INDEPENDENT AUDITOR'S REPORT

The Board of Directors
The Senior Monongalians, Inc.
Morgantown, West Virginia

We have audited the accompanying statement of financial position of The Senior Monongalians, Inc. (a nonprofit organization) as of September 30, 2011 and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of The Senior Monongalians, Inc. as of September 30, 2010 were audited by other auditor's whose report dated April 12, 2011, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Senior Monongalians, Inc. as of September 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 14, 2012, on our consideration of The Senior Monongalians, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of federal awards and schedule of state awards and other assistance are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

1. Summary of Significant Accounting Policies

(a) Organization and Nature of Operations

The Senior Monongalians, Inc. is a West Virginia nonprofit organization whose mission is to improve the quality of life for Monongalia County senior citizens. The purpose of the Organization is to study and document the needs of the seniors, to encourage, promote, and aid in the establishment of programs for seniors, to conduct programs of public education on the problems of aging, to utilize opportunities to establish demonstration programs, and to implement state and local programs for the aging that no other agency is conducting.

The Organization's major programs consist of in-home personal care services, community care, congregate and home delivered meals and transportation services.

(b) Basis of Accounting and Reporting

The financial statements of the Organization are prepared on the accrual basis of accounting and accordingly reflect all receivables, payables and other accruals.

(c) Basis of Presentation

The financial statements are prepared in accordance with the recommendations of FASB Codification (ASC) 958-205, "Presentation of Financial Statements". Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

(d) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

(e) Income Tax Exemption

The Organization is a not-for-profit organization and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes.

(f) Donated Services

Donated services are recognized as contributions in accordance with FASB Codification (ASC) 958-605, "Revenue Recognition", if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. No services received by the Organization met these requirements.

(g) Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers cash to be cash and cash equivalents. Cash on hand and deposits with banking institutions are considered cash while short-term investments with an original maturity of not more than three months are considered cash equivalents.

Investment risk is categorized as follows:

Interest rate risk – The risk that changes in interest rates will adversely affect the fair value of an investment.

Credit risk – The risk that an issuer or other counterparty to an investment will not fulfill its obligations.

Custodial credit risk — The risk that, in the event of the failure of the counterparty to a transaction, the Organization will not be able to recover the value of investment or collateral securities that are in the possession of an outside party.

(h) Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is received. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

(i) Compensated Absences

Compensated absences consists of unpaid, accumulated accrued vacation time. The organization owed \$16,615 and \$14,579 at September 30, 2011 and 2010.

(j) Accounts Receivable

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
The Senior Monongalians, Inc.
Morgantown, West Virginia

We have audited the financial statements of The Senior Monongalians, Inc. (a nonprofit organization) as of and for the year ended September 30, 2011, and have issued our report thereon dated March 14, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered The Senior Monongalians, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Senior Monongalians, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the The Senior Monongalians, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Senior Monongalians, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, and federal and state awarding agencies and pass through entities and is not intended to be and should not be used by anyone other than these specified parties.
