovery Point of Huntington, Inc. (the Organization) provides rehabilitation, training, counseling, education, and employment services for persons who suffer the vicious cycle of addiction to alcohol and drugs. The Organization is supported by contributions and grants.

## B. Basis of accounting:

The Organization follows the accrual basis of accounting.

## C. Accounting estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Organization to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the report period. Actual results could differ from those estimates.

## D. Cash and cash equivalents:

The Organization considers all highly liquid investments with a maturity value of three months or less when purchased to be cash equivalents for purposes of the accompanying Statements of Cash Flows.

## E. Receivable and credit policies:

The Organization provides food to patients on a third-party reimbursement basis. The Organization bills the various grantor funding sources in accordance with contractual agreements.

The direct charge-off method of accounting for bad debts is used by the Organization. This method does not result in a materially different provision for bad debt expense than would result from the use of the reserve method.

## F. Property and equipment:

Property and equipment are stated at cost, or if donated, at the approximate fair value. The Organization observes a policy of capitalizing expenditures in excess of \$5,000 which substantially increase the useful lives of the assets. Maintenance, repairs, and minor renewals are charged to operations when incurred.

## THE RECOVERY POINT OF HUNTINGTON, INC.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

## 1. Summary of significant accounting policies (Continued):

## G. Depreciation:

Depreciation is recognized on the straight-line basis in amounts adequate to amortize costs over the estimated useful lives of the assets.

## H. Net assets:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net Assets With Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organization currently does not have net assets with restrictions that are perpetual in nature.

## I. Net assets with restrictions:

Restricted net assets were released from restrictions by incurring expenses satisfying the purpose specified by grantors.

## J. Grants and contributions:

Contributions, including unconditional promises to give (pledges), are initially reported at fair value as revenues in the period received or pledged. Contributions with purpose and/or time restrictions are reported as increases in net assets with donor restrictions and are reclassified to net assets without donor restrictions when the purpose or time restrictions are met. Contributions subject to donor-imposed restrictions that the corpus be maintained permanent are recognized as increases in net assets with donor restrictions.

Contributions are considered conditional when the underlying agreement includes a performance barrier and a right of return or a right of release of promised assets exists. Conditional promises to give are not recognized as revenue until the performance barrier and the right of return or release has been overcome.

Contributions of assets other than cash are recorded at their estimated fair value.

THE RECOVERY POINT OF HUNTINGTON, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

1. Summary of significant accounting policies (Continued):

K. Income taxes:

The Organization has qualified under Internal Revenue Code Section 501(c)(3) as a tax-exempt entity. Consequently, the accompanying financial statements do not include any provision for federal and state income taxes.

L. Accounting for uncertain tax positions:

The Organization follows the provisions of Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, relating to unrecognized tax benefits. This standard requires an organization to recognize a liability for tax positions when there is a 50% or greater likelihood that the position will not be sustained upon examination. The Organization is liable for taxes to the extent of any unrelated business income as defined by IRS regulations. The Organization believes that it has not engaged in any unrelated business income as defined by IRS regulations and that it is more likely than not that this position would be sustained upon examination. As such, there were no liabilities recorded for uncertain tax positions as of June 30, 2022 and 2021.

M. Advertising costs:

Advertising costs are charged to operations when incurred. Advertising expense charged to operations in the years ended June 30, 2022 and 2021 totaled \$15,932 and \$15,099 respectively.

N. Functional expense and cost allocation:

The costs of providing program and other activities have been listed on a function basis in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among program, management and general, and fundraising expenses. The expenses that are allocated include the following:

| <u>Expense</u>              | <u>Method of Allocation</u> |
|-----------------------------|-----------------------------|
| Salaries and wages          | Time and effort             |

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
The Recovery Point of Huntington, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Recovery Point of Huntington, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated April 24, 2023.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered The Recovery Point of Huntington, Inc.'s internal control over financial reporting (*internal control*) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Recovery Point of Huntington, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of The Recovery Point of Huntington, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Recovery Point of Huntington, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

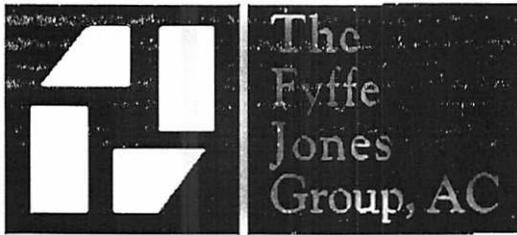

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of  
The Recovery Point of Huntington, Inc.

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited The Recovery Point of Huntington, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of The Recovery Point of Huntington, Inc.'s major federal programs for the year ended June 30, 2022. The Recovery Point of Huntington, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, The Recovery Point of Huntington, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of The Recovery Point of Huntington, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of The Recovery Point of Huntington, Inc.'s compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the

requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to The Recovery Point of Huntington, Inc.'s federal programs.

#### ***Auditors' Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on The Recovery Point of Huntington, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about The Recovery Point of Huntington, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding The Recovery Point of Huntington, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of The Recovery Point of Huntington, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of The Recovery Point of Huntington, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### ***Other Matters***

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2022-001. Our opinion on each major federal program is not modified with respect to these matters.

*Government Auditing Standards* requires the auditor to perform limited procedures on The Recovery Point of Huntington, Inc.'s response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Recovery

Point of Huntington, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

#### Report on Internal Control over Compliance

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Noncompliance:**

Uniform Guidance requires the audited financial statements to be submitted to the Federal Audit Clearinghouse no later than nine months after the audited entity's fiscal year end. For the year ended June 30, 2022, this deadline was March 31, 2023. The Organization's audit was not completed by this deadline.

**Officials' Response:**

The financial statements and corresponding audit documentation was not ready for audit until mid-February 2023. Scheduling difficulties with our auditor would not allow the quick turnaround that was needed to meet this deadline.

Re: Grantee Federal Audit Requirement  
Grant Number G220507, G220555, G220738, G220754  
Fiscal Year Ended June 30, 2022

The Code of Federal Regulations in 2 CFR 200 Subpart F (Audit Requirements) requires all non-Federal entities expending \$750,000 or more in Federal awards during their fiscal year to have a single or program-specific audit conducted for that year. The audit is to be completed and the reporting package submitted within the earlier of 30 days after receipt of the auditor's report(s) or nine months after the end of the audit period.

Your organization submitted a Grantee Audit Certification and Federal Expenditure Disclosure (GACFED) form to the WV Department of Health and Human Resources (DHHR), Division of Compliance and Monitoring indicating that you exceeded the \$750,000 threshold for your fiscal year ended June 30, 2022. This letter is to remind you that your audit report package is due to this office by March 31, 2023 as outlined in Exhibit F of the grant agreement(s) with the DHHR. Please submit the completed audit, along with any additional information (i.e. management letter issued by auditor, management's response to audit findings, etc.) to this office at the address above before the deadline.

Please be aware that the DHHR's Office of Internal Control and Policy Development's Division of Compliance and Monitoring is sending this letter as a courtesy. This is the only reminder notice you will receive and failure to respond to this request will force the Division of Compliance and Monitoring to initiate appropriate measures against your organization that may result in debarment, monetary sanctions or other necessary actions.

Questions pertaining to this letter or any of the information and requirements referenced herein may be directed to the DHHR's Division of Compliance and Monitoring at the address referenced above or by contacting Diana Yarber, Accountant Auditor III at: 13043526725.

Thank you for your assistance and cooperation.

Sincerely,

Kimberly D. Merritt
