WEST VIRGINIA MASSAGE THERAPY LICENSURE BOARD

FISCAL YEAR 2012 COMPLAINT SUMMARY

- 12-00** Unlicensed practice - District Apartments - Morgantown. Spoke with Spa manager on 7/1/11 to explain licensure requirements. She was told that someone could practice massage under a cosmetology license. Unlicensed person needs to stop performing massage immediately and a cease and desist letter would be sent the following week. A licensed therapist is also on staff. Spa manager stated she would not allow her to perform massages any longer. Mailed cease and desist letter on 7/7/11. Submitted application and obtained licensure on 10/28/11. Complaint closed on 10/30/11.
- 12-01** Unethical and unprofessional behavior - relating to testimony provided at hearing for Case # 10-06. Board voted to issue consent agreement 10/30/11. Board amended vote on 1/8/12 to issue a complaint instead of a consent agreement. Attorney to draft letter.
- 12-02** Unlicensed practice - Green Spa - Huntington Mall. Left several messages with mall management office on 12/2 and 12/9/11 relating to unlicensed practice. Did not receive any return phone calls. Had phone conversations with the owner relating to the license requirements on 12/9 and told him to cease and desist and he agreed. Spoke with him again on 12/12 regarding license applicant and requirements and he confirmed that they were not practicing. Went to the establishment on 12/15 and requested to see a license. He did not have a license. He stated he had national certification and the owner was not there. He was told to cease and desist. The business was immediately closed. The other applicant/applicants have been on hold due to circumstances surrounding the business. The same business was shut down after investigations in Union Township OH in 2011. Contacted the chief investigator and received a copy of the police report in early January 2012. Applicants were denied licensure in January 2012 due to fraudulent school transcripts, prior practicing without a license, etc. Board voted to continue investigation on 1/8/12. Receipt of additional applications in March 2012 in connection w/ this business. Four of the six applications attended the same school in FL The school was revoked by the national certification board on 2/29/12. Left a message w/ the school attended by the two other applicants. No response to date 4/20/12. School owner responded and confirmed that the two applicants completed the program. Issued licenses. Mall office informed of state law and rules in June. Hand delivered. Board office was contacted in August with questions regarding space and facility requirements. Uncertain if spa would re-open at the mall.
- 12-03** Oriental Health Spa - Board voted to open an investigation on 1/8/12 and work w/ the Board of Barbers and Cosmetologists. Provided investigator with the report to present at December meeting.
